OPERATIONS

As you are aware, that the shareholders had approved a scheme for demerging Paper manufacturing activity of the Company into Pudumjee Paper Products Ltd. (PPPL) with effect from the appointed date 1.4.2014. Directors are pleased to inform that the Bombay High Court has sanctioned the scheme on 8.1.2016 which, after necessary compliances, has become effective on 1.2.2016. Accordingly all the assets and liabilities and the employees of the demerged paper manufacturing business have been transferred and in consideration, the shareholders of our Company have been allotted in aggregate 81,00,000 equity shares of Pudumjee Paper Products Ltd., without payment. These shares have been listed for trading on 30.3.2016. As provided by the scheme, the Company has also allowed PPPL to use its site at Pune under Leave and License agreement for a period of 5 years to enable them to relocate their expanded manufacturing operations at Mahad. All the provisions of the scheme have been given effect to in the accounts.

After having demerged, the paper manufacturing business the company will be planning to develop about 20 acres of land which it has at Pune as well as at Narsingpur - Madhya Pradesh. The land at Pune after its vacation by PPPL can be taken up for development. The land at Narsingpur which is very close to the upcoming NSEW golden quadrangle highway on the outskirts of City of Narsingpur can also be simultaneously planned for development. Additionally, the company also invests funds in the group companies on commercial terms, the income therefrom has been shown as Other Income in the accounts.

PUDUMJEE INDUSTRIES LIMITED

After demerger, and on allotment of shares by PPPL, the company has become the single largest shareholder of PPPL holding more than 1.7 crores shares or about 18%, both directly and through subsidiary companies. This holding is likely to benefit the company over a period of time.

Pudumjee Hygiene Products Ltd (PHPL) the Company's wholly owned subsidiary who was also party to the aforesaid scheme of demerger has demerged its business of hygiene products to PPPL and is currently continuing its business of machinery leasing to tissue converters. The company as a sole shareholder has been allotted shares by PPPL. The accounts of PHPL shows a loss of ₹ 7.58 crores primarily because of provision for impairment of goodwill generated (being excess of assets over liabilities transferred to PPPL) on demerger.

Pudumjee Hygiene Products Ltd and Pudumjee Holding Ltd. another wholly owned subsidiary engaged in the investment activity and holds 19,600 and 2,25,000 equity shares in PPPL respectively, originally subscriber to Memorandum of Association.

ANNEXURE B TO INDEPENDENT AUDITORS' REPORT

Referred to in Paragraph 2(f) under the heading of "report on other legal and regulatory requirements" of our report of even date of the financial statements for the year ended 31st March 2016.

Report in the Internal financial controls under clause (i) of sub Section 3 of Section 143 of the companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Pudumjee Industries Ltd ("the Company") as of 31st March 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'), These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over

financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in ail material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
