MANAGEMENT DISCUSSION AND ANALYSIS REPORT

a. Industry structure and developments

Over the years Indian capital market has improved and developed as a sophisticated market place with modern facilities and amenities. With a dedicated regulator for the securities market the functions have become systematic and controlled providing depth & discipline to the market structure. SEBI regulates capital market through the process of registering the intermediaries and framing rules & regulations for each activity involving capital market functions. As per the available data on registered market intermediaries, there are 191 Merchant Bankers, 3405 Corporate Brokers under Cash segment & 853 Depository Participants registered with SEBI as on December 2015. Your Company is one of the capital market intermediaries registered with SEBI as Category I Merchant Banker. Keynote Capitals Limited, the subsidiary of the Company, is also registered with SEBI as 'Corporate Broker' and 'Depository Participant' of Central Depository Services Ltd.

The industry structure is well defined and organized over a period of time. The capital market regulator acts swiftly to adopt to any change & development that is witnessed in the market place. The consultative process of making rules & regulations and also monitoring the intermediaries is adopted by the regulators making it a very vibrant and transparent structure. The requirement of having trained personnel at various registered intermediaries is being implemented by SEBI which is helping the intermediaries to remain upto-date in tune with global market conditions and practices followed besides having knowledge and information about the recent developments in the capital market. With India, being one of the favoured investment destination, capital market structure is bound to become more & more sophisticated with latest technologies.

b. Opportunities and Threats

With the vibrant economic and capital market conditions there are many opportunities for Merchant Bankers and other intermediaries to provide services to the clients. Capital raising is a specialized job on account of various applicable regulations & market practices followed, which gives better opportunities for well structured organizations with good base of experienced & highly educated employees. The financial year ended 2015-16 saw a distinct improvement in activities in public equity markets. Major revival was witnessed in the IPO market after nearly 4 dismal years. The trend is likely to continue & Merchant Bankers and other intermediaries have large opportunities to advise clients on various capital market structures including resource raising. However, the resource raising activities are well received only in respect of larger transactions as the size of the market has grown tremendously. The smaller companies are finding it difficult to raise equity resources. Though there is an emergence of separate segment of Merchant Bankers providing services to small & medium enterprises for equity resource raising, the size of operations can pose a threat making them unviable unless developed rationally.

c. Segment-wise performance

During the financial year there was a significant improvement in the income of the Company. The income of the Company mainly comprises of fees received on advisory services in the field of Merchant Banking, Corporate & ESOP advisory. On a consolidated basis the income comprises of Brokerage, Depository income, Profit on trading & securities besides Interest on loans & advances. The segment-wise performance has been encouraging during the financial year mainly on account of improved activity in the primary market. The total income during the year was ₹997.87 lacs registering an increase of 71% as against the total income for the previous year. Similarly on a consolidated basis total income was ₹2324.43 lacs an increase of 43.57% as against the total income for the previous year. Consequently PAT has also registered a substantial increase. This is mainly attributable to the improved market conditions and increase in resource raising activity.

d. Outlook

The overall political and economical scenario in the country has been improved with a steady increase in GDP. India has been a favoured investment destination in the world. The overall impact on the capital market has been very positive. It is expected that the current financial year will also have a optimistic outlook as far as capital market is concerned though some negative breakouts are expected on account of any international events that may affect Indian capital markets.

e. Risks & Concerns

Industry is always facing the risk of adverse effects on business on account of external factors. The capability of execution and completion of mandates remains a challenge on account of various factors. Though there are many registered Merchant Bankers, the number of entities which are active in the said segment is very less. The institutionalization of the Merchant Banking business by the large players remains a concern for many mid market participants to cope up with fast growing and changing landscape in the financial market.

f. Internal Control systems and their adequacy

The company being in existence as Merchant Banker since past 2 decade has developed well structured internal control systems to conduct the business within the framework of Regulations. The present structure & systems are adequate and commensurate to the size of operations of your company.

g. Discussion on financial performance with respect to operational performance

The year 2015-16 witnessed a major revival in the IPO markets after nearly 4 dismal years. Though the year witnessed turbulent secondary market, the primary market showed signs of revival as many IPOs hit the market during the financial year. During the financial year 2015-16, 24 Main Board IPOs were launched in the primary market and significant activity was also witnessed in the IPOs of SME platforms where 50 SME IPOs were launched. The mobilization of resources through Rights issue also recorded an increase with 12 Rights issues being completed during the financial year. The increased equity resource raising through primary market is seen with enthusiasm by market participants and investors. Your company also witnessed major activity in these areas and has performed well as compared to the previous financial year. Your company also completed many capital market transactions during the financial year. Keynote acted as 'Financial Advisor' for a large IPO of a Company engaged in 'Fragrance & Flavours' business and also sole Lead Managed a Main Board IPO of a Company engaged in manufacturing of dyes and dye intermediates alongwith fertilizers. Company lead managed 3 Rights issues and also completed an SME issue on NSE platform i.e. EMERGE. The Company played a major role in the capital market transactions pertaining to one of the Chinese Major who entered India by acquiring a listed Company. The Company advised the Chinese promoter for 'Offer for Sale' and also in respect of Rights issue amounting to ₹100 crores. Besides this, Company was also able to complete a few transactions in respect of Scheme of Arrangement, Valuation & ESOP Advisory etc. The total income during the year was ₹997.87 lacs, an increase of 71% as against the total income for the previous year. Consequently the PAT has reached ₹348.42 lacs registering substantial

h. Material developments in Human Resources/Industrial Relations front, including number of people employed

