## **EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013**

### **ITEM NO. 3: Special Resolution**

Pursuant to the provision of Section 149, 150 and 152 read with Schedule IV and other applicable provisions, if any, of the Companies Act, 2013 and Rules framed thereunder and the erstwhile Clause 49 of the Listing Agreement with the stock exchange, the shareholders of the Company at its meeting held on September 30, 2014 appointed Mr. Yogesh Becharbhai Girnara (DIN: 00378395) as an Independent Director of the Company to hold office for five consecutive years for a term upto September 29, 2019 and he is eligible for re- appointment for one more term of upto five years.

As per Section 149 of Companies Act 2013 read with Rules framed thereunder, the re-appointment of Independent Director for second term also requires approval of shareholder by way of Special Resolution.

Keeping in view his able experience, participation and rich contribution as an independent Director, it is proposed to re-appoint Mr. Yogesh Becharbhai Girnara (DIN: 00378395) as a Non- Executive Independent Director for a second term by way of a special resolution under Section 149 of the Companies Act, 2013, read with relevant rules framed therein and as per regulation 17(1A) of the SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015.

The Nomination and Remuneration Committee at its meeting held on August 6, 2019 on the basis of performance of Independent Directors and taking into account the external business environment, the business knowledge, experience and the substantial contribution made by Mr. Yogesh Becharbhai Girnara (DIN: 00378395) during his tenure, has recommended to the Board that continued association of Mr. Yogesh Becharbhai Girnara (DIN: 00378395) as the Independent Director would be beneficial to the Company. Based on the above and performance evaluation of Independent Directors, the Board recommends the re-appointment of Mr. Yogesh Becharbhai Girnara (DIN: 00378395), as the Independent Director of the Company, not liable to retire by rotation, to hold office for a second term commencing from September 30, 2019 upto September 29, 2024.

In the opinion of the Board, the independent director proposed to be appointed fulfils the conditions specified in the Act and the rules made thereunder and also SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and that he is independent of the management.

Save and except Mr. Yogesh Becharbhai Girnara (DIN: 00378395) and their relatives to the extent of their shareholding interest, if any, in the Company, none of the other Directors, Key Managerial Personnel of the Company and their relatives are, in any way, concerned or interested, financially or otherwise, in the Resolution set out at Item No. 3 of the Notice.

The Board recommends the Special Resolution set out at Item No. 3 of the Notice for the approval of the Members.

#### **ITEM NO. 4: Special Resolution**

Pursuant to the provision of Section 149, 150 and 152 read with Schedule IV and other applicable provisions, if any, of the Companies Act, 2013 and Rules framed thereunder and the erstwhile Clause 49 of the Listing Agreement with the stock exchange, the shareholders of the Company at its meeting held on September 30, 2014 appointed Mr. Rajendra Shishupal Lokare\_(DIN: 00378403) as an Independent Director of the Company to hold office for five consecutive years for a term upto September 29, 2019 and he is eligible for re- appointment for one more term of upto five years.

As per Section 149 of Companies Act 2013 read with Rules framed thereunder, the re-appointment of Independent Director for second term also requires approval of shareholder by way of Special Resolution.

Keeping in view his able experience, participation and rich contribution as an independent Director, it is proposed to re-appoint Mr. Rajendra Shishupal Lokare\_(DIN: 00378403) as a Non- Executive Independent Director for a second term by way of a special resolution under Section 149 of the Companies Act, 2013, read with relevant rules framed therein and as per regulation 17(1A) of the SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015.

The Nomination and Remuneration Committee at its meeting held on August 6, 2019 on the basis of performance of Independent Directors and taking into account the external business environment, the business knowledge, experience and the substantial contribution made by Mr. Rajendra Shishupal Lokare\_(DIN: 00378403) during his tenure, has recommended to the Board that continued association of Mr. Rajendra Shishupal Lokare\_(DIN: 00378403) as the Independent Director would be beneficial to the Company. Based on the above and performance evaluation of Independent Directors, the Board recommends the re-appointment of Mr. Rajendra Shishupal Lokare\_(DIN: 00378403), as the Independent Director of the Company, not liable to retire by rotation, to hold office for a second term commencing from September 30, 2019 upto September 29, 2024.

In the opinion of the Board, the independent director proposed to be appointed fulfils the conditions specified in the Act and the rules made thereunder and also SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and that he is independent of the management.

Save and except Mr. Rajendra Shishupal Lokare\_(DIN: 00378403) and their relatives to the extent of their shareholding interest, if any, in the Company, none of the other Directors, Key Managerial Personnel of the Company and their relatives are, in any way, concerned or interested, financially or otherwise, in the Resolution set out at Item No. 4 of the Notice.

The Board recommends the Special Resolution set out at Item No. 4 of the Notice for the approval of the Members.

### **ITEM NO. 5: Special Resolution**

Pursuant to the provision of Section 149, 150 and 152 read with Schedule IV and other applicable provisions, if any, of the Companies Act, 2013 and Rules framed thereunder and the erstwhile Clause 49 of the Listing Agreement with the stock exchange, the shareholders of the Company at its meeting held on September 30, 2014 appointed Mr. Premnath Tidiprasad Mishra (DIN: 00378410) as an Independent Director of the Company to hold office for five consecutive years for a term upto September 29, 2019 and he is eligible for re- appointment for one more term of upto five years.

As per Section 149 of Companies Act 2013 read with Rules framed thereunder, the re-appointment of Independent Director for second term also requires approval of shareholder by way of Special Resolution.

Keeping in view his able experience, participation and rich contribution as an independent Director, it is proposed to re-appoint Mr. Premnath Tidiprasad Mishra (DIN: 00378410) as a Non- Executive Independent Director for a second term by way of a special resolution under Section 149 of the Companies Act, 2013, read with relevant rules framed therein and as per regulation 17(1A) of the SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015.

