MANAGEMENT DISCUSSION AND ANALYSIS

Financial Performance:

During the year under consideration there have been several challenges both on the domestic and international fronts Your Company achieved revenue from operations of Rs. **41,37,52,834**/- and EBIT of Rs. **91,62,703**/- as against Rs. **15,05,05,938.56**/- and Rs. **23,69,967.67**/- in negative respectively in the previous year.

During the year under review the company has attained net gain of Rs. **91,62,703**/- (Previous year loss of Rs. **23,69,967.67**/- from business). The financial year 2018-19 has been quite a successful year for the company as far as revenues are concerned. But the production remains below the benchmark

Leveraging on its strong reputation of "FUBA" for producing high quality products, the company continued to receive orders from existing customers as well as new customers despite challenging market situations.

Industrial Structure and Development:

With the increased digitization now-a-days, technology is both, being created and updated almost everyday. People have started to use more electronics and machineries for their daily assistance than ever before. Such continuous increase in demand is resulting in an increase in the supplies, as all manufacturers want to avail the benefit of the surge. PCBs, being the nature they are, are the base of any electronic machine or gadget. Hence, the demand for the same will only be increased in the days to come.

Opportunities, threats, Risk and Concerns:

The PCB industry is a very clinical industry and is the basic raw material for the whole electronic industry. And since the electronic industry is increasing multifold every year, the PCB market is also increasing in the same proportion. Accordingly, there is no girth of scope and opportunities.

There are many new PCB manufacturers who are entering the market and bringing in new investments and innovations, however in India there are very few, including us, who manufacture top quality PCBs as per the industry requirements and standards. Further, under the "Make in India" campaign of the Government of India ('GOI'), many OEMs have started purchasing domestically rather than importing PCBs from other nations. This trend is expected to increase further in the coming few years. However, the volatility of the raw material prices is something that is to be looked at more keenly industry-wide.

The Industry Association is also in constant touch with the GOI to take steps to promote the domestic PCB industry along with the other industries that provide them the raw materials.

Outlook:

One of the objectives identified by New NDA Government to focus on domestic demand driven growth recovery. Market research showed that although India repeatedly referred to "30%" increase over the past 10-15 year period, the circuit board production base in India is very small. Even the local Indian number one, these cond circuit board manufacturer's annual revenue totalled only 45 million U.S. dollars.

We have to invest considerably in reviving the plant and it's operations including refurbishing the machinery, replacing obsolete equipment, infusing working capital, and adding new customers to its 'existing ones. We will definitely continue to strengthen the PCB edge, timely expansion, the PCB business to do fine and stronger.

Internal Control Systems and their adequacy:

The Company has a proper and adequate internal control system to ensure that all assets are safeguarded and protected against loss from unauthorized use or disposition and those transactions authorized, recorded and reported correctly. The internal control is supplemented by extensive program of internal audits, review by management and documented policies, guidelines and procedures.

Industrial Relations and human resources development:

The industrial relations have been cordial and satisfactory. We recognize the importance of Human resources and give full respect for its development and are committed to the development of our human resource. Efforts continue to make the organization a great place to work.

Cautionary Statement:

Facts and figure in the Management's Discussion and Analysis describe the company's projection and estimates may be "forward looking predictions" and it may differ from the results.

Independent Auditors' Report

To the Members of BCC FUBA INDIA LIMITED

(CIN: L51395HP1985PLC012209)

Report on the Financial Statements

Opinion

We have audited the accompanying financial statements of BCC FUBA INDIA LIMITED ('the Company'), which comprise the Balance Sheet as at 31 March 2019, the Statement of Profit and Loss (including other comprehensive income), the cash flow statement and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2019 and its Profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibilities under those standards are further described in Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the company in accordance with code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Other Information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's Annual Report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation and presentation of these financial statements that give a true and fair view of the state of affairs, profit / loss (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the

preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based
 on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may
 cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material
 uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the
 financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on
 the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause
 the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and
 whether the financial statements represent the underlying transactions and events in a manner that achieves fair
 presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all the relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulations precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communications.

