MANAGEMENT DISCUSSION & ANALYSIS REPORT

ECONOMY OVERVIEW

In 2018, the global economy began its journey on a firm footing with estimated global economic growth of 3.6% (Source: World Economic Outlook by International Monetary Fund (IMF)). During the second half of 2018, this rate of development gradually declined, owing to impending US-China trade dispute and some slowdown across developed markets. Emerging and developing markets of Asia maintained their steady progress at 6.4% during 2018. However, it's important to note that India's economy expanded at 7.1% in 2018 vis-à-vis 6.7% in 2017, whereas China's growth deteriorated from 6.9% in 2017 to 6.6% in 2018 (Source: IMF). Sub-Saharan Africa's economy also sustained a steady rise of 3% during the year.

India continues to be one of the fastest growing major economies in the world and is expected to be among the world's top three economic powers in the next 10-15 years. The Indian economy is expected to improve and close the year 2019 with a GDP growth of 7.3% (Source: IMF).

SEGMENT ANALYSIS AND REVIEW

The sales including other income for the year under reviewed was Rs. 2024.30 Lakhs as against Rs. 42232.27 Lakhs for the previous financial year.

SUBSIDIARIES

At present, M/s. Brinda Exports Limited is Wholly-Owned Subsidiary of the Company.

The turnover of M/s. Brinda Exports Limited for the year under review was Rs. 59.49 Lakhs. The Profit before tax for the year under review is Rs. 1.09 Lakhs and the profit after tax for the year under review is Rs. 0.75 Lakhs.

During the financial year 2018-19, the Board of Directors reviewed the affairs of the subsidiaries. In accordance with Section 129 of the Companies Act, 2013, the Company has prepared consolidated Financial Statement of the Company as on March 31, 2019, which forms part of this Annual Report.

FUTURE OUTLOOK

The Government of India is taking various steps to boost the infrastructure development in the country. Looking at the huge potential for growth in the infrastructure sector, your company sees a good outlook for the coming years and the Company will benefit from the same.

STRENGTHS AND OPPORTUNITIES

In the light of the financial turmoil in the developed countries and subsequent impact in India and more specifically in the Commodity prices your Company has taken steps to strengthen its position and seek out opportunities in adversity. The approach has been on containing costs and growing brands. The Company has been taking measures to keep its brands relevant to the customers and also ensuring that they remain competitively priced. It is also exploring all possible avenues to reduce costs of inputs and raw materials without compromising on the quality of the product.

THREATS & CHALLENGES

For the edible oils industry, the biggest challenges being faced are now are policy related. As edible oils are not governed by the anti-dumping regulation and with consumption far superseding domestic production, imports are a necessity in this industry. As a result of which margins of edible oil manufacturers and refiners are quite low. Your company is taking necessary steps to address this issue.

Business segments like dairy products and snack foods are highly competitive with several larger multi-national companies now present in India with world renowned brands. Competing for a piece of the pie will be an uphill battle, but it is one your company is well geared to take on.

RENEWABLE ENERGY

Windmills have always been considered a clean and green means of generating power. So as their contribution towards environmental conservation, the company installed them in the coastal area of Gujarat, way back in 1996. As fuel generally accounts for a major chunk of Production costs, this also made sound business sense, by acting as a shield against ever spiraling fuel prices and helping an environment. The company has installed three Windmills.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

There are adequate Internal Control Systems for financial reporting and time bound compliance of applicable laws and regulations. An independent firm of Chartered Accountants is carrying out internal audit of the books of accounts of the Company on a quarterly basis. The Audit Committee also reviews from time to time, adequacy and effectiveness of these internal control systems.

TRANSPARENCY IN SHARING INFORMATION

Transparency refers to sharing information and acting in an open manner. Processes and information are directly accessible to those concerned with them, and enough information is provided to understand and monitor them. Your Company believes in total transparency in sharing information about the business operations with all its stakeholders. Your Company strives to provide maximum possible information about its business operations with all its stakeholders. Your Company strives to provide maximum possible information in this report to keep stakeholders updated about the business performance.

RISK & CONCERN

As ordered by the Hon'ble National Company Law Tribunal, Ahmedabad Bench, the Company is under the Corporate Insolvency Resolution Process (CIRP).

The Company is exposed to external business risk, internal risk and financial risk. External business risks arise out of variations in prices of raw-material (crude oil) etc. Internal risks basically cover operational efficiency and ability to withstand competition. Financial risks are basically in the nature of interest rate variations.

FINANCIAL PERFORMANCE

An Overview of the financial performance is given in the Boards' Report. The Audit Committee constituted by the Board of Directors periodically reviews the financial performance and reporting systems.

HUMAN RESOURCES

At Vimal Oil & Foods Limited, equal importance is given to the development of the company's human resource. VOFL has always recruited the best talent available in the industry – people with years of expertise and experience behind them. Moreover, frequent in-house training sessions are conducted in all departments – be it Production or Accounts or Sales & Marketing – to not just increase their knowledge base but also improve their skills. This self-reliance not only boosts morale and confidence, but also contributes towards a healthier bottom.

