OVERVIEW OF ECONOMY

A survey by global consultancy firm Ernst & Young (E&Y) sees India as the world's most attractive investment destination. With the opening up of foreign direct investment (FDI) in several sectors, India is today an eye-catching destination for overseas investors. The relaxation of norms by the government has created a vast opportunity for foreign players, who are competing for a greater role in the Indian market. Sectors projected to do well in the coming years include automotive, technology, life sciences and consumer products.

The World Bank has projected an economic growth rate of 5.7 per cent in FY 15 for India, due to a more competitive exchange rate and several significant investments going forward.

India is the third biggest economy in the world in terms of purchasing power parity (PPP), according to a World Bank report. The country was ranked 10th in the previous survey conducted in 2005.

The stakes held by foreign institutional investors (FII) in Indian companies touched a record high in the fourth quarter of FY 14. The estimated value of FII holdings in India stands at US\$ 279 billion.

OVERALL PERFORMANCE & OUTLOOK

The Business environment remains extremely challenging and the continued recessionary economic conditions leading to slowdown in demand and inflation pushed scale up of input costs left its adverse imprint on overall performance for 2013-2014. Management Discussion & Analysis

MACRO ECONOMIC ENVIRONMENT

In the recent past, the Indian economy has had to overcome varied challenges in its resolve to sustain its economic success. The major challenges included: unsupportive external environment, domestic structural constraints, growth slowdown and inflationary pressures. The slowdown manifested in the decline in the growth of Gross Domestic Product (at factor cost at constant 2004-05 prices) from 8.9 per cent in 2010-11 to 6.7 per cent in 2011-12 and 4.5 per cent in 2012-13. With the economy projected to have registered a growth rate of 4.9 per cent in 2013-14, the declining trend in growth seems to have reversed. The growth slowdown in India is broadly in sync with trends in similar emerging economies. The sharp downturn in growth owes to the interface of domestic factors with the global economic environment of uncertainties and slow growth in many advanced economies. The growth of real GDP has generally shown a declining trend since the first quarter (Q1) of 2011-12, and is characterized by a moderation in services growth and a protracted slowdown in industry. The revival in agriculture on the back of a steady monsoon and robust growth in financial and business services led to a modest uptick in growth in 2013-14.

The policy response of the Government to the present growth slowdown has been in the form of structural reforms aimed at reducing entry-barriers and boosting competition and productivity in various sectors; fiscal consolidation and reforms in administered prices; further strengthening of financial/banking sectors; introduction of instruments to encourage financial savings of households; measures to restart the investment cycle through support to infrastructure financing and encouragement to micro, small and medium enterprises (MSMEs); steps to revive growth in manufacturing and reforms in energy pricing. These policies have gone hand-in-hand with macroeconomic stabilization that has had to balance the concerns of inflation and growth recovery, while managing a volatile external situation characterized by a sharp depreciation of the Rupee witnessed till the second quarter (Q2) of 2013-14.

The monetary policy stance of the Reserve Bank of India has been driven by the imperatives of keeping inflation in check and supporting growth revival while managing a complex external economic situation. With moderation in overall headline inflation, as per the Wholesale Price Index (WPI), during 2012-13 and during the first two quarters of 2013-14, there was a reduction in the repo rate by 25 basis points in May 2013. Headline WPI inflation averaged 6.16 per cent during 2013-14 (April-December) as compared to 7.56 per cent in the corresponding period of the previous year. Despite easing, the level of inflation is high, especially in terms of consumer price indices.

In the face of growing uncertainties in global financial conditions, monetary easing was paused in June 2013. However, there has been significant improvement in the external situation. With acceleration in the growth of exports and decline in imports, the trade deficit for 2013-14 (April-December) has narrowed considerably. Reduction in the trade deficit, complemented by a rise in net invisibles receipts, resulted in significant reduction in the current account deficit (CAD) in the first half (H1) of 2013-14. In response to these developments, and due to steps undertaken to moderate the CAD, the exchange rate, that breached the level of 68 per US\$ in August 2013, recovered to 61.16 per US\$ on October 11, 2013. The exchange rate of the rupee averaged 61.91 per US\$ in December 2013.