Report on Other Legal and Regulatory Requirements

- 1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A", a statement on the matters specified in the paragraph 3 and 4 of the order, to the extent applicable.
 - (A) As required by Section 143 (3) of the Act, we report that:
 - (a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) in our opinion proper books of accounts as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) the Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) in our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
 - (e) on the basis of the written representations received from the directors as on 31 March 2019 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2019 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) with respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B".
 - (B) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations as at 31 March, 2019 on its financial position in its financial statements Refer to Note 29(b) to 29(e) to the financial statements;

Annexure - B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of BCC FUBA INDIA LIMITED ("the Company") as at 31 March 2019 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls With Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at 31 March 2019, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the Institute of Chartered Accountants of India.

Corporate Information

Bcc Fuba is a Public Limited Company which is incorporated in India(CIN L51395HP1985PLC012209) with the objective to manufacture of Printing Circuit Board, Manufacturing of transformers and other. The registered office of the company is located at 4km Swarghat Road, Nalagarh-174101.

Accounting Policy

Basis of preparation

(i) Compliance with Ind AS

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

(ii) Historical cost convention

The financial statements have been prepared on a historical cost basis, except for the following:

- defined benefit plans and other long term employee benefits; and
- Certain assets and liabilities measured at fair value.

Use of Estimates and judgment

Preparation of Financial Statements in conformity with Ind-AS requires management to make judgment, estimation and assumptions that affect application of accounting policy and reporting amount of assets, liabilities, disclosure of contingent assets and liabilities at the date of financial statements and the reported amount of profit and Loss account. Example of such estimates includes useful life of property, plant and equipment, intangible assets, provision for doubtful debts, future obligation under employee's retirement benefit plans and contingent liabilities. Actual results may differ with these estimates. Estimates and underlying assumptions are reviewed on periodic basis. Future results could differ due to these estimates and the difference between actual results and estimates are recognized in the period in which the results are known/materialized.

All Financial information furnished in Indian rupees and values are rounded to nearest in thousand with two decimal points except where otherwise stated.

Inventories

Raw materials and stores, work in progress, traded and finished goods

Raw materials and stores, work in progress, traded and finished goods are stated at the lower of cost and net realisable value. Cost of raw materials and traded goods comprises cost of purchases. Cost of work-in-progress and finished goods comprises direct materials, direct labour and an appropriate proportion of variable and fixed overhead expenditure. Cost of inventories also include all other costs incurred in bringing the inventories to their present location and condition. Cost includes the reclassification from equity of any gains or losses on qualifying cash flow hedges relating to purchases of raw material but excludes borrowing costs. Costs are assigned to individual items of inventory on the basis of first-in first-out basis. Costs of purchased inventory are determined after deducting rebates and discounts. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Property, plant and equipment

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less accumulated depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the fixed assets.

Cost of asset includes the following

- (i) Cost directly attributable to the acquisition of the assets
- (ii) Present value of the estimated costs of dismantling & removing the items & restoring the site on which it is located if recognition criteria are met.

Subsequent costs are included in the asset's carrying amount only when it is probable that future economic benefits associated with the item willflow to the company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Transition to Ind AS

On transition to Ind AS, the group has elected to continue with the carrying value of all of its property, plant and equipment recognised as at 1 April 2016 measured as per the previous generally accepted accounting principles and use that carrying value as the deemed cost of the property, plant and equipment.

Depreciation methods, estimated useful lives and residual value

Depreciation is provided for property, plant and equipment on Straight Line Method over their estimated useful life of assets. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimates accounted for on a prospective basis.