You company operates with a sleek employee structure. The employee strength of the company and its subsidiaries is 47. The company has already put in place adequate processes, facilities, infrastructure and environment enabling the employees to function in an appropriate manner. The company has adequate compensation structure at each level of employee resulting in appropriate relationship. There are no significant developments in this regard during last financial year except a few resignations and appointments which are routine in nature.

increase over the previous year's profit after tax. There has been a general sense of buoyancy in the capital market and company expects to bag few more mandates on IPOs & other capital market transactions.

DISCLOSURE OF ACCOUNTING TREATMENT

Your Company follows Accounting Standards as prescribed by Institute of Chartered Accountants of India (ICAI) for preparation of financial statements; there is no other such different treatment followed for the same.

Board Procedures

The Board meets at least once in a quarter to review financial results and operations of the Company. In addition to the above, the Board also meets as and when necessary to address specific issues concerning the businesses of the Company. The tentative annual calendar of Board Meetings for the ensuing year is decided in advance by the Board.

The Board Meetings are governed by a structured Agenda. The Agenda along with detailed explanatory notes and supporting material are circulated in advance before each meeting to all the Directors for facilitating effective discussion and decision making. The Board members are, on a quarterly basis, appraised by the Managing Director on the overall performance of the Company through presentations and detailed notes.

Presentations are also made by the Executive Directors on the Company's plans, performance, operations and other matters on a periodic basis. The Board has complete access to any information within the Company which includes the information as specified in Part A of Schedule II Listing Regulations and they are updated about their roles and responsibilities in the Company.

The Board, inter alia, reviews annual operating and capital expenditure plans and budgets, financial statements of business segments, compliance report(s) of all laws applicable to the Company, major legal and tax issues, policies/charters of committees of the Company, appointment and remuneration to Directors, minutes of the Board Meetings of the Company's subsidiary companies, significant transactions and arrangements entered into by the unlisted subsidiary companies, risk management, transactions involving sale of material investments, subsidiaries, assets, which are not in normal course of business, foreign currency exposure, status of all investments made by the Company, minutes of meetings of the Committees of the Board, declaration of dividend,

The proceedings of each meeting of the Board and its Committees are captured in accordance with the provisions of the Companies Act, 2013 and Companies (Meetings of Board and its Powers) Rules, 2014.

Directors' Induction and Familiarization

The provision of an appropriate induction for new Directors and ongoing familiarisation training for existing Directors is a major contributor to the maintenance of high Corporate Governance standards of the Company. The Managing Director is responsible for ensuring that such induction programme is provided to Directors. The Independent Directors, from time to time request management to provide detailed understanding of any specific project, activity or process of the Company. The management provides such information and training either at the meeting of Board of Directors or otherwise. The induction process is designed to:

- a. build an understanding of the Company, its businesses and the markets and regulatory environment in which it operates;
- b. provide an appreciation of the role and responsibilities of the Director;
- c. fully equip Directors to perform their role on the Board effectively; and
- d. develop understanding of Company's people and its key stakeholder relationships.

Upon appointment, Directors receive a Letter of Appointment setting out in detail, the terms of appointment, duties, responsibilities and expected time commitments. In addition to the extensive induction and training provided as part of the familiarization programme, the Independent Directors are also taken through various business and functional sessions in the Board meetings including the Board meetings to discuss strategy. The details of Director's induction and familiarization are available on the Company's website at http://www.keynoteindia.net/document-hosting/financial_results/Familiarization_Pragram_for_Independent_Directors_of_Keynote.pdf

Separate Independent Directors' Meeting:

In accordance with the provisions of Schedule IV (Code for Independent Directors) of the Companies Act, 2013 and Regulation 25(3) of Listing Regulations, a meeting of the Independent Directors of the Company was held on 11th February, 2016, without the attendance of Non-Independent Directors and members of the management.

Evaluation of Board Effectiveness

In terms of provisions of the Companies Act, 2013 read with Rules issued there under and Part D of Schedule II of Listing Regulations, the Board of Directors, on recommendation of the Nomination and Remuneration Committee, have evaluated the effectiveness of the Board. Accordingly, the performance evaluation of the Board, each Director and the Committees was carried out for the financial year ended 31st March, 2016. The evaluation of the Directors was based on various aspects which, inter alia, included the level of participation in the Board Meetings, understanding of their roles and responsibilities, business of the Company along with the environment and effectiveness of their contribution.

