a] Industry Structure & Developments :

The Company is engaged in the business of manufacturing glass containers. Products are mainly being supplied to the Spirits, Soft Drink and Food Industries. The growth factors in Spirits is highest and growing each year with double digit growth. With several Multi National Companies arranging tie up with Indian Manufacturing units, the Company's future growth prospects appear to be bright. Ban enforced by the Central Government for use of PET bottles in Pharmaceutical Industry gave much needed boost to the Glass industry.

b] Opportunities & Threats

Though advanced economies have taken a positive turn on growth front with US having achieved 2.4% and with overall growth of 1.8% on an average, China has of late, been a cause of concern having recorded slowest growth rate during last 24 years. As a result overall growth rate of Emerging market has slid to 4.6% against 5% in the previous year. However, Indian industry has witnessed an improvement in the economy with recent pickup in high speed indicators such as Purchasing Manager's Index [PMI]. Findings of the CII ASCON industry survey for the first quarter of fiscal 2016 also indicate a reversal from slowdown to recovery adding to evidence that Indian economy is looking up despite many challenges. A stable Government at the Centre has initiated structural reforms including 'Make in India', to put the economy on an accelerated growth path which, in due course, will open up further opportunities for the manufacturing sector and consequent economic growth in India.

c] Segment-wise or Product-wise Performance

Your Company's business activity falls within a single primary business segment viz. bottles / containers. As such there are no separate reportable segments as per Accounting Standard-17 issued by the Institute of Chartered Accountants of India.

d] Outlook

Capacity expansion is on the anvil of your Company's existing plans. Form No. MR-3**SECRETARIAL AUDIT REPORT**FOR THE FINANCIAL YEAR ENDED ON 31ST MARCH, 2015

[Pursuant to section 204[1] of the Companies Act, 2013 and rule No.9 of the Companies
[Appointment and Remuneration of Managerial Personnel] Rules, 2014]

To,
The Members
HALDYN GLASS LIMITED
Regd. Off: Village: Gavasad
Dist: Padra, Baroda – 391430 [Gujarat]

I/We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **HALDYN GLASS LIMITED** [hereinafter called the Company]. Secretarial Audit was conducted in a manner that provided me/us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the Financial Year ended on 31st March, 2015 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company as per Annexure I for the Financial Year ended on 31st March, 2015 according to the provisions of:

- [i] The Companies Act, 2013 [the Act] and the rules made thereunder;
- [ii] The Securities Contracts [Regulation] Act, 1956 ['SCRA'] and the rules made there-under;
- [iii] The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- [iv] Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- [v] The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ['SEBI Act']:-
 - [a] The Securities and Exchange Board of India [Substantial Acquisition of Shares and Takeovers] Regulations, 2011;
 - [b] The Securities and Exchange Board of India [Prohibition of Insider Trading] Regulations, 1992;
 - [c] The Securities and Exchange Board of India [Issue of Capital and Disclosure Requirements] Regulations, 2009;
 - [d] The Securities and Exchange Board of India [Employee Stock Option Scheme and Employee Stock Purchase Scheme] Guidelines, 1999;
 - [e] The Securities and Exchange Board of India [Issue and Listing of Debt Securities] Regulations, 2008;
 - [f] The Securities and Exchange Board of India [Registrars to an Issue and Share Transfer Agents] Regulations, 1993 regarding the Companies Act and dealing with client;
 - [g] The Securities and Exchange Board of India [Delisting of Equity Shares] Regulations, 2009; and
 - [h] The Securities and Exchange Board of India [Buyback of Securities] Regulations, 1998;
 - [i] other laws as applicable specifically to the company as informed by the management broadly covering Product Laws, Pollution Laws, Manufacturing Laws, Safety Laws and other General and Commercial Laws including Industrial Laws & Labour Laws.

However, it has been found that there were no instances requiring compliance with the provisions of the laws indicated at point [c] to [h] of para [v] mentioned hereinabove during the period under review.

I have also examined compliance with the applicable clauses of the following:

- [i] Secretarial Standards issued by The Institute of Company Secretaries of India.
- [ii] The Listing Agreements entered into by the Company with the Bombay Stock Exchange Ltd.;

However, it was noted that compliance of secretarial standards issued by ICSI were not mandatory as none of the standards were notified during the period under review.

During the period under review the Company has generally complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, mentioned hereinabove and there is adequate compliance management system for the purpose of other laws. We have relied on the representations made by the Company and its officers for systems and mechanisms formed by the Company for compliances under other laws and regulations applicable to the Company. We have relied on the report of internal as well as statutory auditors of the Company for compliance system relating to direct tax, indirect tax and other tax laws.

However it has been inferred from the Auditors report as well as Note 31 relating to contingent liabilities forming part of the financials that there were certain statutory dues relating to taxes and duties which were not deposited due to disputes and the Company had preferred appeal with the respective authorities. Moreover it has been noted that the Company had in earlier year filed complaint against its ex-employees for purported misappropriation of funds within the Company. These employees have leveled counter charges/complaint against the management of the Company with various authorities. The Company has suitably replied to those clarifications sought for. The management of the Company does not perceive that any financial/other adjustment is required to be made in the books of accounts of the Company arising out of the said matter.

The Company had made representation before various authorities by taking legal recourse as per advise of legal counsel from time to time in the matter of other litigations/disputes by and against the company under other commercial laws.

I further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decisions of the Board and committee meetings are carried out unanimously as recorded in the minutes of the meeting of the board of directors or committees thereof as the case may be. There were no dissenting views of any member of the Board or committees thereof during the period under review.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I/we further report that during the audit period there were no specific events / actions having a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc. referred to above more specifically related to Public/Right/Preferential issue of shares / debentures/sweat equity, etc., Redemption / buy-back of securities, Merger, Amalgamations, Reconstructions and Foreign technical collaborations. However, the company had passed necessary resolutions under section 180 [1] [a] and 180 [1] [c] relating to borrowing powers and offering securities for the same.