The estimated useful lives are as mentioned below:

Category of Assets

| Particulars | Estimated Useful Life (years) |
|------------------------|-------------------------------|
| Freehold Building | 30 |
| Air Conditioners | 5 |
| Computer & Peripherals | 3 |
| Fixture & fittings | 10 |
| Furniture | 10 |
| Office Equipment | 5 |
| Vehicles | 8 |
| Plant & Machinery | 15 |

The useful lives have been determined based on technical evaluation done by the management's expert which are higher than those specified by Schedule II to the Companies Act; 2013, in order to reflect the actual usage of the assets. The residual values are not more than 5% of the original cost of the asset.

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit or loss within other gains/(losses).

Intangible assets

Intangible assets are recognized when it is probable that the future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably. Intangible assets are stated at historical cost less accumulated amortization and impairment loss, if any. Amortization methods, useful life and residual values are reviewed at each balance sheet date. Company has measured the useful life of intangible asset is 3 years.

Employee Benefits

- i) Short Term Employee Benefits: Short Term Employee Benefits such as short-term compensated absences are recognized as an expense on an undiscounted basis in the statement of Profit & Loss of the year in which the related service is rendered.
- (ii) Post-Employment Benefits & Other Long-Term Employee Benefits

Defined Contribution Plan

Provident Fund

Employees receive benefits from a provident fund, which is a defined contribution plan. Both the employee and the

company make monthly contribution to the regional Provident fund equal to specified percentage of the covered employee's salary. Yhecompany has no further obligation under the plan beyond its monthly contributions.

Defined Benefits Plan

i) Gratuity

In accordance with the payment of gratuity Act, 1972, the company provides for gratuity a non funded defined retirement plan covering all employees. To Plan, Subject to provision of the Act, provides a lump sum payment to vested employees at the retirement or termination of employment of an amount based on respective employees salary and the years of employment with the company. The company estimates its liability on adhoc basis in the interim Financial Reports and on an actuarial valuation basis as at the end of the year carried out an independent actuary, and it is charged to profit & loss account in accordance with IND-AS 109.

ii) Leave Benefit

Cost is a defined benefit, and is accrued on adhoc basis in the interim financial statement and on actuarial valuation basis as at the end of the year carried out by an independent actuary, and is charged to Profit & Loss account is accordance with IND AS-109.

Foreign Currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the Company operates (i.e. Functional Currency). The financial statements are presented in Indian rupees, which is the company's functional and presentation currency.

Income and expenses in foreign currencies are recorded at exchange rates prevailing on the date of the transaction. Foreign currency monetary assets and liabilities are translated at the exchange rate prevailing on the balance sheet date and exchange gains and losses arising on settlement and restatement are recognized in the statement of Profit & Loss Account.

Option to paragraph 29 of IND AS-21, to recognize unrealized exchange differences arising on transaction of certain long term monetary assets and long term monetary liabilities from foreign currency to functional currency, is ignored.

Income Tax

- a) Provision for Taxation is made on the basis of the taxable profits computed for the current accounting year(reporting year) in accordance with the income Tax Act,1961.
- b) Deferred Tax is recognize, subject to the consideration of prudence, on timing difference, being difference between taxable income and accounting income/ expenditure that originate in one period and capable of reversal in one or subsequent years(s). Deferred taxes are reviewed for their carrying value at each balance sheet date.

Borrowings

Borrowings are initially recognized at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortized cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognized in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognized as transaction costs.

Borrowing Costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalized during the period of time that is required to complete and prepare the asset for its intended use or sale. Other borrowing costs are expensed in the period in which they are incurred

Company capitalizes borrowing cost as part of the cost of a qualifying asset on the commencement date. The commencement date for capitalization is the date when the company first meets all of the following condition

- a) It incurs expenditure for the asset;
- b) It incurs borrowing cost; and
- c) It undertakes activities that are necessary to prepare the asset for its intended use or sale.

Cash Flow Statement

Cash flow is reported using the indirect method, whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flow from operating, investing and financing activities of the Company are segregated based on the available information. For the purposes of statement of cash flow, cash and cash equivalents include cash in hand, cash at banks and demand deposits with banks, net of outstanding bank overdrafts that are repayable on demand are considered part of the Company's cash management system

Event after reporting period

Company adjusts the amount recognized in its financial statements to reflect adjusting events after the reporting period and not adjust the non-adjusting event.

