- VII. The members/ proxies are requested to bring their copy of Annual Report and duly filled Attendance Slips for attending the meeting.
- VIII. The Explanatory Statement, pursuant to Section 102(2) of the Companies Act, 2013 setting out material facts in respect of the special business under Item No. 3 of the Notice is annexed hereto. The relevant details as required under Regulation 36(3) of SEBI (LODR) REGULATIONS, 2015 and Secretarial Standard on General Meetings issued by the Institute of Company Secretaries of India, of the person seeking re-appointment as independent Director under item no 3 of the Notice, is also annexed.
- IX. Voting through electronic means:**
- i) In compliance with provisions of Section 108 of the Companies Act, 2013, Rule 20 of the Companies (Management and Administration) Rules, 2014 as amended by the Companies (Management and Administration) Amendment Rules, 2015 and Regulation 44 of SEBI (LODR) Regulations 2015 allows the company to provide members facility to exercise their right to vote on resolutions proposed to be considered at the Annual General Meeting (AGM) by electronic means and the business may be transacted through e-Voting Services. The facility of casting the votes by the members using an electronic voting system from a place other than venue of the AGM ("remote e-voting") will be provided by National Securities Depository Limited (NSDL).
- ii) The facility for voting through ballot paper shall be made available at the AGM and the members attending the meeting who have not cast their vote by remote e-voting shall be able to exercise their right at the meeting through ballot paper.
- iii) The remote e-voting period commences on Friday the 6th September 2019 (9:00 am) and ends on Sunday the 8th September, 2019 (5:00 pm). During this period members of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of 2nd September 2019, may cast their vote by remote e-voting. The remote e-voting module shall be disabled by NSDL for voting thereafter.

- iv) The process and manner for remote e-voting are as under:

The way to vote electronically on NSDL e-Voting system consists of “Two Steps” which are mentioned below:

Step 1: Log-in to NSDL e-Voting system at
<https://www.evoting.nsdl.com/>

Step 2: Cast your vote electronically on NSDL e-Voting system.

Details on Step 1 is mentioned below:

How to Log-in to NSDL e-Voting website?

1. Visit the e-Voting website of NSDL. Open web browser by typing the following URL: <https://www.evoting.nsdl.com/> either on a Personal Computer or on a mobile.
2. Once the home page of e-Voting system is launched, click on the icon “Login” which is available under ‘Shareholders’ section.
3. A new screen will open. You will have to enter your User ID, your Password and a VERIFICATION Code as shown on the screen.

Alternatively, if you are registered for NSDL eservices i.e. IDEAS, you can log-in at <https://eservices.nsdl.com/> with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e. Cast your vote electronically.

4. Your User ID details are given below :

Manner of holding shares i.e. Demat (NSDL or CDSL) or Physical	Your User ID is:
a) For Members who hold shares in demat account with NSDL.	8 Character DP ID followed by 8 Digit Client ID For example if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****.

c) For Members holding shares in Physical Form.	EVEN Number followed by Folio Number registered with the company For example if folio number is 001*** and EVEN is 101456 then user ID is 101456001***

1. Your password details are given below:
 - a) If you are already registered for e-Voting, then you can use your existing password to login and cast your vote.
 - b) If you are using NSDL e-Voting system for the first time, you will need to retrieve the ‘initial password’ which was communicated to you. Once you retrieve your ‘initial password’, you need to enter the ‘initial password’ and the system will force you to change your password.
 - c) How to retrieve your ‘initial password’?
 - (i) If your email ID is registered in your demat account or with the company, your ‘initial password’ is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your ‘User ID’ and your ‘initial password’.
 - (ii) If your email ID is not registered, your ‘initial password’ is Communicated to you on your postal address.
2. If you are unable to retrieve or have not received the “ Initial password” or have forgotten your password:

- a) Click on “**Forgot User Details/ Password?**”(If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.
 - b) **Physical User Reset Password?**” (If you are holding shares in physical mode) option available on www.evoting.nsdl.com.
 - c) If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.co.in mentioning your demat account number/folio number, your PAN, your name and your registered address.
 - d) Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.
3. After entering your password, tick on Agree to “Terms and Conditions” by selecting on the check box.
 4. Now, you will have to click on “Login” button.
 5. After you click on the “Login” button, Home page of e-Voting will open.

Details on Step 2 is given below:

How to cast your vote electronically on NSDL e-Voting system?

