ANNEXURE 2
ANNEXURE TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE
STANDALONE FINANCIAL STATEMENTS OF WHITEHALL COMMERCIAL COMPANY
LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the
Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Whitehall Commercial Company Limited as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls

over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

1. **Corporate Information:** -

Whitehall Commercial Company Limited is a Public Limited company engaged in Finance and Investment activities.

2. **Basis of Preparation:** -

The financial statements of the company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP). The company has prepared these financial statements to comply in all material respects with the Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 (as amended from time to time) and the relevant provisions of the Companies Act, 2013.

The company has reclassified previous year figures in accordance with the requirements applicable in the current year.

3. **Significant Accounting Policies:** -

a) **Basis of Accounting :-**

Financial statements are prepared under historical cost convention on accrual basis in accordance with the requirements of Companies Act, 2013 except otherwise stated. Accounts are prepared on going concern basis.

b) **Use of Estimates :-**

The preparation of financial statements requires the management of the Company to make an estimate & assumptions that affect the reported balances of Assets & Liabilities and disclosure relating to Contingent liabilities as at the date of financial statements & reported amounts of Income & Expenses during the year. The estimates are based on management's best knowledge of current events and actions. However, due to uncertainty of the assumptions and estimates the carrying amounts of the assets & liabilities may require material adjustment in future periods.

c) **Revenue Recognition :-**

Revenue is recognised to the extent it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. Sale of goods and services are recognized net of duties & taxes. Expenditure & income are accounted on accrual basis including provisions/adjustments for committed obligations & amounts determined payable or receivable during the year except for Leave Encashment.

d) **Tangible Fixed assets :-**

Tangible Fixed assets are stated at cost less depreciation less impairment losses. Cost comprises purchase price, capitalised borrowing cost and subsequent expenditure if it increases the future benefits from the existing asset. In case of derecognition of Tangible Fixed Asset, the difference between the carrying amount and disposal proceeds is accounted as gain / loss in the Statement of Profit & Loss.

e) **Depreciation on Tangible Fixed Assets :-**

Depreciation on Tangible Fixed Assets has been provided on WDV Method on the basis of useful life of the assets as specified in Schedule II of Companies Act 2013.

WHITEHALL COMMERCIAL COMPANY LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31/03/2016

f) **Impairment of Tangible & Intangible Assets :-**

The company assesses at each reporting date an indication about impairment of an asset. If any indication exists, the company estimates the asset's recoverable amount. The recoverable amount is determined for individual asset. The recoverable amount is higher of the selling price & value in use of the asset. The value in use is estimated on the basis of estimated future cash flows for next 5 years discounted to the present value by using pre-tax discount rate that reflects time value of the money and the risk specific to the asset. Where the carrying amount of the asset exceeds the recoverable amount, the asset is considered to be impaired & is written down to its recoverable value.

Impairment losses are recognised in the Statement of Profit & Loss and the depreciation is provided on the revised carrying amount of the asset after impairment. If the previously recognised impairment losses do not exist or have decreased, the same are reversed and the reversible is limited so that carrying amount does not exceed the recoverable amount.

g) **Investments :-**

Investments which are readily realisable and intended to be held for not more than 1 year from the date on which such investments are made are classified as current investments. All other investments are classified as Long-term Investments. On initial recognition, all investments are measured at cost. The cost comprises Purchase price and directly attributable acquisition charges such as brokerage, fees and duties.

Current investments are carried in the financial statements at lower of cost or fair value determined on an individual investment basis. Long term investments are carried at cost. However, provision for diminution in value is made to recognise a decline other than temporary in the value of investments. On disposal of investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the Statement of Profit and Loss.

h) **Current Assets, Loans & advances :-**

Current Assets, Loans and Advances are approximately of the value stated, if realized in the ordinary course of business.

i) **Retirement and other employee benefits :-**

Employee benefits like provident fund, gratuity are not applicable to the company and hence no provision has been made in the accounts. Leave encashment is not provided in the books of accounts but is charged to the Statement of Profit and Loss on payment basis.

j) **Taxes on Income :-**

Provision for current Income Tax is determined in accordance with the provisions of Income Tax Act 1961. Minimum Alternate Tax (MAT) paid / provided in the year is charged to the Statement of Profit and Loss as current Tax. Deferred Tax – subject to materiality – is recognized on timing differences, being the difference between the taxable income & the accounting income that originate in one period & are capable of reversal in one or more subsequent periods. Deferred tax asset is recognized & carried forward only to the extent that there is a virtual certainty that the asset will be realized in future.

k) **Provisions, Contingent Liabilities & Commitments and Contingent assets :-**

Provisions in respect of present obligations arising out of past events are made in accounts when reliable estimates can be made of the amounts of obligations. Provisions are not discounted to their present value and reviewed at each reporting date. Contingent liabilities & commitments are not accounted but disclosed separately. Contingent assets are neither accounted nor disclosed in the financial statements.

l) **Earnings per share :-**

The earnings considered in ascertaining the Company's earnings per share are net profit after tax. The number of shares is considered on weighted average basis.
