Notice

The above section 180 of the Companies Act, 2013 corresponds to section 293 of Companies Act, 1956 under which the consent of the Company was required by ordinary resolutions.

Accordingly, the shareholders of the Company had accorded their consent by way of ordinary resolutions to the Board of Directors for borrowing money not exceeding Rs. 750 Crores (Rupees Seven Hundred Fifty Crores only) at any point of time and to create security or create mortgages, charges and hypothecations over the assets of the Company to secure such borrowings from time to time.

However, the Ministry of Corporate Affairs, New Delhi vide its General Circular No. 4/2014 dated 25th March, 2014 has stated that such ordinary resolutions passed under old Companies Act, 1956 for borrowing money in excess of limits and to create security on undertaking of the Company, shall remain valid upto one year from the commencement of the Companies Act, 2013 i.e. upto 11th September, 2014.

Therefore it is proposed to reconfirm the limit of such borrowing power of Rs. 750 Crores.

None of the Directors, Key Managerial Personnel or their relatives has any concern or interest, financial or otherwise, in the resolutions.

The Board recommends the special resolutions set out in item no. 9 and 10 for the approval of the members.

Item No. 11:

The article 132(1) of the Articles of Association ('AoA') of the company contains provisions for appointment of Managing Director and Whole-Time Directors of the Company. The provisions of the Companies Act, 2013 provides that an individual shall not be appointed or reappointed as Chairperson and Managing Director or CEO at the same time unless the articles of the Company provides otherwise or where the Company is not engaged in multiple business.

Though, the Company presently has separate individuals as Chairman and Whole-Time Director, the Board felt it prudent to amend article 132(1) to align the Articles with the requirement of the new Companies Act, 2013.

The article 135C (2) contains the provisions for providing copy of minutes of General meetings to members of the Company on payment of certain fees. The fees prescribed under the law for the matter, have been amended from time to time and relevant clause of articles of association has not been amended since long. Therefore, it is proposed to alter the relevant Clauses of Articles of Association of company to align them with the new Companies Act, 2013.

Further, the provisions of Companies Act, 2013 and rules made thereunder has prescribed various requirements and formats for maintenance and inspection of registers. The Articles of Association of the Company does not have a clause on the matter. Therefore, the Board of Directors felt it prudent to insert relevant clauses in Articles of Association of the Company.

None of the Directors or Key Managerial Personnel of the Company or their relatives has any concern or interest, financial or otherwise, in the resolution.

The Board recommends the special resolution set out in Item No. 11 for the approval of the Members.

Y I. SIGNIFICANT ACCOUNTING POLICIES:

m) Impairment of assets

In accordance with Accounting Standard 28 (AS 28) on 'Impairment of assets' where there is an indication of impairment of the Company's assets, the carrying amounts of the Company's assets are reviewed at each balance sheet date to determine whether there is any impairment. The recoverable amount of the assets (or where applicable that of the cash generating unit to which the asset belongs) is estimated at the higher of its net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of the assets and from its disposal at the end of its useful life. An impairment loss is recognised whenever the carrying amount of an asset or a cash-generating unit exceeds its recoverable amount. Impairment loss is recognized in the statement of profit and loss. If at the Balance Sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the lower of recoverable amount and the carrying amount that would have been determined had no impairment loss being recognised.

n) Earning per share

Basic and diluted earnings per share are computed by dividing the net profit after tax attributable to equity shareholders for the year, with the weighted number of equity shares outstanding during the year.