On the fiscal front, the slowdown in growth affected tax collections and receipts from disinvestment of Public Sector Undertakings. However, the Government is on track to achieve the fiscal deficit to GDP target envisaged for 2013-14

REVIEW OF OPERATIONS

During the financial year 2013-2014, the Company registered a gross sale/ income of ₹ 38,309.15 Lac as compared to ₹ 25,112.29 Lac in previous financial year. PBT Margin remains at ₹ 103.18 Lac in comparison to last years' figure of ₹ 103.49 Lac whereas Net Profit remains at ₹ 68.45 Lac in comparison to last years' figure of ₹ 70.50 Lac, which is almost the same in comparison to last years' performance.

In term of Segmental Operations, the Company has earned a Profit before Tax (PBT) of ₹ 15.75 Lac from Mobile Application Software, ₹ 25.30 Lac from Music CDs and Studio Rent, ₹ 19.45 Lac from Investment Activities, and ₹ 42.68 Lac from Other activities.

Further the Company has proposed a Dividend @ 5% to its Members and therefore, has provided sum of ₹ 41.92 Lac for payment of Dividend including Tax thereon. The Dividend will be payable subject to confirmation by Members in ensuring Annual General Meeting.

BUSINESS SEGMENT

During the year, the Company was into the business of Music Recording (Entertainment Industry), Software (Mobile Applications) Trading, Recording & Sale of Music CDs in its retail outlets or through Franchisees, Renting of Musical Studio as well as Investment activity in Capital Market in accordance with the Accounting Standard 17 notified by Companies (Accounting Standards) Rules 2006.

SEGMENT WISE PERFORMANCE

Music & Software Segment

Your Company has done well in the Music & Software segment in spite of unfavorable business environment. The Turnover of the Company in the segment was ₹ 38049.58 Lac, a significant growth of 54.81% in comparison to last years' figure of ₹ 24577.43 Lac. Profit margin from said activities stood at ₹ 15.75 Lac in comparison to previous years' figure of ₹ 59.81 Lac. The decline in Profit Margin was due to the tuff competition in industry as well as due to non-modernization of its Music Studio in alignment with recent demand of industry.

Music Arena & Recording Studio

The Company's performance in the sector during the year was more or less; inline in comparison to previous financial year The Company has made a profit of ₹ 25.30 Lac in comparison to last years' profit figure of ₹ 31.00 Lac from this segment.

Income from Investment in Shares & Securities

The Company has done well in this segment of business and has earned a net profit of ₹ 19.45 Lac before provision of taxation. This earning was in spite of steep fall in the price of shares and securities, lack of volatility and range bound market condition.

OPPORTUNITIES

The Indian Music Industry (IMI) is a trust that represents the recording industry distributors in India. It was founded on February 28, 1936 as Indian Phonographic Industry (IPI). Its' the 2nd oldest music industry organization in the world that was involved in protecting copyrights of music producers and supporting growth of music entertainment industry. In 1994, it was renamed as Indian Music Industry (IMI) and represented India at the International Federation of the Phonographic Industry (IFPI). It is also registered with the West Bengal Societies Registration Act. All major music labels in India are part of this association. The IMI represents over 75% of all legal music sales in India.

Digital music in various forms and formats is filling up the coffers of old music firms. Independent artistes, internet services and new-age publishers are giving the industry a new lease of life. Ringtones, ringback tones, downloads and mobile radio streaming services, besides downloaded singles and albums from online stores are generating additional fees from mobile subscribers and more licensing revenue for record companies.

What initially saved the domestic music industry was mobile value-added services or VAS. Besides consumers services such as ringtones and downloads, the royalty paid to labels by mobile operators for using their songs, also helped in increasing sales.

Then came the growth of digital albums. By the end of last year, several countries including India, US, Norway and Sweden, saw digital sales making up more than half of the music revenue kitty, the digital report said.

Today Indian Music Industry has undergone a complete change with the process of internationalization. The Music Industry today reaches every nook and corner all over the world reaching the Indian and even Non Indians. This mainly is due to the Retail revolution in music distribution and increased penetration of CDs.