Financial Instrument

i) Financial Assets

A. Initial recognition and measurement: - All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognized using trade date accounting.

B. Subsequent measurement

- a) Financial assets carried at amortized cost (AC) A financial asset is measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
- b) Financial assets at fair value through other comprehensive income (FVTOCI) A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Fair Value of Equity instrument measured at Fair value through other comprehensive Income has not been measured due to non-availability of documents of that company.
- c) Financial assets at fair value through profit or loss (FVTPL)financial asset which is not classified in any of the above categories are measured at FVTPL.
- C. Other Equity Investments: -All other equity investments are measured at fair value, with value changes recognized in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income'.

ii) Financial liabilities

- A. Initial recognition and measurement: All Financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognized in the Statement of Profit and Loss as finance cost.
- B. Subsequent measurement: Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

Earnings per Share

In determining basic earnings per share, the company considers the net profit attributable to equity shareholders. The number of shares used in computing basic earnings per share is the weighted average number of shares outstanding during the period

In determining diluted earnings per share, the net profit attributable to equity shareholders and weighted average number of shares outstanding during the period are adjusted for the effect of all dilutive potential equity shares.

Impairment of Non-Financial Assets

- (i) The carrying amounts of the assets are reviewed at each balance sheet date to determine whether there is any indication of impairment. If any such indication exists, the asset's recoverable amount is estimated. For assets that are not yet available for use, the recoverable amount is estimated at each balance sheet date.
- (ii) An impairment loss is recognized whenever the carrying amount of an asset or its cash-generating unit exceeds its recoverable amount. Impairment losses are recognized in the Statement of profit & loss.
- (iii) An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined net of depreciation or amortization, if no impairment loss had been recognized.

Provisions, Contingent Liabilities and contingent assets.

Provision is recognized when:

- (i) The Company has a present obligation as a result of a past event,
- (ii) A probable outflow of resources is expected to settle the obligation and
- (iii) A reliable estimate of the amount of the obligation can be made.

Provision recognized above which are expected to be settled beyond 12 months are measured at the present value by using pre-tax discount rate that reflects the risks specific to the liability and the increase in the provision due to the passage of time is recognized as interest expenses.

Provisions are reviewed at each Balance Sheet Date.

Revenue recognition

Revenue from Operation

The company accounts for a contract with a customer that is within the scope of IND AS 115 when the following criteria is met:

- a) the parties to the contract have approved the contract (in writing, orally or in accordance with other customary business practices) and are committed to perform their respective obligations;
- b) the company identifies each party's rights regarding the goods or services to be transferred;
- c) the company identifies the payment terms for the goods or services to be transferred;
- d) the contract has commercial substance (i.e. the risk, timing or amount of the company's future cash flows is expected to change as a result of the contract); and
- e) It is probable that the company will collect the consideration to which it will be entitled in exchange for the goods or services that will be transferred to the customer. In evaluating whether collectability of an amount of consideration is probable, ancompany shall consider only the customer's ability and intention to pay that amount of consideration when it is due. The amount of consideration to which the company will be entitled may be less than the price stated in the contract if the consideration is variable because the company may offer the customer a price concession.

Interest Income

Interest Income is recognized using Effective Interest method as per IND-AS 109 when:

- a) It is probable that economic benefits associated with the transaction will flow to the company; and
- b) The amount of the revenue can be measured reliably;

Dividend Income

Dividend is recognized when the company's right to receive the payment has been established.

(n) Sensitivity Analysis: Significant actuarial assumptions for the determination of the defined benefit obligation are discount rate and expected salary increase rate. Effect of change in mortality rate is negligible. Please note that the sensitivity analysis presented below may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumption would occur in isolation of one another as some of the assumptions may be correlated. The results of sensitivity analysis are given below:
