DIRECTORS' REPORT

Dear Shareholders,

Your Directors have pleasure in presenting the 37th Annual Report on the business & operations of the Company together with the Audited Statement of Financial Accounts for the year ended 31st March, 2018.

FINANCIAL RESULTS

	(₹ in Crores)	
	For the year ended 31 st March, 2018	For the year ended 31 st March, 2017
Net Sales	2934.81	2173.50
Other Income	14.81	3.32
Total Income	2949.62	2176.82
EBITDA	595.89	264.50
Depreciation	120.94	103.03
Financial Expenses	86.61	73.07
Profit before exceptional item and tax	388.34	88.40
Provision for Taxes	2.09	7.40
Profit after tax	386.25	81.00
Other Comprehensive Income	(2.39)	(2.65)
Total Comprehensive Income	383.86	78.35

PERFORMANCE

During the year under review, the Company's Net Sales revenue grew by 35% to ₹ 2935 crores as against ₹ 2174 crores in the previous year. The EBITDA for the year was ₹ 596 crores in comparison to ₹ 265 crores in the previous year reflecting a growth of 125%. After providing for interest, depreciation and tax, the profit after tax of the Company grew by more than 390% to ₹ 384 crores as against ₹ 78 crores in the previous year, which resulted in EPS of ₹ 25.58 in the current year as against ₹ 5.97 in the previous year.

OPERATIONAL REVIEW

Your Directors have immense pleasure in informing that the performance of the Company, both financial and operational, has attained phenomenal growth during the year under review on account of operational efficiency, higher production volumes and better sales realization. The operating margins have jumped to 20% against 12% in the previous year. During the year, the Company expanded its Sponge Iron capacity by setting up an additional Rotary kiln of 0.20 Mn tonnes per annum, thereby enhancing the total capacity to 1.00 Mn tonnes per annum. Alongwith the kiln, the Company also added 15 MW power co-generation capacity during the year. In the Steel Melting Shop, the Company set up new furnaces and also modernized some of the existing furnaces with energy efficient furnaces during the year.

Further, as a step towards efficient raw material management, the Company has been able to secure Long term supply arrangements with its suppliers for the key inputs i.e. coal and iron ore at stable prices.

The performance of the Rigid PVC Pipe division was also satisfactory during the year under review. The division achieved highest ever production during the year. In view of the huge unrealized growth potential in the PVC Pipe industry, the Company is doubling its production capacity by next year.

FUTURE PROSPECTS

The steel industry in the country is witnessing a major uptrend with ever growing gaps in demand and supply. To exploit and take advantage of the situation, the Company has taken up expansion plan to increase its steel capacity from 1 Mn tonnes per annum to 3 Mn tonnes per annum in a phased manner over the next 5 years at its Integrated Steel Plant in Chhattisgarh. In this direction, the Company is enhancing its capacity in Sponge Iron by 0.40 Mn tonnes per annum alongwith related expansion in the steel melting shop this year. Further, in order to achieve next level of integration in its operations, the Company is making all its efforts to open its Sirkaguttu Iron Ore Mine in the state of Odisha in the first quarter of the current financial year. Also, the Kawardha iron ore mine allotted to the Company in the state of Chhattisgarh is expected to be operational by next year. In addition, the Company is also setting up a Private Railway Siding at its plant. These events shall boost the performance quotient of the Company to a significant extent in the coming years.

In the PVC Pipes division, in addition to doubling its production capacity of PVC Pipes and fittings by next year, the Company has strategically ventured into Flexible Plastic Packaging business, which will manufacture high performance barrier films and laminates that find application in packaging of food, beverages, oil, personal care and pharmaceutical products. The production is expected to commence by June, 2018.

As regards the demerger of the PVC Pipe division, the National Stock Exchange (NSE) and Bombay Stock Exchange (BSE) have conveyed their consent to the Draft Scheme of Arrangement and other clearances are in progress.

DIVIDEND

After careful assessment of the available profit during the financial year ended 31st March, 2018, your Directors have not recommended any dividend for the financial year ended 31st March, 2018.

ENVIRONMENT AND SOCIAL RESPONSIBILITY

Your Company has always laid emphasis on its environmental commitment towards the society, including

PRAKASH INDUSTRIES LIMITED

its customers, clients, employees, workers and public. The Company takes effective steps to spread the environmental awareness among its employees and motivates them to work in an environmentally responsible manner. The Company ensures compliance with all applicable environmental laws at its plants, which results in providing safe and healthy workplaces to its employees. Further, the Company is also committed to maintain Zero Discharge pattern by installing Effluent Treatment and Sewage Treatment Plant, Continuous Emission Monitoring System and setting up well equipped Environmental Laboratory for Air, Water and practicing hazardous waste and solid waste management.

Corporate Social Responsibility (CSR) has also been an integral part of the Company's business since inception. The Company's initiatives towards fulfilling its Corporate Social Responsibility include providing safe drinking water facilities around its plants, conducting training programs for promotion of vocational skills and environmental sustainability, promoting health care programs, maintaining sports and recreational facilities and generating employment opportunities for local people.

MATERIAL CHANGES AND COMMITMENTS AFFECTING THE FINANCIAL POSITION OF THE COMPANY

There were no material changes and commitments affecting the financial position of the Company between the end of the financial year of the Company to which the financial statements relate and the date of the report.

DETAILS OF SIGNIFICANT AND MATERIAL ORDERS PASSED BY THE REGULATORS OR COURTS OR TRIBUNALS IMPACTING THE GOING CONCERN STATUS AND COMPANY'S OPERATIONS IN FUTURE

**FORM No. MR-3
SECRETARIAL AUDIT REPORT****FOR THE FINANCIAL YEAR ENDED 31ST MARCH 2018****[Pursuant to section 204(1) of Companies Act, 2013 and Rule No. 9 of the Companies
(Appointment and Remuneration Personnel) Rules, 2014]**

To,
The Members,
Prakash Industries Limited
15 Km. Stone, Delhi Road, Hissar,
Haryana, India-125044

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Prakash Industries Limited (hereinafter called the company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Prakash Industries Limited's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on 31st March, 2018 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by Prakash Industries Limited ("the Company") for the financial year ended on 31st March 2018 according to the provisions of:

- i. The Companies Act, 2013 (the Act) and the rules made there under and the applicable provisions of the Companies Act, 1956;
- ii The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- iii The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- iv Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- v The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992 and Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015; and

- c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
- d) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client (Not applicable to the Company as it's not registered as Registrar to Issue and Share Transfer Agents during the audit period);
- e) Other laws applicable specifically to the company as per the representation made by the Management including
 - i) Air (Prevention and Control of Pollution) Act, 1981
 - ii) Water (Prevention and Control of Pollution) Act, 1974 and Water (Prevention and Control of Pollution) Rules, 1975
 - iii) Environment Protection Act, 1986
 - iv) Factories Act, 1948

For the compliances of Labour Laws & other General Laws my examination and reporting is based on the documents, records and files as produced and shown to me and the information and explanations provided by the Company, its officers, and authorised representatives, including compliance reports taken on record by the Board of Director, to the best of my judgment and understanding of the applicability of the different enactments upon the Company, in my opinion there are adequate systems and processes exist in the Company to monitor and ensure compliance with applicable General laws and Labour Laws.

I have also examined compliance with the applicable clauses of the following:

- i. The Listing Agreements entered into by the Company with National Stock Exchange of India Limited and BSE Limited read with the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;
- ii. Secretarial Standards issued by The Institute of Company Secretaries of India with respect to Board and General Meetings.

I further report that, there were no actions/event in pursuance of:

- (a) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 and The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014;
- (b) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
- (c) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009;

PRAKASH INDUSTRIES LIMITED

(d) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998;

During the period under review and as per the explanations and clarifications given to me and the representation made by the Management, the Company has complied with the provisions of the applicable laws, rules, regulations and guidelines, etc as mentioned above.

I further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all Directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, except notes on items of business which are in the nature of Unpublished Price Sensitive Information have been given at a shorter period of time than stated above, with the consent of a majority of the Directors, which includes one Independent Director and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

As per the minutes of the meetings duly recorded and signed by the Chairman, the decision were unanimous and no dissenting views were recorded.

I further report that as per the explanations given to me and the representation made by the Management and relied upon by me there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

As informed, the Company has responded appropriately to notices received from various statutory/regulatory authorities including initiating actions for corrective measures, wherever found necessary.

This Report is to be read with my letter of even date which is annexed as Annexure A and forms an integral part of this report.

‘Annexure A’

To,

The Members,
Prakash Industries Limited

My report of even date is to be read along with this letter.

1. Maintenance of secretarial record is the responsibility of the management of the Company. My responsibility is to express an opinion on these secretarial records based on our audit.
2. I have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on test basis to ensure that correct facts are reflected in Secretarial records. I believe that the processes and practices, I followed provide a reasonable basis for my opinion.
3. I have not verified the correctness and appropriateness of financial records and Books of Accounts of the Company including compliance of applicable Direct and Indirect tax laws since the same have been subject to review by Statutory Auditor and other designated professionals.
4. Where ever required, I have obtained the Management representation about the compliance of laws, rules and regulations and happening of events etc.
5. The compliance of the provisions of Corporate and other applicable laws, rules, regulations, standards is the responsibility of management. My examination was limited to the verification of procedures on test basis.
6. The Secretarial Audit report is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company.

REPORT ON CORPORATE GOVERNANCE
1. COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE

Your Company's philosophy on Corporate Governance envisages working towards high levels of transparency, accountability, consistent value systems, delegation across all facets of its operations leading to sharply focused and operationally efficient growth. The Company tries to work by these principles in all its interactions with all stakeholders, including shareholders, employees, customers, suppliers and statutory authorities.

2. BOARD OF DIRECTORS
a) Composition

As on 31st March 2018, the Board of Prakash Industries Ltd. comprised 10 Directors represented by 5 Whole-time (Executive) Directors including Chairman, Managing Director & Joint Managing Director and 5 Independent Director (Non-Executive)

b) Board Functioning and Procedures

The Board meets at regular intervals to discuss and decide on business strategies/policies and review the financial performance of the Company. The notice and detailed agenda along with the relevant notes and other material information are sent in advance separately to each Director and in exceptional cases tabled at the Meeting with the approval of the Board. In case of business exigencies, the Board's approval is taken through circular resolutions. The circular resolutions are noted at the subsequent Board Meeting. This ensures timely and informed decisions by the Board. The Board reviews the performance of the Company vis-à-vis the budgets/targets.

The Company has disclosed the related parties transactions in Notes on Accounts in the Balance Sheet. The same are not in potential conflict with the interest of the Company at large.

- b) There has been no instance of non-compliance by the Company on any matter related to capital markets during last three years, and hence, no penalties or strictures have been imposed on the Company **by Stock Exchanges or SEBI or any other statutory authority.**
- c) The details of establishment of Vigil Mechanism & Whistle Blower Policy can be accessed on the Company's website www.prakash.com. Further it is affirmed that there is a proper policy to look into the grievances of the personnel of the Company and no person has been denied access to the Audit Committee.
- d) The Policy for determining "Material Subsidiaries" can be accessed on company's website www.prakash.com.
- e) The Policy on dealing with related party transactions can be accessed on company's website www.prakash.com.
- f) There has been no instance of non-compliance by the Company on any requirement of Corporate Governance report as per Para C of Schedule V of SEBI (LODR), Regulations, 2015.
- g) The Company has adopted and fulfilled the disclosure requirements in compliance with Corporate Governance requirements specified in regulation 17 to 27 and clauses (b) to (i) of sub-regulation (2) of Regulation 46 of SEBI(LODR) Regulations, 2015.

12. CODE OF CONDUCT

The Company has adopted a Code of Conduct for all Directors and Senior Management personnel including functional heads of the Company. The essence of the code is to conduct the business of the Company in honest and ethical manner in compliance with applicable laws. The Code of Conduct has been posted on the website of the Company. All the Board members and Senior Management personnel including functional heads of the Company have affirmed compliance with the Code of Conduct. A declaration signed by the CEO and CFO is given below:

"In terms of Para D of Schedule V of SEBI (LODR) Regulations 2015, it is hereby declared that all the Directors and Senior Management personnel including functional heads have affirmed compliance of the Code of Conduct of the Company for the financial year 2017-18"

**Compliance Certificate from the Auditors regarding compliance of conditions of
Corporate Governance**

To
The Members of
Prakash Industries Limited

We have examined the compliance of conditions of corporate governance by Prakash Industries Limited ("the Company"), for the year ended 31st March, 2018 as stipulated in SEBI(LODR) Regulations, 2015 and the Listing Agreement of the said Company with Stock Exchanges.

The compliance of conditions of corporate governance is the responsibility of the management. Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us and the representations made by the Directors and the management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the said clause of the Listing Regulations.

We further state that such compliance is neither an assurance as to future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Industry Structure & Developments

Steel and Power Division: The domestic steel industry is riding high on the resurgent economy and rising demand for steel on account of various infrastructure initiatives taken by the Government. Rapid rise in production has resulted in India becoming the 3rd largest steel producer globally. The New steel policy, 2017 aspires to achieve 300MT of steel making capacity by 2030. This would translate into additional investment of 10 lakh Crores by 2030- 31. New Steel Policy seeks to increase per capita steel consumption to the level of 160 Kgs by 2030 from existing level of around 61 Kg. There exist many factors which carry the potential of raising the per capita steel consumption in the country. These include among others, an estimated infrastructure investment of nearly a trillion dollars, a projected growth of manufacturing from current 8% to 11-12%, increase in urban population to 600 million by 2030 from the current level of 400 million, emergence of the rural market for steel currently consuming around 11 kg per annum buoyed by projects like Bharat Nirman, low cost housing, incremental demand from defense, railways, Pradhan Mantri Gram Sadak Yojana, among others.