The Nomination and Remuneration Committee at its meeting held on August 6, 2019 on the basis of performance of Independent Directors and taking into account the external business environment, the business knowledge, experience and the substantial contribution made by Mr. Premnath Tidiprasad Mishra (DIN: 00378410) during his tenure, has recommended to the Board that continued association of Mr. Premnath Tidiprasad Mishra (DIN: 00378410) as the Independent Director would be beneficial to

the Company. Based on the above and performance evaluation of Independent Directors, the Board recommends the re-appointment of Mr. Premnath Tidiprasad Mishra (DIN: 00378410), as the Independent Director of the Company, not liable to retire by rotation, to hold office for a second term commencing from September 30, 2019 upto September 29, 2024.

In the opinion of the Board, the independent director proposed to be appointed fulfils the conditions specified in the Act and the rules made thereunder and also SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and that he is independent of the management.

Save and except Mr. Premnath Tidiprasad Mishra (DIN: 00378410) and their relatives to the extent of their shareholding interest, if any, in the Company, none of the other Directors, Key Managerial Personnel of the Company and their relatives are, in any way, concerned or interested, financially or otherwise, in the Resolution set out at Item No. 5 of the Notice.

The Board recommends the Special Resolution set out at Item No. 5 of the Notice for the approval of the Members.

Members holding shares in electronic mode are, therefore, requested to submit their PAN to their DPs with whom they are maintaining their demat accounts. Members holding shares in physical mode can submit their PAN to the Company/RTA.
21. Since the Company is providing the facility of remote e-voting to the members, there shall be no voting by show of hands at the Annual General Meeting. The members who will be physically present at the Annual General Meeting shall be provided with polling papers to cast their votes at the meeting.
22. The members can opt for only one mode of voting i.e. remote e-voting or physical polling at the meeting. In case of voting by both the modes, vote casted through remote e-voting will be considered final and voting through physical ballot will not be considered and treated as INVALID.
23. As a part of "Green Initiative" in Corporate Governance, the Ministry of Corporate Affairs has allowed sending communication to the shareholders through electronic mode. Accordingly, we propose to send documents like notices convening General Meetings, Annual Report etc. to the email addresses of the shareholders. For this purpose, shareholders holding shares in physical form are requested to register their email addresses and any changes therein from time to time with the Share Transfer Agent of the Company Adroit Corporate Services Pvt. Ltd, at their Postal / E-mail address given above. Please give the details in the attached format for registering your E-mail ID. Those holding shares in demat form are requested to register their E-mail IDs with their Depository Participants.
24. The Register of Members and Share Transfer Books of the Company shall be closed from **25<sup>th</sup> day of September, 2019 to 30<sup>th</sup> day of September, 2019** (Both Days Inclusive).
- 25. Information and instructions relating to e-voting are as under:**
- The members are requested to follow the detailed procedure/instructions carefully as given herein below:

## **EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013**

### **ITEM NO. 3: Special Resolution**

Pursuant to the provision of Section 149, 150 and 152 read with Schedule IV and other applicable provisions, if any, of the Companies Act, 2013 and Rules framed thereunder and the erstwhile Clause 49 of the Listing Agreement with the stock exchange, the shareholders of the Company at its meeting held on September 30, 2014 appointed Mr. Yogesh Becharbhai Girnara (DIN: 00378395) as an Independent Director of the Company to hold office for five consecutive years for a term upto September 29, 2019 and he is eligible for re- appointment for one more term of upto five years.

As per Section 149 of Companies Act 2013 read with Rules framed thereunder, the re- appointment of Independent Director for second term also requires approval of shareholder by way of Special Resolution.

Keeping in view his able experience, participation and rich contribution as an independent Director, it is proposed to re-appoint Mr. Yogesh Becharbhai Girnara (DIN: 00378395) as a Non- Executive Independent Director for a second term by way of a special resolution under Section 149 of the Companies Act, 2013, read with relevant rules framed therein and as per regulation 17(1A) of the SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015.

The Nomination and Remuneration Committee at its meeting held on August 6, 2019 on the basis of performance of Independent Directors and taking into account the external business environment, the business knowledge, experience and the substantial contribution made by Mr. Yogesh Becharbhai Girnara (DIN: 00378395) during his tenure, has recommended to the Board that continued association of Mr. Yogesh Becharbhai Girnara (DIN: 00378395) as the Independent Director would be beneficial to the Company. Based on the above and performance evaluation of Independent Directors, the Board recommends the re-appointment of Mr. Yogesh Becharbhai Girnara (DIN: 00378395), as the Independent Director of the Company, not liable to retire by rotation, to hold office for a second term commencing from September 30, 2019 upto September 29, 2024.

In the opinion of the Board, the independent director proposed to be appointed fulfils the conditions specified in the Act and the rules made thereunder and also SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and that he is independent of the management.

Save and except Mr. Yogesh Becharbhai Girnara (DIN: 00378395) and their relatives to the extent of their shareholding interest, if any, in the Company, none of the other Directors, Key Managerial Personnel of the Company and their relatives are, in any way, concerned or interested, financially or otherwise, in the Resolution set out at Item No. 3 of the Notice.

The Board recommends the Special Resolution set out at Item No. 3 of the Notice for the approval of the Members.

### **ITEM NO. 4: Special Resolution**

Pursuant to the provision of Section 149, 150 and 152 read with Schedule IV and other applicable provisions, if any, of the Companies Act, 2013 and Rules framed thereunder and the erstwhile Clause 49 of the Listing Agreement with the stock exchange, the shareholders of the Company at its meeting held on September 30, 2014 appointed Mr. Rajendra Shishupal Lokare (DIN: 00378403) as an Independent Director of the Company to hold office for five consecutive years for a term upto September 29, 2019 and he is eligible for re- appointment for one more term of upto five years.