COMMITTEES OF THE BOARD

The Committees constituted by the Board play a very important role in the governance structure of the Company. The terms of reference of these Committees are approved by the Board and are in line with the requirements of Companies Act, 2013 and Listing Regulations. The minutes of Committee meetings are tabled at the Board meetings and the Chairman of each Committee briefs the members of the Board on the important deliberations and decisions of the respective Committees. The minutes of the proceedings of the Committee Meetings are captured in the same manner as the Board Meetings and in accordance with the provisions of the Companies Act. 2013.

INDEPENDENT AUDITOR'S REPORT

To the Members of Keynote Corporate Service Limited Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of **Keynote Corporate Services Limited** ("the Company"), which comprise the Balance Sheet as at 31 March, 2016, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply

with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March, 2016, and its profit and its cash flows for the year ended on that date.

ANNEXURE - B TO THE INDEPENDENT AUDITORS' REPORT

[Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' Section of our Report of even date]

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Keynote Corporate Services Limited** ("the Company") as of 31 March 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls

over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Date: 26 May 2016

Place : Mumbai

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the

extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in

accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to financial statements for the year ended 31st March 2016

1. CORPORATE INFORMATION

Keynote Corporate Services Limited ("the Company") is a public limited Company domiciled in India and incorporated under the provisions of the Companies Act, 1956. Its registered office is at Mumbai. Its shares are listed on two stock exchanges in India. i.e., BSE Limited (BSE) & National Stock Exchange of India Limited (NSE). The Company is engaged in providing services of Investment Banking, Corporate Advisory Services & ESOP Advisory etc.

2. SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of preparation of financial statements

These Financial Statements are prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) under the historical cost convention on the accrual basis. GAAP comprises mandatory Accounting Standards as prescribed under Section 133 of the Companies Act, 2013 ('Act') read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Act (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The financial statements have been prepared on a going concern basis. GAAP comprises of mandatory accounting standards as prescribed under the Act. Accounting policies have been consistently applied.

(b) Use of estimates

Preparation of the financial statements in conformity with the GAAP requires that the management makes estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities as at the date of the financial statements, and the reported amounts of revenue and expenses during the reported period. Examples of such estimates include provision for doubtful debts, future obligations under employee retirement benefit plans, income taxes and the useful lives of fixed tangible assets and intangible assets.

Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the Management becomes aware of changes in circumstances surrounding the estimates. Difference between the actual results and estimates are recognised in the period in which the results are known.

(c) Current/Non-current classification of assets and liabilities

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. Based on the nature of services and the time between the acquisition of resources for delivery and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as up to twelve months for the purpose of current and non-current classification of assets and liabilities.

(d) Cash flow statement

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

(e) Fixed Assets

- Tangible assets and intangible assets are stated at cost less accumulated depreciation / amortization and impairments, if any.
- Intangible assets acquired separately are measured on initial recognition at cost. Subsequently, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any.
- (iii) Cost includes expenses related to purchases, borrowing costs and any directly attributable cost for bringing the assets to its working condition for its intended use and excludes any duties and taxes recoverable, net of adjustments arising from the exchange rate variations attributable to the assets.
- (iv) Subsequent expenditure related to an item of tangible and intangible fixed asset is capitalised only if it increases the future benefits from the existing assets beyond its previously assessed standards of performance and / or life.
- The advances given for acquiring for fixed assets are shown under loans and advances (capital advances).
- Individual assets costing less than ₹ 5,000 are depreciated in full in the year of acquisition.
- (vii) Gains or losses arising from disposal of assets and losses due to retirement prior to estimated life of assets, which are carried at cost, are recognised in the Statement of Profit & Loss.

- (viii) Items of tangible assets that have been retired from active use and are held for disposal are stated at the lower of their net book value and net realisable value and are shown separately in the financial statements under "Other current assets". Any expected loss is recognised immediately in the Statement of Profit and Loss.
- (ix) Tangible assets and Intangible assets not ready for the intended use on the date of Balance Sheet are stated at Cost as "Capital work-in-progress" and "Intangible Assets under Development" respectively.

f) Depreciation / amortisation on fixed assets

- i) Depreciation is provided on pro rata basis under Straight Line Method, as per the useful life of the assets, on all the tangible fixed assets (including property held as investment) which were in use during the year. Residual value for the assets is considered to be at five percent of the original cost of the asset. If the assets are purchased during the year, depreciation is provided on prorata basis from the date the assets are installed. In case the assets are sold, depreciation is provided on the same up to the date of sale on pro-rata basis.
 - Estimated useful lives of the tangible assets is as prescribed in Schedule II of the Companies Act, 2013, exceptin case of Investment Property.
- Expenses incurred on computer software having enduring benefits are capitalised and amortised on straight line method (SLM) basis, over a period of five years.

g) Impairment of assets

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal / external factors except in case of intangibles under development which are reviewed at every reporting date. An impairment loss is recognized in the Statement of Profit & Loss, wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the higher of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to the present value using a pre-tax discount rate that reflects the current market assessment of time value of money and the risk specifics to the asset

