MANAGEMENT DISCUSSION AND ANALYSIS REPORT-16-17

INDUSTRY OVER VIEW 2016-17

The year 2016-17 was a volatile and challenging year when the economy faced strong head winds and as a consequence the industry ended at its lowest levels since 2009.

In the year a barrage of policy initiatives, aimed at purging India of black money and instilling greater transparency, had rocked the Country's economy, including its gold and jewellery market.

The first half of the year saw quite a bit of turmoil in the market leading to damping of consumer sentiments across the board and a steep de-growth in the market which was marked by weak wedding and festival purchases. With the re-introduction of excise duty on the jewellery sector which led to a 42 days strike by the jewellery manufacturers, further impacted the market and the usual sales during Akshaya Tritiya period was also lost.

The second half of the year did see some recovery, however the same did not sustain due to the most dramatic and radical decision to demonetize over Rs.15 trillion in November, causing liquidity squeeze in the whole market, Income Disclosure Schemes, leading to fear of backlash by tax officials, consumers deferred their purchases.

The last quarter of the year saw some improvements and relative stability in the domestic market. Continued demonetisation by the Reserve Bank of India, some positive consumer sentiments ahead of the auspicious wedding season led to some recovery; however demand remained relatively weak in a historical context, 18% below the 5 year quarterly average.

OUTLOOK FOR 2017-18

After a challenging 2016, India's gold market may face some head winds. We hold a cautious view for 2017-18, some of the key factors which may influence the market-

- Lingering effect of the policies implemented last year
- Ban on cash transactions over Rs.2 lacs from 1st April 2017
- Mandatory PAN Card details for purchases above Rs.2 lacs
- Impact of sovereign gold bonds on gold coins and bars, as nearly 50% purchases in India account as investment purchases
- Impact of GST

OPPORTUNITIES AND THREATS

The Government's tough stance on black money and cash transactions and coupled with introduction of GST from July'2017 would create a level playing field for Organized and Branded players like ATLAS and the consumer preference towards organized sector would have a positive impact on the Company.

Further the Company also sees great opportunities in tier 2 and tier 3 cities and towns where the Company is not present and it needs to have an aggressive plan to reach some of these towns in the current financial year.

Obviously a challenging environment has led to intense competition from national, regional and local players impacting the margins and profitability.

Diamond segment has also been quite weak and if it does not recovery substantially it would also have a very strong impact on bottom lines.

Lastly there has been a noticeable shift in consumer tastes and preferences, with the movement being towards low cost, less weight items. This change in consumer preferences would also have a strong impact on the business,.

RISKS AND CHALLENGES

The Company is of the view that most of the regulatory or policy un-certainties have already played out and with a stable GST things would only improve in the long term. Further the organized/branded market may see better gains because of indirect tax reforms however there are certain concerns that may impact the Company-

1. The Company's promoters being able to provide funding support to the Company
2. The Company's ability to execute its strategy
3. Consumer sentiments and economic stability in the Country.

PRODUCT-WISE PERFORMANCE.

The Company is a single product entity, viz jewellery and its operations include retail and export of jewellery. The jewellery has three subsets consisting of gold, diamonds and others.

During the year under review there was no export of jewellery. 100% revenue from operation was from domestic sale.

The Company continues to focus on diamond jewellery by bringing out new varieties to suit a larger cache of customers at regular intervals.

INTERNAL CONTROL SYSTEMS

The Company has a proper and adequate system of internal controls. This ensures that all transactions are authorised, recorded and reported correctly, and assets are safeguarded and protected against loss from unauthorized use or disposition. In addition, there are operational controls and fraud risk controls, covering the entire spectrum of internal financial controls.

An extensive programme of internal audits and management reviews supplements the process of internal financial control framework. Properly documented policies, guidelines and procedures are laid down for this purpose. The internal financial control framework has been designed to ensure that the financial and other records are reliable for preparing financial and other statements and for maintaining accountability of assets.

In addition, the Company has identified and documented the risks and controls for each process that has a relationship to the financial operations and reporting. The Company also has an Audit Committee to interact with the Statutory Auditors, Internal Auditors and Management in dealing with matters within its terms of reference. This Committee mainly deals with accounting matters, financial reporting and internal controls.

