4. *As explained in Note No. 21 of Notes to Accounts, no provision has been made for loans and advances amounting to Rs. 110.51 lacs, which are prima facie doubtful of recovery and in our opinion current year's loss and accumulated losses of the company are under stated by provision of such doubtful advances*

On these points the Board submit the following explanation:

1. The company had made a reference to the Board for Industrial and Financial Reconstruction (BIFR) in pursuance to the provisions of Section 15 (1) of the Sick Industrial Companies (Special Provisions) Act, 1985 (SICA) based on its audited Balance Sheet as at March 31, 2008. BIFR vide its order dated July 14, 2011 declared the company as a sick industrial company in terms of Section 3 (1) (o) of the said Act and appointed IDBI Bank (IDBI) as the Operating Agency (OA) under Section 17 (3) of SICA to formulate a rehabilitation scheme. The DRS envisaged various reliefs and concessions from various stakeholders, and induction of strategic investors to fulfill the fund requirements to restart production activities. 4. No provision for Depreciation on fixed assets has been made after discontinuing operation of the company since December 2006 as the relevant assets are not in use.
5. No provision has been made for loans and advances amounting to Rs. 110.71 Lacs representing advances given to suppliers, deposit with statutory authorities. TDS payments as the same are considered to be good and either receivable or adjustable in near future
6. In respect of non-fulfilment of export obligation, the Management Of the Company had made an application to the Export Department, for the extension of time of 5 years from the date of sanction of Rehabilitation Scheme by the BIFR for fulfilment of export Obligation promised.
7. The Share Application Monies were received from the Strategic Investor and Promoters as per the scheme finalised and submitted by the OA to the BIFR. As per the DRS, the Promoters and Strategic Investors would have held certain number of shares and percentage holding in the Company, subject to the approval of scheme by the BIFR. Auditors' Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Matter of Emphasis

The Company's operations have been suspended since December, 2006. The Company has incurred losses during past several years and the company's net worth has been completely eroded. In view of all this, we are unable to comment whether the company can be considered as a "Going Concern" and whether its assets would be adequate to meet its liabilities.

We draw your attention that by Notification No. S.O. 3569(E) issued by the Ministry of Finance, Central Government dated November 25, 2016, Sick Industrial Companies (Special Provisions) Act, 1985 (SICA) stand repealed with effect from 1st December, 2016. As a consequence, the proceedings of the Company on reference under SICA before Board for Industrial and Financial Reconstruction (BIFR) abated and came to an end.

As explained in Note No.16 of Notes to Accounts the expenses/liabilities aggregating Rs. 201.58 lacs for the Year 2016-2017 have not been provided due to which current year loss and accumulated losses are under stated by Rs 201.58 lacs

As explained in Note No. 24 of Notes to Accounts, calls in arrears is unreconciled to the extent of Rs 2.25 lacs

As explained in Note No. 21 of Notes to Accounts, no provision has been made for loans and advances amounting to Rs. 110.51lacs, which are prima facie doubtful of recovery and in our opinion current year's loss and accumulated losses of the company are under stated by provision of such doubtful advances

As explained in Note No. 22 of Notes to Accounts, Depreciation on tangible and intangible assets (as per Schedule II of Companies Act, 2013) has not been provided.

As explained in Note No. 25, the liability on account of non-fulfillment of export obligation has not been considered, since the same is not ascertainable

Attention is also invited in respect of the share application money received by the Company which is pending for allotment, in terms of Section 73 read with Companies (Acceptance of Deposits) Amendment Rules, 2015.

2. Use of Estimates

The preparation of the financial statements in conformity with Generally Accepted Accounting Principles (GAAP) requires the management of the Company to make estimates and assumptions that affect the reported balances of assets and liabilities and the disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expenses during the reporting period. Differences between the actual results and estimates are recognized in the period in which the results are known/ materialized.

3. Fixed Assets and Depreciation

Fixed Assets are stated at cost, net of CENVAT availed, less accumulated depreciation. Exchange gain or loss on adjustments arising from exchange rate variations attributable to the fixed assets is capitalized. All costs, including financing costs till the assets are ready to be put to use are capitalized.

4. Employees Retirement Benefits

The Company has a Employees' Group Gratuity Policy with Life Insurance Corporation of India and benefit of leave encashment accumulation and provident fund contribution.

5. Taxes on Income

Tax on Income for the current period is determined on the basis of taxable income and tax credit computed in accordance with the provisions of the Income Tax Act, 1961, and based on expected outcome of assessments / appeals.

Deferred Tax is recognized on timing differences between the accounting income and the taxable income for the year and quantified by using the tax rates and laws enacted or substantively enacted as on the Balance Sheet day.

Deferred Tax assets are recognized and carried forward to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

6. Impairment of Assets

At the end of each reporting period, the company determines whether the provision should be made for impairment loss to fixed assets by considering the indications that the impairment loss may have occurred in accordance with Accounting Standard 28 on "Impairment of Assets" issued by ICAI. The impairment loss is charged to Profit & Loss A/c in the period in which an asset is identified as impaired, when the carrying value of assets exceeds its recoverable value. The impairment loss recognised in the earlier periods is reversed, if there has been a change in the estimate of recoverable amount.

7. Investments

Long-term investments are stated at cost. In case of long term investments, provision/ write down is made for permanent diminution in value.

8. Provisions, Contingent Liabilities and Contingent Assets

A provision is recognized if, as a result of a past event, the company has a present legal obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by the best estimate of the outflow of economic benefits required to settle the obligation at the reporting date. Where no reliable estimate can be made, a disclosure is made as a contingent liability. A disclosure of contingent liability is also made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made. Contingent Assets are neither recognized nor disclosed in the financial statements, it becomes probable that an out flow of resources embodying economic benefits will be required to settle the obligation, in respect of which a reliable estimate can be made. Contingent liabilities are not recognized, but are disclosed in the Notes on Accounts. Contingent assets are neither recognized nor disclosed in the accounts.

9. Earnings Per Share

Basic earnings per share is computed by dividing the net profit after tax by weighted average number of equity shares outstanding during the period. Diluted earning per share is computed by dividing the net profit after tax (by adjusting any tax benefits) by the weighted average number of equity shares considered for deriving basic earning per share and also weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.