1. After successful login at Step 1, you will be able to see the Home page of e-Voting. Click on e-Voting. Then, click on Active Voting Cycles.
 2. After click on Active Voting Cycles, you will be able to see all the companies “EVEN” in which you are holding shares and whose voting cycle is in active status.
 3. Select “EVEN” of company for which you wish to cast your vote.
 4. Now you are ready for e-Voting as the Voting page opens.
 5. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on “Submit” and also “Confirm” when prompted.
6. Upon confirmation, the message “Vote cast successfully” will be displayed.
 7. You can also take the print out of the votes cast by you by clicking on the print option on the confirmation page.
 8. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

General Guidelines for shareholders

Login to the e-voting website will be disabled upon five unsuccessful attempts to key in the correct password. In such an event, you will need to go through the “Forgot User Details/Password?” or “Physical User Reset Password?” option available on www.evoting.nsdl.com to reset the password.
3. In case of any queries, you may refer the Frequently Asked Questions (FAQs) for Shareholders and e-voting user manual for Shareholders available at the download section of www.evoting.nsdl.com or call on toll free no.: 1800-222-990 or send a request at evoting@nsdl.co.in
- viii) You can also update your mobile number and e-mail id in the user profile details of the folio which may be used for sending future communication(s).
- ix) The voting rights of members shall be in proportion to their shares of the paid up equity share capital of the Company as on the cut-off date of 2nd September 2019.
- x) Any person, who acquires shares of the Company and become member of the Company

- after dispatch of the notice and holding shares as of the cut-off date i.e 2nd September 2019, may obtain the login ID and password by sending a request at evoting@nsdl.co.in or Issuer /RTA.
- xi) A member may participate in the AGM even after exercising his/her right to vote through remote e-voting but shall not be allowed to vote again at the AGM.
- xii) A person, whose name is recorded in the register of members or in the register of beneficial owners maintained by the depositories as on the cut-off date only shall be entitled to avail the facility of remote e-voting or voting at the AGM through ballot paper.
- xiii) **Mr. K VijayaRagavan**, Advocate, High Court of Chennai (Membership No.MS3454/2010.) has been appointed as the Scrutinizer to scrutinize the remote e-voting process as well as the physical voting process at the AGM in a fair and transparent manner.
- xiv) The Chairman shall, at the AGM at the end of discussion on the resolutions on which voting is to be held, allow voting with the assistance of scrutinizer, by use of "Ballot Paper" for all those members who are present at the AGM but have not cast their votes by availing the remote e-voting facility.
- xv) The Scrutinizer after the conclusion of voting at the general meeting, will first count the votes cast at the meeting and thereafter unblock the votes cast through remote e-voting in the presence of at least two witnesses not in the employment of the Company and shall make, not later than 48 hrs of the conclusion of the AGM, a consolidated scrutinizer's report of the total votes cast in favour or against, if any, to the Chairman or a person authorized by him in writing, who shall countersign the same and declare the result of the voting forthwith.
- xvi) The Results declared along with the report of the Scrutinizer shall be placed on the website of the Company www.dynavision.in and on the website of NSDL immediately after the declaration of result by the Chairman or a person authorized by him in writing. The results shall also be immediately forwarded to the BSE Limited, Mumbai.
- xvii) Members are requested to note that the Company's equity shares are under compulsory demat trading for all investors, as per the SEBI notification No. SEBI/LAD/NRO/GN /2018/24 dated 8th June 2018 and further notification dated 3rd December 2018 that transfer of physical shares will not be processed by the company after 31st March 2019. INDEPENDENT AUDITOR'S REPORT**TO THE MEMBERS OF DYNAVISION LIMITED****Report on the audit of Standalone Indian Accounting Standards (Ind AS) Financial Statements****Opinion**

We have audited the accompanying Standalone Ind AS financial statements of DYNAVISION LIMITED ("the Company"), which comprise the balance sheet as at 31st March 2019, the statement of Profit and Loss (including Other Comprehensive Income), Statement of changes in Equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, the Profit (including other comprehensive income), the changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act, and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. We have determined that there are no Key audit matters to communicate in our report.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act, with respect to the preparation of these Standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including Other Comprehensive Income, Changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified in the Companies (Indian Accounting Standards) Rules 2015 (as amended) under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists

related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Standalone Ind AS financial statements, including the disclosures, and whether the Standalone Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Materiality is the magnitude of Misstatements in the standalone financial statements that, individually or in aggregate, make it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in:
 - (i) Planning the scope of our audit work and in evaluating the results of our work; and
 - (ii) To evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Ind AS financial statements of

the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure "B" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss (Including other comprehensive income), the statement of changes in equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on 31st March, 2019 and taken on record by the Board of Directors, none of the directors are disqualified as on 31st March, 2019 from being appointed

as a director in terms of Section 164 (2) of the Act.

- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
- (g) With respect to other matters to be included in the Auditor's Report in accordance with requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the company to its directors during the year is in accordance with the provisions of section 197 of the act.

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has no pending litigations as on 31.03.2019, and accordingly disclosing the same on its financial position in its Standalone Ind AS Financial Statements does not arise.
 - ii. The Company did not have any long-term contracts including derivative contracts that require a provision for material foreseeable losses in these Financial Statements: and
 - iii. There were no amounts which were required to be transferred, to the Investor Education and Protection Fund by the Company.

Annexure “A” to The Independent Auditor’s Report of even date on the Standalone Ind AS Financial Statements of Dynavision Limited

Report on the Internal Financial Controls Over Financial Reporting under Clause

(i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Dynavision Limited** (“the Company”) as of March 31, 2019 in conjunction with our audit of the Standalone Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial control that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note

require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, and to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to Standalone financial statements for the year ended 31 March 2019

1. Corporate Information

Dynavision Ltd. was established in 1973 as a Joint Sector Public Limited Company with participation of M/s. Tamil Nadu Industrial Development Corporation Ltd. (TIDCO) and the Private Promoter, Mr.P. Obul Reddy. It started commercial production of Black & White TVs in 1975 and Colour televisions in 1982 under “DYANORA” Brand Name. Since 1994 onwards, the Company was assembling Colour Television Sets (CTVs), Audios and Videos for M/s. Thomson Consumer Electronics India Limited on contract manufacturing basis.

M/s.Thomson Consumer Electronics India Limited wound up their activities in India during 2004. Since the entire manufacturing capacity of the Company was lying idle, the entire factory premises have been leased out to M/s. Apollo Hospitals Enterprises Ltd, for establishing world class multi specialities Hospitals. Further, the company is planning to venture into other business activities.

General Information and statement of compliance with IND AS

The standalone financial statements of the company have been prepared in accordance with the Indian Accounting Standards (IND AS) notified under section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter.

Effective April 1, 2017, the Company has adopted all the applicable Ind AS Standards and the adoption was carried out in accordance with Ind AS 101, First Time Adoption of Indian Accounting Standards, with April 1, 2016 as the transition date.

The standalone financial statements for the year ended 31st March 2019 were authorized and approved for issue by the Board of Directors on 29th May 2019 and is subject to adoption by shareholders in the ensuing Annual General Meeting.

2. Application of new and revised Indian Accounting Standards (Ind AS)

All the Ind AS issued and notified by the Ministry of Corporate Affairs under the Companies (Indian

Accounting Standards) Rules, 2015 (as amended) till the standalone financial statements are authorized have been considered in preparing these standalone financial statements.

a) Recent accounting pronouncements

• Ind AS 116 –Leases

On March 30th 2019, Ministry of Corporate Affairs has notified Ind AS 116, Leases. Ind AS 116 will replace the existing Ind AS 17 Leases, and related Interpretations. The Standard sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract i.e., the lessee and the lessor. Ind AS 116 introduces a single lessee accounting model and requires a lessee to recognize assets and liabilities for all leases with a term of more than twelve months, unless the underlying asset is of low value.

The Standard is applicable for the accounting periods commencing on or after 01-04-2019. Accordingly, this Standard is not applicable for preparation of the financial statements for the year ended 31-03-2019. However, application of this Standard from 01-04-2019 does not have any impact for the Company.

• Ind AS 12 – Uncertainty over Income Tax Treatments

On March 30, 2019, Ministry of Corporate Affairs has notified Ind AS 12 Appendix C, Uncertainty over Income Tax Treatments which is to be applied while performing the determination of taxable profit (or loss), tax bases, unused tax losses, unused tax credits and tax rates, when there is uncertainty over income tax treatments under IndAS12.