## **NETLINK SOLUTIONS (INDIA) LIMITED**

---

As per Section 149 of Companies Act 2013 read with Rules framed thereunder, the re- appointment of Independent Director for second term also requires approval of shareholder by way of Special Resolution.

Keeping in view his able experience, participation and rich contribution as an independent Director, it is proposed to re-appoint Mr. Rajendra Shishupal Lokare(DIN: 00378403) as a Non- Executive Independent Director for a second term by way of a special resolution under Section 149 of the Companies Act, 2013, read with relevant rules framed therein and as per regulation 17(1A) of the SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015.

The Nomination and Remuneration Committee at its meeting held on August 6, 2019 on the basis of performance of Independent Directors and taking into account the external business environment, the business knowledge, experience and the substantial contribution made by Mr. Rajendra Shishupal Lokare(DIN: 00378403) during his tenure, has recommended to the Board that continued association of Mr. Rajendra Shishupal Lokare(DIN: 00378403) as the Independent Director would be beneficial to the Company. ## MANAGEMENT'S DISCUSSION AND ANALYSIS REPORT

### 1. Industrial Structure and Developments

In 2018-2019, the Indian Economy emerged as one of the large economies with an encouraging outlook. The factors contributing to this positive outlook were controlled inflation, rise in domestic demand, increase in investments, decline in oil prices and the boost to reforms among others. According to IMF, India is set to become the world's fastest growing major economy ahead of China.

### 2. Outlook on Opportunities, Threats, Risk and Concerns

#### **Opportunities**

Currently, the Company has two divisions, Software Division and Print Media Division. The software division has, off late, not performing to our expectations. However, the Print Media Division is doing well for the Company. We experienced that the Print Media is gradually edging past electronic media. The Company cut costs and were looking for right opportunity.

Netlink Solutions (India) Limited has, during the year, sold Exhibition business containing "Stationery & Write Show, Corporate Gift Show and Houseware and Kitchenware Show" to Messe Frankfurt Trade Fairs India Private Limited.

#### **Threats, Risk and Concerns:**

Being a software and print media company, Netlink is exposed to specific risks that are particular to its business and the environment within which it operates, including software obsolescence volatility, economic cycle, credit risk and market risk. The most important among them are credit risk, market risk and operational risk. The measurement, monitoring management of risk remains key focus areas for the Company.

### 3. Internal Control Systems and their Adequacy

The Company has a proper and adequate system of internal control in all spheres of its activities to ensure that all its assets are safeguarded and protected against loss from unauthorized use or disposition and that the transactions are authorized, recorded and reported diligently. The Company ensures adherence to all internal control policies and procedures as well as compliance with all regulatory guidelines.

### 4. Financial Performance

The Company's total turnover for the financial year ended March 31, 2019 is Rs.171.31 (Previous Year Rs. 512.93 lacs). Net Loss before tax was Rs.35.61 as compared to Previous Year's Net Profit before tax Rs. 38.41 lacs. The Company is optimistic about its future business ventures.

### 5. Development of Human Resources

The Company has been proactive to build the requisite skill-sets in the organization for its new project initiatives. The relevant industry experience of the team coupled with commitment towards adherence to the operating processes adopted by the company is a unique feature demonstrated by the company. Employees are encouraged to upgrade their skills and knowledge through various training programs.

#### **Note:**

This report contains forward-looking statements based on beliefs of the company's management. The words anticipate, believe, estimate, forecast, expect, intend, plan, should and project are used to identify forward-looking statements. Such statements reflect the company's current views with respect to the future events and are subject to risks and uncertainties. Many factors could cause the actual result to be materially different, including amongst others, changes in the general economic and business conditions, changes in the currency exchange rates and interest rates, introduction of competing products, lack of acceptance of new products or services, and changes in business strategy. Actual results may vary materially from those projected here. The company does not intend to assume any obligation to update these forward-looking statements

“**Employee**” means employee of the Company whether employed in India or outside India including employees in the Senior Management Team of the Company.

“**HR**” means the Human Resource department of the Company.

“**Key Managerial Personnel**” (KMP) refers to key managerial personnel as defined under the Companies Act, 2013 and includes:

- (i) Managing Director (MD), or Chief Executive Officer (CEO); or Manager; or Whole time Director (WTD)
- (ii) Chief Financial Officer (CFO); and
- (iii) Company Secretary (CS)

“**Nomination and Remuneration Committee**” (NRC) means Nomination and Remuneration Committee of Board of Directors of the Company for the time being in force.

“**Senior Management**” means personnel of the Company who are members of its Core Management Team excluding Board of Directors comprising of all members of management one level below the executive directors including the functional heads.

#### I. APPOINTMENT OF DIRECTORS

The NRC reviews and assesses Board composition and recommends the appointment of new Directors. In evaluating the suitability of individual Board member, the NRC shall take into account the following criteria regarding qualifications, positive attributes and independence of director:

1. All Board appointments will be based on merit, in the context of the skills, experience, independence and knowledge, for the Board as a whole to be effective.
2. Ability of the candidates to devote sufficient time and attention to his professional obligations as Independent Director for informed and balanced decision making

## **NETLINK SOLUTIONS (INDIA) LIMITED**

---

3. Adherence to the Code of Conduct and highest level of Corporate Governance in letter and in spirit by the Independent Directors

Based on recommendation of the NRC, the Board will evaluate the candidate(s) and decide on the selection of the appropriate member. The Board through the Whole Time Director(s) will interact with the new member to obtain his/her consent for joining the Board. Upon receipt of the consent, the new Director will be co-opted by the Board in accordance with the applicable provisions of the Companies Act, 2013 and Rules made there under.