PVC Pipe Division: The Indian PVC pipe and fittings industry registered healthy growth at ~12% CAGR during the last five years at the back of rising demand from construction and irrigation sectors. The industry also has immense potential for growth in view of the various initiatives taken by the government including allocation of ~Rs400bn for investment in the irrigation sector, setting up of a dedicated micro-irrigation project worth ~Rs 50bn by NABARD and increasing the financial liquidity to farmers. In the construction sector also, the government's impetus like affordable housing, Swachh Bharat Mission' (Gramin) and increasing the sanitation coverage in rural India to ~60% provide notable growth opportunities for the piping industry.

Further, the Indian packaging industry is large at INR 338,000 Crores and is further expected to witness growth at ~13% CAGR over the next 5 years by FY22. In view of the changing end-user preferences on account of lower cost, light weight, lower space requirement, carrying convenience and better energy efficiencies, the Flexible packaging segment, in particular, is expected to outgrow the rigid packaging in the coming times. End-use industries such as F&B, Pharma and BPC are expected to exhibit a strong double digit growth annually driving packaging demand. Also, growth of organized retail and export demand are also expected to drive industry growth:

Opportunities and Threats

Steel and Power Division: The current per capita steel consumption of 61 kg as against the international average of 208 kg, gives the Indian Steel Industry a huge potential for growth. Further, with several budgetary allocations boosting infrastructure shall also fuel the demand of steel and steel products in the country. Another major policy reform favouring the Indian companies is the recent ruling that domestic steel

will be given preference in Government projects as part of the Make in India programme. The 12th five year plan of the government is envisaging an investment of US\$ 1 trillion in infrastructure that will boost the demand for steel. The Goods and Services Tax ('GST'), the biggest tax reform since Independence, will help simplify India's tax regime, expand tax base and check the parallel economy, which is likely to boost the growth of the steel players in the organized sector in the long-term.

The only threat to this industry would be the plummeting demand for steel, which is unlikely to happen under the present circumstances. Also, Cheap exports from countries like China, Japan and Korea at predatory low prices in future continues to be the major threat to the steel industry in India, although the Indian Government has taken series of steps like imposition of Minimum Import Price, quality controls and anti-dumping duties to protect domestic steel units. However, In the present industry scenario, your Company has created a strong base for growth in its core area of operations owing to strong balance sheet, low leveraging, developed infrastructure, sufficient land in possession, environmental clearances and available mineral resources.

PVC Pipe division: Agriculture plays a vital role in India's economy. Agriculture is the principal means of earning a livelihood for the majority of the rural population in India. More than 50% of cultivated land in India is still dependent on monsoons. Hence, there is immense potential to improve the irrigation coverage. Realising the need, the Government of India has already spelt out many initiatives to enhance the irrigation coverage and the productivity and profitability of the agricultural sector.

The Government is focusing on rural water and sanitation infrastructure, which will generate huge demand for PVC pipes. The development of 'Smart Cities' will be a further boost to PVC pipes demand in India due to the huge requirement of urban infrastructure in these cities. With affordable housing assigned infrastructure status in FY18, demand for the same from the middle-income group in India is expected to rise. It is the mission of our Government to provide housing for all by year 2022. Introduction of RERA also augurs well for the housing sector. All these initiatives will result in high demand for PVC pipes and fittings. However, the major threat to the industry continues to be delays in implementation of the government decisions and limited availability of PVC resin in India.

As regards Flexible Packaging, the business has huge potential for growth in future in view of the shift in consumer preferences towards branded / packaged products, growth of packaging end-sectors like food and beverages, beauty care, personal care and pharmaceuticals along with organized retail and strong overseas demand for packaged export products. India's retail market is the 5th largest in the world and the 2nd most attractive emerging market for retail investments, which gives enough scope for packaging sector.

Segment Wise / Product Wise Performance

Steel and Power Division: The performance of the Steel division continued to be satisfactory during the year under review. The sales volume in the steel division recorded growth of approx. 13% in the year under review over the last financial year. During the year, the Company also commissioned its fifth 0.2 mn tpa capacity Sponge Iron Rotary kiln along with 15 MW power co-generation capacity at its Integrated Steel plant. In the Steel Melting Shop, the Company set up new furnaces and also modernized some of the existing furnaces with energy efficient furnaces during the year. Further, the company also efficiently managed its raw material requirement of iron ore and coal by securing long term supply arrangements. The operations in the power division were also satisfactory during the year and the generation was sufficient to meet the requirement of power in the steelmaking operations.

PVC Pipe Division: The division achieved record production during the year under review. The robust market demand contributed to consequent higher operating margins in the division. Encouraged by the performance of the division and taking into consideration the future growth potential in the sector, the Company has undertaken capacity expansion at its PVC Pipe plant, which is in advanced stages of implementation. Also the Company has recently ventured into Flexible Packaging and laminates business at its existing plant at Kashipur.

Outlook

The Indian steel industry has witnessed approx. 80% capacity utilization owing to decline in imports on account of government's safeguard measures, export opportunities to Asia and Western Europe and slowdown in greenfield capacity additions. Going ahead, the utilization rate is expected to further improve to 90% by Fiscal 2022 owing to the higher production, reducing reliance on imports, increasing exports to 10% of production, as targeted in the National Steel Policy, 2017.

Domestic PVC market is grossly under-penetrated, with a per capita consumption at ~2 kg. This is ~3-4 times higher in other peer developing countries such as Brazil, Malaysia, Thailand. With rapid urbanization and rising farm irrigation spends, the market can grow at 12-15% CAGR. Prakash is the largest organized PVC pipe brand in North India, and benefits from GST rollout as unorganized players feel the heat.

Risks and Concerns

Risk, which is the manifestation of business uncertainty affecting corporate performance and prospects, is an integral part of business. The Company follows a well-defined and exhaustive risk management process, which is integrated with its operations. This enables the Company to identify, categorize and prioritize operational, financial and strategic business risks. The Company has formed a Risk Management Committee which has the mandate of identifying the risks and suggesting the ways to mitigate them. To

address the identified risks, the Company continues to spend significant time, effort and human resources to manage and mitigate such risks.

Despite abundant resources of the key inputs for steel making, namely iron ore and coal, the development and opening up of new mines remains to be a concern. The performance of any steel player depends on the tie up of interrupted supplies of coal and iron ore and insulation from the volatility of their prices. However, our company, through efficient raw material management, has secured Long Term Fuel Supply of Coal from Coal India Limited requirements at stable prices. As regards iron ore, The Sirkaguttu Iron Ore Mine of the Company in Odisha is going to commence production in the current quarter. Further, the Kawardha mine in Chhattisgarh is likely to be operational by April, 2019.

Internal Control System and their Adequacy

Your Company has proper and adequate system of internal control commensurate with its size and nature of operations. The system provides a reasonable assurance in respect of providing financial and operational information, complying with applicable statutes, safeguarding of assets of the Company and ensuring compliance with corporate policies.

The Company's Audit Committee reviews adherence to internal control systems, internal audit reports and legal compliances. This committee reviews all quarterly and yearly results of your Company and recommends the same to Board for its approval. The Audit Committee periodically reviews the Internal Audit Reports and issues guidance and advice. The Statutory Auditors also provides assurance on the adequacy of the internal control systems in the Company.

Material developments in human resources/industrial relations front, including number of people employed

Organization growth and development depends on the quality of its human capital. Effective human resource (HR) planning and management is required at all stages to ensure employee growth and satisfaction. The HR processes of your Company are integrated into the fabric of the organization which add value to the business operations. The Human Resource (HR) practices of your company are geared towards creating a performance driven organization. Continuous efforts are made to attract and retain the best talents available and minimize attrition.

On the whole, the focus is on building internal capabilities and bringing down costs through application of technology, innovation and automation, while keeping the employees engaged and motivated. The Human Resource Department of the Company focuses on improving the work culture, employee engagement, effectiveness and efficiency. Various employee engagement interventions carried out in the year have resulted in better performance. Reward and recognition practices have helped in creating a positive work environment. On the safety front, the Company is focused on ensuring the safety of all its employees. The Company has maintained healthy and cordial industrial relations during the year.

INFORMATION IN ACCORDANCE WITH THE PROVISIONS OF SECTION 134(3) (m) OF THE COMPANIES ACT 2013; READ WITH RULE 8 OF COMPANIES (ACCOUNTS) RULES 2014 REGARDING CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS AND OUTGO FOR THE YEAR ENDED 31ST MARCH, 2018

A) CONSERVATION OF ENERGY

I) STEPS TAKEN FOR IMPACT ON CONSERVATION OF ENERGY

Sponge Iron Division

1. Increase the Production of DRI by use of better quality imported coal, High Grade Iron Ore, accretion formation was controlled and better productivity was achieved and resulted into reduction of Specific Coal Consumption
2. Installation of Capacitor Bank of Kiln 1 -300 KVR, Kiln 2 -600 KVR , Kiln 5 -600 KVR and RMP Kiln 4&5 400 KVR to improve the Power Factor.
3. Installation of VVVF Drive 160 KW installed in multiple areas for optimization and reduction of electrical energy
4. Replacement of old motors of Shell Air Fan with Energy Efficient Motor.
5. Replacing LED light in place of HPSV
6. Installation of High efficient VT Pump in INTAKE WELL of Water Treatment Plant for reducing of Auxiliary Power Consumption.
7. Reduction of power consumption by implementing various Energy conservation projects as per energy audit conducted by CII

Induction Furnace Division

1. Heat time reduces by 6% by improving working practices, better raw material & productivity leading to reduction in specific power consumption of steel
2. Improved the Patching life by 7.5 % resulting minimize of sintering heat which resultant in improvement in productivity & reduction of power consumption.
3. Replacing old inefficient induction furnaces with latest technology efficient furnaces required full digitalization for lower Energy Consumption
4. Reduction of auxiliary power consumption by implementing CII Audit Energy saving proposals

SAF Division

1. SAF Load optimized Max transformer capacity for reduced specific power consumption.
2. HPSV light replaced by LED light for Energy Saving Purpose.
3. VFD installed in various areas to save energy.
4. Energy Efficient Motors installed in SAF Pollution Control Systems F.D. Cooler in place of old motors
5. Installation of Capacitor Bank in SAF to improve power factor

Power Plant Division

1. Installed wet scraper conveying system by replacing in FBB-4 and replaced the Dry bed ash conveying system for energy saving.
2. Replacement of HPSV light fitting with LED light fittings
3. Established the Coal Additive Application of Multifunctional Combustion Catalyst and achieved the Coal savings in Boiler and also Reduction in Loss of Ignition, Reduction in Sp. Coal Consumption and helps to avoid scaling on the Tubes.
4. Installation of VFD in various areas for achieving the Energy Saving.
5. Installation of Startup vent valve to arrest the steam passing from existing MOV & for smooth & safe operation of boiler
6. Introduction of Online condenser cleaning system for vacuum improvement for reducing specific steam consumption

II) STEPS TAKEN BY THE COMPANY FOR UTILIZING ALTERNATE SOURCES OF ENERGY

1. Reuse and recycle of backflow material in the Kilns for partly replacing the fresh coal in the feeding
2. Utilizing the DRI Cooler Oversize Waste Material through Crushing and Processing and being used as Raw Material in SAF Division
3. Planning of dust injection system for utilizing the De dusting fines in the ABC / DSC of Kilns for increasing the steam and power generation in WHRB

III) CAPITAL INVESTMENT ON ENERGY CONSERVATION EQUIPMENTS

S.No	PROJECT TITLE	Rs. In lakhs
1.	VFD installation in the plant in all division as per process requirement for energy conservation	21.93
2.	Replacement of conventional lights with energy efficient LED lights	6.37
3.	Installation on energy efficient motors in projects in plant	22.08
4.	Installation of energy efficient pumps in all divisions	6.93
5.	Installation of Wet Scraper conveyer system	30.00
6.	Energy efficient the coal additive appliances	22.00
7.	Installation of capacitor bank in plant for improving the power factor	22.35

B) TECHNOLOGY ABSORPTION
(i) EFFORTS MADE TOWARDS TECHNOLOGY ABSORPTION

Company is committed to use latest technology ensuring maximum efficiencies, highest productivity and least cost. For this Company is buying equipments only from renowned suppliers having tie-up for the latest technology available globally

(ii) THE BENEFITS DERIVED LIKE PRODUCT IMPROVEMENT, COST REDUCTION, PRODUCT DEVELOPMENT OR IMPORT SUBSTITUTION

SNO	PROJECT TITLE	BENEFITS DERIVED
A. Sponge Iron Division		
1.	Applying low cost, high insulation LC 70 castables for controlling heat losses from kilns.	Avoid the Heat Loss and reduce the coal consumption
2.	Company in the process of installation of high capacity magnetic concentrators for better recovery of sponge iron in place of magnetic drums it will help in increasing DRI yield.	Yield Improvement by Better Separation
3.	Recovery of Sponge Iron from Oversize DRI Material from Crushing and Magnetic Separation process and utilizing in the IFD Process, Resulting into elimination of Yield Loss of DRI.	Better Recovery and Yield Improvement
B. Power Plant Division		
1.	Established the Coal Additive Application of Multifunctional Combustion Catalyst and achieved the Coal Savings in Boiler and also Reduction in Loss of Ignition, Reduction in Sp. Coal Consumption and helps to avoid scaling on the Tubes.	Reduction of LOI and Coal Consumption
2.	Steam Line Modification of WHRB to utilize the extra Steam for Power Generation	Extra Power Generation by Utilizing additional Steam