CAUTIONARY STATEMENT

Statement in this Management Discussion and Analysis Report detailing the Company's objective, projections about the future, estimates, expectations or predictions including, but not limited to, statements about the Company's strategy for growth, market position and expenditures may be "forward- looking statements" within the meaning of applicable securities laws and regulations.

Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include economic conditions affecting demand / supply and price conditions in the domestic markets in which the Company operates, Changes in the Government regulations, tax laws and other statutes or other incidental factors.

2. Management's Responsibility for the IND AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in the section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone IND AS financial statements that give a true and fair view of the IND AS financial position, financial performance, cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the preparation and presentation of the IND AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

3. Auditor's Responsibility

Our responsibility is to express an opinion on these standalone INDAS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the INDAS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the IND AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the IND AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation of the IND AS financial statements that give true and fair view in order to design audit procedure that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial control system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentations of the INDAS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone INDAS financial statements.

4. Key audit matters:

- (a) Note 1 to the IND AS financial statements: Suspension of the power of board of directors and vesting of management with Resolution Professional by Hon'ble NCLT, Ahmedabad.
- (b) Point no. 8 of CARO: Default in repayment of dues to different banks and Asset Reconstruction companies.
- (c) Networth of the company has been completely eroded, the management is of the opinion that the company shall carry on its business on job work basis, hence the IND AS financial statements of the company have been prepared on going concern basis, the appropriateness of the said basis is inter-alia dependent upon future performance and profitability and presently we are unable to express an opinion on the same.

5. Opinion

In our opinion and to the best of our information and according to the explanations given to us, and subject to note no. 4 above, the IND AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India; of the state of the affairs of the company as at 31st March 2019, and its losses, cash flows for the year ended on that date.

6. Report on Other Legal and Regulatory Requirements

Annexure-B to Independent Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Vimal Oil & Foods Limited ("the Company") as of 31st March, 2019 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the IND AS financial statements

1. The Company overview:

Vimal Oil & Foods Ltd. ("Company"), is an India based edible oil Manufacturing Company. Vimal Oil & Foods Ltd is a public limited company incorporated and domiciled in India. The company has its primary listing with Bombay Stock Exchange and National Stock Exchange in India. The Company has incurred losses in past 4 years (including F.Y. 2018-19). On an application made by Bank of Baroda against the company, The Hon'ble NCLT, Ahmedabad, vide order dated 19/12/2017 has admitted the reference for initiation of Corporate Insolvency Resolution Process (CIRP) under the Insolvency and Bankruptcy Code, 2016 (IBC). According to said order, Mr. Abhay Manudhane, CA has taken charge as IRP on 23.12.2017. As per section 17 of the IBC, the powers of the Board of Directors stands suspended and such powers have vested with the IRP appointed as above. On 22/01/2018 in the meeting of Committee of Creditors of the company Mr. Abhay Manudhane is appointed as Resolution Professional of the Company. The company is currently under the control of Resolution Professional deputed by the NCLT with effect from 19-12-2017 for the period of 6 months or such other period as may be extended by the Honourable NCLT, Ahmedabad.

As per the provisions of section 17(1)(b) of the Insolvency and Bankruptcy Code, 2016, the power of the Board of Directors have been suspended and the INDAS financial statements have not been adopted by Board of Directors. However the same have been signed by Shri Jayesh C. Patel – Chairman cum Managing Director and Shri Mukesh N. Patel – Director on request of the RP. These financial statements have thereafter been taken on record by the RP for filing with the statutory authorities.

2. Basis of preparation of IND AS financial statements

(i) Statement of compliance and basis of preparation

These IND AS financial statements are prepared in accordance with Indian Accounting Standards (Ind AS), the provisions of the Companies Act, 2013 ("the Companies Act"), as applicable and guidelines issued by the Securities and Exchange Board of India ("SEBI"). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016. The IND AS financial statements correspond to the classification provisions contained in Ind AS 1, "Presentation of Financial Statements". For clarity, various items are aggregated in the statements of profit and loss and balance sheet. These items are disaggregated separately in the notes to the financial statements, where applicable. Due to rounding off, the numbers presented throughout the document may not add up precisely to the totals and percentages may not precisely reflect the absolute figures.

(ii) Basis of measurement

These IND AS financial statements have been prepared on a historical cost convention and on an accrual basis, except for the following material items which have been measured at fair value as required by relevant Ind AS:-

- a) Certain financial instruments measured at fair value.
- b) The defined benefit asset/(liability) is recognized as the present value of defined benefit obligation less fair value of plan assets.

