ANNEXURE TO NOTICE:

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013 AND SECTION 110 OF THE COMPANIES ACT, 2013 READ WITH THE COMPANIES (MANAGEMENT AND ADMINISTRATION) RULES, 2014 IS ANNEXED HEREWTO.

Item No. 4

Pursuant to the provisions of section 149 of the Companies Act, 2013 ("2013 Act") which came into effect from April 1, 2014, every listed Company is required to have at least one-third of the total number of Directors as Independent Directors, who are not liable to retire by rotation. The Securities and Exchange Board of India ("SEBI") vide its circular has directed that these Independent Directors are required to be appointed for 3 to 5 consecutive years and for maximum two term of such three to five years and those Independent Directors who have already served for ten or more years will serve for a maximum period of one term of five years. The Board of Directors at its meeting held on May 23, 2014 has adopted the provisions with respect to appointment and tenure of Independent Directors which is consistent with the 2013 Act and the SEBI circular. In effect the transition will be managed by re-appointing such Independent Directors for a period of one more term that does not exceeds 5 years.

A Short brief about the Independent Directors is mentioned below:

Mr. Vijaykumar Nanappan Nair is a graduate in Psychology. He has pursued Diploma in Business Administration and Diploma in Effective Business Communication. He holds more than 35 years of experience in Automobile Battery Industry and recently served as the National Head. As National Head, Mr. Vijaykumar built a nation wide battery sales and service organization and established a new brand on the national level within a span of 18 months. He has visited various parts of the country to develop business across India. He has also visited countries like Sri-Lanka, Malaysia, Singapore & Bangladesh for building Business relationships. He was a member of Ahmedabad Management Association and has been a member of Gujarat Sports Club for 17 years.

The Ordinary Resolutions are recommended by the Board for the approval of the Members.

Item No.5:

Mr. Pritam A. Doshi, aged 45 years, is a promoter and Managing Director of the Company and having over 23 years of industry experience in the field of Bioengineering, management, information technology, investment strategy etc. The current term of appointment of Mr. Pritam Doshi as a Managing Director of the Company expired on March 31, 2018 and board of directors, subject to approval of members, appointed him as Managing Director for further period of three years with effect from April 01, 2018.

Pursuant to Sections 196 & 197 read with Schedule V of the Companies Act, 2013 requires the payment of minimum remuneration in case of lack or inadequacy of profits to be approved by the Members by way of a Special Resolution for a period not exceeding three years. As a Promoter and Managing Director, Mr. Pritam A. Doshi's leadership has led to the development of technologically and management of the company due to which the Company is looking forward to an exciting growth phase. In view of this, it is proposed to seek the approval of Members for re-appointment of Mr. Pritam A. Doshi with the following remuneration structure:

- i) Salary - Rs. 3,50,000/- per month.
- ii) Increments - Such increments as may be fixed by the Board of Directors from time to time.
- iii) Special Allowance as may be decided by the Board from time to time.
- iv) Provident Fund - Company's contribution not to exceed 12% of salary.
- v) Gratuity - Gratuity benefits as applicable to Officers of the Company and shall be subject to the maximum amount as may be permitted under the Company's rules in relation to gratuity prevailing from time to time.

MANAGEMENT DISCUSSION & ANALYSIS

PAE Ltd was incorporated in the year 1950 and is one among those few names in the industry that need no introduction. It's a journey of over 68 years of achieving milestones and setting standards, which has become inevitable with the growth in the industry. Investing substantially in the creation of path breaking technologies, implemented and introduced some of the most mission-critical solutions in the battery, inverter and UPS industry.

The fact is that PAE Batteries, today, a well-known name in Automotive and Tubular stationary batteries for automotive vehicles, UPS system, inverters across India.

Corporate Philosophy

Our company philosophy has always focused on customer satisfaction with uncompromising integrity. PAE carries products and services with the finest value and quality in the market. To meet our customers' expectations, we ensure that our sales people and customer service representatives generate enthusiasm and respond with extra efforts in addressing our customers' needs.

Business Scenario

Since 2013, PAE has had to face shortfall of working capital due to various issues including lenders shrinking their credit limits, new Companies Act of 2013 making it more difficult for small and mid-sized companies to raise money from Fixed Deposits, high rates of interest in the ICD market, etc. As a result of these financial challenges, PAE could not maintain its revenues over the break-even sales threshold, further as a distribution company, cutting the size of its network was also detrimental.

The management has been trying various alternatives to manage the business, but due to ongoing financial challenges, it has had to finally reduce its footprint to lower its operating expenses and survive the current situation. It has managed so far by selling various fixed assets, investments and also cutting costs.

The management still believes in the business and the aftermarket as a great potential for creating value for all stakeholders, however, the company will have to maintain a temporary hiatus from operating some of its branches.

We continue to look for investors who can infuse liquidity into the Company.

INTERNAL CONTROL SYSTEMS & THEIR ADEQUACY

Your Company has instituted an internal control system for all its branches to ensure efficiency of operations, financial reporting, proper recording and safeguarding of assets, compliance with applicable laws and regulations, etc.

The adequacy of the same has been reported by the Statutory Auditors of your Company in their report as required under the Companies (Auditor's Report) Order, 2003.