<p>C. Induction Furnace Division</p> <ol style="list-style-type: none"> 1. Replacement of old inefficient induction furnaces with latest technology furnaces with full digitalization for lower Energy Consumption 2. Recovery of (-2 mm) slag recovery is established and the recovered material is being used IFD resultant in increase recovery from waste. 3. Trial of neutral ramming mass is conducted in place of conventional silica ramming mass to improve the patching life, increase availability of Furnace and Increase Productivity and reduction of Power Consumption. 4. Reduction of skull loss in IFD by 50% 5. Introduction of Digital Display of Quality Parameters in the IFD Sheds for Better Monitoring and Control of Quality of Steel. 6. Improved the Yield by 1% to increase the Recovery of metal and production and reduction of specific power consumption. 	<p>Energy Saving and better Production</p> <p>Recovery from Waste and utilization (Wealth from Waste)</p> <p>Improve Furnace Availability and production improvement</p> <p>Better Yield and reduction of Losses</p> <p>Better Monitoring and Control of Quality of Steel.</p> <p>Increase Productivity</p>
<p>D. SAF Division</p> <ol style="list-style-type: none"> 1. Batching Systems of SAF-1 to 4 enhanced by replacement of deformed Weighing Hoppers & ensure smooth Operation of Batching System. 2. SAF Open area covered by implementing Hydraulic Gates to minimize Fugitive emission & heat Utilization 3. Hydraulic Slipping Mechanism Device redesigned and implemented to avoid frequent Electrode Slipping Problems and Shutdowns related to Slipping of Electrodes. 4. Raw material Handling Systems Feeding Circuit designed as suitability for feeding of Raw Material for dedicated Bunker Feeding to avoid Shortage of Raw material in case of Failure of one Conveyor Belt for Saf-5, 6 & 7,8 &9 5. Implementation of Isolation Valves in Compressed Air Line for testing of Air Vessels without affecting production & Air pollution. 6. Replacement of Deformed Electrode Mantle in SAF-7 to avoid frequent misalignment of Electrode pressure Ring, Sparking etc thus leads to minimize Breakdown of Furnace & maintaining of constant optimization of Furnace Load 7. Recovery of Si Mn from the waste SAF slag through in-house designed jigging process 	<p>Smooth Operation of Process</p> <p>Minimize Fugitive emission & heat Utilization</p> <p>Minimize Downtime</p> <p>Smooth Operation</p> <p>Avoid Production Loss during testing</p> <p>Smooth Operation on Constant Load</p> <p>Recovery from waste and Utilization of solid waste</p>

PROCESS IMPROVEMENT

1. Increase the Production of DRI by use of better quality imported coal, accretion formation was controlled and better productivity was achieved and resulted into reduction of Specific Coal Consumption
2. Use of high grade ore along with South African coal resulted into higher productivity, which also lowered specific power consumption and reduction of Specific Coal Consumption of sponge iron produced due to Better Yield in High Grade Iron Ore.
3. Utilizing the DRI Cooler Oversize Waste Material through Crushing and Processing and being used as Raw Material in SAF Division
4. Procurement of State of Art Technology Equipment SPECTROMETER of SHIMATZU, JAPAN for Steel Quality Inspection and Analysis
5. Established the Coal Additive Application of Multifunctional Combustion Catalyst and achieved the Coal Savings in Boiler and also Reduction in Loss of Ignition, Reduction in Sp. Coal Consumption and helps to avoid scaling on the Tubes.
6. Introduction of Online condenser cleaning system for vaccum improvement and sustenance of the vaccum ,result to better operation and coal saving and efficiency improvement
7. Reuse / recycle of backflow material in Kilns to optimize the coal consumptions.
8. Installation of bigger coal Injection system for higher feeding and avoid the downtime of coal injection system particularly in the rainy season
9. Reduced the specific power consumption and optimization of production in SAF with better quality of Ore and Blend and improving operation practices
10. Optimization of specific coal consumption and power cost in power plant by better coal blend and char and improving efficiency and reduction of auxiliary power consumption

PRODUCT DEVELOPMENT

Company has pull all possible efforts with adoption of best available technologies to develop the manufacturing of various products, best in the industry

INFORMATION REGARDING IMPORTED TECHNOLOGY (LAST THREE YEARS)

S.No.	TECHNOLOGY IMPORTED	YEAR OF IMPORT	STATUS	WHETHER THE TECHNOLOGY FULLY ABSORBED

PRAKASH INDUSTRIES LIMITED

INDEPENDENT AUDITOR'S REPORT

To
The Members of
PRAKASH INDUSTRIES LIMITED

1. Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of Prakash Industries Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2018, the Statement of Profit and Loss (including other comprehensive income), the Statement of Cash Flows and the Statement of Changes in Equity for the year ended on that date, and a summary of significant accounting policies and other explanatory information.

2. Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

3. Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to

obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial controls relevant to the Company's preparation of the standalone financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the standalone financial statements.

4. Basis for Qualified Opinion

We refer note no 37 and 39 of the Standalone Financial Statement that the deferred tax liability of ₹ 2,741 lakhs for the year ended on March 31, 2018 has been adjusted against Securities Premium Account by the Company in terms of a court order. Further, the MAT Credit Entitlement not availed within the time allowed aggregating to ₹ 4,931 lakhs for the year ended March 31, 2018 has been adjusted against retained earnings. Had these been accounted for pursuant to Ind AS -12 'Income Taxes', net profit and total comprehensive income after tax for the year ended on March 31, 2018 would have been lower ₹ 7,672 lakhs.

5. Qualified Opinion

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matters described under paragraph 4 'Basis for Qualified Opinion', the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the financial position of the Company as at March 31, 2018, and its financial performance including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

6. Emphasis of Matter

We drew attention to note 40 and 41 of the Standalone Financial Statement, in respect of cancellation of allocation of coal mine blocks to the Company and two joint venture entities pursuant to the order of Hon'ble Supreme court in the year 2014. The full and final

compensation for cancellation of these mines is yet to be received. Further, after cancellation of coal mine blocks, there being no activities in joint venture entities, in the judgement of the management, the company does not have any control on these entities from the date of cancellation of mines and the book value being investment and other advances aggregating to ₹ 384 lakhs has been provided for. Our opinion is not qualified in respect of this matter.

7. Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of section 143 (11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by section 143 (3) of the Act, we report that:
 - a. We have sought and except for the matters described under 'Basis for Qualified Opinion' paragraph, have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit.
 - b. Except for the effects of matters described in the 'Basis for Qualified Opinion' paragraph, in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Cash Flows and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, except for the effects of matters described in the 'Basis for Qualified Opinion' paragraph, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2016, as amended.
 - e. On the basis of the written representations received from the directors as on March 31, 2018 and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2018 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f. The qualification relating to the maintenance of accounts and other matters connected there with are as stated in the 'Basis for Qualified Opinion' paragraph;
 - g. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B",
 - h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our

opinion and to the best of our information and according to the information and explanations given to us:

- i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements; (refer note no 33)
- ii. Except for the effects of matters described under 'Basis of Qualified Opinion' paragraph, the Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
- iii. There has been no delay in transferring amount required to be transferred, to the Investor Education and Protection Fund by the Company during the year;

PRAKASH INDUSTRIES LIMITED

Annexure A referred to in Independent Auditor's Report (Referred to in paragraph 1 under 'Report on Other Legal and Regulators' section of our report to the Member of Prakash Industries Limited ("the Company") for the year ended March 31, 2018)

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation, of fixed assets;
 - (b) The fixed assets were physically verified during the year by the management in accordance with a regular programme of verification which, in our opinion, is reasonable having regard to the size of the company and the nature of its assets. According to the information and explanations given to us, discrepancies noticed on such verification were not material and have been properly dealt with in the books of account.
 - (c) The title deeds of immovable properties are held in the name of the Company except for one case of freehold land having gross/net block value of ₹ 20 Lakhs. In respect of immovable properties have been taken on lease and disclosed as fixed assets, the lease agreements are in the name of the Company.
- (ii) According to the information and explanations given to us, the management has conducted physical verification of inventory at reasonable intervals during the year except materials in transit as at the year end. The discrepancies noticed on verification between physical inventory and book records were not material and have been properly dealt with in the books of account.
- (iii) The Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013. Accordingly, the provisions of Para 3 (iii) of the Order are not applicable to the Company.
- (iv) According to information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Act, in respect of loans and investments made and guarantees and security, provided wherever applicable.
- (v) According to the information and explanations given to us, the Company has not accepted any deposits within the meaning of Sections 73 to 76 of the Act and the rules framed there under during the year. Accordingly, the provisions of Para 3 (v) of the Order are not applicable to the Company.
- (vi) We have broadly reviewed the cost records maintained by the Company pursuant to the rules made by the Central Government under sub-section (1) of Section 148 of the Act and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. We have, however, not made a detailed examination of these records with a view to determine whether they are accurate or complete.
- (vii) (a) According to information and explanations given to us and the records of the Company examined by us, the Company is generally regular in depositing undisputed statutory dues in respect of provident fund, employee's state insurance, income tax, sale tax, service tax, goods and service tax, duty of customs, excise duty, cess and any other material statutory dues applicable to it with the appropriate authorities.
 - (b) According to the information and explanations given to us and the records of the Company examined by us, there were no outstanding dues in respect of income tax, sales tax, service tax, goods and service tax, duty of customs, duty of excise and value added tax which as at March 31, 2018 have not been deposited on account of any dispute except the following:

Name of Statute	Nature of Dues	Amount (₹ in Lakhs)	Period to which the amount relates	Forum where the dispute is pending
Central Excise Act, 1944	Excise Duty	418.59	2001-09	CESTAT, New Delhi
		36.15	2013-14	Appellate Authority - Addl. Commissioner
		11.63	2010-13	Appellate Authority - Dy. Commissioner
The Income Tax Act, 1961	Income Tax	356.70	1998-2006	Commissioner of Income Tax (Appeals)

- (viii) According to the information and explanations given to us, there is no loan or borrowing taken from Government, and the Company has not defaulted in repayment of loans or borrowing to a financial institution or bank except for delay in repayment to bondholders for a period ranging from 6-38 days in respect of ₹ 1119-1125 lakhs.

PRAKASH INDUSTRIES LIMITED

- (ix) According to the information and explanations given to us, the Company has not raised any money by way of initial public offer or further public offer (including debt instruments) and term loans have been applied for the purposes for which they are raised.
- (x) According to the information and explanations given to us, no fraud by the Company or on the Company by its officers or employees have been noticed or reported during the year.
- (xi) According to the information and explanations given to us and based on the audit procedures conducted by us, the managerial remuneration paid or provided during the year is in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Act. The Company has secured refund of excess remuneration in respect of earlier year, pending approval of appropriate authority.
- (xii) In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company. Therefore, the provisions of Para 3 (xii) of the Order are not applicable to the Company.
- (xiii) In our opinion and according to the information and explanations given to us and based on our examination of the records of the Company, all transactions with the related parties are in compliance with Sections 177 and 188 of the Act, where applicable and the details have been disclosed in the standalone financial statements as required by the applicable accounting standards.
- (xiv) According to the information and explanations given to us, the Company has, during the year, issued convertible equity warrants and made allotment of Equity shares to the Foreign Currency Convertible Bond (FCCB) holders on exercising the option of conversion by them as per the terms of the FCCB. The requirements of section 42 of the Companies Act, 2013 have been complied with by the Company to the extent applicable. The Company has received money against the share warrants issued during the year. The money so raised have been used for the purpose for which funds were raised.
- (xv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into any non-cash transactions with directors or persons connected with them. Accordingly, the provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi) In our opinion, the Company is not required to be registered under section 45 IA of the Reserve Bank of India Act, 1934.

PRAKASH INDUSTRIES LIMITED

Annexure B referred to in Independent Auditor's Report of even date to the members of Prakash Industries Limited ("the Company") on the Financial Statements for the year ended March 31, 2018

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Prakash Industries Limited ("the Company") as of March 31, 2018 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing issued, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India and applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Basis of qualified opinion

The Company did not have appropriate internal financial controls in respect of control over process of compliance of Ind As-12 "Income Tax" and accounting thereof. The inadequate internal controls over financial reporting in respect of aforesaid matters have effect on the reported profit for the year.

Qualified opinion

In our opinion and according to the information and explanations given to us, except for the effects of matters described in "Basis of qualified opinion" paragraph above, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

We have considered matters reported in "Basis of qualified opinion" paragraph in determining the nature, timing and extent of audit tests applied in our audit of the standalone financial statements of the Company for the March 31, 2018.

PRAKASH INDUSTRIES LIMITED

Notes on standalone financial statements

1. *Company Overview*

Prakash Industries Limited (the "Company") is a public limited company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India and its equity shares are listed on the National Stock Exchange (NSE) and Bombay Stock Exchange (BSE) in India. It has been engaged primarily in the business of manufacture and sale of Steel Products & PVC Pipes and generation of Power. The Company has its manufacturing facilities in India and sells products in India.