(iii) Use of estimates and judgment

The preparation of the IND AS financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected. In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements are included in the following notes:

- (a) **Revenue recognition:** The Company uses the accrual method for Job-work and Power generation(Wind Mill) income earned.
- (b) **Impairment testing:** Investments in subsidiaries are tested for impairment at least annually and when events occur or changes in circumstances indicate that the recoverable amount of the asset or cash generating units to which these pertain is less than its carrying value.
- (c) **Income taxes:** In view of book loss, no provision for income tax has been made in the financials. A tax assessment can involve complex issues, which can only be resolved over extended time periods.
- (d) **Deferred taxes:** Deferred tax is recorded on temporary differences between the tax bases of assets and liabilities and their carrying amounts, at the rates that have been enacted or substantively enacted at the reporting date. The ultimate realization of deferred tax assets is dependent upon the generation of future taxable profits during the periods in which those temporary differences and tax loss carry-forwards become deductible. The amount of the deferred tax assets considered realizable, however, could be reduced in the near term if estimates of future taxable income during the carry-forward period are reduced.

(e) **Defined benefit plans:** The cost of the defined benefit plans, compensated absences and the present value of the defined benefit obligation are based on actuarial valuation using the projected unit credit method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

3. Significant accounting policies

(i) Functional and presentation currency

These IND AS financial statements are presented in Indian rupees, the national currency of India, which is the functional currency of the Company.

(ii) Foreign currency transactions and translation

Transactions in foreign currency are translated into the functional currency using the exchange rates prevailing at the date of the transaction. Foreign exchange gains and losses resulting from the settlement of such transactions and from translation at the exchange rates prevailing at the reporting date of monetary assets and liabilities denominated in foreign currencies are recognized in the statement of profit and loss and reported within foreign exchange gains/(losses), net within results of operating activities.

(iii) Financial instruments

(a) Non-derivative financial instruments:

Non derivative financial instruments consist of:

- Financial assets, which include cash and cash equivalents, trade receivables, employee and other advances, investments in equity and debt securities and eligible current and noncurrent assets;
- Financial liabilities, which include long and short term loans and borrowings, bank overdrafts, trade payables, eligible current and non-current liabilities.

Non derivative financial instruments are recognized initially at fair value. Financial assets are derecognized when substantial risks and rewards of ownership of the financial asset have been transferred. In cases where substantial risks and rewards of ownership of the financial assets are neither transferred nor retained, financial assets are derecognized only when the Company has not retained control over the financial asset. Subsequent to initial recognition, non-derivative financial instruments are measured as described below:

A. Cash and cash equivalents

The Company's cash and cash equivalents consist of cash on hand and in banks and demand deposits with banks, which can be withdrawn at any time, without prior notice or penalty on the principal.

For the purposes of the cash flow statement, cash and cash equivalents include cash on hand, in banks and demand deposits with banks, net of outstanding bank overdrafts that are repayable on demand and are considered part of the Company's cash management system. In the balance sheet, bank overdrafts are presented under borrowings within current liabilities.

B. Investments

Investments in subsidiaries:

Investments in subsidiaries are measured at costless impairment, if any.

C. Other financial assets:

Other financial assets are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. They are presented as current assets.

These comprise trade receivables, unbilled revenues, cash and cash equivalents and other assets.

D. Trade and other payables

Trade and other payables are initially recognized at fair value, and subsequently carried at amortized cost using the effective interest method. For these financial instruments, the carrying amounts approximate fair value due to the short term maturity of these instruments.

(b) De-recognition of financial instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expires or it transfers the financial asset and the transfer qualifies for de-recognition. If the Company retains substantially all the risks and rewards of a transferred financial asset, the Company continues to recognize the financial asset and also recognizes a borrowing for the proceeds received. A financial liability (or a part of a financial liability) is derecognized from the Company's balance sheet when the obligation specified in the contract is discharged or cancelled or expires.

(iv) Equity

(a) Share capital and share premium

The authorized equity share capital of the Company as of March 31, 2019, March 31, 2018 and April 1, 2017 is 18,00,00,000/- divided into 1,80,00,000/- equity shares of Rs. 10 each.

Par value of the equity shares is recorded as share capital and the amount received in excess of par value is classified as share premium. Every holder of the equity shares, as reflected in the records of the Company as of the date of the shareholder meeting shall have one vote in respect of each share held for all matters submitted to vote in the shareholder meeting.

(b) Retained earnings

Retained earnings comprises of the Company's undistributed earnings / deficit after taxes including previous years' retained earnings / deficit.

(v) Property, plant and equipment

(a) Recognition and measurement

Property, plant and equipment are measured at cost less accumulated depreciation and impairment losses, if any. Cost includes expenditures directly attributable to the acquisition of the asset. General and specific borrowing costs directly attributable to the construction of a qualifying asset are capitalized as part of the cost.

(b) Depreciation

The Company depreciates property, plant and equipment over the estimated useful life on a straight-line basis from the date the assets are available for use. Freehold land is not depreciated. The estimated useful life of assets are reviewed and where appropriate are adjusted, annually. The estimated useful lives of assets are as follows:

Category	Useful life
Buildings	28 years
Plant and Machinery	18 years
Computer Equipment	6 years
Furniture, Fixtures and Equipment	15 years
Vehicles	8 years

(vi) Impairment

Financial assets

The Company applies the expected credit loss model for recognizing impairment loss on financial assets measured at amortized cost and, debt instruments, trade receivables and other financial assets. Expected credit loss is the difference between the contractual cash flows and the cash flows that the entity expects to receive discounted using effective interest rate.