Initiatives taken by the government of Impending radio privatization which would de-regulate radio frequencies, assigning 150 new FM stations to an industry which, up until now, has benefited from less than 10 radios broadcasting music hit.

Exports of Indian film soundtracks to around the world listeners that are expected to keep on growing overseas. For example the film music of Kuch Kuch Hota Hai sold over 200 0000 units in 20 countries.

In Stock Market or Capital Market, the first and foremost thing of strength is its ability to provide high return. SEBI is a regulatory body of Indian stock market which protects the interest of the investors which is an added benefit of Stock Market. Large number of securities which provides medium for investment and thus people can make money by way of investing wisely in Stock Market. Large number of Brokers are in the Market who plays a role of facilitator for investment.

THREATS & CONCERNS

Within the next two years, India will be the second largest Internet market in the world, and the world's leading English language market, with an estimated 330-370 million Internet users. Mobile penetration stands at around 70% with an increasing number of mobile (smart phone and tablet) users (estimated at around 22 million) having 3G Internet access. The Indian Government continues investing in infrastructure to support this growth under its National Broadband Policy, and opportunities for expansion of India's online marketplace for copyright content theoretically abound. However, without adequate legal protection and enforcement against illegal BitTorrent, cyberlocker, web-based file hosting, wireless access protocol (WAP), blogs, and online radio sites or services (catering to Indian demand for music, movies and television programming, software, games, and books), India's legitimate online marketplace will remain stunted.

A recent reported study tracking downloading IP-addresses on peer-to-peer (P2P) networks for films and television content found India to be in the top ten Internet piracy countries in the world. In 2013, the Entertainment Software Association (ESA) reports that India once again placed sixth in the world in terms of the number of connections by peers participating in the unauthorized file sharing of select ESA member titles on public P2P networks. Pirated versions of movies often appear on the Internet in India within hours of their release in the movie theater, available through BitTorrent, cyberlocker, or web-based file hosting sites or services. The Internet piracy situation in India is fluid, as sites subject to enforcement or court orders merely migrate to avoid enforcement or further detection. Hundreds of sites target international and Indian movies and music, as well as other copyright materials. The prevalence of these readily accessible sites indicates that local Indian creators are being harmed significantly by online piracy, a factor that the Indian Government should take into account.

A more centralized enforcement response to the proliferating online piracy problem is needed. In 2012 and again in 2013, the music industry association obtained civil court orders to take down more than 250 dedicated piracy sites. These orders are a helpful indicator of a nascent Indian Government willingness to address online infringement, but much more will be required to drive down online music piracy and create the space needed for the operation of legitimate music services. The motion picture industry notes some cooperation for takedowns of hosted content on traditional sites (e.g., user-generated content sites) but inadequate support from ISPs and law enforcement for taking down dedicated piracy sites. Since piracy sites and those offering the sale of pirated materials for mobile devices generally operate openly in India without fear of legal action, a much stronger enforcement response is needed on the part of all relevant agencies of the Government. If necessary, as discussed below, laws and regulations should be fine-tuned to permit effective action against online piracy services, beyond the basic structure established under the Copyright Act. In addition, it is suggested that the Indian Government convene regularized communications between right holders and the major ISPs, or at least ensure that such meetings occur, to foster voluntary and mutual cooperative efforts.

Regarding Capital Market, there is always a threat of low volatility, lack of participants in the market, changes in Government Regulations, increase in taxes on trading/investing as well as steep fall in the Shares and Securities due to any adverse performance of the Companies, where the Company has invested in its Equity Shares.

RISK MANAGEMENT

The Company has aligned its policy on risk assessment in line with global approach and risk assessment reports are reviewed on regular intervals. The Company has adopted a focused approach towards risk management in the form of a corporate insurance program which has the goal of optimizing the financing of insurable risks by using a combination of risk retention and risk transfer. The program covers all potential risks relating to business operations of the Company at its various locations.

The Company's business critical software is operated on a server with regular maintenance and back-up of data. The system's parallel architecture overcomes failures and breakdowns. Reliable and permanently updated tools guard against virus attacks. Updated tools are regularly loaded to ensure a virus free environment.