An impairment loss recognised in prior accounting periods is reversed if there has been a change in the estimates of the recoverable amount and such loss either no longer exists or has decreased.

h) Assets acquired under lease

The lease arrangement is classified as either a finance lease or an operating lease, at the inception of the lease, based on the substance of the lease arrangement.

i) Operating Lease

Where the Company is lessee

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease expenses are charged to the statement of profit and loss on straight line basis over lease term

Where the Company is the lessor

Leases in which the Company does not transfer substantially all the risks and benefits of ownership of the asset are classified as operating leases. Assets subject to operating leases are included in fixed assets. Lease income on an operating lease is recognized in the statement of profit and loss on straight line basis over lease term.

ii) Finance lease

A finance lease is a lease that transfers substantially all the risks and rewards incident to ownership of an asset. A finance lease is recognized as an asset and a liability at the commencement of the lease, at the lower of the fair value of the asset and the present value of the minimum lease payments. Initial direct costs, if any, are also capitalized and, subsequent to initial recognition, the asset is accounted for in accordance with the accounting policy applicable to that asset.

Minimum lease payments made under finance leases are apportioned between the finance expenses and the reduction of the outstanding liability. The finance expenses is allocated to each period during the lease term so as to produce a constant periodic rate of interest on the remaining balance of the liability.

i) Borrowing Costs

Borrowing costs include exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost, interest and other financial charges incurred by the Company in connection with the borrowing of funds. Borrowing costs

directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset.

j) Investments

Investments which are readily realisable and intended to be held for not more than one year from the date on which such investments are made, are classified as "Current Investments". On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties. If an investment is acquired, or partly acquired, by the issue of shares or other securities, the acquisition cost is the fair value of the securities issued. All other investments are classified as "Non-Current Investments".

If an investment is acquired in exchange for another asset, the acquisition is determined by reference to the fair value of the asset given up or by reference to the fair value of the investment acquired, whichever is more clearly evident.

Current investments are carried in the financial statements at lower of cost and market value determined on individual investment basis. Non-current investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary diminution in the value of the investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

k) Investment property

Property given on lease is shown as Investment in property under "Non-Current Investments" and is depreciated using Straight Line method.

I) Revenue recognition

- i) Revenue is recognized to the extent that it can be reliably measured and there are no uncertainty about ultimate collection. Income from services is recognized with reference to achievement of milestones defined in the corresponding engagement letters or mandate letters entered with counter party which reflects the proportionate stage of completion.
- ii) Initial acceptance fees is recorded as income after the achievement of the first milestone. In situations where there is no further progress on the mandate, the initial acceptance fees so received, is recorded as income immediately after 12 months from the date of debit note.
- iii) Interest income is recognized on time proportion basis taking into account the amount outstanding and the rate applicable.
- Dividend from investments is accounted for as income when the right to receive the dividend is established.

m) Foreign currency transactions

Foreign currency transactions are recorded using the exchange rates prevailing on the date of the respective transactions or that approximates the actual rate at the date of transaction. Exchange differences arising on foreign currency transactions, settled during the year, are recognised in the statement of profit and loss. The premium or discount on foreign exchange forward contracts is amortized as income or expense over the life of the contract.

Monetary assets and liabilities denominated in foreign currencies as at the balance sheet date are reported using the foreign exchange rates as at the balance sheet date. The resultant exchange differences are recognised in the Statement of Profit & Loss. Non monetary assets and liabilities are carried at the rates prevailing on the date of transaction.

n) Retirement and other employee benefits

i) Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which an entity pays specified contributions to a separate entity and has no obligation to pay any further amounts. Retirement benefits in the form of provident fund and ESIC is a defined contribution plan. The Company's contribution is recognised as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

ii) Defined benefit plans

The Company operates defined benefit plan for its employees, viz., gratuity the costs of providing benefits under these plans are determined on the basis of actuarial valuation at each year-end. Actuarial gains and losses for defined benefit plans are recognized in full in the period in which they occur in the statement of profit and loss. Accumulated leave, which is expected to be utilized

within the next 12 months, is treated as short-term employee benefit. The Company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date.

The Company treats accumulated leave expected to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation.

o) Taxes on income

Income tax expense comprises of current and deferred nature. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act of 1961 enacted in India. Deferred income taxes reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to the taxes on income levied by same governing taxation laws. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. In situations where the Company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits.

Minimum Alternate Tax (MAT) paid in accordance with tax laws, which gives rise to future economic benefits in the form of tax credit against future income tax liability, is recognised as an asset in Balance Sheet if there is convincing evidence that the Company will pay normal tax after tax holiday period and the resultant asset can be measured reliably.

p) Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

The number of shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any share splits and bonus shares issue including for changes effected prior to the approval of financial statements by the Board of Directors.

q) Provisions, Contingent liabilities & Contingent assets

Provision is recognised in the financial statements when there is a present obligation as a result of past event(s) and it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed unless the possibility of outflow of resources is remote.