Loss allowances for trade receivables and lease receivables are measured at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument Lifetime expected credit loss is computed based on a provision matrix which takes in to the account historical credit loss experience adjusted for forward looking information. For other financial assets, expected credit loss is measured at the amount equal to twelve months expected credit loss unless there has been a significant increase in credit risk from initial recognition, in which case those are measured at lifetime expected credit loss.

(vii) Employee benefits

- a) Post-employment and pension plans, the Company participates in various employee benefit plans. Pensions and other post-employment benefits are classified as either defined contribution plans or defined benefit plans. Under a defined contribution plan, the Company's only obligation is to pay a fixed amount with no obligation to pay further contributions if the fund does not hold sufficient assets to pay all employee benefits. The related actuarial and investment risks fall on the employee. The expenditure for defined contribution plans is recognized as an expense during the period when the employee provides service. Under a defined benefit plan, it is the Company's obligation to provide agreed benefits to the employees. The related actuarial and investment risks fall on the Company. The present value of the defined benefit obligations is calculated by an independent actuary using the projected unit credit method.

All actuarial gains or losses are immediately recognized in other comprehensive income, net of taxes and permanently excluded from profit or loss. Further, the profit or loss will no longer include an expected return on plan assets. Instead net interest recognized in profit or loss is calculated by applying the discount rate used to measure the defined benefit obligation to the net defined benefit liability or asset. The actual return on the plan assets above or below the discount rate is recognized as part of re-measurement of net defined liability or asset through other comprehensive income, net of taxes.

The Company has the following employee benefit plans:

A. Provident fund

Employees receive benefits from a provident fund, which is a defined benefit plan. The employer and employees each make periodic contributions to the plan. A portion of the contribution is made to the approved provident fund trust managed by the Company while the remainder of the contribution is made to the government administered pension fund. The contributions to the trust managed by the Company is accounted for as a defined benefit plan as the Company is liable for any shortfall in the fund assets based on the government specified minimum rates of return.

B. Gratuity

In accordance with the Payment of Gratuity Act, 1972, applicable for Indian companies, the Company provides for a lump sum payment to eligible employees, at retirement or termination of employment based on the last drawn salary and years of employment with the Company. The gratuity fund is managed by the third party funds. The Company's obligation in respect of the gratuity plan, which is a defined benefit plan, is provided for based on actuarial valuation using the projected unit credit method. The Company recognizes actuarial gains and losses in other comprehensive income, net of taxes.

(viii) Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognized as an asset, if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

(ix) Revenue

The Company uses the accrual method for Job-work income earned.

(a) Job work Services

The Company recognizes revenue when the significant terms of the arrangement are enforceable, services have been delivered and the collectability is reasonably assured.

(b) Products

Revenue from products are recognized when the significant risks and rewards of ownership have been transferred to the buyer, continuing managerial involvement usually associated with ownership and effective control have ceased, the amount of revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the Company and the costs incurred or to be incurred in respect of the transaction can be measured reliably.

(c) Others

- The Company accounts for volume discounts and pricing incentives to customers by reducing the amount of revenue recognized at the time of sale.
- Revenues are shown net of Goods and Services tax and applicable discounts and allowances.
- The Company accrues the estimated cost of warranties at the time when the revenue is recognized. The accruals are based on the Company's historical experience of material usage and service delivery costs.
- Contract expenses are recognized as expenses by reference to the stage of completion of contract activity at the end of the reporting period.

(x) Finance cost

Finance cost comprise interest cost on borrowings.

(xi) Other income

Other income comprises interest income on deposits. Interest income is recognized on accrual basis. Dividend income is recognized when the right to receive payment is established.

(xii) Income tax

Income tax comprises current and deferred tax. Income tax expense is recognized in the statement of profit and loss except to the extent it relates items directly recognized in equity or in other comprehensive income.

a. Deferred income tax

Deferred income tax is recognized using the balance sheet approach. Deferred income tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in financial statements, except when the deferred income tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profits or loss at the time of the transaction.

Deferred income tax assets are recognized to the extent it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilized.

Deferred income tax liabilities are recognized for all taxable temporary differences except in respect of taxable temporary differences associated with investments in subsidiaries, associates and foreign branches where the timing of the reversal of the temporary difference can be controlled and it is probable that the temporary difference will not reverse in the foreseeable future.

Deferred income tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

(xiii) Earnings per share

Basic earnings per share is computed using the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed using the weighted-average number of equity and dilutive equivalent shares outstanding during the period.