CORPORATE GOVERNANCE REPORT

Pursuant to Regulation 34 read with Schedule V of SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015, a report on Corporate Governance is as follows:

1. Company's philosophy on the Code of Governance

PAE Limited ("PAE") believes that Corporate Governance is a thorough process by which Companies are directed to control and enhance their wealth generating capacity. PAE endeavors to virtually create value for its stakeholders, be it Customers, Employees, Shareholders or the Society at large. Integrity, transparency, accountability and compliance with laws which are the columns of good governance are cemented in the Company's robust business practices to ensure ethical and responsible leadership both at the Board and at the Management level. PAE focuses on adopting the highest standard of Corporate Governance and moral business practices based on the following main principles to maintain transparency, accountability and ethics:

- Constitution of a Board of Directors of appropriate composition, size, varied experience and commitment to discharge their responsibilities and duties
- Ensuring timely inflow of information to the Board and its Committees to enable them to discharge their functions effectively.
- Timely and balanced disclosure of all material information concerning the Company to all stakeholders.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF PAE LIMITED

Report on the Standalone Ind AS Financial Statements

We have audited the accompanying standalone Ind AS financial statements of **PAE Limited** ('the Company'), which comprise the Balance Sheet as at 31st March, 2018, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ('the Act') with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of the material misstatement of the Standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the company's preparation of the Standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the company's Directors, as well as evaluating the overall presentation of the Standalone Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the standalone Ind AS financial statement.

Basis for Qualified Opinion

- a) We draw your attention that balance of Retained Earning (Profit & loss A/c) of the company is negative as on 31st March, 2018. It has incurred accumulated losses of Rs. 6694.60 lacs till March 31, 2017 and loss of Rs. 152.18 (excluding other comprehensive income) Lakhs for the year ended making total accumulated loss of Rs. 6846.78 Lakhs as of March 31, 2018. Despite this, for the reasons mentioned in Note No. 36 of Notes to the accounts, the accounts have been prepared on going concern basis. This condition indicates existence of a material uncertainty that may cast significant doubt about the Company's ability to continue on a going concern basis. We don't have the appropriate audit evidence to consider the Company to continue as going concern.
- b) The balance of sundry debtors, sundry creditors, warranty receivables, warranty payables and warranty stock are subject to reconciliation and confirmation. Closing stock is subject to physical verification. We draw attention to Note No. 37 of Notes to the accounts.
- c) Various legal cases are pending against the company and by the company, the amount is unascertainable. We draw attention to Note No. 38 of Notes to the accounts.

Qualified Opinion

In our opinion, except for the possible effects of the matters described in the Basis for qualified opinion paragraph and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2018 and its loss, total comprehensive income, its Cash Flows and changes in equity for the year ended on that date.

Report on other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ('the Order') issued by the Central Government in terms of Section 143(11) of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, except for the effects of the matter described in the Basis of Qualified Opinion paragraph above, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, the Cash Flow Statement and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
 - d) Except for the effects of the matter described in the Basis of Qualified Opinion paragraph above which may have an adverse effect on the functioning of the Company, in our opinion, the aforesaid standalone Ind AS financial statements comply with the Indian Accounting Standards specified under section 133 of the Act.
 - e) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
 - f) On the basis of the written representations received from the directors, as on March 31, 2018 and taken on record by the Board of Directors, none of the directors of the company is disqualified as on March 31, 2018 from being appointed as a director, in terms of Section 164(2) of the Act.
 - g) With respect to the other matters to be included in the Auditor's report in accordance with Rule 11 of the Companies (Audit and Auditors) rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The Company has pending litigation which would impact its financial position regarding non payment of dues as cases filed under Negotiable Instrument Act for cheque bouncing amount involve Rs. 40.50 lacs, possession of property of the company mortgaged to the bank under SARFAESI Act by the Banker where amount outstanding is Rs. 20.26 crores as per books of accounts and order for winding up issued by High Court, Mumbai amounting to Rs. 1.32 Crores and Refer Note No. 35 to the Notes to the accounts- contingent liability)
 - (ii) The Company does not have any long term contracts including derivative contracts for which there were any material foreseeable losses.
 - (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Annexure B to the Auditor's Report

Report on the Internal Financial Controls under clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of **PAE Limited** ('the Company') as of 31 March 2018 in conjunction with our audit of the standalone Ind AS financial statements of the company for the year ended on the date.

Management's responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the company's policies, the safeguarding of its assets, the prevention and detection of Frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the companies Act, 2013.

Auditors Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system over financial reporting and there operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial control over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or errors.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purpose in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable details,

accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statement in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of the management and directors of the company and; (3) provide reasonable assurances regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statement.

Inherent Limitations of Internal financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper Management override of controls, material misstatement due to error or fraud may occur and not be detected. Also, Projections of any evaluation of the internal financial controls over financial reporting to future period are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified as at March 31, 2018:

- The company did not have an appropriate internal control system in respect of warranty claim receivable/payable, sundry debtors, sundry creditors, Inventory, statutory compliances and legal cases.
- The company does not have Internal Auditor, Company Secretary and Qualified Accountant.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual financial statements will not be prevented or detected on a timely basis.

In our opinion, except for the possible effects of the material weaknesses described above on the achievement of the objectives of the control criteria, the Company has maintained, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as of March 31, 2018. However it is required to be strengthened.

