### 5. YEAR IN RETROSPECT AND FUTURE OUTLOOK

The global economy in FY 2016-17 once again witnessed low oil prices. Lower oil prices benefit commodity importing countries such as India and have significantly improved India's overall fiscal landscape and also augur well for growth in domestic consumption. India's Current Account Deficit reduced to 0.7% of GDP in the first nine months of the year ended March, 2017 as compared to 1.4% of GDP during first nine months of the previous year. The demonetization of Rs. 500 and Rs. 1000 notes effected by government in November, 2016 and introduction of new Rs.500 and Rs. 2000 notes greatly slowed down economic activities in the next few months and your Company's business was also affected by this slowdown. India's GDP grew by 7.2% during the first nine months of fiscal 2017 as compared to a growth of 7.7% during first nine months of previous year.

India's economy is poised to return to its high-growth path, in the medium term, thanks to lower fiscal and current account deficits, falling inflation and structural reforms, and increased government spending. A normal monsoon in the current year will boost farm income. However there could be a short period of slowdown once GST (Goods and Service Tax) is introduced and as Companies adjust to this new tax.

The government's call of 'Make in India', 'Digital India' and tax reforms like introduction of GST has sent out positive cues to the global investors. In first nine months of the fiscal year, Foreign Portfolio Investors invested US \$ 2.2 billions (net) in equity markets. As India stands at the cusp of acceleration in growth, the financial services sector will play a supportive role in achieving the same.

Your Company is registered as Category I Merchant Banker and executes various assignments in areas of Mergers and Acquisitions, Loan Syndication, Capital Market Operations, Placement of Equity Shares and Debt. ## **ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **SMIFS CAPITAL MARKETS LIMITED** ("the Company") as of March 31, 2017 in conjunction with our audit of the Standalone financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial Controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are

recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

### Note : 1 Significant Accounting Policies:

#### (a) Basis of preparation of financial statements

The financial statements have been prepared in conformity with accounting principles generally accepted in India and comply with the Accounting Standards issued by the Institute of Chartered Accountants of India and referred to Sec 129 & 133 of the Companies Act, 2013.

The financial statements have been prepared under the historical cost convention, except for certain class of fixed assets which are revalued as and when undertaken, in accordance with the generally accepted accounting principles in India.

The accounting policies have been consistently applied by the Company and except for the changes in accounting policy discussed more fully below, are consistent with those used in the previous year.

#### (b) Fixed Assets

Fixed assets are stated at cost and includes amount added on revaluation less accumulated depreciation and Lease Terminal Adjustment account. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use.

#### (c) Depreciation

Depreciation on Fixed assets is provided on written down value method. Depreciation is provided based on the rates derived from the useful life assigned to each asset as prescribed in Schedule II to the Companies Act, 2013.

Depreciation on Fixed assets added/disposed during the year is provided on a pro-rata basis with reference to the date of addition/disposal.

#### (d) Lease Equalisation Charges

Lease rental income is recognised on accrual basis over the lease period. Except in cases where lease contracts have become non-performing assets, the cost of all leased assets is fully amortised during the lease period as per Accounting Standard-19 "Accounting for Leases" issued by the Institute of Chartered Accountants of India. Lease Equalisation charge is accordingly accounted for.

#### (e) Investments

As per the Accounting Standard issued by The Institute of Chartered Accountants of India, Non-Current investments in shares and securities are carried at cost less provision for diminution, other than temporary, determined separately for each individual Investment. Current investments are carried at lower of cost or fair value.

#### (f) Stock-in-trade

- i) Stock-in-trade consisting of shares and securities has been individually valued script wise at lower of cost and market rate, in case they are quoted. Other Stock-in-trade are valued at cost / net asset value whichever is lower or where balance sheet of investee Company is not available for past two years, value of such unquoted Stock-in-trade have been taken at rupee one per share as per prudential norms issued by the Reserve Bank of India.

ii) Stock-in-trade includes construction work-in-progress in respect of real estate development.

**(g) Revenue recognition**

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

In respect of lease rentals arising out of lease agreements, it is the company's policy to recognize income as per the terms of the agreements entered into with lessees. However, where lease rentals are past due for more than one year, the Company has not recognised any income as per the past practice followed by the company.

Revenue from real estate development activity is recognized when all significant risk and rewards of ownership in the flats being developed are transferred to the customers and a reasonable expectation of collection of the sale consideration from the customers exists.

Revenue from sale of incomplete properties/projects is recognised on the basis of percentage of completion method. Related costs of projects relating to development of flats are charged to the Statement of Profit and Loss in proportion with the percentage of revenue recognised during the year. This cost is represented in statement of Profit & Loss by the Change in Inventories of Construction Work in progress i.e. the associated percentage cost of project is reduced from brought forward inventory of Construction work in progress and the balance costs are carried as part of 'Construction Work in Progress' under inventories under current assets. Amounts receivable/payable are reflected as Trade Receivables or Advances from Customers, respectively, after considering income recognised in the aforesaid manner.

