Nourishing by Nature

Our purpose is to 'Nourish by Nature'.

We win with nutrition, through a healthy supply of fresh and pure milk that is rich in both taste and the essential elements of nourishment.

We value the real nourishment of milk for our consumers. By retaining its freshness, purity, nutrition and by procuring it directly from milk farmers, we create goodness for all generations.

Nourishment is also passed on through tastier and healthier food choices, high-quality and sustainably produced foods, in line with evolving tastes.

The milk supplied by us is healthy, with a high nutritive value. We also organise cattle healthcare and ensure the well-being of farmed animals. When the cattle are in perfect health, the consumers benefit even more.

Further substance is added to our purpose 'nourish by nature' by placing greater emphasis on sustainable farming practices, thereby reducing carbon footprint and safeguarding the planet's well-being. We contribute to the larger Sustainable Development Goals and create long-term value for all our stakeholders.

Understanding Heritage Foods Limited

We are one of the...

Leading and fastest-growing private sector Indian dairy companies, serving 15 lakh households.

With a key focus on product innovation...

We have developed a strong portfolio of milk and value-added products including curd, ice cream, frozen dessert, paneer, butter milk, flavoured milk, lassi, A2 milk and milk powders under the Heritage brand.

Our vision is...

Delighting every home with fresh and healthy products and empowering the farmers.

We have established...

A reputation for fusing the vision of dairy cooperatives with corporate efficiency.

Our objective is to...

Distinguish Heritage Foods as a leading dairy company that caters to changing consumer tastes and trends.

We are guided by a...

28-year legacy and domain expertise in the dairy business through:

- procurement of milk from 3 lakh dairy farmers
- distribution of processed milk and milk products to households in 11 states
- our strong portfolio of products and brands

Our capabilities include...

State-of-the-art milk processing facilities; R&D infrastructure with technologically-advanced equipment and testing laboratories; stringent quality control; and dedicated and experienced team.

We procured 13.77 lakh liters of milk per day from milk farmers.

Our 16 modern milk processing units have a processing capacity of 26.70 lakh liters per day, and packaging capacity of 17 lakh liters per day.

Product contribution to portfolio

From Grass to Glass – The Milk Value Chain

Milk Procurement

Digitally-automated procurement systems are in place to inform the Procurement & Inputs team about quality and quantity, tanker acknowledgments, and vendor payments. Automated mail alerts are created on procurement-related operational matters.

Heritage Control Centre

This digitally-enabled operation creates SMS alerts on milk stock, tanker monitoring, procurement representative feedback, weekly status reports and other related activities.

Materials Management

There is a digitally-enabled approval process from Purchase Requisition to Purchase Order release. Processes are also in place for physical invoice submission tracking and communication of capex material status.

Operations

The entire logistics chain is technologically-enabled to facilitate online monitoring. Digitally-enabled operations handle dispatch (through GPS), product shelf life and merchandising.

Sales & Distribution

IT-enabled sales automation sends periodic analysis of sales and inventory to channel partners through SMS alerts.

Consumers

Pure and high-quality milk and milk products are supplied to more than 15 lakh consumers through innovative channels such as general trade retailers, franchise partners, exclusive parlours, distribution centres and e-commerce platforms.

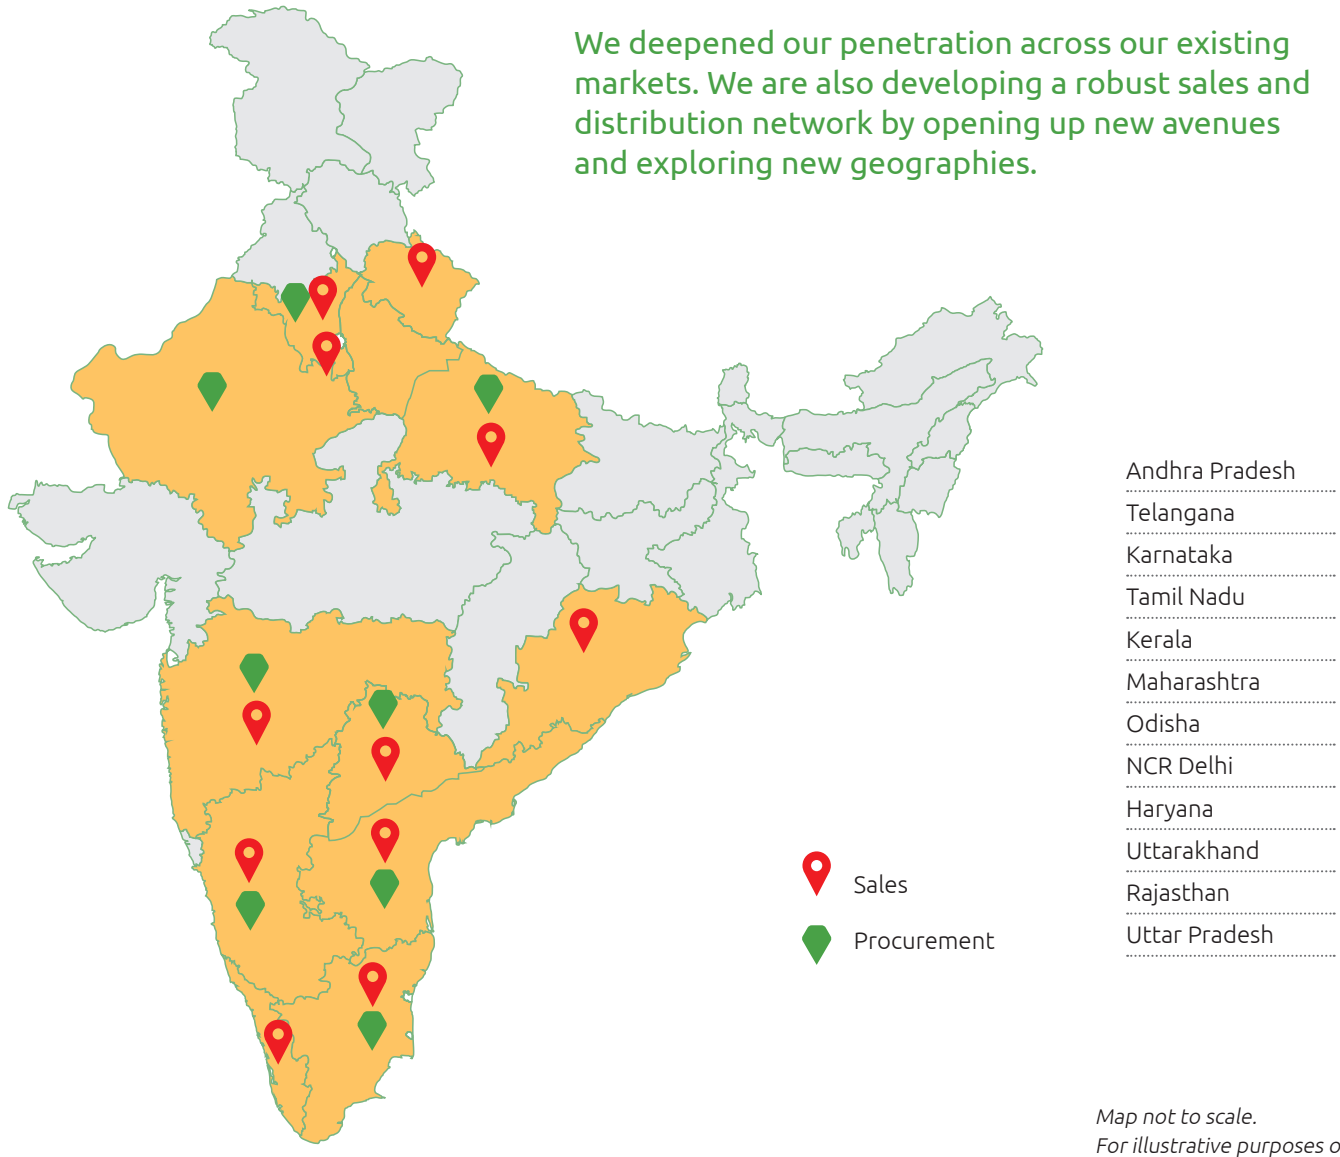

Our Journey From B2B to B2C

We started our journey of building a strong company in 1992. Today, after almost three decades, we are one of the leading private sector dairy companies in India, delivering high-quality products to the consumers using new-age marketing initiatives and platforms, and making them available through innovative and convenient channels.

Our Expanding Presence

We deepened our penetration across our existing markets. We are also developing a robust sales and distribution network by opening up new avenues and exploring new geographies.

Winning Awards

India Food Safety Summit Awards 2019

- Awarded the 'Best Customer Service Provider of the Year' for the transformation brought about in the way consumers are served by the Company.
- Won the 2nd Award for 'Technology Innovator of the Year' for technology advancements in seamless integration of milk procurement from farmers and delivering fresh and nutritious milk to consumers.

Message from the Chairperson

We have remained true to our philosophy and vision of delighting every home with fresh and healthy products and empowering the farming community through our 'relationship farming' model.

Dear Shareholders,

We are pleased to present to you our 28th Annual Report at the conclusion of another busy year. I am happy to state that throughout our history, despite changing market dynamics, we have remained true to our philosophy and vision of delighting every home with fresh and healthy products and empowering the farming community through our 'relationship farming' model.

With this, we have evolved into one of the leading players in the Indian dairy industry. Today, we are a premier provider of pure and fresh milk and value-added products.

Now let me give you a brief on the global and domestic dairy industry and impending growth drivers, before reflecting upon what the future holds in store for us.

Global dairy segment

The changing lifestyle of consumers is driving the demand for new, innovative, healthy, and on-the-go dairy options. Convenience, time, and goodness are some key factors that brands are focusing on in the dairy industry – from traditional dairy products to value-added products and drinkable options. More and more health-conscious consumers are gravitating towards dairy alternatives at a rapid rate because these are healthier and bring variety to their diet.

Indian dairy industry – a growing market

India has transformed itself from a country of acute milk shortage to the world's leading milk producer. In 2019, India produced 188 million tons of milk, which was 22% of the year's global milk production of 843 million tons. It is the past few decades that have seen the tide turning for India. In 1970, India produced 20 million tons of milk, which amounted to only 5% of the global milk production. Since then, India has increased its production, becoming one of the world's largest milk producers. With a projected milk production of 254.5 million tons by 2021-22, India is expected to become the world's largest milk producer. India's milk production has grown by 6.4% annually in the 4 years preceding 2018, well above the 1.7% growth rate of the global dairy industry.

(<https://www.thebullvine.com/news/5-facts-about-indias-dairy-industry/>)

Growing demand for value-added products

While the demand for liquid milk drives the Indian dairy industry, the value-added products hold more potential and promise growth of 15% to 20%. Growth is driven by value-added products such as UHT milk, cheese, ice-creams, flavoured milk, curd and butter milk, among others. This segment is seen expanding to 30% of the dairy industry by 2020.

COVID-19 response

Over the past few months, the growing outbreak of COVID-19 has impacted

individuals and businesses worldwide, completely changing the way we live and work.

Being a processor and manufacturer of essential commodities – milk and milk products, we did not let the nationwide lockdown, imposed to control the spread of the virus, get in the way of delivering nutrition for our consumers. Our manufacturing units operated normally to meet the public demand. We ensured that our supplies continued unhindered, by delivering products to the consumers' doorstep. We are proud of our on-ground staff who constantly put themselves in the line of risk to ensure that our consumers are not inconvenienced.

We respected all the directives from the local administration, government, industry bodies and regulators. As a responsible corporate citizen, we joined hands with the Government in these tough times. We contributed an amount of ₹ 1 crore to the Government to help it battle the COVID crisis across the country.

Future outlook

Rising disposable incomes, growing consumer preference for branded and value-added milk and milk products, and increased awareness of nutrition is driving the demand for dairy products in India. India's per capita milk consumption is increasing at 3% CAGR, compared to 1% CAGR globally, and will further increase, led by growth in the value-added segment.

Dairy exports are also seen as a huge untapped opportunity for India, which currently has only 0.01% share of the global dairy export market.

Initiatives are being taken to improve the productivity of dairy co-operatives along with investments by private domestic players to boost the performance of the dairy sector.

Conclusion

Given the attractive sector dynamics and being a key contributor to India's dairy industry, we at Heritage Foods believe that we are at an exciting phase of our growth journey. To realise our full potential, we continue to evolve our business model and all our functions across the value chain. Moving ahead, with a sizeable amount of investment in production and distribution capacities, we are confident about increasing our market share.

On behalf of the Board, I would like to sincerely thank our shareholders, customers, consumers, employees, investors, and our business partners for their persistent support and unshakeable confidence in us. We look forward to your continued trust as we build a stronger company.

Regards,

D. Seetharamaiah

Chairperson

Message from Vice-Chairperson & Managing Director

Dear Shareholders,

Recalling our journey since our inception in 1992, every single year has been fulfilling. With a vision to empower dairy farmers, we have remained committed to strengthening the milk value chain.

Today, with India set to become the world's largest milk producing country, we are proud to have emerged as one of the leading private sector Indian dairy companies, serving milk and milk products to 15 lakh households across 11 states. Our endeavour is to expand the business, grow our brand, deepen our reach and seize future market opportunities at the national level.

Key highlights

The global dairy industry has been facing frequent fluctuations in dairy prices in the past decade. It is estimated that milk powder prices may remain flat at USD 2,165.2 per MT for Skim Milk Powder, and USD 2,910.3 per MT for Whole Milk Powder until 2028. The cost of dairy inputs in India is rising, leading to increased cost of production, thus constraining the margins.

Today, with India set to become the world's largest milk producing country, we are proud to have emerged as one of the leading private sector Indian dairy companies, serving milk and milk products to 15 lakh households across 11 states.

With stagnation in world dairy prices, the Indian dairy industry's emphasis is on achieving greater cost efficiencies. The industry is also focusing on improving the quality of the products to get a premium price in the world market and reduce reliance on Government subsidies.

Despite lower per capita income, India's demand for milk at 48.8 million metric tons dwarfs the demand in other parts of the world. The dairy market in India stood at ₹ 10,527 billion in 2019, going by the 'Dairy Industry in India 2020 Edition' by IMARC Group. Moving forward, the dairy market is expected to reach a value of ₹ 25,491 billion by 2025, exhibiting a CAGR of 16% over 2020-25. India's milk consumption is expected to increase at a much faster pace than any other country in the world owing to drivers such as growth in population and income and urbanization.

Role played by livestock in India

Livestock plays an important role in the Indian economy, with about 20.5 million people depending upon livestock for livelihood. It contributes 16% to the income of small farm households, and provides livelihood to two-thirds of the rural community. Animal husbandry has remained the backbone of livelihood for more than half of the small and marginal farmers despite adversities such as famine, flood or economic recession.

Our performance highlights

We are pleased to share with you our performance highlights for the year

under review. We sold 11.47 lakh liters of liquid milk per day in FY2020, compared to 11.11 lakh liters per day in FY2019. Our Net Turnover stood at ₹ 2,68,111 lakh, compared to ₹ 24,823.5 lakh in the previous year, while Net Worth was ₹ 4,62,330 lakh, as compared to ₹ 8,04,960 lakh earlier. EBITDA was ₹ 1,40,370 lakh, down 27.05% YoY, while Profit Before Tax was ₹ 72,440 lakh against ₹ 1,28,690 lakh in the preceding year. Revenue of Heritage Nutrivet Limited, our wholly-owned subsidiary, stood at ₹ 10,385 lakh, compared to ₹ 7,376 lakh earlier.

Strengthening market linkages

Dairy is an economic engine and a big source of livelihood for farmers in India. An estimate suggests that about 800 lakh rural households are engaged in milk production. At Heritage, we have won the trust of 3 lakh farmers, as we strengthen market linkages with them.

We strive to nurture entrepreneurship and promote empowerment. As part of this effort, we organise cattle healthcare activities and supply cattle feed at subsidised rates through Heritage Nutrivet Limited, our subsidiary engaged in animal nutrition. This helps farmers in enhancing milk production, improve milk quality and yield, and boost cattle immunity. We also share best practices and educate them on various aspects of dairy farming, cattle breeding, nutrition, besides providing cattle insurance and financial assistance. Our sincere efforts

have helped the farmers to grow their household income and improve their living standards.

Vote of thanks

On behalf of the Board, I thank all our stakeholders for their continued support and encouragement, and unflinching faith in our strength and capabilities. We have embarked on our journey to emerge as India's top dairy company, and are proud to be associated with you as we continue our voyage of responsible growth and value creation. I am confident that with our concerted efforts we will scale new heights.

Best Regards,

N. Bhuvanewari

Vice-Chairperson & Managing Director

In Conversation with the Executive Director

Dear Shareholders,

As a Company, our constant endeavour is to deepen our expertise, expand our product portfolio and create better value for all our stakeholders. I am glad to share with you our achievements during FY2020 and the progress towards our strategic objectives.

As a consumer-centric organisation, we place emphasis on understanding consumer needs, developing products

that meet these requirements and making these products easily accessible. Our continuous innovation model, which deploys the latest technology in our R&D methodologies, is enabling us to delight our consumers with products that resonate with their expectations.

Today, the Indian consumer is becoming more health-conscious and demanding healthier products. By way of good manufacturing practices and by

maintaining stringent quality across the entire value chain – from grass to glass – we supply pure and fresh products to our consumers. With this, we enable our consumers to make tastier and healthier choices in line with evolving preferences. We keep expanding our line-up of high-quality products to meet the changing needs of our consumers.

COVID-19 – economic impact

Amidst the impact of a slowing economy, the rapid spread of COVID-19 and the resultant lockdown affected businesses. The magnitude and speed of collapse in economic activity have been unprecedented. There have been production shutdowns, supply chains have fallen victim to the pandemic and discretionary consumption has been hit. Even as we write this, there is tremendous uncertainty about what the future holds for businesses and enterprises.

We Nourish

We have a special connection with our consumers, as we make taste, health and quality the key ingredients of our bond with them. As the Indian dairy industry looks to serve more healthy choices and the focus shifts to nutrition in milk and value-added products, which remain unserved by the unorganised sector, we aim to leverage the growing industry opportunities.

We are also focusing our strategies on the untapped semi-urban and rural segments, which offer significant opportunities for growth. With renewed vigour, we continue to move ahead towards our target to become a nationally recognised brand for healthy and fresh products.

During FY2020, the Company recorded an operational profit of ₹ 72.44 crore, which was 43.71% lower than ₹ 128.69 crore in the previous fiscal year. Also, as you are aware, we own 3.5% shareholding in FRL, which was acquired at ₹ 165 per share. As on March 31, 2020, the share price stood at ₹ 78.3 per share due to its subsequent fall in stock markets, and amounted to a realised or notional loss of ₹ 206.95 crore in our books of accounts. So despite having recorded an operational profit during the year, we have posted a net loss owing to the FRL investment, which is notional in nature.

Growing market access

Today, we have an extensive presence and are consistently expanding our distribution, enlarging our portfolio and making continuous investments in our brand. Besides penetrating deeper into the existing territories, we are working towards increasing our footprint in high milk producing and consuming states. So while we are procuring milk in Haryana and Rajasthan, we are selling products in Uttarakhand, Haryana, Rajasthan, Uttar Pradesh and Delhi NCR. We are also taking initiatives to expand our presence to states beyond southern and western parts of India.

Expanding value-added share

During the year, we expanded our value-added product basket by launching two new types of health drinks – Ragi Lassi and Sabja Lassi. With an enhanced focus on B2C, we now have a range of 12 variants of value-added products. The new plant for manufacturing of yoghurt, in a joint venture with French company Novandie, will be ready during FY2021.

Besides strengthening the basket, we are also focusing on smaller packs of packaged dairy products to deepen our penetration and increase volumes. With changing consumer lifestyles, increasing number of working women and rising disposable incomes, there is a large-scale increase in demand for value-added products.

Strengthening capabilities

We are steadily expanding our milk processing capacity and augmenting our R&D infrastructure with technologically advanced equipment and testing laboratories. We are also focusing on maintaining stringent quality control, besides enhancing product innovation. With this, we fulfil the needs of our consumers by supplying them with high-quality products at affordable prices through 1.5 lakh general retailers, 942 exclusive Heritage Parlours, 46 distribution centres and 26 modern retail chains and a few e-commerce platforms.

Technology-enabled “Grass to Glass” supply chain

At Heritage, we realise that our efforts towards transformation into a retail-led private dairy company need to be matched by our internal operations. Our objective is to achieve operational efficiencies by eliminating wastage of time and resources and aiming at cost optimisation. We are leveraging technology to improve efficiencies, reduce costs and comply with corporate social responsibilities.

Our digital platform is also enabling us to understand consumer behaviour, and also optimise procurement, logistics, processing and merchandising activities. This is helping us track real-time business performance and facilitating quick decision-making, supported by data analytics.

Further, to realise our strategic objectives, we continue to expand, nurture and retain our talent. We are driving a culture of learning across

the organisation and improving our intellectual capacity to fuel innovation and growth. We are scaling up with top-notch professional experience across departments and building up a highly motivated workforce aligned with our growth agenda.

Contributing to the environment

We are proud to share with you that every Heritage product that we manufacture contributes to the reduction of carbon footprint. Also, every Heritage product that is consumed makes the consumer a part of our sustainable development plan. With a total captive power supply of 10.39 MW from solar and wind energy driving our production plants, we are committed to delivering nutrition, while safeguarding the planet’s well-being.

Moving forward

Our consumer relationships, product innovation, consistent delivery of high-quality products and services are unlocking new opportunities. With an extensive product range, and capacities based on the latest technological breakthroughs, we believe we are on the path towards a brighter future.

Last, but not the least, our pool of talent is our wealth that helps us propel our growth. We highly appreciate and respect the value of our human resources.

Thank you for being on this journey with us.

Regards,

N. Brahmani
Executive Director

Board of Directors

Mr. D. Seetharamaiah

Non-Executive Independent Chairperson
DIN: 00005016

Mr. Devineni is a commerce graduate from Andhra University and a Fellow Member of the Institute of Chartered Accountants of India. We Nourish...

By Supplying Quality and Nurturing Products

We supply an entire range of pure, fresh milk, and value-added and nourishing across 15 lakh households. Procurement of best quality raw milk from neighbouring markets helps us retain product freshness, taste and ensure longer shelf life.

Delivering quick to market

Fresh and pure milk is procured from farmers close to our operating markets. It is then processed, pasteurised, homogenised and packed at our state-of-the-art processing plants while ensuring speed to market. In doing so, we retain the nutritional value of milk by maintaining its freshness, purity, nourishment measure. We keep our milk as pure and close to nature as possible, with no ingredients or preservatives added.

Expanding value-added portfolio

While we cater to the milk requirements of the urban middle and upper-class consumers, we also serve the younger generation with a range of value-added and nourishing products like flavoured milk, butter, ghee, curd, paneer, lassi, frozen desserts and ice-creams. Some of our products are primarily aimed at the millennials, Gen Y and Gen Z.

Serving the health-conscious

We procure the best quality raw milk, and then ensure the highest levels of hygiene all across the value chain. We are constantly targeting the health-conscious and nutrition-oriented millennials, discerning homemakers, and career-oriented working women. During the year, we launched two new lassi variants – with the goodness of Ragi and Sabja. As our Maharashtra facility becomes operational during 2020, we will also launch yoghurts.

Ensuring freshness of products by

Own procurement

Procurement from farms close to operating markets

Processing plants located close to operating markets

Maintaining quality

We strictly follow the Clean Milk Production Practices, Hygiene Practices, Good Manufacturing Practices and Good Laboratory Practices. The effective implementation of Heritage Integrated Milk Procurement System ensures that quality is maintained in the entire value chain – from farm to consumer.

Adoption of HACCP ensures brand quality, increasing consumer confidence, and conformity to regulatory and market requirements.

We Nourish...

By Creating Goodness for all Generations

Our Growing Value-Added Portfolio Milk

Toned Milk

Processed, pasteurised and homogenised toned milk nurtures a healthy body and a healthy mind.

Double-Toned Milk

Low in fat, yet retaining milk's other benefits, double-toned homogenised milk is best for those seeking calcium.

Full Cream Milk

Processed at state-of-the-art plants, this rich in fat and pure milk is suitable for those with low BMI.

Standardised Milk

This fresh and pure milk is processed, pasteurised and homogenised and packed at processing plants.

Cow Milk

This fresh and pure milk is procured, processed, pasteurised, homogenised and packed at processing plants to ensure goodness.

Slim Milk

Processed to separate fat, pasteurised and packed, contains least fat, suitable for all ages.

UHT Milk

Procured from farmers, processed, pasteurised at ultra-high temperature to ensure each particle is free from bacteria and packed at plant to ensure goodness. Available in multi-layered oxygen barrier poly packs.

A2 Full Cream Milk

100% buffalo milk rich in A2 protein; Specially procured from nearest farms, helps build immunity and easy to digest.

VALUE-ADDED PRODUCTS

Curd

A value-added product with a selected culture of beneficial bacteria to impart thick, creamy, rich and glossy texture.

Buttermilk

Prepared from fresh and pure curd in processing plants with utmost care. There are different variants available like plain, salted, spicy and jeera flavour.

Sweet Lassi

Made with pasteurised, homogenised curd, the fermented drink contains healthy bacteria. It is thick and rich with a natural elaichi flavour.

Ragi Java

Ragi Java helps in weight reduction, cholesterol reduction, easy digestion.

Sabja Lassi

Sabja Lassi is rich in calcium.

OTHER PRODUCTS

**Flavoured Milk**

Prepared from fresh and pure double-toned milk in various flavours and colours, this is a delicious and refreshing dairy drink available in glass bottles and PET bottles.

**Milk Shake**

Heritage milk shake is made with high quality raw material to meet the delicious desire of each customer. It is a natural source of milk protein and calcium.

**Paneer**

Fresh and pure milk is procured, and used for paneer which comes in a pleasing white appearance, and a soft and compact texture. Paneer is vacuum-packed in multi-layered film to maintain freshness.

**Doodh Peda**

Made from pure and fresh milk, with the right amount of sucrose, this is rich in taste and is granular in texture.

**Milk Cake**

Made from highest quality skimmed milk powder and pure ghee, it has a smooth texture and is rich in taste.

**Cow Ghee**

Cow Ghee is prepared from cow butter. It is golden yellow in colour, it has a good aroma and is granular in texture.

**Buffalo Ghee**

Buffalo Ghee is prepared from pure buffalo butter. It is white in colour, it has a good aroma and is granular in texture.

**Hi Aroma Ghee**

Prepared from pure ripened cream with selected bacterial culture, this is light brown in colour with a naturally developed rich aroma and smooth granules.

**Table Butter**

The rich salted butter is made from fresh cream and is manufactured in processing plants, with no added ingredients other than salt.

**Cooking Butter**

The unsalted cooking butter is made from fresh cream in processing plants with utmost care to ensure goodness.

ICE-CREAMS

**Tubs**

Alpenvie Ice-Cream is made with nuts and fruits and is available in flavours such as Chocolate, Pineapple, Fruit Fusion, Pistachio, Butterscotch, Vanilla and Rajbhog.

**Bars**

Bars are available in flavours such as Almond Crunch, Black Currant, Chocolate Overload, Classic Vanilla, Mango Lychee and Melon Rush.

**Kulfi**

Anjeer Kulfi: A cool traditional ice-cream.
Malai Kulfi: Made with Real Kesar, Almond and Cashew Nut Powder.

**Cones**

Offers a range of crunchy biscuits with a blend of delightful flavours and colours such as Strawberry, Butterscotch, Banana Caramel, Black Currant, Rajbhog, Double Chocolate, Vanilla and Choco-chips.

**Cups**

This perennial favourite is available in delightful cups such as Vanilla, Strawberry, Butterscotch, Chocolate and Orange Tango.

**Juicy Bars**

Gives more joy at a lower price and comes in different flavours like Grape Jelly, Raspberry Twin, Mango Twin, Orange Juice and Mango Juice.

**Family Packs**

Provides Family enjoyment in delicious flavours like Vanilla, Strawberry, Butter Scotch, Anjeer Badam, Badam Pista Kesar, Orange Tango, Mango, Chocolate and Lychee Caramel.

We Nourish...

By Improving Socio-Economic Livelihood

Farmers are an important part of our family. We collaborate with 3 lakh farmers across multiple states for procuring quality milk. We offer them subsidised feed for improving animal health, access to financing solutions, and constantly aim to deepen our engagement with them, beyond commerce. We do this by assisting and educating the dairy farmers to improve the yield of the milch animals.

At Heritage Foods, about 90% of our daily milk requirement is procured directly from farmers at reasonable rates and delivered directly to our manufacturing facilities. This is a result of our strategic planning in procurement and storage infrastructure.

We aim to improve the socio-economic lives of farmers by enhancing their income levels and helping them attain better health and a better lifestyle. We constantly find ways to reinforce our emotional bond. We organise meetings to understand their requirements and assist them with vaccination, cattle feed and increasing milk yield by conducting free veterinary camps, check-ups for farmers and milch animals at their doorstep on a regular basis. We empower them by procuring the milk at an appropriate cost and paying them on a regular basis.

Relationship farming

We follow a 'relationship farming' approach, and not the transactional farming model. We eliminate the middlemen by procuring milk directly from farmers, processing the milk, and then selling it to end-consumers. We provide nutritious feed at subsidised rates, ensure accuracy in measurement and deploy mobile vet clinics. These farmers also prefer engaging with us as we remunerate them well and never default on payments.

Facilitating financing

We help farmers access funds through financial institutions and provide loans and insurance for their cattle. We have signed up with PSU banks and other financial companies to provide loans to farmers through lender branches across the country.

We Nourish...

Through Convenient and Innovative Channels

We supply high-quality products through innovative and convenient channels, aiming at product availability and accessibility for consumers. Today, we are one of India's most well-established dairy products FMCG companies with a strong consumer connect in our markets.

We leverage our trade channels to reach out to our customers and consumers. Our distribution network has been widened to 1.5 lakh traditional retailers, and 26 leading modern retail chains and a few e-commerce platforms.

We have 942 exclusive Heritage Parlours, which are exclusive franchisee partners selling Heritage products. We also sell our products through a retail wing of 46 Heritage Distribution Centres at Hyderabad, Bengaluru and Chennai. These together augment the availability of Heritage range of products across the markets and also enhance our brand recognition. We also deliver our products to consumers through multiple innovative channels, modern retail stores, digital channels and e-commerce.

Building a retail connect

We embarked on our B2C journey and fostered a deep connect with the retail segment through our diverse products. Some of these products are curd, butter, ghee, lassi, frozen dessert and ice-creams. This was also aimed at reducing our dependence on any single product and gaining a larger wallet share of the consumer. We engage directly with our consumers through our marketing campaigns.

Accelerating penetration

We are growing our national presence, increasing our footprint in milk producing and milk consuming states, and penetrating deeper into existing territories. From our earlier focus on Andhra Pradesh, Tamil Nadu, Karnataka, Telangana and Maharashtra, we are expanding into new geographies and exploring the untapped Tier 1&2 markets.

Our Strategic Roadmap

Strategic planning is rooted in our vision, and drives our mission, growth and sustainability. It sets the strategic directions for us to achieve our organisational objectives and deliver long-term value to the stakeholders.

Our strategy is based on the goals of business growth, both in terms of market expansion and brand building; creating sustainable value; identifying opportunities; and keeping pace with new-age preferences and consumption habits.

Key enablers for strategic growth

We have identified the following key enablers for executing our strategies, developing capabilities and attaining as well as maintaining excellence across the business value chain.

01. EXPANDING THE PRODUCT RANGE

The rapidly changing consumer preferences and global environment requires a bold new outlook, and a growth model that can rise to this challenge.

Goal
Expanding the product range is a step taken by us to meet demand with a more agile and flexible supply chain. This is aimed at driving innovation based on deeper consumer insights.

Achievement
We understand the areas in which dairy has an advantage and are participating in those markets.

Capitals impacted
Financial, Manufactured, Natural, Human, Social, Intellectual

Associated risks

- Changing consumer preferences
- Industry consolidation
- Product integrity

Our value-added products segment

- Curd ■ Buttermilk ■ Lassi ■ Paneer
- Flavoured milk ■ Sweets
- Ice-creams and frozen desserts

02. ANALYSING DEMAND

For a dairy market valued at ₹ 5 trillion, it is important to recognise the need to respond to rapidly changing consumer preferences, including the emergence of natural, healthy and other consumption trends.

Goal
We recognise the necessity of listening to our consumers and try to analyse the meaning of such changing preferences.

Achievement
We take the necessary steps to keep pace with the requirement of the hour and try to adjust our strategies accordingly on a continuous basis.

Capitals impacted
Financial, Human, Intellectual

Associated risks

- Changing consumer preferences
- Industry consolidation
- Market volatility

Estimated milk production in India
(In million metric tons)

2019	187
2020	196
2021	205
2022	209
2023	213
2024	217

03. TRANSFORMING GO-TO-MARKET STRATEGY

Due to product perishability (raw milk lasts only for about 72 hours), there is a need to focus on optimising the distribution network to ensure that products remain fresh.

Goal
We have been exploring opportunities to develop and distribute fresh products with an extended shelf life. We have come up with a new product, the ultra-high-temperature (UHT) processed milk, which requires no refrigeration and can travel up to 4,000 kilometers.

Achievement
We keep adopting new strategies to cope with the ever-changing market demands, requirements and expectations of the consumer.

Capitals impacted
Financial, Manufactured, Human, Intellectual

Associated risks

- Industry consolidation
- Market volatility

04. CHOOSING THE RIGHT VALUE-CREATING STRATEGY

Creating and sustaining value in our industry requires adopting a proven strategy – one that matches the Company’s capabilities and goals.

Goal

We determine the strategic course that enables us to thrive in the chosen markets.

Achievement

We enable this by optimising our operations and efficiencies across the value chain.

Capitals impacted

Financial, Human, Intellectual, Manufactured

Associated risks

- Changing consumer preferences
- Industry consolidation
- Market volatility

Breakup by Product Type Organised Sector

05. INNOVATING AND SEIZING ON NEW TRENDS

Innovation and seizing on newer market trends has been a time-tested route for successful growth.

Goal

We treat innovation as our top priority. We target rapid growth by getting into higher-margin sub-segments such as fortified milk, flavoured milk, curd, buttermilk and value-added products.

Achievement

We make constant efforts to keep a watchful eye on changing consumer trends, new market developments, technological and process improvements and regulatory changes.

Capitals impacted

Financial, Manufactured, Human, Intellectual

Associated risks

- Changing consumer preferences
- Industry consolidation
- Market volatility

Emerging trends

- Rising income trends to drive consumption of dairy products
- Shift to healthier options of milk and milk products
- Preference for clean, hygienic products to increase
- Increasing consumption of ready-to-eat and drink dairy products
- Changing dietary patterns with focus on milk and milk products

06. LEVERAGING OPPORTUNITIES IN EMERGING MARKETS

Value-added dairy products that offer health benefits, such as infant formula, flavoured and fortified milks are in high demand.

Goal

We follow a rapid test-learn-refine approach to innovation. With speedier internal approval processes and a willingness to establish our position over the medium term, our focus remains on bringing value-added dairy products to the market at a fast pace and offer health benefits to our consumers.

Achievement

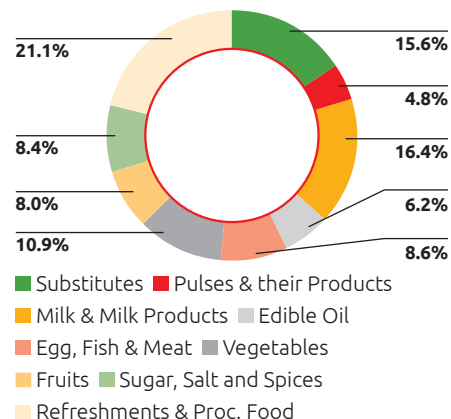

Our innovation and go-to-market strategies have helped us to expand our capacity. This has enabled us to be in the transition phase from being commodity suppliers to functioning as strategic partners.