According to the Appendix, Companies need to determine the probability of the relevant tax authority accepting each tax treatment, or group of tax treatments, that the Companies have used or plan to use in their income tax filing which has to be considered to compute the most likely amount or the expected value of the tax treatment when determining taxable profit (loss), tax bases, unused tax losses, unused tax credits and tax rates.

The Standard permits two possible methods of transition –

- i) Full retrospective approach—Under this approach, Appendix C will be applied retrospectively to each prior reporting period presented in accordance with Ind AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors, without using hindsight and
- ii) Retrospectively with cumulative effect of initially applying Appendix C recognized by adjusting equity on initial application, without adjusting comparatives.

The effective date for adoption of Ind AS 12 Appendix C is annual periods beginning on or after April 1, 2019. The Company will adopt the Standard on April 1, 2019

However, application of this Standard from 01-04-2019 does not have any significant impact for the Company.

3. Summary of Significant Accounting Policies, Key Accounting Estimates and Judgment

a) Overall consideration

The standalone financial statements have been prepared using the significant accounting policies and measurement bases summarized below. These were used throughout all periods presented in the financial statements, except where the company has applied certain accounting policies and exemptions upon transition to Ind AS.

Basis of preparation

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015 as amended] and other relevant provisions of the Act. The financial statements have been prepared on the historical cost convention under accrual basis of accounting except for certain financial assets and liabilities (as per the accounting policy below), which have been measured at fair value.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price

is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except for leasing transactions that are within the scope of Ind AS 17, and measurements that have some similarities to fair value but are not fair value, such as value in use in Ind AS36.

In addition, for financial reporting purposes, fair value measurements are categorized into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability. The principal accounting policies are set out below.

b) Current and Non-Current Classification

The Company presents assets and liabilities in the balance sheet based on current / non-current classification. An asset is classified as current when it is:

- Expected to be realized or intended to be sold or consumed in the normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent is treated as current, unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current. A liability is treated as current when:

- It is expected to be settled in the normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its operating cycle. Deferred tax assets and liabilities are classified as non-current assets and liabilities.

c) Revenue

Lease income from Investment property is recognized in the Statement of Profit and Loss in accordance with Payment terms of lease agreement.

d) Property, Plant and Equipment

Recognition and Initial Measurement

Freehold land is carried at historical cost and all other items of Property, Plant and Equipment are stated at cost of acquisition less accumulated depreciation / amortization and impairment, if any. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as separate asset is derecognized when replaced. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

Subsequent measurement (Depreciation and useful lives)

Depreciation on Property, plant and equipment is provided on Straight Line basis computed on the basis of useful lives (as set out below) prescribed in Schedule II of the Act:

Asset Category	Estimated Useful life (Years)
Factory Building	30
Building (Other than factory buildings)	60
Computers	3
Furniture and Fittings	10
Other Equipment	15
Vehicles	8

De-recognition

An item of Property, plant and equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gains and losses on disposals are determined by comparing proceeds with carrying amount and recognized in Statement of Profit and Loss.

e) Investment Property

Investment properties are properties held to earn rentals and/or for capital appreciation (including property under construction for such purposes).

Investment properties are measured initially at cost including transactions costs. Subsequent to initial recognition, investment properties are measured in accordance with Ind AS 16's requirement for cost model.

An investment property is derecognized upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from the disposal. Any gain or loss arising on de-recognition of the property (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the Statement of Profit and Loss in the period in which the property is derecognized.

f) Intangible Assets

• Intangible assets acquired separately

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortization and accumulated impairment losses. Amortization is recognized on a straight-line basis over their estimated useful lives. The estimated useful life is reviewed annually with the effect of any changes in estimate being accounted for on a prospective basis.

• Useful lives of intangible assets

Intangible assets are amortized equally over the estimated useful life not exceeding five years.

De-recognition

An item of intangible asset is de-recognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of intangible assets is determined as the difference between the sales proceeds, if any, and the carrying amount of the asset and is recognized in the statement of profit or loss.

g) Impairment of tangible and intangible assets

The Company annually reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for

which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in Statement of Profit and Loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash generating unit) is increased to the revised estimate of its recoverable amount, so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognized immediately in Statement of Profit and Loss.

h) Leases

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases. The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfillment of the arrangement is dependent on the use of a specific asset and the arrangement conveys a right to use the asset even if that right is not explicitly specified in an arrangement. For arrangements entered into prior to the transition date, i.e. 1st April 2016 the company has determined whether arrangements contain lease on the basis of facts and circumstances existing on the date of transition.