2. *Recent accounting pronouncement*

Appendix B to Ind AS 21, Foreign currency transactions and advance consideration:

On March 28, 2018, Ministry of Corporate Affairs ("MCA") has notified the Companies (Indian Accounting Standards) Amendment Rules, 2018 containing Appendix B to Ind AS 21, Foreign currency transactions and advance consideration which clarifies the date of the transaction for the purpose of determining the exchange rate to use on initial recognition of the related asset, expense or income, when an entity has received or paid advance consideration in a foreign currency.

The amendment will come into force from April 1, 2018. The Company has evaluated the effect of this on the financial statements and the impact is not material.

Ind AS 115- Revenue from Contract with Customers: On March 28, 2018, Ministry of Corporate Affairs ("MCA") has notified the Ind AS 115, Revenue from Contract with Customers. The core principle of the new standard is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Further the new standard requires enhanced disclosures about the nature, amount, timing and uncertainty of revenue and cash flows arising from the entity's contracts with customers.

The standard permits two possible methods of transition: Retrospective approach - Under this approach the standard will be applied retrospectively to each prior reporting period presented in accordance with Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors. Retrospectively with cumulative effect of initially applying the standard recognized at the date of initial application (Cumulative catch - up approach). The effective date for adoption of Ind AS 115 is financial periods beginning on or after April 1, 2018. The impact on adoption of Ind AS 115 is expected to be insignificant.

3. *Significant Accounting policies*

3.1 *Basis of preparation*

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 ('the Act') read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended, and presentation requirements of Schedule III to the Act under the historical cost convention on accrual basis except for certain financial instruments which are measured at fair value.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

3.2 *Critical accounting judgements and key sources of estimation uncertainty*

The preparation of the financial statements in conformity with the Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities and disclosures as at date of the financial statements and the reported amounts of the revenues and expenses for the years presented. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates under different assumptions and conditions.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Critical Judgements In the process of applying the Company's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognized in the financial statements:

Discount rate used to determine the carrying amount of the Company's defined benefit obligation: In determining the appropriate discount rate for plans operated in India, the management considers the interest rates of government bonds in currencies consistent with the currencies of the post-employment benefit obligation.

Notes on standalone financial statements

Contingences and commitments: In the normal course of business, contingent liabilities may arise from litigations and other claims against the Company. Where the potential liabilities have a low probability of crystallizing or are very difficult to quantify reliably, company treat them as contingent liabilities. Such liabilities are disclosed in the notes but are not provided for in the financial statements. Although there can be no assurance regarding the final outcome of the legal proceedings, company do not expect them to have a materially adverse impact on the financial position or profitability.

Key sources of estimation uncertainty

The key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below:

Income taxes: The Company's tax jurisdiction is India. Significant judgments are involved in determining the provision for income taxes, including amount expected to be paid / recovered for uncertain tax positions.

Useful lives of property, plant and equipment: As described in note 3.7, the Company reviews the estimated useful lives and residual values of property, plant and equipment at the end of each reporting period. During the current financial year, the management determined that there were no changes to the useful lives and residual values of the property, plant and equipment.

Allowances for doubtful debts: The Company makes allowances for doubtful debts based on an assessment of the recoverability of trade and other receivables. The identification of doubtful debts requires use of judgement and estimates.

3.3 Operating Cycle and Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification in accordance with Part-I of Division- II of Schedule III of the Companies Act, 2013.

An asset is treated as current when it (a) Expected to be realised or intended to be sold or consumed in normal operating cycle; (b) Held primarily for the purpose of trading; or (c) Expected to be realised within twelve months after the reporting period, or (d) The asset is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. All other assets are classified as non-current.

A liability is current when (a) It is expected to be settled in normal operating cycle; or (b) It is held primarily for the purpose of trading; or (c) It is due to be settled within twelve months after the reporting period, or (d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period. Terms of a liability that could, at the option of the counterparty, results in its settlement by the issue of equity instruments do not affect its classification. The Company classifies all other liabilities as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its normal operating cycle.

3.4 Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment inclusive of Excise Duty and net of GST returns, trade allowances, rebates, taxes and amounts collected on behalf of third parties and government.

Sale of Goods Revenue from the sale of goods is recognised when the goods are delivered and titles have passed, at which time all the following conditions are satisfied:

- the Company has transferred to the buyer the significant risks and rewards of ownership of the goods;
- the Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold;
- the amount of revenue can be measured reliably;
- it is probable that the economic benefits associated with the transaction will flow to the Company; and the costs incurred or to be incurred in respect of the transaction can be measured reliably.

PRAKASH INDUSTRIES LIMITED

Notes on standalone financial statements

Interest income Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable.

Dividends Dividend income from investments is recognised when the Company's right to receive the payment is established, which is generally when shareholders approve the dividend.

3.5 Segment Reporting

Operating segments are defined as components of an enterprise for which discrete financial information is available that is evaluated regularly by the chief operating decision maker, in deciding how to allocate resources and assessing performance. Thus, the Company's business falls under three operational segments i.e. Steel Products, PVC pipe and Power.

Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship to the operating activities of the segment. Inter segment revenue is accounted on the basis of transactions which are primarily determined based on market / fair value factors. Revenue, expenses, assets and liabilities which relate to the Company as a whole and are not allocable to segments on a reasonable basis have been included under "unallocated revenue / expenses / assets / liabilities".

3.6 Foreign Currencies

Functional currency: The functional currency of the Company is the Indian rupee.

Transactions and translations: Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign-currency-denominated monetary assets and liabilities are translated into the relevant functional currency at exchange rates in effect at the Balance Sheet date. The gains or losses resulting from such translations are included in net profit in the Statement of Profit and Loss. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at fair value are translated at the exchange rate prevalent at the date when the fair value was determined. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of the transaction.

Transaction gains or losses realized upon settlement of foreign currency transactions are included in determining net profit for the period in which the transaction is settled. Revenue, expense and cash flow items denominated in foreign currencies are translated into the relevant functional currencies using the exchange rate in effect on the date of the transaction.

Foreign exchange difference regarded as borrowing taken for non-monetary items, an adjustment to borrowing costs are presented/reported as part of non-monetary item.

3.7 Property, plant and equipment

Property, plant and equipment (PPE) are initially recognised at cost. The initial cost of PPE comprises its purchase price, including non-refundable duties and taxes net of any trade discounts and rebates. The cost of PPE includes interest on borrowings (borrowing cost) directly attributable to acquisition, construction or production of qualifying assets subsequent to initial recognition, PPE are stated at cost less accumulated depreciation (other than freehold land, which are stated at cost) and impairment losses, if any.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Assets held under finance leases are depreciated over their expected useful lives on the same basis as owned assets. However, when there is no reasonable certainty that ownership will be obtained by the end of the lease term, assets are depreciated over the shorter of the lease term and useful lives.

Depreciation is recognised so as to write off the cost of assets (other than freehold land and capital work in progress) less their residual values over the useful lives, using the straight-line method ("SLM") in the manner prescribed in Schedule II of the Act. Management believes based on a technical evaluation (which is based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.) that the useful lives of the assets as considered by the company reflect the periods over which these assets are expected to be used.

Notes on standalone financial statements

The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

The residual values, useful life and depreciation method are reviewed at each financial year-end to ensure that the amount, method and period of depreciation are consistent with previous estimates and the expected pattern of consumption of the future economic benefits embodied in the items of property, plant and equipment.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on disposal or retirement of an item of property, plant and equipment is determined as the difference between sales proceeds and the carrying amount of the asset and is recognised in profit or loss. Fully depreciated assets still in use are retained in financial statements.

3.8 Capital work-in-progress and intangible assets under development

Capital work-in-progress/intangible assets under development are carried at cost, comprising direct cost, related incidental expenses and attributable borrowing cost.

3.9 Intangible assets

Intangible assets are measured on initial recognition at cost and subsequently are carried at cost less accumulated amortisation and accumulated impairment losses, if any.

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses on derecognition are determined by comparing proceeds with carrying amount. These are included in profit or loss within other gains/(losses).

The Company amortises intangible assets with a finite useful life using the straight-line method over the of useful lives determined by the terms of the agreement /contract. The estimated useful life is reviewed annually by the management.

3.10 Investment in subsidiary/joint ventures (JV)

Investments in subsidiary/JV are carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. On disposal of investments in subsidiary/JV, the difference between net disposal proceeds and the carrying amounts are recognized in the Statement of Profit and Loss.

3.11 Income tax

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred taxes are recognised in Statement of Profit and Loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

Current tax: Current tax is measured at the amount of tax expected to be payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961. Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and the liability on a net basis.

Deferred tax: Deferred income tax is recognised using the Balance Sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred income tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred tax assets are recognised only to the extent that it is probable that either future taxable profits or reversal of deferred tax liabilities will be available, against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised. The carrying amount of a deferred tax asset is reviewed at the end of each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised.

Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled. Deferred tax assets and liabilities are offset when there is a

PRAKASH INDUSTRIES LIMITED

Notes on standalone financial statements

legally enforceable right to set current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

3.12 Leases

Leases are classified as finance leases whenever the terms of lease transfer substantially all the risks and rewards of ownership to the lessee. Leases where a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases.

Operating Lease: Operating lease payments are recognized as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term except where another systematic basis is more representative of the time pattern in which economic benefits from leased assets are consumed. The aggregate benefit of incentives (excluding in inflationary increases where rentals are structured solely to increase in line with the expected general inflation to compensate for the lessor's inflationary cost increases, such increases are recognised in the year in which the benefits accrue) provided by the lessor is recognized as a reduction of rental expense over the lease term on a straight-line basis.

Finance Lease: Assets held under finance leases are initially recognized as assets of the Company at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the Balance Sheet as a finance lease obligation. Assets held under finance leases are depreciated over their expected useful lives on the same basis as owned assets or, where shorter, the term of the relevant lease. Lease payments are apportioned between finance expenses and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance expenses are recognized immediately in profit or loss, unless they are directly attributable to qualifying assets, in which case they are capitalized in accordance with the Company's general policy on borrowing costs. Contingent rentals are recognized as expenses in the periods in which they are incurred.

3.13 Impairment of assets

Financial assets : The Company assesses on a forward-looking basis the expected credit losses associated with its financial assets. The impairment methodology applied depends on whether there has been a significant increase in credit risk. For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

PPE and intangibles assets: Property, plant and equipment and intangible assets with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash-generating unit (CGU) to which the asset belongs.

If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognised in the Statement of Profit and Loss.

3.14 Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

3.15 Provisions and Contingent Liabilities:

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date.

If the effect of the time value of money is material, provisions are discounted to reflect its present value using a current pre-tax rate that reflects the current market assessments of the time value of money and the risks specific to the obligation. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Notes on standalone financial statements

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

3.16 Inventories

Inventories are valued at lower of cost on FIFO basis and net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to their present location and condition, including octroi and other levies, transit insurance and receiving charges. Work-in-progress and finished goods include appropriate proportion of overheads and, where applicable, excise duty. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

3.17 Non-derivative financial instruments

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

a. Financial assets – Subsequent measurement

Financial assets at amortised cost: Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income (FVTOCI): Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows that give rise on specified dates to solely payments of principal and interest on the principal amount outstanding and by selling financial assets.

Financial assets at fair value through profit or loss (FVTPL): Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in profit or loss.

b. Financial liabilities - Subsequent measurement

Financial liabilities are measured at amortised cost using the effective interest method. The measurement of financial liabilities depends on their classification, as described below:

Loans and borrowings: After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost on accrual basis.

Composite financial Instrument: The fair value of the liability portion of an optionally convertible bond is determined using a market interest rate for an equivalent non-convertible bond. This amount is recorded as a liability on an amortised cost basis until extinguished on conversion or redemption of the bonds. The remainder of the proceeds is attributable to the equity portion of the compound instrument. This is recognised and included in shareholders' equity.

Derecognition

A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

c. Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in financial statements if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

PRAKASH INDUSTRIES LIMITED

Notes on standalone financial statements

3.18 Borrowing costs

General and specific borrowing costs (including exchange differences arising from foreign currency borrowing to the extent that they are regarded as an adjustment to interest cost) that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. Other borrowing costs are expensed in the period in which they are incurred.

Foreign exchange difference regarded as borrowing taken for non-monetary items, an adjustment to borrowing costs are presented/reported as part of non-monetary item.

3.19 Employee Benefits

Employee benefits consist of contribution to employees state insurance, provident fund, gratuity fund and compensated absences.

Post-employment benefit plans

Defined Contribution plans

Contributions to defined contribution schemes such as employees' state insurance, labour welfare fund, employee pension scheme etc. are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. Company's provident fund contribution is made to a government administered fund and charged as an expense to the Statement of Profit and Loss. The above benefits are classified as Defined Contribution Schemes as the Company has no further defined obligations beyond the monthly contributions.

Defined benefit plans

The Company operates defined benefit plan in the form of gratuity and compensated absence. The liability or asset recognised in the balance sheet in respect of its defined benefit plans is the present value of the defined benefit obligation at the end of the reporting period. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method. The present value of the said obligation is determined by discounting the estimated future cash out flows, using market yields of government bonds that have tenure approximating the tenures of the related liability.

The interest expenses are calculated by applying the discount rate to the net defined benefit liability or asset. The net interest expense on the net defined benefit liability or asset is recognised in the Statement of Profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the Statement of Changes in Equity and in the Balance Sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

The classification of the company's net obligation into current and non-current is as per the actuarial valuation report.