Capitals impacted

Financial, Manufactured, Human, Intellectual

Associated risks

- Changing consumer preferences
- Industry consolidation
- Market volatility
- Product integrity

Urban Monthly Consumer Expenditure on Food Products

07. ENABLING UPSTREAM SUPPLY CHAIN

Sound upstream supply management calls for securing reliable, high-quality, and cost-effective supply.

Goal

Besides managing supply quality, we focus on instituting rigorous quality controls, training programs,

standardisation, process improvement, make-or-buy decision-making, and deploy digital technologies for forecasting in sales and operational planning.

Achievement

We do this in order to boost supply chain efficiencies and keep close tabs on the complex and dynamic regulatory environment.

Capitals impacted

Financial, Manufactured, Human, Intellectual

Associated risks

- Industry consolidation
- Market volatility

It's Far More Than a Game

The Company organised an internal corporate cricket match, Heritage Premier League, for the first time in its history. The League commenced on December 14, 2019, with 8 teams and ended on January 4, 2020. It was a fun-filled event inspiring the participants to stay committed to their ultimate mission. It provided the employees with a formal platform to unleash the cricket enthusiasts within them.

Opening ceremony

There was an opening speech at the ceremony to celebrate the employees' association with the Company, and their zeal and vivacity. A warm welcome was extended to all the participants and to the officials who turned the idea of the League into reality. The League organisers also encouraged the players by asserting that each player was excellent in his/her personal capacity.

A FULL TOSS OF FUN IS COMING YOUR WAY. ARE YOU READY TO SCORE BIG?
We're giving you a platform to unleash the cricket maniac in you!

8 teams, 1 title - a December to remember awaits!

Heritage Premier League: Starts December 14

Pool - A	Pool - B
Team-1: M&A Warriors	Team-1: Bulbar Warriors
Team-2: Sakarom Fighters	Team-2: Paper Fighters
Team-3: Cool Riders	Team-3: One Riders
Team-4: Lead Warriors	Team-4: Ajanta Riders

Register right now and showcase your skills in the 22-yards. *Wickets for all please!*

Closing ceremony

At the end of the League's final match, there was a closing ceremony, which stated how this had been a spectacular HPL cricket event, from the stunning opening ceremony to the carnival-like atmosphere till the last day. At the finals, it was Team Alpenvie Raisers that emerged victorious, while Team Ghee Hitters was the runner-up. Congratulations poured in for both the finalist teams. The tournament was fantastically well supported by the Company leadership and the employees. Their complete commitment and unstinting co-operation led to the event's great success.

Our Cricket Teams

TEAM A	Milk Warriors	POOL A
TEAM B	Icecream Fighters

- Strategising
- Learning to utilise existing resources
- Encouraging multi-skilling
- Managing egos, pressure, failure, success
- Keeping personal adversity separate from professional work

Helping Farmers Improve Cattle Productivity

At Heritage Nutrivet, our endeavour is to provide cattle feed to milch animals and take care of their overall health and immunity. Our simple objective behind this is to help the livestock deliver more milk and improve their reproductive ability.

India is the world's largest producer and consumer of milk, with demand growing rapidly. In these circumstances, it is imperative for the dairy cattle to remain healthy and be given the right feed. With Heritage Nutrivet Limited, we have set up our own subsidiary for cattle feed production. It is one of the leading livestock feed and feed supplement players, which provides nutritional feed at subsidised rates. It caters to the cattle feed needs of over 3 lakh farmers in southern and western parts of India.

Specialised products

Our products contain protein, energy, minerals and vitamins in adequate quantity and proportion to meet the nutritional requirements of dairy cattle. Through our fully automatic manufacturing units at Hindupur and Mallavalli, we are developing cost-effective solutions that improve livestock health and develop farm productivity.

Supporting farmers

Through Heritage Nutrivet, we have been building awareness among dairy farmers in these regions to help them improve their production and profitability. We also closely associate with them to provide technical support and engage with them in knowledge-building activities.

Our key differentiators

a. Product speciality

Our cattle feed products are manufactured with a deep understanding of Indian feeding practices and breed, and the milk production levels of cows and buffaloes in India.

b. Capable team

The quality of our products is maintained by a capable team that provides its expertise in ingredient sourcing and nutrition management. It is constantly working on formulations and palatability.

c. Research & development

We are continually investing in cutting-edge research and development to support our innovation pipeline.

Strengthening nutrition and supply chain

Being People Positive

We understand that job-satisfied, highly motivated and loyal employees are the foundation of any competitive and growing organisation. Hence, our mission is to attract and nurture talent. We strive to build a highly-skilled and qualified workforce, supported by a safe and healthy work atmosphere.

At Heritage, we are guided by our vision of creating a better everyday life for people. We are constantly building a work culture based on sincerity, hard work and a pursuit of perfection. Despite competitive markets, we are making strides in talent management, diversity and employee engagement.

Working at Heritage

We strive to create a collaborative environment and a culture of shared ideas, developing expertise and advancing careers. We work together on technologies that will benefit future generations and set new standards in one of the world's most dynamic industries.

Hiring the best talent

Expanding our human capital pool is a constant endeavour. We achieve this by cultivating a company culture that attracts top talent and make efforts to retain them by treating all employees with respect and consideration at all times. We are also taking initiatives to strengthen our organisational culture, build talent capabilities, enhance connect with existing employees and potential talent and implement new governance standards aligned with global best practices.

Training and development

We foster our employees' well-being and develop their skills, and also hold regular training sessions to enhance their capabilities and knowledge base. Every year, the exceptional performance of employees is recognised, celebrated, and rewarded, motivating the entire workforce to achieve more.

Enhancing quality of HR capital

Going forward, we are confident that with our industrial expertise and competencies, we are moving closer towards attaining business excellence. A key emphasis at Heritage is on enhancing the quality of our human resource capital. We achieve this by engaging our employees in a series of training programs. These are aimed at improving their skillsets through programs on quality control, safety awareness, induction and overall maintenance.

Engaging with employees

It is crucial for us to understand what motivates and engages our employees and how they perceive their work environment. Therefore, we encourage open and regular dialogue between managers and their team members, conduct surveys and offer a framework that ensures they feel comfortable to speak up, raise concerns and are empowered to initiate improvements.

Notes

1. Considering the present Covid-19 pandemic, the Ministry of Corporate Affairs ("MCA") has vide its circular No. 20/2020 dated May 5, 2020 read together with circulars No. 14/2020 dated April 8, 2020 and No. 17/2020 dated April 13, 2020 (collectively referred to as "MCA Circulars") and SEBI Circular No. SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated May 12, 2020. permitted to convene the Annual General Meeting ("AGM" / "Meeting") through Video Conferencing ("VC") or Other Audio Visual Means ("OAVM"), without the physical presence of the members at a common venue. In accordance with the MCA Circulars read with SEBI Circulars, provisions of the Companies Act, 2013 ('the Act') and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), the AGM of the Company is being held through VC / OAVM. The deemed venue for the AGM shall be the Registered Office of the Company.
2. Generally, a member entitled to attend and vote at the meeting is entitled to appoint a proxy to attend and vote on a poll instead of himself/ herself and the proxy need not be a member of the Company. Since, this AGM is being held through VC / OAVM in pursuant to the MCA Circulars, physical attendance of members has been dispensed with. Accordingly, the facility for appointment of proxies by the members shall not be available for the AGM and hence, the Proxy Form and Attendance Slip are not annexed hereto.
3. Since, the AGM will be held through VC/ OAVM, the route map of the venue of the Meeting is not annexed hereto.
4. In terms of the provisions of Section 152 of the Companies Act, 2013 and rules made thereunder, Dr. V Nagaraja Naidu (DIN: 00003728), Non-Executive Director, liable to retire by rotation at the Meeting and offers himself for re-appointment. The Board of Directors of the Company recommend his re-appointment.
5. Pursuant to Regulations 26(4) and 36(3) of SEBI Listing Obligation and Disclosure Requirements) Regulations, 2015, Section 160 of the Companies Act, 2013 and Secretarial Standards on General Meetings (SS-2), details in respect of Directors seeking appointment/ reappointment of Directorship at 28th AGM of the Company to be held on Friday, August 28, 2020 are provided in Annexure 1 of this Notice.
6. In compliance with the provisions of Section 108 of the Act read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended), Regulation 44 of SEBI Listing Regulations, SS-2 (Secretarial Standard on General Meeting) issued by the Institute of Company Secretaries of India ("ICSI") and the provisions of the MCA Circulars and SEBI Circular, and any amendments thereto, the Company is providing remote e-Voting facility to its Members in respect of the business to be transacted at the AGM and facility for those Members participating in the AGM to cast their vote through Remote e-Voting. For this purpose, the Company has engaged the services of its Registrar and Share Transfer Agent (RTA) viz. KFin Technologies Private Limited (CIN: U72400TG2017PTC117649), ("KFinTech") Selenium Building, Tower B, Plot No. 31 & 32, Financial District Nanakramguda, Serilingampally Mandal, Hyderabad – 500032, Telangana, India and have made necessary arrangements with RTA to facilitate E-voting. In terms of the MCA & SEBI Circulars, voting can be done only by Remote E-voting/ E-voting. The Members are advised to use the E-voting procedure, as provided in the Notice.
7. a) The Company has notified closure of Register of Members and Share Transfer Books from Friday, August 21, 2020 to Friday, August 28, 2020 (both days inclusive) for determining the names of member(s) eligible for dividend on Equity Shares, if declared at the Meeting:
b) The dividend on equity shares, if approved at the Meeting, shall be credited to the respective bank account of the shareholders of the company on Friday, September 04, 2020. The dispatch of dividend warrants may take sometime due to COVID-19 pandemic.
8. M/s. Walker Chandio & Co LLP, Chartered Accountants (FRN 001076N/500013) was appointed as Statutory Auditors of the Company at the 25th Annual General Meeting held on August 23, 2017 to hold office till the conclusion of the 30th Annual General Meeting of the Company to be held in the year 2022. Pursuant to notification no: G.S.R. 432 (E) issued by the Ministry of Corporate Affairs Govt. of India on May 7, 2018 amending the provision of section 139 of the Companies Act, 2013 and the Rules framed thereunder, the mandatory requirement for ratification of appointment of Statutory Auditors by the Members at every Annual General Meeting (AGM) has been omitted/deleted and hence the Board is not proposing to the members for ratification of appointment of Statutory Auditors at this AGM. The Board of Directors were empowered by the shareholders of the company to fix the remuneration of the Statutory Auditor on yearly basis.

DISPATCH OF ANNUAL REPORT THROUGH ELECTRONIC MODE:

9. As per the MCA Circulars and SEBI Circular a hard copy of the statement containing salient features of all the documents, as prescribed in Section 136 of the Companies Act, 2013 and Regulations 36 (1)(b) and (c) of the SEBI (LO&DR) Regulations, 2015 are dispensed with. The notice of the AGM along with the 28th Annual Report 2019-20 is being sent only through electronic mode to those Members whose email addresses are registered with the Company/ Depositories. Members may note that the Notice and 28th Annual Report 2019-20 will also be available on the Company's website i.e. www.heritagefoods.in, websites of the Stock Exchanges, i.e., BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively and on the website of Company's Registrar and Transfer Agent, KFin Technologies Private Limited ("KFinTech") at <https://evoting.karvy.com>
10. For receiving all communication (including Annual Report) from the Company electronically:
- Members holding shares in physical mode and who have not registered/ updated their email address with the Company are requested to register / update the same by writing to the Company with details of folio number and attaching a self-attested copy of PAN card at hfl@heritagefoods.in or to KFinTech at einward.ris@kfintech.com.
 - Members holding shares in dematerialised mode are requested to register / update their email addresses with the relevant Depository Participant(DP).

PROCEDURE FOR JOINING THE AGM THROUGH VC / OAVM:

11. The Company will provide VC / OAVM facility to its Members for participating at the AGM.
- Members will be able to attend the AGM through VC / OAVM or view the live webcast at <https://emeetings.kfintech.com> by using their e-voting login credentials.
Members are requested to follow the procedure given below:
 - Launch internet browser (chrome/firefox/safari/explorer) by typing the URL: <https://emeetings.kfintech.com>
 - Enter the login credentials (i.e., User ID and password)
 - After logging in, click on "Video Conference" option

iv. Then click on camera icon appearing against AGM event of Heritage Foods Limited to attend the Meeting.

- Members who do not have User ID and Password for e-voting or have forgotten the User ID and Password may retrieve the same by following the procedure given in the E-voting instructions.

Members who would like to express their views or ask questions during the AGM may register themselves by logging on to <https://emeetings.kfintech.com> and clicking on the 'Speaker Registration' option available on the screen after log in. The Speaker Registration will be opened during Tuesday, August 25, 2020 to Thursday, August 27, 2020. Only those members who are registered will be allowed to express their views or ask questions. The Company reserves the right to restrict the number of questions and number of speakers, depending upon availability of time as appropriate for smooth conduct of the AGM.

- Members will be allowed to attend the AGM through VC / OAVM on first come, first serve basis. The large shareholders (i.e. shareholders holding 2% or more shareholding), promoters, institutional investors, directors, key managerial personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors, etc. can attend the 28th AGM without any restriction on account of first-come-first-serve principle.
- Members may join the 28th AGM through VC/OAVM Facility by following the procedure as mentioned below which shall be kept open for the Members from 10:00 a.m. (IST) i.e. 30 minutes before the time scheduled to start the 28th AGM and shall be kept open throughout the proceedings of the AGM.
- Members who need any assistance before or during the AGM, can contact KFinTech on emeetings@kfintech.com or call on toll free numbers 1800-345-4001 . Kindly quote your name, DP ID-Client ID / Folio no. and E-voting Event Number in all your communications

- In case of joint holders attending the Meeting, only such joint holder who entitled to vote at the AGM
- Members attending the AGM through VC / OAVM shall be reckoned for the purpose of quorum under Section 103 of the Act.
- Members of the Company under the category of Institutional Investors are encouraged to attend and vote at the AGM

PROCEDURE FOR REMOTE E-VOTING AND E-VOTING AT THE AGM:

15. Pursuant to the provisions of Section 108 and other applicable provisions, if any, of the Companies Act, 2013 read with Rule 20 of Companies (Management and Administration) Rules, 2014, as amended from time to time, and Regulation 44 of SEBI Listing Regulations, the Company is providing to its members facility to exercise their right to vote on resolution(s) proposed to be passed at 28th AGM by electronic means (“e-voting”). Members may cast their votes remotely, using an electronic voting system on the dates mentioned herein below (“remote e-voting”).

Further, the facility for voting through electronic voting system will also be made available at the Meeting (“Insta Poll”) and members attending the Meeting who have not cast their vote(s) by remote e-voting will be able to vote at the Meeting through Insta Poll.

The Company has engaged the services of KFinTech as the agency to provide electronic voting facility.

The Board of Directors of the Company has appointed Mrs. Savita Jyoti, Partner of M/s. Savita Jyoti Associates, Practicing Company Secretaries (M No: FCS -3738, CP No: 1796), as Scrutinizer to scrutinise the electronic voting and Insta Poll process in a fair and transparent manner and they have communicated their willingness to be appointed and will be available for the said purpose and Scrutinizer’s decision on the validity of the E-voting will be final.

The manner of voting remotely by members holding shares in

- dematerialized mode,
- physical mode and
- for members who have not registered their email addresses is provided in the instructions given below.

A. Information and instructions relating to Remote E-Voting are as under:

i. The remote e-voting facility will be available during the following voting period:

Commencement of remote e-voting:	From 9.00 a.m. (IST) on August 25, 2020
End of remote e-voting:	Up to 5.00 p.m. (IST) on August 27, 2020

The remote e-voting will not be allowed beyond the aforesaid date and time and the remote e-voting module shall be forthwith disabled by KFinTech upon expiry of the aforesaid period.

Voting rights of a member / beneficial owner (in case of electronic shareholding) shall be in proportion to his share in the paid-up equity share capital of the Company as on the cut-off date, i.e., Friday, August 21, 2020.

B. Information and instructions relating to Electronic Voting are as under:

- i. The members who have cast their vote(s) by remote e-voting may also attend the Meeting but shall not be entitled to cast their vote(s) again at the Meeting. Once the vote on a resolution is cast by a member, whether partially or otherwise, the member shall not be allowed to change it subsequently or cast the vote again.
- ii. A member can opt for only single mode of voting per EVEN, i.e., through remote e-voting or voting at the Meeting (Insta Poll). If a member casts vote(s) by both modes, then voting done through remote e-voting shall prevail and vote(s) cast at the Meeting shall be treated as “INVALID”.
- iii. A person, whose name is recorded in the register of members or in the register of beneficial owners maintained by the depositories as on the cut-off date, i.e., Friday, August 21, 2020 only shall be entitled to avail the facility of remote e-voting or for participation at the AGM and voting through Insta Poll. A person who is not a member as on the cut-off date, should treat the Notice for information purpose only.
- iv. Any person who becomes a member of the Company after dispatch of the Notice of the Meeting and holding shares as on the cut-off date may obtain the User ID and password from KFinTech in the manner as mentioned below:
 - (a) If e-mail address or mobile number of the member is registered against Folio No. / DP ID Client ID, then on the home page of <https://evoting.karvy.com>, the member may click “Forgot Password” and enter Folio No. or DP ID Client ID and PAN to generate a password.
 - (b) Member may call on KFinTech’s toll-free numbers 1800-345-4001 (from 9:00 a.m. to 6:00 p.m.)
 - (c) Member may send an e-mail request to einward.ris@kfintech.com, If the member is already registered with KFinTech’s e-voting platform, then he can use his existing password for logging in.

- v. The Company has opted to provide the same electronic voting system at the Meeting, as used during remote e-voting, and the said facility shall be operational till all the resolutions proposed in the Notice are considered and voted upon at the Meeting and may be used for voting only by the members holding shares as on the cut-off date who are attending the Meeting and who have not already cast their vote(s) through remote e-voting.

C. Voting through electronic means

- i. The instructions and other information relating to E-voting are as under:

A. In case a Member receiving an e-mail from Kfintech [for Members whose e-mail IDs are registered with the Company/ Depository Participant(s)]:

- i. Launch internet browser by typing the URL: <https://evoting.karvy.com>
- ii. Enter the login credentials, i.e. user-id & password, mentioned in the email forwarded through the electronic notice:

User ID	For Member(s) / beneficial owner(s) holding shares in demat form:- a. For NSDL:- 8 characters DP ID followed by 8 digits Client ID b. For CDSL:- 16 digits Beneficiary ID c. For Member(s) holding shares in physical form:- (EVEN) followed by Folio Number registered with the Company
Password	Your Unique password is printed on the AGM Notice/ Electronic notice forwarded through email.
Captcha	Enter the Verification code i.e., please enter the alphabets and numbers in the exact way as they are displayed for security reasons

- iii. After entering these details appropriately, click on "LOGIN".
- iv. You will now reach password change menu wherein you are required to mandatorily change your password. The new password shall comprise of minimum 8 characters with at least one upper case (A-Z), one lower case (a-z), one numeric value (0-9) and a special character (@,#,\$,etc.). The system will prompt you to change your password and update your contact details like mobile number, e-mail id, etc. on first

login. You may also enter a secret question and answer of your choice to retrieve your password in case you forget it. It is strongly recommended that you do not share your password with any other person and that you take utmost care to keep your password confidential.

- v. You need to login again with the new credentials.
- vi. On successful login, the system will prompt you to select the "EVENT". Please select EVENT of 'Heritage Foods Limited'.
- vii. On the voting page, enter the number of shares (which represents the number of votes) as on the cut-off date under "FOR/ AGAINST" or alternatively, you may partially enter any number in "FOR" and partially in "AGAINST" but the total number in "FOR/ AGAINST" taken together should not exceed your total shareholding. If the member does not indicate either "FOR" or "AGAINST" it will be treated as "ABSTAIN" and the shares held will not be counted under either head.
- viii. Members holding multiple folios/demat accounts shall choose the voting process separately for each folios/ demat accounts.
- ix. Voting has to be done for each item of the Notice separately. In case you do not desire to cast your vote on any specific item, it will be treated as "ABSTAINED".
- x. You may then cast your vote by selecting an appropriate option and click on "Submit".
- xi. A confirmation box will be displayed. Click "OK" to confirm, else "CANCEL" to modify. Once you confirm, you will not be allowed to modify or change the votes cast.
- xii. Corporate/ Institutional Members (i.e. other than Individuals, HUF, NRI, etc.) are also required to send scanned certified true copy (PDF Format) of the Board Resolution/ Authority Letter, etc. together with attested specimen signature(s) of the duly authorized representative(s), to the Scrutinizer at e-mail id: savitajyotiassociates05@gmail.com with a copy marked to hfl@heritagefoods.in. The file scanned image/pdf file should be in the naming format "Corporate Name". The documents should reach the Scrutinizer on or before Thursday, August 27, 2020 by 05:00 p.m. (IST).

B. In case of Members of the Company have not registered their e-mail address:

Members who have not yet registered their e-mail address are requested to get their e-mail addresses registered by following the procedure given below:

1. Members holding shares in physical mode, who have not registered their e-mail address and in consequence could not receive the E-voting notice may temporarily get their e-mail registered with the Company's Registrar and Share Transfer Agent, KFin Technologies Private Limited, by following the registration process as mentioned below:

- (a) Visit the link https://ris.kfintech.com/email_registration
- (b) Select the company name i.e. Heritage Foods Limited.
- (c) Member to enter DPID-CLID / Folio No. and PAN.
- (d) Member to enter the e-mail id and Mobile No.
- (e) System check the authenticity of the client id and PAN and send the different OTPs to Mobile and e-mail to Validate.
- (f) Member to enter the OTPs received by SMS and e-mail to complete the validation process. (OTPs will be valid for 5 min. Only).
- (g) System confirms the e-mail id for the limited purpose of serviced AGM notice.
- (h) System will send the notice & procedure for E-voting to the e-mail given by Member.

Physical folios:

- (a) Visit the link https://ris.kfintech.com/email_registration
- (b) Select company name i.e. Heritage Foods Limited.
- (c) Member to enter physical Folio No and PAN.
- (d) If PAN is not available in the records, Member to enter one of the Certificate No.
- (e) Member to enter the e-mail id and Mobile No.
- (f) System check the authenticity of the Folio No. and PAN/ Certificate No. and send the different OTPs to Mobile and e-mail to Validate.
- (g) Member to enter the OTPs received by SMS and e-mail to complete the validation process. (OTPs will be valid for 5 min. Only).
- (h) If PAN is not available in the records, system will

prompt to upload the duly signed scan copy of the PAN.

- (i) System confirm the registration of e-mail id.
- (j) System will send the notice & procedure for E-voting to the e-mail given by Member.

Post successful registration of the e-mail, the Member would get soft copy of the notice and the procedure for E-voting along with the User ID and the Password to enable E-voting for this AGM. In case of any queries, Member may write to einward.ris@kfintech.com.

2. It is clarified that for permanent registration of e-mail address, the Members are however requested to register their e-mail address, in respect of electronic holdings with the Depository through the concerned Depository Participants and in respect of physical holdings with the Company's Registrar and Share Transfer Agent, KFin Technologies Private Limited, (Unit: Heritage Foods Limited), Selenium Building, Tower B, Plot No. 31 & 32, Financial District Nanakramguda, Serilingampally Mandal, Hyderabad – 500032, Telangana, India by following due procedure.
3. Those Members who have already registered their e-mail address are requested to keep their e-mail addresses validated with their Depository Participants/ the Company's Registrar and Share Transfer Agent, KFin Technologies Private Limited to enable servicing of notices/ documents/ Annual Reports electronically to their e-mail address.
4. You can also update your mobile number and e-mail id in the user profile details of the folio which may be used for sending further communication(s).
5. Once the vote on a resolution is cast by a member, whether partially or otherwise, the member shall not be allowed to change it subsequently or cast the vote again.
6. In case of any query/ grievance pertaining to E-voting, please visit Help & FAQ's section of <https://evoting.karvy.com> or contact Ms. C Shobha Anand, Deputy General Manager at KFin Technologies Private Limited [Unit: Heritage Foods Limited], Selenium Building, Tower B, Plot No. 31 & 32, Financial District Nanakramguda, Serilingampally Mandal, Hyderabad – 500032, Telangana, India, e-mail: einward.ris@kfintech.com, Contact No.: +91 40 67162222, Fax: +91 40 23001153 and Toll Free No.: 1800 345 4001.
7. Facility to cast vote through Insta Poll will be made available on the Video Conferencing screen and will be activated once the Insta Poll is announced at the Meeting.

8. The Scrutiniser will, after the conclusion of e-voting at the Meeting, scrutinise the votes cast at the Meeting (Insta Poll) and votes cast through remote e-voting, make a consolidated Scrutiniser's Report and submit the same to the Chairperson. The result of e-voting will be declared within forty-eight hours of the conclusion of the Meeting and the same, along with the consolidated Scrutiniser's Report, will be placed on the website of the Company: www.heritagefoods.in and on the website of KFinTech at: <https://evoting.karvy.com>. The result will simultaneously be communicated to the stock exchanges, where the shares of the company are listed.
9. Subject to receipt of requisite number of votes, the Resolutions proposed in the Notice shall be deemed to be passed on the date of the Meeting, i.e., Friday, August 28, 2020.
18. The Company has notified closure of Register of Members and Share Transfer Books from Friday, August 21, 2020 to Friday, August 28, 2020 (both days inclusive) for determining the names of member(s) eligible for dividend on Equity Shares, if declared at the Meeting.
19. As per relevant Circulars, payment of dividend shall be made through electronic mode to the Shareholders who have updated their bank account details. Dividend warrants / demand drafts will be dispatched to the registered address of the shareholders who have not updated their bank account details, after normalisation of the postal services. To avoid delay in receiving dividend, shareholders are requested to update their bank account details with their Depository Participants in case securities are held in demat mode and shareholders holding securities in physical form should send a request for updating their bank details to the Company's Registrar & Share Transfer Agents

PROCEDURE FOR INSPECTION OF DOCUMENTS:

16. The Register of Directors and Key Managerial Personnel and their shareholding maintained under Section 170 of the Companies Act, 2013 read with Companies (Appointment and Qualification of Directors) Rules, 2014 the Register of Contracts or Arrangements in which the directors are interested, maintained under Section 189 of the Act, and the relevant documents referred to in the Notice will be available electronically for inspection by the members during the AGM.
20. Payment of Dividend shall be subject to deduction of tax at source (TDS) at applicable rates as notified by the Government of India.
21. Manner of registering mandate for receiving Dividend:
 - (a) with their Depository Participant(s) with whom they maintain their demat accounts if shares are held in dematerialised mode by submitting the requisite documents, and
 - (b) with the Company / KFinTech by clicking on <https://karisma.kfintech.com/shareholders> or by emailing at hfl@heritagefoods.in or einward.ris@kfintech.com, if shares are held in physical mode, by submitting scanned copy of the (i) signed request letter which shall contain shareholder's name, folio number, bank details (Bank account number, Bank and Branch Name and address, IFSC, MICR details), (ii) self-attested copy of the PAN card and (iii) cancelled cheque leaf. In case shares are held in dematerialised mode, details in a form prescribed by your Depository Participant may also be required to be furnished.

All documents referred to in the Notice will also be available electronically for inspection without any fee by the members from the date of circulation of this Notice up to the date of AGM. Members seeking to inspect such documents can send an email to hfl@heritagefoods.in

Members seeking any information with regard to the accounts or any matter to be placed at the AGM, are requested to write to the Company on or before Thursday, August 20, 2020 through email on hfl@heritagefoods.in. The same will be replied by the Company suitably.

DIVIDEND RELATED INFORMATION

17. The Board of Directors recommended a final dividend on equity shares at the rate of (50%) i.e. ₹ 2.50/- per Equity Share of face value of ₹ 5/- each for the Financial Year ended on March 31, 2020, subject to approval of the Members at the AGM, the dividend will be paid on Friday, September 04, 2020, to the Members whose names appear on the Company's Register of Members as on the Record Date and in respect of the shares held in dematerialised mode, to the Members whose names are furnished by National Securities Depository Limited and Central Depository Services (India) Limited as beneficial owners as on that date.

The profit/(loss) before Finance Cost, depreciation & amortization and tax was of ₹ (7,583) Lakhs as against ₹ 19,308 Lakhs in the previous year.

Your Company has complied with all the acts, rules, regulations and guidelines issued/prescribed by the Securities Exchange Board of India, Reserve Bank of India, Ministry of Corporate Affairs and other statutory authorities.

Transfer to General Reserves

Your Directors do not propose to transfer any amount to general reserves for the financial year ended March 31, 2020.

Dividend

Your Directors have pleasure in recommending a dividend of

(50%) i.e. ₹ 2.50/- per equity share of face value of ₹ 5/- each for the financial year ended March 31, 2020, amounting to ₹ 1159.95 lakhs. The dividend payout is subject to approval of members at the ensuing Annual General Meeting. The Register of Members and Share Transfer Books will remain closed from Friday, August 21, 2020 to Friday, August 28, 2020 (both days inclusive) for the purpose of payment of dividend for the financial year ended March 31, 2020. The Annual General Meeting is scheduled to be held on August 28, 2020. The dividend payout for the year under review has been finalized in accordance with the company's dividend distribution policy and the Company's policy to pay sustainable dividend linked to long term growth objectives of the Company to be met by internal cash accruals.

Dividend Distribution Policy

In terms of Regulation 43A of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), the Company has formulated and adopted a Dividend Distribution Policy with the objective of providing clarity to its stakeholders on the profit distribution strategies of the Company. During the year, the said Policy has been reviewed by the Board of Directors of the Company and hosted on the website of the Company at [https://www.heritagefoods.in/uploads/investors/pdf/15579009416hfl-dividend distribution policy.pdf](https://www.heritagefoods.in/uploads/investors/pdf/15579009416hfl-dividend%20distribution%20policy.pdf)

Share Capital

The paid up Equity Share Capital as on March 31, 2020 stood at ₹ 23,19,90,000/- divided into 4,63,98,000 equity shares face value of ₹ 5/- each. During the year under review, the Company has not issued shares with differential voting rights nor has granted any stock options or issued sweat equity share to its employees or directors. As on March 31, 2020, none of the Directors or the Company holds any instruments convertible into equity shares of the Company.

Deposits

Your Company has not accepted any deposits from the Directors/ Shareholders/Public pursuant to Section 73 of the Companies Act, 2013, read with the Companies (Acceptance of Deposits) Rules, 2014, and there are no unpaid/unclaimed deposits nor amount of principal or interest on public deposits was outstanding as on the Balance Sheet date.

Buy Back of shares and disinvestment

The Company has not bought back any of its securities and there were no disinvestment during the Financial Year ended March 31, 2020.

Particulars of Loans, Guarantees or Investments

Loans, guarantees and investments covered under Section 186 of the Companies Act, 2013 forms part of the notes to the standalone financial statements provided in this Annual Report. However the Board has given corporate guarantee as at 31st March, 2020 of ₹ 2675/- Lakhs for the credit facilities availed by its wholly owned subsidiary Company namely M/s. Heritage Nutrivet Limited (the outstanding as on March 31, 2020 was ₹ 2049/- Lakhs) and ₹ 2200/- Lakhs for the credit facilities availed by its joint venture Company namely Heritage Novandie Foods Private Limited (the outstanding as on March 31, 2020 was ₹ 580/- Lakhs).

Particulars of Contract or Arrangements made with Related Parties

The particulars of contracts or arrangements with related parties as per Section 188 of the Companies Act, 2013 and rules made thereof and as per the Related Party Transaction (RPT) policy the Company during the financial year ended March 31, 2020 in prescribed Form AOC-2 is annexed to this Board's Report (Annexure-1). Further there are no materially significant related party transactions during the year under review with Promoters, Directors, Key Managerial Personnels and their relatives, which may have potential conflict with interest of the company at large. The related party transactions were placed before the audit committee as also to the Board at their respective meetings for approval. All related party transactions entered during the year were in the ordinary course of business and on arms length basis. The details of the related party transactions during the year are part of the financial statements forming part of this Annual Report.

Material changes and commitments affecting financial position between the end of the financial year and date of report

There are no material changes and commitments affecting financial position of the company, which occurred after the end of the financial year i.e., March 31, 2020 except the impact COVID-19, pandemic on the business operations of the Company as follows,

Impact of the CoVID-19 pandemic on the business;

The Company is categorised under "Essential Commodities" as per the notification issued by Ministry of Home Affairs (MHA) Govt. of India, for supply of Milk and Milk Products. The pandemic has not had any material adverse impact on the company's business, although the sales of milk and value-added products have come down because of the lockdown. Transportation has also been impacted initially to some extent due to absenteeism of drivers. All the milk supplied by farmers was procured and processed during the lockdown period. However, the

availability of raw materials and the supply chain of the company are not affected

The Company has taken conscious decision to balance uninterrupted operations and ensuring a safe working environment. To ensure this, some team members have been asked to report to work from their locations. The Company has also made necessary arrangements by obtaining passes from appropriate authorities as per the Guidelines issued by the Government of India and respective States, for vehicles and individuals and conducted proper sanitization of work place to ensure that staff were safe and comfortable at work place.

The rest of the staff have been asked to report to the workplace on alternate days based on their convenience, thereby ensuring seamless operations, reporting and controls. Your Company has complied the COVID-19 guideline issued by the Securities Exchange Board of India.

In view of the same and considering the MCA circulars, your Company be convening the 28th AGM through VC/OAVM without the physical presence of the members at a common venue. However the deemed venue for the AGM shall be the Registered Office of the Company.

Schedule, if any, for restarting the operations;

Since the Company's operations are fully functional, this question does not arise.

Steps taken to ensure smooth functioning of operations

The Company has put in place strict monitoring process for Covid-19 precautions ensuring the following

- Sanitizing the premises and vehicles on regular basis
- Maintenance of social distancing at all work places
- Enforcing wearing of masks and regular cleaning of hands with soap water
- Regular update of the health of all the employees and their families
- Thermal scanning all the employees while entering the office premises
- Asking all employees to install Aarogya Setu App

The Company has been regularly conducting awareness programs for all its employees. All employees of the Company have been communicated about the measures taken by the Company through mails and video conferencing calls which includes video-clip discussions from the desk of Vice Chairperson & Managing Director and Executive Director of the Company explaining about the steps required to be taken by individuals to maintain safety.

Estimation of the future impact of CoVID-19 on its operations;

As explained above, there has not been any material adverse impact on the Company's performance in terms of top-line and bottom-line. We expect further improvements as the Central & State Governments are taking initiatives for opening of the trade and commerce.

Capital and financial resources

The Company does not plan to raise any capital in the near future and hence there is no impact. Presently, the Company doesn't need any additional funding from Banks/ Financial Institutions. However, already sanctioned long-term loans and working capitals are honoured by the Banks/ Financial Institutions without any additional rate of interest and covenants

Profitability

As mentioned earlier, the profits are not adversely impacted. The transportation segment which acts as an enabler is marginally impacted. As of now, it can be concluded that the Covid-19 impact on profits will not be material

Liquidity position

The Company operates on cash-and-carry basis of its substantial business, however collection from some of the debtors has been impacted marginally with some of the customers requested for a deferred payment schedule which the company keeping in mind the long term relationship has accepted. The Company has been meeting all its financial obligations.

Ability to service debt and other assets /financing arrangements

The Company has not availed moratorium for any of its installment payments and has never defaulted on any interest or loan installment and does not see any issue meeting future obligations too. None of the assets of the Company have been impacted or impaired by the Covid-19.

Internal financial reporting and control

The Company has robust Internal Financial Control (IFC) system in place and all its locations are well networked with S4 Hana SAP System. Even during the lockdown with a combination of staff working from the plants and/ offices etc., and all others working from home, all reporting systems worked seamlessly without any disruption

Supply chain

Being the Company categorized under "essential commodities" by Central Government, there has been less impact of supply chain inward-and-outward. The situation

is although improving and we expect normal operations in this segment very soon.

Demand for its products/services

During the crisis, there has been no impact on the supplies though there was a drop in sales in absence of consumption out of home.