4. Accounting standards not yet adopted:

Certain amendments to accounting standards are not yet effective for annual periods beginning after 1 April 2019, and have not been applied in preparing these IND AS financial statements. The amendments to standards that could have potential impact on the INDAS financial statements of the Company are:

i) Ind AS 116 Leases: The company is required to adopt Ind AS 116, Leases from April 1, 2019. Ind AS 116 introduces a single, on-balance sheet lease accounting model for lessees. A lessee recognises a right-of-use asset representing its right to use the underlying asset and a lease liability representing its obligation to make lease payments. There are recognition exemptions for short-term leases and leases of low-value items. Lessor accounting remains similar to the current standard – as finance or operating leases. It replaces existing leases guidance, Ind AS 17, Leases. The Company will be in the process of completing its detailed assessment and the quantitative impact of adoption of Ind AS 116 on the Financial Statements in the period of initial application is not reasonably estimable as at present.

The Company plans to apply Ind AS 116 initially on April 1, 2019, using the modified retrospective approach. Therefore, the cumulative effect of adopting Ind AS 116 will be recognised as an adjustment to the opening balance of retained earnings at April 1, 2019, with no restatement of comparative information. The Company plans to apply the practical expedient to grandfather the definition of a lease on transition.

This means that it will apply Ind AS 116 to all contracts entered into before April 1, 2019 and identified as leases in accordance with Ind AS 17.

ii) Amendments to Ind AS 12 – Income Taxes (Appendix C – Uncertainty over Income Tax Treatments): This interpretation, which will be effective from April 1, 2019, clarifies how entities should evaluate and reflect uncertainties over income tax treatments, in particular when assessing the outcome a tax authority might reach with full knowledge and information if it were to make an examination. The Company is in the process of evaluating the impact of this amendment on its standalone financial statements.

5. The company had suffered loss due to damages on account of fire occurred at the Mehsana Unit on 12th May, 2017. In the event of fire, the stock of goods lying at the unit, the machinery which was used for production of the oil and the building were damaged and left to the condition of salvage. The company has quantified the claim for insurance and has already filed the insurance claim bill at Reinstatement value with the Insurance Company after 31st March, 2018 i.e. on 18/05/2018. The quantification of the claim filed for Raw Material, Machineries, Building and Misc Items are as tabulated hereunder:

Independent Auditors' Report

To the Members of,

Vimal Oil & Foods Limited

1. Report on the Indian Accounting Standards (IND AS) Financial Statements

We have audited the accompanying IND AS Consolidated financial statements of **Vimal Oil & Foods Limited** which comprise the Balance Sheet as at March 31, 2019, the Statement of Profit and Loss, the Cash Flow Statement for the year ended and a summary of significant accounting policies and other explanatory information.

2. Management's Responsibility for the IND AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in the section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone IND AS financial statements that give a true and fair view of the IND AS financial position, financial performance, cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the preparation and presentation of the IND AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

3. Auditor's Responsibility

Our responsibility is to express an opinion on these standalone IND AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the IND AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the IND AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the IND AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation of the IND AS financial statements that give true and fair view in order to design audit procedure that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial control system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentations of the IND AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone IND AS financial statements.

4. Key audit matters:

- (a) Note 1 to the IND AS financial statements: Suspension of the power of board of directors and vesting of management with Resolution Professional by Hon'ble NCLT, Ahmedabad.
- (b) Point no. 8 of CARO: Default in repayment of dues to different banks and Asset Reconstruction companies.
- (c) Networth of the company has been completely eroded, the management is of the opinion that the company shall carry on its business on job work basis, hence the IND AS financial statements of the company have been prepared on going concern basis, the appropriateness of the said basis is inter-alia dependent upon future performance and profitability and presently we are unable to express an opinion on the same.

5. Opinion

In our opinion and to the best of our information and according to the explanations given to us, and subject to note no. 4 above, the IND AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India; of the state of the affairs of the company as at 31st March 2019, and its losses, cash flows for the year ended on that date.

6. Report on Other Legal and Regulatory Requirements

- i. As required by section 143(3) of the Act, we report that:
 - a. We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
 - b. In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books.
 - c. The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.

- d. In our opinion, the aforesaid IND AS financial statements comply with the Accounting Standards specified under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015 as amended.
- e. On the basis of written representations received from the directors as on March 31, 2019, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2019, from being appointed as a director in terms of section 164(2) of the Act.
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in “**Annexure A**”; and
- g. With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and accordance to the explanation given to us:
 - I. The company has disclosed the impact of pending litigations on its financial position in its IND AS financial statements – Refer note 5.2 to financial statements;
 - II. The company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.
 - III. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company -- Refer note 5.5 to INDAS financial statements.