INTERNAL CONTROL SYSTEMS AND ADEQUACY

The Company has implemented a comprehensive system of internal controls and risk management systems for achieving operational efficiency, optimal utilisation of resources, credible financial reporting and compliance with local laws. These controls are regularly reviewed by both internal and external agencies for its efficiency and effectiveness. Management information and reporting system for key operational activities form part of overall control mechanism.

The Company has retained the services of independent firms of professionals to function as internal auditors and provide reports on various activities covering observations on adequacy of internal controls and their recommendations. Findings of internal audit reports and effectiveness of internal control measures are reviewed by top management and audit committee of the Board. During the year, internal audit team of Company performed audits of major operational areas of the Company and carried out elaborate checks and verification and shared their findings with top management for remediation of minor gaps wherever required.

HUMAN RESOURCES

The Company recognizes that its success is deeply embedded in the success of its human capital. During 2013-2014, the Company continued to strengthen its HR processes in line with its objective of creating an inspired workforce. The employee engagement initiatives included placing greater emphasis on learning and development, launching leadership development programme, introducing internal communication, providing opportunities to staff to seek inspirational roles through internal job postings, streamlining the Performance Management System, making the compensation structure more competitive and streamlining the performance-link rewards and incentives.

The Company believes that learning is an ongoing process. Towards this end, the Company has built a training infrastructure which seeks to upgrade skill levels across grades and functions through a combination of in-house and external programme.

CORPORATE SUSTAINABILITY AND SOCIAL RESPONSIBILITY

The Company constantly strives to meet and exceed expectations in terms of the quality of its business and services. The Company commits itself to ethical and sustainable operation and development of all business activities according to responsible care and its own code of conduct. Corporate Social Responsibility is an integral part of the Company's philosophy and participates in activities in the area of education and health.

CAUTIONARY STATEMENT

Certain statements under "Management Discussion & Analysis" describing the Company's objectives, projections, estimates, expectations or predictions may be forward looking statement

within the meaning of applicable securities laws and regulations. Although the expectations are based on reasonable assumptions, the actual results could materially differ from those expressed or implied, since the Company's operations are influenced by many external and internal factors beyond the control of the Company. The Company assumes no responsibility to publicly amend, modify or revise any forward looking statements, on the basis of any subsequent developments, information or events.

COMPLIANCE

The Compliance function of the Company is responsible for independently ensuring that operating and business units comply with regulatory and internal guidelines. The Compliance Department of the Company is continued to play a pivotal role in ensuring implementation of compliance functions in accordance with the directives issued by regulators, the Company's Board of Directors and the Company's Compliance Policy. The Audit Committee of the Board reviews the performance of the Compliance Department and the status of compliance with regulatory/internal guidelines on a periodic basis.

New Instructions/Guidelines issued by the regulatory authorities were disseminated across the Company to ensure that the business and functional units operate within the boundaries set by regulators and that compliance risks are suitably monitored and mitigated in course of their activities and processes. New products and process launched during the year were subjected to scrutiny from the Compliance Standpoint and proposals of financial services were screened from risk control prospective.

The Company has complied with all requirements of regulatory authorities. No penalties/strictures were imposed on the Company by stock exchanges or SEBI or any statutory authority on any matter related to capital market during the last three years.

o. Dematerialization of Shares & Liquidity

The Company's Equity Shares are in Demat trading segment and the Company had established connectivity with both NSDL & CDSL by signing the necessary agreements.

Procedures for dematerialization / rematerialization of Equity Shares:-

Shareholders seeking demat / remat of their shares need to approach their Depository Participants (DP) with whom they maintain a demat account. The DP will generate an electronic request and will send the physical share certificates to Registrar and Share Transfer Agents of the Company. Upon receipt of the request and share certificates, the Registrar will verify the same. Upon verification, the Registrar will request NSDL/CDSL to confirm the demat request. The demat account of the respective share holder will be credited with equivalent number of shares. In case of rejection of the request, the same shall be communicated to the shareholder.