Existing contracts/agreements where non-fulfillment of the obligations by any party will have significant impact on the listed entity's business

The Company is in a position to honor all agreements with its vendors and consumers. The vendors from whom the Company avails product or services, those are few in numbers and are not in any way impacted by the pandemic.

Repayment of Loan installments

The Company has been repaying all the loan instalments without any default. Even though Reserve Bank of India allowed for moratorium/ deferment of instalment payments, the Company didn't opt for it.

Payments to Employee

During the period, the Company has paid to all its working employees and none of the Employees were terminated from the services. The Company also covered all its employees' under various insurance policies

Payments to Suppliers/Creditors

During this period, the Company didn't default any of its payment to its suppliers/ creditors.

Contributed to Covid-19

Your Company has contributed ₹ 1,00,00,000 (Rupees One Crore only) towards fight against Covid-19 pandemic to the following State Govt Relief Fund/ Disaster Management Fund on 1st week of April 2020 out of its CSR Amount of FY 2020-21

- i. Chief Minister/Disaster Relief Fund Andhra Pradesh-Rs.30 Lakhs
- ii. Chief Minister/Disaster Relief Fund Telangana-Rs.30 Lakhs
- iii. Chief Minister/Disaster Relief Fund Karnataka-Rs.10 Lakhs
- iv. Chief Minister/Disaster Relief Fund Tamil Nadu-Rs.10 Lakhs
- v. Chief Minister/Disaster Relief Fund Maharashtra-Rs.10 Lakhs
- vi. Chief Minister/ Disaster Relief Fund Delhi-Rs.10 Lakhs

Variation in market capitalization

	As at March 31,		Increase / (decrease) in %
	2020	2019	
Market capitalization (₹ in Crore)	988.97	2527.07	(60.86)
Price earnings ratio	(6.18)	30.29	(122.98)

Note: Data based on share prices quoted on BSE

Management Discussion and Analysis

In terms of the provisions of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 as amended from time to time, the Management's Discussion and Analysis is provided in a separate section and forms an integral part of this Report.

Business Review

The Board of Directors noted on the loss before tax incurred by the Company, as reported in the Standalone & Consolidated Financial Statements for the Quarter and Year ended March 31, 2020, Profit & Loss impact was due to changes in the fair value of investment in equity shares of Future Retail Limited and fair value of corresponding derivative liabilities as per the Agreement entered with them and in accordance with Ind AS accounting principles as follows:

Financial Information

(₹ in lakhs)

Particulars	Standalone Year Ended		Consolidated Year Ended	
	31.03.2020	31.03.2019	31.03.2020	31.03.2019
Profit/(loss) before tax	(14,467.64)	12,868.82	(15,337.72)	12,752.40
Adjustments:				
Gain due to changes in the fair value of derivative liabilities	29,448.87	13,109.85	29,448.87	13,109.85
Loss due to changes in the FVTPL equity securities	(51,160.56)	(13,109.85)	(51,160.56)	(13,109.85)
Profit after above adjustments	7,244.05	12,868.82	6,373.97	12,752.40

Your Company has not changed its nature of business during the period under review. Your Company has Two Divisions in operation in different States in India as on March 31, 2020.

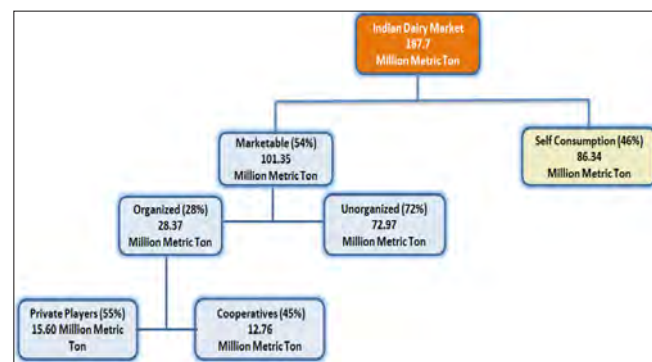

Dairy Business:

Indian Dairy Industry

India has been the leading producer and consumer of dairy products worldwide since 1998 with a sustained growth in the availability of milk and milk products. Dairy activities form an essential part of the rural economy, serving as an important source of employment and income. India also has the largest bovine population in the world. However, the milk production per animal is significantly low in our country as compared to the other major dairy producers country. Moreover, nearly all of the dairy produce in India is consumed domestically, with the majority of it being sold as fluid milk. On account of this, the Indian dairy industry holds tremendous potential for value-addition and overall development.

As of 2019-20, India is the leading milk producing country in the world, accounting for 21% of the global market share. The milk processing industry in India is expected to expand at a compound annual growth rate (CAGR) of 16% between FY 2019-20 and FY 2023-24.

Indian Dairy Market Structure

Source: IMARC

India: Dairy Market Forecast (in Billion INR)

As per the research report by IMARC Group, it is estimated that the Indian dairy industry was worth a value of INR 10,527 Billion in 2019 and it anticipates the market to reach a value of INR 21,971 Billion by 2024, exhibiting a CAGR of around 16% during the 2019-2024.

Source: IMARC

Organized & Unorganized Dairy Market in India

Being one of the primary dairy consumables in India, the demand increase for milk in the country is owed to the increasing population. As of FY 2019-20, ~81.1% of the Indian dairy and milk processing market was part of the unorganized sector.

Source: IMARC

State-wise segment insights: Uttar Pradesh, Rajasthan, Madhya Pradesh, Gujarat and Andhra Pradesh have been the major milk producing states in India. Uttar Pradesh is the largest milk-producing State because it is home to the highest buffalo population and the second-highest cattle population in the country. The majority of the rural population in this state is engaged in livestock rearing and dairying. Gujarat has numerous cooperative dairy milk unions and primary milk cooperative societies, which play crucial role in the production of milk in the state.

Source: IMARC

Value-added product wise insights: Apart from milk, the revenue of the Indian dairy and milk processing industry is generated from several value-added products such as curd, paneer, flavoured milk, cheese and yogurt. During the period FY 2016 to FY 2020, the market size of butter is expected to grow by 14.5%, curd by 14.4%, paneer by 14.1%, and ghee by 14.1%, among others.

Export: From India, the export of dairy products has increased to countries like Bhutan, Afghanistan, Canada, Egypt, and the United Arab Emirates.

Key growth drivers of the market: India's livestock sector is regarded as one of the largest in the world with a bovine population of 299.90 Mn, which comprises of cow's and buffalo's. The growth of the Indian dairy and milk processing market is ensured by the steady supply of milk which is the primary raw material for this industry.

The major challenge faced by the Dairy Industry is the organization of the supply chain and logistics. The good part is that challenges are nothing but opportunities in disguise and in order to meet this challenge headon, proactive steps need to be taken to empower farmers and provide a stronger supply chain for them to rely on. Even though India is the largest producer of milk in the world, the industry itself is largely unorganized, with only 28 percent of the total milk produced being channelized in an organized manner. The first step to countering this would be to shift the focus to smaller dairy farms, which sometimes lack veterinary facilities and basic nutritious fodder etc.

Increasing Demand for Milk and Value-Added Products

With an increase in the spending power of the population, the demand for milk and other value-added dairy products

is expected to increase in the coming years. In order to meet the rising demand, there needs to be a marked shift from the unorganized to the organized sector. Moreover, consumers now-a-days are not only hold greater buying power but also health conscious regarding what they consume. There is thus a necessity to provide healthy dairy products which can be readily consumed. This creates an opportunity for boutique dairy farms to set up local operations providing fresh cow or buffalo milk to consumers. Over and above with people having less time these days, the demand for premium value added products such as probiotic yoghurt, cheese, milk shakes etc. are on the rise. These products not only have a higher margin but also have a longer shelf life which makes the supply chain easier and cost effective.

The organised dairy sector is poised for healthy growth in coming years. Milk production CAGR of 5% over FY12-FY19 coupled with 5-6% inflation indicates 10% growth in revenue terms. Organised players account for just 28% of the overall milk market and expect their share to grow going forward. Also expect rising milk procurement prices to be passed on by B2C players, resulting in stable margins.

Your Company is a market leader in the curd segment and is now looking to expand its product basket by entering into the fastest growing product like Yoghurt, through a Joint Venture Company.

The motto of your company is to empower farmers by doing the following activities

- Facilitating loans for the purchase of cattle through commercial banks/ NBFCs
- Facilitating cattle insurance;
- Conducting veterinary camps for animals at frequent intervals;
- Supply of high quality cattle feed and fodder seeds;
- Helping to source good productive animals;
- Supply of milk analyzers for ensuring accurate measurement of milk quality and
- Ensuring timely payment to farmers.

In its bid to become a pan India player, your Company has expanded its collection and distribution of products to 12 states in India covering South, West and North India. It has almost 100% direct procurement network of 3 lakh dairy farmers across eight major milk producing States namely, Andhra Pradesh, Telangana, Karnataka, Tamil Nadu, Maharashtra, Rajasthan, Uttar Pradesh and Haryana. The direct route of milk procurement enables it to maintain quality. The company also operates 188 bulk coolers, chilling plants and procures 13.77 lakh liters of milk per day. It operates 16 own processing plants with installed milk processing capacity of 25.70 lakh liters per day.

Your Company procures 13.77 lakh litres of milk daily from 3 lakh farmers across eight states. The milk is directly procured from farmers which ensures greater consistency in milk quality and consistency in supply. The company's installed processing capacity is 26.70 lakh liters per day and chilling capacity is 20.51 Lakhs LPD. After processing 11.10 lakh litres of milk is sold to about 15 lakh households on a daily basis and the remaining is converted into value added products and products are available across 11 states viz. Andhra Pradesh, Telangana, Karnataka, Kerala, Tamil Nadu, Maharashtra, Odisha, NCR Delhi, Haryana, Uttar Pradesh and Uttarakhand.

The Board of Directors expressed their satisfaction about the way company has handled the business during the period of COVID-19 outbreak. The initial period of the outbreak i.e. second half of March, 2020 the sales of the Company was reduced by 20%, the ice-cream/Frozen Dessert sale was insignificant, however other value added product sales has reduced marginally subsequently it has gone up. During the period of COVID-19 outbreak the procurement price of milk has come down and volum increased.

During the financial year 2019-20, Dairy Division has increased milk Chilling capacity by 0.50 lakh LPD by commissioning of 7 units which includes Bulk chilling units, Mini Chilling units and chilling centres.

Corporate Governance

Corporate governance is an ethically driven business process that is committed to values aimed at enhancing an organization's brand and reputation. This is ensured by taking ethical business decisions and conducting business with a firm commitment to values, while meeting stakeholders' expectations. It is imperative that your company's affairs are managed in a fair and transparent manner. This is vital to gain and retain the trust of the stakeholders.

In terms of Regulation 34 of the Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (hereinafter "Listing Regulations") as amended from time to time, a Report on Corporate Governance along with Compliance Certificate issued by Statutory Auditors of the Company forms integral part of this Annual Report.

Auditors' certificate on Corporate Governance

As required by SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015, the auditor's certificate on corporate governance is forming part of the Annual Report.

Board Diversity

Your Company recognizes and embraces the importance of a diverse board for its success. Your Company believes that a truly diverse board will leverage differences in thought, perspective, knowledge, skill and industry experience, cultural and geographical background, age and gender, which will help the Company, retain its competitive advantage. The Board has adopted the Board Diversity Policy which sets out the approach to diversity of the Board of Directors. The Policy is available in the Company website i.e. www.heritagefoods.in > Investor > Policies.

Meetings of the Board

The Board met Eight (8) times during the financial year, the details of which are given in the Corporate Governance Report that forms part of this Annual Report. The intervening gap between any two meetings was within the period prescribed by the Companies Act, 2013 and SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015.

Policy on Director's Appointment and Remuneration

The current policy is to have an appropriate mix of Executive and Non-executive & Independent and Women Directors to maintain the independence of the Board, and separate its functions of governance and management. As on March 31, 2020, the Board consists of 7 members, 2 of them are Executive/Whole-time directors, 1 is Non-Executive Director, 1 is Non-Executive Independent Woman Director and 3 are Non-Executive Independent Directors. The Board periodically evaluates the need for change in its composition and size.

The policy of your Company on directors' appointment and remuneration, including criteria for determining qualifications, positive attributes, independence of a director and other matters as provided under Subsection (3) of Section 178 of the Companies Act, 2013, and SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 was adopted by the Board. It is affirmed that the remuneration paid to the directors is as per the terms laid out in the nomination and remuneration policy of the Company.

Declaration from Directors

Your Company has received necessary declaration from all directors stating that they are not debarred or disqualified from being appointed or continuing as Directors of companies by the Securities and Exchange Board of India, Reserve Bank of India, Ministry of Corporate Affairs or any such other Statutory Authority.

Declaration by Independent Directors

Your Company has received necessary declaration from each independent director stating that they meet the criteria prescribed for independence under Section 149 of the Companies Act, 2013 and Regulation 25 of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 and the Board has confirmed its veracity and taken the same on record.

Board Evaluation

As per the provisions of the Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time the Nomination and Remuneration Committee laid down criteria for performance evaluation of individual director(s), the board and its committee(s). Accordingly, an annual evaluation was carried out for the Board's performance, its Committees and individual director(s).

The Board performance evaluation is carried out through a structured questionnaire which provides a clear and valuable feedback for Board effectiveness and highlighting areas for further development.

The following are some of the broad issues that are considered in performance evaluation questionnaire

Criteria for evaluation of Board and its Committees:

- Ability to act on a fully informed basis, in good faith, with due diligence and in the best interest of the company and the stakeholders.
- Optimum combination of knowledge, skill, experience and diversity on the Board as well its Committees.
- Relationships and effective communication among the Board members.
- Effectiveness of individual non-executive and executive directors and Committees of Board.
- Quality of the discussions, general information provided on the company and its performance, papers and presentations to the Board.
- Risk management as well as processes for identifying and reviewing risks.
- Well- defined mandate and terms of reference of Committee.

Criteria for evaluation of Individual Directors:

- Attendance at Board as well as Committee Meetings
- Procurement of Information, preparation for Board Meetings and value of contribution at meetings
- Relationships with fellow Board members, the company secretary and senior management and mutual trust and respect they stimulated within the Board.
- Keeping update with the latest developments in the areas of governance and financial reporting
- Willingness to devote time and effort to understand the company and its business
- Providing necessary guidance using their knowledge and experience in development of corporate strategy, major plans of action, risk policy, and setting performance objectives.
- Independence exercised in taking decisions, listening to views of others and maintaining their views with resolute attitude
- Ability in assisting the Company in implementing the best corporate governance practices.
- Capability in exercising independent judgement to tasks where there is potential conflict of interest
- Commitment in fulfilling the director's obligations fiduciary responsibilities.

The Board of Directors received all evaluations from each Director including Board as a whole and it's committee based on the above criteria, discussed various points and all points

are satisfactory, no further action is required. There were no actions pending from the previous year observations. The detailed format of Board evaluation is available in the website of the Company i.e. https://www.heritagefoods.in/uploads/investors/pdf/15870145475Board_&_Director_Evaluation_Framework.pdf

Training of Independent Directors

Every new independent director of the Board attends an orientation program. To familiarize the new inductees with the strategy, operations and functions of your Company, the Executive Directors/Senior Managerial Personnel make presentations to the inductees about the Company's strategy, operations, product and service offerings, markets, organization structure, quality and risk management etc.

Appointment/Re-Appointment

Dr. V Nagaraja Naidu (DIN: 00003730) Non-Executive Director of the Company retire by rotation and being eligible offers himself for reappointment at the ensuing Annual General Meeting as per the provisions of Section 152 of the Companies Act 2013 and other applicable provisions, if any, read with the Companies (Appointment and Qualification of Directors) Rules, 2014 (including any statutory modifications(s) or re-enactment(s) thereof for the time being in force) and SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015.

It is also made available in the website of the Company i.e. www.heritagefoods.in.

Internal financial control and its adequacy

The Board has inter alia reviewed the adequacy and effectiveness of the Company's internal financial controls relating to its financial statements.

The Board has discussed with the Management of the Company the major financial risk exposures and the steps taken by it to monitor and control such exposures, overseen and reviewed the functioning of the Whistle Blower Mechanism and the findings in respect of the investigations conducted on frauds if any, which were material in nature and the actions taken by the Management, in this regard.

Your Company has adopted necessary policies and procedures for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of financial information.

During the year, such controls were tested and no reportable material weakness in the design or operation was observed by the consultant appointed by the Board of Directors and Statutory Auditors of the company

During the year no fraud by the Company or on the Company by its officers or employees has been noticed and reported.

Internal Audit & Control Systems

Your Company has a well-defined and documented internal audit & control system, which is adequately monitored. Checks & balances and control systems have been established to ensure that assets are safe guarded, utilized with proper authorization and recorded in the books of account. The Internal control systems are improved and modified continuously to meet the changes in business conditions, statutory and accounting requirements.

These are supplemented by internal audit of your Company carried out by reputed firms of Chartered Accountants across the locations of the Company. Your Company has an Audit Committee consisting of Four Non-Executive Independent

Directors and one Non-Executive Director. The Audit Committee of the Board of Directors and Statutory Auditors are periodically apprised of the internal audit findings and corrective actions taken. The Audit Committee of the Board of Directors reviews the adequacy and effectiveness of internal control system and suggests improvements if any for strengthening them. Your Company has a robust Management Information System which is an integral part of the control mechanism.

Declaration as per Section 134(3)(ca) of the Companies Act, 2013

During the year, the statutory auditors and secretarial auditor have not reported any instances of frauds committed by or against the Company by its Directors/Officers/ Employees to the Audit Committee or Board under section 143(12) of the Companies Act, 2013 and rules made thereof. Therefore no detail is required to be disclosed under Section 134 (3)(ca) of the Act.

CEO & CFO Certification

The Vice Chairperson & Managing Director and the Chief Financial Officer of the Company has given annual certification on financial reporting and internal controls to the Board in terms of Regulation 17(8) of the SEBI (Listing Obligation & Disclosure Requirements) Regulation, 2015. Vice Chairperson & Managing Director and the Chief Financial Officer also give quarterly certification on financial results while placing the financial results before the Board in terms of Regulation 33(2) (a) of the SEBI (Listing Obligation & Disclosure Requirements) Regulation, 2015. The annual certificate given by the Chairperson and Managing Director and the Chief Financial Officer forms part of this Annual Report.

Corporate Social Responsibility (CSR)

Your Company has been an early adopter of corporate social responsibility (CSR) initiatives. Along with sustained economic performance, environmental and social stewardship is a key factor for holistic business growth and has constituted a Corporate Social Responsibility Committee ("CSR Committee") in accordance with Section 135 of the Companies Act, 2013.

CSR activities, as per the provisions of the Companies Act, 2013 and rules made thereof, may be undertaken by the Company or through a registered trust or a registered society. The CSR Committee of the Board evaluated various options to implement the CSR activities and decided to contribute the mandated CSR amount to the NTR Memorial Trust, Hyderabad, to carry out the activities such as promoting education, enhancing the vocational skill & supply of clean drinking water etc., as part of the CSR activities of the Company. As the NTR Memorial Trust is operating since 1997 towards the promoting and preventive of health care of the needy groups, meeting the educational needs of underprivileged students, advancing

the concept of entrepreneurship and self-employment and offering support and relief during disasters and lot more other initiatives for the up-liftment of the backward and needy population in the society.

These projects are in accordance with Schedule VII of the Companies Act, 2013 and the Company's CSR Policy. The Report as required under Rule 9 of Companies (Corporate Social Responsibility Policy) Rules, 2014 on CSR activities is set out as Annexure-5 forming part of the Board's Report and the Policy has been uploaded on the Company's website at www.heritagefoods.in.

Heritage Farmer Welfare Trust (HFWT)

Apart from the mandatory CSR activities under the Companies Act, 2013 your Company continues to voluntarily support the following social initiatives through Heritage Farmers Welfare Trust (HFWT).

- Veterinary care and cattle management practices through Heritage Mobile Veterinary Clinics, (equipped with necessary tools and trained human resources) for providing door-step veterinary services to the Milch Animals and empowering cattle owners with advanced technology and knowledge on best cattle management and feeding practices. The Mobile veterinary vans conduct free health camps in the needy villages.
- Extending Insurance coverage for accidental death of farmer members, Incentive for fodder development & reward for Meritorious Students from farmer's families.
- The HFWT impact during the year for Mobile Veterinary clinic as follows:

No of Cattles Treated 1,63,714	No of Cattle Health Camps Organized 2,590

Vigil Mechanism policy

The Board of Directors of the Company had adopted the Whistle Blower Policy in compliance with the provisions of Section 177 of the Companies Act, 2013 and Regulation 22 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. A mechanism has been established for employees to report concerns about unethical behaviour, actual or suspected fraud, or violation of Code of Conduct and Ethics. It also provides for adequate safeguards against the victimization of employees who avail of the mechanism and allows direct access to the Chairperson of the Audit Committee in exceptional cases. The Audit Committee reviews periodically the functioning of whistle blower mechanism. No complaint have been received during the Financial Year ended March 31, 2020. No personnel have been denied access to the Audit Committee.

The details of said vigil mechanism are given in Corporate Governance Report, which forms part of this Annual Report. A copy of the Whistle Blower Policy is available in the company's website i.e. www.heritagefoods.in.

Indian Accounting Standards (Ind AS)

The Company has adopted Indian Accounting Standards (Ind AS) with effect from April 1, 2017 pursuant to Ministry of Corporate Affairs' notification of the Companies (Indian Accounting Standards) Rules, 2015. The standalone and consolidated financial statements of the Company, forming part of the Annual Report, have been prepared and presented in accordance with all the material aspects of the Indian Accounting Standards ('Ind AS') as notified under section 133 of the Companies Act 2013 read with the Companies (Indian Accounting Standards) Rules 2015 (by Ministry of Corporate Affairs ('MCA')) and relevant amendment rules issued

thereafter and guidelines issued by the Securities Exchange Board of India ("SEBI").

Prevention of Insider Trading Code

As per SEBI (Prohibition of Insider Trading) Regulation, 2015 as amended from time to time, the Company has adopted a Code of Conduct for Prevention of Insider Trading. The Company has appointed Mr. Umakant Barik, Company Secretary of the Company as Compliance Officer, who is responsible for setting forth procedures and implementation of the code of conduct for trading in Company's securities. During the year under review, there has been due compliance with the said code.

Director's Responsibility Statement as required under Section 134 (3)(c) & (5) of the Companies Act, 2013.

The financial statements are prepared in accordance with the provision of Section 129 of the Companies Act, 2013 read with Schedule III of the Companies Act, 2013 and the rules made thereof, Ind-AS and Generally Accepted Accounting Principles (GAAP) under the historical cost convention on accrual basis except the sale proceeds received under REC Mechanism of the Renewable Energy. GAAP comprises mandatory accounting standards as prescribed under Section 133 of the Companies Act, 2013 ('the Act'), read with Rule 7 of the Companies (Accounts) Rules, 2014, the provisions of the Act and guidelines issued by the Securities and Exchange Board of India (SEBI). There are no material departures from prescribed accounting standards in the adoption of these standards.

The Board Directors to the best of their knowledge and understand confirm that:

- In the preparation of the annual accounts (Standalone & Consolidated) for the financial year 2019-20, the applicable accounting standards have been followed along with proper explanation relating to material departures.
- They have selected such accounting policies and applied them consistently and made judgments

and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year 2019-20 and of the profit and loss of the Company for that period.

- They have taken Proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the company and for preventing and detecting fraud and other irregularities if any,
- The annual accounts of the company have been prepared on a going concern basis.
- They have laid down internal financial controls to be followed by the company and that such internal financial controls are adequate and were operating effectively; and
- They have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

Acknowledgement and Appreciation

The Directors regrets the loss of life due to Covid-19 pandemic and are deeply grateful and have immense respect for every person who risked their life and safety to fight this pandemic.

The Board takes this opportunity to thank all consumers, customers, farmers, vendors, investors, bankers and Statutory Authorities for their continued support during the year. The Board also wishes to place on record its sincere appreciation of the effort/ contribution made by its employees at all levels for their hard work, dedication and commitment. The enthusiasm and unstinting efforts of the employees have enabled the Company to remain an industry leader. The Company's consistent growth was made possible by their hard work, solidarity, cooperation and support and look forward to their continued support in the future.

Hyderabad-500082

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by M/s. Heritage Foods Limited (herein after called the "Company"). Secretarial audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's, books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the company has during the audit period covering the financial year ended on 31st March, 2020 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company (records were verified in electronic form due to situation of "COVID-19") for the financial year ended on 31st March, 2020 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made there under as amended from time to time;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') as amended from time to time:-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992 as amended from time to time
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
 - (d) The Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018
 - (e) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999; -- N.A.
 - (f) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; -- N.A.

- (g) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- (h) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; -- N.A.
- (i) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998; -- N.A.
- (j) The Securities and Exchange Board of India (Listing Obligation & Disclosure Requirements) Regulations, 2015.

We have also examined compliance with the applicable clauses of the following as amended from time to time:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India, New Delhi.
- (ii) The Listing Agreements entered into by the Company with the BSE Limited and The National Stock Exchanges of India Limited, Mumbai

During the period under review, the Company has complied with the applicable provisions of the Act, Rules, Regulations, Guidelines, Standards, etc., mentioned above.

We further report that, having regard to the compliance system prevailing in the Company and on examination of the relevant documents and records in pursuance thereof, on test-check basis:

The management has identified and confirmed the following laws as being specifically applicable to the Company:

- i) Food Safety and Standards Act, 2006 and the Rules made there under.
- ii) The Prevention of Foods Adulteration Act, 1954 and the Rules made there under.

We further report that, the Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors & Woman Directors. There is no change in the composition of the Board of Directors during the period under review in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.

We further report that based on our limited review of the compliance mechanism established by the Company, there appear adequate systems and processes in the Company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further Report that during the audit period of the Company: There was no instance of: Demerger/ Restructuring/ Scheme of Arrangement

We further report that, during the audit period of the company, there was no events which required the approval of its members.

We further report that, there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that, our Audit was subjected only to verifying adequacy of systems and procedures that are in place for ensuring proper compliances on the part of the Company.

FORM No. MR-3
SECRETARIAL AUDIT REPORT

HERITAGE NUTRIVET LIMITED

(Wholly owned subsidiary Company of the Company)

For the Financial year ended 31st March, 2020

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No. 9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members,
Heritage Nutrivet Limited
CIN: U15400TG2008PLC062054
6-3-541/C, 4th Floor,
Panjagutta, Hyderabad-500082

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by M/s. Heritage Nutrivet Limited (herein after called the "Company"). Secretarial audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon. Based on my verification of the Company's, books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has during the audit period covering the financial year ended on 31st March, 2020 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2020 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made there under as amended from time to time;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') to the extent applicable to the company:-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011; Not Applicable
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015; Not Applicable
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009, as amended from time to time; Not Applicable
 - (d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999; Not Applicable
 - (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; -- Not Applicable
 - (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client; Not Applicable

- (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; -- Not Applicable.
- (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998; -- Not Applicable
- (i) The Securities and Exchange Board of India (Listing Obligation & Disclosure Requirements) Regulations, 2015. Not Applicable

We have also examined compliance with the applicable clauses of the following as amended from time to time:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India, New Delhi.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

I further report that, the Company has, in my opinion generally complied with the provisions of the Companies Act, 2013 and the Rules made there under that Act as notified by the Ministry of Corporate Affairs and the Memorandum and Articles of Association of the Company, with regard to

- a) Maintenance of various statutory registers and documents and making necessary entries therein.
- b) Forms, returns, documents and resolutions required to be filed with the Registrar of Companies and the Central Government
- c) The Annual General Meeting held on 23rd August, 2019.
- d) Minutes of the proceedings of General meetings and of the Board Meetings.
- e) Constitution of the Board of Directors, appointment, retirement and reappointment of Directors including the Managing Director and Whole time Directors.
- f) During the year under review the Board of Directors met 6 times, i.e 14th May, 2019, 18th June, 2019, 24th July, 2019, 17th October, 2019, 24th January, 2020 and 23rd March, 2019. The time gap between the two Board meetings is within 120 days.
- g) No Payment of remuneration was made to Directors except sitting fees.

I further report that, having regard to the compliance system prevailing in the Company and on examination of the relevant documents and records in pursuance thereof, on test-check basis, the Company has generally complied with the applicable laws applicable specifically to the Company.

I further report that, based on the information received and records maintained there are adequate systems and process in the Company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

Section E: Principle-wise Performance

Principle 1: Business should conduct and govern themselves with Ethics, Transparency and Accountability

1.1 Does the policy relating to ethics, bribery and corruption cover only the company? Does it extend to the Group/Joint Ventures/Suppliers/Contractors/NGOs /Others?

The Company adopted the Code of Ethics and Business Policies governing conduct of business of the Company in an ethical manner. The Company encourages its business partners to follow the code.

The Board of the Company has also adopted a Code of Conduct (Code) which applies to the Directors, Key Managerial Persons and the senior management of the Company. The Company obtains an annual confirmation affirming compliance with the Code from the Directors Key Managerial Persons and the senior management every year.

1.2 How many stakeholder complaints have been received in the past financial year and what percentage was satisfactorily resolved by the management?

The Company received 90 complaints/requests from the shareholders during 2019-20 and there were no complaints pending as on March 31, 2020.

Principle 2: Businesses should provide goods and services that are safe and contribute to sustainability throughout their life cycle

2.1 List up to 3 of your products or services whose design has incorporated social or environmental concerns, risks and/or opportunities.

Implemented ISO 22000 (Food Safety), ISO 14001 (Environmental Safety) and ISO 50001 (Effective Energy Management System)

2.2 Does the company have procedures in place for sustainable sourcing (including transportation)? If yes, what percentage of your inputs was sourced sustainably? Also, provide details thereof, in about 50 words or so.

Our Company's sourcing of milk has increased many folds sine last 28 years. We have a sustainable sourcing from farmers across the states we are operating. To keep our sourcing sustainable we do undertake lot more welfare activities which help farmers keep supplying milk to us.

2.3 Has the company taken any steps to procure goods and services from local and small producers, including communities surrounding their place of work? If yes, what steps have been taken to improve their capacity and capability of local and small vendors?

The Milk which is the raw material for the Dairy is procured locally from small farmers in the nearby villages. The Farmers are encouraged to produce more milk

through extensive P&I activities which includes Artificial Insemination, Cattle Loans, subsidized feed, free medical camps, supply of fodder etc. and their total Milk produced is accepted without any restriction in any season.

2.4 Does the company have a mechanism to recycle products and waste? If yes what is the percentage of recycling of products and waste (separately as <5 per cent, 5-10 per cent, >10 per cent).

The Company is not having any policy to recycle the products. In case of waste such as: water shall be treated before utilizing for irrigation purpose within the plant premises.

Principle 3: Businesses should promote the well being of all employees

3.1 Total number of employees: 3130

3.2 Total number of employees hired on temporary/contractual/casual basis: 3069

3.3 The number of permanent women employees: 47

3.4 The number of permanent employees with disabilities: Nil

3.5 Do you have an employee association that is recognized by management?

Presently, Company does not have any employee association.

3.6 What percentage of your permanent employees is members of this recognized employee association?
– Not Applicable

3.7 Please indicate the Number of complaints relating to child labour, forced labour, involuntary labour, sexual harassment in the last financial year and pending, as on the end of the financial year

Sr. No.	Category	No of complaints filed during the financial year	No of complaints pending as on end of the financial year
1	Child Labour / forced Labour/ involuntary	Nil	Nil
2	Sexual harassment	Nil	Nil
3	Discriminatory employment	Nil	Nil

3.8 What percentage of your under mentioned employees were given safety and skill upgradation training in the last year?

a.	perment employees	60.77%
b.	perment women employees	82.98
c.	casual/temporary/ Contractual Employees	48.87%
d.	Employees with Disabilities	Nil

Principle 4: Businesses should respect the interests of, and be responsive towards all stakeholders, especially those who are disadvantaged, vulnerable and marginalized

4.1 Has the Company mapped its internal and external stakeholders?

Yes, the Company has mapped the stakeholders i.e. farmers, customers, consumers, shareholders, employees, suppliers, banks and financial institutions, government and regulatory bodies.

4.2 Out of the above, has the Company identified the disadvantaged, vulnerable and marginalized stakeholders?

The Company continuously engages with farmers customers, consumers and identifies their needs and priorities so as to serve.

4.3 Are there any special initiatives taken by the company to engage with the disadvantaged, vulnerable and marginalized stakeholders. If so, provide details thereof, in about 50 words or so.

The Company has taken special initiatives through its trust for welfare of the farmers. The activities includes cattle insurance, insurance coverage for farmers, healthcare facilities for milch animals, cash reward for meritorious students and relief activities in case of any unforeseen calamities.

Principle 5: Businesses should respect and promote human rights

The Company respects and promotes human rights for all individuals. The Company’s commitment to human rights and fair treatment is set in its Policy on Human Rights.

5.1 Does the policy of the Company on human rights cover only the Company or extend to the Group/ Joint Ventures / Suppliers/ Contractors / NGOs / Others?

The Company follows its policy on Human Rights which are applicable to all employees in the Company. The

Company encourages its Business Partners to follow the policy. Company discourages dealing with any supplier/contractor if it is in violation of human rights and also prohibits the use of forced or child labour at all manufacturing units /with business associates.

5.2 How many stakeholder complaints have been received in the past financial year and what percent was satisfactorily resolved by the management?

The Company has not received any stakeholder complaint pertaining to human rights during the financial year 2019-20.

Principle 6: Business should respect, protect and make efforts to restore the environment

6.1 Does the policy related to Principle 6 cover only the company or extends to the Group /Joint Ventures / Suppliers / Contractors / NGOs /others.

The Company follows its policy on Environment Protection which is applicable to all its business places.

6.2 Does the company have strategies/ initiatives to address global environmental issues such as climate change, global warming, etc? If yes, please give hyperlink for web page etc.

Company is in constant lookout for opportunities for reducing its own operational environmental footprint. Use of renewable energy to the maximum extent & energy conservation efforts are in line with global initiatives such as climate change.

6.3 Does the company identify and assess potential environmental risks?

Yes, the Company has a mechanism to identify and assess potential environmental risks in its plants and projects. The Company is consistently putting efforts to improve the environment protection measures further.

6.4 Does the company have any project related to Clean Development Mechanism?

Currently no projects related to Clean Development Mechanism have been taken up by the Company. However we are in constant lookout for opportunities in this regard.

6.5 Has the Company undertaken any other initiatives on – clean technology, energy efficiency, renewable energy, etc. If yes, please give hyperlink for web page etc.

The Company has designed technologies to enable resource efficient, sustainable manufacturing processes and technologies required to manufacture its products. The efforts of the Company are aimed

to minimise energy consumption by adopting energy conservation measures.

6.6 Are the Emissions/Waste generated by the Company within the permissible limits given by Central Pollution Control Board (CPCB) / State Pollution Control Board (SPCB) for the financial year being reported?

Company's emissions/waste generated was always within the regulatory defined limits.

6.7 Number of show cause/ legal notices received from CPCB/SPCB which is pending (i.e. not resolved to satisfaction) as on end of Financial Year.

The Company has not received any show cause notice or legal notice from Central Pollution Control Board/ State Pollution Control Board during 2019-20.

Principle 7: Businesses, when engaged in influencing public and regulatory policy, should do so in a responsible manner

7.1 Is your company a member of any trade and chamber or association? If Yes, Name only those major ones that your business deals with:

The Company is a member of The Federation of Telangana and Andhra Pradesh Chambers of Commerce and Industry (FTAPCCI) and Confederation of Indian Industry (CII).

7.2 Have you advocated/lobbied through above associations for the advancement or improvement of public good? If yes specify the broad areas.

Company's Senior Management represents the Company in various industry forums. They understand their responsibility while representing the company in such associations, and while they engage in constructive dialogues and discussions in favour of public good.