FINANCIAL PERFORMANCE

The financial statements of the Company have been prepared in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). The financial statements have been prepared on a going concern basis and the accounting policies adopted in the preparation of the

financial statements are consistent with those followed in the previous year.

The highlights of the financial performance of the Company during the year are as under:

(Rs. In Lacs)

HUMAN RESOURCES / INDUSTRIAL RELATIONS

The Company's human resources philosophy is to establish and build a strong performance and competency driven culture with greater sense of accountability and responsibility. The Company acknowledges that its principal asset is its employees. The expertise of the management team, the professional training provided to the staff, their personal commitment and their spirit of teamwork together enhance the Company's net worth.

The Company has taken various steps for strengthening organizational competency through the involvement and development of employees as well as installing effective systems for improving their productivity and accountability at functional levels.

Ongoing in-house and external training is provided to employees at all levels to update their knowledge and upgrade their skills and abilities. The effort to rationalize and streamline the workforce is a continuous process. As on March 31, 2017, the Company had 27 full-time employees. The industrial relations scenario has remained harmonious throughout the year.

INDEPENDENT AUDITOR'S REPORT

**To the Members of
ATLAS JEWELLERY INDIA LIMITED**

Report on the Financial Statements

We have audited the accompanying financial statements of Atlas Jewellery India Limited ("the Company"), which comprises the Balance Sheet as at 31st March, 2017, the Statement of Profit and Loss and Cash Flow Statement for the year then ended on that date, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with rule 7 of Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; design, implementation and maintenance of adequate internal financial controls, that are operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements, that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31st March, 2017, its profit/loss and its cash flows for the year ended on that date.

Emphasis of Matters

We draw attention to the following matters in the Notes to the financial statements:

- (i) Note 26.1 to 26.4 in the financial statements indicates that the Company has an overseas debtor “M/S Satwa Precious Metals & Bullion Trading (FZE)” amounting to Rs.1,34,70,02,082/- which constitutes more than 80% of company’s Total Assets as at the balance sheet date. The Company has filed a recovery suit against the said party bearing No. IOP No. 7 of 2016 before the Honorable Sub Court, North Paravoor, Kerala for recovery of its entire export dues and as a consequence of the filing of recovery suits the debt gets classified as legal debtors. Since the matter is under judicial review the company has not created any provision for the bad and doubtful debts in the current financial year.
- (ii) Note 26.5 to the financial statements describes that The company has booked Rs 1,81,13,747 as loss of fixed assets (leasehold improvements) due to termination of leave and license agreement for its showroom premises at Vashi, Navi Mumbai and as part of its business strategy the Company has also exited its leave and license agreement executed with Phoenix Market City Mall, Bengaluru. The portion of this amortized fixed asset was 38% approximately of the Company’s Total Fixed Assets (including the said asset) as at balance sheet date. Further in Previous financial year the company had terminated its lease agreement from a leased property in Chennai also which indicates that the company is exiting from its lease agreements regularly and there is a down trend towards to business operations of the company.
- (iii) Note 25 to the financial statements describes that Balances of Sundry Debtors, Sundry Creditors, and Long Term Loans & advances (Other Loans & Advances) and Short Term Loan & Advances are subject to confirmation as on balance sheet date.
- (iv) A statement from the company in Note 36 to the financial statements describes that: “There is a complaint filed in “Economic Offence Department (EOW)” against the company and its promoters by Commercial Bank of Dubai (Complainant). The complainant has mixed up issues and tried to bring a private arrangement between the Complainant and the promoter which had purportedly taken place sometime in April, 2013 in United Arab Emirates (U.A.E) to India and make our Company, as parties to the complaint. The Company is no way connected to the alleged transaction nor concerned with the same or has been aware of the same till the complaint was lodged. However, the Company as a law abiding citizen had provided all the necessary information as being sought from it by the investigating officer and fully co-operating and supporting the investigation in order to bring the matter for an early closure”.

These conditions, along with the Going Concern matter stated in Note 26, indicates the existence of a material uncertainty that may cast significant doubt about the Company’s ability to continue as a going concern. However,

the financial statements of the Company have been prepared on a going concern basis for the reasons stated in the said Note.