We have considered the material weaknesses identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the March 31, 2018 standalone Ind AS financial statements of the Company, and these material weaknesses do not affect our opinion on the standalone Ind AS financial statements of the Company.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2018
1. Significant Accounting Policies:
a) Statement of Compliance:

The financial statements of the company have been prepared in accordance with Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards)(Amendment) Rules, 2016.

Up to the year ended March 31, 2017 the company prepared its financial statements in accordance with the Accounting Standards notified under section 133 of the Companies Act, 2013 (Previous GAAP). These financial statements for the year ended March 31, 2018 are the company's first Ind AS financial statements. The date of transition to Ind AS is April 1, 2016.

b) Basis of preparation and presentation:

The financial statement have been prepared on the historical cost except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange of goods and services.

The functional currency is Indian Rupee. These financial statements are presented in Indian rupee.

Fair Value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair Value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except for leasing transactions that are within the scope of Ind AS 17, 'Leases' and measurements that have some similarities to the fair value but are not fair value, such as net realizable value in Ind AS 2, 'Inventories' or value in use in Ind AS, 'Impairment of Assets', as applicable.

In addition, for financial reporting purposes, fair value measurements are categorized into Level 1, 2 or 3 based on degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurements in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for the identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included in Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

The principal accounting policies are set out below:

c) Use of Estimates:

The preparation of the financial statements in conformity with the generally accepted accounting principles requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities, revenues and expenses and disclosure of contingent liabilities at the end of the reporting period. Such estimates and assumptions are based on management's evaluation of relevant facts and circumstances as on the date of statements. The actual results may differ from these estimates.

d) Property, Plant & Equipment

- i. Fixed assets except in case of buildings and ownership flats which have been revalued on 01.12.2007 are stated at cost, net of accumulated depreciation and accumulated losses if any. Cost comprises of purchase price and any cost attributable to bring the asset to its working condition for its intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.
- ii. On 01.12.2007 the company has revalued building and ownership flats existing as on that date. These building are measured at fair value less accumulated depreciation.
- iii. Subsequent expenditure related to an item of fixed asset is added to its book value only if it increases the future benefits from the existing assets beyond its previously assessed standard of performance. All other expenses on existing Property, plant and equipment, including day to day maintenance and repairs expenditure and cost of replacing parts are charged to the statement of profit and loss for the period during which such expenses are incurred.

e) Depreciation on Property, plant and equipment:

- i. Depreciation is computed using the Written Down Value

Method ("WDV") as per the useful life of the asset as prescribed in part C of Schedule II of the Companies Act, 2013 leaving a residual value of 5% of original cost of the asset.

- ii. Depreciation on value written up on revaluation of Buildings and Ownership flats has been provided on straight line method on the basis of estimated life determined by the valuer and equivalent amount of depreciation has been transferred from Revaluation Reserve to statement of profit and loss.

f) Intangible assets:

- i. Intangible assets are amortized on a straight line basis over the estimated useful economic life of the asset.
- ii. Computer software forming part of intangible assets is amortized over a period of five years.

g) Impairment of Assets:

The carrying amounts of assets are reviewed at each Balance Sheet date, if there is any indication of impairment based on internal/external factors. An asset is treated as impaired when the carrying cost of the assets exceeds its recoverable value. An impairment loss, if any, is charged to statement of profit and loss in the year in which an asset is identified as impaired. Reversal of impairment losses recognized in prior years is recorded when there is an indication that the impairment losses recognized for the assets no longer exist or have decreased.

h) Financial Instruments:

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities [other than financial assets and financial liabilities at Fair Value through Profit or Loss (FVTPL)] are added to or deducted from the fair value of the financial assets or financial liabilities as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in the statement of profit and loss.

i) Financial assets at amortized cost:

Financial assets are subsequently measured at amortized cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets are measured at fair value through profit or loss unless it is measured at amortized cost or at fair value through other comprehensive income on initial recognition. Gains or losses arising on remeasurements are recognized in the statement of Profit or Loss. The net gain or loss recognized in the statement of Profit and Loss incorporates any dividend or interest earned on the financial assets and is included in the 'Other Income' line item.

Impairment of financial assets

The company recognizes loss allowance using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for all financial assets is measured at an amount equal to lifetime ECL. The company has used practical expedient by computing expected credit loss allowance for trade receivable by taking into consideration historical credit loss experience and adjusted for forward looking information. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognized as an impairment gain or loss in the statement of profit or loss.

Derecognition of financial assets

The company derecognizes a financial asset when the contractual rights to the cash flows from the asset expire or when it transfers the financial asset and substantially all the risk and rewards of ownership of the asset to another party. On Derecognition of a financial assets in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognized in other comprehensive income and accumulated in equity is recognized in the statement of Profit or Loss if such gain or loss would have otherwise been recognized in the Statement of Profit and Loss on disposal of that financial asset.

j) Financial Liabilities and Equity Instruments:
Classification as debt or equity

Debt and Equity instruments issued by a company are classified as either financial liabilities or as Equity in accordance with the

substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the company are recognized at the proceeds received, net of direct issue costs.

Financial Liabilities

All financial liabilities are subsequently measured at amortized cost using the effective interest method.