Principle 8: Businesses should support inclusive growth and equitable development

8.1 Does the Company have specified programmes/ initiatives/projects in pursuit of the policy related to Principle 8?

The Company undertakes the initiatives through the CSR committee of the Board as per the CSR policy of the Company. A brief outline of the policy for undertaking the CSR activities of the Company includes the following:

- Promoting education
- Enhancing the vocational skills
- Supply of clean drinking water

- Promoting and preventive health care

Apart from the CSR activities under the Companies Act, 2013 the Company continues to voluntarily support the following social initiatives through Heritage Farmers Welfare Trust (HFWT) for enhancing the income of farmers.

- Veterinary care and cattle management practices through Heritage Mobile Veterinary Clinic, (equipped with necessary tools and trained human resources for providing door-step veterinary services to the Milch Animals and empowering cattle owners with advanced technology and knowledge on best cattle management and feeding practices. The Mobile veterinary vans reach needy places for educational video film in the evening and free health camp on the next day morning in villages.
- Extending Insurance coverage for accidental death of farmer members as a social security measure.

8.2 Are the programmes/projects undertaken through in-house team/own foundation / external NGO / government structures /any other organization?

The Company's Social Responsibility Projects have been carried out by the Company directly and/or through implementing agency (i.e. NTR Memorial Trust, Hyderabad).

8.3 Have you done any impact assessment of your initiative? (From CSR)

Yes, the CSR committee internally performs an impact assessment of its initiatives at the end of each year to understand the efficacy of the programme in terms of delivery of desired benefits to the community and to gain insights for improving the design and delivery of future initiatives.

8.4 What is your company's direct contribution to community development projects - Amount in INR and the details of the projects undertaken?

The Company spent an amount of ₹ 222.75 Lakhs on community development project viz., Promoting

education (building the hostels for pursuing their educations) and preventive health care.

8.5 Have you taken steps to ensure that this community development initiative is successfully adopted by the community?

Companies CSR initiatives are rolled out in partnership with Trust. This helps in increasing reach as well as ensuring the adoption of initiative by communities. CSR Committee of the Board track the reach and takes necessary steps to make it successful.

Principle 9: Businesses should engage with and provide value to their customers and consumers in a responsible manner

9.1 What percentages of customer complaints / consumer cases are pending as on the end of financial year?

There is no consumer complaints are pending as on the end of financial year.

9.2 Does the company display product information on the product label, over and above what is mandated as per local laws? Yes / No / N.A. / Remarks (additional information)

Yes, the Company adheres to all the applicable regulations regarding product labelling and displays relevant information on it.

9.3 Is there any case filed by any stakeholder against the Company regarding unfair trade practices, irresponsible advertising and/or anti-competitive behaviour during the last five years and pending as on end of financial year.

Neither any complaint was filed relating to above during the past five years nor is any complaint pending as at the end of financial year.

9.4 Did your Company carry out any consumer survey/ consumer satisfaction trends?

Yes, Consumer satisfaction is important for business. Company connects with consumer with multiple touch points. A survey is conducted with consumers to understand the product quality feedback

Annexure-7

**Particulars of Energy Conservation, Technology Absorption and Foreign Exchange Earnings and Outgo
required under the Companies (Accounts) Rules, 2014**

A. Conservation of Energy

Your Company is committed to looking for innovative ways to optimize the energy mix towards cleaner, more efficient forms of energy increasing share of renewable energy sources, while continuing to reduce consumption. Your Company continue to investigate the feasibility of technologies with the potential to reduce emissions and contribute to energy efficiency.

- I Energy conservation dictates how efficiently a company can conduct its operations. The Company has recognized the importance of energy conservation in decreasing the deleterious effects of global warming and climate change. The Company has undertaken various energy efficient practices that have reduced the carbon di-oxide (CO₂) emissions and strengthened the Company's commitment towards becoming an environment friendly organization. A dedicated 'Energy Conservation Cell' is focusing on energy management and closely monitor energy consumption pattern across all manufacturing sites. Periodic energy audits are conducted to improve energy performance.
- II During the under review the Company has invested in energy conservation equipment's.

B. Technology Absorption

- I The efforts made by the Company towards technology absorption during the year under review are:
 - Installation of Compact type skid mounted refrigeration system
 - Installation of energy efficient evaporative conditioner/compressor
 - installation of high energy efficient ammunition screw compressor system along with variable frequency drive (VFD)
 - Commissioned 2TPH Biomass Fuel Fired Boilers
 - Provided LED lighting system to all packing stations
 - Installed Automatic CIP system
 - Provide Crate conveyor system
 - Ucrete Flooring for better Hygiene
 - Implementation of Rapid Milk chilling to enhance quality of Milk
 - Implementation of Automatic milk analyzer for accurate quality/quantity management system
 - Installed automatic power measurements ABT method systems
 - Installed High efficiency Homogenisers.
- II The benefits derived like product Improvement, cost reduction, product development or import substitution: Energy saving & reduction of cost of products, improved product quality.
- III In case of imported technology (imported during the last three years reckoned from the beginning of the financial year) : Not Applicable
- IV The Expenditure incurred an Research and Development : NIL

C. Foreign Exchange Earnings and Outgo

During the year under review foreign exchange earnings were ₹ 1071 Lakhs (previous Year ₹ 4782.57 Lakhs) and foreign exchange outgo was ₹ 53 Lakhs (Previous year ₹ 303 Lakhs).

Management Discussion and Analysis

Corporate Overview

Heritage Foods Limited (the Company) has created a mark in Dairy Industry with deeper penetration by procuring raw milk and supplying processed milk and other value added products to consumers in the rural and urban areas. Your Company now has over 28 years of legacy in the Indian dairy space.

Your Company has adopted Indian Accounting Standard (Ind AS) notified under Companies (Indian Accounting Standard) Rules 2015 and accordingly the Standalone & Consolidated Financial Statements have been prepared in accordance with Ind AS prescribed under Section 133 of the Companies Act, 2013 read with the Rules made thereunder.

The Management accepts responsibility for the integrity and objectivity of the financial statements, as well as for the various estimates and judgments used therein. These estimates and judgments relating to financial statements are prudently made to reflect in a true and fair manner in line with the form and substance of transactions. This also enables in reasonably presenting the Company's state of affairs and statement of profit & loss and cash flows for the year ended March 31, 2020.

Global Economic Review

Global growth is projected to rise from an estimated 2.9 percent in 2019 to 3.3 percent in 2020 and 3.4 percent for 2021—a downward revision of 0.1 percentage point for 2019 and 2020 and 0.2 for 2021 due to the COVID-19 pandemic, which is inflicting high and rising human costs worldwide, and the necessary protection measures are in place for severely impacting economic activity. As a result of the pandemic, the global economy is projected to be affected sharply, much worse than during the 2008–09 financial crisis.

The global economy has suffered a significant slowdown amid prolonged trade disputes and wide-ranging policy uncertainties. The vulnerability of major economies has risen, stymieing growth and causing disruptions in supply chain worldwide. While a slight uptick in economic activity is forecast for 2020 as countries have stepped up fiscal efforts to prioritise containment and strengthen health systems. Major Banks across the world have eased monetary policy to combat the pandemic and limit economic damage.

The IMF expects the global economic growth at 3.33% in 2020 and 3.4% in 2021.

Global GDP Growth

(Source: IMF)

Indian Economic Review

India's economic growth is expected to "strongly rebound" to 6-6.5 per cent in 2020-21 from 5 per cent estimated in the current fiscal. The Economic Survey 2019-20 has proposed India can create well-paid four crore jobs by 2025 and eight crore by 2030 by integrating "assemble in India for the world" into government's Make in India initiative and exporting network products that can give substantial push to India's target of becoming a \$5 trillion economy. Although the rapid spread of Covid-19 has posed new challenges for the economy and financial system, hitting multiple industries as well as jeopardising the well-being of citizens and institutions. Also, weak rural incomes, subdued consumption and private investment, liquidity concerns and a drop in exports due to global trade slowdown are the major factors responsible for the deceleration in growth. Considering the urgent priority of the government to revive growth in the economy, the fiscal deficit target may have to be relaxed for the current year.

Despite the headwinds, India climbed 14 notches to assume the 63rd position among 190 nations in the World Bank's ease of doing business rankings 2020. This impressive jump could be attributed to the path-breaking reforms enforced by the government over the past several years. Transformational reforms such as Goods and Services Tax (GST) and Insolvency and Bankruptcy Code (IBC) would go a long way in changing the economic landscape of the country.

As India sets its eyes on becoming a USD 5 trillion economy by 2024, the government is expeditiously implementing bold

policy initiatives to catapult the economy into a high-growth orbit. Recent measures such as corporate tax rate cuts, front-loaded infrastructure investment programmes, bank recapitalization and easing credit constraints will undoubtedly spur business sentiment and investment. Foreign Direct Investment (FDI) inflows in India stood at a whopping USD 49 billion in 2019, reflecting the economy's attractiveness as an investment destination. Much interestingly, India's manufacturing Purchasing Managers' Index (PMI) stood at 55.3 in January vis-à-vis 52.7 in December, its highest level in eight years, signalling an upturn in demand conditions that led to a rise in business activity. Further, the Union Budget 2020-21 specially emphasised on strengthening the country's infrastructure and manufacturing, boosting the rural economy and stimulating consumption and job creation. Reduced tax rates for individuals will put more disposable money in the hands of taxpayers and propel spending and consumption.

The Indian consumer is becoming increasingly brand conscious and is willing to spend more on hygiene, quality and value in terms of brand promise. Data-driven analytics and social media penetration have put brands in close connect with consumers. Going forward, favourable demographics, greater awareness and changing lifestyles will drive strong consumption growth while a stable and reform-focussed policy framework will support an environment conducive to business and investment.

Dairy Industry Review

Global Dairy Industry:

Looking ahead to the financial year 2020-21, milk production is expected to drop as a result of a smaller milking herd and lower growth in yields than seen in 2019-20. Despite some firmness in pricing, production growth is likely to remain subdued as farmers look to recover margins lost to higher feed costs in 2018/19. There has been some recovery in milk production in Australia and Argentina, although growth in global milk supplies is forecast to remain around 1% in 2020. Supply growth is below the expected growth in global demand, maintaining support for global dairy product prices, at least in the first quarter of 2020. The exception may be with whey prices as demand for animal feeds from China is likely to remain lower.

Global milk production continues to rise, with the latest forecasts suggesting a 1% increase in 2020. This would bring worldwide milk production to 292.5 bn litres – 2.9 bn litres, which is higher than the figure estimated for 2019 production. Despite the overall increase in production, it is expected that rising demand for dairy products will eclipse the extra output. Food and Agriculture Organization (FAO) predictions suggest a 2.1% increase in demand for fresh products and 1.5% increase for processed dairy products worldwide each year.

Indian Dairy Industry

Dairy farming forms an intrinsic part of the rural economy, serving as an important source of income and employment for farmers. India is the world's largest milk producer, accounting for 21% of the global milk production. It is also the leading producer and consumer of dairy products worldwide. Total milk production in the country stood at 159.2 million tonnes in the year 2019 and is expected to reach 187.2 million tonnes by 2025. Consumption of dairy products has been growing exponentially on account of their rich nutritional qualities, with majority of the dairy produce in India consumed domestically.

According to the 'Dairy Industry in India 2020 Edition' by IMARC Group, the dairy market in India stood at ₹ 10,527 billion in 2019. Liquid milk is the most widely consumed dairy product in India and is considered a vital source of essential nutrients. Market for liquid milk is expected to grow at a Compound Annual Growth Rate (CAGR) of 16% over 2020-25. Moreover, the industry is witnessing significant traction towards value-added dairy products such as curd, paneer, cheese, buttermilk, flavoured milk and frozen yoghurts in line with emerging dietary preferences of the new-age consumers. Going forward, the dairy market is expected to reach a value of ₹ 25,491 billion by 2025, exhibiting a CAGR of 16% over 2020-25.

Though predominantly unorganised, the sector has seen a marked shift in recent years with the entry of dairy co-operatives, private and international brands. Buoyed by its size and potential, both national and international players have been foraying into the Indian dairy industry. Organised sector represents milk that is processed using modern infrastructure and marketed through organised channels under own brands. Increase in incomes and spending power, rising standards of living and growing health and safety concerns have fuelled the penetration and consumption of branded products. The market share of organised segment is estimated to rise to 35% by 2024 from 29% in 2019.

Government Initiatives

Recognising the tremendous potential of the dairy sector, the government of India has been undertaking numerous initiatives aimed at its overall development. The Department of Animal Husbandry, Dairy and Fisheries has formulated a comprehensive plan named 'National Action Plan for Dairy Development: Vision 2022', which envisages building additional milk processing infrastructure to meet the rapidly growing demand for milk and value-added products. Dairy development projects such as National Dairy Plan Phase-I (NDP I), Dairy Entrepreneurship Development Scheme (DEDS) and National Programme for Dairy Development (NPDD) are all enforced to strengthen milk procurement and production, improve cattle productivity and provide greater market linkages to dairy farmers.

Market Drivers and Opportunities

Investment Opportunities

The Indian dairy industry offers significant opportunities for both domestic and foreign conglomerates and investors for entry and expansion. Foreign companies have set foot in the Indian dairy sector.

Urbanization and Population Growth

India is the second most populous nation, with nearly 1.35 billion people. Urban population in the country is rising at a steady pace and is expected to cross the 500 million mark by 2030. Factors such as rapid increase in population, urbanization and favourable demographics will drive strong consumption and favourable demographics will drive strong consumption growth, enhancing demand for milk and other value added products.

Rising Income Levels

Increasing disposable incomes and expansion of middle-income and high-income households have resulted in a greater spending propensity. According to the World Economic Forum, consumer expenditure in India is likely to grow from USD 1.5 trillion in 2019 to USD 6 trillion by 2030. Rising affordability has created a class of aspirational and quality-sensitive consumers, which will boost demand for innovative, value-added dairy products segment.

Healthy Living

Consumers are becoming more health-conscious, proactively focusing on nutritious food and active lifestyles. Concerns about lifestyle-related diseases and digestive problems are growing rapidly. Young consumers are increasingly seeking products that offer greater health and nutritional benefits. Demand for milk-based products are likely to augment, especially among vegetarians, as they are considered an important source of protein and other essential nutrients.

Preference for Premiumization

Worldwide, there is a perceptible shift in consumer preferences towards branded and niche products. Higher spending capacity and awareness, increasing internet penetration and social media engagement have been driving the market shift. Today, premium and value-added dairy products such as cheese, yoghurt, buttermilk, flavoured milk, are gaining wider acceptance. Majority of the organised players are expanding portfolios in this segment as it offers higher margins and profitability.

Sustainability

With mounting concerns about climate change and environmental degradation, consumers have become more mindful of their purchasing decisions. Sustainability considerations shape their choice, as they want foods that are fresh, hygienic, safe and responsibly produced. Organised

players are increasingly adopting sustainable practices and sophisticated technologies to provide quality products and enhance customer loyalty.

Challenges

- Poor conditions of dairy farms remain a major challenge for procurement of milk
- Extreme weather conditions and lower milk yield may lead to high production costs
- Lack of awareness among some farmers on good dairy practices and quality parameters
- High cost of transportation due to lack of efficient supply chain and logistics
- Rising entry of private dairies and international players
- Extensive crossbreeding for raising milk productivity may lead to disappearance of indigenous breeds
- Focus on buffalo milk based speciality: Dairy industry in India is also unique with regard to availability of large proportion of buffalo milk. Thus, India can focus on buffalo milk based speciality products, like Mozzarella cheese, tailored to meet the needs of the target consumers.

The major challenges faced by the dairy industry during the year include:

- The industry witnessed significant milk price inflation across the country. While Maharashtra, Rajasthan, Punjab, Haryana and Uttar Pradesh saw a higher increase in prices because of local weather conditions and competition scenario, inflation was low in Karnataka and Tamil Nadu. This created a differential price scenario across different geographies in India.
- Erratic weather conditions was a major challenge this year. Prolonged and high heat summer resulted in production challenges in certain parts of the country. On the other hand, extended rainfall impacted the availability and led to lower consumption of curds, ice-creams, buttermilk, flavoured milk, among others.

Company Overview

Heritage Foods Limited (HFL) is one of the leading dairy and dairy products companies in India. The Company has two business verticals- Dairy and Renewable Energy. Today, it manufactures and markets a wide array of products including fresh milk, ghee, buttermilk, curd, UHT milk, lassi, flavoured milk, ice-cream/frozen dessert and other dairy-based products. The Company provides innovative, fresh and high-quality products to over 15 lakh consumers through its well-entrenched distribution network. The milk processing capacity of the Company stands at 23.70 lakh liters per day.

As a nationally recognised brand, the Company's operations are spread across 12 states in India. Besides, it has a market presence in Gulf and Asia, where it exports ghee, milk powder and butter. In a span of over two and half decades, the Company has grown multifold to garner a significant share in the Indian dairy industry, backed by its sustained focus on supplying innovative and finest quality products that meet the varied needs of customers.

The Company has a robust manufacturing infrastructure in place to cater to the ever-growing demands of consumers. It has 18 processing plants, 188 bulk coolers and chilling centres to ensure availability of fresh and high-quality products.

Company's Strengths & Opportunities:

- Strong brand equity with distribution network in key markets
- Modern production facilities and emphasis on quality
- Differentiated product portfolio
- Numerous quality certifications for products and production facilities.
- Skilled and experienced management team
- Focus on research and development distinguishes products from key competitors.

Product Categories

Milk

• Liquid Milk

Liquid milk is the largest category in the Indian dairy industry. However, a majority (72%) of the milk sold in India is still unorganised and in the form of loose milk sold by milkmen. The organised sector, too, is highly fragmented with several regional players and co-operatives. The organized fresh milk market is growing faster than the unorganised market and is estimated to account for 30% of the total liquid milk market by 2020.

• Milk Powder

Milk powder manufacturing is a simple process now carried out in large scale. It involves the gentle removal of water at the lowest possible cost under stringent hygiene conditions while retaining all the desirable natural properties of the milk- color, flavor, solubility, nutritional value.

• UHT Milk

Currently, one of the major factors driving the market is the ease of storage of UHT milk at ambient temperature which facilitates its transportation to milk scarce regions. Some of the other growth inducing factors include ease of use, hectic lifestyles, long-shelf life, changing dietary habits, etc. According to the report, the market is further expected to reach a value of ₹ 193 Billion by 2024.

Value-added Products

• Paneer

Paneer is to India what cheese is to the western world and is an integral part of many Indian recipes. It is the third largest segment in the milk-based products category. Current paneer market is 1.5 million MTs, which is expected to reach 1.8 million MTs by 2020, representing a market size of ₹ 36,550 crores. However, only ~3% of the total market is organized due to the fact that paneer is consumed like vegetables in Indian households and therefore purchased on a daily basis. Given that consumers now prefer paneer which is hygienic and consistent in taste, the trend towards branded packaged paneer is gaining momentum.

• Curd

The Indian market is expected to reach a value of nearly ₹ 807 Billion by 2021. The curd market in India is currently being driven by the increasing demand from urban regions. The convergence of hectic lifestyles and rising health consciousness among consumers has spurred the demand for packed curd in the country. In addition, the introduction of newer and healthier varieties such as low-fat curd has also attracted a large consumer base.

• Cheese

India's cheese market is one of the fastest growing segments among dairy products. Current cheese volumes are around 65,000 MTs and are expected to reach 91,700 MTs by 2020. The spurt will be led by strong growth in India's fast food market driven by pizzas, burgers, sandwiches, etc.

• Buttermilk

As buttermilk offers relief from the scorching heat of the sun, it has gained immense popularity in India as a result of the country's extremely hot summers. The demand for buttermilk is also increasing as it is good for digestion and boosts immunity. According to the report, the market is further expected to reach a value of ₹ 237.5 Billion by 2024, exhibiting a strong growth during the forecast period (2019-2024).

• Flavoured Milk

The flavoured milk market is anticipated to grow at a CAGR of around 20% during 2015-2020.

• Flavoured and frozen yoghurt

Flavoured and frozen yoghurt market in India saw 36% CAGR during 2011-2014 to touch ₹ 2.3 bn in 2014; it is expected to grow to ₹ 12.1 bn in 2020 (32% CAGR). Growth in the category has been driven primarily by increased health consciousness among the urban middle class.

• Ice creams/Frozen Dessert

The Indian ice cream industry is one of the fastest growing

segments of the dairy or food processing industry. The frozen dessert market is projected to grow at a CAGR of over 19% by 2023, on the back of rising GDP per capita and growing demand from expanding middle class population.

Distribution

The Company has a well-spread distribution network ensuring availability of its products across the country. Heritage Parlours and Heritage Distribution Centres are franchise operated outlets and distribution wings selling the entire range of the Company's products. The Company considers every distribution outlet as an ambassador of Heritage brand. It ensures delivery of quality products and services to consumers through these distribution arms. As on March 31, 2020, the Company has 5641 agents/distributors, 942 Heritage parlours and 46 Heritage distribution centres in 11 states across India.

Empowering Farmer Community

The growth and welfare of farmer community lies at the heart of the Company. The Company strives to empower them by procuring milk at mutually beneficial costs, promoting best practices around the quality and quantity of milk and providing support services to help them improve their milk yields by organising free veterinary check-ups and vaccination drives for the cattle. In addition, it supports them by extending farm loans and cattle insurance as well as providing nutritional livestock feed at subsidised rates. All these interventions have enabled the Company to maintain strong relationships with farmers which continue to deepen.

Review of Operations

The Company has set an aspiration to emerge as a ₹ 6000 Cr company by 2024. At the moment, all efforts are being made in that direction. Besides pursuing organic growth both in the liquid milk and value-added products space, your Company is also looking for inorganic route also.

The Company has handled the business very effectively during the period of COVID-19 outbreak. During the initial period of the outbreak i.e. second half of March, 2020, the sales of the Company dropped. However, other value added product sales reduced marginally, which went up subsequently. During the period of COVID-19 outbreak, the procurement prices of milk came down.

The Company reviewed the value of investment in equity shares of Future Retail Limited (FRL) which was acquired by the Company in lieu of demerging its retail undertaking during the financial year 2016-17. The total number of shares issued by Future Retail Limited during FY 2017-18 was 1,78,47,420 at a price of ₹ 165.29/- per share totaling ₹ 295 crore with a condition of upside sharing to FRL if the total value of investment crosses ₹ 400 crore etc. During the period, the highest unrealized value of investment had gone up to ₹ 1100 crores and the unrealized

value of investment as on March 31, 2020 was ₹ 143.85 crores. As the Company adopted the Ind AS accounting principles, the value of unrealized/notional loss forms part of its books of accounts, as a result of which the net loss has gone up to ₹ 16,000.44/- Lakhs. However, the Board noted that the profit from operations of the Company stood at ₹ 5,711.25/- Lakhs.

Tangible Results:

	Total Revenue (₹ in crore)	EBIDTA (₹ in crore)	PAT (₹ in crore)
FY20*	2,681.11	(75.83)#	(160.00)#
FY19*	2,482.35	192.43	83.44
FY18*	2,344.01	133.32	60.38
FY17*	1,871.44	149.23	292.60
FY16	2,380.58	136.50	55.43

* Figures are from continuing operations

#EBITDA and Profit after Tax is after considering the Fair value gain on FVTPL equity shares and loss due to changes in derivative liabilities of Investments in FRL.

Revenue (₹ in Lakhs)

* Figures are from continuing operations

The Company is gradually targeting to grow contribution of value added products to consolidate top line. Curd will continue to remain the largest component of value added product segment, contributing to over 70% share to the value-added segment. Other products constitute buttermilk, flavored milk, lassi, paneer and ice creams/frozen dessert. The yogurt plant, in collaboration with French company Novandie, is coming up near Mumbai and civil works have already commenced.

Dairy Vertical:

The Dairy division accounting for 99.65% of revenue is the flagship business vertical of the Company. The 4-year revenue of the dairy vertical is given below:

Dairy Turnover (₹ in Lakhs)

FY 20		267944
FY 19		247918
FY 18		234368
FY 17		187072

Value added Products Turnover (₹ in Lakhs)

FY 20		72221
FY 19		61905
FY 18		52576
FY 17		42491

With a surge in revenue of the value-added products, from ₹ 42,491 lakhs in FY 17 to ₹ 72,221 lakhs in the current fiscal year, the percentage of contribution of value-added products to the dairy revenue has improved from a mere 17% to nearly 27% in the current year. The value-added products have been growing at a CAGR of 19.34% over the last 4 years.

Renewable Energy Vertical:

The Renewable Energy Division strongly recognizes the responsibility towards protecting the environment. As a forward-looking enterprise, it is strongly committed to extending the Company's 'Green' footprint. In line with this thinking, the division has increased its Renewable Energy Capacity to 4.09MW Solar Power and 6.30MW Wind Power in the states of Andhra Pradesh, Telangana, Maharashtra, Tamil Nadu and Karnataka for the captive consumption:

Wholly – Owned Subsidiary:

To enhance presence in the Indian market, the Company has one wholly owned subsidiary namely Heritage Nutrivet Limited located in Hyderabad, which deals in Animal Nutrition, and is one of the leading Live Stock Feed & Feed Supplements players in Southern India. It covers over 3 lakh farmers spread across five states viz., Andhra Pradesh, Telangana, Tamil Nadu, Karnataka and Maharastra. During FY 2019-20, the Company achieved sales turnover of ₹ 10,385/- lakhs.

Discussion on Financial and Operational Performances

The Company has created significant wealth for its shareholders as it continues to maintain its growth momentum to become a nationally recognized brand for healthy and fresh products. Given below is the Company's performance for the last five years in various parameters.

Net Worth Trend:

The net worth has shown a steady and constant ascent from ₹ 24,754 lakhs to ₹ 46,233 lakhs in the last five years.

Net Worth (₹ in Lakhs)

FY 20		46233
FY 19		80496
FY 18		77801
FY 17		59322
FY 16		24754

Revenue Trend

The focused approach helped the Company to deliver an industry leading performance with a revenue growth of 8.40% in FY20.

Revenue (₹ in Lakhs)

FY 20*		268111
FY 19*		248235
FY 18*		234401
FY 17*		187144
FY 16		238058

* Figures are from continuing operations

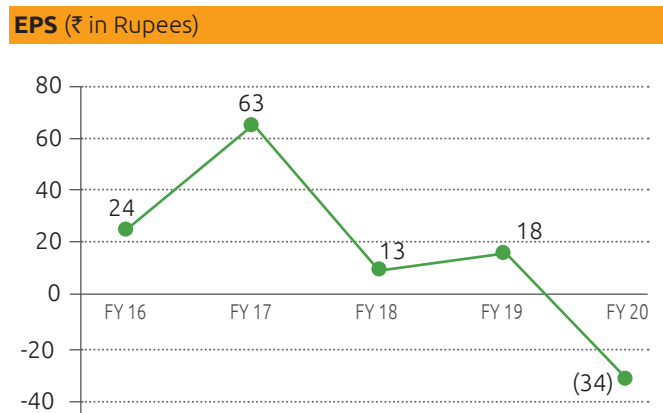

Dividend Payment History

The Dividend and the payout ratio computed on consolidated profits have remained high. The dividend payout ratio in last five years is shown below:

Growth Strategy & Outlook

Expand Value-Added Products Portfolio

Higher disposable incomes, rising awareness and preference for healthier and nutritious alternatives have led to an increased demand for value-added dairy products. The Company continues to expand its portfolio of value-added products such as curd, buttermilk, flavoured milk and paneer etc. to cater to evolving consumer aspirations. This, in turn, will offer the Company high growth potential and improved margins.

Increase Milk Procurement

The milk procurement system of the Company comprises more than 3 lakh farmers from 8 states across the country. Milk procurement at remunerative prices, timely payments and support programmes aimed at improving milk production have enabled the Company to forge strong relationships with the farmer community. Further, judicious investments in village-level milk collection infrastructure, bulk coolers and chilling centres and processing capacity will enable the Company to scale its milk procurement levels.

Strengthen Product Reach

The Company's strong distribution network is fundamental to supplying its products and delighting millions of consumers each day. It is penetrating newer geographies and expanding presence in existing ones to increase distribution footprint and product outreach. In addition, the Company is undertaking strategic marketing and promotional activities to drive consumer awareness of its products and propel brand recall.

Enhance Operational Efficiency

Another important strategy of the Company is to optimise management of its supply chain by developing customised processes and systems. Integrating modern technology across all the verticals helps the Company augment its procurement and distribution capabilities and better manage the inventory, while use of data analytics generates better understanding on consumer behaviour. The aim is to minimise costs and achieve greater operational efficiency.

Outlook

The dairy industry provides a plethora of opportunities, driven by growing population and urbanization, changing dietary patterns and increasing demand for value-added milk products. The Company is poised to capitalise on these rising opportunities and create innovative products that meet diverse consumer requirements. It is looking at augmenting its presence in high milk producing and consuming states, extending the distribution network and enhancing production of value-added products. Further, the increased outlay towards marketing and advertising will deepen its brand engagement. Automated operations will be fundamental to strengthen its supply chain and improve processes, while ensuring minimal wastage and supreme quality. This well-defined strategy will enable the Company to achieve its goal of ₹ 6,000 crore revenue by 2024.

Risks & Concerns

Type of Risk	Description	Mitigation Strategy
Competition Risk	Increasing competition from dairy co-operatives, larger private and international brands may affect the market share of the Company.	The Company's strategy to stay ahead of the competition includes: <ul style="list-style-type: none"> • Know the competition • Winning and retaining the customers • Differentiate • Step up the sustainable competitive advantage • Update its brand image • Look after the existing customers • Target new markets • Offer online deliveries
Climate Risk	The Company is sensitive to unfavourable weather conditions, including extreme drought, incessant rainfall and natural disasters. These factors affect the average milk yield and lead to price fluctuations, which could impact the profitability of the Company.	Measures to address the impact that dairy production has on climate, such as new types of fertiliser, better animal genetics and more effective circulation of new technologies so that they are adopted by a greater share of farmers is adopted by the Company.
Operational Risk	Failure of systems/equipment, occurrence of cyber-attacks can disrupt the business operations, resulting in loss of revenues and reputation of the Company.	<ul style="list-style-type: none"> • Identification of risks and risk areas • Analysis, compilation and assessment of risk levels • Decisions and introduction of risk management model, tools and governance • Right people for the right job • Monitoring and evaluations at regular intervals • Periodic risk assessment
Quality Risk	The products manufactured by the Company are subject to inherent quality/safety issues such as contamination, adulteration or tampering which may result in product recalls and financial losses.	<ul style="list-style-type: none"> • Robust Standard Operating Procedures • Good Manufacturing Practices • Statistical Process Control • Advanced Product Quality Planning • Failure Modes and Effect Analysis • Supplier Quality Management • Non-Conformances / Corrective and Preventive Actions
Regulatory Risk	Non-compliance with the applicable laws and regulations may lead to stringent penalties, claims and reputational damage.	<ul style="list-style-type: none"> • Sound corporate governance structure and practices in place aligned with the industry • Greater clarity and confidence around the regulatory risk framework • Understanding of both regulator expectations and business processes and challenges
Raw material Risk	Continued volatility in the price and availability of raw materials on account of economic conditions, market demand, production levels could affect the revenues and margins of the Company.	<ul style="list-style-type: none"> • Sourcing of the Highest Grade Materials • Incoming Raw Material Testing and Inspection • Animal Component-Free Raw Material • Dual Sourcing of Raw Material • Customer-Specific Raw Material Requirements

Human Resources

People are the biggest strength of the Company. The Company provides an open, inclusive and collaborative work environment where employees can grow both professionally and personally. The HR policies of the Company are aimed at attracting, nurturing and retaining talented employees in a constantly evolving business environment. The Application Tracking System (ATS) is a robust digital platform deployed by the Company for talent acquisition.

The Company believes that talent development is fundamental to boost employee motivation and performance. In pursuit of this, it conducts various learning and development sessions periodically to enhance the skills and capabilities of employees. The Company has a structured induction process at all locations and management development programmes to upgrade the skills of managers.

Further, employee recognition programme is a vital part of the Company. Towards this, regular communication is done with the top management for identifying and rewarding the best performers across different divisions. In addition, objective appraisal systems based on Key Result Areas are in place to reward senior level employees. As on March 31, 2020, the employee strength of the Company stood at 3,130.

Internal Control Systems and their Adequacy

The Company has a well-defined internal control system commensurate with the size and nature of its business. These internal controls ensure safeguarding of assets from unauthorised use or disposition, proper recording and reporting of all transactions and compliance with applicable laws and regulations. The internal control systems are reviewed and modified continually to keep up with the changes in business environment and statutory requirements.

The framework is monitored by the internal audit team of the Company. The Audit Committee of the Board is periodically apprised of the internal audit findings. The Audit Committee reviews the adequacy and effectiveness of the internal control system, takes corrective actions and suggests measures for strengthening it. The Company has a robust Management Information System in place which forms an integral part of the control mechanism.

Quality and Safety

Quality and Food Safety are highest priority for your Company. The health of consumers is of paramount importance. To ensure this, your Company has systems and processes in place that ensures all products undergo stringent quality checks. All the offices and factories of your Company are certified under Safety and Health Management System that complies with ISO 45001:2018 & Environment Management System that complies with ISO 14001:2015

Environment

The aim of your Company is to develop business while improving its environmental performance in order to create a more sustainable future. In order to achieve this, your Company continues to focus on measures for the conservation and optimal utilization of energy in all the areas of its operations. Factories are encouraged to consistently improve operational efficiencies, minimize consumption of natural resources and reduce water usage, energy usage and carbon emissions while maximizing production volumes.

Packaging and Plastic waste management:

Plastics play a key role in preventing food wastage and ensuring the quality and safety of food products. However, the leakage of plastic waste into the environment has become a significant environment challenge. Your Company is strongly committed to minimizing the impact that plastic has on the environment and ensuring right disposal or reuse of packaging.

Supply Chain

With increasing internet penetration and tech-savvy consumer, embedding technology in the organizational processes is important. With sales automation and specialised digital acceleration, your Company has taken significant steps to provide solutions for its diverse consumer base.

By embracing digital transformation in operations, your Company has adopted various forms of digital tools to drive engagement with partners leading to speed of response to customers and transparency of information in the value chain processes and making product delivery simpler and faster. During the period under review, your company has launched consumer App, such as "Heritage Touch" which is a web based mobile App that monitors and provides real time data on product availability and freshness from retail outlets that are geo-mapped to the network.

Cautionary Statement

Statements in this report describing the Company's objectives, projections, estimates and expectations may constitute "forward looking statements" within the meaning of applicable laws and regulations that involve risks and uncertainties. Such statements represent the intention of the Management and the efforts being put into place by them to achieve certain goals. Actual results might differ materially from those either expressed or implied in the statement depending on the circumstances. Therefore, the investors are requested to make their own independent assessments and judgments by considering all relevant factors before making any investment decision.

Report On Corporate Governance

The Directors of Heritage Foods Limited (“the Company”) have pleasure in presenting the Company’s Report on Corporate Governance for the Financial Year 2019-20 in pursuant to Regulation 34(3) read with Schedule V and other applicable provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“SEBI Listing Regulation”).

1. COMPANY’S PHILOSOPHY ON CODE OF CORPORATE GOVERNANCE

Corporate Governance is based on preserving core beliefs and ethical business conduct while maintaining a strong commitment to maximise long-term stakeholder value. Your Company is focused towards bringing transparency in all its dealings, adhering to well-defined corporate values and leveraging the corporate resources for long-term value creation.

Your Company is committed to moulding Corporate Governance practices in line with its core values, beliefs and ethics. Your Company believes in attainment of highest levels of transparency in all facets of its operations and maintains an unwavering focus on good Corporate Governance practices.

Your Company continues to strengthen its governance principles to generate long-term value for its various stakeholders on a sustainable basis thus ensuring ethical and responsible leadership both at the Board and at the Management levels.

Your Company’s Corporate Governance Framework ensures that making timely disclosures and share accurate information regarding the financial and performance, as well as the leadership and governance of the Company.