3.20 Earnings per share (EPS)

Basic EPS is computed by dividing the profit or loss attributable to the equity shareholders of the Company by the weighted average number of Ordinary shares outstanding during the year. Diluted EPS is computed by adjusting the profit or loss attributable to the ordinary equity shareholders and the weighted average number of ordinary equity shares, for the effects of all dilutive potential Ordinary shares.

	As at	₹ in lakhs
	31 st March, 2018	31 st March, 2017
34. Commitments		
Estimated amount of contracts remaining to be executed on capital account and not provided for (Net of advances)	54,414	42,654

35. The company has taken certain plant and machinery under operating lease during the period prior to 1st April, 2001. The company is having legal disputes with the concerned lessors and there are counter claims which are pending under arbitration/court, as such the future liability on this account, if any, is not ascertainable. In the opinion of management the liability on this account will not be material.

36. Due to Micro and Small Enterprises:

The Company has certain dues to suppliers register under Micro and Small Enterprises Development Act, 2006 (MSMED Act). The disclosure pursuant to the said MSMED Act are follows.

	Particulars	For the year ended 31 st March, 2018	For the year ended 31 st March, 2017
(a)	Dues remaining unpaid as at Balance Sheet date -Principal amount -Interest amount	946	450
(b)	Interest paid in terms of section 16 of the Act, along with the amount of payment made to the supplier and services providers beyond the appointed day during the period	—	—
(c)	Interest due and payable for the period of delay in making payment (which has been paid but beyond the appointed day during period) but without adding the interest specified under the Act	—	—
(d)	Further interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise.	—	—
(e)	Interest accrued and remaining unpaid as at Balance Sheet date	—	—

The above information is as complied by the Management and relied upon by the Auditor.

37. In terms of the order dated 23rd August 2007 of the Hon'ble Punjab & Haryana High Court, the net deferred tax liability computed in terms of the Indian Accounting Standard (Ind AS) 12 Income Taxes has been adjusted against Securities Premium reserve. Consequently, the profit for the year is lower by ₹ 2,741 lakhs (previous year ₹ 236 lakhs).
38. Pursuant to the scheme of arrangement between the Company and its wholly owned subsidiary Company, Prakash Pipes Limited (PPL) incorporated on 29th June, 2017 as approved by the Board of Directors of the Company, it is proposed to demerge PVC pipe division of the Company to PPL w.e.f 1st April, 2018, being the appointed date. As per the scheme, post demerger, PPL will cease to be subsidiary of the Company. The Company is under process to obtain necessary approval from National Company Law Tribunal (NCLT) in this regard.
39. Considering the future profitability and taxable position in the subsequent years, the Company is recognizing Minimum Alternate Tax (MAT) credit entitlement as an asset and is carrying the same in its accounts. In case the credit entitlement is not availed by the Company within the time limit prescribed under the Income Tax Act, the same is set off against the Retained Earnings. The Company has adjusted ₹ 4,931 lakhs on this account in the Retained Earnings during the year ended 31st March, 2018 (previous year ₹ 1,709 lakhs).
40. In the earlier years, the Company had been partner in two Joint Venture Entities Madanpur Coal Company Private Limited (holding 20.67% equity) and Fatehpur Coal Mining Company Private Limited (holding 38.46% equity), being one of the allottee of coal blocks. The said allocations were however cancelled by the Supreme Court/ Government in the year 2014, rendering the JV entities' activity to stop and only option of closing down of entities. These entities have no or

Notes on standalone financial statements

insignificant assets and hence not expected to recover the amount of investments/ expenditure incurred. As material uncertainty exists in recovering the amount paid / invested and since there is no activities/ subject matter requiring joint control from the parties, in the judgement of the management the Company does not have joint control over the JV entities from the date of cancellation. The amount invested / paid to these JV has been accounted as recoverable and a considered doubtful of recovery and fully provided for.

41. Pursuant to the cancellation of the Choita coal mine of the Company vide Hon'ble Supreme Court's Order, the assets pertaining to this mine have been vested with the new owner in terms of a government order. The book values of the assets transferred to the new owner have been aggregated and shown as claim recoverable in the Books of Account. Necessary adjustment for gain/loss will be made in the Books of Accounts on the final settlement of the compensation claimed by the Company.
42. Details of Employees Benefits as required by the Ind AS 19 "Employee Benefits" are given below:-

PRAKASH INDUSTRIES LIMITED

Notes on standalone financial statements

54. Financial risk management and policies

54.1 Capital risk management

The Company manages its capital to ensure that the Company will be able to continue as going concern while maximising the return to stakeholders through optimisation of debt and equity balance. The Company is not subject to any externally imposed capital requirements.

The capital structure of the Company consists of net debt (borrowings as detailed in notes 18, 20 & 22 less cash and bank balances as detailed in note 12 & 13) and total equity of the Company. Equity consists of equity capital, share premium and all other equity reserves attributable to the equity holders.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants.

54.2 Financial risk management

The Company's principal financial liabilities comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance and support the Company's operations. The Company's principal financial assets comprise investments, cash and bank balance, trade and other receivables.

The Company is exposed to various financial risks such as market risk, credit risk and liquidity risk. The financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives.

a. Market risk

The Company's activities expose it primarily to the financial risk of changes in foreign currency exchange rates and changes in interest rates. There have been no changes to the Company's exposure to market risk or the manner in which it manages and measures the risk in recent past.

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: interest rate risk and currency risk. Financial instruments affected by market risk include borrowings and bank deposits.

i. Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates is limited.

ii. Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's borrowings. The Company's foreign currency risks are identified, measured and managed at periodic intervals in accordance with the Company's policies.

Particulars of unhedged foreign currency exposures as at the reporting date:

₹ in lakhs

Particulars	As at 31 st March, 2018	As at 31 st March, 2017
FCCB Borrowings	12,000	36,115
Interest	–	–
Total	12,000	36,115
Interest not provided	–	2,178

b. Credit risk

Credit risk is the risk that counterparty will default on its contractual obligations resulting in financial loss to the company. The Company has adopted a policy of only dealing with creditworthy customers.

The credit limit is granted to a customer after assessing the Credit worthiness based on the information supplied by credit rating agencies, publicly available financial information or its own past trading records and trends.

At March 31, 2018, the company did not consider there to be any significant concentration of credit risk, which had not been adequately provided for. The carrying amount of the financial assets recorded in the financial statements, grossed up for any allowances for losses, represents the maximum exposure to credit risk.

Notes on standalone financial statements**c. Liquidity risk**

The Company manages liquidity risk by maintaining adequate reserves and banking facilities, by continuously monitoring forecast and actual cash flows and by matching the maturity profiles of financial assets and liabilities for the Company.

The Company has established an appropriate liquidity risk management framework for its short-term, medium term and long-term funding requirement.

The table below summarizes the maturity profile of the Company's financial liabilities.

₹ in lakhs

Particulars	Less than 1year	1-5 years	> 5 years	Total payments

PRAKASH INDUSTRIES LIMITED

INDEPENDENT AUDITOR'S REPORT

To
The Members of
PRAKASH INDUSTRIES LIMITED

1. Report on the Consolidated Financial Statements

We have audited the accompanying Consolidated financial statements of Prakash Industries Limited ("the Company") and its subsidiary (the Company and its subsidiary together referred to as the "the Group"), which comprise the Consolidated Balance Sheet as at March 31, 2018, the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Statement of Cash Flows and the Consolidated Statement of Changes in Equity for the year ended on that date, and a summary of significant accounting policies and other explanatory information.

2. Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these Consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance (including other comprehensive income), consolidated cash flows and consolidated changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

3. Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

4. Basis for Qualified Opinion

We refer Note 35 and 37 of the Consolidated Financial Statement that the deferred tax liability ₹ 2,741 lakhs for the year ended on March 31, 2018 has been adjusted against Securities Premium Account by the Holding Company in terms of a court order. Further, the MAT Credit Entitlement not availed within the time allowed aggregating to ₹ 4,931 lakhs for the year ended March 31, 2018 has been adjusted against retained earnings. Had these been accounted for pursuant to Ind AS -12 'Income Taxes', net profit and total comprehensive income after tax for the year ended on March 31, 2018 would have been lower by ₹ 7,672 lakhs.

5. Qualified Opinion

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements and on other financial information of the subsidiary, except for the effects of the matters described under paragraph 4 'Basis for Qualified Opinion', the aforesaid, consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated financial position of the Group as at March 31, 2018, and its consolidated financial performance including other comprehensive income, its

consolidated cash flows and the consolidated statement changes in equity for the year ended on that date.

6. Emphasis of Matter

We drew attention to Note 38 and 39 of the Consolidated Financial Statement, in respect of cancellation of allocation of coal mine blocks to the Holding Company and two joint venture entities pursuant to the order of Hon'ble Supreme court in the year 2014. The full and final compensation for cancellation of these mines is yet to be received. Further, after cancellation of coal mine blocks, there being no activities in joint venture entities, in the judgement of the management, the Holding Company does not have any control on these entities from the date of cancellation of mines and the book value being investment and other advances aggregating to ₹ 384 lakhs has been provided for. Our opinion is not qualified in respect of this matter.

7. Other Matter

We did not audit the financial statements of Prakash Pipes Limited (wholly owned subsidiary) included in the consolidated financial statements, whose financial statements reflect total assets of ₹ 0.71 lakh as at March 31, 2018 as well as the total loss of ₹ 0.33 lakh for the year ended on that date. These financial statements have been audited by other auditor whose report has been furnished to us by the management. Our opinion, in so far as it relates to the affairs of this subsidiary, is based solely on the report of the other auditor.

Our opinion above on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements/ financial information certified by the Management.

8. Report on Other Legal and Regulatory Requirements

As required by section 143 (3) of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial information of subsidiaries, we report that:

- a. We have sought and except for the matters described under 'Basis for Qualified Opinion' paragraph, have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit of aforesaid consolidated financial statements.
- b. Except for the effects of matters described in the 'Basis for Qualified Opinion' paragraph, in our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statement have been kept so far as it appears from our examination of those books and report of the other auditor.

- c. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Statement of Cash Flows and the Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- d. In our opinion, except for the effects of matters described in the 'Basis for Qualified Opinion' paragraph, the aforesaid consolidated financial statements comply with the Indian Accounting Standards specified under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2016, as amended.
- e. On the basis of the written representations received from the directors of Holding Company as on March 31, 2018 taken on record by the Board of Directors of the Holding Company and the report of the statutory auditor of its subsidiary company, none of the directors of the group companies is disqualified as on March 31, 2018 from being appointed as a director in terms of Section 164 (2) of the Act.
- f. The qualification relating to the maintenance of accounts and other matters connected therewith are as stated in the 'Basis for Qualified Opinion' paragraph;
- g. With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate Report in "Annexure A"
- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the information and explanations given to us:
- i. The consolidated financial statement has disclosed the impact of pending litigations on the consolidated financial position of the Group; (refer Note 31 the Consolidated Financial Statement)
- ii. Except for effects of matters described under 'Basis of Qualified Opinion' paragraph, provision has been made, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
- iii. There has been no delay in transferring amount required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its subsidiary company during the year;

PRAKASH INDUSTRIES LIMITED

Annexure A referred to in Independent Auditor's Report of even date to the members of Prakash Industries Limited ("the Company") on Consolidated Financial Statements for the year ended March 31, 2018

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2018, we have audited the internal financial controls over financial reporting of PRAKASH INDUSTRIES LIMITED (hereinafter referred to as "the Holding Company") and its subsidiary company, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the of the Holding company, its subsidiary company, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI)]. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing, prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Basis of qualified opinion

The Holding Company did not have appropriate internal financial controls in respect of control over process of compliance of Ind AS "Income Taxes" and accounting thereof. The inadequate internal controls over financial reporting in respect of aforesaid matters have effect on the reported profit for the year.

Qualified opinion

In our opinion and according to the information and explanations given to us, except for the effects of matters described in "Basis of qualified opinion" paragraph above, the Holding Company and its subsidiary have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matter

Our aforesaid reports under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to a subsidiary company, which is incorporated in India, is based on the corresponding reports of the auditor.

We have considered matters reported in "Basis of qualified opinion" paragraph in determining the nature, timing and extent of audit tests applied in our audit of the Consolidated financial statements of the Group for the March 31, 2018.

The accompanying notes are an integral part of these consolidated financial statements.

Nature and purpose of reserves

- Capital reserve: The capital reserve was recognized on forfeiture of equity shares by the Company. This reserve is not freely available for distribution to the shareholders.
- Securities premium reserve: The amount of difference between the issue price and the face value of the shares is recognized in Securities premium reserve.
- Capital redemption reserve: The Company had created Capital redemption reserve out of the profits for redemption of the Preference shares. This reserve may be utilized for the specified purposes in accordance with the provisions of the Act.
- General reserve: General reserve is the accumulation of the portions of the net profits transferred by the Company in the past years pursuant to the earlier provisions of the Companies Act, 2013.
- Retained earnings: Retained earnings comprise of the profits of the Company earned till date net of distributions and other adjustments.