Derecognition of financial liabilities

The company derecognizes financial liabilities when, and only when, the company's obligations are discharged, cancelled or have expired. An exchange with a new lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognized and the consideration paid and payable is recognized in the statement of Profit and Loss.

k) Inventories:

Inventories are valued after providing for obsolescence, if any, as under:-

- Traded Goods are valued at lower of cost or net realizable value. Cost is determined on the basis of FIFO method.
- Goods in Transit are valued at cost.

l) Revenue Recognition:

- Sales are recognized on dispatch of goods. Sales are net of trade discounts, sales tax/VAT and returns.
- Service income is recognized on execution of orders.
- Rent income is recognized on accrual basis in accordance with the terms of the respective agreements. Interest income is recognized on accrual basis.
- Dividend is recognized on receipt basis.

m) Operating cycle

Assets and liabilities other than those relating to long term contracts are classified as current if it is expected to realize or settle within 12 months after the balance sheet date.

n) Cash and Cash Equivalents (for the purpose of cash flow statement)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

o) Cash Flow Statement

Cash flows are reported using indirect method, whereby profit/ (loss) before extraordinary items and tax is adjusted for the effects of transactions of non cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the company are segregated based on the available information.

p) Foreign Currency Transactions:

Foreign currency transactions are accounted on the basis of rates prevailing on the date of transaction. Foreign currency monetary assets and liabilities are restated at the year end exchange rates. Gains/ losses arising out of exchange rate differences are recognized as profit or loss in the period in which they arise. Exchange rate differences arising out of forward contracts are charged to the statement of profit and loss over the period of the contract.

q) Employee Benefits:

Retirement benefit costs:

Payments to defined contribution retirement benefit scheme for eligible employees in the form of superannuation fund and the Company's contribution towards provident fund are recognized as an expense when employees have rendered service entitling them to the contributions.

For defined benefit retirement benefit plans, the cost of providing benefits is determined using the projected unit credit method, with an actuarial valuation being carried out at the end of each annual reporting period.

Remeasurements, comprising actuarial gains and losses, the effect of the changes to the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognized in other comprehensive income in the period in which they occur.

Remeasurements recognized in other comprehensive income are reflected immediately in re-tained earnings and is not reclassified to statement of profit & loss. Past service cost is recognized in the statement of Profit & loss in the period of plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorized as follows:

- Service Cost (including current service cost, past service cost as well as gains and losses on curtailment and settlements);
- Net interest expenses or income; and
- Remeasurements

The company presents the first two components of defined benefit costs in statement of profit & loss in the line item 'Employee Benefit Expenses'. Curtailment gains and losses are accounted for as past service costs.

The retirement benefit obligations recognized in the balance sheet represents the actual deficit or surplus in the company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefit available in the form of refunds from the plans or reductions in future contributions to the plans.

Short term and other long term employee benefits:

A liability is recognized for benefits accruing to employees in respect of wages and salaries, annual leave and sick leave in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service.

Liabilities recognized in respect of short term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.

Liabilities recognized in respect of other long term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the company in respect of services provided by the employees up to the reporting date.

r) Leases:

Leases in which the company does not transfer substantially all the risk and benefits of ownership of assets are classified as operating leases.

Lease payments under operating lease are recognized as an expense in the statement of profit and loss on straight line basis over the lease term.

Assets leased out under operating lease are capitalized. Rental income is recognized on accrual basis over the lease term.

s) Income Taxes:

Tax expenses comprises of current and deferred tax. Provision for current tax is made based on the liability computed in accordance with the Indian Income Tax Act, 1961. The tax rates and tax laws used to compute the tax liability are those that are enacted or substantively enacted at the reporting date. Deferred tax is recognized on the basis of timing differences arising between the taxable income and accounting income computed using the tax rates and the laws that have been enacted or substantively enacted as of the balance sheet date. Deferred tax assets are recognized only if there is a virtual certainty that they will be realized. The deferred tax assets / liabilities are reviewed for the appropriateness of their carrying values at each balance sheet date.

t) Earnings per share:

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

u) Provisions, Contingent Liabilities and Contingent Assets:

i. Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent liabilities are not recognized but are disclosed in the notes after careful evaluation of facts and legal aspects of the matter involved. Contingent Assets are neither recognized nor disclosed. Provisions, Contingent Liabilities and Contingent Assets are reviewed at each Balance Sheet date.

ii. Warranty Provisions: Provisions for warranty related cost are recognized when the product is sold or service provided. Provision is based on historical experience. The estimate of such warranty cost is revised annually.

CONSOLIDATED FINANCIAL STATEMENTS

INDEPENDENT AUDITOR'S REPORT ON CONSOLIDATED FINANCIAL STATEMENTS

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF PAE LIMITED

Report on the Consolidated Ind AS Financial Statements

We have audited the accompanying Consolidated Ind AS financial statements of PAE Limited (hereinafter referred to as "the parent") and its subsidiaries (the parent and its subsidiaries together referred to as "the group") and its associate, which comprise Consolidated the Balance Sheet as at 31st March, 2018, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity for the year ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

The Parent's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Consolidated Ind AS financial statements that give a true and fair view of the Consolidated financial position, Consolidated financial performance including other comprehensive income, Consolidated cash flows and statement of changes in equity of the Group including its associate in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act. The respective Board of Directors of the companies included in the Group and its associate are responsible for maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding the assets of the Group and its associate and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Ind AS financial statements by the Directors of the Parent, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit of the Consolidated Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Consolidated Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of the material misstatement of the Consolidated Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Parent's preparation of the Consolidated Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the parent's Board of Directors, as well as evaluating the overall presentation of the Consolidated Ind AS financial statements.