Your Company’s Corporate Governance Philosophy is based on the following principles:

- Corporate Governance Standards should satisfy both the spirit of the law and the letter of the law
- Ensure transparency and maintain a high level of disclosure
- Clearly distinguish between personal conveniences and corporate resources
- Communicate externally and truthfully, about how the Company is run internally as permitted by the statute.
- Have a simple and transparent corporate structure driven solely by business needs
- The Management is the trustee of the shareholders’ capital and not the owner.

Transparency and accountability are the two basic requirements of Corporate Governance. Responsible Corporate conduct is integral to the way the Company do the business. The actions are governed by the values and principles which are reinforced at all levels in your Company. The code of business is reflected in the continued commitments to ethical business practices across the dealings.

Your Company firmly believes that Board independence is essential to bring objectivity and transparency in the management and in the dealings of your Company. As on March 31, 2020, the Board consists of seven members out of which two (2) are Executive/ Whole-time Women Directors, three (3) are Non-Executive Independent Directors, one (1) is Non-Executive Independent Woman Director and one (1) is Non-Executive Director.

Ethics/Governance Policies:

Your Company strives to conduct the business and strengthen the relationship in a manner that is dignified, distinctive and responsible. Your Company adhere to ethical standards to ensure integrity, transparency, independence and accountability in dealing with stakeholders. Therefore, your Company have adopted various codes and policies to carry out business in an ethical manner. Some of these codes and policies are:

- Code of Conduct & Ethics for Board & Senior Management
- Code of Conduct for Fair Disclosure of Unpublished Price Sensitive Information
- Code of Conduct to Regulate, Monitor & Report Trading by Insiders
- Whistle Blower Policy
- Policy on Materiality of Related Party Transactions
- Corporate Social Responsibility Policy
- Board Diversity and Nomination & Remuneration Policy

- Board Evaluation Framework
- Policy for Determining Material Subsidiaries
- Risk Management Policy
- Familiarisation Programme for Independent Directors
- Policy on Preservation of Documents
- Archival Policy
- Policy on Determination of Materiality of Events
- Business Responsibility Policy
- Dividend Distribution Policy

Appropriate Governance Structure with defined roles and responsibilities:

Your Company has put in place an internal management structure with defined roles and responsibilities of every constituent of the system. The Company's shareholders appoint the Board of Directors, which in turn governs the Company. The Board has constituted six Committees to discharge its responsibilities in an effective manner. The Company Secretary acts as the Secretary to all the Committees of the Board constituted under the Companies Act, 2013 and SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 as amended from time to time. The Chairperson and the Vice Chairperson & Managing Director (VC&MD) provide overall direction and guidance to the business. In the operations and functioning of the Company, the VC&MD is assisted by Executive Director and a core group of senior level executives.

Board Leadership:

Your Company believes that an enlightened Board consciously creates a culture of leadership to provide a long-term vision and policy approach to improve the quality of governance. The Board's actions and decisions are aligned with the Company's best interests. It is committed to the goal of sustainably elevating the Company's value creation. Your Company has defined guidelines and an established framework for the meetings of the Board and its Committees. These guidelines seek to systematise the decision making process at the meeting of the Board and its Committees in an informed and efficient manner.

The Board critically evaluates your Company's strategic direction, management policies and their effectiveness. The agenda for the Board reviews include strategic review from each of the Board committees, a detailed analysis and review of annual strategic and operating plans and capital allocation and budgets. Additionally, the Board reviews related party transactions if any, possible risks

and risk mitigation measures, financial reports from the Chief Financial Officer (CFO) and business reports from the division heads. Frequent and detailed interaction sets the agenda and provides the strategic roadmap for the Company's future growth.

2. BOARD OF DIRECTORS

(a) Composition and category of Directors

The Board policy is to have an appropriate mix of executive, non-executive, independent and women directors to maintain the independence of the Board and separate its functions of governance and management, which is in conformity with the requirement of Section 149(4) of the Companies Act, 2013 ("the Act") and Regulation 17 of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 as amended from time to time. As on March 31, 2020, the Board consists of Seven (7) members, out of (2) are Executive/Whole-time Women Directors, three (3) are Non-Executive Independent Directors, one (1) is Non-Executive Independent Woman Director and one (1) is Non-Executive Director. The Board periodically evaluates the need for change in its composition and size.

None of the Independent Directors on the Board serve as an independent director in more than seven listed entities and none of the Directors on the Board is a member of more than 10 Committees excluding private limited companies, foreign companies and companies under Section 8 of the Companies Act, 2013 ("the Act") and Chairman of more than 5 Committees as specified in Regulation 26 of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015, across all the Companies in which he/she is a Director. The Directors have made the necessary disclosures regarding Committee positions during the period under review. For the purpose of determination of limit of the Board Committees, chairpersonship and membership of the Audit Committee and Stakeholders' Relationship Committee has been considered as per Regulation 26(1)(b) of SEBI Listing Regulations.

Roles, Responsibilities and Duties of the Board

The duties of Board of Directors have been enumerated in Listing Regulations, Section 166 of the Companies Act, 2013 read with the rules and Schedule IV of the said Act. The Board has complete access to all the information within the Company. As a part of its function, the Board periodically reviews all the relevant information, which is required to be placed before it, pursuant to the SEBI Listing Regulations, and, in particular, reviews and approves financial statements, business plans, projects, strategies, annual budgets, projects and capital expenditure. The Board discharges all its responsibilities, functions, duties and obligations in timely and effective

manner in accordance with applicable laws, keeping close watch on the business operations of the Company. The day-to-day affairs of the Company are managed by the Vice Chairperson & Managing Director assisted by the Executive Director and Senior Management team of the Company under the overall supervision of the Board.

Availability of information to Board Members

The Board has unrestricted access to all Company related information including that of your employees. Regular updates provided to the Board include:

- Annual operating plans and budgets, capital budgets and any updates thereon
- Quarterly results of the operating divisions or business segments
- Quarterly/Annually report on Management Information System division wise
- Monthly summary report of Internal Audit observations division wise
- The Board minutes of the Subsidiaries/Associate Companies/Joint Venture Company
- The Board Minutes of Heritage Farmer Welfare Trust
- General notices of interest received from Directors, if any
- Dividend data
- Minutes of meetings of previous Board & Committee Meetings and abstracts of Circular Resolutions passed, (if any) etc.
- Information on recruitment and remuneration of senior officers just below the Board level, including appointment or removal of the Chief Financial Officer and Company Secretary, if any.
- Materially important Show cause, demand, penalty/prosecution notices, which are materially important.
- Fatal or serious accidents, dangerous occurrences, any material significant effluent or pollution problems.
- Any materially relevant defaults in financial obligations to and by us or substantial non-payment for goods sold by the Company.
- Any issue that involves possible public or product liability claims of a substantial nature
- Details of joint ventures or collaboration agreements, if any.
- Transactions that involve substantial payments

toward goodwill, brand equity or Intellectual Property.

- Significant labour problems and their proposed solutions. Any significant development in Human Resources/ Industrial Relations front like signing of wage agreement, implementation of Voluntary Retirement Scheme etc.
- Sale of investments, subsidiaries, assets which are material in nature and not in normal course of business.
- Details of foreign exchange exposures and the steps taken by management to limit the risks of adverse exchange rate movement.
- Non-compliance with any regulatory, statutory or listing requirements, as well as shareholder services, such as non-payment of dividend and delays in share transfer etc.

Post Board Meeting Mechanism

All the decisions taken by the Board and its Committees are promptly communicated to the concerned departments or divisions. Action taken/status reports on decisions of the previous meeting(s) are followed-up and placed at the next meeting for information and further recommended actions, if any.

Selection of Independent Directors

Considering the requirement of skill sets on the Board, eminent people having an independent standing in their respective field/profession and who can effectively contribute to the Company's business and policy decisions are considered by the Nomination and Remuneration Committee for appointment as Independent Director on the Board. The Committee, inter alia, considers qualification positive attributes, area of expertise and number of Directorships and Memberships held in various committees of other Companies by such persons in accordance with the Company's Policy for Selection of Directors and determining Directors' independence. The Board considers the Committee's recommendation, and takes appropriate decision.

Meetings of Independent Directors

Pursuant to Schedule IV of the Companies Act, 2013 & Rules made there under and SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 as amended from time to time, the independent directors of the Company shall hold at least one meeting in a year, without the attendance of non-independent directors and members of the Management. The meeting shall review the performance of non-independent directors

and the Board as a whole; review the performance of the Chairperson of the Board, taking into account the views of the executive directors and non-executive directors; assess the quality, quantity and timeliness of flow of information between the Management and the board that is necessary for it to effectively and reasonably perform its duties.

One meeting of Independent Directors was held during the year i.e. on May 22, 2019.

Succession planning

The Nomination and Remuneration Committee works with the Board on the leadership succession plan, and also prepares contingency plans for succession in case of any exigencies.

Re-Appointment of Mrs. N. Bhuvaneshwari (DIN:00003741) as Whole-time Director designated as Vice-Chair person and Managing Director (VC&MD) of the Company for further term of 5 (five) years w.e.f. April 1, 2019	Special	7461539	6849365	91.80	612174	8.20
Re-Appointment of Mrs. N. Brahmani (DIN:02338940) as Whole-time Director designated as Executive Director of the Company for further term of 5 (five) years w.e.f. April 1, 2019	Special	7461542	6751014	90.48	710528	9.52

(d) Person who conducted the postal ballot process:

The Board had appointed Mr. K.V.S. Subramanyam, Partner of M/s.Ravi & Subramanyam (CP No: 4815) Practicing Company Secretary, Hyderabad-500 063, as Scrutiniser to conduct the postal ballot process in a fair and transparent manner and had engaged the services of Karvy Fintech Private Limited as the agency for the purpose of providing e-voting facility.

Mr. K.V.S. Subramanyam, Scrutiniser, had submitted his report on the postal Ballot to the Chairman on March 12, 2019.

(e) Whether any special resolution is proposed to be conducted through postal ballot:

The Company has proposed to pass the following Special Resolutions through Postal Ballot as per the Companies Act, 2013, rules made thereof and MCA circular dated April 08, 2020 and April 13, 2020.

Resolution- 1

To approve for giving guarantee or providing security under Section 185 of Companies Act, 2013 to the Joint Venture Company

Resolution- 2

To approve for giving loan or guarantee or providing security in connection with loan availed by any of Company's Subsidiary, Associate, Joint Venture Company and other person specified under section 185 of the Companies Act, 2013.

The e-voting was commenced on 9:00 am Tuesday, May 19, 2020 and will end on 5:00 pm Wednesday, June 17, 2020. The result will be declared on June 19, 2020. Mrs. Savita Jyoti, Partner of, M/s. Savita Jyoti Associates, Practicing Company Secretary (CP No:1796) was appointed as Scrutinizer for conducting the Postal Ballot in a fair and transparent manner.

(f) Procedure for postal ballot:

In compliance with Sections 108 and 110 and other applicable provisions of the Companies Act, 2013, read with the related Rules, the Company provides electronic voting (e-voting) facility, in addition to physical ballot, to all its members. For this purpose, the Company has engaged the services of M/s. Kfin Technologies Pvt Ltd.

Postal ballot notices and forms are dispatched, along with postage prepaid business reply envelopes to registered

members/ beneficiaries. The same notice is sent by email to members who have opted for receiving communication through the electronic mode. The Company also publishes a notice in the newspaper declaring the details and requirements as mandated by the Act and applicable rules.

Voting rights are reckoned on the paid-up value of the shares registered in the names of the members as on the cut-off date. Members who want to exercise their votes by physical postal ballot are requested to return the forms, duly completed and signed, to the scrutinizer on or before the close of the voting period. Those using the e-voting option are requested to vote before the close of business hours on the last date of e-voting.

The scrutinizer will complete her scrutiny and submit her report to the Chairperson, and the consolidated results of the voting are announced by the Chairperson/ authorized officer. The results are also displayed on the Company website, www.heritagefoods.in, besides being communicated to the stock exchanges and registrar and share transfer agent.

8. Means of Communication

(a) Quarterly/Financial Results:

The Quarterly/Half yearly/Annual Un-Audited/Audited Financial Results (Standalone & Consolidated) along with the Limited Review Report from Statutory Auditors are uploaded in the website of the Company and submitted to the Stock Exchanges as per the applicable provisions of the SEBI (LO&DR) Regulations, 2015 as amended from time to time.

The shareholders are provided with the necessary information with notices sent for the Annual General Meeting / Extraordinary General Meeting. Any other information sought by shareholders is being provided on request.

(b) News Paper where results normally published:

The quarterly/annual Financial results are published in English newspaper namely i.e. Financial Express all editions and vernacular language newspaper namely i.e. Vishalandhra/Andhra Prabha Hyderabad edition.

(c) Website:

The Company's website i.e., www.heritagefoods.in contains a separate dedicated section 'Investor Relations' where shareholders information is available. Full text of Annual Report is also available on the website in a user friendly and downloadable format as per the requirement

of the SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 as amended from time to time.

The Companies Act, 2013 and Rules made thereof as amended from time to time provides for the appointment of independent directors. Sub-section (10) of Section 149 of the Companies Act, 2013 provides that independent directors shall hold office for a term of up to five consecutive years on the board of a company; and shall be eligible for reappointment on the passing of a Special Resolution by the shareholders of the Company. Accordingly, all independent directors were appointed by the shareholders at the general meeting as required under Section 149(10).

Further, Section 149(11) states that no independent director shall be eligible to serve on the Board for more than two consecutive terms of five years each. Section 149(13) states that the provisions of retirement by rotation as defined in Sub- sections (6) and (7) of Section 152 of the Act shall not apply to such independent directors.

The Company has issued formal letter of appointment to all the Independent Directors on their appointment inter-alia explaining their roles, responsibilities, code of conduct, their functions and duties as directors of the Company. The terms and conditions of the appointment of Independent Directors have been uploaded on the website of the Company and can be accessed at https://www.heritagefoods.in/uploads/investors/pdf/15861534467Draft_Appointment_Letter_Non-Executive_Independent_Director.pdf

(n) Preservation of Documents

The weblink is <https://www.heritagefoods.in/uploads/investors/pdf/15858254255Code-of-conduct.pdf>

(r) During FY 2020, information as mentioned in Part A of Schedule II of S-EBI Listing Regulations, has been placed before the Board for its consideration. The Board periodically reviews the compliance reports of all laws applicable to the Company

11. The Company has complied with all the requirements of Schedule V of Corporate Governance Report as stated under sub-para (2) to (10) of section (C) of Schedule V of the Securities Exchange Board of India (Listing obligation and Disclosure Requirements) Regulations, 2015.

12. The Disclosure of the compliance with corporate governance requirements specified in regulation 17 to 27 and clauses (b) to (i) of sub-regulation (2) of Regulation 46 of Listing Regulations are as follows:

Sr. No.	Particulars	Regulation	Compliance Status Yes/No/NA
1.	Board of Directors	17	Yes
2.	Audit Committee	18	Yes
3.	Nomination and Remuneration Committee	19	Yes
4.	Stakeholders Relationship Committee	20	Yes
5.	Risk Management Committee	21	Yes
6.	Vigil Mechanism	22	Yes
7.	Related Party Transaction	23	Yes
8.	Subsidiaries of the Company	24	Yes
9.	Obligations with respect to Independent Directors	25	Yes
10.	Obligations with respect to employees including Senior Management, Key Managerial Personnel, Directors and Promoters	26	Yes
11.	Other Corporate Governance requirements	27	Yes
12.	Website	46(2)(E) WR (L)	Yes

13. CEO and CFO Certification

The Vice Chairperson & Managing Director and the Chief Financial Officer of the Company has given annual certification on financial reporting and internal controls to the Board in terms of Regulation 17(8) of the SEBI (Listing Obligation & Disclosure Requirements) Regulation, 2015. Vice Chairperson & Managing Director and the Chief Financial Officer also give quarterly certification on financial results while placing the financial results before the Board in terms of Regulation 33(2)(a) of the SEBI (Listing Obligation & Disclosure Requirements) Regulation, 2015. The annual certificate given by the Chairperson and Managing Director and the Chief Financial Officer is form part of the Annual Report.

14. Compliance Certificate from the Auditors

Certificate from Statutory Auditors of the Company M/s. Walker Chandiook & Co LLP, Chartered Accountants (FRN:001076N/N500013), Hyderabad confirming Compliance with the conditions of Corporate Governance as stipulated under SEBI (Listing Obligation & Disclosure Requirements) Regulations, 2015 is forming part of the Annual Report.

15. Transfer of unpaid/unclaimed amounts to Investor Education and Protection Fund

During the year under review, the Company has credited ₹ 11,13,714/- (Eleven Lakhs Thirteen Thousand Seven Hundred Forteen Only) towards the unclaimed/unpaid dividend amount for the financial year 2011-12 to the Investor Education and Protection Fund (IEPF) pursuant to Section 124(5) of the Companies Act, 2013 [Section 205C (2) of the Companies Act, 1956] read with the Investor Education and Protection Fund (awareness and protection of Investors) Rules, 2001 as amended from time to time.

In compliance with the provisions of Section 124 of the Companies Act, 2013, the Company has transferred the 20,900 equity shares belongs to 29 shareholders of the company to the Investor Education and Protection fund Authority (IEPF) on December 09, 2019 of those shareholders who have not claimed the dividends for a continuous period of 7 years.

Pursuant to Section 124(5) of the Companies Act, 2013 [Section 205C (2) of the Companies Act, 1956] read with the Investor Education and Protection Fund (awareness and protection of Investors) Rules, 2001 as amended from time to time the unclaimed/unpaid dividend and the shares thereof pertaining for the financial year 2012-13 shall be transferred to the Investor Education and Protection Fund during the financial year 2020-21.

16. Secretarial Audit

A qualified practicing Company Secretary has carried out Secretarial Audit every quarter to reconcile the total admitted capital with National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL) and physical share with the total issued and listed capital. The audit confirms that the total issued/paid up capital is in agreement with the aggregate total number of shares in physical form and the total number of dematerialised shares held with NSDL and CDSL.

In terms of the amended SEBI (Listing Obligation and Disclosure Requirements) Regulation, 2015 the Company has obtained the Secretarial Compliance certificate from Mrs. Savita Jyoti, Partner, M/s. Savita Jyoti Associates, Practicing Company Secretary (M No: 3738, CP No:1796), Secunderabd - 500 094 which forms part of the Annual Report and the same was also intimated to the Stock Exchanges where the shares of the Company are listed.

As per Section 204 of the Companies Act, 2013 and the Rules made thereof, the Board of Directors of the Company appointed Mrs. Savita Jyoti, Partner, M/s. Savita Jyoti Associates, Practicing Company Secretary (M No: 3738, CP No:1796), Secunderabd - 500 094 to conduct Secretarial Audit. The Secretarial Audit Report for the financial year ended March 31, 2020, is forming part of the Annual Report.

17. MANAGEMENT DISCUSSION AND ANALYSIS (MDA) :

MDA forms part of the Directors' Report and is presented in the Annual Report under a separate heading

18. Any query on the Annual Report

Mr. Umakanta Barik
Company Secretary
Heritage Foods Limited,
#6-3-541/C, Panjagutta,
Hyderabad-500 082,
Telangana, India
Tel: +91-40-23391221
E-mail: hfl@heritagefoods.in

19. Code of Conduct

In compliance with SEBI (Listing Obligation & Disclosure Requirements) Regulation, 2015 and the Companies Act, 2013, the Company has framed and adopted a Code of Conduct and Ethics ('the Code'). The Code is applicable to the members of the Board, the executive officers and all employees of the Company and its subsidiaries. The Code is available in the Company website i.e. www.heritagefoods.in.

20. Compliance with the corporate governance codes

We have always believed in maximum fiscal transparency, and benchmarked our disclosures against a host of national and international guidelines and regulations. Some of the notable ones among them are as follows :

The Listing Regulations : The Listing Regulations prescribe various corporate governance recommendations in line with the corporate governance committee constituted by SEBI. We comply with the corporate governance requirements under the Regulations and specifically to the requirements under Regulation 17 to 27 and clauses (b) to (i) of sub-regulation (2) of Regulation 46 of SEBI (LO& DR) Regulations,2015.

Compliance with discretionary requirements

The Company has also ensured the implementation of non-mandatory items such as :

- Separate posts of Chairman and MD, with the provision for reimbursement of expenses in the performance of official duties.
- Unmodified audit opinions / reporting
- The internal auditor reporting directly to the audit committee.

Corporate Governance Voluntary Guidelines, 2009: The Corporate Governance Voluntary Guidelines, 2009, of the Ministry of Corporate Affairs, Government of India, encourage the use of better practices through voluntary adoption. These guidelines broadly focus on areas such as the Board and its responsibilities, functions, roles and responsibilities of the audit committee, appointment of auditors, compliance with secretarial standards, and a mechanism for whistleblower support. We comply with the Corporate Governance Voluntary Guidelines.

21. Certificate on Compliance with Code of Conduct

In terms of Regulation 26 read with Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, I Mrs. N Bhuvaneshwari, Vice-Chairperson & Managing Director of the Company hereby confirm that all the Members of the Board and Senior Management Personnel of the Company have affirmed the compliance of the Company's Code of Conduct for the Board of Directors and Senior Management for the financial year 2019-20.

CEO & CFO Certification

(As per Regulation 17(8) of SEBI (LO&DR) Regulation, 2015)

To
The Board of Directors,
Heritage Foods Limited
Hyderabad.

We, N Bhuvanewari, Vice-Chairperson and Managing Director and A Prabhakara Naidu, Chief Financial Officers of Heritage Foods Limited ("the Company") to the best of our knowledge and belief certify that

- a. We have reviewed the Financial Statements and the Cash Flow Statements for the financial year ended March 31, 2020 and based on our knowledge and belief, we state that:
 - i. These statements do not contain any materially untrue statement or omit any material factor or contain statements that might be misleading.
 - ii. These statements together present a true and fair view of the Company's affairs and are in compliance with existing accounting standards, applicable laws and regulations.
- b. We further state that to the best of our knowledge and belief, there are no transactions entered into by the Company during the year, which are fraudulent, illegal or violative of Company's code of conduct.
- c. We are responsible for establishing and maintaining internal controls and for evaluating the effectiveness of the same over the financial reporting of the Company and have disclosed to the Auditors and the Audit Committee, deficiencies in the design or operation of internal controls, if any, of which we are aware and the steps we have taken or propose to take to rectify these deficiencies.
- d. We have indicated, based on our most recent evaluation, wherever applicable, to the auditors and the Audit Committee
 - i. Significant changes, if any, in the internal controls over financial reporting during the year;
 - ii. Significant changes, if any, in the accounting policies made during the year and that the same has been disclosed in the notes to the financial statements; and
 - iii. Instances of significant fraud of which we have become aware and the involvement therein, if any, of the management or an employee having significant role in the Company's internal control system over financial reporting.

INDEPENDENT AUDITOR'S CERTIFICATE ON CORPORATE GOVERNANCE

To the Members of
Heritage Foods Limited

1. This certificate is issued in accordance with the terms of our engagement letter dated 30 October 2019.
2. We have examined the compliance of conditions of corporate governance by Heritage Foods Limited ('the Company') for the year ended on 31 March 2020, as stipulated in Regulations 17 to 27, clauses (b) to (i) of Regulation 46(2), and paragraphs C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations').

Management's Responsibility

3. The compliance of conditions of corporate governance is the responsibility of the management. This responsibility includes the designing, implementing and maintaining operating effectiveness of internal control to ensure compliance with the conditions of corporate governance as stipulated in the Listing Regulations.

Auditor's Responsibility

4. Pursuant to the requirements of the Listing Regulations, our responsibility is to express a reasonable assurance in the form of an opinion as to whether the Company has complied with the conditions of corporate governance as stated in paragraph 2 above. Our responsibility is limited to examining the procedures and implementation thereof, adopted by the Company for ensuring the compliance with the conditions of corporate governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.
5. We have examined the relevant records of the Company in accordance with the applicable Generally Accepted Auditing Standards in India, the Guidance Note on Certification of Corporate Governance issued by the Institute of Chartered Accountants of India ('ICAI'), and Guidance Note on Reports or Certificates for Special Purposes issued by the ICAI which requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.
6. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.

Opinion

7. Based on the procedures performed by us and to the best of our information and according to the explanations provided to us, in our opinion, the Company has complied, in all material respects, with the conditions of corporate governance as stipulated in the Listing Regulations during the year ended 31 March 2020.

We state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Restriction on use

8. This certificate is issued solely for the purpose of complying with the aforesaid regulations and may not be suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT

To the Members of
Heritage Foods Limited

Report on the Audit of the Standalone Financial Statements

Opinion

1. We have audited the accompanying standalone financial statements of Heritage Foods Limited ('the Company'), which comprise the Balance Sheet as at 31 March 2020, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under section 133 of the Act, of the state of affairs of the Company as at 31 March 2020, and its loss (including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matter

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.
5. We have determined the matter described below to be the key audit matter to be communicated in our report.

Key audit matter	How our audit addressed the key audit matter
<p>Revenue recognition</p> <p>Revenue from sale of goods is recognised when control of the products being sold is transferred to the customer and when there are no longer any unfulfilled obligations. The performance obligations in the contracts are fulfilled at the time of dispatch, delivery or upon formal customer acceptance depending on terms.</p> <p>Majority of the Company's sales arrangements are on a point of sale basis and requires little judgement to be exercised.</p>	<p>Our audit included, but was not limited to, the following procedures:</p> <ul style="list-style-type: none"> • Assessed the appropriateness of the revenue recognition accounting policies, including those relating to discounts in accordance with Ind AS 115 – Revenue from contracts with customers ('Ind AS 115'). • Evaluated the integrity of the general information and technology control environment and tested the operating effectiveness of key IT application controls.

Key audit matter	How our audit addressed the key audit matter
<p>Discounts are material and there are arrangements with varying terms based on schemes implemented throughout the year.</p> <p>There is a risk of revenue being overstated, resulting from pressure the management may feel to achieve performance targets at the reporting period end.</p> <p>Due to the materiality of amounts involved and above said considerations, revenue recognition from sale of goods is determined to be a key audit matter for the current year audit.</p> <p>Refer Note 3(d) to the Standalone Financial Statements – Summary of the significant accounting policies and Note 25 for the revenue recognized during the year.</p>	<ul style="list-style-type: none"> • Evaluated the design and implementation of Company's controls in respect of revenue recognition, including discounts. • Performed substantive testing by selecting samples of revenue transactions recorded during the year by verifying the underlying documents, which included trip sheets, invoices, shipping documents and evidence of collection of receipts, as appropriate. • Performed substantive testing by selecting samples of discount transactions recorded during the year and comparing the parameters used in the calculation of the discounts with the relevant source documents (including invoices and schemes) to assess whether the methodology adopted in the calculation of the discounts was in accordance with the terms and conditions defined in the schemes. • Performed cut-off testing by selecting samples of revenue transactions recorded before and after the financial year end date by tracing to the relevant underlying documentation, to assess whether the revenue was recognized in the correct period. • Assessed manual journal entries posted to revenue to identify unusual items and tested such entries on a sample basis. • Evaluated appropriateness of disclosures made in the financial statements in accordance with the requirements of Ind AS 115 and other applicable regulations.

Information other than the Financial Statements and Auditor's Report thereon

6. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

7. The accompanying standalone financial statements have been approved by the Company's Board of Directors. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and

completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

8. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
9. Those Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

10. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
11. As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls;
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern;
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
12. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
13. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
14. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

15. As required by section 197(16) of the Act, based on our audit, we report that the Company has paid remuneration to its directors during the year in accordance with the provisions of and limits laid down under section 197 read with Schedule V to the Act.
16. As required by the Companies (Auditor's Report) Order, 2016 ('the Order') issued by the Central Government of India in terms of section 143(11) of the Act, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order.
17. Further to our comments in Annexure A, as required by section 143(3) of the Act, based on our audit, we report, to the extent applicable, that:
 - a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the accompanying standalone financial statements;
 - b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) the standalone financial statements dealt with by this report are in agreement with the books of account;
 - d) in our opinion, the aforesaid standalone financial statements comply with Ind AS specified under section 133 of the Act;
 - e) on the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2020 from being appointed as a director in terms of section 164(2) of the Act;
 - f) we have also audited the internal financial controls with reference to financial statements of the Company as on 31 March 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date and our report dated 27 May, 2020 as per Annexure B expressed unmodified opinion; and
 - g) with respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - i. the Company, as detailed in note 43(b) to the standalone financial statements, has disclosed the impact of pending litigations on its financial position as at 31 March 2020;
 - ii. the Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at 31 March 2020;
 - iii. there has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year ended 31 March 2020;
 - iv. the disclosure requirements relating to holdings as well as dealings in specified bank notes were applicable for the period from 8 November 2016 to 30 December 2016, which are not relevant to these standalone financial statements. Hence, reporting under this clause is not applicable.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE TO THE MEMBERS OF HERITAGE FOODS LIMITED, ON THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2020

Based on the audit procedures performed for the purpose of reporting a true and fair view on the financial statements of the Company and taking into consideration the information and explanations given to us and the books of account and other records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, plant and equipment.
- (b) The Property, plant and equipment have been physically verified by the management during the year by engaging the outside expert and no material discrepancies were noticed on such verification. In our opinion, the frequency of verification of the Property, plant and equipment is reasonable having regard to the size of the Company and the nature of its assets.
- (c) The title deeds of all the immovable properties (which are included under the head 'Property, plant and equipment') are held in the name of the Company.
- (ii) In our opinion, the management has conducted physical verification of inventory at reasonable intervals during the year, except for goods-in-transit and stocks lying with third parties. For stocks lying with third parties at the year-end, written confirmations have been obtained by the management. No material discrepancies were noticed on the aforesaid verification.
- (iii) The Company has not granted any loan, secured or unsecured to companies, firms, Limited Liability Partnerships (LLPs) or other parties covered in the register maintained under Section 189 of the Act. Accordingly, the provisions of clauses 3(iii)(a), 3(iii)(b) and 3(iii)(c) of the Order are not applicable.
- (iv) In our opinion, the Company has complied with the provisions of Section 186 in respect of investments and guarantees. Further, in our opinion, the Company has not entered into any transaction covered under Section 185 and Section 186 of the Act in respect of loans and security.
- (v) In our opinion, the Company has not accepted any deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, the provisions of clause 3(v) of the Order are not applicable.
- (vi) We have broadly reviewed the books of account maintained by the Company pursuant to the Rules made by the Central Government for the maintenance of cost records under sub-section (1) of Section 148 of the Act in respect of Company's products and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii) (a) Undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, goods and services tax, duty of excise, value added tax, cess and other material statutory dues, as applicable, have generally been regularly deposited to the appropriate authorities, though there has been a slight delay in a few cases. Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they became payable.
- (b) The dues outstanding in respect of income-tax, sales-tax, service-tax, goods and services tax, duty of customs, duty of excise and value added tax on account of any dispute, are as follows:

(₹ in lakhs)

- (viii) The Company has not defaulted in repayment of borrowings to any bank during the year. There are no loans or borrowings payable to financial institutions or government and no dues payable to debenture-holders.
- (ix) The Company did not raise moneys by way of initial public offer or further public offer (including debt instruments). In our opinion, the term loans were applied for the purposes for which the loans were obtained.
- (x) No fraud by the Company or on the Company by its officers or employees has been noticed or reported during the period covered by our audit.
- (xi) Managerial remuneration has been paid and provided by the Company in accordance with the requisite approvals mandated by the provisions of Section 197 of the Act read with Schedule V to the Act.
- (xii) In our opinion, the Company is not a Nidhi Company. Accordingly, provisions of clause 3(xii) of the Order are not applicable.
- (xiii) In our opinion all transactions with the related parties are in compliance with Sections 177 and 188 of Act, where applicable, and the requisite details have been disclosed in the financial statements etc., as required by the applicable Ind AS.
- (xiv) During the year, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures.
- (xv) In our opinion, the Company has not entered into any non-cash transactions with the directors or persons connected with them covered under Section 192 of the Act.
- (xvi) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.

INDEPENDENT AUDITOR'S REPORT ON THE INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO THE STANDALONE FINANCIAL STATEMENTS UNDER CLAUSE (i) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 ('THE ACT')

1. In conjunction with our audit of the standalone financial statements of Heritage Foods Limited ('the Company') as at and for the year ended 31 March 2020, we have audited the internal financial controls with reference to financial statements of the Company as at that date.

Responsibilities of Management and Those Charged with Governance for Internal Financial Controls

2. The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ("Guidance Note") issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility for the Audit of the Internal Financial Controls with Reference to Financial Statements

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India ('ICAI') prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements, and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with Reference to Financial Statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial

statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such controls were operating effectively as at 31 March 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Notes to the Standalone Financial Statements

for the year ended March 31 2020

1. Corporate information

The standalone financial statements of “Heritage Foods Limited” (“the Company” or “HFL”) are for the year ended 31 March 2020. The Company is a public company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. Its shares are listed on two recognised stock exchanges in India. The registered office of the Company is located at #6-3-541/C, Punjagutta, Hyderabad - 500082.

Incorporated in 1992, Heritage Foods Limited is engaged in two key business verticals – Dairy and Renewable Energy.

The standalone financial statements were approved for issue in accordance with a resolution of the directors on 27 May 2020.

2. Significant accounting policies - Basis of preparation

The standalone financial statements of the Company have been prepared and presented in accordance with all the material aspects of the Indian Accounting Standards (‘Ind AS’) as notified under section 133 of the Companies Act 2013 read with the Companies (Indian Accounting Standards) Rules 2015 (by Ministry of Corporate Affairs (‘MCA’)) and relevant amendment rules issued thereafter and guidelines issued by the Securities Exchange Board of India (‘SEBI’). The Company has uniformly applied the accounting policies during the periods presented.

The standalone financial statements have been prepared on a going concern basis under historical cost, except for the following:

- certain financial assets and liabilities are measured either at fair value or at amortised cost depending on the classification; and
- employee defined benefit assets/ (liability) are recognised as the net total of the fair value of plan assets, plus actuarial losses, less actuarial gains and the present value of the defined benefit obligation.

The standalone financial statements are presented in ₹ and all values are rounded to the nearest lakhs, except when otherwise indicated.

Accounting policies have been consistently applied except where a newly issued Accounting Standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use

or for the purpose of better presentation of financial statements. Management evaluates all recently issued or revised Accounting Standards on an ongoing basis and accordingly changes the Accounting policies as applicable.

3. Summary of significant accounting policies

a. Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

b. Foreign currencies

The Company’s financial statements are presented in Indian Rupees (INR), which is also its functional currency.

Transactions in foreign currency are initially recorded at exchange rates prevailing on the date of transactions.

Monetary items denominated in foreign currencies (such

as cash, receivables, payables etc.) outstanding at the end of reporting period, are translated at the functional currency spot rate of exchange at the reporting date. Exchange differences arising on settlement or translation of monetary items are recognised in the statement of profit and loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.

Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or profit or loss are also recognised in OCI or profit or loss, respectively).

Any gains or losses arising due to differences in exchange rates at the time of translation or settlement are accounted for in the Statement of Profit and Loss either under the head foreign exchange fluctuation or interest cost, as the case may be, except those relating to long-term foreign currency monetary items.

c. Fair value measurement

The Company measures financial instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Company's management determines the policies and procedures for both recurring fair value measurement, such as derivative instruments and unquoted financial assets measured at fair value, and for non-recurring measurement, such as assets held for distribution in discontinued operations.

External valuers are involved for valuation of significant assets, such as unquoted financial assets, and significant liabilities, such as contingent consideration. Involvement of external valuers is decided upon annually by the management. Selection criteria include market knowledge, reputation, independence and whether professional standards are maintained.

At each reporting date, the management analyses the movements in the values of assets and liabilities which are required to be re-measured or re-assessed as per the Company's accounting policies. For this analysis, the management verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

d. Revenue recognition

The Company derives revenues primarily from manufacturing, marketing and trading of milk and dairy

products. It is also engaged in generation of power and trading of dairy and food commodities.