### **REMOVAL OF DIRECTORS**

If a Director is attracted with any disqualification as mentioned in any of the applicable Act, rules and regulations there under or due to non - adherence to the applicable policies of the company, the NRC may recommend to the Board with reasons recorded in writing, removal of a Director subject to the compliance of the applicable statutory provisions.

### **SENIOR MANAGEMENT PERSONNEL**

The NRC shall identify persons who are qualified to become directors and who may be appointed in senior management team in accordance with the criteria laid down above.

Senior Management personnel are appointed or promoted and removed/relieved with the authority of Chairman & Managing Director based on the business need and the suitability of the candidate. The details of the appointment made and the personnel removed one level below the Key Managerial Personnel during a quarter shall be presented to the Board.

## **II. SUCCESSION PLANNING:**

### **Purpose**

The Talent Management Policy sets out the approach to the development and management of talent in the Netlink Solutions (India) Limited to ensure the implementation of the strategic business plans of the Company and the Management's Aspiration of being among the Top Companies in the business.

### **Board:**

The successors for the Independent Directors shall be identified by the NRC atleast one quarter before expiry of the scheduled term. In case of separation of Independent Directors due to resignation or otherwise, successor will be appointed at the earliest but not later than the immediate next Board meeting or three months from the date of such vacancy, whichever is later.

The successors for the Executive Director(s) shall be identified by the NRC from among the Senior Management or through external source as the Board may deem fit.

The NRC will accord due consideration for the expertise and other criteria required for the successor.

The Board may also decide not to fill the vacancy caused at its discretion.

### **Senior Management Personnel:**

A good succession-planning program aims to identify high growth individuals, train them and feed the pipelines with new talent. It will ensure replacements for key job incumbents in KMPs and senior management positions in the organization.

## **NETLINK SOLUTIONS (INDIA) LIMITED**

---

### **Policy Statement**

The Talent Management framework of the Company has been created to address three basic issues:

- 1) Given the strategic business plans, do we have the skills and competencies required to implement them? If not, how do we create them – by developing them internally or through lateral induction from outside?
- 2) For critical positions, what is the succession pipeline?
- 3) What are the individual development plans for individuals both in the succession pipeline as well as others?

The framework lays down architecture and processes to address these questions using the **3E** approach:

- a) **Experience** i.e. both long and short-term assignments. This has 70% weightage
- b) **Exposure** i.e. coaching and mentoring – 20% weightage
- c) **Education** i.e. learning and development initiatives – 10% weightage

**ANNEXURE II-B**

## **ANNEXURE II B TO DIRECTORS REPORT**

### **POLICY FOR REMUNERATION OF THE DIRECTORS, KEY MANAGERIAL PERSONNEL AND OTHER EMPLOYEES**

#### **Purpose**

This Policy sets out the approach to Compensation of Directors, Key Managerial Personnel and other employees in Netlink Solutions (India) Limited.

#### **Policy Statement**

We have a well-defined Compensation policy for Managing Director, Whole Time Director, Manager, Key Managerial Personnel and all employees, of the Company. The overall compensation philosophy which guides us is that in order to achieve global leadership and dominance in domestic markets, we need to attract and retain high performers by compensating them at levels that are broadly comparable with the median of the comparator basket while differentiating people on the basis of performance, potential and criticality for achieving competitive advantage in the business.

In order to effectively implement this, we have built our Compensation structure by a regular annual benchmarking over the years with relevant players across the industry we operate in.

#### **NON-EXECUTIVE INCLUDING INDEPENDENT DIRECTORS:**

The Nomination and Remuneration Committee (NRC) shall decide the basis for determining the compensation, both Fixed and variable, to the Non-Executive Directors, including Independent Directors, whether as commission or otherwise. The NRC shall take into consideration various factors such as director's participation in Board and Committee meetings during the year, other responsibilities undertaken, such as membership or Chairmanship of committees, time spent in carrying out their duties, role and functions as envisaged in Schedule IV of the Companies Act, 2013 and such other factors as the NRC may consider deem fit for determining the compensation. The Board shall determine the compensation to Non-Executive Directors within the overall limits specified in the Shareholders resolution.

#### **Executive Directors:**

The remuneration to Whole Time Directors and Executive Director(s) shall be recommended by NRC to the Board. The remuneration consists of both fixed compensation and variable compensation and shall be paid as salary, commission, performance bonus, stock options (where applicable), perquisites and fringe benefits as approved by the Board and within the overall limits specified in the Shareholders resolution. While the fixed compensation is determined at the time of their appointment, the variable compensation will be determined annually by the NRC based on their performance.

#### **Key Managerial Personnel (KMPs)**

The terms of remuneration of Chief Financial Officer (CFO) and Company Secretary (CS) & other Key Management personnel, if any, shall be determined by the Nomination and Remuneration Committee from time to time. The remuneration shall be consistent with the competitive position of the salary for similar positions in the industry and their Qualifications, Experience, Roles and Responsibilities. Pursuant to the provisions of section 203 of the Companies Act, 2013 the Board shall approve the remuneration at the time of their appointment.

## **NETLINK SOLUTIONS (INDIA) LIMITED**

---

The remuneration to directors, KMPs and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.

### **Employees**

We follow a differential approach in choosing the comparator basket for benchmarking, depending upon the level in the organization:

- a. For all employees from Operational to Executive Band, we benchmark with a set of comparators from the same industry.
- b. For Strategic band and above, we have a position-based approach and the comparator basket includes benchmarks from across relevant industries.

We have a CTC (Cost to Company) concept which includes a fixed component (Guaranteed Pay) and a variable component (Performance pay). The percentage of the variable component increases with increasing hierarchy levels, as we believe employees at higher positions have a far greater impact and influence on the overall business result. The CTC is reviewed once every year and the compensation strategy for positioning of individuals takes into consideration the following elements:

- Performance
- Potential
- Criticality
- Longevity in grade

Remuneration for the new employees other than KMPs and Senior Management Personnel will be decided by the HR, in consultation with the concerned business unit head at the time of hiring, depending upon the relevant job experience, last compensation and the skill-set of the selected candidate.