We believe that the audit evidence we have obtained by us and the audit evidence obtained by the other auditors of the subsidiaries in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our qualified audit opinion on the Consolidated Ind AS financial statement.

Basis for Qualified Opinion

- a) We draw your attention that balance of Retained Earning (Profit & loss A/c) of the group is negative as on 31st March, 2018. It has incurred accumulated losses of Rs. 6586.48lacs till March 31, 2017 and loss of Rs. 291.82 (excluding other comprehensive income) Lakhs for the year ended making total accumulated loss of Rs. 6878.30 Lakhs as of March 31, 2018. Despite this, for the reasons mentioned in Note No. 36 of Notes to the accounts, the accounts have been prepared on going concern basis. This condition indicates existence of a material uncertainty that may cast significant doubt about the Company's ability to continue on a going concern basis. We don't have the appropriate audit evidence to consider the Company to continue as going concern.
- b) The balance of sundry debtors, sundry creditors, warranty receivables, warranty payables and warranty stock are subject to reconciliation and confirmation. Closing stock is subject to physical verification. We draw attention to Note No. 37 of Notes to the accounts.

- c) Various legal cases are pending against the company and by the company, the amount is unascertainable. We draw attention to Note No. 38 of Notes to the accounts.
- d) (i) We have not been provided with audited financial statement/ financial information in respect of subsidiary Shurjo Energy Private Limited. Consolidation has been done upto 30.09.2017 based on unaudited financial statements. Further comparative financial information for the year ended 31.03.2017 and transition date 01.04.2016 is not provided as required by Ind AS. Unable to comment on possible effect on total asset, total revenue, other equity and cash flows of the group. (Also refer Note no. 43 (a), 46, 47 and 48 of Notes to the accounts)
- (ii) We have not been provided with the financial statement of Associate Shurjo Energy Private Limited for the year ended 31.03.2018. Hence proportionate share of profit/loss in associate is not available for consolidation purpose. (Also Refer Note No 43 (b) of Notes to the Accounts)

Qualified Opinion

In our opinion, except for the possible effects of the matters described in the Basis for qualified opinion paragraph and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2018 and its loss, total comprehensive income, its Cash Flows and changes in equity for the year ended on that date.

Other Matters

- a) We did not audit the financial statements /financial information of one subsidiary, whose financial statements/financial information reflect total assets of Rs.6.19 Lacs As at March 31, 2018, total revenues of Rs. Nil and net cash outflows amounting to Rs. 0.18 Lacs for the year ended on that date, as considered in the consolidated Ind AS financial statements. These financial statements/financial information have been audited by other auditors, whose reports have been furnished to us by the Management and our opinion on the consolidated Ind AS financial statements, in so far as it relates to the amount and disclosures included in respect of this subsidiary, and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries is based solely on the reports of the other auditors.
- b) The comparative financial information for the year ended march 31, 2017 and the transition date opening balance sheet as at April 1, 2016 in respect of one subsidiary included in accordance with the Ind AS have been audited by other auditors and have been relied upon by us. Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

Report on other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, based on our audit and on the consideration of the report of the other auditors on separate financial statements of Company and subsidiary companies incorporated in India, referred in the Other Matters paragraph above we report, to the extent applicable, that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated Ind AS financial statements.
- b) In our opinion, except for the effects of the matter described in the Basis of Qualified Opinion paragraph above, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books and reports from other auditors.
- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including other comprehensive income, the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the books of accounts maintained for the purpose of preparation of the consolidated Ind AS financial statements.
- d) Except for the effects of the matter described in the Basis of Qualified Opinion paragraph above which may have an adverse effect on the functioning of the Company, in our opinion, the aforesaid Consolidated Ind AS financial statements comply with the Indian Accounting Standards specified under section 133 of the Act.
- e) With respect to the adequacy of the internal financial controls over financial reporting of the group and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
- f) On the basis of the written representations received from the directors of the parent, as on March 31, 2018 and taken on record by the Board of Directors of the parent and the reports of the statutory auditors of its

subsidiary company, none of the directors of the Group companies is disqualified as on March 31, 2018 from being appointed as a director, in terms of Section 164(2) of the Act. We have not received representation from directors as on 31.03.2018 of one associate company incorporated in India. Unable to comment on disqualification of Directors of associate company.

g) With respect to the other matters to be included in the Auditor's report in accordance with Rule 11 of the Companies (Audit and Auditors) rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

(i) The Parent company has pending litigation which would impact its financial position regarding non payment of dues as cases filed under Negotiable Instrument Act for cheque bouncing amount involve Rs. 40.50` lacs , possession of property of the company mortgaged to the bank under SARFAESI Act by the Banker where amount outstanding is Rs. 20.26 crores as per books of accounts

and order for winding up issued by High Court, Mumbai amounting to Rs. 1.32 Crores and Refer Note No. 35 to the Notes to the accounts-contingent liability)

(ii) The Company does not have any long term contracts including derivative contracts for which there were any material foreseeable losses.

(iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Annexure A to the Auditor's Report

(Referred to in paragraph 1(g) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date on the consolidated Ind AS financial statements for the year ended March 31, 2018 of PAE LIMITED)

Report on the Internal Financial Controls under clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of PAE Limited (hereinafter referred to as "the Parent") and its subsidiary companies which are companies incorporated in India as of 31 March 2018 in conjunction with our audit of the standalone Ind AS financial statements of the company for the year ended on the date.