Effective 1 April 2018, the Company adopted Ind AS 115, Revenue from Contracts with Customers, using the modified retrospective application method. The impact on adoption of Ind AS 115 was insignificant.

Revenue is recognized on satisfaction of performance obligation upon transfer of control of promised products or services to customers in an amount that reflects the consideration the Company expects to receive in exchange for those products or services.

Revenue is measured on the basis of contracted price, after deduction of any discounts and any taxes or duties collected on behalf of the Government such as goods and services tax, etc. Discounts are recognised in accordance with the schemes implemented by the Company. Revenue is only recognised to the extent that it is highly probable a significant reversal will not occur.

The Company does not expect to have any contracts where the period between the transfer of the promised goods or services to the customer and payment by the customer exceeds one year. As a consequence, it does not adjust any of the transaction prices for the time value of money.

The Company satisfies a performance obligation and recognises revenue over time, if one of the following criteria is met:

- The customer simultaneously receives and consumes the benefits provided by the Company's performance as the Company performs; or
- The Company's performance creates or enhances an asset that the customer controls as the asset is created or enhanced; or
- The Company's performance does not create an asset with an alternative use to the Company and an entity has an enforceable right to payment for performance completed to date.

For performance obligations where one of the above conditions are not met, revenue is recognised at the point in time at which the performance obligation is satisfied.

Revenue from sale of products and services is recognised at the time when performance obligation is satisfied.

Interest Income

For all debt instruments measured either at amortised cost or at fair value through other comprehensive income, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts

the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortised cost of a financial liability. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses. Interest income is included under other income in the statement of profit and loss.

Dividend Income

Dividend income is recognized when the Company's right to receive dividend is established.

e. Government grants

Government grants are recognised where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. When the grant relates to an expense item, it is recognised as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed. When the grant relates to an asset, it is recognised as income in equal amounts over the expected useful life of the related asset.

On receipt of grants of non-monetary assets, the asset and the grant are recorded at fair value amounts and released to the statement of profit and loss over the expected useful life in a pattern of consumption of the benefit of the underlying asset i.e. by equal annual instalments. When loans or similar assistance are provided by governments or related institutions, with an interest rate below the current applicable market rate, the effect of this favourable interest is regarded as a government grant. The loan or assistance is initially recognised and measured at fair value and the government grant is measured as the difference between the initial carrying value of the loan and the proceeds received. The loan is subsequently measured as per the accounting policy applicable to financial liabilities.

f. Taxes

Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current

tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the Balance Sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, except when the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised, except when the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax

assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Dividend distribution tax (DDT)

Dividend distribution tax arising out of payment of dividends to shareholders under the Indian Income tax regulations is not considered as tax expense for the Company and all such taxes are recognised in the statement of changes in equity as part of the associated dividend payment.

g. Property, plant and equipment

Capital Work in progress, Property, plant and equipment are stated at cost net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price (net of discounts and rebates), the cost of replacing the part of plant and equipment and borrowing costs if capitalization criteria are met and any attributable cost of bringing the asset to its working condition and location for the intended use. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in the statement of profit and loss as incurred. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

Spare parts are capitalized when they meet the definition of PPE, i.e., when the company intends to use these during more than a period of 12 months.

Depreciation is provided on the basis of straight line method at the useful life and in the manner prescribed in Schedule II of the Companies Act, 2013 except in respect of the following assets, based on technical assessment made by technical expert and management estimate, useful life is different from than those described in Schedule II.

Management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

- i) Plant and Machinery: Depreciation on Plant and Machinery is provided on the basis of straight-line method based on the useful life ranging from 1 to 30 years. Useful life of each asset is determined based on internal and external technical evaluation.
- ii) Furniture and Fixtures: Depreciation on Furniture and Fixtures is provided on the basis of straight-line

method based on the useful life ranging from 1 to 15 years.

- iii) Office Equipment: Depreciation on Office Equipment is provided on the basis of straight-line method based on the useful life ranging from 1 to 20 years.
- iv) Vehicles: Depreciation on vehicles is provided on the basis of straight-line method based on the useful life ranging from 2 to 10 years.
- v) Buildings: Depreciation on buildings is provided on the basis of straight-line method based on the useful life ranging from 5 to 40 years.
- vi) Improvements to leasehold property: Depreciation on Improvements to leasehold property is provided over the period of lease.
- vii) Depreciation in respect of its Renewable Energy business is provided on straight line method and at rates/ methodology prescribed under the relevant Central Electricity Regulatory Commission (CERC) regulations.

The useful life provided for different asset classes under schedule II of the Companies Act, 2013 are as follows:

Asset class	Useful life (years)
Buildings	30
Plant and machinery	15
Furniture and Fixtures	10
Vehicles	8
Office Equipment	5

Depreciation on assets which are commissioned during the year is charged on pro-rata basis from the date of commissioning. The company depreciates general spares over the life of the spare from the date it is available for use.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Gains or losses arising from de-recognition of a tangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit and loss when the asset is derecognised.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

h. Investment property

Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any.

The cost includes the cost of replacing parts and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of the investment property are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. All other repair and maintenance costs are recognised in the statement of profit and loss as incurred.

The Company depreciates building component of investment property over the useful life prescribed in Schedule II to the Act.

Though the Company measures investment property using cost based measurement, the fair value of the investment property is disclosed in the note 8 to the standalone financial statements.

Investment properties are derecognised either when they have been disposed of or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in the statement of profit and loss in the period of de-recognition.

i. Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. The cost of intangible assets acquired in a business combination is their fair value at the date of acquisition. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses. Internally generated intangibles, excluding capitalised development costs, are not capitalised and the related expenditure is reflected in the statement of profit and loss in the period in which the expenditure is incurred.

The useful lives of intangible assets are assessed as either finite or indefinite.

Intangible assets with finite lives are amortised on straight line basis over the estimated useful economic life. The amortisation expense on intangible assets with finite life is recognised in the Statement of Profit and Loss.

The estimated useful life of intangible assets is mentioned below:

Asset class	Useful life (years)
Brand	5
Non-compete	3
Procurement	5
Computer Software	5
Distribution network	5

Intangible assets with finite lives are assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates. The amortisation expense on intangible assets with finite lives is recognised in the Statement of Profit and Loss unless such expenditure forms part of carrying value of another asset.

Intangible assets with indefinite useful lives are not amortised, but are tested for impairment annually, either individually or at the cash-generating unit level. The assessment of indefinite life is reviewed annually to determine whether the indefinite life continues to be supportable. If not, the change in useful life from indefinite to finite is made on a prospective basis.

Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

j. Borrowing cost

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

k. Leases

The Company as a lessee

The Company’s lease asset classes primarily consist of leases for land and buildings. The Company assesses

whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use (ROU) asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of 12 months or less (short-term leases) and low value leases. For these short-term and low-value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements include the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised. The ROU assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses. ROU assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. ROU assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rate. Lease liabilities are remeasured with a corresponding adjustment to the related ROU asset if the Company changes its assessment of whether it will exercise an extension or a termination option.

The Company as a lessor

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases. For operating leases, rental income is recognized on a straight-line basis over the term of the relevant lease.

Refer note 44 to the standalone financial statements for transition impact on adoption of Ind AS 116 by the Company.

l. Assets held for sale

Non-current assets and disposal group are classified as "Held for Sale" if their carrying amount is intended to be recovered principally through sale rather than through continuing use. The condition for classification of "Held for Sale" is met when the non-current asset or the disposal group is available for immediate sale and the same is highly probable of being completed within one year from the date of classification as "Held for Sale".

Non-current assets and disposal group held for sale are measured at the lower of carrying amount and fair value less cost to sell. Non-current assets and disposal group that ceases to be classified as "Held for Sale" shall be measured at the lower of carrying amount before the non-current asset and disposal group was classified as "Held for Sale" adjusted for any depreciation/ amortization and its recoverable amount at the date when the disposal group no longer meets the "Held for sale" criteria.

m. Inventories

All inventories except stores, spares, consumables and packaging material, are valued at lower of cost and net realisable value.

- **Raw material** - Cost or net realisable value ("NRV") whichever is lower. However these items are considered to be realisable at cost if the finished products, in which they shall be used, are expected to be sold at or above cost. Cost has been ascertained on weighted average cost method.
- **Finished goods** - Cost or NRV whichever is lower - Cost has been ascertained on weighted average cost method.
- **Stores, spares and consumables** - At cost - Cost has been ascertained on FIFO basis.
- **Work in progress** - Cost of NRV whichever is lower - Cost has been ascertained on weighted average cost method basis.

- **Tradable goods** - Cost or NRV whichever is lower - Cost has been ascertained on moving weighted average basis.
- **Packaging material** - At Cost - Cost has been ascertained on FIFO basis.

Cost of inventories comprises following

- Raw material, stores, spares, consumable stores and packaging material: Cost includes purchase price, import duties and other taxes excluding taxes those are subsequently recoverable from the concerned authorities, freight inwards and other expenditure incurred in bringing such inventories to their present location and condition.
- Finished goods and work in progress: Cost comprises cost of direct material, direct labour and appropriate proportion of variable and fixed overhead expenditure, the latter being allocated on the basis of normal operating capacity, but excluding borrowing costs.
- Tradable goods: cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

n. Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets.

When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

Impairment losses of continuing operations, including impairment on inventories, are recognised in the statement of profit and loss.

For assets excluding goodwill, an assessment is made at each reporting date to determine whether there is an indication that previously recognised impairment losses no longer exist or have decreased. If such indication

exists, the Company estimates the asset's or CGU's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years.

o. Provision and contingencies

Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

When the Company expects some or all of a provision to be reimbursed, reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingencies

Contingent liabilities are identified and disclosed with respect to following:

- a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity; or
- a present obligation that arises from past events but is not recognised because:
 - it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
 - the amount of the obligation cannot be measured with sufficient reliability.

Contingent assets are neither recognized nor disclosed, unless inflow of economic benefits is probable. However, when realization of income is virtually certain, related asset is recognized.

p. Employee benefits

Short term benefits

Short Term Employee Benefits are accounted for in the period during which the services have been rendered.

Post-employment benefits and other long-term employee benefits

Provident Fund: Retirement benefit in the form of provident fund is a defined contribution scheme. The contributions to the provident fund administered by the Central Government under the Provident Fund Act, 1952, are charged to the statement of profit and loss for the year in which the contributions are due. The company has no obligation, other than the contribution payable to the provident fund. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre-payment will lead to a reduction in future payment.

Gratuity: The Company operates a defined benefit gratuity plan in India, which requires contributions to be made to a separately administered fund. The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method.

Remeasurements, comprising mainly of actuarial gains and losses, are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to the statement of profit and loss in subsequent periods.

Leave Encashment: The Company operates a long-term leave encashment plan in India. Accrued liability for leave encashment including sick leave is determined on actuarial valuation basis using Projected Unit Credit (PUC) Method at the end of the year and provided completely in profit and loss account as per Ind AS - 19 "Employee Benefits".

q. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- Debt instruments at amortised cost
- Debt instruments at fair value through other comprehensive income (FVTOCI)
- Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL)
- Equity instruments measured at FVTOCI and FVTPL

Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- The asset is held within a business model, whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the statement of profit and loss. The losses arising from impairment are recognised in the statement of profit and loss.

Debt instrument at FVTOCI

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- The asset's contractual cash flows represent SPPI.

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI). On de-recognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to Statement of Profit and Loss. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

Debt instrument at FVTPL

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for

categorization as at amortised cost or as FVTOCI, is classified as at FVTPL.

Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

Equity instruments

All equity investments in scope of IndAS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company decides to classify the same either as at FVTOCI or FVTPL. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to Statement of Profit and Loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

De-recognition

A financial asset is primarily derecognised when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the company has transferred substantially all the risks and rewards of the asset, or (b) the company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the company continues to recognise the transferred asset to the extent of the company's continuing involvement. In that case, the company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the

lower of the original carrying amount of the asset and the maximum amount of consideration that the company could be required to repay.

Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, trade receivables and bank balances
- Financial guarantee contracts which are not measured as at FVTPL
- Lease receivables under Ind AS 116

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables that do not contain a significant financing component.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL. Lifetime are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. When estimating the cash flows, an entity is required to consider

- All contractual terms of the financial instrument (including prepayment, extension, call and similar options) over the expected life of the financial instrument. However, in rare cases when the expected life of the financial instrument cannot be

estimated reliably, then the entity is required to use the remaining contractual term of the financial instrument

- Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the Statement of Profit and Loss (P&L). This amount is reflected under the head 'other expenses' in the P&L. The balance sheet presentation for various financial instruments is described below:

- Financial assets measured at amortised cost: ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the company does not reduce impairment allowance from the gross carrying amount.
- Financial guarantee contracts: ECL is presented as a provision in the balance sheet, i.e. as a liability.

Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings or payables, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including financial guarantee contracts and derivative financial instruments.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the statement of profit and loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ losses are not subsequently transferred to P&L. However, the company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the Statement of Profit and Loss. The company has not designated any financial liability as at fair value through profit and loss.

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in the statement of profit and loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

This category generally applies to borrowings from banks.

Financial guarantee contracts

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee.

Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation.

Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid as per agreed terms. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently

measured at amortised cost using the effective interest method.

De-recognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

Derivative financial instrument - Initial recognition and subsequent measurement

Derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

Any gains or losses arising from changes in the fair value of derivatives are taken directly to the statement of profit and loss (refer to note 45 for further details).

r. Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

s. Cash flow statement

The cash flow statement is prepared in accordance with the Indirect method. Cash Flow Statements present the cash flows by operating, financing and investing activities of the Company. Operating cash flows are arrived by adjusting profit or loss before tax for the effects of transactions of a non-cash nature, any deferrals or accruals

of past or future operating cash receipts or payments, and items of income or expense associated with investing or financing cash flows.

t. Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the standalone cash flow statement, cash and cash equivalents consist of cash at banks and on hand and deposits, as defined above, net of outstanding loans repayable on demand from banks as they are considered an integral part of the Company's cash management.

u. Cash dividends to equity holders

The Company recognises a liability to make cash distributions to equity holders when the dividend distribution is authorised and the distribution is no longer at the discretion of the Company. As per the corporate laws in India, a distribution is authorised when it is approved by the shareholders. A corresponding reduction is recognised directly in equity.

v. Investments in subsidiary, joint venture and associate

The Company has elected to recognise its investments in equity instruments in subsidiary, joint venture and associate at cost in accordance with the option available in Ind AS 27, 'Separate Financial Statements'.

4. Key accounting estimates, judgements and assumptions

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below.

a. Defined benefit plans and other long-term benefit plan

The cost and present value of the defined benefit gratuity

plan and leave encashment (other long-term benefit plan) are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation and other long-term benefits are highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

b. Useful lives of depreciable and amortisable assets

Management reviews the useful lives of depreciable and amortisable assets at each reporting date, based on the expected utility of the assets to the Company.

c. Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the DCF model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values.

d. Leases

Ind AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Company makes an assessment on the expected lease term on a lease-by-lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Company considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of the lease and the importance of the underlying asset to Company's operations taking into account the location of the underlying asset and the availability of suitable alternatives.

5. Standards issued but not yet effective

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards. There is no such notification which would have been applicable from 1 April 2020.

iv. Rights, preferences and restrictions attached to equity shares

The Company has only one class of issued, subscribed and paid up equity shares having a par value of ₹5 each per share. Each holder of equity shares is entitled to one vote per share. The Company declares and pays dividend in Indian rupees.

The dividend proposed by the Board of Directors is subject to the approval of the shareholders in the Annual General Meeting.

In the event of liquidation of the Company, the holders of equity shares will be entitled to receive remaining assets of the Company, after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the share holders.

	(5.43)	17,054.47
	43,913.17	78,176.28

Nature and purpose of reserves

Securities premium

Securities premium is used to record the premium on issue of equity shares. The reserve is utilised in accordance with provisions of the Companies Act, 2013 ("the Act").

Capital reserve

The excess of net assets taken, over the consideration paid, as part of the business combinations have been recorded under the capital reserve during the earlier years.

Capital redemption reserve

Capital redemption reserve was created on buy back of equity shares in the earlier years. The Company uses capital redemption reserve in accordance with the provisions of the Act.

Warrants money appropriated

Warrants money appropriated represents forfeiture of share application money made during the earlier years.

General reserve

The reserve has arisen on transfer of a portion of the net profit pursuant to the earlier provisions of the Companies Act, 1956. Mandatory transfer to general reserve is not required under the Act.

Changes in fair value of equity instruments

This represents the cumulative gains and losses arising on the fair valuation of equity instruments measured at FVTOCI, under an irrevocable option, net of amounts reclassified to retained earnings when such assets are disposed off.

- Sale of renewable energy certificates	70.93	270.69
- Scrap sales and others	80.33	17.82
	268,110.63	248,234.93

Particulars	For the year ended	
	31 March 2020	31 March 2019
Revenue disaggregation geography wise is as follows:		
India	267,039.85	243,452.36
Other than India	1,070.78	4,782.57
	268,110.63	248,234.93

Note

- (a) A receivable is a right to consideration that is unconditional upon passage of time. The Company sells goods on cash on delivery payment terms. In case of customers where credit is allowed, the same is disclosed under note 14 to the standalone financial statements.
- (b) The Company has no single customer from whom the revenue is more than 10% of the revenue from operations for the year ended 31 March 2020 and 31 March 2019.

26. Other income

Particulars	For the year ended	
	31 March 2020	31 March 2019
Interest income		
- Bank and other deposits	33.67	22.68
- Others	-	1.02
- Guarantee income	25.83	22.07
Dividend income on long term investments	4.00	4.00
Subsidy transferred from deferred government grant (under capital subsidy scheme)	1.36	1.36
Lease rental income	173.98	163.53
Provisions no longer required/ credit balances written back	166.87	241.76
Gain on foreign exchange fluctuations, net	24.20	66.91
Reversal of provision for diminution in value of investments	-	261.09
Other non operating income	402.48	325.18
	832.39	1,109.60

Summary of the significant accounting policies and other explanatory information

(All amounts in ₹ lakhs, except share data and where otherwise stated)

27. Cost of materials consumed

Particulars	For the year ended	
	31 March 2020	31 March 2019
Raw Material*		
Opening stock	5,871.03	4,393.40
Add: Purchases during the year	206,012.06	177,847.30
Less: Closing stock	4,984.35	5,871.03
	206,898.74	176,369.67
Packing Material*		
Opening stock	679.43	616.64
Add: Purchases during the year	8,159.39	7,780.42
Less: Closing stock	684.79	679.43
	8,154.03	7,717.63
	215,052.77	184,087.30

*Disclosed based on derived figures, rather than actual records of issue.

28. Changes in inventories of finished goods, semi finished goods, stock-in-trade and work-in-progress

Particulars	For the year ended	
	31 March 2020	31 March 2019
Opening balance		
- Finished goods	4,656.64	6,590.58
- Semi finished goods	1,429.62	2,839.26
- Work-in-progress	106.41	77.95
- Stock-in-trade	152.84	229.07
	6,345.51	9,736.86
Closing balance		
- Finished goods	6,493.02	4,656.64
- Semi finished goods	955.60	1,429.62
- Work-in-progress	50.79	106.41
- Stock-in-trade	165.85	152.84
	7,665.26	6,345.51
	(1,319.75)	3,391.35

29. Employee benefit expenses

Particulars	For the year ended	
	31 March 2020	31 March 2019
Salaries and wages	13,805.19	12,845.99
Contribution to provident and other funds (refer note a below)	794.25	518.27
Staff welfare expenses	357.37	320.95
	14,956.81	13,685.21

(a) The amount recognized as an expense towards contribution to provident fund and employee state insurance schemes for the year ended 31 March 2020 amounts to ₹678.11 (31 March 2019: ₹433.78).

30. Finance costs

Particulars	For the year ended	
	31 March 2020	31 March 2019
Interest on borrowings calculated using effective interest method	1,971.37	2,003.12
Interest on income tax	2.57	5.78
Interest on lease liabilities (refer note 44)	31.40	-
Other borrowing costs	75.38	59.74
	2,080.72	2,068.64

Summary of the significant accounting policies and other explanatory information

(All amounts in ₹ lakhs, except share data and where otherwise stated)

31. Other expenses

Particulars	For the year ended	
	31 March 2020	31 March 2019
Consumption of stores, spares and consumables	2,253.98	2,401.67
Power and fuel	3,487.04	3,066.41
Rent	306.99	507.53
Repairs and maintenance		
- Buildings	107.01	52.10
- Plant and equipment	309.13	237.60
- Others	578.01	588.02
Insurance	153.63	141.34
Electricity charges	105.59	105.10
Rates and taxes, excluding taxes on income	314.00	357.60
Freight outwards	7,687.37	7,162.36
Communication	183.95	194.92
Office maintenance	59.78	53.55
Travelling and conveyance	478.63	479.46
Legal and professional fees	1,202.92	1,036.93
Loss on sale of Property, plant and equipment (net)	70.59	178.89
Payment to auditors (refer note (i) below)	76.80	64.88
Corporate social responsibility (CSR) expenditure (refer note (ii) below)	222.75	194.02
Selling and distribution expenses	1,397.37	1,967.45
Provision for doubtful advances	-	19.79
Advances written off	4.63	11.09
Provision towards doubtful debts	48.49	27.38
Bank charges	147.82	146.25
Advertisement expenses	14.36	27.44
Contribution to Heritage Farmers Welfare Trust	-	337.93
Security charges	461.94	412.52
Printing and stationery	97.22	108.13
Miscellaneous expenses	227.04	185.67
	19,997.04	20,066.03

(i) Details of payments to auditors :	For the year ended	
	31 March 2020	31 March 2019
As auditor:		
- Statutory audit fee	45.34	30.49
- Tax audit fee	7.79	5.90
- Limited review fee	19.47	17.70
In other capacities:		
- Taxation matters	1.30	1.18
- Certification fees	1.30	7.16
- Reimbursement of expenses	1.60	2.45
	76.80	64.88
(ii) Details of CSR expenditure :	For the year ended	
	31 March 2020	31 March 2019
(a) Gross amount required to be spent during the year	222.75	194.02
(b) Amount spent during the year	222.75	194.02

Summary of the significant accounting policies and other explanatory information

(All amounts in ₹ lakhs, except share data and where otherwise stated)

32. Income tax expense

Particulars	For the year ended	
	31 March 2020	31 March 2019
(a) Income tax expense reported in the Statement of Profit and Loss		
Tax expense comprises of:		
Current tax expense	1,850.47	4,228.00
Deferred tax expense/(benefit)	(317.67)	296.63
	1,532.80	4,524.63

The major components of income tax expense and the reconciliation of expected tax expense based on the domestic effective tax rate of the Company at 25.168% (31 March 2019: 34.944%) and the reported tax expense in the Standalone Statement of Profit and Loss is as follows:

Reconciliation of tax expense and the accounting profit/(loss) multiplied by India's tax rate

Particulars	For the year ended	
	31 March 2020	31 March 2019
Profit/(loss) before tax	(14,467.64)	12,868.82
Expected tax expense at the Indian tax rate 25.168% (31 March 2019:34.944%)	(3,641.22)	4,496.88
Tax effect of amounts which are not deductible/taxable in calculating taxable income:		
Effect of deductions allowed under Chapter VI-A of the Income Tax Act, 1961 ("IT Act, 1961)	(72.90)	(272.04)
Effect of expenses not deductible under the IT Act, 1961	12,955.71	387.03
Effect of income not subject to tax under the IT Act, 1961	(7,418.19)	(102.61)
Effect on adoption of Taxation Laws (Amendment) Ordinance, 2019	(410.12)	-
Other adjustments	119.52	15.37
Income tax expense	1,532.80	4,524.63

33. Earnings per equity share

Particulars	For the year ended	
	31 March 2020	31 March 2019
Profit/((loss) for the year	(16,000.44)	8,344.19
Weighted average number of equity shares outstanding during the year	46,398,000	46,398,000
Earnings per equity share (EPES) (in absolute ₹ terms)		
Nominal value per share equity share	5	5
Basic and Diluted EPES	(34.49)	17.98

The Company did not have any potential dilutive equity shares as on 31 March 2020 and 31 March 2019.

34. Dividend proposed before approval or issue of the financial statements

The amount of dividend proposed or declared to be paid in cash before the financial statements were approved for issue but not recognised as a distribution to owners during the year ended 31 March 2020 amounts to ₹1,159.95 (₹2.5 per equity share) (31 March 2019: ₹927.96 (₹2 per equity share)). Dividend distribution tax on such dividend distribution amounts to ₹Nil (31 March 2019: ₹190.77).

Summary of the significant accounting policies and other explanatory information

(All amounts in ₹ lakhs, except share data and where otherwise stated)

35. Fair value hierarchy

(i) Financial assets and financial liabilities at fair value on a recurring basis as of the reporting dates are as follows:

Particulars	As at 31 March 2020	As at 31 March 2019
Financial assets		
Fair value hierarchy (Level 1)		
Quoted equity shares	14,386.43	82,606.89
Fair value hierarchy (Level 3)		
Unquoted equity shares	26.02	26.02
Financial liabilities		
Fair value hierarchy (Level 2)		
Derivative liability	-	29,448.88

There are no transfers between levels during the current and previous year ended 31 March 2020 and 31 March 2019 respectively. The Company's policy is to recognise transfers into and transfers out of fair value hierarchy levels as at the end of the reporting period.

(ii) Valuation technique and inputs used for level 3 instruments:

The fair value of the level 3 instruments has been estimated using the discounted cash flow model. The valuation requires management to make certain assumptions about the model inputs, including forecasting of cash flows, discount rate, credit risk and volatility. The probabilities of the various estimates within the range can be reasonably assessed and are used in the management's estimate of the fair value for these level 3 instruments.

The significant unobservable inputs used in the fair value measurement categorised within Level 3 of the fair value hierarchy together with a quantitative sensitivity analysis as at 31 March 2020 and 31 March 2019 are as shown below:

Significant unobservable inputs*	Assumption made	Sensitivity of the inputs
Future growth rate	3%	5% increase/(decrease) in the growth rate would result in increase/(decrease) in fair value by ₹8.86/(₹8.86) as on 31 March 2020 and 31 March 2019.
Discount rate	20%	5% increase/ (decrease) in the discount rate would result in (decrease)/ increase in fair value by (₹7.16)/₹7.16 as on 31 March 2020 and 31 March 2019.
Discount for lack of marketability (DFLM)	15%	5% increase/ (decrease) in the DFLM would result in (decrease)/ increase in fair value by (₹1.53)/₹1.53 as on 31 March 2020 and 31 March 2019.

*keeping all other inputs constant.

(iii) Reconciliation of level 3 fair value measurement :

	Amount
As at 1 April 2018	26.02
Changes during the year	-
As at 31 March 2019	26.02
Changes during the year	-
As at 31 March 2020	26.02

(iv) Valuation techniques and inputs used for level 2 instruments:

Derivative liability, in the nature of upside sharing is measured at fair value of equity instruments, based on quoted market prices, adjusted for the formula agreed in the Implementation agreement (refer note 45 for details).

Summary of the significant accounting policies and other explanatory information

(All amounts in ₹ lakhs, except share data and where otherwise stated)

36. Categories of Financial instruments and their fair values

The carrying amount of all financial assets and financial liabilities appearing in the financial statements are reasonable approximation of their fair values, except for deferred payment liabilities whose fair value amounts to ₹542.81 and ₹616.20 as on 31 March 2020 and 31 March 2019 respectively.

Categories of financial instruments

Particulars	As at 31 March 2020			As at 31 March 2019		
	FVTPL	FVTOCI	Amortised cost	FVTPL	FVTOCI	Amortised cost
Financial assets						
Quoted equity shares	10,788.31	3,598.12	-	61,948.88	20,658.01	-
Unquoted equity shares	-	26.02	-	-	26.02	-
Investment in government securities	-	-	1.57	-	-	1.47
Trade receivables	-	-	2,109.49	-	-	3,996.75
Cash and cash equivalents	-	-	5,332.33	-	-	6,260.14
Other bank balances	-	-	171.03	-	-	280.34
Loans	-	-	789.81	-	-	674.06
Other financial assets	-	-	86.61	-	-	142.65
	10,788.31	3,624.14	8,490.84	61,948.88	20,684.03	11,355.41

Particulars	As at 31 March 2020			As at 31 March 2019		
	FVTPL	FVTOCI	Amortised cost	FVTPL	FVTOCI	Amortised cost
Financial liabilities						
Derivative liabilities	-	-	-	29,448.88	-	-
Deferred payment liabilities	-	-	663.36	-	-	791.58
Borrowings excluding deferred payment liabilities	-	-	27,866.94	-	-	27,538.62
Trade payables	-	-	5,685.25	-	-	6,274.70
Other financial liabilities excluding deferred payment liabilities	-	-	10,886.38	-	-	10,236.19
	-	-	45,101.93	29,448.88	-	44,841.09

The fair value of the financial assets and financial liabilities are included at an amount at which the instruments could be exchanged in a current transaction between the willing parties, other than in a forced or liquidation sale.

37. Financial risk management objectives and policies

Financial Risk Management Framework

The Company's Board of Directors has an overall responsibility for the establishment and oversight of the Company's risk management framework. The Board of Directors has established Risk Management Committee, which is responsible for developing and monitoring the Company's risk management policies. The Committee reports regularly to the Board of Directors on its activities.

The Company's principal financial liabilities, other than derivatives, comprises of borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include investments in equity shares, loans, trade and other receivables, and cash and cash equivalents that the Company derives directly from its operations. The Company also holds FVTOCI/FVTPL investments and enters into derivative transactions.

The Company is exposed primarily to Credit risk, Liquidity risk and Market risk (fluctuations in interest rates, equity risk and foreign currency rates), which may adversely impact the fair value of its financial instruments. The Company assesses the unpredictability of the financial environment and seeks to mitigate potential adverse effects on the financial performance of the Company.

Summary of the significant accounting policies and other explanatory information

(All amounts in ₹ lakhs, except share data and where otherwise stated)

A. Credit risk

Credit risk is the risk that the counterparty shall not meet its obligations under a financial instrument or customer contract, leading to a financial loss. Credit risk encompasses of both, the direct risk of default and the risk of deterioration of the creditworthiness as well as concentration of risks. Credit risk arises primarily from financial assets such as trade receivables, investment in equity shares, balances with banks, loans and other receivables.

Credit risk is controlled by analyzing credit limits and creditworthiness of the customers on a continuous basis to whom credits have been granted after obtaining necessary approvals. Financial instruments that are subject to concentration of credit risk principally consist of trade receivables, investments, cash and cash equivalents, bank deposits and other financial assets. None of the financial instruments of the Company result in material concentration of credit risk.

Exposure to credit risk

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk was ₹22,903.29 and ₹93,988.32 as of 31 March 2020 and 31 March 2019 respectively, representing carrying amount of all financial assets with the Company.

Financial assets that are neither past due nor impaired

None of the Company's cash equivalents, including fixed deposits, were either past due or impaired as at 31 March 2020 and 31 March 2019.

Financial assets that are past due but not impaired

The Company's credit period for customers generally ranges from 0 - 30 days. The aging of trade receivables, net of those impaired is given below:

Particulars	As at	
	31 March 2020	31 March 2019
0-30 days	1,655.56	3,676.63
31-60 days	444.28	285.50
61-90 days	-	-
Greater than 90 days	10.10	35.65
	2,109.94	3,997.78

Ind AS requires expected credit losses to be measured through a loss allowance. The Company assesses at each date of Balance Sheet whether a financial asset or a group of financial assets are impaired. Expected credit losses are measured at an amount equal to 12 months expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since the initial recognition. The Company has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and is adjusted for forward-looking information.

B. Liquidity risk

Liquidity risk refers to the risk that the Company cannot meet its financial obligations as and when they become due. The objective of liquidity risk management is to maintain sufficient liquidity and to ensure that funds are available for meeting due obligations of the Company. The Company manages liquidity risk by maintaining adequate reserves, banking facilities, continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of the financial assets and financial liabilities.

The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments:

As at 31 March 2020	On demand	Up to 1 year	More than 1 year	Total
Borrowings excluding deferred payment liabilities	8,317.30	4,071.14	15,478.50	27,866.94
Deferred payment liabilities	-	128.72	534.64	663.36
Trade payables	-	5,685.25	-	5,685.25
Other financial liabilities	-	10,453.16	433.22	10,886.38
Derivatives	8,317.30	20,338.27	16,446.36	45,101.93

Summary of the significant accounting policies and other explanatory information

(All amounts in ₹ lakhs, except share data and where otherwise stated)

As at 31 March 2019	On demand	Up to 1 year	More than 1 year	Total
Borrowings excluding deferred payment liabilities	9,223.07	3,552.96	14,762.59	27,538.62
Deferred payment liabilities	-	128.22	663.36	791.58
Trade payables	-	6,274.70	-	6,274.70
Other financial liabilities	-	10,183.87	52.32	10,236.19
Derivatives	-	-	29,448.88	29,448.88
	9,223.07	20,139.75	44,927.15	74,289.97

37. Financial risk management objectives and policies (continued)

C. Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from adverse changes in the market rates and prices. Market risk is attributable to all market risk-sensitive financial instruments, all foreign currency receivables and payables and all short-term and long-term borrowings. Market risk comprises three types of risk: interest rate risk, currency risk and other price risks such as equity price risk.

i. Interest risk:

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument shall fluctuate because of changes in the market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term obligations with floating interest rates.

For the years ended 31 March 2020 and 31 March 2019, every 50 basis point decrease in the floating interest rate component applicable to the Company's long-term borrowings would have increase/(decrease) the profit/(loss) before tax by approximately ₹55.01 and ₹47.89 respectively. A 50 basis point increase in floating interest rate would have led to an equal but opposite effect.

ii. Foreign currency risk:

Foreign currency risk is the risk that the fair value or future cash flows of an exposure shall fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's operating and investing activities (when revenue or expense including capital expenditure is denominated in a foreign currency). The exposure of foreign currency risk to the entity is low as it enters very limited transactions in foreign currencies. The Company uses foreign exchange forward contracts to offset its exposure in foreign currency risk.

The carrying amounts of the Company's unhedged foreign currency denominated monetary items in ₹ terms as at 31 March 2020 and 31 March 2019 are as follows:

Financial assets - Trade receivables

Particulars	As at 31 March 2020	As at 31 March 2019
- USD	-	2,521.15

Financial liabilities- capital creditors

Particulars	As at 31 March 2020	As at 31 March 2019
- EURO	-	44.60

Foreign currency sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in USD and EURO exchange rates, with all other variables held constant.

Particulars	Impact on profit/(loss) before tax for the year ended	
	31 March 2020	31 March 2019
USD sensitivity		
₹/USD - Increase by 5%	-	126.06
₹/USD - Decrease by 5%	-	(126.06)
EURO sensitivity		
₹/EURO - Increase by 5%	-	(2.23)
₹/EURO - Decrease by 5%	-	2.23

Summary of the significant accounting policies and other explanatory information

(All amounts in ₹ lakhs, except share data and where otherwise stated)

iii. Derivative financial instruments:

The following table gives details in respect of outstanding derivative contracts. The counterparty for these contracts are banks.

Particulars	Sell	As at	
		31 March 2020	31 March 2019
Derivatives not designated as hedge			
Forward contracts	USD	-	US\$36.50

iv. Equity price risk:

The Company's listed and non-listed equity securities are susceptible to market price risk arising from uncertainties about future values of the investment securities. The Company manages the equity price risk through diversification and by placing limits on individual and total equity instruments. Reports on the equity portfolio are submitted to the Company's senior management on a regular basis. The Company's Board of Directors reviews and approves all equity investment decisions.

At the reporting date, the exposure to unlisted equity securities at fair value was ₹26.02 (31 March 2019: ₹26.02). Sensitivity analyses of these investments have been provided in Note 35.