The Company may also grant Stock Options to the Employees and Directors (other than Independent Directors and Promoter) in accordance with the ESOP Scheme, if any, of the Company and subject to the compliance of the applicable statutes and regulations.

# Increase in Voting rights of Promoters, i.e., Mr. Minesh Modi from 27.46% to 32.22% and Mrs. Rupa Modi from 21.50% to 25.22% is solely due to Buy Back of shares. There has been no change in the number of shares held by Mr. Minesh Modi and Mrs. Rupa Modi under the buy back. The Company has completed Buy-Back of 4,37,775 equity shares of Rs. 10 each and the same were extinguished vide confirmation Letter dated July 16, 2018 issued by NSDL.. Post buy back, the Paid-up share capital of the Company has been reduced from 2967000 equity shares of Rs. 10 each to 2529225 equity shares of Rs. 10 each.

Therefore, the change in voting rights without any change in their holding is as a result of the buy back.

\* Consequent to buy back, the shareholding of Mrs. Rupa Modi crossed 25%, from 21.50% to 25.22% without any acquisition of shares. Accordingly, in compliance with the SEBI (Substantial Acquisition of Shares and Takeover) Regulations, 2011, Mrs. Rupa Modi sold 8500 shares in open market on October 4, 2019 to bring down the holding below 25%.

## **INDEPENDENT AUDITOR'S REPORT ON THE IND AS FINANCIAL STATEMENTS**

**TO THE MEMBERS OF NETLINK SOLUTIONS (INDIA) Limited**

### **Report on the Audit of the Ind AS Financial Statements**

We have audited the accompanying Ind AS Financial Statements of Netlink Solutions (India) Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2019, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of changes in Equity for the year then ended and notes to financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS Financial Statements give the information required by the Companies Act, 2013 (the 'Act'), in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March 2019, and its total comprehensive income (comprising of profit and other comprehensive income), its cash flow and the changes in equity for the year ended on that date.

### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with ethical requirements that are relevant to our audit of financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and Code of Ethics. We believe that the audit evidence that we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to be communicated in our report.

### **Information other than the Financial Statements and Auditor's Report thereon**

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## **NETLINK SOLUTIONS (INDIA) LIMITED**

---

### **Management's Responsibility for the Ind AS Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Ind AS Financial Statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), cash flow and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified in the Companies (Indian Accounting Standards) Rules, 2015 (as amended) under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS Financial Statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for explaining our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

## **ANNEXURE B TO INDEPENDENT AUDITOR'S REPORT**

(Referred to in paragraph 2 (g) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

### **Report on the Internal Financial Controls over financial reporting under clause (i) of sub section 3 of section 143 of the Companies Act, 2013 ('the Act')**

We have audited the internal financial controls over financial reporting of **Netlink Solutions (India) Limited** ('the company') as of 31<sup>st</sup> March 2019 in conjunction with our audit of the Ind AS financial statements of the company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These Responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') and the standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those

Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of risks of material misstatement of the Ind AS financial statements, whether due to fraud and error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the company's internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls over Financial Reporting**

## **NETLINK SOLUTIONS (INDIA) LIMITED**

---

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of the financial statements for external purposes in accordance with generally accepted accounting principles.

A company's internal financial controls over financial reporting those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of the management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatement due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of change in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, to the best of our information and according to the explanation given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as of March 31, 2019 based on internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## Notes to the standalone financial statements for the year ended 31 March 2019

### 1. Corporate information

Netlink Solutions (India) Limited ('the Company') was incorporated under the provisions of the Companies Act applicable in India.

These financial statements were authorized for issue in accordance with a resolution of the directors on May 30, 2019.

### 2. Basis of preparation and Significant accounting policies:

#### 2.1. Basis of preparation:

In accordance with the notification issued by the Ministry of Corporate Affairs, the Company has adopted Indian Accounting Standards ("Ind AS") notified under The Companies (Indian Accounting Standards) Rules, 2015 and The Companies (Indian Accounting Standards) amendment Rules 2016, as amended with effect from April 1, 2017. The financial statements of the Company have been prepared and presented in accordance with Ind AS. Previous year numbers in the financial statements have been stated to Ind AS.

These financial statements have been prepared on a historical cost basis, except for certain financial instruments which are measured at fair value at the end of each reporting period, as explained further in the accounting policies below.

- Certain financial assets like investment in equity shares are measured at fair value,
- Assets held for sale which form part of disposal group are measured at cost or fair value less cost to sale whichever is lower.

The standalone financial statements are presented in INR ("₹") and all the values are rounded off to the nearest lakhs (INR100,000) except when otherwise indicated.

#### 2.2. Summary of significant accounting policies

##### a) Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is treated as current when it is:

- Expected to be realized in normal operating cycle or within twelve months after the reporting period
- Held primarily for the purpose of trading, or
- Cash or cash equivalents unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle or due to be settled within twelve months after the reporting period or

## **NETLINK SOLUTIONS (INDIA) LIMITED**

---

- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified period of twelve months as its operating cycle.

### **b) Significant accounting, judgments, estimates and assumptions**

The preparation of the Company's Financial Statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the reported amounts of assets and liabilities, the accompanying disclosures, and the disclosure of contingent assets and contingent liabilities on the date of the standalone financial statements and the reported amounts of revenues and expenses for the year reported. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the year in which the estimates are revised and future periods are affected.

Key source of estimation of uncertainty as at the date of financial statements, which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year, is in respect of the following:

#### **Investment in equity shares:**

The Company is exposed to equity price risk from investments in equity securities measured at fair value through profit and loss. The Management monitors the proportion of equity securities in its investment portfolio based on market indices. Material investments within the portfolio are managed on an individual basis and all buy and sell decisions are approved by the Board of Directors..