Management's responsibility for Internal Financial Controls

The respective Board of Directors of the Parent's, its subsidiary companies and its associate company, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of Frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the companies Act, 2013.

Auditors Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Parent, its subsidiary companies and its associate company, which are companies incorporated in India based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') and the Standards on Auditing, issued by ICAI And deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system over financial reporting and there operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial control over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or errors.

We believe that the audit evidence we have obtained and the audit evidence obtained by other auditors of subsidiary companies, which are company incorporated in India, in terms of their reports referred to in the Other Matter paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Parent, its subsidiary companies and its associate, which are companies incorporated in India.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purpose in accordance with generally accepted accounting principles. A company's internal

financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable details, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statement in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of the management and directors of the company and; (3) provide reasonable assurances regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statement.

Inherent Limitations of Internal financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper Management override of controls, material misstatement due to error or fraud may occur and not be detected. Also, Projections of any evaluation of the internal financial controls over financial reporting to future period are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified as at March 31st, 2018:

- The company did not have an appropriate internal control system in respect of warranty claim receivable/payable, sundry debtors, sundry creditors, Inventory, statutory compliances and legal cases.
- The company does not have Internal Auditor, Company Secretary and Qualified Accountant.
- Report on Internal financial control over financial reporting is not available for our verification in respect of associate company Shurjo Energy Private Limited (subsidiary upto 30.09.2017). Unable to comment on the possible effect on internal control.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual financial statements will not be prevented or detected on a timely basis.

In our opinion, except for the possible effects of the material weaknesses described above on the achievement of the objectives of the control criteria, the Company has maintained, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as of March 31, 2018. However it is required to be strengthened.

We have considered the material weaknesses identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the March 31, 2018 consolidated Ind AS financial statements of the Company, and these material weaknesses do not affect our opinion on the consolidated Ind AS financial statements of the Company.

Other Matter

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to 1 subsidiary company, which is a company incorporated in India, is based solely on the corresponding reports of the auditors.

Statement of compliance

The Consolidated financial statements of the Group have been prepared in accordance with Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards) (Amendment) Rules, 2016.

Up to the year ended March 31, 2017, the Group prepared its consolidated financial statements in accordance with the Accounting Standards notified under Section 133 of the Companies Act, 2013, (Previous GAAP). These consolidated financial statements for the year ended March 31, 2018 are the Group's first Ind AS consolidated financial statements. The date of transition to Ind AS is April 1, 2016.

Basis of preparation and presentation

The consolidated financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period and Defined Benefit Plan's- Plan Assets, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

The functional currency of the Company is Indian rupee. These consolidated financial statements are presented in Indian rupees. For each entity (Subsidiaries), the group determines the functional currency and items included in the financial statements of each entity are measured using that functional currency.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value for measurement and/or disclosure purposes in these consolidated financial statements is determined on such a basis, except for leasing transactions that are within the scope of Ind AS 17, 'Leases' and measurements that have some similarities to fair value but are not fair value, such as net realizable value in Ind AS 2 'inventories' or value in use in Ind AS 36 'Impairment of Assets', as applicable.

In addition, for financial reporting purposes, fair value measurement are categorized into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly and;
- Level 3 inputs are unobservable inputs for the assets or liability.

The principal accounting policies are set out below.

Basis of consolidation

The consolidated financial statements incorporate the financial statements of the Company and its subsidiaries. Control is achieved when the Company:

- Has power over the investee;
- Is exposed, or has rights, to variable returns from its involvement with the investee; and
- Has the ability to use its power to affect its returns.

The Company reassesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control listed above.

When the company has less than a majority of the voting rights of an investee, it has power over the investee when the voting rights are sufficient to give it the practical ability to direct the relevant activities of the investee unilaterally. The Company considers all relevant facts and circumstances in assessing whether or not the company's voting rights in an investee are sufficient to give it power, including:

- The size of the company's holding of voting rights relative to the size and dispersion of holdings of the other vote holders;
- Potential voting rights held by the Company, other vote holders or other parties;
- Rights arising from other contractual arrangements; and

Any additional facts and circumstances that indicate that the company has, or does not have, the current ability to direct the relevant activities at the time that decisions need to be made, including voting patterns at previous shareholders meetings.

Consolidation of a subsidiary begins when the company obtains control over the subsidiary begins when the company obtains control over the subsidiary and

ceases when the company loses control of the subsidiary. Specifically, income and expenses of a subsidiary acquired or disposed of during the year are included in the Consolidated Statement of Profit and Loss from the date the company gains control until the date when the company ceases to control the subsidiary.

Profit or loss and each component of other comprehensive income are attributed to the owners of the Company and to the non-controlling interests. Total comprehensive income of subsidiaries is attributed to the owners of the company and to the non-controlling interests even if this results in the non-controlling interests having a deficit balance.

The financial statements of the Company and its Subsidiary Companies have been consolidated on a line-by-line basis by adding together like items of assets, liabilities, income and expenses. The financial statements of the subsidiary companies used in the consolidation are drawn up to the same reporting date as that of the Company.

When necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies into line with the Group's accounting policies. All intragroup assets and liabilities, equity, income, expenses, and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.