Annexure-A to Independent Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Vimal Oil & Foods Limited ("the Company") as of 31st March, 2019 in conjunction with our audit of the Consolidated financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the IND AS financial statements

1. The Company overview:

Vimal Oil & Foods Ltd. ("Company"), is an India based edible oil Manufacturing Company. Vimal Oil & Foods Ltd is a public limited company incorporated and domiciled in India. The company has its primary listing with Bombay Stock Exchange and National Stock Exchange in India. The Company has incurred losses in past 4 years (including F.Y. 2018-19). On an application made by Bank of Baroda against the company, The Hon'ble NCLT, Ahmedabad, vide order dated 19/12/2017 has admitted the reference for initiation of Corporate Insolvency Resolution Process (CIRP) under the Insolvency and Bankruptcy Code, 2016 (IBC). According to said order, Mr. Abhay Manudhane, CA has taken charge as IRP on 23.12.2017. As per section 17 of the IBC, the powers of the Board of Directors stands suspended and such powers have vested with the IRP appointed as above. On 22/01/2018 in the meeting of Committee of Creditors of the company Mr. Abhay Manudhane is appointed as Resolution Professional of the Company. The company is currently under the control of Resolution Professional deputed by the NCLT with effect from 19-12-2017 for the period of 6 months or such other period as may be extended by the Honourable NCLT, Ahmedabad.

As per the provisions of section 17(1)(b) of the Insolvency and Bankruptcy Code, 2016, the power of the Board of Directors have been suspended and the IND AS financial statements have not been adopted by Board of Directors. However the same have been signed by Shri Jayesh C. Patel – Chairman cum Managing Director and Shri Mukesh N. Patel – Director on request of the RP. These financial statements have thereafter been taken on record by the RP for filing with the statutory authorities.

2. Basis of preparation of IND AS financial statements

(i) Statement of compliance and basis of preparation

These IND AS financial statements are prepared in accordance with Indian Accounting Standards (Ind AS), the provisions of the Companies Act, 2013 ("the Companies Act"), as applicable and guidelines issued by the Securities and Exchange Board of India ("SEBI"). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016. The IND AS financial statements correspond to the classification provisions contained in Ind AS 1, "Presentation of Financial Statements". For clarity, various items are aggregated in the statements of profit and loss and balance sheet. These items are disaggregated separately in the notes to the financial statements, where applicable. Due to rounding off, the numbers presented throughout the document may not add up precisely to the totals and percentages may not precisely reflect the absolute figures.

(ii) Basis of measurement

These IND AS financial statements have been prepared on a historical cost convention and on an accrual basis, except for the following material items which have been measured at fair value as required by relevant Ind AS:-

- a) Certain financial instruments measured at fair value.
- b) The defined benefit asset/(liability) is recognized as the present value of defined benefit obligation less fair value of plan assets.

(iii) Use of estimates and judgment

The preparation of the IND AS financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected. In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements are included in the following notes:

- (a) **(a) Revenue recognition:** The Company uses the accrual method for Job-work and Power generation(Wind Mill) income earned.
- (b) **Impairment testing:** Investments in subsidiaries are tested for impairment at least annually and when events occur or changes in circumstances indicate that the recoverable amount of the asset or cash generating units to which these pertain is less than its carrying value.
- (c) **Income taxes:** In view of book loss, no provision for income tax has been made in the financials. A tax assessment can involve complex issues, which can only be resolved over extended time periods.
- (d) **Deferred taxes:** Deferred tax is recorded on temporary differences between the tax bases of assets and liabilities and their carrying amounts, at the rates that have been enacted or substantively enacted at the reporting date. The ultimate realization of deferred tax assets is dependent upon the generation of future taxable profits during the periods in which those temporary differences and tax loss carry-forwards become deductible. The amount of the deferred tax assets considered realizable, however, could be reduced in the near term if estimates of future taxable income during the carry-forward period are reduced.

(e) **Defined benefit plans:** The cost of the defined benefit plans, compensated absences and the present value of the defined benefit obligation are based on actuarial valuation using the projected unit credit method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

3. Significant accounting policies

(i) Functional and presentation currency

These IND AS consolidated financial statements are presented in Indian rupees, the national currency of India, which is the functional currency of the Company.

(ii) Foreign currency transactions and translation

Transactions in foreign currency are translated into the functional currency using the exchange rates prevailing at the date of the transaction. Foreign exchange gains and losses resulting from the settlement of such transactions and from translation at the exchange rates prevailing at the reporting date of monetary assets and liabilities denominated in foreign currencies are recognized in the statement of profit and loss and reported within foreign exchange gains/(losses), net within results of operating activities.

(iii) Financial instruments

(a) Non-derivative financial instruments:

Non derivative financial instruments consist of:

- Financial assets, which include cash and cash equivalents, trade receivables, employee and other advances, investments in equity and debt securities and eligible current and noncurrent assets;
- Financial liabilities, which include long and short term loans and borrowings, bank overdrafts, trade payables, eligible current and non-current liabilities.

Non derivative financial instruments are recognized initially at fair value. Financial assets are derecognized when substantial risks and rewards of ownership of the financial asset have been transferred. In cases where substantial risks and rewards of ownership of the financial assets are neither transferred nor retained, financial assets are derecognized only when the Company has not retained control over the financial asset. Subsequent to initial recognition, non-derivative financial instruments are measured as described below:

A. Cash and cash equivalents

The Company's cash and cash equivalents consist of cash on hand and in banks and demand deposits with banks, which can be withdrawn at any time, without prior notice or penalty on the principal.