#### **Taxes**

Deferred tax assets are recognized for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilized. Significant management judgment is required to determine the amount of deferred tax assets that can be recognized, based upon the likely timing and the level of future taxable profits together with future tax planning strategies. Uncertainties exist with respect to the interpretation of complex tax regulations and the amount and timing of future taxable income. Given the wide range of business relationships and the long-term nature and complexity of existing contractual agreements, differences arising between the actual results and the assumptions made, or future changes to such assumptions, could necessitate future adjustments to tax income and expense already recorded. The Company establishes provisions, based on reasonable estimates, for possible consequences of assessments by the tax authorities. The amount of such provisions is based on various factors, such as experience of previous tax assessments and differing interpretations of tax regulations by the taxable entity and the responsible tax authority. Such differences of interpretation may arise on a wide variety of issues depending on the conditions prevailing in the Company's domicile. Minimum Alternative Tax ("MAT") credit is recognized as deferred tax asset based on evidence that the Company will pay normal income tax during the specified period. Significant judgments are involved in determining the future taxable income and future book profits, including amount of MAT credit available for set-off.

## NETLINK SOLUTIONS (INDIA) LIMITED

### **Impairment of non-financial assets**

Impairment exists when the carrying value of an asset or cash generating unit ("CGU") exceeds its recoverable amount which is the higher of its fair value less costs of disposal and its value in use. The fair value less costs of disposal calculations based on available data from binding sales transactions, conducted at arm's length, for similar assets or observable market prices less incremental costs for disposing of the asset. The value in use calculation is based on a discounted cash flow ("DCF") model. The cash flows are derived from the budget for future years and do not include restructuring activities that the Company is not yet committed to or significant future investments that will enhance the asset's performance of the CGU being tested. The recoverable amount is sensitive to the discount rate used for the DCF model as well as the expected future cash-inflows and the growth rate used for extrapolation purposes.

### **Impairment of financial assets**

The Company assesses impairment of financial assets ('Financial instruments') and recognises expected credit losses in accordance with Ind AS 109. The Company provides for impairment of trade receivables and unbilled revenue outstanding for more than 1 year from the date they are due for payment and billing respectively. The Company also assesses for impairment of financial assets on specific identification basis at each period end. Also, refer note 2(---).

The Company provides for impairment of investment in subsidiaries. Impairment exists when there is a diminution in value of the investment and the recoverable value of such investment is lower than the carrying value of such investment.

### **c) Fair value measurement**

The company measures financial instrument such as investments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability - or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

## **NETLINK SOLUTIONS (INDIA) LIMITED**

---

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

Currently company carries those instruments in level 1 inputs of the above mentioned fair value hierarchy.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

**d) Financial instruments:**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

**i. Financial assets**

**Initial recognition and measurement**

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit and loss, transaction costs that are attributable to the acquisition of the financial asset.

**Subsequent measurement**

For purposes of subsequent measurement, financial assets are classified in three broad categories:

- Debt instruments assets at amortized cost
- Equity instruments measured at fair value through profit or loss (FVTPL)

When assets are measured at fair value, gains and losses are either recognized entirely in the statement of profit and loss (i.e. fair value through profit and loss), or recognized in other comprehensive income (i.e. fair value through other comprehensive income).

**Debt instruments at amortized cost**

A debt instrument is measured at amortized cost (net of any write down for impairment) if both the following conditions are met:

- the asset is held to collect the contractual cash flows (rather than to sell the instrument prior to its contractual maturity to realize its fair value changes), and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest ("SPPI") on the principal amount outstanding.

Such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the profit and loss. The losses arising from impairment are recognized statement of profit and loss. This category generally applies to trade and other receivables

## **NETLINK SOLUTIONS (INDIA) LIMITED**

---

### **Financial assets at fair value through OCI (FVTOCI)**

A financial asset that meets the following two conditions is measured at fair value through OCI unless the asset is designated at fair value through profit and loss under fair value option.

- The financial asset is held both to collect contractual cash flows and to sell.
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in OCI. However, the Company recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the Profit and Loss. On de-recognition of the asset, cumulative gain or loss previously recognized in OCI is reclassified from the equity to Profit and Loss. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

### **Financial assets at fair value through profit and loss**

FVTPL is a residual category for company's investment instruments. Any instruments which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

All investments included within the FVTPL category are measured at fair value with all changes recognized in the Profit and Loss

In addition, the company may elect to designate an instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch').

### **Equity investments**

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company has not made any such election. This classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment, However, the Company may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

### **Derecognition**

When the Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement ";" it evaluates if and to what extent it has retained the risks and rewards of ownership.

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognized when:

## **NETLINK SOLUTIONS (INDIA) LIMITED**

---

- The rights to receive cash flows from the asset have expired, or
- Based on above evaluation, either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognize the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognizes an associated liability. The transferred asset and the associated liability are measured on a bases that reflect the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

### **Impairment of financial assets**

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS109 ('Financial instruments') requires expected credit losses to be measured through a loss allowance. The Company recognizes lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

### **ii. Financial liabilities**

#### **Initial recognition and measurement**

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit and loss or at amortized cost, as appropriate.

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings, net of directly attributable transaction costs.

The Company's financial liabilities include trade payables, lease obligations, and other payables.

#### **Subsequent measurement**

The measurement of financial liabilities depends on their classification, as described below:

#### **Financial liabilities at amortized cost**

After initial recognition, interest-bearing loans and borrowings and other payables are subsequently measured at amortized cost using the EIR method. Gains and losses are recognised in profit and loss when the liabilities are derecognized as well as through the EIR amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

#### **De recognition**

A financial liability is de recognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially

## **NETLINK SOLUTIONS (INDIA) LIMITED**

---

different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit and loss.