Our opinion is not modified in respect of these matters.

Report on Other Legal and Regulatory Requirements

1. **As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" statement on the matters Specified in paragraphs 3 and 4 of the Order, to the extent applicable.**
2. As required by section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - (b) In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
 - (c) The Balance Sheet, Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid financial statements comply with the applicable Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
 - (e) The going concern matter described under the Emphasis of Matters paragraph above, in our opinion, may have an adverse effect on the functioning of the Company.
 - (f) On the basis of written representations received from the directors as on March 31, 2017, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2017, from being appointed as a director in terms of Section 164(2) of the Act.
 - (g) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**".
 - (h) With respect to other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The Company has disclosed the impact of pending litigations, wherever quantifiable, on its financial position in its financial statements - Refer Note 22 to the financial statements.

- (ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

- (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

“Annexure B” to the Independent Auditor’s Report of even date on the Financial Statements of Atlas Jewellery India Limited.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Atlas Jewellery India Limited (“the Company”) as of March 31, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s Board of Directors is responsible for establishing and maintaining internal financial controls. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that:

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions

and dispositions of the assets of the company;

- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017.

SIGNIFICANT ACCOUNTING POLICIES

a. Basis of Preparation of Financial Statements

The financial statements are prepared under the historical cost conventions on accrual basis in accordance with the Accounting Standards as prescribed under section of Section 133 of the Companies Act, 2013 ('the act') read with Rule 7 of the Companies Account Rules 2014, the provisions of the Act (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI) and in accordance with the accounting principles generally accepted in India.

b. Consistency

The foregoing accounting policies are applied consistently except as otherwise stated in the Notes to Accounts.

c. Inventories

Inventories are valued at the lower of cost or net realizable value as prescribed in Accounting Standard – 2.

d. Fixed Assets

- a. Tangible Assets – Tangible Assets are stated at cost, less accumulated depreciation and impairment, if any. Direct costs are capitalized until such assets are ready for use.
- b. Intangible Assets – Intangible assets are recorded at the consideration paid for acquisition of such assets and are carried at cost less accumulated amortization and impairment.

e. Depreciation & Amortization

Depreciation on Tangible Assets is provided on the Written down Value method over the useful life of the Assets estimated by the management. Depreciation for Assets purchased / sold during a period is proportionately charged. Intangible Assets are amortized over their respective individual estimated useful life on a Written down Value Method Basis, commencing from date of Assets is available to the company for its use. Further Pursuant to the enactment of Companies Act 2013, the company has applied the estimated useful lives as specified in Schedule II of the Companies Act 2013. Accordingly the carrying value is depreciated over the remaining useful lives. The management estimates the useful life for the fixed assets as follows:-

Leasehold Improvements	5 - 9 years
Computer Equipments	3 years
Office Equipments	5 years
Electricals Equipments	10 years
Furniture & Fixtures	10 years
Plant & Machinery	15 years

f. Expenses Recognition

Expenses are accounted for on Accrual basis and provision are made for all known Liabilities except ROC fees.

g. Retirement benefits to employees

Company's contribution to Provident Fund and Family Pension Fund are charged to Profit & Loss Account. Other retirement benefits to employees are not applicable during the current financial year 2016-17.

h. Use of Estimates

The preparation of financial statement requires management to make certain estimates and assumptions that affect the amounts reported in the financial statements and notes thereto. Differences between actual results and estimates are recognized in the period in which they are materialize.

i. Operating Leases

Leases in which a significant portion of the risk and rewards of ownership are retained by the lessor are classified as Operation Leases in Accounting Standard - 19. Lease Rental for Operation Leases are charged to statement of profit and loss on accrual basis in accordance with the respective lease agreements

j. Provision for Current tax, Deferred & MAT

Provision for current tax is made after taking into consideration benefits admissible under the provisions of the Income Tax Act, 1961. Deferred Tax resulting from "timing difference" between book and taxable profit is accounted for using the tax rates and laws that have been enacted or substantively enacted as on the balance sheet date. The deferred tax asset is recognized and carried forward only to the extent that there is a reasonable certainty that the assets will be realized in future. There is no MAT credit available to the company.