Contingent assets are neither recognised nor disclosed in the financial statements.

INDEPENDENT AUDITOR'S REPORT

To the Members of Keynote Corporate Services Limited

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of **Keynote Corporate Services Limited** (hereinafter referred to as "the Company") and its subsidiaries (the Company and its subsidiaries together referred to as "the Group") comprising of the Consolidated Balance Sheet as at 31 March 2016, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Management's Responsibility for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these

consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in paragraph of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31 March, 2016, and their consolidated profit and their consolidated cash flows for the year ended on that date.

Other Matters

We did not audit the financial statements of 3 subsidiaries and a trust, whose financial statements reflect total assets of ₹ 780,289,155 as at 31 March, 2016, total revenues of ₹ 134,913,090 and net cash flows amounting to ₹ 312,251,770 for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, insofar as it relates to the aforesaid subsidiaries is based solely on the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

- As required by Section143(3) of the Act, we report, to the extent applicable, that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
 - (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

- (e) On the basis of the written representations received from the directors of the Company as on 31 March, 2016 taken on record by the Board of Directors of the Company and the reports of the statutory auditors of its subsidiary companies incorporated in India, none of the directors of the Group companies incorporated in India is disqualified as on 31 March, 2016 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure"; and
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - the Group does not have any pending litigations which would impact its financial position
 - ii. the Group has made provisions, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivatives contracts.
 - iii. there has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company and its subsidiary companies.

ANNEXURE TO INDEPENDENT AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31 March 2016, we have audited the internal financial controls over financial reporting **Keynote Corporate Services Limited** (hereinafter referred to as "the Company") and its subsidiaries which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the Company and its subsidiaries which are incorporated in India. are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain

reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's

assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company and its subsidiaries which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2016, based on the internal control over financial reporting criteria

established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid reports under Section 143(1) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to 3 subsidiary companies, which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India.

a) Basis of preparation of Consolidated Financial Statements

These consolidated financial statements are prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) under the historical cost convention on the accrual basis. GAAP comprises mandatory Accounting Standards as prescribed under Section 133 of the Companies Act, 2013 ('Act') read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Act (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The consolidated financial statements have been prepared on a going concern basis. GAAP comprises of mandatory accounting standards as prescribed under the Act.

The accounting policies adopted in the preparation of consolidated financial statements are consistent with those of previous year.

Further, where applicable, the Group follows prudential norms for income recognition, assets classification and provisioning for Non-performing assets (NPA), as well as contingency provisions for standard assets, prescribed by the Reserve Bank of India (RBI) for Non-Banking Financial Companies (NBFC). The accounting standards are followed insofar, as they are not inconsistent with the Prudential Norms, prescribed by the

b) Principles and assumptions used for Consolidated Financial Statements

- i) The consolidated financial statements have been prepared applying the principles laid in the Accounting Standard (AS) 21 "Consolidated Financial Statements" issued by the Institute of Chartered Accountants of India as considered appropriate for the purposes of these Consolidated Balance Sheet and Consolidated Statement of Profit and Loss & Consolidated Cash Flow, together referred to as 'Consolidated Financial Statements'. The consolidated financial statements comprise the financial statements of the Company, its subsidiaries and its trust.
- ii) In preparing consolidated financial statements, the financial statements of the parent and its subsidiaries and trust are combined on a line by line basis by adding together like items of assets, liabilities, income and expenses.
- iii) The cost to the parent of its investment in each subsidiary and the parent's portion of equity of each subsidiary, at the date on which investment in each subsidiary is made, is eliminated.
- Keynote Trust has been consolidated. Consequently, the shares held by Keynote Trust in Keynote Corporate Services Limited have been eliminated, on consolidation.
- v) The excess of the cost to the parent of its investment in a subsidiary over the parent's portion of equity of the subsidiary, at the date on which investment in the subsidiary is made, is treated as goodwill & recognized as an asset in the Consolidated Financial Statements.
- vi) When the cost to the parent of its investment in a subsidiary is less than the parent's portion of equity of the subsidiary, at the date on which investment in the subsidiary is made, the difference is treated as a capital reserve in the Consolidated Financial Statements.
- vii) Inter group transactions are eliminated in preparation of Consolidated Financial Statements.
- viii) Following are the Companies / Enterprises whose standalone financial statements have been considered for the Consolidated Financial Statements

		31-Ma	arch -2016	31-	March -2015

Keynote Trust	India	20,000	100%	20,000	100%

c) Use of estimates

Preparation of the consolidated financial statements in conformity with the GAAP requires that the management makes estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities as at the date of the consolidated financial statements, and the reported amounts of revenue and expenses during the reported period. Examples of such estimates include provision for doubtful debts, future obligations under employee retirement benefit plans, income taxes and the useful lives of fixed tangible assets and intangible assets.

Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the Management becomes aware of changes in circumstances surrounding the estimates. Difference between the actual results and estimates are recognised in the period in which the results are known.

d) Current/Non-current classification of assets and liabilities

All assets and liabilities have been classified as current or non-current as per the Group's normal operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. Based on the nature of services and the time between the acquisition of resources for delivery and their realization in cash and cash equivalents, the Group has ascertained its operating cycle as up to twelve months for the purpose of current and non-current classification of assets and liabilities.

e) Cash flow statement

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Group are segregated.

f) Fixed assets

- Tangible assets and intangible assets are stated at cost less accumulated depreciation / amortization and impairments, if any.
- Intangible assets acquired separately are measured on initial recognition at cost. Subsequently, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any.
- iii) Cost includes expenses related to purchases, borrowing costs and any directly attributable cost for bringing the assets to its working condition for its intended use and excludes any duties and taxes recoverable, net of adjustments arising from the exchange rate variations attributable to the assets.
- Subsequent expenditure related to an item of tangible and intangible fixed asset is capitalised only if it increases the future benefits from the existing assets beyond its previously assessed standards of performance and / or life.
- The advances given for acquiring for fixed assets are shown under loans and advances (capital advances).
- vi) Individual assets costing less than ₹ 5,000 are depreciated in full in the year of acquisition.
- vii) Gains or losses arising from disposal of assets and losses due to retirement prior to estimated life of assets, which are carried at cost, are recognised in the Statement of Profit & Loss.
- viii) Items of tangible assets that have been retired from active use and are held for disposal are stated at the lower of their net book value and net realisable value and are shown separately in the consolidated financial statements under "Other current assets". Any expected loss is recognised immediately in the Statement of Profit and Loss.
- ix) Tangible assets and intangible assets not ready for the intended use

on the date of Balance Sheet are stated at Cost as "Capital work-in-progress" and "Intangible Assets under Development" respectively.

g) Depreciation / amortisation on fixed assets

i) Depreciation is provided on pro rata basis under Straight Line Method on all the tangible fixed assets(including property held as investment) which were in use during the year. Residual value for the assets is considered to be at five percent of the original cost of the asset. If the assets are purchased during the year, depreciation is provided on pro – rata basis from the date the assets are installed. In case the assets are sold, depreciation is provided on the same up to the date of sale on pro – rata basis.

Estimated useful lives of the tangible assets is as prescribed in Schedule II of the Companies Act, 2013, except in case of Investment Property.

- Expenses incurred on computer software having enduring benefits are capitalised and amortised on straight line method (SLM) basis, over a period of five years
- iiii) Payments made for the membership of the Bombay Stock Exchange and National Stock Exchange has been treated as "Intangible asset". However, considering the enduring nature of the stock exchange membership, the same has not been amortised.

h) Impairment of assets

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal / external factors except in case of intangibles under development which are reviewed at every reporting date. An impairment loss is recognized in the Statement of Profit & Loss, wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the higher of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to the present value using a pre-tax discount rate that reflects the current market assessment of time value of money and the risk specifics to the asset.

An impairment loss recognised in prior accounting periods is reversed if there has been a change in the estimates of the recoverable amount and such loss either no longer exists or has decreased.

i) Assets acquired under lease

The lease arrangement is classified as either a finance lease or an operating lease, at the inception of the lease, based on the substance of the lease arrangement.

i) Operating lease

Where the group is lessee

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease expenses are charged to the statement of profit and loss on straight line basis over lease term.

Where the group is the lessor

Leases in which the Group does not transfer substantially all the risks and benefits of ownership of the asset are classified as operating leases. Assets subject to operating leases are included in fixed assets. Lease income on an operating lease is recognized in the statement of profit and loss on straight line basis over lease term.

ii) Finance lease

A finance lease is a lease that transfers substantially all the risks and rewards incident to ownership of an asset. A finance lease is recognized as an asset and a liability at the commencement of the lease, at the lower of the fair value of the asset and the present value of the minimum lease payments. Initial direct costs, if any, are also capitalized and, subsequent to initial recognition, the asset is accounted for in accordance with the accounting policy applicable to that asset.

Minimum lease payments made under finance leases are apportioned between the finance expenses and the reduction of the outstanding liability. The finance expenses is allocated to each period during the lease term so as to produce a constant periodic rate of interest on the remaining balance of the liability.

j) Borrowing costs

Borrowing costs include exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost, interest and other financial charges incurred by the Group in connection with the borrowing of funds. Borrowing costs directly attributable to the acquisition, construction or production of an asset that

necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset.

k) Stock-in-trade

The securities held as stock-in-trade are valued at lower of cost or market value.

Investments

Investments which are readily realisable and intended to be held for not more than one year from the date on which such investments are made, are classified as "Current Investments". On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties. If an investment is acquired, or partly acquired, by the issue of shares or other securities, the acquisition cost is the fair value of the securities issued. Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as "Non-Current Investments".

If an investment is acquired in exchange for another asset, the acquisition is determined by reference to the fair value of the asset given up or by reference to the fair value of the investment acquired, whichever is more clearly evident.

Current investments are carried in the consolidated financial statements at lower of cost and fair value determined on Individual investment basis. Non-current investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

m) Investment property

Property given on lease is shown as Investment in property under "Non-Current Investments" and is depreciated using Straight Line method.

n) Revenue recognition

- Revenue is recognized to the extent that it can be reliably measured and there is no uncertainty about ultimate collection. Income from services is recognized with reference to achievement of milestones defined in the corresponding engagement letters or mandate letters entered with counter party which reflects the proportionate stage of completion.
- ii) Initial acceptance fees is recorded as income after the achievement of the first milestone. In situations where there is no further progress on the mandate, the initial acceptance fees received, is recorded as income after 12 months from the date of debit note.
- iii) Brokerage income, including brokerage on commodity transactions, is recognised on trade date basis and is exclusive of service tax and Securities Transaction Tax (STT)/Commodities transaction Tax (CDT), wherever applicable.
- iv) Advisory and transactional processing fees income is accounted on an accrual basis, in accordance with the terms of contracts, entered into between the Group and the counter party.
- Income from investment in Mutual Funds is accounted when the same is distributed by the Fund. Return of capital contribution is reduced from the original cost of investments.
- vi) Profit / loss on sale of securities held as stock in trade is calculated on first-in-first-out (FIFO) basis.
- vii) Profit/loss on equity derivative transactions is accounted for as explained below:
 - a) Initial and additional margin paid over and above initial margin, for entering into contracts for Equity Index/Stock Futures or equity Index/stock options which are released on final settlement/ squaring-up of underlying contracts are disclosed under Current Assets, Loans and advances. "Mark-to-market margin- Equity Index/Stock Futures" representing the amounts paid in respect of mark to market margin is disclosed under Loans and Advances and amount received is shown under Current Liabilities.
 - "Equity Index/Stock Option Premium Account" represents premium paid or received for buying or selling the options, respectively.
 - c) On final settlement or squaring-up of contracts for equity index / stock futures, the realized profit or loss is recognized in the Profit and Loss Account. On settlement or squaring-up of equity index / stock options before expiry, the premium prevailing in "Equity

Index/Stock Option Premium Account" on that date is recognized in the Statement of Profit and Loss. When more than one contract in respect of the relevant series of equity index/ stock futures or equity index/stock options contract to which the squared-up contract pertains is outstanding at the time of the squaring-up of the contract, the contract price of the contract so squared-up is determined using the weighted average cost method for calculating the profifloss on squaring-up.

- d) As at the balance sheet date, the mark to market / unrealized profit / (loss) on all outstanding hedged transactions comprising of Securities and Equity Derivatives positions is determined on a Portfolio basis with net unrealized losses being recognized in the Statement of Profit and Loss. Unrealized gains (on overall portfolio basis) are not recognized in the Statement of Profit and Loss on grounds of prudence as enunciated in Accounting Standard (AS) 1, "Disclosure of Accounting Policies". In respect of other transactions, the unrealized losses on equity derivatives determined on script basis are recognized in Statement of Profit and Loss and unrealized gains are ignored; and in case of securities (shares, etc.) the net unrealized gains are ignored in Profit & Loss account and net unrealized gains are ignored.
- viii) Account opening charges are recognized on accrual basis.
- ix) Income,including interest / discount or any other charges on Non-Performing Assets (NPA) are recognised as income, only when it is actually realised. However, any unrealisable income which is earned on Non- Performing Assets (NPA) would be adjusted / reversed during the year of classification. Dividend from investments is accounted for as income when the right to receive the dividend is established.
- Interest income is recognized on time proportion basis taking into account the amount outstanding and the rates applicable.
- xi) Income from depository operations etc. is recognized on accrual

o) Foreign currency transactions

Foreign currency transactions are recorded using the exchange rates prevailing on the date of the respective transactions or that approximates the actual rate at the date of transaction. Exchange differences arising on foreign currency transactions, settled during the year, are recognised in the statement of profit and loss. The premium or discount on foreign exchange forward contracts is amortized as income or expense over the life of the contract.

Monetary assets and liabilities denominated in foreign currencies as at the balance sheet date are reported using the foreign exchange rates as at the balance sheet date. The resultant exchange differences are recognised in the Statement of Profit & Loss. Non monetary assets and liabilities are carried at the rates prevailing on the date of transaction.

p) Retirement and other employee benefits

i) Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which an entity pays specified contributions to a separate entity and has no obligation to pay any further amounts. Retirement benefits in the form of provident fund and ESIC is a defined contribution plan. The Group's contribution is recognised as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

ii) Defined benefit plans

The liability in respect of defined benefit plans and other- post employee benefits is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services.

The Group operates defined benefit plan for its employees, viz., gratuity the costs of providing benefits under these plans are determined on the basis of actuarial valuation at each year-end. Actuarial gains and losses for defined benefit plans are recognized in full in the period in which they occur in the statement of profit and loss

Leave encashment is provided on the basis of earned leave standing to the credit of the employees and the same is discharged by the Group subsequent to the calendar year end.

