MANAGEMENT DISCUSSION & ANALYSIS REPORT

OVERVIEW

GUJARAT POLY ELECTRONICS LTD (GPTEL), (formerly known as “Gujarat Poly-AVX Electronics Limited”), was a Joint venture company with AVX Corporation, USA, by virtue of an agreement entered between Polychem Ltd & AVX Corporation pursuant to promoters agreement dated 20th December, 1990. On 25th July, 2016 a ‘Share Purchase cum Termination Agreement’ (SPTA) was executed amongst Polychem Limited, AVX Corporation and GPAEL. In accordance with the terms of the aforesaid agreement, AVX had, in capacity of Promoter of GPAEL, transferred by way of sale of its entire shareholding to Polychem Limited. In view of the transfer of entire shareholding of 17,49,998 equity shares of Rs.10/- each to Polychem Ltd by AVX Corporation, the promoters agreement executed on 21st December 1990 had been automatically terminated and the provisions thereof ceased to bind the parties. As on date, GPTEL is no more a joint venture Company with AVX Corporation, USA. GPTEL’s, state of the art facility to manufacture Ceramic Capacitor is set up in the Pollution free electronics estate in Gandhinagar, Gujarat. Company imports & sells, as well as manufactures Multilayer Ceramic Capacitor in Radial, Surface Mount configuration, Single Layer Ceramic Capacitor both High and Low Voltage. In addition, we also deal in Semiconductor Device & other Types of Capacitors. GPTEL products are well received in the market place.

INDUSTRIAL STRUCTURE & DEVELOPMENT.

The Electronic Industry has been one of the fastest growing business with a double digit growth consistently year over year. Electronics components form the building blocks of any electronics systems & are classified under Active & Passive Components. Ceramic Capacitors are Passive Components & are typically characterized by their miniature size, wide range & low cost. All the passive components find wide ranging applications in the Electronics Industry like Tuning, Coupling, Filtering etc. These are primarily supplied to through following Segments in the Electronic Industry.

1. Computer & Computer Peripherals
2. Instrumentations & Industrial Electronics
3. Consumer Electronics
4. Defense Electronics or Strategic Electronics
5. Telecommunications
6. Electronics Manufacturing Services (EMS) or Sub-Contractors

Our company supplies parts to Original Equipment Manufacturers (OEM’s) in above segments directly or through our all India Dealer Network.

OPPORTUNITIES & THREATS.

Passive Components are the most widely used passive Components and are typically

1. Miniature in size.
2. Low Cost.
3. Have superior Electrical Characteristics.
 - All the components can be easily imported at zero custom duty.
 - They are fiercely competitive as these are supplied to OEM’s who have access to global sources
 - Deliveries & price are the key factors influencing the purchase decision.
 - Foreign Exchange volatility directly impacts on the bottom lines.

RISK & CONCERNS

- The Electronic Industries is sensitive to obsolescence which is a major concern to the components Industry.
- The stocking levels for making sale are on the rise as customers expect immediate deliveries.
- Due to new evolving technologies customer often resort to imports in KIT form & is a persistent threat.
- Due to fierce competition from Global sources particularly, from sources in China, the margin are always under severe pressure.

PERFORMANCE BY SECTOR

The overall Market scenario during year, continued to be sluggish. The Price & deliveries were the two prime movers for driving sales. The EMS sector, particularly, was influenced by obsolescence & immediate delivery issues. The instrumentation & Industrial Electronic Segment did reasonably well & increased by 17% over previous year. Similarly the Dealer & telecom sales were better than previous year. Product wise Radial sales declined by 7% whereas sales of other types of Ceramic Capacitors improved over previous year. The other traded products also reported a decline. Despite the adverse market conditions, the sales increased to Rs. 1,223.65 Lakhs in comparison to Rs.1,153.02 Lakhs in previous year, an increase of 6.13%.

OUTLOOK

The Directors are hopeful of increasing the sales Turnover of the components by adding other products to our line of products & thereby increasing the basket of our products. The company is cautiously optimistic about the growth in the current Financial Year.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF GUJARAT POLY ELECTRONICS LIMITED

Report on the Financial Statements

We have audited the accompanying financial statements of **Gujarat Poly Electronics Limited ("the Company")** which comprise the Balance Sheet as at March 31, 2017, the Statement of Profit and Loss, Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls.

An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the

information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2017 and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

ANNEXURE 'B'

Annexure to the Independent Auditor's report of even date on the Standalone financial statements of Gujarat Poly Electronics Limited.

Report on the Internal Financial Controls under Clause (1) of Sub-section 3 of Sec.143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Gujarat Poly Electronics Limited ("the Company") as of March 31, 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls systems over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's Judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting.