PRAKASH INDUSTRIES LIMITED**Consolidated Statement of Cash Flow for the year ended 31ST March, 2018**

₹ in lakhs

		For the year ended 31 ST March, 2018
A. Cash Flow From Operating Activities :		
Profit before tax		38,834
Adjustments for		
Provision for employee benefit	275	
Allowance for doubtful debts and advances	536	
Depreciation and amortisation expenses	12,094	
Interest and other Income	(1,443)	
Loss/(Profit) on sale of fixed assets	(38)	
Financial cost	8,661	20,085
Operating Profit before working Capital changes		58,919
Adjustments for		
Trade receivables	(2,440)	
Other financial assets	(602)

For and on behalf of the Board

PRAKASH INDUSTRIES LIMITED

Notes on consolidated financial statements

1. Company Overview

Prakash Industries Limited (the "Company") is a public limited company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India and its equity shares are listed on the National Stock Exchange (NSE) and Bombay Stock Exchange(BSE) in India. These consolidated financial statements comprise the Company and its subsidiary (referred collectively as the Group). It has been engaged primarily in the business of manufacture and sale of Steel Products & PVC Pipes and generation of Power. The Group has its manufacturing facilities in India and sells products in India.

2. Recent accounting pronouncement

Appendix B to Ind AS 21, Foreign currency transactions and advance consideration:

On March 28, 2018, Ministry of Corporate Affairs ("MCA") has notified the Companies (Indian Accounting Standards) Amendment Rules, 2018 containing Appendix B to Ind AS 21, Foreign currency transactions and advance consideration which clarifies the date of the transaction for the purpose of determining the exchange rate to use on initial recognition of the related asset, expense or income, when an entity has received or paid advance consideration in a foreign currency.

The amendment will come into force from April 1, 2018. The Group has evaluated the effect of this on the financial statements and the impact is not material.

Ind AS 115- Revenue from Contract with Customers: On March 28, 2018, Ministry of Corporate Affairs ("MCA") has notified the Ind AS 115, Revenue from Contract with Customers. The core principle of the new standard is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Further the new standard requires enhanced disclosures about the nature, amount, timing and uncertainty of revenue and cash flows arising from the entity's contracts with customers.

The standard permits two possible methods of transition: Retrospective approach - Under this approach the standard will be applied retrospectively to each prior reporting period presented in accordance with Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors. Retrospectively with cumulative effect of initially applying the standard recognized at the date of initial application (Cumulative catch - up approach). The effective date for adoption of Ind AS 115 is financial periods beginning on or after April 1, 2018. The impact on adoption of Ind AS 115 is expected to be insignificant.

3. Significant Accounting policies

3.1 Basis of preparation

The consolidated financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 ('the Act') read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended, and presentation requirements of Schedule III to the Act under the historical cost convention on accrual basis except for certain financial instruments which are measured at fair value.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

3.2 Principles of consolidation

Subsidiaries are entities controlled by the Group. The Group controls an entity when it is exposed to, or has right to, variable return from its involvement with the entity and has ability to affect those return through its power over the entity. The financial statement of subsidiaries is included in the consolidation financial statements from the date on which control commences until the date on which control ceases.

The Group combines the financial statement of the parent and its subsidiaries line by line adding together like item of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealized gain on transaction between group companies are eliminated unless the transactions provide evidence of the impairment of the transferred assets. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the groups.

3.3 Critical accounting judgements and key sources of estimation uncertainty

The preparation of consolidated financial statements in conformity with the Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts

Notes on consolidated financial statements

of assets, liabilities and disclosures as at date of consolidated financial statements and the reported amounts of the revenues and expenses for the years presented. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates under different assumptions and conditions.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Critical Judgements In the process of applying the Group accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognized in consolidated financial statements:

Discount rate used to determine the carrying amount of the Group defined benefit obligation: In determining the appropriate discount rate for plans operated in India, the management considers the interest rates of government bonds in currencies consistent with the currencies of the post-employment benefit obligation.

Contingences and commitments: In the normal course of business, contingent liabilities may arise from litigations and other claims against the Group. Where the potential liabilities have a low probability of crystallizing or are very difficult to quantify reliably, Group treat them as contingent liabilities. Such liabilities are disclosed in the notes but are not provided for in consolidated financial statements. Although there can be no assurance regarding the final outcome of the legal proceedings, group do not expect them to have a materially adverse impact on the financial position or profitability.

Key sources of estimation uncertainty

The key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below:

Income taxes: The Group tax jurisdiction is India. Significant judgments are involved in determining the provision for income taxes, including amount expected to be paid / recovered for uncertain tax positions.

Useful lives of property, plant and equipment: As described in note 3.8, the Group reviews the estimated useful lives and residual values of property, plant and equipment at the end of each reporting period. During the current financial year, the management determined that there were no changes to the useful lives and residual values of the property, plant and equipment.

Allowances for doubtful debts: The Group makes allowances for doubtful debts based on an assessment of the recoverability of trade and other receivables. The identification of doubtful debts requires use of judgement and estimates.

3.4 Operating Cycle and Current versus non-current classification

The Group presents assets and liabilities in the balance sheet based on current/ non-current classification in accordance with Part-I of Division- II of Schedule III of the Companies Act, 2013.

An asset is treated as current when it (a) Expected to be realised or intended to be sold or consumed in normal operating cycle; (b) Held primarily for the purpose of trading; or (c) Expected to be realised within twelve months after the reporting period, or (d) The asset is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. All other assets are classified as non-current.

A liability is current when (a) It is expected to be settled in normal operating cycle; or (b) It is held primarily for the purpose of trading; or (c) It is due to be settled within twelve months after the reporting period, or (d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period. Terms of a liability that could, at the option of the counterparty, results in its settlement by the issue of equity instruments do not affect its classification. The Group classifies all other liabilities as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Group has identified twelve months as its normal operating cycle.

3.5 Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Group and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment inclusive

PRAKASH INDUSTRIES LIMITED

Notes on consolidated financial statements

of Excise Duty and net of GST returns, trade allowances, rebates, taxes and amounts collected on behalf of third parties and government.

Sale of Goods Revenue from the sale of goods is recognised when the goods are delivered and titles have passed the significant risks and rewards of ownership of the goods transferred, the amount of revenue can be measured, reliably and it is probable that the economic benefits associated with the transaction will flow to the Company; and the costs incurred or to be incurred in respect of the transaction can be measured reliably.

Interest income Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable.

Dividends Dividend income from investments is recognised when the Group right to receive the payment is established, which is generally when shareholders approve the dividend.

3.6 Segment Reporting

Operating segments are defined as components of an enterprise for which discrete financial information is available that is evaluated regularly by the chief operating decision maker, in deciding how to allocate resources and assessing performance. Thus, the Group business falls under three operational segments i.e. Steel Products, PVC pipe and Power.

Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship to the operating activities of the segment. Inter segment revenue is accounted on the basis of transactions which are primarily determined based on market / fair value factors. Revenue, expenses, assets and liabilities which relate to the Group as a whole and are not allocable to segments on a reasonable basis have been included under "unallocated revenue / expenses / assets / liabilities".

3.7 Foreign Currencies

Functional currency: The functional currency of the Group is the Indian rupee. Which is parent's functional currency and presented currency.

Transactions and translations: Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign-currency-denominated monetary assets and liabilities are translated into the relevant functional currency at exchange rates in effect at the Balance Sheet date. The gains or losses resulting from such translations are included in net profit in the Statement of Profit and Loss. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at fair value are translated at the exchange rate prevalent at the date when the fair value was determined. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of the transaction.

Transaction gains or losses realized upon settlement of foreign currency transactions are included in determining net profit for the period in which the transaction is settled. Revenue, expense and cash flow items denominated in foreign currencies are translated into the relevant functional currencies using the exchange rate in effect on the date of the transaction.

3.8 Property, plant and equipment

Property, plant and equipment (PPE) are initially recognised at cost. The initial cost of PPE comprises its purchase price, including non-refundable duties and taxes net of any trade discounts and rebates. The cost of PPE includes interest on borrowings (borrowing cost) directly attributable to acquisition, construction or production of qualifying assets subsequent to initial recognition, PPE are stated at cost less accumulated depreciation (other than freehold land, which are stated at cost) and impairment losses, if any.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Assets held under finance leases are depreciated over their expected useful lives on the same basis as owned assets. However, when there is no reasonable certainty that ownership will be obtained by the end of the lease term, assets are depreciated over the shorter of the lease term and useful lives.

Notes on consolidated financial statements

Depreciation is recognised so as to write off the cost of assets (other than freehold land and capital work in progress) less their residual values over the useful lives, using the straight-line method ("SLM") in the manner prescribed in Schedule II of the Act. Management believes based on a technical evaluation (which is based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.) that the useful lives of the assets as considered by the Group reflect the periods over which these assets are expected to be used.

The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

The residual values, useful life and depreciation method are reviewed at each financial year-end to ensure that the amount, method and period of depreciation are consistent with previous estimates and the expected pattern of consumption of the future economic benefits embodied in the items of property, plant and equipment.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on disposal or retirement of an item of property, plant and equipment is determined as the difference between sales proceeds and the carrying amount of the asset and is recognised in profit or loss. Fully depreciated assets still in use are retained in financial statements.

3.9 Capital work-in-progress and intangible assets under development

Capital work-in-progress/intangible assets under development are carried at cost, comprising direct cost, related incidental expenses and attributable borrowing cost.

3.10 Intangible assets

Intangible assets are measured on initial recognition at cost and subsequently are carried at cost less accumulated amortisation and accumulated impairment losses, if any.

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses on derecognition are determined by comparing proceeds with carrying amount. These are included in profit or loss within other gains/(losses).

The Group amortises intangible assets with a finite useful life using the straight-line method over the useful lives determined by the terms of the agreement /contract. The estimated useful life is reviewed annually by the management.

3.11 Income tax

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred taxes are recognised in Statement of Profit and Loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

Current tax: Current tax is measured at the amount of tax expected to be payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961. Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and the liability on a net basis.

Deferred tax: Deferred income tax is recognised using the Balance Sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred income tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred tax assets are recognised only to the extent that it is probable that either future taxable profits or reversal of deferred tax liabilities will be available, against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised. The carrying amount of a deferred tax asset is reviewed at the end of each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised.

Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred tax

PRAKASH INDUSTRIES LIMITED

Notes on consolidated financial statements

asset is realised or the deferred tax liability is settled. Deferred tax assets and liabilities are offset when there is a legally enforceable right to set current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

3.12 Leases

Leases are classified as finance leases whenever the terms of lease transfer substantially all the risks and rewards of ownership to the lessee. Leases where a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases.

Operating Lease: Operating lease payments are recognized as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term except where another systematic basis is more representative of the time pattern in which economic benefits from leased assets are consumed. The aggregate benefit of incentives (excluding in inflationary increases where rentals are structured solely to increase in line with the expected general inflation to compensate for the lessor's inflationary cost increases, such increases are recognised in the year in which the benefits accrue) provided by the lessor is recognized as a reduction of rental expense over the lease term on a straight-line basis.

Finance Lease: Assets held under finance leases are initially recognized as assets of the Group at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the Balance Sheet as a finance lease obligation. Assets held under finance leases are depreciated over their expected useful lives on the same basis as owned assets or, where shorter, the term of the relevant lease. Lease payments are apportioned between finance expenses and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance expenses are recognized immediately in profit or loss, unless they are directly attributable to qualifying assets, in which case they are capitalized in accordance with the Company's general policy on borrowing costs. Contingent rentals are recognized as expenses in the periods in which they are incurred.

3.13 Impairment of assets

Financial assets : The Group assesses on a forward-looking basis the expected credit losses associated with its financial assets. The impairment methodology applied depends on whether there has been a significant increase in credit risk. For trade receivables only, the Group applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

PPE and intangibles assets: Property, plant and equipment and intangible assets with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash-generating unit (CGU) to which the asset belongs.

If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognised in the Statement of Profit and Loss.

3.14 Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

3.15 Provisions and Contingent Liabilities:

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date.

If the effect of the time value of money is material, provisions are discounted to reflect its present value using a current pre-tax rate that reflects the current market assessments of the time value of money and the risks specific to

Notes on consolidated financial statements

the obligation. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

3.16 Inventories

Inventories are valued at lower of cost on FIFO basis and net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to their present location and condition, including octroi and other levies, transit insurance and receiving charges. Work-in-progress and finished goods include appropriate proportion of overheads and, where applicable, excise duty. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

3.17 Non-derivative financial instruments

Financial assets and liabilities are recognised when the Group becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

a. Financial assets – Subsequent measurement

Financial assets at amortised cost: Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income (FVTOCI): Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows that give rise on specified dates to solely payments of principal and interest on the principal amount outstanding and by selling financial assets.

Financial assets at fair value through profit or loss (FVTPL): Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in profit or loss.

b. Financial liabilities - Subsequent measurement

Financial liabilities are measured at amortised cost using the effective interest method. The measurement of financial liabilities depends on their classification, as described below:

Loans and borrowings: After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost on accrual basis.

Composite financial instrument: The fair value of the liability portion of an optionally convertible bond is determined using a market interest rate for an equivalent non-convertible bond. This amount is recorded as a liability on an amortised cost basis until extinguished on conversion or redemption of the bonds. The remainder of the proceeds is attributable to the equity portion of the compound instrument. This is recognised and included in shareholders' equity.

Derecognition

A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

c. Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in consolidated financial statements if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

PRAKASH INDUSTRIES LIMITED

Notes on consolidated financial statements

3.18 Borrowing costs

General and specific borrowing costs (including exchange differences arising from foreign currency borrowing to the extent that they are regarded as an adjustment to interest cost) that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. Other borrowing costs are expensed in the period in which they are incurred.

Foreign exchange difference regarded as borrowing taken for non-monetary items, an adjustment to borrowing costs are presented/reported as part of non-monetary item.

3.19 Employee Benefits

Employee benefits consist of contribution to employees state insurance, provident fund, gratuity fund and compensated absences.