**iii. Offsetting of financial instruments**

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

**iv. Reclassification of financial assets**

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Company's senior management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. Such changes are evident to external parties. A change in the business model occurs when the Company either begins or ceases to perform an activity that is significant to its operations. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognized gains, losses (including impairment gains or losses) or interest.

**e) Property, plant and equipment**

Property, plant and equipment is stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Such cost includes the cost of replacing part of the plant if the recognition criteria are met.

Capital work in progress is stated at cost. Capital work-in-progress comprises of expenditure incurred for construction of building.

Property, plant and equipment are eliminated from financial statements, either on disposal or when retired from active use. Losses arising in case of retirement of Property, Plant and equipment and gains or losses arising from disposal of property, plant and equipment are recognized in statement of profit and loss in the year of occurrence.

The assets' residual values, useful lives and methods of depreciation are reviewed at each financial year and adjusted prospectively, if appropriate. Depreciation is calculated on a straight-line basis over the estimated useful lives of the assets which are as per the useful life prescribed in schedule II of the Companies Act, 2013.

***Transition to Ind AS***

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its Property, plant and equipment recognized as at 1 April 2016, measured as per the previous GAAP, and use that carrying value as the deemed cost of such Property, plant and equipment.

## NETLINK SOLUTIONS (INDIA) LIMITED

---

**f) Impairment of non-financial assets**

Non-financial assets including Property, plant and equipment and intangible assets with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the CGU to which the asset belongs.

If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognised in the standalone statement of profit and loss.

For assets excluding goodwill, an assessment is made at each reporting date to determine whether there is an indication that previously recognized impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. A previously recognized impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognized. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the standalone statement of profit and loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

**g) Lease**

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfillment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

**Where the Company as a lessee**

A lease is classified at the inception date as a finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the Company is classified as a finance lease. An operating lease is a lease other than a finance lease.

**Operating lease:**

Operating lease payments are recognized as an expense in the statement of profit and loss on a straight line basis.

**h) Revenue recognition**

The Company derives its revenues from website development, information media and treasury.

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment. The following specific recognition criteria must also be met before revenue is recognized:

## **NETLINK SOLUTIONS (INDIA) LIMITED**

---

Revenue from website development and information media services provided on a time-and-material basis is recognized upon performance of services and at the agreed contractual rates. Further, revenue from treasury investment activities like investment in quoted equity shares are measured at fair value through profit or loss at each reporting date.

Provisions for estimated losses on contracts are recorded in the period in which such losses become probable based on the current contract estimates.

The Company collects goods and service tax, service tax, sales tax and other taxes as applicable in the respective tax jurisdictions where the Company operates, on behalf of the government and therefore it is not an economic benefit flowing to the Company. Hence, it is excluded from revenue.

### **ii. Other income**

Dividend income is recognized when the Company's right to receive dividend is established by the reporting date. The right to receive dividend is generally established when shareholders approve the dividend.

Interest income is recognized as it accrues in the standalone statement of profit and loss using effective interest rate method.

### **i) Foreign currency translation**

#### **i. Initial recognition**

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

#### **ii. Conversion**

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

#### **iii. Exchange differences**

Exchange differences arising on the settlement of monetary items or on reporting monetary items of Company at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise except those arising from investments in non-integral operations.

### **j) Taxes**

Tax expense comprises of current and deferred tax.

### **Current income tax**

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities in accordance with the Income-tax Act, 1961. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

## **NETLINK SOLUTIONS (INDIA) LIMITED**

---

Current income tax relating to items recognized outside profit and loss is recognized outside profit and loss (either in other comprehensive income or in equity). Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate. Tax liability under Minimum Alternate Tax ("MAT") is considered as current tax. MAT entitlement is considered as deferred tax.

Minimum Alternative Tax ("MAT") credit is recognized as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

### **Deferred tax**

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognized for all taxable temporary differences, except:

- When the deferred tax liability arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.
- In respect of taxable temporary differences associated with investments in subsidiaries when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future

Deferred tax assets are recognized for all deductible temporary differences and the carry forward of any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax losses can be utilised, except:

- When the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss
- In respect of deductible temporary differences associated with investments in subsidiaries deferred tax assets are recognized only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

---

Deferred tax relating to items recognized outside profit and loss is recognized outside profit and loss (either in OCI or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

### **k) Provisions, Contingent liabilities, Contingent assets and Commitments:**

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to a provision is presented in the statement of profit and loss.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

A contingent liability is a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company; or a present obligation that arises from past events but is not recognized because it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or the amount of the obligation cannot be measured with sufficient reliability.

A contingent asset is disclosed, where an inflow of economic benefits is probable.

### **l) Earnings per share**

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

### **m) Segment reporting**

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

The Company identifies primary segments based on the dominant source, nature of risks and returns and the internal organization and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit/loss amounts are evaluated regularly by the Executive Management in deciding how to allocate resources and in assessing performance. The analysis of geographical segments is based on the areas in which major operating divisions of the Company operate.

## **NETLINK SOLUTIONS (INDIA) LIMITED**

---

The accounting policies adopted for segment reporting are in line with the accounting policies of the Company. Segment revenue, segment expenses, segment assets and segment liabilities have been identified to the segments on the basis of their relationship to the operating activities of the segment.

Common allocable costs are allocated to each segment according to the relative contribution of each segment to the total common costs.

Revenue, expenses, assets and liabilities which relate to the Company as a whole and are not allocable to segments on a reasonable basis have been included under 'unallocated revenue/expenses/assets/liabilities'.

### **n) Retirement and other employee benefits**

Employee benefits include provident fund and compensated absences.