Company as Lessee

The Company's significant leasing arrangements are in respect of operating leases. The lease rentals under such agreements are recognized in the Statement of Profit and Loss as per the terms of the lease.

Rental expense from operating leases is generally recognized on a straight-line basis over the term of the relevant lease or based on the time pattern of user benefit basis.

Company as Lessor

The Company's significant leasing arrangements are in respect of operating leases. The lease rentals under such agreements are recognized in the Statement of Profit and Loss as per the terms of the lease.

i) Impairment of Non-financial assets

At each reporting date, the company assesses whether there is any indication based on any internal or external factors that an asset may be impaired. If any such indications exist, the company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount and the reduction is treated as impairment loss and is recognized in the Statement of Profit and Loss. All assets are subsequently reassessed for indications that an impairment loss previously recognized may no longer exist. An impairment loss is reversed if the assets' or cash generating unit's recoverable amount exceeds its carrying amount.

j) Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization. All other borrowing costs are recognized in the Statement of Profit and Loss in the period in which they are incurred.

k) Financial Instruments Financial assets

Initial recognition and measurement

Financial assets are recognized when the company becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs.

All recognised financial assets are subsequently measured in their entirety at either amortised cost

or fair value, depending on the classification of the financial assets

- **Financial Instruments at amortized cost-** The financial instrument is measured at the amortized cost if both the following conditions are met:
 - The asset is held within the business model and whose objectives to hold the assets for collecting contractual cash flows and
 - Contractual terms of the asset give rise on a specified date to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

Financial Liabilities

Initial recognition and measurement

All financial liabilities are recognized at fair value and transaction cost that is attributable to the acquisition of the financial liabilities is also adjusted. These liabilities are classified at amortized cost.

Subsequent measurement

Subsequent to initial recognition, these liabilities are measured at amortised cost using effective interest method. These liabilities include borrowings.

De-recognition of financial assets and liabilities

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for de-recognition under Ind AS 109.

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as de-recognition of the original liability and the recognition of a new liability.

l) Impairment of Financial Assets

In accordance with Ind AS 109, the company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss for financial assets.

ECL is the difference between all contractual cash flows that are due to the company in accordance with the contract and all the cash flows that the company expects to receive. When estimating the cash flows, the company is required to consider-

- All contractual terms of the financial assets (Including prepayment and extension) over the expected life of the assets
- Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

Other Financial Assets

For recognition of impairment loss on other financial assets and risk exposure, the company determines whether there has been a significant increase in the credit risk since the initial recognition and if credit risk has increased significantly, impairment loss is provided.

m) Taxes on Income

Tax expense recognized in Statement of Profit and Loss comprises of current and deferred tax not recognized in Other Comprehensive Income (OCI) or directly in equity.

Current Income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act. Current income tax relating to items recognized outside the Statement of Profit and Loss is recognized outside Statement of Profit and Loss (either in OCI or in equity).

Deferred tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realized or the deferred income tax liability is settled.

Deferred tax assets are recognised only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses. Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the

deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously. Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity, in which case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

n) Cash flow statement

Cash flows are reported using the indirect method, whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

o) Cash and Cash Equivalents

Cash and Cash equivalents comprise cash in hand, demand deposits with banks or corporations and short term highly liquid investments (original maturity less than 3 months) that are readily convertible into known amounts of cash and are subject to an insignificant risk of change in value.

p) Post-Employment, long-term and short-term employee benefits

Defined Contribution Plans

Provident Fund benefits is a defined contribution plan under which the company pays fixed contribution into funds established under the Employees' Provident Fund and Miscellaneous Provisions Act, 1952. The company has no legal or constructive obligations to pay further contributions after the payment of the fixed contribution.

Defined benefit plans

Gratuity is a post-employment benefit defined under the Payment of Gratuity Act, 1972 and is in the nature of a defined plan. The liability recognized in the financial statements in respect of gratuity is in accordance with the required provisions of the said act.

Short-term employee benefits

Expense in respect of other short-term benefits is recognized on the basis of the amount paid or payable for the period during which services are rendered by the employee.

q) Fair value measurement

The company measures financial instruments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that the market participants act in their economic best interest.

r) Provisions, Contingent Liabilities and Contingent Assets Provision

A provision is recorded when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reasonably estimated.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expenses.