In case of remat, upon receipt of the request from the shareholder, the DP generates a request and verification of the same is done by the Registrar. The Registrar then requests NSDL or CDSL to confirm the same. Approval of the Company is being sought and equivalent numbers of shares are issued in physical form to the shareholder. The share certificates are dispatched within 21 days from the date of issue of Shares.

The Shares of Company are traded under "B" category on Bombay Stock Exchange Ltd. 99.10% of the Company's Equity Share Capital held under Public category has been dematerialized up to 31st March 2014.

p. Unclaimed Dividend

Pursuant to Section 205C of the Companies Act, 1956, Dividends that are unpaid/unclaimed for a period of seven years from the date of they became due for payment are required to be transferred by the Company to the Investor Education and Protection Fund (IEPF) administered by the Central Government.

Members who have so far not en-cashed their dividend warrants are requested to write to the Company/Registrar to claim the same, to avoid transfer to IEPF. Members are advised that no claims shall lie against the said fund or the Company for the amounts of dividend so transferred to the said Fund.

q. Nomination

Individual Shareholders holding shares singly or jointly in physical form can nominate a person in whose name the shares shall be transferable in case of death of the registered shareholder(s). Nomination facility in respect of shares held in electronic form is also available with the depository participants as per the bye-laws and business rules applicable to NSDL and CDSL. Nomination form SH-13 ([Pursuant to section 72 of the Companies Act, 2013 and rule 19(1) of the Companies (Share Capital and Debentures) Rules 2014] can be obtained from the Company's Registrar and Share Transfer Agent. Auditors' Report

To

The Shareholders,

JMD TELEFILMS INDUSTRIES LIMITED, MUMBAI.

Report on the Financial Statements

We have audited the accompanying financial statements of M/s. JMD Telefilms Industries Limited, which comprise the Balance Sheet as at 31st March, 2014, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards notified under the Companies Act, 1956 (the Act) read with the General Circular 15/2013 dated 13th September, 2013 of the Ministry of Corporate Affairs in respect of Section 133 of the Companies Act, 2013 and in accordance with the accounting principles generally accepted in India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- a) in the case of the Balance Sheet, of the state of affairs of the Company as at 31st March, 2014;
- b) in the case of the Statement of Profit and Loss, of the profit of the Company for the year ended on that date, and
- c) in the case of the Cash Flow Statement, of the cash flows of the Company for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2003("the Order") issued by the Central Government of India in terms of sub-section (4A) of section 227 of the Act, we give in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the Order.
2. As required by Section 227(3) of the Act, we report that:
 - (a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement comply with Accounting Standards notified under the Act read with the General Circular 15/2013 dated 13th September, 2013 of the Ministry of Corporate Affairs in respect of Section 133 of the Companies Act, 2013.
 - (e) On the basis of the written representations received from the directors as on March 31, 2014, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2014, from being appointed as a director in terms of Section 274(1)(g) of the Act.

NOTE 1**Notes on Financial Statement for the year ended 31st March 2014****ACCOUNTING POLICIES & NOTES FORMING PART OF THE ACCOUNTS****Significant Accounting Policies General****General****Basis of Preparation of Financial Statements**

1. The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 (as amended) and the relevant provisions of the Companies Act, 1956. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

Use of Estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialised.

Revenue Recognition

2. Revenue is recognised only when it can be reliably measured and it is reasonable to expect ultimate collection. Revenue from operation includes sale of goods, adjusted for discounts (net), Value Added Tax (VAT). Dividend income is recognised when right to receive is established. Interest income is recognised on time proportion basis taking into account the amount outstanding and rate applicable.

Dividends on investments are accounted for when the right to receive the dividend is established.

Inventories

3. Inventories are valued at the lower of cost (on FIFO basis) and the net realisable value after providing for obsolescence and other losses, where considered necessary.

Cash and cash equivalents (for purposes of Cash Flow Statement)

4. Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

Cash Flow Statements

5. Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

Fixed Assets

6. Fixed Assets are stated at cost net of recoverable taxes, less accumulated depreciation and impairment loss, if any. Depreciation on assets is provided on written down value method as per rates prescribed in Schedule XIV to the Companies Act 1956.