Changes in the Group's ownership interests in subsidiaries that do not result in the Group losing control over the subsidiaries are accounted for as equity transactions. The Carrying amounts of the group's interests and the non-controlling interests are adjusted to reflect the changes in their relative interests in the subsidiaries. Any difference between the amount by which the non-controlling interests are adjusted and the fair value of the consideration paid or received is recognized directly in equity and attributed to owners of the Company.

The following subsidiaries and an associate have been considered in preparation of the consolidated financial statements:

Entity	Incorporated in	Proportion of Groups interest (%)	Date of acquisition/control
Held Directly:			
Shurjo Energy Private Limited (subsidiary upto 30.09.2017)	India	99.98%	27-01-2010
PAE Infrastructure Private Limited	India	100%	19-04-2011
Shurjo Energy Private Limited (Associate from 01.10.2017)	India	46.58%	01.10.2017

Investments in Associate:

An associate is an entity over which the Group has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee but is not control or joint control over those policies.

The results and assets and liabilities of associates are incorporated in these consolidated financial statements using the equity method of accounting, except when the investment, or a portion thereof, is classified as held for sale, in which case it is accounted for in accordance with Ind AS 105. Under the equity method, an investment in an associate is initially recognized in the consolidated balance sheet at cost and adjusted thereafter to recognize the Group's share of the profit or loss and other comprehensive income of the associate. Distributions received from an associate reduce the carrying amount of the investment. When the Group's interest in that associate (which includes any long-term interests that, in substance, form part of the Group's net investment in the associate), the Group discontinues recognizing its share of further losses. Additional losses are recognized only to the extent that the Group has incurred legal or constructive obligations or made payments on behalf of the associate.

After application of the equity method of accounting, the Group determines whether there is any objective evidence of impairment as result of one or more events that occurred after the initial recognition of the net investment is an associate and that event (or events) has an impact on the estimated future cash flows from the net investment that can be reliably estimated. If there exists such an objective evidence of impairment loss with respect to the Group's investment in an associate.

The Group discontinues the use of the equity method from the date when the investment ceases to be an associate when the investment is classified as held for sale.

Non-current assets held for sale:

Non-current assets and disposal groups are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use. This condition is regarded as met only when the asset (or disposal group) is available for immediate sale in its present condition subject only to terms that are usual and customary for sales of such asset (or disposal group) and its sale is highly probable. Management must be committed

to the sale, which should be expected to qualify for recognition as a completed sale within one year from the date of classification.

Non-current assets (and disposal groups) classified as held for sale are measured at the lower of their carrying amount and fair value less costs to sell.

Use of Estimates:

The preparation of the financial statements in conformity with the generally accepted accounting principles requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities, revenues and expenses and disclosure of contingent liabilities at the end of the reporting period. Such estimates and assumptions are based on management's evaluation of relevant facts and circumstances as on the date of statements. The actual results may differ from these estimates.

Revenue recognition:

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are inclusive of excise duty and net of returns, trade allowance, rebates, and amount collected on behalf of third parties. The Group recognizes revenue when the amount of revenue can be measured reliably, it is probable that the economic benefit will flow to the Group and specific criteria's have been met for each of the Group's activities as described below:

Sale of goods:

Revenue from the sale of goods is recognized when the goods are delivered and titles have passed, at which time all the following conditions are satisfied.

- The Group has transferred to the buyer the significant risks and rewards of ownership of the goods;
- The Group retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold and;
- The costs incurred or to be incurred in respect in respect of the transaction can be measured reliably.

Rendering of services:

Sale of services is recognized in the accounting period in which the services are rendered.

Dividend and interest income:

Dividend income is recognized when the right to receive payment has been established.

Interest income is recognized when there is certainty of receipt.

Leasing:

Leases in which the company does not transfer substantially all the risk and benefits of ownership of assets are classified as operating leases.

Lease payments under operating lease are recognized as an expense in the statement of profit and loss on straight line basis over the lease term.

Assets leased out under operating lease are capitalized. Rental income is recognized on accrual basis over the lease term.

Employee benefits:

Retirement benefit costs:

The Group's contribution towards provident fund, superannuation fund and other retirement benefits for certain eligible employees are considered to be defined contribution plans as the Group does not carry any further obligations, apart from the periodical contributions are charged as an expense to the consolidated statement of Profit and Loss when services are rendered by the employees.

For defined benefit retirement benefit plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Remeasurements, comprising actuarial gains and losses, the effect of the changes to the return on plan assets (excluding net interest), is reflected immediately in the consolidated balance sheet with a charge or credit recognized in other comprehensive income is reflected immediately in retained earnings and is not reclassified to the consolidated statement of Profit and Loss. Past service cost is recognized in the consolidated statement of profit and loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorized as follows:

- Service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- Net interest expense or income; and
- Remeasurement

The Group presents first two components of defined benefit costs in the consolidated statement of Profit and Loss in the line item 'employee benefits expense'. Curtailment gains and losses are accounted for as past service costs.

The retirement benefit obligation recognized in the consolidated Balance Sheet represents the actual deficit or surplus in the Group's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans.

Short – term employee benefits:

A liability is recognized for benefits accruing to employees in respect of wages and salaries, annual leave and sick leave in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service.

Liabilities recognized in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.

Liabilities recognized in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Group in respect of services provided by employees up to the reporting date.