For the purposes of the cash flow statement, cash and cash equivalents include cash on hand, in banks and demand deposits with banks, net of outstanding bank overdrafts that are repayable on demand and are considered part of the Company's cash management system. In the balance sheet, bank overdrafts are presented under borrowings within current liabilities.

B. Investments

Investments in subsidiaries:

Investments in subsidiaries are measured at costless impairment, if any.

C. Other financial assets:

Other financial assets are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. They are presented as current assets.

These comprise trade receivables, unbilled revenues, cash and cash equivalents and other assets.

D. Trade and other payables

Trade and other payables are initially recognized at fair value, and subsequently carried at amortized cost using the effective interest method. For these financial instruments, the carrying amounts approximate fair value due to the short term maturity of these instruments.

(b) De-recognition of financial instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expires or it transfers the financial asset and the transfer qualifies for de-recognition. If the Company retains substantially all the risks and rewards of a transferred financial asset, the Company continues to recognize the financial asset and also recognizes a borrowing for the proceeds received. A financial liability (or a part of a financial liability) is derecognized from the Company's balance sheet when the obligation specified in the contract is discharged or cancelled or expires.

(iv) Equity

(a) Share capital and share premium

The authorized equity share capital of the Company as of March 31, 2019, March 31, 2018 and April 1, 2017 is 18,00,00,000/- divided into 1,80,00,000/- equity shares of Rs. 10 each.

Par value of the equity shares is recorded as share capital and the amount received in excess of par value is classified as share premium. Every holder of the equity shares, as reflected in the records of the Company as of the date of the shareholder meeting shall have one vote in respect of each share held for all matters submitted to vote in the shareholder meeting.

(b) Retained earnings

Retained earnings comprises of the Company's undistributed earnings / deficit after taxes including previous years' retained earnings / deficit.

(v) Property, plant and equipment

(a) Recognition and measurement

Property, plant and equipment are measured at cost less accumulated depreciation and impairment losses, if any. Cost includes expenditures directly attributable to the acquisition of the asset. General and specific borrowing costs directly attributable to the construction of a qualifying asset are capitalized as part of the cost.

(b) Depreciation

The Company depreciates property, plant and equipment over the estimated useful life on a straight-line basis from the date the assets are available for use. Freehold land is not depreciated. The estimated useful life of assets are reviewed and where appropriate are adjusted, annually. The estimated useful lives of assets are as follows:

Category	Useful life
Buildings	28 years
Plant and Machinery	18 years
Computer Equipment	6 years
Furniture, Fixtures and Equipment	15 years
Vehicles	8 years

(vi) Impairment

Financial assets

The Company applies the expected credit loss model for recognizing impairment loss on financial assets measured at amortized cost and, debt instruments, trade receivables and other financial assets. Expected credit loss is the difference between the contractual cash flows and the cash flows that the entity expects to receive discounted using effective interest rate.

Loss allowances for trade receivables and lease receivables are measured at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument Lifetime expected credit loss is computed based on a provision matrix which takes in to the account historical credit loss experience adjusted for forward looking information. For other financial assets, expected credit loss is measured at the amount equal to twelve months expected credit loss unless there has been a significant increase in credit risk from initial recognition, in which case those are measured at lifetime expected credit loss.

(vii) Employee benefits

- a) Post-employment and pension plans, the Company participates in various employee benefit plans. Pensions and other post-employment benefits are classified as either defined contribution plans or defined benefit plans. Under a defined contribution plan, the Company's only obligation is to pay a fixed amount with no obligation to pay further contributions if the fund does not hold sufficient assets to pay all employee benefits. The related actuarial and investment risks fall on the employee. The expenditure for defined contribution plans is recognized as an expense during the period when the employee provides service. Under a defined benefit plan, it is the Company's obligation to provide agreed benefits to the employees. The related actuarial and investment risks fall on the Company. The present value of the defined benefit obligations is calculated by an independent actuary using the projected unit credit method.

All actuarial gains or losses are immediately recognized in other comprehensive income, net of taxes and permanently excluded from profit or loss. Further, the profit or loss will no longer include an expected return on plan assets. Instead net interest recognized in profit or loss is calculated by applying the discount rate used to measure the defined benefit obligation to the net defined benefit liability or asset. The actual return on the plan assets above or below the discount rate is recognized as part of re-measurement of net defined liability or asset through other comprehensive income, net of taxes.

The Company has the following employee benefit plans:

A. Provident fund

Employees receive benefits from a provident fund, which is a defined benefit plan. The employer and employees each make periodic contributions to the plan. A portion of the contribution is made to the approved provident fund trust managed by the Company while the remainder of the contribution is made to the government administered pension fund. The contributions to the trust managed by the Company is accounted for as a defined benefit plan as the Company is liable for any shortfall in the fund assets based on the government specified minimum rates of return.

