MANAGEMENT DISCUSSION AND ANALYSIS REPORT

INDUSTRIAL STRUCTURE & DEVELOPMENT:

Your Company continues to operate its Ship Repair Division. The factory producing Fishing Nets has been shut down and all workmen have been paid a severance package. The machinery of the factory has been sold as well and possession of Land and Building will be handed over to the new owner shortly.

OPPORTUNITIES:

Date: 28.05.2015

Place: Mumbai

The Company's repair division continues to do well and we expect the same to sustain Company operations in the future.

THREATS:

With global depression in the Shipping and Offshore Sectors, owners are less inclined to spend extensively on repairs of their Vessels. Therefore, unless current situation in the Shipping Industry improves, the Company's repair activities could face challenging times ahead.

OUTLOOK:

As indicated above the Company's repair division could face challenging times ahead. However, the fact that the Company's overheads are very low and that it is almost debt free, should help in their difficult times.

INTERNAL CONTROL SYSTEMS & THEIR ADEQUACY:

Your Company has an Internal Control System commensurate with the business of the Company to mitigate all types of unforeseen risks effectively.

MATERIAL DEVELOPMENTS IN HUMAN RESOURCES / INDUSTRIAL RELATIONS FRONT:

Cordial relations were maintained at all the levels.

FORWARD-LOOKING STATEMENTS:

Statements in this Management Discussion and Analysis report describing the Company's objectives, projections, estimates, expectations or predictions may be "forward looking statements" within the meaning of applicable laws and regulations. Forward looking statements are based on certain assumptions and expectations of future events. The Company's actual results could differ materially from those expressed or implied. The Company assumes no responsibility to publicly amend, modify or revise any forward looking statements, on the basis of any subsequent developments, information or events. Further, important factors that could make a difference to the Company's performance are tax regimes; and acts of God.