Contingent Liabilities

Wherever there is a possible obligation that arises from past events and whose existence will be

confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that arises from past events but is not recognised because:

- (a) it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
- (b) the amount of the obligation cannot be measured with sufficient reliability.

Contingent assets are neither recognized nor disclosed.

s) Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to the equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the periods.

For the purpose of calculating diluted earnings per share, the net profit or losses for the period attributable to the equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

t) Functional and presentation currency and Foreign Currency Transactions

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which these entities operate (i.e. the "functional currency"). The financial statements are presented in Indian Rupee, the national currency of India, which is the functional currency of the Company.

In preparing the financial statements of the company, transactions in currencies other than the entity's functional currency (foreign currencies) are recognized at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined.

Exchange differences on monetary items are recognized in profit or loss in the period in which they arise.

u) Use of Estimates

The preparation of financial statements requires management to make certain estimates and assumptions that affect the amounts reported in the financial statements and notes thereto. The management believes that these estimates and assumptions are reasonable and prudent. However, actual results could differ from these estimates.

v) Significant Estimations and Judgments

The areas involving critical estimates or judgments are:

- **Estimation of useful lives of depreciable / amortisable assets-** Management reviews its estimate of the useful life of the depreciable/ amortisable asset at the end of each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence.
- **Recoverability of advances-** At each balance sheet, based on historical default rates observed over expected life, the management assess the expected credit loss on outstanding advances.
- **Recognition of deferred tax assets-** The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the future taxable income against which the deferred tax assets can be utilised.
- **Evaluation of indicators for impairment of assets-** The evaluation of applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.
- **Estimation of fair value of financial assets and liabilities-** Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instruments. The management uses the best information available. Estimated fair values may vary from the actual prices that would be achieved in an arm's length transaction at the reporting date.

Cash and Cash equivalents	At amortized cost	78.23	3.13
Bank balances other than above – Fixed deposits with bank	At amortized cost	1145.00	390.18

ii) Fair value hierarchy

This section explains the judgments and estimates made in determining the fair values of the financial instruments that are measured at amortized cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the standard. The explanations relating to each level is disclosed under Note 3(a) to the Standalone financial statements.

As at 31st March 2019: (Rupees in Lakhs)

Particulars	Note No	As at 31-03-2019			
		Level 1	Level 2	Level 3	Total
Other Financial Liabilities-Deposits received	16	-	299.42	-	299.42

As at 31st March 2018: (Rupees in Lakhs)

Particulars	Note No	As at 31-03-2018			
		Level 1	Level 2	Level 3	Total
Other Financial Liabilities-Deposits received	16	-	273.45	-	273.45

iii) Fair value and Carrying amount of financial assets and liabilities measured at amortized cost:

(Rupees in Lakhs)

Particulars	As at 31-03-2019		As at 31-03-2018	
	Fair value	Carrying amount	Fair value	Carrying amount
Other Financial Liabilities - Non-current	299.42	2,127.75	273.45	2,127.75

The carrying value of rental deposits given, cash and bank balances, deposits with bank, trade payables, current maturities of borrowings recorded at amortized cost is considered to be a reasonable approximation of fair value.

iv) Risk Management

The company's activities expose it to credit risk, liquidity risk and market risk. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk.

a) Credit risk: The credit risk refers to risk that a counter party will default on its contractual obligations resulting in financial loss to the Company. Credit risk arises primarily from financial assets such as trade receivables, bank balances, other balances with banks and other receivables.

The company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is a significant increase in the credit risk the company compares the risk of default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition. Surplus cash is deposited only with banks/financial institutions with a high external credit rating.

b) Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting obligations associate with financial liabilities that are settled by delivering cash or another financial asset. Liquidity risk may result from an inability to sell a financial asset quickly to meet obligations when due. The Company's exposure to liquidity risk arises primarily from mismatches of maturities of financial assets and liabilities.

The Company manages the liquidity risk by (i) maintaining adequate and sufficient cash and cash equivalents (ii) making available the funds from realizing timely maturities of financial assets to meet the obligations when due. The Management monitors rolling forecast of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. Also, the Company manages the liquidity risk by projecting cash flows considering the level of liquid assets necessary to meet the obligations by matching the maturity profiles of financial assets and financial liabilities and monitoring Balance Sheet liquidity ratios. Further, the liquidity risk management involves matching the maturity profiles of financial assets and financial liabilities.

31. Micro, Small and Medium enterprises