B. Gratuity

In accordance with the Payment of Gratuity Act, 1972, applicable for Indian companies, the Company provides for a lump sum payment to eligible employees, at retirement or termination of employment based on the last drawn salary and years of employment with the Company. The gratuity fund is managed by the third party funds. The Company's obligation in respect of the gratuity plan, which is a defined benefit plan, is provided for based on actuarial valuation using the projected unit credit method. The Company recognizes actuarial gains and losses in other comprehensive income, net of taxes.

(viii) Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognized as an asset, if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

(ix) Revenue

The Company uses the accrual method for Job-work income earned.

(a) Job work Services

The Company recognizes revenue when the significant terms of the arrangement are enforceable, services have been delivered and the collectability is reasonably assured.

(b) Products

Revenue from products are recognized when the significant risks and rewards of ownership have been transferred to the buyer, continuing managerial involvement usually associated with ownership and effective control have ceased, the amount of revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the Company and the costs incurred or to be incurred in respect of the transaction can be measured reliably.

(c) Others

- The Company accounts for volume discounts and pricing incentives to customers by reducing the amount of revenue recognized at the time of sale.
- Revenues are shown net of Goods and Services tax and applicable discounts and allowances.
- The Company accrues the estimated cost of warranties at the time when the revenue is recognized. The accruals are based on the Company's historical experience of material usage and service delivery costs.
- Contract expenses are recognized as expenses by reference to the stage of completion of contract activity at the end of the reporting period.

(x) Finance cost

Finance cost comprise interest cost on borrowings.

(xi) Other income

Other income comprises interest income on deposits. Interest income is recognized on accrual basis. Dividend income is recognized when the right to receive payment is established.

(xii) Income tax

Income tax comprises current and deferred tax. Income tax expense is recognized in the statement of profit and loss except to the extent it relates items directly recognized in equity or in other comprehensive income.

a. Deferred income tax

Deferred income tax is recognized using the balance sheet approach. Deferred income tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in financial statements, except when the deferred income tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profits or loss at the time of the transaction.

Deferred income tax assets are recognized to the extent it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilized.

Deferred income tax liabilities are recognized for all taxable temporary differences except in respect of taxable temporary differences associated with investments in subsidiaries, associates and foreign branches where the timing of the reversal of the temporary difference can be controlled and it is probable that the temporary difference will not reverse in the foreseeable future.

Deferred income tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

(xiii) Earnings per share

Basic earnings per share is computed using the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed using the weighted-average number of equity and dilutive equivalent shares outstanding during the period.

4. Accounting standards not yet adopted:

Certain amendments to accounting standards are not yet effective for annual periods beginning after 1 April 2019, and have not been applied in preparing these IND AS financial statements. The amendments to standards that could have potential impact on the INDAS financial statements of the Company are:

i) Ind AS 116 Leases: The company is required to adopt Ind AS 116, Leases from April 1, 2019. Ind AS 116 introduces a single, on-balance sheet lease accounting model for lessees. A lessee recognises a right-of-use asset representing its right to use the underlying asset and a lease liability representing its obligation to make lease payments. There are recognition exemptions for short-term leases and leases of low-value items. Lessor accounting remains similar to the current standard – as finance or operating leases. It replaces existing leases guidance, Ind AS 17, Leases. The Company will be in the process of completing its detailed assessment and the quantitative impact of adoption of Ind AS 116 on the Financial Statements in the period of initial application is not reasonably estimable as at present.

The Company plans to apply Ind AS 116 initially on April 1, 2019, using the modified retrospective approach. Therefore, the cumulative effect of adopting Ind AS 116 will be recognised as an adjustment to the opening balance of retained earnings at April 1, 2019, with no restatement of comparative information. The Company plans to apply the practical expedient to grandfather the definition of a lease on transition.

This means that it will apply Ind AS 116 to all contracts entered into before April 1, 2019 and identified as leases in accordance with Ind AS 17.

ii) Amendments to Ind AS 12 – Income Taxes (Appendix C – Uncertainty over Income Tax Treatments): This interpretation, which will be effective from April 1, 2019, clarifies how entities should evaluate and reflect uncertainties over income tax treatments, in particular when assessing the outcome a tax authority might reach with full knowledge and information if it were to make an examination. The Company is in the process of evaluating the impact of this amendment on its consolidated financial statements.

5. The company had suffered loss due to damages on account of fire occurred at the Mehsana Unit on 12th May, 2017. In the event of fire, the stock of goods lying at the unit, the machinery which was used for production of the oil and the building were damaged and left to the condition of salvage. The company has quantified the claim for insurance and has already filed the insurance claim bill at Reinstatement value with the Insurance Company after 31st March, 2018 i.e. on 18/05/2018. The quantification of the claim filed for Raw Material, Machineries, Building and Misc Items are as tabulated hereunder:
