**DIRECTORS' REPORT**

To the Members,

Your Directors present their 48<sup>th</sup> Report with Audited Statements of Accounts for the year ended 31<sup>st</sup> March, 2010.

**FINANCIAL RESULTS (Rs. In Lakhs)**

Particulars	Current Year 2009-2010	Previous Year 2008-2009
Profit/(Loss) for the year before providing for depreciation	(28.38)	1.67
Less: Depreciation	1.00	0.50
Profit / (Loss) before Taxation and prior period Expenses	(29.38)	1.17
Less: Income Tax of Past years Fringe Benefit Tax	0.01 (0.02)	40.30 0.25
<b>Loss for the year</b>	<b>(29.37)</b>	<b>(39.38)</b>

During the year the Company has made loss, before provision of depreciation, of Rs. 28.38 lakhs as against profit of Rs. 1.67 lakhs for the previous year. After provision of depreciation of Rs. 1.00 lakhs (previous year Rs. 0.50 lakhs) loss before taxation and prior period expenses works out to Rs. 29.38 lakhs as against profit of Rs. 1.17 lakhs for the previous year.

Income Tax paid for a past year amounted to Rs. 0.01 lakh (previous year Rs. 40.30 lakhs). There was no Fringe Benefit Tax payable for the year. As against this, Rs. 0.25 lakhs were paid as fringe benefit tax during the previous year. A refund of Rs. 0.02 lakh was received from fringe benefit tax paid in a past year. The loss for the year after the above adjustments amounts to Rs. 29.37 lakhs as against loss of Rs. 39.38 lakhs for the previous year.

In view of the loss incurred during the year, no dividend is recommended.

**MANAGEMENT DISCUSSION AND ANALYSIS**

Pending disputed income tax demands, which are being contested, the Company is unable to raise any funds. Limited funds available with the Company are placed as inter-corporate deposit. Company's routine expenses, legal expenses related to recovery disputes and income tax matters are to be met from this interest income and recoveries of old dues. As this income is not sufficient to meet the expenses of the Company, short fall is required to be drawn from the amount placed as Inter-corporate deposit and it will result in further reduction in interest income. This is adversely affecting the interest income and in turn bottomline of the Company.

Despite the Company's persistent efforts on recovery front, during the year, the Company has not been able to achieve the desired results due to slow process of the legal system required to be followed. Efforts on recovery front are still continued.

The Company continued to carry out its activity on most economical scale and expenses are contained to the bare minimum required. Depending upon the progress of recoveries and availability of funds, company shall undertake more business activities in future.

Company also tried to explore possibility of entering in field of financial business services without involving any substantial capital investment. However, this could not be progressed.

The Company continues to have positive net worth at the end of the year.

## **TAXATION**

Income Tax Assessment of the Company are completed upto the Financial Year 2006-07.

Assessment for the Accounting Year 2007-08 is under progress.

The petitions in respect of assessment for Accounting Years 1992-93, 1993-94 and 1995-96 were abated and with the decision of Bombay High Court, the abatement was rejected. We have again approached the Settlement Commission to recall our petitions. The Settlement Commission has written to Income-tax Department withdrawing the abatement in our cases. The hearing of our application before Settlement Commission is awaited.

## **FIXED DEPOSITS**

The Company has not accepted any fixed deposits within the meaning of Section 58A of the Companies Act, 1956 and Non-Banking Financial Companies (Reserve Bank) Directions, 1998. The Company was having due but remaining unclaimed deposits only. In the year 2002-03, the Company had transferred Rs.8.80 lakhs being the amount of such unclaimed fixed deposits together with interest outstanding in an Escrow Account with Central bank of India opened specifically for the purpose of making payment out of Escrow deposit to the deposit holders as and when claims are received. Claims received are paid. The deposits remaining unclaimed and unpaid for 7 years after their maturity are transferred, to Investors Education & Protection Fund as required under Sec. 205C of the Companies Act, 1956. During the year accordingly Rs. 40,358/- are transferred to Investors Education & Protection Fund. With that the entire amount kept in Escrow Account has been withdrawn either to pay to fixed deposit holder, if claims are received upto 7 years from the maturity date or transferred to Investors Education & Protection Fund from time to time on completion of 7 years from the respective date of maturity. With that now, there is no unclaimed fixed deposit with the Company.