At the reporting date, the exposure to listed equity securities at fair value was ₹14,386.43 (31 March 2019: ₹82,606.89). A decrease of 5% in market price of the securities, which are measured at FVTPL, would have an adverse impact of ₹539.42 (31 March 2019: ₹3,097.44) on the Statement of Profit and loss of the Company, and an increase in prices, a vice versa impact. Further decrease of 5% in market price of the securities, which are measured at FVTOCI, would have an adverse impact of ₹179.91 (31 March 2019: ₹1,032.90) on the OCI of the Company, and an increase in prices, a vice versa impact.

38. Capital risk management

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other reserves attributable to the equity holders. The primary objective of the Company's capital management is to maximise the shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payments to shareholders, return capital to shareholders or issue new shares. The Company monitors capital using a gearing ratio, which is net debt divided by total equity plus net debt. The Company's policy is to keep the gearing ratio between 15% and 35%. The Company includes within net debt, borrowings from banks less cash and cash equivalents. Borrowings from banks comprise of term loans and loans repayable on demand.

Particulars	As at	
	31 March 2020	31 March 2019
Borrowings from banks (note 19 and 20)*	27,866.94	27,538.62
Less: Cash and cash equivalents (note 15(i))	(5,332.33)	(6,260.14)
Net debt (A)	22,534.61	21,278.48
Total equity (B)	46,233.07	80,496.18
Net debt and total equity (A) + (B)	68,767.68	101,774.66
Gearing ratio (%)	32.77%	20.91%

*During the previous year ended 31 March 2019, borrowings from banks also included finance lease obligations aggregating to ₹227.36, which has been reclassified to lease liabilities on transition to Ind AS 116 during the current year.

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the borrowings. Breaches in meeting the financial covenants would permit the lenders to immediately call back the borrowings. There was no breach in the financial covenants of any borrowings during the year ended 31 March 2020 and 31 March 2019.

No changes were made in the objectives, policies or processes for managing capital during the years ended 31 March 2020 and 31 March 2019.

39. Disclosure of Interest in subsidiary, joint venture and associate:

	Nature of relationship	Country of Incorporation	Ownership interest (%)

Notes:

- The sales to and purchases from related parties are made on terms equivalent to those that prevail in arm's length transactions. Outstanding balances at the year-end are unsecured and interest free and settlement occurs in cash. There have been no guarantees provided or received for any related party receivables or payables. For the year ended 31 March 2020, the Company has not recorded any impairment of receivables relating to amounts owed by related parties (31 March 2019: Nil). This assessment is undertaken each financial year through examining the financial position of the related parties and the market in which such parties operates.
- As at 31 March 2020 and 31 March 2019, the Company has outstanding guarantees given to bankers towards loans availed by its wholly owned subsidiary i.e. Heritage Nutrivet Limited and its joint venture i.e. Heritage Novandie Foods Private Limited. Amount outstanding to bankers by Heritage Nutrivet Limited and Heritage Novandie Foods Private Limited as at 31 March 2020 is ₹2,613.83 (31 March 2019: ₹1,606.55).
- Post-employment and other long-term benefits, disclosed above, does not include those benefits which are computed for the Company as a whole.

Summary of the significant accounting policies and other explanatory information

(All amounts in ₹ lakhs, except share data and where otherwise stated)

42. Segment reporting

In accordance with Ind AS 108 - 'Operating segments', segment information has been given in the consolidated financial statements of the Company and therefore no separate disclosure on segment information is given in these standalone financial statements.

43. Contingent liabilities and commitments

Particulars	As at	
	31 March 2020	31 March 2019
(a) Commitments		
(i) Estimated amount of contracts remaining to be executed on capital account and not provided for	2,716.57	505.26
(ii) Other commitments		
- Export obligation upto the year 2022-23 against import of capital goods under EPCG scheme	-	324.96
(b) Contingent liabilities		
Claims against the Company not acknowledged as debts		
- Disputed purchase tax levied under Andhra Pradesh Value Added Tax Act, 2005 on purchase of milk	95.12	95.12
- Disputed Input tax credit disallowed under Tamil Nadu Value Added Tax Act, 2006	-	32.50
- Disputed Input tax credit disallowed under Andhra Pradesh Value Added Tax Act, 2005	46.88	46.88
- Disputed Entry tax levied under Telangana Tax on Entry of Goods into Local Areas Act, 2001 on interstate purchases of certain items	103.42	-
- Disputed milk cess levied on installed capacity under the Haryana Murrah Buffalo and other Milch Animal Breed Act, 2001.	103.07	95.37
(c) Guarantees excluding financial guarantees	40.48	46.84
(d) Other money for which the Company is contingently liable		
'C' form under collection	-	18.36
(e) The Hon'ble Supreme Court (SC) has clarified in the case of Vivekananda Vidyamandir And Others Vs The Regional Provident Fund Commissioner (II) West Bengal that various allowances like conveyance allowance, special allowance, education allowance, medical allowance etc., paid uniformly and universally by an employer to its employees shall form part of basic wages for computation of the provident fund contribution. On the basis of internal evaluation, supported by a legal opinion from an independent legal expert, the management has determined that there is no impact of the aforesaid ruling on the standalone financial statements of the Company.		

44. Leases

Transition to Ind AS 116

Effective April 1, 2019, the Company adopted Ind AS 116 "Leases" and applied the standard to all lease contracts existing on 1 April 2019 using the modified retrospective method and has taken the cumulative adjustment to retained earnings, on the date of initial application. Consequently, the Company recorded the lease liability at the present value of the lease payments discounted at the incremental borrowing rate and the right-of-use ("ROU") asset at its carrying amount as if the standard had been applied since the commencement date of the lease, but discounted at the Company's incremental borrowing rate at the date of initial application. Comparatives as at and for the year ended 31 March 2019 have been not retrospectively adjusted and therefore shall continue to be reported in accordance with the accounting policies included as part of the Annual Report for the year ended 31 March 2019.

On transition, the adoption of the new standard resulted in recognition of 'Right of Use' asset of ₹674.91 and a lease liability of ₹714.08. The cumulative effect of applying the standard, amounting to ₹29.31 was debited to retained earnings, net of taxes. The effect of this adoption is insignificant on the loss before tax, loss for the year and earnings per equity share. Ind AS 116 has resulted in an increase in cash inflows from operating activities and an increase in cash outflows from investing activities on account of lease payments.

Summary of the significant accounting policies and other explanatory information

(All amounts in ₹ lakhs, except share data and where otherwise stated)

The following is the summary of practical expedients elected on initial application :

1. Applied a single discount rate to a portfolio of leases of similar assets in similar economic environment with a similar end date.
2. Applied the exemption not to recognize ROU assets and liabilities for leases with less than 12 months of lease term on the date of initial application.
3. Excluded the initial direct costs from the measurement of the ROU assets at the date of initial application.
4. Applied the practical expedient to grandfather the assessment of which transactions are leases. Accordingly, Ind AS 116 is applied only to contracts that were previously identified as leases under Ind AS 17.

The movement in lease liabilities during the year ended 31 March 2020 is as follows:

Particulars	Amount
Balance at the beginning of the year	941.45
Additions during the year	-
Finance cost accrued during the year	31.40
Payment of lease liabilities	(317.88)
Lease liabilities as at 31 March 2020	654.97
Current lease liabilities	294.04
Non-current lease liabilities	360.93

The details of the contractual maturities of lease liabilities as at 31 March 2020 on an undiscounted basis are as follows:

Particulars	Amount
Less than one year	346.05
One to five years	313.38
More than five years	66.71
Total	726.14

The Company does not face a significant liquidity risk with regard to its lease liabilities as the current assets are sufficient to meet the obligations related to lease liabilities as and when they fall due.

Rental expense recorded for short-term leases was ₹306.99 for the year ended 31 March 2020. Leases not yet commenced to which the Company is committed amounts to ₹65.75 for a lease term ranging from 3 to 5 years.

45. Derivative contract

The Company entered into an agreement with Future Retail Limited ("FRL") (the "Implementation Agreement") dated 7 November 2016, under which the Company agreed to share an upside with FRL in the following manner upon sale of shares, which the Company has received as a consideration under the composite scheme of arrangement approved by the National Company Law Tribunal between the Company, FRL, HNL and their respective shareholders and creditors.

If the net consideration by the Company, after deducting taxes statutorily required to be paid to any tax authority in respect of such sale of shares, (the "Share Sale Consideration"),

- (i) is less than or equal to ₹40,000, then the Company shall be entitled to retain the entire share sale consideration
- (ii) exceeds ₹40,000 but is less than or equal to ₹50,000, then the Company shall subscribe to a total of 1,000 equity shares of FRL by paying an amount equal to the 50% of such excess over ₹40,000.
- (iii) exceeds ₹50,000, then the Company shall subscribe to a total of 1,000 equity shares of FRL by paying amount equal to the 50% of such excess between ₹40,000 and ₹50,000 and 75% of excess over ₹50,000.

The Company recognized the above contractual provisions of the Implementation Agreement as derivative financial instrument.

46. Disclosure under Micro, Small and Medium Enterprises Development Act, 2006

The creditors covered by Micro, Small and Medium Enterprises Development Act, 2006 ("the MSMED Act, 2006") have been identified on the basis of information available with the Company. Disclosures in respect of the amounts payable to such parties are given below:

Particulars	As at	
	31 March 2020	31 March 2019
(i) The principal amount remaining unpaid as at the end of the year.	523.89	752.81
(ii) The amount of interest accrued and remaining unpaid on (i) above.	0.05	0.67
(iii) Amount of interest paid by the Company in terms of Section 16, of the MSMED Act, 2006 along with the amounts of payments made beyond the appointed date during the year.	-	-
(iv) The amount of interest due and payable for the period (where the principal has been paid but interest under the MSMED Act, 2006 not paid)	-	-
(v) The amount of further interest remaining due and payable in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprises for the purpose of disallowance as a deductible expenditure under Section 23 of the MSMED Act, 2006.	0.05	0.67

Notes:

- (a) Explanation - The terms 'appointed day', 'buyer', 'enterprise', 'micro enterprise', 'small enterprise' and 'supplier' shall have the same meaning as assigned to them under clauses (b),(d),(e), (h), (m) and (n) respectively of section 2 of the Micro, Small and Medium Enterprises Development Act, 2006.
- (b) This information required to be disclosed has been determined to the extent such parties have been identified on the basis of information available with the company. The auditors have placed reliance on the information provided by the management. This is the summary of significant accounting policies and other explanatory information referred to in our report of even date.

INDEPENDENT AUDITOR'S REPORT

To the Members of
Heritage Foods Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

1. We have audited the accompanying consolidated financial statements of Heritage Foods Limited ('the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group'), its associate and joint venture, as listed in Annexure 1, which comprise the Consolidated Balance Sheet as at 31 March 2020, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors on separate financial statements and on the other financial information of the subsidiaries and joint venture, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under section 133 of the Act, of the consolidated state of affairs of the Group, its associate and joint venture, as at 31 March 2020, and their consolidated loss (including other comprehensive income), consolidated cash flows and the consolidated changes in equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in paragraph 15 of the Other Matters section below, is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matter

4. Key audit matters are those matters that, in our professional judgment and based on the consideration of the report of the other auditor on separate financial statements of the joint venture, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.
5. We have determined the matter described below to be the key audit matter to be communicated in our report.

Key audit matter	How our audit addressed the key audit matter
<p>Revenue recognition</p> <p>Revenue from sale of goods is recognised when control of the products being sold is transferred to the customer and when there are no longer any unfulfilled obligations. The performance obligations in the contracts are fulfilled at the time of dispatch, delivery or upon formal customer acceptance depending on terms.</p>	<p>Our audit included, but was not limited to, the following procedures:</p> <ul style="list-style-type: none"> • Assessed the appropriateness of the revenue recognition accounting policies, including those relating to discounts in accordance with Ind AS 115 – Revenue from contracts with customers ('Ind AS 115').

Key audit matter	How our audit addressed the key audit matter
<p>Majority of the Holding Company's sales arrangements are on a point of sale basis and requires little judgement to be exercised.</p> <p>Discounts are material and there are arrangements with varying terms based on schemes implemented throughout the year.</p> <p>There is a risk of revenue being overstated, resulting from pressure the management may feel to achieve performance targets at the reporting period end.</p> <p>Due to the materiality of amounts involved and above said considerations, revenue recognition from sale of goods is determined to be a key audit matter for the current year audit.</p> <p>Refer Note 3(e) to the Consolidated Financial Statements – Summary of the significant accounting policies and Note 25 for the revenue recognized during the year.</p>	<ul style="list-style-type: none"> • Evaluated the integrity of the general information and technology control environment and tested the operating effectiveness of Key IT application controls. • Evaluated the design and implementation of Holding Company's controls in respect of revenue recognition, including discounts. • Performed substantive testing by selecting samples of revenue transactions recorded during the year by verifying the underlying documents, which included trip sheets, invoices, shipping documents and evidence of collection of receipts, as appropriate. • Performed substantive testing by selecting samples of discount transactions recorded during the year and comparing the parameters used in the calculation of the discounts with the relevant source documents (including invoices and schemes) to assess whether the methodology adopted in the calculation of the discounts was in accordance with the terms and conditions defined in the schemes. • Performed cut-off testing by selecting samples of revenue transactions recorded before and after the financial year end date by tracing to the relevant underlying documentation, to assess whether the revenue was recognized in the correct period. • Assessed manual journal entries posted to revenue to identify unusual items and tested such entries on a sample basis. • Evaluated appropriateness of disclosures made in the financial statements in accordance with the requirements of Ind AS 115 and other applicable regulations.

Information other than the Consolidated Financial Statements and Auditor's Report thereon

6. The Holding Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

7. The accompanying consolidated financial statements have been approved by the Holding Company's Board of Directors. The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated state of affairs (consolidated financial position), consolidated profit or loss (consolidated financial performance including other

comprehensive income), consolidated changes in equity and consolidated cash flows of the Group including its associate and joint venture in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act. The Holding Company's Board of Directors is also responsible for ensuring accuracy of records including financial information considered necessary for the preparation of consolidated Ind AS financial statements. Further, in terms of the provisions of the Act, the respective Board of Directors/management of the companies included in the Group, and its associate company and joint venture company covered under the Act are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act, for safeguarding the assets and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. These financial statements have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

8. In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associate and joint venture are responsible for assessing the ability of the Group and of its associate and joint venture to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intend to liquidate the Group or to cease operations, or has no realistic alternative but to do so.
9. Those Board of Directors are also responsible for overseeing the financial reporting process of the companies included in the Group and of its associate and joint venture.

Auditor's Responsibilities for the Audit of the Financial Statements

10. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
11. As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company, its subsidiary company and its associate company (covered under the Act) have adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associate and joint venture to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associate and joint venture to cease to continue as a going concern; and
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information of the entities within the Group, and its associate and joint venture, to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the audit of financial statements of such entities included in the financial statements, of which we are the independent auditors. For the other entities included in the financial statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.
12. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
 13. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
 14. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

15. We did not audit the financial statements of a subsidiary, whose financial statements reflect total assets of ₹110.00 lakhs and net assets of ₹96.34 lakhs as at 31 March 2020, total revenues of ₹24.17 lakhs and net cash outflows amounting to ₹37.80 lakhs for the year ended on that date, as considered in the consolidated financial statements. The consolidated financial statements also include the Group's share of net loss (including other comprehensive income) of ₹70.04 lakhs for the year ended 31 March 2020, as considered in the consolidated financial statements, in respect of a joint venture, whose financial statements has not been audited by us. These financial statements have been audited by other auditors whose reports have been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiary and joint venture and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiary and joint venture, is based solely on the reports of the other auditors.

Our opinion above on the consolidated financial statements, and our report on other legal and regulatory requirements below, are not modified in respect of the above matter with respect to our reliance on the work done by and the reports of the other auditors.

16. We did not audit the financial information of a subsidiary, whose financial information reflect total assets of ₹159.15 lakhs and net assets of ₹118.83 lakhs as at 31 March 2020, total revenues of ₹8.82 lakhs and net cash outflows amounting to ₹0.66 lakhs for the year ended on that date, as considered in the consolidated financial statements. This financial information is unaudited and have been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of the aforesaid subsidiary and our report in terms of sub-section (3) of Section 143 of the Act in so far as it relates to the aforesaid subsidiary, is based solely on such unaudited financial information. In our opinion and according to the information and explanations given to us by the management, this financial information is not material to the Group.

Our opinion above on the consolidated financial statements, and our report on other legal and regulatory requirements below, are not modified in respect of the above matter with respect to our reliance on the financial information certified by the management.

Report on Other Legal and Regulatory Requirements

17. As required by section 197(16) of the Act, based on our audit and on the consideration of the report of the other auditor, referred to in paragraph 15, on separate financial statements of the joint venture, we report that the Holding Company covered under the Act paid remuneration to their respective directors during the year in accordance with the provisions of and limits laid down under section 197 read with Schedule V to the Act. Further, we report that the provisions of section 197 read with Schedule V to the Act are not applicable to the joint venture covered under the Act, since it is not a public company as defined under section 2(71) of the Act.

Further, we report that a subsidiary company and an associate company covered under the Act have not paid or provided for any managerial remuneration during the year. Accordingly, reporting under section 197(16) of the Act is not applicable in respect of such subsidiary company and associate company.

18. As required by Section 143 (3) of the Act, based on our audit and on the consideration of the reports of the other auditors on separate financial statements of the subsidiary, associate and joint venture, we report, to the extent applicable, that:
- a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated financial statements;
 - b) in our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors;
 - c) the consolidated financial statements dealt with by this report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements;
 - d) in our opinion, the aforesaid consolidated financial statements comply with Ind AS specified under section 133 of the Act;
 - e) on the basis of the written representations received from the directors of the Holding Company and taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary company, associate company and joint venture company covered under the Act, none of the directors of the Group companies, its associate company and joint venture company covered under the Act, are disqualified as on 31 March 2020 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) with respect to the adequacy of the internal financial controls with reference to financial statements of the Holding Company, its subsidiary company and an associate company covered under the Act, and the operating effectiveness of such controls, refer to our separate report in 'Annexure A';
 - g) with respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements of the subsidiary, associate and joint venture:
 - i. the consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group, its associate and joint venture as at 31 March 2020, as detailed in Note 42(b) to the consolidated financial statements;
 - ii. the Holding Company, its subsidiary, its associate and joint venture did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at 31 March 2020;
 - iii. there has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the subsidiary company, associate company and joint venture company covered under the Act, during the year ended 31 March 2020; and
 - iv. the disclosure requirements relating to holdings as well as dealings in specified bank notes were applicable for the period from 8 November 2016 to 30 December 2016, which are not relevant to these consolidated financial statements. Hence, reporting under this clause is not applicable.

INDEPENDENT AUDITOR'S REPORT ON THE INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO FINANCIAL STATEMENTS UNDER CLAUSE (i) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 ('THE ACT')

1. In conjunction with our audit of the consolidated financial statements of Heritage Foods Limited ('the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group'), its associate and joint venture as at and for the year ended 31 March 2020, we have audited the internal financial controls with reference to financial statements of the Holding Company, its subsidiary company and its associate company, which are companies covered under the Act, as at that date.

Responsibilities of Management and Those Charged with Governance for Internal Financial Controls

2. The respective Board of Directors of the Holding Company, its subsidiary company and its associate company, which are companies covered under the Act, are responsible for establishing and maintaining internal financial controls based on internal control over financial reporting criteria established by the Holding Company, its subsidiary company and its associate company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ("Guidance Note") issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility for the Audit of the Internal Financial Controls with Reference to Financial Statements

3. Our responsibility is to express an opinion on the internal financial controls with reference to financial statements of the Holding Company, its subsidiary company and its associate company, as aforesaid, based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the ICAI prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements, and the Guidance Note issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to financial statements of the Holding Company, its subsidiary company and its associate company as aforesaid.

Meaning of Internal Financial Controls with Reference to Financial Statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Holding Company, its subsidiary company and its associate company, which are companies covered under the Act, have in all material respects, adequate internal financial controls with reference to financial statements and such controls were operating effectively as at 31 March 2020, based on the internal control over financial reporting criteria established by considering the essential components of internal control stated in the Guidance Note issued by ICAI.

Notes to the Consolidated Financial Statements

for the year ended March 31 2020

1. Corporate information

The consolidated financial statements of “Heritage Foods Limited” (“the Company” or “the Holding Company” or “HFL” or “Parent Company” or “Parent”) and its subsidiaries (collectively referred to as “Group”) are for the year ended 31 March 2020. The Company is a public company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. Its shares are listed on two recognised stock exchanges in India. The registered office of the Company is located at #6-3-541/C, Punjagutta, Hyderabad - 500082.

The Group is principally engaged in the provision of dairy, renewable energy and feed products.

The consolidated financial statements were approved for issue in accordance with a resolution of the directors on 27 May 2020.

2. Significant accounting policies

a. Basis of preparation

The consolidated financial statements of the Group have been prepared and presented in accordance with all the material aspects of the Indian Accounting Standards (‘Ind AS’) as notified under section 133 of the Companies Act 2013 read with the Companies (Indian Accounting Standards) Rules 2015 (by Ministry of Corporate Affairs (‘MCA’)) and relevant amendment rules issued there after and guidelines issued by the Securities Exchange Board of India (‘SEBI’). The Group has uniformly applied the accounting policies during the periods presented.

The consolidated financial statements have been prepared on a going concern basis under historical cost, except for the following:

- certain financial assets and liabilities are measured either at fair value or at amortised cost depending on the classification; and
- employee defined benefit assets/ (liability) are recognised as the net total of the fair value of plan assets, plus actuarial losses, less actuarial gains and the present value of the defined benefit obligation.

The consolidated financial statements are presented in ₹ and all values are rounded to the nearest lakhs, except when otherwise indicated.

Accounting policies have been consistently applied except where a newly issued Accounting Standard is initially adopted or a revision to an existing accounting standard

requires a change in the accounting policy hitherto in use or for the purpose of better presentation of financial statements. Management evaluates all recently issued or revised Accounting Standards on an ongoing basis and accordingly changes the Accounting policies as applicable.

b. Basis of consolidation

The consolidated financial statements comprise the financial statements of the Company and its subsidiaries. Control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Specifically, the Group controls an investee if and only if the Group has:

- Power over the investee (i.e. existing rights that give it the current ability to direct the relevant activities of the investee)
- Exposure, or rights, to variable returns from its involvement with the investee, and
- The ability to use its power over the investee to affect its returns

Generally, there is a presumption that a majority of voting rights result in control. To support this presumption and when the Group has less than a majority of the voting or similar rights of an investee, the Group considers all relevant facts and circumstances in assessing whether it has power over an investee, including:

- The contractual arrangement with the other vote holders of the investee
- Rights arising from other contractual arrangements
- The Group’s voting rights and potential voting rights
- The size of the Group’s holding of voting rights relative to the size and dispersion of the holdings of the other voting rights holders

The Group re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control. Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or disposed off during the year are included in the consolidated financial statements from the date the Group gains control until the date the Group ceases to control the subsidiary.

Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the Group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that Group member's financial statements in preparing the consolidated financial statements to ensure conformity with the Group's accounting policies.

The financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the Parent Company, i.e., year ended on 31 March. When the end of the reporting period of the Parent Company is different from that of a subsidiary, the subsidiary prepares, for consolidation purposes, additional financial information as of the same date as the financial statements of the Parent Company to enable the Parent Company to consolidate the financial information of the subsidiary, unless it is impracticable to do so.

Consolidation procedure:

- Combine like items of assets, liabilities, equity, income, expenses and cash flows of the Parent Company with those of its subsidiaries. For this purpose, income and expenses of the subsidiary are based on the amounts of the assets and liabilities recognised in the consolidated financial statements at the acquisition date.
- Offset (eliminate) the carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary. Business combinations policy explains how to account for any related goodwill or capital reserve.
- Eliminate in full intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between entities of the Group (profits or losses resulting from intragroup transactions that are recognised in assets, such as inventory and fixed assets, are eliminated in full). Intragroup losses may indicate an impairment that requires recognition in the consolidated financial statements. Ind AS12 Income Taxes applies to temporary differences that arise from the elimination of profits and losses resulting from intragroup transactions.

Profit or loss and each component of other comprehensive income (OCI) are attributed to the equity holders of the parent of the Group and to the non-controlling interests, even if this results in the non-controlling interests having a deficit balance.

A change in the ownership interest of a subsidiary, without a loss of control, is accounted for as an equity transaction. If the Group loses control over a subsidiary, it:

- Derecognises the assets (including goodwill) and liabilities of the subsidiary
- Derecognises the carrying amount of any non-controlling interests
- Derecognises the cumulative translation differences recorded in equity
- Recognises the fair value of the consideration received
- Recognises the fair value of any investment retained
- Recognises any surplus or deficit in the statement of profit and loss
- Reclassifies the parent's share of components previously recognised in OCI to the statement of profit and loss or retained earnings, as appropriate, as would be required if the Group had directly disposed of the related assets or liabilities

List of entities included in the consolidated financial statements is as under:

Name of the entity	Relationship	Country of incorporation	Proportion of ownership interest as at	
			31 March 2020	31 March 2019
Heritage Nutrivet Limited ("HNL")	Subsidiary	India	100%	100%
Heritage Novandie Foods Private Limited	Joint venture	India	50%	50%
SKIL Raigam Power (India) Limited	Associate	India	44.83%	44.83%
Heritage Farmer Welfare Trust	Trust	India	0%	0%
Heritage Employee Welfare Trust*	Trust	India	0%	0%

*The Board of Directors of the Company passed a resolution on 24 March 2017 to discontinue all the activities of the trust with effect from 1 April 2017, except for loan recoveries from employees.

3. Summary of significant accounting policies

a. Investments in associate and joint venture

An associate is an entity over which the Group has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee, but is not control or joint control over those policies.

A joint venture is a type of joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the joint venture. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require unanimous consent of the parties sharing control.

The Group's investments in its associate and joint venture are accounted for using the equity method. Under the equity method, the investment in an associate or a joint venture is initially recognised at cost. The carrying amount of the investment is adjusted to recognise changes in the Group's share of net assets of the associate or joint venture since the acquisition date. Goodwill relating to the associate or joint venture is included in the carrying amount of the investment and is not tested for impairment individually.

The statement of profit and loss reflects the Group's share of the results of operations of the associate or joint venture. Any change in OCI of those investees is presented as part of the Group's OCI. In addition, when there has been a change recognised directly in the equity of the associate or joint venture, the Group recognises its share of any changes, when applicable, in the statement of changes in equity. Unrealised gains and losses resulting from transactions between the Group and the associate or joint venture are eliminated to the extent of the interest in the associate or joint venture.

If an entity's share of losses of an associate or a joint venture equals or exceeds its interest in the associate or joint venture (which includes any long term interest that, in substance, form part of the Group's net investment in the associate or joint venture), the entity discontinues recognising its share of further losses.

Additional losses are recognised only to the extent that the Group has incurred legal or constructive obligations or made payments on behalf of the associate or joint venture. If the associate or joint venture subsequently

reports profits, the entity resumes recognising its share of those profits only after its share of the profits equals the share of losses not recognised.

The aggregate of the Group's share of profit or loss of an associate and a joint venture is shown on the face of the statement of profit and loss.

The financial statements of the associate or joint venture are prepared for the same reporting period as the Group. When necessary, adjustments are made to bring the accounting policies in line with those of the Group.

After application of the equity method, the Group determines whether it is necessary to recognise an impairment loss on its investment in its associate or joint venture. At each reporting date, the Group determines whether there is objective evidence that the investment in the associate or joint venture is impaired. If there is such evidence, the Group calculates the amount of impairment as the difference between the recoverable amount of the associate or joint venture and its carrying value, and then recognises the loss in the statement of profit and loss.

Upon loss of significant influence over the associate or joint control over the joint venture, the Group measures and recognises any retained investment at its fair value. Any difference between the carrying amount of the associate or joint venture upon loss of significant influence or joint control and the fair value of the retained investment and proceeds from disposal is recognised in the statement of profit and loss.

b. Current versus non-current classification

The Group presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or

- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Group has identified twelve months as its operating cycle.

c. Foreign currencies

The functional currency of the Holding Company, its subsidiary and controlled trusts is Indian rupee (INR). These financial statements are presented in Indian rupees, which is Holding Company's functional currency.

Transactions in foreign currency are initially recorded at exchange rates prevailing on the date of transactions.

Monetary items denominated in foreign currencies (such as cash, receivables, payables etc.) outstanding at the end of reporting period, are translated at the functional currency spot rate of exchange at the reporting date. Exchange differences arising on settlement or translation of monetary items are recognised in the statement of profit and loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.

Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or profit or loss are also recognised in OCI or profit or loss, respectively).

Any gains or losses arising due to differences in exchange rates at the time of translation or settlement are accounted for in the Statement of Profit and Loss either under the head foreign exchange fluctuation or interest cost, as the case may be, except those relating to long-term foreign currency monetary items.

d. Fair value measurement

The Group measures financial instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction

between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Group.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Group's management determines the policies and procedures for both recurring fair value measurement, such as derivative instruments and unquoted financial assets measured at fair value, and for non-recurring measurement, such as assets held for distribution in discontinued operations.

External valuers are involved for valuation of significant assets, such as unquoted financial assets, and significant liabilities, such as contingent consideration. Involvement

of external valuers is decided upon annually by the management. Selection criteria include market knowledge, reputation, independence and whether professional standards are maintained.

At each reporting date, the management analyses the movements in the values of assets and liabilities which are required to be re-measured or re-assessed as per the Group's accounting policies. For this analysis, the management verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.

For the purpose of fair value disclosures, the Group has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

e. Revenue recognition

The Group derives revenues primarily from manufacturing, marketing and trading of milk, dairy products and feed. It is also engaged in generation of power and trading of dairy and food commodities.

Effective 1 April 2018, the Group adopted Ind AS 115, Revenue from Contracts with Customers, using the modified retrospective application method. The impact on adoption of Ind AS 115 was nil.

Revenue is recognized on satisfaction of performance obligation upon transfer of control of promised products or services to customers in an amount that reflects the consideration the Group expects to receive in exchange for those products or services.

Revenue is measured on the basis of contracted price, after deduction of any discounts and any taxes or duties collected on behalf of the Government such as goods and services tax, etc. Discounts are recognised in accordance with the schemes implemented by the Group. Revenue is only recognised to the extent that it is highly probable a significant reversal will not occur.

The Group does not expect to have any contracts where the period between the transfer of the promised goods or services to the customer and payment by the customer exceeds one year. As a consequence, it does not adjust any of the transaction prices for the time value of money.

The Group satisfies a performance obligation and recognises revenue over time, if one of the following criteria is met:

- The customer simultaneously receives and consumes the benefits provided by the Company's performance as the Company performs; or

- The Company's performance creates or enhances an asset that the customer controls as the asset is created or enhanced; or
- The Company's performance does not create an asset with an alternative use to the Company and an entity has an enforceable right to payment for performance completed to date.

For performance obligations where one of the above conditions are not met, revenue is recognised at the point in time at which the performance obligation is satisfied.

Revenue from sale of products and services is recognised at the time when performance obligation is satisfied.

Interest Income

For all debt instruments measured either at amortised cost or at fair value through other comprehensive income, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortised cost of a financial liability. When calculating the effective interest rate, the Group estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses. Interest income is included under other income in the statement of profit and loss.

Dividend Income

Dividend income is recognized when the Group's right to receive dividend is established.

f. Government grants

Government grants are recognised where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. When the grant relates to an expense item, it is recognised as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed. When the grant relates to an asset, it is recognised as income in equal amounts over the expected useful life of the related asset.

On receipt of grants of non-monetary assets, the asset and the grant are recorded at fair value amounts and released to the statement of profit and loss over the expected useful life in a pattern of consumption of the benefit of the underlying asset i.e. by equal annual installments. When loans or similar assistance are provided by governments or related institutions, with an interest

rate below the current applicable market rate, the effect of this favourable interest is regarded as a government grant. The loan or assistance is initially recognised and measured at fair value and the government grant is measured as the difference between the initial carrying value of the loan and the proceeds received. The loan is subsequently measured as per the accounting policy applicable to financial liabilities.

g. Taxes

Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the Balance Sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, except when the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised, except when the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Minimum Alternate Tax (MAT) credit is recognised as an asset only when and to the extent it is reasonably certain that the Group will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Group will pay normal income tax during the specified period.

Dividend distribution tax (DDT)

Dividend distribution tax arising out of payment of dividends to shareholders under the Indian Income tax regulations is not considered as tax expense for the Group and all such taxes are recognised in the statement of changes in equity as part of the associated dividend payment.

h. Non-current assets held for sale and discontinued operations

The Group classifies non-current assets and disposal groups as held for sale if their carrying amounts will be recovered principally through a sale rather than through continuing use. Actions required to complete the sale should indicate that it is unlikely that significant changes to the sale will be made or that the decision to sell will be withdrawn. Management must be committed to the sale expected within one year from the date of classification.

For these purposes, sale transactions include exchanges of non-current assets for other non-current assets when the exchange has commercial substance. The criteria for held for sale classification is regarded met only when the assets or disposal group is available for immediate sale in its present condition, subject only to terms that are usual and customary for sales of such assets (or disposal groups), its sale is highly probable; and it will genuinely be sold, not abandoned. The Group treats sale of the asset or disposal group to be highly probable when:

- The appropriate level of management is committed to a plan to sell the asset (or disposal group),
- An active programme to locate a buyer and complete the plan has been initiated (if applicable). The asset (or disposal group) is being actively marketed for sale at a price that is reasonable in relation to its current fair value,
- The sale is expected to qualify for recognition as a completed sale within one year from the date of classification, and
- Actions required to complete the plan indicate that it is unlikely that significant changes to the plan will be made or that the plan will be withdrawn.

Non-current assets held for sale and disposal groups are measured at the lower of their carrying amount and the fair value less costs to sell. Assets and liabilities classified as held for sale are presented separately in the balance sheet.

Property, plant and equipment and intangible assets once classified as held for sale are not depreciated or amortised.

A disposal group qualifies as discontinued operation if it is a component of an entity that either has been disposed of, or is classified as held for sale, and:

- Represents a separate major line of business or geographical area of operations,
- Is part of a single co-ordinated plan to dispose of a separate major line of business or geographical area of operations or
- Is a subsidiary acquired exclusively with a view to resale.

Discontinued operations are excluded from the results of continuing operations and are presented as a single amount as profit or loss after tax from discontinued operations in the statement of profit and loss.

Additional disclosures are provided in Note 46. All notes to the financial statements mainly include amounts for continuing operations, unless otherwise mentioned.

i. Property, plant and equipment

Capital Work in progress, Property, plant and equipment are stated at cost net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price (net of discounts and rebates), the cost of replacing the part of plant and equipment and borrowing costs if capitalization criteria are met and any attributable cost of bringing the asset to its working condition and location for the intended use. When significant parts of plant and equipment are required to be replaced at intervals, the Group depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in the statement of profit and loss as incurred. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

Spare parts are capitalized when they meet the definition of PPE, i.e., when the Group intends to use these during more than a period of 12 months.

Depreciation is provided on the basis of straight line method at the useful life and in the manner prescribed in Schedule II of the Companies Act, 2013 except in respect of the following assets, based on technical assessment made by technical expert and management estimate, useful life is different from than those described in Schedule II. Management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

- i) Plant and Machinery: Depreciation on Plant and Machinery is provided on the basis of straight line method based on the useful life ranging from 1 to 30 years. Useful life of each asset is determined based on internal and external technical evaluation.
- ii) Furniture and Fixtures: Depreciation on Furniture and Fixtures is provided on the basis of straight line method based on the useful life ranging from 1 to 15 years.
- iii) Office Equipment: Depreciation on Office Equipment is provided on the basis of straight line method based on the useful life ranging from 1 to 20 years.
- iv) Vehicles: Depreciation on vehicles is provided on the basis of straight line method based on the useful life ranging from 2 to 10 years.
- v) Buildings: Depreciation on buildings is provided on the basis of straight line method based on the useful life ranging from 5 to 40 years.