Income Taxes:

Tax expenses comprises of current and deferred tax. Provision for current tax is made based on the liability computed in accordance with the Indian Income Tax Act, 1961. The tax rates and tax laws used to compute the tax liability are those that are enacted or substantively enacted at the reporting date. Deferred tax is recognized on the basis of timing differences arising between the taxable income and accounting income computed using the tax rates and the laws that have been enacted or substantively enacted as of the balance sheet date. Deferred tax assets are recognized only if there is a virtual certainty that they will be realized. The deferred tax assets / liabilities are reviewed for the appropriateness of their carrying values at each balance sheet date.

Property, Plant and equipment:

Tangible Fixed assets acquired by the Group are reported at acquisition cost, with deductions for accumulated depreciation and impairment losses, if any. All other tangible fixed assets of the project company as well as holding and other Indian subsidiary companies are depreciated using the Written Down Value Method ("WDV") as per the useful life of the asset as prescribed in part C of Schedule II of the Companies Act, 2013 leaving a residual value of 5% of original cost of the asset.

Intangible assets are valued at cost less amortization as under:

Item	Estimated useful life (years)
Software	5 to 8
Accreditation	5
Technical Know-how	8
Goodwill	5

Impairment of Assets:

The carrying amounts of assets are reviewed at each Balance Sheet date, if there is any indication of impairment based on internal/external factors. An asset is treated as impaired when the carrying cost of the assets exceeds its recoverable value. An impairment loss, if any, is charged to statement of profit and loss in the year in which an asset is identified as impaired. Reversal of impairment losses recognized in prior years is recorded when there is an indication that the impairment losses recognized for the assets no longer exist or have decreased.

Financial Instruments

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities [other than financial assets and financial liabilities at Fair Value through Profit or Loss (FVTPL)] are added to or deducted from the fair value of the financial assets or financial liabilities as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in the statement of profit and loss.

Financial assets at amortized cost:

Financial assets are subsequently measured at amortized cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets are measured at fair value through profit or loss unless it is measured at amortized cost or at fair value through other comprehensive income on initial recognition. Gains or losses arising on remeasurements are recognized in the statement of Profit or Loss. The net gain or loss recognized in the statement

of Profit and Loss incorporates any dividend or interest earned on the financial assets and is included in the 'Other Income' line item.

Impairment of financial assets

The company recognizes loss allowance using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for all financial assets is measured at an amount equal to lifetime ECL. The company has used practical expedient by computing expected credit loss allowance for trade receivable by taking into consideration historical credit loss experience and adjusted for forward looking information. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognized as an impairment gain or loss in the statement of profit or loss.'

Derecognition of financial assets

The company derecognizes a financial asset when the contractual rights to the cash flows from the asset expire or when it transfers the financial asset and substantially all the risk and rewards of ownership of the asset to another party. On Derecognition of a financial assets in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognized in other comprehensive income and accumulated in equity is recognized in the statement of Profit or Loss if such gain or loss would have otherwise been recognized in the Statement of Profit and Loss on disposal of that financial asset.

Financial Liabilities and Equity Instruments:

Classification as debt or equity

Debt and Equity instruments issued by a company are classified as either financial liabilities or as Equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the company are recognized at the proceeds received, net of direct issue costs.

Financial Liabilities

All financial liabilities are subsequently measured at amortized cost using the effective interest method.

Derecognition of financial liabilities

The company derecognizes financial liabilities when, and only when, the company's obligations are discharged, cancelled or have expired. An exchange with a new lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantially modification of the terms of an existing financial liability is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial derecognized and the consideration paid and payable is recognized in the statement of Profit and Loss.

Inventories:

Inventories are valued after providing for obsolescence, if any, as under:-

- a) Traded Goods are valued at lower of cost or net realizable value. Cost is determined on the basis of FIFO method.
- b) Goods in Transit are valued at cost.

Revenue Recognition:

- a) Sales are recognized on dispatch of goods. Sales are net of trade discounts, sales tax/VAT and returns.
- b) Service income is recognized on execution of orders.
- c) Rent income is recognized on accrual basis in accordance with the terms of the respective agreements. Interest income is recognized on accrual basis.
- d) Dividend is recognized on receipt basis.

Operating cycle

Assets and liabilities other than those relating to long term contracts are classified as current if it is expected to realize or settle within 12 months after the balance sheet date.

Cash and Cash Equivalents (for the purpose of cash flow statement)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

Cash Flow Statement

Cash flows are reported using indirect method, whereby profit/ (loss) before extraordinary items and tax is adjusted for the effects of transactions of non cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the company are segregated based on the available information.

Foreign Currency Transactions:

Foreign currency transactions are accounted on the basis of rates prevailing on the date of transaction. Foreign currency monetary assets and liabilities are restated at the year end exchange rates. Gains/ losses arising out of exchange rate differences are recognized as profit or loss in the period in which they arise. Exchange rate differences arising out of forward contracts are charged to the statement of profit and loss over the period of the contract.

Earnings per share:

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

Provisions, Contingent Liabilities and Contingent Assets:

- i. Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent liabilities are not recognized but are disclosed in the notes after careful evaluation of facts and legal aspects of the matter involved. Contingent Assets are neither recognized nor disclosed. Provisions, Contingent Liabilities and Contingent Assets are reviewed at each Balance Sheet date.
- ii. Warranty Provisions: Provisions for warranty related cost are recognized when the product is sold or service provided. Provision is based on historical experience. The estimate of such warranty cost is revised annually.
