Statement of Significant Accounting Policies and Practices

(Annexed to and forming part of the financial statements for the year ended 31st March, 2015)

I. Basis for Preparation of Financial Statements:

These financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values. GAAP comprises mandatory accounting standards as prescribed under Section 133 of the Companies Act, 2013 ('the Act') read with Rule 7 of the Companies (Accounts) Rules, 2014, the provisions of the Act (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

II. Use of Estimates:

The preparation and presentation of financial statements requires estimates and assumptions and/or revised estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of financial statements and reported amount of revenues and expenses during the reporting period. Differences between the actual results and estimates are recognized in the period in which the results are known/materialised.

III. Cash Flow Statement:

Cash flows are reported using the indirect method, whereby profit/ (loss) before tax is adjusted with Cash and cash equivalents (with an original maturity of three months or less) held for the purpose of meeting short-term cash commitments.

IV. Revenue Recognition:

Company generally follows the mercantile system of accounting and recognizes income and expenses on accrual basis, including provisions or adjustments for committed obligations and amounts demined as payable or receivable during the year.

V. Fixed Assets & Method of Depreciation:

There are no fixed assets for the company. Hence AS-10 "Accounting for Fixed assets" and AS-6 "Accounting for Depreciation" are not applicable to the company for this financial year.

VI. Foreign Currency Transactions:

There is no foreign currency transaction for the company during the year; hence AS-11 "Accounting for foreign exchange" is not applicable for this year.

VII. Employee Benefits:

Expenses and Liabilities in respect of employee benefits are recorded in accordance with Revised Accounting Standard 15 – Employee Benefits (Revised 2005) issued by the Institute of Chartered Accountants of India (the "ICAI").

VIII. Earnings per share:

Basic earnings per share is computed by dividing the profit/ (loss) after tax (including the post-tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year.

The weighted average number of equity shares outstanding during the period is adjusted for events including a bonus issue, bonus element in a rights issue to existing shareholders, share split and reverse share split (consolidation of shares).

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

IX. Related Party Transactions:

During the Financial Year 2014-15, there is no transaction made with related party, therefore the Accounting standard-18 "Related Party disclosure" is not required.

X. Taxes on Income:

Income-tax expense comprises current tax and deferred tax charge or credit. Provision for current tax is made on the basis of the assessable income at the tax rate applicable to the assessment year 2015-16.