Post-employment benefit plans

Defined Contribution plans

Contributions to defined contribution schemes such as employees' state insurance, labour welfare fund, employee pension scheme etc. are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. Group provident fund contribution is made to a government administered fund and charged as an expense to the Statement of Profit and Loss. The above benefits are classified as Defined Contribution Schemes as the Group has no further defined obligations beyond the monthly contributions.

Defined benefit plans

The Group operates defined benefit plan in the form of gratuity and compensated absence. The liability or asset recognised in the balance sheet in respect of its defined benefit plans is the present value of the defined benefit obligation at the end of the reporting period. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method. The present value of the said obligation is determined by discounting the estimated future cash out flows, using market yields of government bonds that have tenure approximating the tenures of the related liability.

The interest expenses are calculated by applying the discount rate to the net defined benefit liability or asset. The net interest expense on the net defined benefit liability or asset is recognised in the Statement of Profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the Statement of Changes in Equity and in the Balance Sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

The classification of the company's net obligation into current and non-current is as per the actuarial valuation report.

3.20 Earnings per share (EPS)

Basic EPS is computed by dividing the profit or loss attributable to the equity shareholders of the Group by the weighted average number of Ordinary shares outstanding during the year. Diluted EPS is computed by adjusting the profit or loss attributable to the ordinary equity shareholders and the weighted average number of ordinary equity shares, for the effects of all dilutive potential Ordinary shares.

Notes on consolidated Ind AS financial statements

31. Contingent Liabilities not provided for in respect of Holding Company:

₹ in lakhs
As at
31st March, 2018

- | | |
|---|--------|
| (a) Guarantees/Unexpired Letter of credits issued by banks on behalf of the company | 4,069 |
| (b) Disputed demands of Excise Duty/Income Tax/Electricity dues and others (Amount paid there against ₹ Nil) | 10,215 |

32. Commitments

₹ in lakhs
As at
31st March, 2018

Estimated amount of contracts remaining to be executed on capital account and not provided for (Net of advances) 54,414

33. The Holding Company has taken certain plant and machinery under operating lease during the period prior to 1st April, 2001. The company is having legal disputes with the concerned lessors and there are counter claims which are pending under arbitration/court, as such the future liability on this account, if any, is not ascertainable. In the opinion of management the liability on this account will not be material.

34. Due to Micro and Small Enterprises:

The Group has certain dues to suppliers register under Micro and Small Enterprises Development Act, 2006 (MSMED Act). The disclosure pursuant to the said MSMED Act are follows.

₹ in lakhs

	Particulars	For the year ended 31 st March, 2018
(a)	Dues remaining unpaid as at Balance Sheet date -Principal amount -Interest amount	946
(b)	Interest paid in terms of section 16 of the Act, along with the amount of payment made to the supplier and services providers beyond the appointed day during the period	—
(c)	Interest due and payable for the period of delay in making payment (which has been paid but beyond the appointed day during period) but without adding the interest specified under the Act	—
(d)	Further interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise.	—
(e)	Interest accrued and remaining unpaid as at Balance Sheet date	—

The above information is as complied by the Management and relied upon by the Auditor.

35. In respect of Holding Company, in terms of the order dated 23rd August 2007 of the Hon'ble Punjab & Haryana High Court, the net deferred tax liability computed in terms of the Indian Accounting Standard (Ind AS) 12 Income Taxes has been adjusted against Securities Premium reserve. Consequently, the profit for the year is lower by ₹ 2,741 lakhs.
36. Pursuant to the scheme of arrangement between the Holding Company and its wholly owned subsidiary Holding Company, Prakash Pipes Limited (PPL) incorporated on 29th June, 2017 as approved by the Board of Directors of the Holding Company, it is proposed to demerge PVC pipe division of the Holding Company to PPL w.e.f 1st April, 2018, being the appointed date. As per the scheme, post demerger, PPL will cease to be subsidiary of the Holding Company. The Group is under process to obtain necessary approval from National Company Law Tribunal (NCLT) in this regard.
37. Considering the future profitability and taxable position in the subsequent years, the Holding Company is recognizing Minimum Alternate Tax (MAT) credit entitlement as an asset and is carrying the same in its accounts. In case the credit entitlement is not availed by the Holding Company within the time limit prescribed under the Income Tax Act, the same is set off against the Retained Earning. The Holding Company has adjusted ₹ 4,931 lakhs on this account in the Retained Earnings during the year ended 31st March, 2018.
38. In the earlier years, the Holding Company had been partner in two Joint Venture Entities Madanpur Coal Company Private Limited (holding 20.67% equity) and Fatehpur Coal Mining Company Private Limited (holding 38.46% equity), being one of the allottee of coal blocks. The said allocations were however cancelled by the Supreme Court/ Government in the year 2014, rendering the JV entities' activity to stop and only option of closing down of entities. These entities have no or insignificant assets and hence not expected to recover the amount of investments/ expenditure incurred. As material uncertainty exists in recovering the amount paid / invested and since there is no activities/ subject matter

Notes on consolidated financial statements

requiring joint control from the parties, in the judgement of the management the Holding Company does not have joint control over the JV entities from the date of cancellation. The amount invested / paid to these JV has been accounted as recoverable and a considered doubtful of recovery and fully provided for.

39. Pursuant to the cancellation of the Choita coal mine of the Group vide Hon'ble Supreme Court's Order, the assets pertaining to this mine have been vested with the new owner in terms of a government order. The book values of the assets transferred to the new owner have been aggregated and shown as claim recoverable in the Books of Account. Necessary adjustment for gain/loss will be made in the Books of Accounts on the final settlement of the compensation claimed by the Group.
40. Details of Employees Benefits as required by the Ind AS 19 "Employee Benefits" are given below:-

A) Defined Contribution Plans:

During the year, the Group has recognised the following amounts in the Consolidated Statement of Profit and Loss (included in Contribution to Provident & Other Funds):-

₹ in lakhs

	For the year ended 31 st March, 2018
Contribution to Provident Fund	774
Contribution to Employees' State Insurance	148

B) Defined Benefit Plan:

Reconciliation of opening and closing balances of Defined Benefit obligation

	For the year ended 31 st March, 2018		
	Gratuity (Unfunded)	Leave (Unfunded)	Sick (Unfunded)
Gratuity			
Defined Benefits obligation at the beginning of the year	2,906	992	290
Current Service Cost	245	93	36

		Paid	Yet to be paid	Total
(i)	Construction /acquisition of any assets	–	–	–
(ii)	On purpose other than (i) above	84	–	84

53. Financial risk management and policies

53.1 Capital risk management

The Group manages its capital to ensure that the Group will be able to continue as going concern while maximising the return to stakeholders through optimisation of debt and equity balance. The Group is not subject to any externally imposed capital requirements.

The capital structure of the Group consists of net debt (borrowings as detailed in notes 16, 18 & 20 less cash and bank balances as detailed in note 10 & 11) and total equity of the Group. Equity consists of equity capital, share premium and all other equity reserves attributable to the equity holders.

The Group manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants.

53.2 Financial risk management

The Group principal financial liabilities comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance and support the Group operations. The Group principal financial assets comprise investments, cash and bank balance, trade and other receivables.

The Group is exposed to various financial risks such as market risk, credit risk and liquidity risk. The financial risks are identified, measured and managed in accordance with the Group policies and risk objectives.

a. Market risk

The Group activities expose it primarily to the financial risk of changes in foreign currency exchange rates and changes in interest rates. There have been no changes to the Group exposure to market risk or the manner in which it manages and measures the risk in recent past.

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: interest rate risk and currency risk. Financial instruments affected by market risk include borrowings and bank deposits.

i. Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Group exposure to the risk of changes in market interest rates is limited.

ii. Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Group exposure to the risk of changes in foreign exchange rates relates primarily to the Group borrowings. The Group foreign currency risks are identified, measured and managed at periodic intervals in accordance with the Group policies.

Particulars of unhedged foreign currency exposures as at the reporting date:

₹ in lakhs

Particulars	As at 31 st March, 2018
FCCB Borrowings	12,000
Interest	–
Total	12,000
Interest not provided	–

Notes on consolidated financial statements**b. Credit risk**

Credit risk is the risk that counterparty will default on its contractual obligations resulting in financial loss to the Group. The Group has adopted a policy of only dealing with creditworthy customers.

The credit limit is granted to a customer after assessing the Credit worthiness based on the information supplied by credit rating agencies, publicly available financial information or its own past trading records and trends.

At March 31, 2018, the Group did not consider there to be any significant concentration of credit risk, which had not been adequately provided for. The carrying amount of the financial assets recorded in the financial statements, grossed up for any allowances for losses, represents the maximum exposure to credit risk.

c. Liquidity risk

The Group manages liquidity risk by maintaining adequate reserves and banking facilities, by continuously monitoring forecast and actual cash flows and by matching the maturity profiles of financial assets and liabilities for the Group.

The Group has established an appropriate liquidity risk management framework for its short-term, medium term and long-term funding requirement.

The table below summarizes the maturity profile of the Group financial liabilities.

₹ in lakhs				
Particulars	Less than 1year	1-5 years	> 5 years	Total payments
As at 31st March, 2018				
Borrowings and interest thereon	21,770	44,403	15,526	81,699
Trade and other payables	19,604	—	—	19,604
Other financial liabilities	12	50	115	177

54. Disclosure of Financial Lease hold land as per Ind AS -17 - Leases**₹ in lakhs**

Particulars	Carrying Value	Less than 1year	1-5 years	> 5 years	Total payments
As at 31st March, 2018

NOTES:

1. The statement pursuant to Section 102(1) of the Companies Act, 2013 with respect to the special business set out in the Notice is annexed.
2. A MEMBER ENTITLED TO ATTEND AND VOTE AT THE MEETING IS ENTITLED TO APPOINT A PROXY TO ATTEND AND VOTE INSTEAD OF HIMSELF/HERSELF AND SUCH PROXY NEED NOT BE A MEMBER OF THE COMPANY.
3. The instrument appointing the proxy, duly completed, must be deposited at the Company's Registered/Corporate Office not less than 48 hours before commencement of the meeting. A proxy form for the AGM is enclosed.
4. Pursuant to Section 105 of the Companies Act, 2013 read with the Companies (Management and Administration) Rules, 2014 a person shall not act as proxy for more than fifty (50) members and holding in the aggregate not more than 10% of the total share capital of the Company carrying voting rights. A member holding more than 10% of the total share capital of the Company carrying voting rights may appoint a single person as proxy and such person shall not act as proxy for any other person or shareholder.
5. Corporate members intending to send their authorised representatives to attend the meeting are requested to send a certified copy of the Board Resolution authorising their representatives to attend and vote on their behalf at the meeting to the Company .
6. During the period beginning 24 hours before the time fixed for the commencement of the meeting and ending with the conclusion of the meeting, a member would be entitled to inspect the proxies lodged at any time during the business hours of the Company, provided that not less than three days of notice in writing is given to the Company.
7. Register of Members and Share Transfer Books will remain closed from 24th July, 2018 to 28th July, 2018 (both days inclusive).
8.
 - i) Members are requested to quote their folio, DP and client ID No. in all correspondence with the Company.
 - ii) If there is any change in the postal address / email ID, members may update their new address or email ID with their respective DP in case of holding shares in demat form and if holding shares in physical form they should write to the Company.
 - iii) Members holding shares in physical form and desirous of making nomination in respect of their shareholding in the Company may send Form SH-13 for the purpose which is available at the Corporate Office of the Company or may be downloaded from the Company's website www.prakash.com
 - iv) The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities Market. Members holding shares in demat form are requested to update their PAN details with their respective DPs and those holding shares in physical form may send self attested copy of PAN card to the Company.
9. As per rules regarding **unpaid / unclaimed dividend** prescribed by MCA; Company has already given the details of unpaid/ unclaimed dividend for the financial year 2010-11, 2011-12 , 2012-13 and 2013-14 on the website of

PRAKASH INDUSTRIES LIMITED

Investor Education and Protection Fund (IEPF) viz. www.iepf.gov.in. Investors can also check their unpaid / unclaimed dividend details from the abovesaid website.

Members who have not received / encashed their dividend warrants for the financial year 2010-11, 2011-12, 2012-13 and 2013-14 may please write to Shri Ashwini Kumar, Company Secretary and Compliance Officer, at the Company's Corporate Office for claiming the said dividends. Members are requested to note that dividends not claimed within seven years from the date of transfer to the Company's Unpaid Dividend Account, will, as per Section 124 of the Companies Act, 2013, be transferred to the Investor Education and Protection Fund.

Also pursuant to the provisions of the recently notified Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, all shares in respect of which dividend has not been paid or claimed for seven consecutive years or more, shall also be transferred to the Investor Education and Protection Fund (IEPF) Suspense Account.

Form for providing bank details is available on the Company's website www.prakash.com and also **annexed with the Annual Report**.

10. Members holding shares in physical form are advised to convert their shareholding in dematerialized form with any depository participant.
11. The Register of Directors and Key Managerial Personnel and their shareholding maintained under Section 170 of the Companies Act, 2013, the Register of Contracts or arrangements in which Directors are interested under Section 189 of the Companies Act, 2013 will be available for inspection at the AGM.
12. The Ministry of Corporate Affairs (MCA) has undertaken a "Green Initiative in Corporate Governance" and allowed Companies to send documents through electronic mode to its members. As per Regulation 36(1) (a) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, Companies shall send soft copies of the Annual Report and other notices to all those members who have registered their email ids for the said purpose. Members are requested to support this Green Initiative by registering/ updating their email ids for receiving electronic communications.