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purpose in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company. (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company, and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting was operating effectively as on March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reports issued by the Institute of Chartered Accountants of India.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2017

1. CORPORATE INFORMATION

Gujarat Poly Electronics Limited (the Company) is a public company domiciled in India and incorporated under the provisions of the Companies Act, 1956. The Company has set up a plant for manufacturing of capacitors and also trading in Capacitors.

2. SIGNIFICANT ACCOUNTING POLICIES

1) Basis of Accounting:

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act") / Companies Act, 1956 ("the 1956 Act"), as applicable. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

2) Use of Estimates:

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

3) Operating Cycle

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

4) Cash flow Statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

5) Fixed Assets: (Tangible/ Intangible)

Fixed assets are carried at cost less accumulated depreciation / amortisation and impairment losses, if any. The cost of fixed assets comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses and interest on borrowings attributable to acquisition of qualifying fixed assets up to the date the asset is ready for its intended use. Subsequent expenditure on fixed assets after its purchase / completion is capitalised only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

6) Depreciation and Amortisation:

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation on tangible fixed assets, except furniture and fixtures, has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013.

Depreciation on furniture and fixtures is calculated on Written down value basis as per the useful life prescribed in Schedule II to the Companies Act, 2013.

Cost of leasehold land is amortised over the period of the lease.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2017

Intangible assets are amortised over their estimated useful life on straight line method as follows:

- a) Technical Knowhow is amortised over its useful life of which is the useful life of plant and machinery for which it is used.
- b) Computer software are amortized over a period of three years from the date of their acquisition.

7) Impairment of Assets

The carrying values of assets / cash generating units at each balance sheet date are reviewed for impairment if any indication of impairment exists.

If the carrying amount of the assets exceed the estimated recoverable amount, an impairment is recognised for such excess amount. The impairment loss is recognised as an expense in the Statement of Profit and Loss.

The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor.

8) Leases:

Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor are recognised as operating leases. Lease rentals under operating leases are recognised in the Statement of Profit and Loss on a straight-line basis over the lease term.

9) Inventories:

Inventories are valued at the lower of cost (determined on FIFO basis) and the net realizable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to the point of sale, including octroi and other levies, transit insurance and receiving charges. Work-in-progress and Finished goods include appropriate proportion of overheads and, where applicable, excise duty.

10) Revenue recognition:

Sale of goods:

Sales are recognised, net of returns and trade discounts, on transfer of significant risks and rewards of ownership to the buyer, which generally coincides with the delivery of goods to customers. Sales include excise duty, where applicable, but exclude sales tax and value added tax.

Other Income:

Revenue in respect of other income is recognized when no significant uncertainty as to its determination or realization exists.

11) Foreign Currency Transactions:

Transactions in foreign currencies entered into by the Company are accounted at the exchange rates prevailing on the date of the transaction or at rates that closely approximate the rate at the date of the transaction.

Foreign currency monetary items of the Company, outstanding at the balance sheet date are restated at the year-end rates. Non-monetary items of the Company are carried at historical cost.

Exchange differences arising on settlement / restatement of foreign currency monetary assets and liabilities of the Company are recognised as income or expense in the Statement of Profit and Loss.

12) Employees Benefits:

Employee benefits include provident fund, superannuation fund, employee state insurance scheme, gratuity fund, compensated absences and pension fund.

Defined contribution plans

The Company's contribution to provident fund, superannuation fund, employee state insurance scheme and Pension fund are considered as defined contribution plans and are charged as an expense based on the amount of contribution required to be made and when services are rendered by the employees.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2017

Defined benefit plan

For defined benefit plans in the form of gratuity fund the cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuation being carried out at each balance sheet date. Actuarial gains and losses are recognised in the Statement of Profit and Loss in the period in which they occur. Past service cost is recognised immediately to the extent that the benefits are already vested and otherwise is amortised on a straight-line basis over the average period until the benefits become vested. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost, as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to the present value of available refunds and reductions in future contributions to the schemes.

Short-term employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the year when the employees render the service.

Long-term employee benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognised as a liability at the present value of the defined benefit obligation as at the balance sheet date.

13) Taxes on Income:

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax laws.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets are recognised for timing differences of items other than unabsorbed depreciation and carry forward losses only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. However, if there are unabsorbed depreciation and carry forward of losses and items relating to capital losses, deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that there will be sufficient future taxable income available to realise the assets.

Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each balance sheet date for their realisability.

14) Government Grants:

Government grants in the nature of promoter's contribution like investment subsidy, where no repayment is ordinarily expected in respect thereof, are treated as capital reserve.

15) Provisions, Contingent liabilities and Contingent Assets:

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes. Contingent assets are not recognised in the financial statements.