Depreciation & Amortisation

7. Depreciation on Fixed Assets is provided to the extent of depreciable amount on written down value (WDV) at the rates specified in schedule XIV of the Companies Act 1956 over their useful life.
8. Depreciation on additions/ deletions is calculated on pro-rata with respect to date of addition/ deletions.
9. Amortisation of Intangible Assets is done on the basis of useful life of the underlying assets and computer software is amortised over a period of 5 years.

Impairment of Assets

10. An asset is treated as impaired when the carrying cost of asset exceeds its recoverable value. An impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired. The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

Investments

11. Current investments are carried at lower of cost and quoted/fair value, computed category wise. Long Term investments are stated at cost. Provision for diminution in the value of long-term investment is made only if such a decline is other than temporary.

Retirement Benefit

12. None of the Employee has completed the service period to become eligible for payment of gratuity.

Provision for Current and Deferred Tax

13. Provision for current tax is made after taking into consideration benefits admissible under the provisions of the Income-tax Act, 1961. Deferred tax resulting from "timing difference" between taxable and accounting income is accounted for using the tax rates and laws that are enacted or substantively enacted as on the balance sheet date. Deferred tax asset is recognised and carried forward only to the extent that there is a virtual certainty that the asset will be realized in future.

Provisions, Contingent Liabilities & Contingent Assets

Disclosures in terms of Accounting Standards (AS 29) Provisions, Contingent Liabilities and Contingent Assets issued by the Institute of Chartered Accountants of India :

14. The Company creates a provision when there is a present obligation as a result of past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation.
15. A disclosure for a contingent liability is made when there is a possible obligation or present obligation that probably will not require an outflow of resources or where reliable estimate of the amount of the obligation cannot be made.
16. Contingent Assets are neither recognized nor disclosed.

CONSOLIDATED ACCOUNTS

Financial Year 2013 - 2014

Auditors Report on the Consolidated Financial Statements of JMD Telefilms Industries Limited

The Board of Directors of JMD Telefilms Industries Limited

We have audited the accompanying consolidated financial statements (the “Consolidated Financial Statements”) of JMD Telefilms Industries Limited (“the Company”) and its subsidiaries, its jointly controlled entities and associate companies; hereinafter referred to as the “Group” (refer Note 3 to the attached consolidated financial statements) which comprise the consolidated Balance Sheet as at March 31, 2014, the consolidated Statement of Profit and Loss and the consolidated Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information which we have signed under reference to this report.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Company in accordance with accounting principles generally accepted in India including the Accounting Standards notified under the Companies Act, 1956 (“the Act”), read with General Circular 8/2014 dated 4 April 2014 issued by the Ministry of Corporate Affairs. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and presentation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

1. We report that the consolidated financial statements have been prepared by the Company's Management in accordance with the requirements of Accounting Standard (AS) 21 –

Auditors Report on the Consolidated Financial Statements of JMD Telefilms Industries Limited

Consolidated Financial Statements, Accounting Standard (AS) 23 – Accounting for Investments in Associates in Consolidated Financial Statements, and Accounting Standard (AS) 27 – Financial Reporting of Interests in Joint Ventures notified under Section 211(3C) of the Companies Act, 1956.

2. Based on our audit and to the best of our information and according to the explanations given to us, in our opinion, the attached consolidated financial statements give a true and fair view in conformity with the accounting principles generally accepted in India :
- (i) In the case of the consolidated Balance Sheet, of the state of affairs of the Group as at 31st March 2014;
 - (ii) In the case of the consolidated Statement of Profit and Loss, of the profit of the Group for the year ended on that date; and
 - (iii) In the case of the consolidated Cash Flow Statements, of the cash flows of the Group for the year ended on that date.

NOTE : 3**NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS, ACCOUNTING POLICIES AND PRACTICES.**

1. The Consolidated financial statements present the consolidated Accounts of JMD Telefilms Industries Limited ("the Company") with its subsidiaries namely "JMD Broadcasting Private Limited" ("the Group").
2. The financial statements of the Company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP). The company has prepared these financial statements to comply in all material respects with the accounting standards notified under the Companies (Accounting Standards) Rules, 2006 (as amended) and the relevant provisions of the Companies Act, 1956 read with the General Circular 08/2014 dated 04 April 2014 issued by the Ministry of Corporate Affairs. The financial statements have been prepared under the historical cost convention on an accrual basis except in case of assets which has been recorded on fair value and assets for which provision for impairment is made. The accounting policies have been consistently applied by the Company and are consistent with those used in the previous year.
3. The consolidated financial statements of the Group have been consolidated on a line-by-line basis by adding together the book values of subsidiary companies like items of assets, liabilities, income and expenses, after eliminating intra-group balances and the unrealised profits / losses on intra-group transactions as per Accounting Standard 21(AS 21) "Consolidated Financial Statements". The results of subsidiaries are included from the date of acquisition of a controlling interest. The excess/shortfall of cost to the Company of its investments in the subsidiary companies is recognised in the financial statements as goodwill/capital reserves, as the case may be. Goodwill on consolidation is tested for impairment at every reporting date.
4. Minority interest in net asset of consolidated subsidiary consist of the amount of equity attributable to the minority shareholders at the dates on which investments are made by the Company in subsidiary Companies and further movement in their share in equity, subsequent to the dates of investment.
5. Operation of Subsidiary Company is yet to be commenced and hence Segmental Report is not applicable for consolidated financial statements.

Significant Accounting Policies and Practices -

6. The significant accounting policies adopted by the Group, in respect of the consolidated financial statements are as follows:
 - a. **Use of estimates**

The preparation of financial statements, in conformity with Indian GAAP requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets, liabilities and disclosure of contingent liabilities at the end of the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.
 - b. **Tangible fixed assets**

Fixed assets are stated at cost, less accumulated depreciation amortisation and impairment losses if any. Cost comprises the purchase price and any directly attributable cost of bringing the asset to its working condition for its intended use. Gains or losses arising from derecognition of tangible assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

c. Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any. Intangible assets are amortized on a straight line basis over the estimated useful economic life. The Group uses a rebuttable presumption that the useful life of an intangible asset will not exceed ten years from the date when the asset is available for use.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

d. Depreciation and amortisation

Depreciation is provided using the Straight Line Method as per the useful lives of the assets estimated by the management, or at the rates prescribed under schedule XIV of the Companies Act, 1956 whichever is higher.

The amortization/depreciation period and the amortization/depreciation method are reviewed at least at each financial year end. If the expected useful life of the asset is significantly different from previous estimates, the amortization / depreciation period is changed accordingly. If there has been a significant change in the expected pattern of economic benefits from the asset, the amortization/depreciation method is changed to reflect the changed pattern. Such changes are accounted for in accordance with AS 5 Net Profit or Loss for the Period, Prior Period Items and Changes in Accounting Policies.

e. Investments

Investments that are readily realisable and intended to be held for not more than one year from the date on which such investments are made are classified as current investments. All other investments are classified as long-term investments.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties and other costs that arise on acquisition of investment. Current investments are carried at lower of cost and fair value determined on an individual investment basis. Long term investments are carried at cost. However, provision for diminution in value is made to recognise a decline other than temporary in the value of the investments.

7. Principles of Consolidation :-

- (i) The financial statements of the Parent Company and its subsidiaries have been consolidated on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses after eliminating intra-group balances, intra group transactions and the unrealized profit.
- (ii) The financial statements of the Parent Company and its subsidiary has been consolidated using uniform accounting policies excepting the revaluation of assets by Companies referred above.
- (iii) The excess of the Cost to the Parent Company of its investments in subsidiary over its share of equity in the respective subsidiary.

8. Recognition of Income and Expenditure :-

Revenues/incomes and costs/expenses are generally accounted on accrual as they are earned or incurred.

9. The details of subsidiary in terms of General circular No. 2/2011 dated 8th February 2011 issued by Government of India, Ministry of Corporate Affairs under Section 212(8) of Companies Act, 1956, is as under -