#### **Defined contribution plans**

Contributions payable to recognized provident funds, which are defined contribution schemes, are charged to the standalone statement of profit and loss.

#### **Short-term employee benefits**

Short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognized during the year when the employees render the service. Compensated absences, which are expected to be utilized within the next 12 months, are treated as short-term employee benefits. The Company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date.

### **o) Cash and cash equivalents**

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value are unrestricted for withdrawal and usage

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

### **p) Recent accounting pronouncements**

#### **Ind AS 116 - Leases:**

On March 30, 2019, Ministry of Corporate Affairs has notified Ind AS 116 "Leases". Ind AS 116 will replace the existing leases standards, Ind AS 17 Leases and related interpretations. The Standard sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract i.e., the Lessee and Lessor. Ind AS 116 introduces a single lessee accounting model and requires a lessee to recognize assets and liabilities for all leases with a term of more than 12 months, unless the underlying asset is of low value. Currently, operating lease expenses are charged to the Statement of profit and loss. The Standard also contains enhanced disclosure requirements for lessees. Ind AS 116 substantially carries forward the lessor accounting requirement in Ind AS 17.

The effective date for adoption of Ind AS 116 is annual period beginning on or after April 1, 2019 as per management the effect on adoption of Ind AS 115 was insignificant.

### 33 Financial instruments

The carrying value and fair value of financial instruments by categories are as below:

Financial assets	March 31, 2019	Carrying value March 31, 2018
<b>Fair value through profit and loss</b>		
Investment in equity shares (*)	696.08	719.60
<b>Amortised cost</b>

Trade and other payables (^)	-	1.01
Other financial liabilities (^)	16.49	4.60
<b>Total liabilities</b>	<b>16.49</b>	<b>5.61</b>

#### Fair value hierarchy

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

(\*) The fair value of these investment in equity shares are calculated based on quoted market rate and classified as level 1 fair value hierarchy.

(^) The carrying value of these accounts are considered to be the same as their fair value, due to their short term nature. Accordingly, these are classified as level 3 of fair value hierarchy.

### 34 Financial risk management

The Company has exposure to following risks arising from financial instruments-

- credit risk
- market risk
- liquidity risk

#### (a) Risk management framework

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities.

## NETLINK SOLUTIONS (INDIA) LIMITED

---

### (b) Credit risk

Credit risk is the risk that counter party will not meet its obligations under a financial instruments or customer contract leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) from its financing activities including deposits with banks and investment in quoted equity instruments.

#### i) Trade and other receivables:

Credit risk is managed by each business unit subject to the Company's established policy, procedures and control relating to customer credit risk management. Outstanding customer receivables are regularly monitored.

The impairment analysis is performed at each reporting date on an individual basis for major customers. In addition, a large number of minor receivables are grouped into homogeneous groups and assessed for impairment collectively. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets. The Company does not hold collateral as security.

#### Expected credit loss (ECL) assessment for corporate customers as at March 2019 and 31 March 2018

The Company allocates each exposure to a credit risk grade based on a variety of data that is determined to be predictive of the risk of loss (including but not limited to past payment history, security by way of deposits, external ratings, audited financial statements, management accounts and cash flow projections and available press information about customers) and applying experienced credit judgement.

The following table provides information about the exposure to credit risk and expected credit loss for trade receivables and unbilled revenue

	As at 31 March 2019		As at 31 March 2018	
	Gross Carrying		Gross Carrying	
	Amount	Provision Amount	Amount	Provision Amount
Trade receivables	47.45	-	36.27	-
	47.45	-	36.27	-

#### ii) Other financial assets and deposits with banks:

Credit risk on cash and cash equivalent is limited as (including bank balances, fixed deposits and margin money with banks) the Company generally transacts with banks with high credit ratings assigned by international and domestic credit rating agencies.

### (c) Market Risk

#### Equity price risk

The Company is exposed to equity price risk from investments in equity securities measured at fair value through profit and loss. The Management monitors the proportion of equity securities in its investment portfolio based on market indices. Material investments within the portfolio are managed on an individual basis and all buy and sell decisions are approved by the Board of Directors.

## NETLINK SOLUTIONS (INDIA) LIMITED

### Sensitivity analysis - Equity price risk

Company's equity investments are listed on Bombay Stock Exchange (BSE) or National Stock Exchange (NSE) in India. For these investments classified as fair value through profit and loss, the impact of a 2% increase in the BSE and NSE index at the reporting date profit or loss would have been an increase of INR 0.15 lacs after tax (2016-17: INR 14.24 lacs after tax). An equal change in opposite direction would have decreased profit or loss by same amount.

### Interest rate risk

Interest rate risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to its short term borrowings in nature of working capital loans, which carry floating interest rates. Accordingly, the Company's risk of changes in interest rates relates primarily to the Company's debt obligations with floating interest rates.

The following table demonstrates the sensitivity to a reasonably possible change in interest rates, with all other variables held constant. The impact on entity's loss before tax due to change in the interest rate/ fair value of financial liabilities are as disclosed below:

	Year Ended March 31, 2019		Year Ended March 31, 2018	
	Change in interest rate	effect of after tax	Change in interest rate	effect of after tax
Vehicle loan	0%	-	+1%	0.01
	0%	-	-1%	(0.01)

### (d) Liquidity Risk

Liquidity is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing the liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The Company's principal sources of liquidity are cash and cash equivalents and the cash flow that is generated from operations. The Company believes that the cash and cash equivalents is sufficient to meet its current requirements. Accordingly no liquidity risk is perceived.

### Exposure to liquidity risk

The table below details the Company's remaining contractual maturity for its non-derivative financial liabilities. The contractual cash flows reflect the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay.

Particulars	Carrying value	Contractual cash flows			
		Total	On demand	< 1 Yr	>1 Yr