Members holding shares in electronic mode are requested to update their email ids with their respective DPs and those holding shares in physical mode are requested to update their email ids with the Company at SRIVAN, Najafgarh - Bijwasan Road, Bijwasan, New Delhi - 110061.

13. Voting through electronic means -

- A. In compliance with the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 and Regulation 44(1) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company is pleased to offer e-voting facility to its Members in respect of the businesses to be transacted at the 37th Annual General Meeting ("AGM"). The Company has engaged the services of Central Depository Services (India) Limited ("CDSL") as the Authorised Agency to provide e-voting facilities.

- B. Members are requested to note that the business may be transacted through electronic voting system and the Company is providing facility for voting by electronic means. It is hereby clarified that it is not mandatory for a Member to vote using the e-voting facility. A Member may avail of the facility at his/her/its discretion, as per the instructions provided herein:

Instructions:

The instructions for shareholders voting electronically are as under:

- (i) The voting period begins on 25th July, 2018 (09:00 a.m.) and ends on 27th July, 2018 (05:00 p.m.). During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date 21st July, 2018, may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) The shareholders should log on to the e-voting website www.evotingindia.com.
- (iv) Click on Shareholders / Members.
- (v) Now Enter your User ID
 - a. For CDSL: 16 digits beneficiary ID,
 - b. For NSDL: 8 Character DP ID followed by 8 Digits Client ID,
 - c. Members holding shares in Physical Form should enter Folio Number registered with the Company.
- (vi) Next Enter the Image Verification as displayed and Click on Login.
- (vii) If you are holding shares in demat form and had logged on to www.evotingindia.com and voted on an earlier voting of any company, then your existing password is to be used.
- (viii) If you are a first time user follow the steps given below:

	For Members holding shares in Demat Form and Physical Form
PAN	<p>Enter your 10 digit alpha-numeric PAN issued by Income Tax Department. (Applicable for both demat shareholders as well as physical shareholders)</p> <p>Members who have not updated their PAN with the Company/Depository Participant are requested to use the first two letters of their name and 8 digits of the sequence number in the PAN field.</p> <p>In case the sequence number is less than 8 digits enter the applicable number of 0's before the number after the first two characters of name in CAPITAL letters. Eg. If your name is RAMESH KUMAR with sequence number 1 then enter RA00000001 in the PAN field.</p>
Dividend Bank Details OR Date of Birth (DOB)	<p>Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your demat account or in the Company records in order to login.</p> <p>If both the details are not recorded with the depository or Company please enter the member id/folio number in the Dividend Bank details field as mentioned in instruction (v).</p>

PRAKASH INDUSTRIES LIMITED

- (ix) After entering these details appropriately, click on "SUBMIT" tab.
- (x) Members holding shares in physical form will then directly reach the Company selection screen. However, members holding shares in demat form will now reach 'Password Creation' menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.
- (xi) For Members holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.
- (xii) Click on the EVSN of "Prakash Industries Limited".
- (xiii) On the voting page, you will see "RESOLUTION DESCRIPTION" and against the same the option "YES/NO" for voting. Select the option "YES" or "NO" as desired. The option "YES" implies that you assent to the Resolution and option "NO" implies that you dissent to the Resolution.
- (xiv) Click on the "RESOLUTIONS FILE LINK" if you wish to view the entire Resolution details.
- (xv) After selecting the resolution you have decided to vote on, click on "SUBMIT". A confirmation box will be displayed. If you wish to confirm your vote, click on "OK", else to change your vote, click on "CANCEL" and accordingly modify your vote.
- (xvi) Once you "CONFIRM" your vote on the resolution, you will not be allowed to modify your vote.
- (xvii) You can also take a print of the votes cast by clicking on "Click here to print" option on the Voting page.
- (xviii) If Demat account holder has forgotten the changed login password then Enter the User ID and the image verification code and click on Forgot Password & enter the details as prompted by the system.
- (xix) Shareholders can also cast their vote using CDSL's mobile app m-Voting available for android based mobiles. The m-Voting app can be downloaded from Google Play Store. Apple and Windows phones users can download the app from the App Store and the Windows Phone Store respectively. Please follow the instructions as prompted by the mobile app while voting on your mobile.
- (xx) Note for Non - Individual Shareholders and Custodians
 - Non-Individual shareholders (i.e. other than Individuals, HUF, NRI etc.) and Custodian are required to log on to www.evotingindia.com and register themselves as Corporates.
 - A scanned copy of the Registration Form bearing the stamp and sign of the entity should be emailed to helpdesk.evoting@cdslindia.com.
- After receiving the login details a Compliance User should be created using the admin login and password. The Compliance user would be able to link the account(s) for which they wish to vote on.
- The list of accounts linked in the login should be mailed to helpdesk.evoting@cdslindia.com and on approval of the accounts they would be able to cast their vote.
- A scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, should be uploaded in PDF format in the system for the scrutinizer to verify the same.
- C. Any person, who acquires shares of the Company and become Member of the Company after dispatch of the Notice and holding shares as on the cut-off date i.e. 21st July, 2018 may follow the same instructions as mentioned above for e-Voting.
- D. In case you have any queries or issues regarding e-voting, you may refer the Frequently Asked Questions ("FAQs") and e-voting manual available at www.evotingindia.com, under help section or write an email to helpdesk.evoting@cdslindia.com
- E. M/s S.K. Hota & Associates, Company Secretaries (Membership No.16165 & CP No.6425) has been appointed as the Scrutinizer and Alternate scrutinizer to scrutinize the remote e-voting process and voting through Ballot paper in the meeting, in a fair and transparent manner.
- F. The Scrutinizer, after scrutinising the votes cast at the meeting through ballot paper and through remote e-voting, will not later than three days of conclusion of the Meeting, make a consolidated scrutinizer's report and submit the same to the Chairman.
- G. In the event of poll, please note that the members who have exercised their right to vote through electronic means as above shall not be eligible to vote by way of poll at the meeting. The poll process shall be conducted and report thereon shall be prepared in accordance with Section 109 of the Act read with relevant rules. In such an event, votes cast under Poll taken together with the votes cast through remote e-voting shall be counted for the purpose of passing of resolution(s). No voting by show of hands will be allowed at the Meeting.
- H. Subject to receipt of sufficient votes, the resolution(s) shall be deemed to be passed at the 37th Annual General Meeting of the Company scheduled to be held on Saturday the 28th July, 2018. The Results shall be declared within 48 Hours from the conclusion of the meeting. The Results declared alongwith the Scrutinizer's Report shall be placed on the Company's website, www.prakash.com and on CDSL's website, www.cdslindia.com / www.evotingindia.com within 48 hours of passing of the Resolutions at the meeting and communicated to the Stock Exchanges.
- 14. Details of Directors seeking appointment/reappointment at the forthcoming Annual General Meeting pursuant to Regulation 36(3) of the Securities and Exchange

PRAKASH INDUSTRIES LIMITED

Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and clause 1.2.5 of the Secretarial Standard 2 as per Annexure- A

15. Members are requested to bring their duly filled Attendance Slip enclosed herewith to attend the meeting along with their copy of Annual Report.
16. A route map to the venue of the AGM alongwith prominent landmark for easy location is enclosed.

EXPLANATORY STATEMENT

(Pursuant to Section 102 of the Companies Act, 2013).

As required by Section 102 of the Companies Act, 2013 ("Act"), the following explanatory statement sets out all material facts relating to the business mentioned under Item No. 4 to 9 of the accompanying Notice:

Item No.4

Shri Sunil Kumar was appointed as an Independent Additional Director w.e.f. 26th December, 2017. Based on the recommendations of the Nomination and Remuneration Committee and the performance evaluation, the Board of Directors wants to appoint him to hold office as an Independent Director of the company for a term of Five years w.e.f. 26th December, 2017 to 25th December, 2022.

As per Section 161 of The Companies Act, 2013 Shri Sunil Kumar holds office as an Additional Director upto the date of ensuing Annual General Meeting of the Company. Section 149 of Companies Act, 2013, requires appointment of an Independent Director to be approved by the Members by way of a Ordinary Resolution.

Shri Sunil Kumar is a consultant and has more than 12 years experience in the field of financial and real estate market.

Further, Shri Sunil Kumar being an Independent Director, shall not be liable to retire by rotation.

The Board recommends the Resolution set out at Item No.4 for your approval.

Item No.5

Shri Vikram Agarwal was reappointed as Managing Director of the Company w.e.f. 1st April, 2015 for three years. He has been associated with Company since 2005. He is actively involved in day to day affairs of the Company. The remuneration of Shri Vikram Agarwal has been approved by Nomination and Remuneration Committee.

Having regard to the knowledge and experience of Shri Vikram Agarwal, the Board of Director appointed Shri Vikram Agarwal as Managing Director of the Company for the period from 1st April, 2018 to 31st March, 2021 on the terms and conditions and remuneration as mentioned in the resolution as set out at item No.5 of notice subject to the approval of shareholders.

As on 31st March, 2018, Shri Vikram Agarwal holds 406500 equity shares of the company.

Shri V.P. Agarwal, Chairman of the Company is father of Shri Vikram Agarwal, Managing Director. Shri Kanha Agarwal, Joint Managing Director of the Company is brother of Shri Vikram Agarwal.

None of the Directors except Shri Vikram Agarwal, Shri V.P. Agarwal and Shri Kanha Agarwal are interested in the Resolution.

The Board recommends the Resolution set out at Item No.5 for your approval.

Item No.6

Shri M.L. Pareek is an experienced technocrat and had been associated earlier also with the Company at the time of installation and commissioning of the integrated steel plant of the Company. He is thus conversant with all the facets of the working of the Company.

Having regard to the knowledge and experience of Shri M.L. Pareek, the Board of Director appointed Shri M.L. Pareek as Whole-time director of the company for the period from 1st April, 2018 to 31st March, 2021 on the terms and conditions and remuneration as mentioned in the resolution as set out at item No.6 of notice subject to the approval of shareholders.

None of the Directors except Shri M.L. Pareek is interested in the Resolution.

The Board recommends the Resolution set out at Item No.6 for your approval.

Item No.7

As per requirements of section 196 (3) and Schedule V Part I (c) of the Companies Act, 2013 if a Managing Director, or Whole Time Director has attained the age of 70 years then his appointment/continuation needs to be approved by a special resolution passed by the company in General Meeting otherwise Central Government approval is required.

Shri M. L. Pareek has attained the age of 70 years in May, 2015. Your directors in their meeting held on 8th February, 2018 have approved and recommended his reappointment as Whole-time Director of the company subject to shareholders approval in this Annual General Meeting.

None of the Directors except Shri M.L. Pareek is interested in the Resolution.

The Board recommends the Resolution set out at Item No.7 for your approval.

Item No.8

Shri P. L. Gupta is a Chartered Accountant having work experience of 39 years and has been associated with the Company for more than two decades and thus conversant with all the facets of the working of the company.

Having regard to the knowledge and professional experience of Shri P. L. Gupta, the Board of Director appointed Shri P.L. Gupta as a Whole-time Director and Chief Financial Officer (CFO) of the company for the period from 1st April, 2018 to 31st March, 2021 on the terms and conditions and remuneration as mentioned in the resolution as set out at item No.8 of notice subject to the approval of shareholders.

None of the Directors except Shri P.L. Gupta is interested in the Resolution.

The Board recommends the Resolution set out at Item No.8 for your approval.

PRAKASH INDUSTRIES LIMITED

Item No.9

Shri Kanha Agarwal has been appointed as Joint Managing Director w.e.f. 6th February, 2016 to 31st March, 2019. Keeping in view of his active involvement in management affairs, Nomination and Remuneration Committee and Board of Directors of the Company has recommended for revision in his remuneration w.e.f. 1st April, 2018.

As on 31st March, 2018, Shri Kanha Agarwal holds 18540 equity shares of the Company.

Shri V.P. Agarwal, Chairman of the Company is father of Shri Kanha Agarwal, Joint Managing Director. Shri Vikram Agarwal, Managing Director of the Company is brother of Shri Kanha Agarwal.

None of the Directors except Shri Kanha Agarwal, Shri V.P. Agarwal and Shri Vikram Agarwal are interested in the Resolution.

The Board recommends the Resolution set out at Item No.9 for your approval.

Item No.10

The Board on the recommendation of the Audit Committee, has approved the remuneration of the Cost Auditors to conduct the audit of the cost records of the Company for the financial year 2018-19 as mentioned in the resolution set out at Item No.10 of the notice.

In accordance with the provisions of Section 148 of the Companies Act, 2013 read with the Companies (Audit and Auditors) Rules, 2014 the remuneration payable to the Cost Auditors has to be ratified by the shareholders of the Company.

Accordingly, consent of the members is sought for passing an Ordinary Resolution as set out at Item No. 10 of the Notice for ratification of the remuneration payable to the Cost Auditors for the financial year 2018-19.

None of the Directors / Key Managerial Personnel of the Company / their relatives are, in any way, concerned or interested, financially or otherwise, in this Resolution.

The Board recommends the Resolution set out at Item No.10 for your approval.

A copy of the resolutions passed by the Board of Directors relating to the reappointment of Directors (Item No. 5,6,7,8) and revision of remuneration (Item No. 9) and other relevant documents are open for inspection of the members at the Corporate Office of the company between 11.00 A.M. to 01.00 P.M. on any working day prior to the date of meeting and also at the meeting.

By order of the Board