Accumulated leave, which is expected to be utilized within the next 12 months, is treated as short-term employee benefit. The Group measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date.

The Group treats accumulated leave expected to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation.

q) Taxes on income

Income tax expense comprises of current and deferred nature. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act of 1961 enacted in India. Deferred income taxes reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to the taxes on income levied by same governing taxation laws. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. In situations where the Company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits.

Minimum Alternate Tax (MAT) paid in accordance with tax laws, which gives rise to future economic benefits in the form of tax credit against future income tax liability, is recognised as an asset in Balance Sheet if there is convincing evidence that the Company will pay normal tax after tax holiday period and the resultant asset can be measured reliably.

r) Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

The number of shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any share splits and bonus shares issue including for changes effected prior to the approval of financial statements by the Board of Directors.

s) Segment reporting

The Group identifies primary segments based on the dominant source, nature of risks and returns and the internal organisation and management structure. The accounting policies adopted for segment reporting are in conformity with the accounting policies adopted for the Group. Further, segment revenue, expenses, assets and liabilities have been identified to segments on the basis of their relationship to the operating activities of the segment revenue, expenses, assets and liabilities, which relate to the Group as a whole and are not allocable to segments on a reasonable basis, have been included under "Un-allocated corporate expenses net of un-allocated income.

t) Provisions, Contingent liabilities & Contingent assets

- i) Provision is recognised in the consolidated financial statements when there is a present obligation as a result of past event(s) and it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.
- i) Provisioning on Receivables from Financing Business:
 - a) Provision for standard assets is made on the basis of prudential norms prescribed for NBFCs by Reserve Bank of India.
 - Provision for non performing asset is based on the management's assessment of the degree of impairment of the loan asset the level of provisioning required as per the prudential norms prescribed for NBFCs by Reserve Bank of India.

Contingent liabilities are disclosed unless the possibility of outflow of resources is remote.

Contingent assets are neither recognised nor disclosed in the consolidated financial statements.

29 CONTINGENT LIABILITIES

(to the extent not provided for)

(I) Keynote Corporate Services Limited

- (a) The Company has provided corporate guarantees aggregating to ₹ 220,000,000 (Previous year ₹ 220,000,000) to the bankers of its subsidiary, Keynote Capitals Limited towards BSE & NSE operations.
- (b) During the year the Company has received a communication from the Ruby Mills Limited (premises in which the Company owns office space) requesting the Company to make the payment of Company's share of property tax payable to Brihanmumbai Mahanagar Palika amounting to ₹88,04,205/- for the period between October 2011 to March 2015 of which 50% is payable by Keynote Capitals Limited, subsidiary company. The Company has represented to Brihanmumbai Mahanagar Palika on the grounds that the Company is entitled to exemption under Information Technology Policy of Government of Maharashtra as it has ITES registration in place besides there being discrepancy in the carnet area of its premises basis which the share of such tax amounts to around ₹ 15,00,000 only. The Company has submitted relevant documents substantiating its submissions to the concerned Regulatory Authority. Accordingly, based on the calculations made by the Company, an amount of ₹ 7,50,000/- has been paid to Brihanmumbai Mahanagar Palika(further amount of ₹ 7,50,000/- is separately paid by the subsidiary company) and charged to statement of Profit & Loss. Pending response from the Brihanmumbai Mahanagar Palika, no further provision has been recognised by the Company.

(II) Keynote Capitals Limited

- (a) The Company had filed an appeal for Assessment Year 2011-12 before the Commissioner of Income Tax (Appeals), against the total disputed liability of ₹ 7,42,946.
- (b) The company had filed an appeal for Assessment Year 2012-13 before the Commissioner of Income Tax (Appeals) against the total disputed liability of ₹ 2,21,950.

The Company has not made any provisions in respect of above matters which are pending before various appellate authorities, since we have been advised by the tax consultant, that in the previous two assessment years the judgement has been in favour of the company. Hence no liability has been provided for the same in the financial statements

(c) The Company has been filed an Arbitration Petition in the High Court, Mumbai against arbitrary order of Appellate bench of National Stock Exchange of India Limited amounting to ₹ 2,35,16,348 in the matter of "Eco Recycling Limited v Keynote Capitals Limited" and as on date the arbitration petition is duly admitted in the Hon'ble High Court, Mumbai. The Management of the Company believes that the ultimate outcome of these proceedings will not have a material adverse effect on the company's financial position and results of operations.

(III) Keynote Fincorp Limited

Contingent liability not provided for in respect of disputed income tax demand of $\overline{\varsigma}$ 5,38,36,990 for Assessment Year 2012-13 & $\overline{\varsigma}$ 5,64,61,650/- for Assessment Year 2013-14 respectively, as the company has contested the entire demand before first Appellant Authority.

The Management of the Company believes that the ultimate outcome of these proceedings will not have a material adverse effect on the company's financial position and results of operations.