Costs of the projects are based on the management's estimate of the cost to be incurred upto the completion of the projects and include cost of land, materials, services and other expenses attributable to the projects. Estimates of project income, as well as project costs, are reviewed periodically. The effect of changes in cost, if any, is recognised in the financial statements for the period in which such changes are determined.

**(h) Employee Benefits**

The employees' gratuity fund scheme managed by a Trust (Life Insurance Corporation of India) is a defined benefit plan. The Present value of obligation is determined based on actuarial valuation using the Projected Unit Credit Method which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. The compensated absences are unfunded. Provision for leave encashment has been made on the basis of Actuarial valuation as at the end of the financial year and are charged to Statement of Profit & Loss during the year.

Short-term employee benefits are recognised as an expense in the Statement of Profit & Loss of the year in which the related service is rendered.

**(i) Provision for Current and Deferred Tax**

The accounting treatment for income tax in respect of the income is based on the Accounting Standards on 'Accounting for Taxes on Income' (AS 22) issued by the Institute of Chartered Accountants of India.

A provision is made for the current tax based on tax liability computed in accordance with relevant tax rates and tax laws. A provision is made for deferred tax liability / asset for timing differences arising between taxable incomes and accounting income at currently enacted tax rates.

Minimum Alternate Tax (MAT) paid in a year is charged to the statement of Profit and Loss as current tax. The Company recognises MAT credit as an asset only to the extent that there is convincing evidence that the Company will pay normal tax during the specified period i.e the period for which MAT credit is allowed to be carried forward. In the year in which the Company recognises MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax under the Income Tax Act, 1961, the said assets is created by way of credit to the statement of profit and loss and shown as "MAT Credit Entitlement". The Company reviews the "MAT Credit Entitlement" asset at each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period.

Deferred tax assets are recognized only if there is reasonable certainty that they will be realised and are reviewed for the appropriateness of their respective carrying values at each balance sheet date.

**(j) Contingencies**

Claims against the Company which are material and whose future outcome cannot be ascertained with reasonable certainty are treated as contingent and disclosed by way of notes to the financial statements.

**(k) Impairment of Assets**

In compliance with Accounting Standard (AS) 28- "Impairment of Assets" issued by the Institute of Chartered Accountants of India, the carrying amounts of Cash Generating Units/Assets are reviewed at Balance Sheet date to determine whether there is any indication of impairment. If any such indication exists, the recoverable amount is estimated at the higher of net selling price and value in use. Impairment loss is recognised wherever carrying amount exceeds the recoverable amount.

**(l) Provisions, Contingent Liabilities and Contingent Assets**

Provisions are recognised in respect of obligations where, based on the evidence available, their existence at the Balance Sheet date is considered probable. Contingent liabilities are shown by way of Notes to the financial statements in respect of obligations where, based on the evidence available, their existence at the Balance Sheet date is considered not probable. Contingent assets are not recognised in the financial statements.

## **ANNEXURE A TO THE INDEPENDENT AUDITORS' REPORT- 31st March 2017 on the Consolidated Financial Statements**

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of SMIFS CAPITAL MARKETS LIMITED ("the Company") as of March 31, 2017 in conjunction with our audit of the consolidated financial statements of the Group for the year ended on that date.

### **Management's Responsibility for Internal Financial Controls**

The respective Board of Director's of the Group are responsible for establishing and maintaining internal financial Controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Group internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Group internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. ### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **SMIFS CAPITAL SERVICES LIMITED** ("the Company") as of March 31, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial Controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide

reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

The accounting treatment for income tax in respect of the income is based on the Accounting Standards on 'Accounting for Taxes on Income' (AS 22) issued by the Institute of Chartered Accountants of India.

A provision is made for the current tax based on tax liability computed in accordance with relevant tax rates and tax laws. A provision is made for deferred tax liability / asset for all timing differences arising between taxable incomes and accounting income at currently enacted tax rates.

Deferred tax assets are recognized only if there is reasonable certainty that they will be realised and are reviewed for the appropriateness of their respective carrying values at each balance sheet date.

**(h) Contingencies**

Claims against the Company which is material and whose future outcome cannot be ascertained with reasonable certainty are treated as contingent and disclosed by way of notes to the financial statements.

**(i) Impairment of Assets**

In compliance with Accounting Standard (AS) 28- "Impairment of Assets" issued by the Institute of Chartered Accountants of India, the carrying amounts of Cash Generating Units/Assets are reviewed at Balance Sheet date to determine whether there is any indication of impairment. If any such indication exists, the recoverable amount is estimated at the higher of net selling price and value in use. Impairment loss is recognised wherever carrying amount exceeds the recoverable amount.

**(j) Provisions, Contingent Liabilities and Contingent Assets**

Provisions are recognised in respect of obligations where, based on the evidence available, their existence at the Balance Sheet date is considered probable. Contingent liabilities are shown by way of Notes to the financial statement in respect of obligations where, based on the evidence available, their existence at the Balance Sheet date is considered not probable. Contingent assets are not recognised in the financial statements.