- vi) Improvements to leasehold property: Depreciation on Improvements to leasehold property is provided over a period of lease.
- vii) Depreciation in respect of its Renewable Energy business is provided on straight line method and at rates/ methodology prescribed under the relevant Central Electricity Regulatory Commission (CERC) regulations.

The useful life provided for different asset classes under schedule II of the Companies Act, 2013 are as follows:

Asset class	Useful life (years)
Buildings	30
Plant and machinery	15
Furniture and Fixtures	10
Vehicles	8
Office Equipment	5

Depreciation on assets which are commissioned during the year is charged on pro-rata basis from the date of commissioning. The Group depreciates general spares over the life of the spare from the date it is available for use.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Gains or losses arising from de-recognition of a tangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit and loss when the asset is derecognised.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

j. Investment property

Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any.

The cost includes the cost of replacing parts and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of the investment property are required to be replaced at intervals, the Group depreciates them separately based on their specific useful lives. All other repair and maintenance costs are recognised in the statement of profit and loss as incurred.

The Group depreciates building component of investment property over the useful life prescribed in Schedule II to the Companies Act, 2013.

Though the Group measures investment property using cost based measurement, the fair value of investment property is disclosed in the note 8 to the consolidated financial statements.

Investment properties are derecognised either when they have been disposed of or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in the statement of profit and loss in the period of de-recognition.

k. Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. The cost of intangible assets acquired in a business combination is their fair value at the date of acquisition. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses. Internally generated intangibles, excluding capitalised development costs, are not capitalised and the related expenditure is reflected in the statement of profit and loss in the period in which the expenditure is incurred.

The useful lives of intangible assets are assessed as either finite or indefinite.

Intangible assets with finite lives are amortised on straight line basis over the estimated useful economic life. The amortisation expense on intangible assets with finite life is recognised in the Statement of Profit and Loss. The estimated useful life of intangible assets is mentioned below:

Asset	Useful life (years)
Brand	5
Non-compete	3
Procurement	5
Computer Software	5
Distribution network	5

Intangible assets with finite lives are assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify

the amortisation period or method, as appropriate, and are treated as changes in accounting estimates. The amortisation expense on intangible assets with finite lives is recognised in the statement of profit and loss unless such expenditure forms part of carrying value of another asset.

Intangible assets with indefinite useful lives are not amortised, but are tested for impairment annually, either individually or at the cash-generating unit level. The assessment of indefinite life is reviewed annually to determine whether the indefinite life continues to be supportable. If not, the change in useful life from indefinite to finite is made on a prospective basis.

Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit and loss when the asset is derecognised.

l. Borrowing cost

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

m. Leases

The Group as a lessee

The Group's lease asset classes primarily consist of leases for land and buildings. The Group assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Group assesses whether: (i) the contract involves the use of an identified asset (ii) the Group has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Group has the right to direct the use of the asset.

At the date of commencement of the lease, the Group recognizes a right-of-use (ROU) asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of 12 months or less (short-term leases) and low value leases. For these short-term and low-value leases, the Group recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements include the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised. The ROU assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses. ROU assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. ROU assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rate. Lease liabilities are remeasured with a corresponding adjustment to the related ROU asset if the Group changes its assessment of whether it will exercise an extension or a termination option.

The Group as a lessor

Leases for which the Group is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases. For operating leases, rental income is recognized on a straight-line basis over the term of the relevant lease.

Refer note 43 to the consolidated financial statements for transition impact on adoption of Ind AS 116 by the Group.

n. Inventories

All inventories except stores, spares, consumables and packaging material, are valued at lower of cost and net realisable value.

- **Raw material** - Cost or net realisable value ("NRV") whichever is lower. However, these items are considered to be realisable at cost if the finished

products, in which they shall be used, are expected to be sold at or above cost. Cost has been ascertained on weighted average cost method.

- **Finished goods** - Cost or NRV whichever is lower - Cost has been ascertained on weighted average cost method.
- **Stores, spares and consumables** - At cost - Cost has been ascertained on FIFO basis.
- **Work in progress** - Cost of NRV whichever is lower - Cost has been ascertained on weighted average cost method basis.
- **Tradable goods** - Cost or NRV whichever is lower - Cost has been ascertained on moving weighted average basis.
- **Packaging material** - At Cost - Cost has been ascertained on FIFO basis.

Cost of inventories comprises following:

- Raw material, stores, spares, consumable stores and packaging material: Cost includes purchase price, import duties and other taxes excluding taxes those are subsequently recoverable from the concerned authorities, freight inwards and other expenditure incurred in bringing such inventories to their present location and condition.
- Finished goods and work in progress: Cost comprises cost of direct material, direct labour and appropriate proportion of variable and fixed overhead expenditure, the latter being allocated on the basis of normal operating capacity, but excluding borrowing costs.
- Tradable goods: cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

o. Impairment of non-financial assets

The Group assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Group estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are

largely independent of those from other assets or groups of assets.

When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

Impairment losses of continuing operations, including impairment on inventories, are recognised in the statement of profit and loss.

For assets excluding goodwill, an assessment is made at each reporting date to determine whether there is an indication that previously recognised impairment losses no longer exist or have decreased. If such indication exists, the Group estimates the asset's or CGU's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years.

p. Provision and contingencies

Provisions

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

When the Group expects some or all of a provision to be reimbursed, reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingencies

Contingent liabilities is identified and disclosed with respect to following:

- a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more

uncertain future events not wholly within the control of the entity; or

- a present obligation that arises from past events but is not recognised because:
 - it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
 - the amount of the obligation cannot be measured with sufficient reliability.

Contingent assets are neither recognized nor disclosed, unless inflow of economic benefits is probable. However, when realization of income is virtually certain, related asset is recognized.

q. Employee benefits

Short term benefits

Short Term Employee Benefits are accounted for in the period during which the services have been rendered.

Post-employment benefits and other long term employee benefits

Provident Fund: Retirement benefit in the form of provident fund is a defined contribution scheme. The contributions to the provident fund administered by the Central Government under the Provident Fund Act, 1952, are charged to the statement of profit and loss for the year in which the contributions are due. The Group has no obligation, other than the contribution payable to the provident fund. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre-payment will lead to a reduction in future payment.

Gratuity: The Group operates a defined benefit gratuity plan in India, which requires contributions to be made to a separately administered fund. The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method.

Remeasurements, comprising mainly of actuarial gains and losses, are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to the statement of profit and loss in subsequent periods.

Leave Encashment: The Group operates a long term leave encashment plan in India. Accrued liability for leave encashment including sick leave is determined on actuarial valuation basis using Projected Unit Credit (PUC) Method at the end of the year and provided completely in profit and loss account as per Ind AS - 19 "Employee Benefits".

r. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- Debt instruments at amortised cost
- Debt instruments at fair value through other comprehensive income (FVTOCI)
- Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL)
- Equity instruments measured at FVTOCI and FVTPL

Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model, whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the statement of profit and loss. The losses arising from impairment are recognised in the statement of profit and loss.

Debt instrument at FVTOCI

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The asset's contractual cash flows represent SPPI.

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI). On de-recognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to the Statement of Profit and Loss. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

Debt instrument at FVTPL

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

Equity instruments

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Group decides to classify the same either as at FVTOCI or FVTPL. The Group makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Group decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to the Statement of Profit and Loss, even on sale of investment. However, the Group may transfer the cumulative gain or loss within equity.

De-recognition

A financial asset is primarily derecognised when:

- The rights to receive cash flows from the asset have expired, or
- The Group has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without

material delay to a third party under a 'pass-through' arrangement and either (a) the Group has transferred substantially all the risks and rewards of the asset, or (b) the Group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Group has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Group continues to recognise the transferred asset to the extent of the Group's continuing involvement. In that case, the Group also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Group has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Group could be required to repay.

Impairment of financial assets

In accordance with Ind AS 109, the Group applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, trade receivables and bank balances
- Financial guarantee contracts which are not measured as at FVTPL
- Lease receivables under Ind AS 116

The Group follows 'simplified approach' for recognition of impairment loss allowance on trade receivables that do not contain a significant financing component.

The application of simplified approach does not require the Group to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Group determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased

significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL is the difference between all contractual cash flows that are due to the Group in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. When estimating the cash flows, an entity is required to consider

- All contractual terms of the financial instrument (including prepayment, extension, call and similar options) over the expected life of the financial instrument. However, in rare cases when the expected life of the financial instrument cannot be estimated reliably, then the entity is required to use the remaining contractual term of the financial instrument. Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the statement of profit and loss (P&L). This amount is reflected under the head 'other expenses' in the statement of profit and loss.

Financial assets measured at amortised cost: ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the Group does not reduce impairment allowance from the gross carrying amount.

Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings or payables, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Group's financial liabilities include trade and other payables, loans and borrowings including derivative financial instruments.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Group that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the statement of profit and loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ loss are not subsequently transferred to P&L. However, the Group may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit and loss. The Group has not designated any financial liability as at fair value through profit and loss.

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in the statement of profit and loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

This category generally applies to borrowings from banks.

Financial guarantee contracts

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the

specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee.

Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation.

Trade and other payables

These amounts represent liabilities for goods and services provided to the Group prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid as per agreed terms. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

De-recognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the consolidated balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

Derivative financial instrument - Initial recognition and subsequent measurement

Derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

Any gains or losses arising from changes in the fair value of derivatives are taken directly to the statement of profit and loss (refer note 44 for details).

s. Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

t. Cash flow statement

The cash flow statement is prepared in accordance with the Indirect method. Cash Flow Statements present the cash flows by operating, financing and investing activities of the Group. Operating cash flows are arrived by adjusting profit or loss before tax for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments, and items of income or expense associated with investing or financing cash flows.

u. Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the consolidated cash flow statement, cash and cash equivalents consist of cash at banks and on hand and deposits, as defined above, net of outstanding loans repayable on demand from banks as they are considered an integral part of the Group's cash management.

v. Cash dividends to equity holders

The Company recognises a liability to make cash distributions to equity holders when the dividend distribution is authorised and the distribution is no longer at the discretion of the Company. As per the corporate laws in India, a distribution is authorised when it is approved by the shareholders. A corresponding reduction is recognised directly in equity.

w. Operating segments

Operating segments are reported in a manner consistent with the internal reporting provided to Chief Operating Decision Maker.

Vice Chairperson and Managing Director, Executive Director, President and Chief Financial Officer have been identified as Chief Operating Decision Maker. Refer note 49 for segment information.

4. Key accounting estimates, judgements and assumptions

The preparation of the consolidated financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below.

a. Defined benefit plans and other long-term benefit plan

The cost and present value of the defined benefit gratuity plan and leave encashment (other long-term benefit plan) are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation and other long term benefits are highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

b. Useful lives of depreciable and amortisable assets

Management reviews the useful lives of depreciable and amortisable assets at each reporting date, based on the expected utility of the assets to the Group.

c. Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the DCF model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values.

d. Leases

Ind AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Group makes an assessment on the expected lease term on a lease-by-lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Group considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of the lease and the importance of the underlying asset to Group's operations taking into account the location of the underlying asset and the availability of suitable alternatives.

5. Standards issued but not effective

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards. There is no such notification which would have been applicable from 1 April 2020.

	(5.43)	17,054.47
	43,638.49	77,935.90

Nature and purpose of reserves

Securities premium

Securities premium is used to record the premium on issue of equity shares. The reserve is utilised in accordance with provisions of the Companies Act, 2013 ("the Act").

Capital reserve

The excess of net assets taken, over the consideration paid, as part of the business combinations have been recorded under the capital reserve during the earlier years.

Capital redemption reserve

Capital redemption reserve was created on buy back of equity shares in the earlier years. The Company uses capital redemption reserve in accordance with the provisions of the Act.

Warrants money appropriated

Warrants money appropriated represents forfeiture of share application money made during the earlier years.

General reserve

The reserve has arisen on transfer of a portion of the net profit pursuant to the earlier provisions of the Companies Act, 1956. Mandatory transfer to general reserve is not required under the Act.

Changes in fair value of equity instruments

This represents the cumulative gains and losses arising on the fair valuation of equity instruments measured at FVTOCI, under an irrevocable option, net of amounts reclassified to retained earnings when such assets are disposed off.

	1,534.60	4,474.32

The major components of income tax expense and the reconciliation of expected tax expense based on the domestic effective tax rate of the Company at 25.168% (31 March 2019: 34.944%) and the reported tax expense in the Consolidated Statement of Profit and Loss is as follows:

Reconciliation of income tax expense and the accounting profit/(loss) multiplied by India's tax rate:

Particulars	For the year ended	
	31 March 2020	31 March 2019
Profit/ (loss) before tax from continuing operations	(15,337.72)	12,752.40
Loss before tax from discontinued operations	(67.70)	(18.63)
Expected tax expense at the Indian tax rate 25.168% (31 March 2019: 34.944%)	(3,877.24)	4,449.69
Tax effect of amounts which are not deductible/ (taxable) in calculating taxable income:		
Effect of deductions allowed under Chapter VI-A of the Income Tax Act, 1961 ("IT Act, 1961)	(72.90)	(272.04)
Effect of expenses not deductible under the IT Act, 1961	12,955.71	387.03
Effect of income not subject to tax under the IT Act, 1961	(7,418.19)	(7.71)
Effect on adoption of Taxation Laws (Amendment) Ordinance, 2019	(410.12)	-
Other adjustments	357.34	(82.65)
Income tax expense	1,534.60	4,474.32

33. Earnings per equity share (EPES)

Particulars	For the year ended	
	31 March 2020	31 March 2019
Attributable to Owners of the Company		
Profit/(loss) from continuing operations	(16,031.23)	8,143.36
Profit from discontinued operations	-	-
Profit/(loss) for the year	(16,031.23)	8,143.36
Weighted average number of equity shares outstanding during the year	46,398,000	46,398,000
Earnings per equity share (in absolute ₹ terms)		
Nominal value per equity share	5.00	5.00
Basic and Diluted EPES from continuing operations	(34.55)	17.55
Basic and Diluted EPES from discontinued operations	-	-
Basic and Diluted EPES from continuing and discontinued operations	(34.55)	17.55

The Company does not have any potential dilutive equity shares as on 31 March 2020 and 31 March 2019.

34. Dividend proposed before approval or issue of the financial statements

The amount of dividend proposed or declared to be paid in cash before the financial statements were approved for issue but not recognised as a distribution to owners during the year ended 31 March 2020 amounts to ₹1,159.95 (₹2.5 per equity share) (31 March 2019: ₹927.96 (₹2 per equity share)). Dividend distribution tax on such dividend distribution amounts to ₹Nil (31 March 2019: ₹190.77).

35. Fair value hierarchy

(i) Financial assets and financial liabilities at fair value on a recurring basis as of the reporting dates are as follows:

Particulars	As at 31 March 2020	As at 31 March 2019
Financial assets		
Fair value hierarchy (Level 1)		
Quoted equity shares	14,386.43	82,606.89
Fair value hierarchy (Level 3)		
Unquoted equity shares	26.02	26.02
Financial liabilities		
Fair value hierarchy (Level 2)		
Derivative liability	-	29,448.88

There are no transfers between levels during the current and previous year ended 31 March 2020 and 31 March 2019 respectively. The Group's policy is to recognise transfers into and transfers out of fair value hierarchy levels at the end of the reporting period.

Valuation technique and inputs used for level 3 instruments:

The fair value of the level 3 instruments has been estimated using the discounted cash flow model. The valuation requires management to make certain assumptions about the model inputs, including forecasting of cash flows, discount rate, credit risk and volatility. The probabilities of the various estimates within the range can be reasonably assessed and are used in the management's estimate of the fair value for these level 3 instruments.

The significant unobservable inputs used in the fair value measurement categorised within Level 3 of the fair value hierarchy together with a quantitative sensitivity analysis as at 31 March 2020 and 31 March 2019 are as shown below:

Summary of the significant accounting policies and other explanatory information

(All amounts in ₹ lakhs, except share data and where otherwise stated)

Significant unobservable inputs*	
Future growth rate	
Discount rate	
Discount for lack of marketability (DFLM)	
*keeping all other inputs constant.	
Reconciliation of level 3 fair value measurement:	
	Amount
As at 1 April 2018	26.02
Changes during the year	-
As at 31 March 2019	26.02
Changes during the year	-
As at 31 March 2020	26.02
Valuation techniques and inputs used for level 2 instruments:	
Derivative liability, in the nature of upside sharing is measured at fair value of equity instruments, based on quoted market prices, adjusted for the formula agreed in the Implementation agreement (refer note 44 for details).	

36. Categories of Financial instruments and their fair values

The carrying amount of all financial assets and financial liabilities appearing in the financial statements are reasonable approximation of their fair values, except for deferred payment liabilities whose fair value amounts to ₹542.81 and ₹616.20 as on 31 March 2020 and 31 March 2019 respectively.

37. Financial risk management objectives and policies

Financial Risk Management Framework

The Group's Board of Directors has an overall responsibility for the establishment and oversight of the Group's risk management framework. The Company's Board of Directors has established Risk Management Committee, which is responsible for developing and monitoring the risk management policies. The Committee reports regularly to the Company's Board of Directors on its activities.

The Group's principal financial liabilities, other than derivatives, comprises of borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Group's operations. The Group's principal financial assets include investments in equity shares, loans, trade and other receivables, and cash and cash equivalents that the Group derives directly from its operations. The Group also holds FVTOCI/FVTPL investments and enters into derivative transactions.

The Group is exposed primarily to Credit risk, Liquidity risk and Market risk (fluctuations in interest rates, foreign currency rates, and prices of equity instruments), which may adversely impact the fair value of its financial instruments. The Group assesses the unpredictability of the financial environment and seeks to mitigate potential adverse effects on the financial performance of the Group.

A. Credit risk

Credit risk is the risk that the counterparty shall not meet its obligations under a financial instrument or customer contract, leading to a financial loss. Credit risk encompasses of both, the direct risk of default and the risk of deterioration of the creditworthiness as well as concentration of risks. Credit risk arises primarily from financial assets such as trade receivables, investment in equity shares, balances with banks, loans and other receivables.

Credit risk is controlled by analyzing credit limits and creditworthiness of the customers on a continuous basis to whom credits have been granted after obtaining necessary approvals. Financial instruments that are subject to concentration of credit risk principally consist of trade receivables, investments, cash and cash equivalents, bank deposits and other financial assets. None of the financial instruments of the Group result in material concentration of credit risk.

Exposure to credit risk

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk was ₹23,343.24 and ₹95,203.76 as of 31 March 2020 and 31 March 2019 respectively, representing carrying amount of all financial assets with the Group.

Financial assets that are neither past due nor impaired

None of the Group's cash equivalents, including fixed deposits, were either past due or impaired as at 31 March 2020 and 31 March 2019.

Financial assets that are past due but not impaired

The Group's credit period for customers generally ranges from 0 - 30 days. The aging of trade receivables, net of those provided for in the books of account is given below:

Particulars	As at 31 March 2020	As at 31 March 2019
0-30 days	1,730.69	3,882.74
31-60 days	446.71	316.81
61-90 days	0.28	-
Greater than 90 days	11.56	35.65
	2,189.24	4,235.20

Ind AS requires expected credit losses to be measured through a loss allowance. The Group assesses at each date of Balance Sheet whether a financial asset or a group of financial assets are impaired. Expected credit losses are measured at an amount equal to 12 months expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial assets have increased significantly since the initial recognition. The Group has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and is adjusted for forward-looking information.

Summary of the significant accounting policies and other explanatory information

(All amounts in ₹ lakhs, except share data and where otherwise stated)

B. Liquidity risk

Liquidity risk refers to the risk that the Group cannot meet its financial obligations as and when they become due. The objective of liquidity risk management is to maintain sufficient liquidity and to ensure that funds are available for meeting due obligations of the Group. The Group manages liquidity risk by maintaining adequate reserves, banking facilities, continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of the financial assets and financial liabilities.

The table below summarises the maturity profile of the Group's financial liabilities based on contractual undiscounted payments:

As at 31 March 2020	On demand	Up to 1 year	More than 1 year	Total
Borrowings excluding deferred payment liabilities	8,844.06	4,383.64	16,687.88	29,915.58
Deferred payment liabilities	-	128.72	534.64	663.36
Trade payables	-	5,994.88	-	5,994.88
Other financial liabilities	-	10,647.79	393.29	11,041.08
Derivatives	-	-	-	-
	8,844.06	21,155.03	17,615.81	47,614.90

As at 31 March 2020	On demand	Up to 1 year	More than 1 year	Total
Borrowings excluding deferred payment liabilities	9,457.58	3,693.46	15,994.12	29,145.16
Deferred payment liabilities	-	128.22	663.36	791.58
Trade payables	-	6,856.87	-	6,856.87
Other financial liabilities	-	10,943.97	-	10,943.97
Derivatives	-	-	29,448.88	29,448.88
	9,457.58	21,622.52	46,106.36	77,186.46

C. Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from adverse changes in the market rates and prices. Market risk is attributable to all market risk-sensitive financial instruments, all foreign currency receivables and payables and all short-term and long-term borrowings. Market risk comprises three types of risk: interest rate risk, currency risk and other price risks such as equity price risk.

i. Interest risk:

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument shall fluctuate because of changes in the market interest rates. The Group's exposure to the risk of changes in market interest rates relates primarily to the Group's long-term obligations with floating interest rates.

For the years ended 31 March 2020 and 31 March 2019, every 50 basis point decrease in the floating interest rate component applicable to the Group's long-term borrowings would have increase/(decrease) the profit/(loss) before tax by approximately ₹64.95 and ₹51.03 respectively. A 50 basis point increase in floating interest rate would have led to an equal but opposite effect.

ii. Foreign currency risk:

Foreign currency risk is the risk that the fair value or future cash flows of an exposure shall fluctuate because of changes in foreign exchange rates. The Group's exposure to the risk of changes in foreign exchange rates relates primarily to the Group's operating and investing activities (when revenue or expense including capital expenditure is denominated in a foreign currency). The exposure of foreign currency risk to the Group is low as it enters very limited transactions in foreign currencies. The Group uses foreign exchange forward contracts to offset its exposure in the foreign currency risk.

The carrying amounts of the Group's unhedged foreign currency denominated monetary items in ₹ terms as at 31 March 2020 and 31 March 2019 are as follows:

Summary of the significant accounting policies and other explanatory information

(All amounts in ₹ lakhs, except share data and where otherwise stated)

Financial assets - Trade receivables

Particulars	As at 31 March 2020	As at 31 March 2019
- USD	-	2,521.15

Financial liabilities- Capital creditors

Particulars	As at 31 March 2020	As at 31 March 2019
- EURO	-	44.60

Foreign currency sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in USD and EURO exchange rates, with all other variables held constant.

Particulars	Impact on profit/(loss) before tax for the year ended	
	31 March 2020	31 March 2019
USD sensitivity		
₹/USD - Increase by 5%	-	126.06
₹/USD - Decrease by 5%	-	(126.06)
EURO sensitivity		
₹/EURO - Increase by 5%	-	(2.23)
₹/EURO - Decrease by 5%	-	2.23

iii. Derivative financial instruments:

The following table gives details in respect of outstanding derivative contracts. The counterparty for these contracts are banks.

Particulars	Sell	As at 31 March 2020	As at 31 March 2019
Derivatives not designated as hedge			
Forward contracts	USD	-	US\$36.50

iv. Equity price risk:

The Group's listed and non-listed equity securities are susceptible to market price risk arising from uncertainties about future values of the investment securities. The Group manages the equity price risk through diversification and by placing limits on individual and total equity instruments. Reports on the equity portfolio are submitted to the Group's senior management on a regular basis. The Group's Board of Directors reviews and approves all equity investment decisions.

At the reporting date, the exposure to unlisted equity securities at fair value was ₹26.02 (31 March 2019: ₹26.02). Sensitivity analyses of these investments have been provided in Note 35.

At the reporting date, the exposure to listed equity securities at fair value was ₹14,386.43 (31 March 2019: ₹82,606.89). A decrease of 5% in market price of the securities, which are measured at FVTPL, would have an adverse impact of ₹539.42 (31 March 2019: ₹3,097.44) on the Statement of Profit and loss of the Group, and an increase in prices, a visa versa impact. Further decrease of 5% in market price of the securities, which are measured at FVTOCI, would have an adverse impact of ₹179.91 (31 March 2019: ₹1,032.90) on the OCI of the Group, and an increase in prices, a visa versa impact.

Summary of the significant accounting policies and other explanatory information

(All amounts in ₹ lakhs, except share data and where otherwise stated)

38. Capital risk management

For the purpose of the Group's capital management, capital includes issued equity capital, share premium and all other reserves attributable to the equity holders. The primary objective of the Group's capital management is to maximise the shareholder value.

The Group manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Group may adjust the dividend payments to shareholders, return capital to shareholders or issue new shares. The Group monitors capital using a gearing ratio, which is net debt divided by total equity plus net debt. The Group's policy is to keep the gearing ratio between 15% and 35%. The Group includes within net debt, borrowings from banks less cash and cash equivalents. Borrowings from banks comprise of term loans and loans repayable on demand.

Particulars	As at 31 March 2020	As at 31 March 2019
Borrowings from banks (note 19 and 20)*	29,915.58	29,145.16
Less: Cash and cash equivalents (note 15(ii))	(5,583.39)	(6,334.86)
Net debt (A)	24,332.19	22,810.30
Total equity (B)	46,173.56	81,426.40
Net debt and total equity (A) + (B)	70,505.75	104,236.70
Gearing ratio (%)	34.51%	21.88%

*During the previous year ended 31 March 2019, borrowings from banks also included finance lease obligations aggregating to ₹227.36, which has been reclassified to lease liabilities on transition to Ind AS 116 during the current year.

In order to achieve this overall objective, the Group's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the borrowings. Breaches in meeting the financial covenants would permit the lenders to immediately call back the borrowings. There is no impact on the consolidated financial statements for the year ended 31 March 2020 due to breaches in a financial covenant attached to the borrowings of the Group. There was no breach in the financial covenants of any borrowings during the previous year ended 31 March 2019.

No changes were made in the objectives, policies or processes for managing capital during the years ended 31 March 2020 and 31 March 2019.

39. Disclosure of Interest in Joint venture and associate:

Particulars	Nature of relationship	Country of Incorporation	Ownership interest (%)	
			As at 31 March 2020	As at 31 March 2019
SKIL Raigam Power (India) Limited	Associate	India	44.83%	44.83%
Heritage Novandie Foods Private Limited	Joint venture	India	50%	50%

40. The Holding company has extended no loans or advances to its associate during the year ended 31 March 2020 and 31 March 2019.

41. Related party disclosures

(a) Names of the related parties and nature of relationship

Names of related parties	Nature of relationship

- Export obligation upto the year 2022-23 against import of capital goods under EPCG scheme	-	324.96

Note: Refer note 47(d) for commitments in respect of a joint venture.

Summary of the significant accounting policies and other explanatory information

(All amounts in ₹ lakhs, except share data and where otherwise stated)

Particulars	As at 31 March 2020	As at 31 March 2019
(b) Contingent liabilities		
Claims against the Group not acknowledged as debts		
- Disputed purchase tax levied under Andhra Pradesh Value Added Tax Act, 2005 on purchase of milk	95.12	95.12
- Disputed Input tax credit disallowed under Tamil Nadu Value Added Tax Act, 2006	-	32.50
- Disputed Input tax credit disallowed under Andhra Pradesh Value Added Tax Act, 2005	46.88	46.88
- Disputed Entry tax levied under Telangana Tax on Entry of Goods into Local Areas Act, 2001 on interstate purchases of certain items	103.42	-
- Disputed milk cess levied on installed capacity under the Haryana Murrah Buffalo and other Milch Animal Breed Act, 2001	103.07	95.37
(c) Guarantees excluding financial guarantees	42.76	46.84
(d) Other money for which the Group is contingently liable		
'C' form under collection	-	18.36
(e) The Hon'ble Supreme Court (SC) has clarified in the case of Vivekananda Vidyamandir And Others Vs The Regional Provident Fund Commissioner (II) West Bengal that various allowances like conveyance allowance, special allowance, education allowance, medical allowance etc., paid uniformly and universally by an employer to its employees shall form part of basic wages for computation of the provident fund contribution. On the basis of internal evaluation, supported by a legal opinion from an independent legal expert, the management has determined that there is no impact of the aforesaid ruling on the consolidated financial statements of the Company.		

43. Leases

Transition to Ind AS 116

Effective 1 April 2019, the Group adopted Ind AS 116 "Leases" and applied the standard to all lease contracts existing on 1 April 2019 using the modified retrospective method and has taken the cumulative adjustment to retained earnings, on the date of initial application. Consequently, the Group recorded the lease liability at the present value of the lease payments discounted at the incremental borrowing rate and the right-of-use ("ROU") asset at its carrying amount as if the standard had been applied since the commencement date of the lease, but discounted at the Group's incremental borrowing rate at the date of initial application. Comparatives as at and for the year ended 31 March 2019 have been not retrospectively adjusted and therefore shall continue to be reported in accordance with the accounting policies included as part of the Annual Report for the year ended 31 March 2019.

On transition, the adoption of the new standard resulted in recognition of 'Right of Use' asset of ₹674.91 and a lease liability of ₹714.08. The cumulative effect of applying the standard, amounting to ₹29.31 was debited to retained earnings, net of taxes. The effect of this adoption is insignificant on the loss before tax, loss for the year and earnings per equity share. Ind AS 116 has resulted in an increase in cash inflows from operating activities and an increase in cash outflows from financing activities on account of lease payments.

The following is the summary of practical expedients elected on initial application:

1. Applied a single discount rate to a portfolio of leases of similar assets in similar economic environment with a similar end date.
2. Applied the exemption not to recognize ROU assets and liabilities for leases with less than 12 months of lease term on the date of initial application.
3. Excluded the initial direct costs from the measurement of the ROU assets at the date of initial application.
4. Applied the practical expedient to grandfather the assessment of which transactions are leases. Accordingly, Ind AS 116 is applied only to contracts that were previously identified as leases under Ind AS 17.

Summary of the significant accounting policies and other explanatory information

(All amounts in ₹ lakhs, except share data and where otherwise stated)

The movement in lease liabilities during the year ended 31 March 2020 is as follows:

Particulars	Amount
Balance at the beginning of the year	941.45
Additions during the year	-
Finance cost accrued during the year	31.40
Payment of lease liabilities	(317.88)
Lease liabilities as at 31 March 2020	654.97
Current lease liabilities	294.04
Non-current lease liabilities	360.93

The details of the contractual maturities of lease liabilities as at 31 March 2020 on an undiscounted basis are as follows:

Particulars	Amount
Less than one year	346.05
One to five years	313.38
More than five years	66.71
Total	726.14

The Group does not face a significant liquidity risk with regard to its lease liabilities as the current assets are sufficient to meet the obligations related to lease liabilities as and when they fall due.

Rental expense recorded for short-term leases was ₹313.87 for the year ended 31 March 2020. Leases not yet commenced to which the Group is committed amounts to ₹65.75 for a lease term ranging from 3 to 5 years.

44. Derivative contract

The Company entered into an agreement with Future Retail Limited ("FRL") (the "Implementation Agreement") dated 7 November 2016, under which the Company agreed to share an upside with FRL in the following manner upon sale of shares, which the Company has received as a consideration under the composite scheme of arrangement approved by the National Company Law Tribunal between the Company, FRL, HNL and their respective shareholders and creditors.

If the net consideration by the Company, after deducting taxes statutorily required to be paid to any tax authority in respect of such sale of shares, (the "Share Sale Consideration"),

- (i) is less than or equal to ₹40,000, then the Company shall be entitled to retain the entire share sale consideration
- (ii) exceeds ₹40,000 but is less than or equal to ₹50,000, then the Company shall subscribe to a total of 1,000 equity shares of FRL by paying an amount equal to the 50% of such excess over ₹40,000.
- (iii) exceeds ₹50,000, then the Company shall subscribe to a total of 1,000 equity shares of FRL by paying amount equal to the 50% of such excess between ₹40,000 and ₹50,000 and 75% of excess over ₹50,000.

The Company recognized the above contractual provisions of the Implementation Agreement as derivative financial instrument.

Summary of the significant accounting policies and other explanatory information

(All amounts in ₹ lakhs, except share data and where otherwise stated)

45. Disclosure under Micro, Small and Medium Enterprises Development Act, 2006

The creditors covered by Micro, Small and Medium Enterprises Development Act, 2006 ("the MSMED Act, 2006") have been identified on the basis of information available with the Group. Disclosures in respect of the amounts payable to such parties are given below:

Particulars	As at 31 March 2020	As at 31 March 2019
(i) The principal amount remaining unpaid as at the end of the year.	530.58	772.77
(ii) The amount of interest accrued and remaining unpaid on (i) above.	0.05	0.67
(iii) Amount of interest paid by the Group in terms of Section 16, of the MSMED Act, 2006 along with the amounts of payments made beyond the appointed date during the year.	-	-
(iv) The amount of interest due and payable for the period (where the principal has been paid but interest under the MSMED Act, 2006 not paid)	-	-
(v) The amount of further interest remaining due and payable in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprises for the purpose of disallowance as a deductible expenditure under Section 23 of the MSMED Act, 2006.	0.05	0.67

Notes:

- (a) Explanation - The terms 'appointed day', 'buyer', 'enterprise', 'micro enterprise', 'small enterprise' and 'supplier' shall have the same meaning as assigned to them under clauses (b),(d),(e), (h), (m) and (n) respectively of section 2 of the Micro, Small and Medium Enterprises Development Act, 2006.
- (b) This information required to be disclosed has been determined to the extent such parties have been identified on the basis of information available with the Group. The auditors have placed reliance on the information provided by the management.

46. Discontinued operations of Heritage Employee Welfare Trust

(i) The financial performance presented below is for the year ended 31 March 2020 and 31 March 2019:

Particulars	As at 31 March 2020	As at 31 March 2019
Revenue	8.82	15.68
Expenses	76.52	34.31
Loss before tax from discontinued operations	(67.70)	(18.63)
Tax expense	-	6.42
Loss from discontinued operations	(67.70)	(25.05)

(ii) The cash flow information for the year ended 31 March 2020 and 31 March 2019 is as follows:

Particulars	As at 31 March 2020	As at 31 March 2019
Net cash used in operating activities	(66.29)	(115.56)
Net cash generated from investing activities	-	-
Net cash generated from financing activities	-	-
Net decrease in cash and cash equivalents	(66.29)	(115.56)

(iii) Details of carrying values of assets and liabilities classified as held for sale as at 31 March 2020 and 31 March 2019 is as follows:

Particulars	As at 31 March 2020	As at 31 March 2019
Assets		
Cash and cash equivalents	145.71	212.00
Other assets	13.44	15.91
Total assets	159.15	227.91
Liabilities		
Trade payables	40.32	41.38
Total liabilities	40.32	41.38
Net assets	118.83	186.53

Summary of the significant accounting policies and other explanatory information

(All amounts in ₹ lakhs, except share data and where otherwise stated)

47. Interest in a material joint venture

- (a) The Group has interest in a single joint venture (“HNFPL”), which, in the opinion of the Company’s Board of Directors, is material to the Group. The principal activity of HNFPL is manufacturing and trading of fruit and flavoured yoghurts, milk based pudding and desserts. The joint venture has share capital consisting solely of equity shares, which are held directly by the Group. The country of incorporation is also its principal place of business, and the proportion of ownership interest is the same as the proportion of voting rights held. Refer note 39 for further details. Equity shares of the joint venture are unlisted, therefore no quoted price is available.
- (b) The tables below provide summarised financial information about the joint venture. The information disclosed reflects the amounts presented in the financial statements of the joint venture and not the Group’s share of those amounts.

Group's share in closing net assets	763.64	813.48
Other adjustments	1.32	-
Carrying amount (refer note 9)	764.96	813.48

Commitments in respect of a joint venture

	As at 31 March 2020	As at 31 March 2019
Commitment to provide Group's share of funding for joint venture's capital commitments, if called for	590.39	734.74

The joint venture had no contingent liabilities as on 31 March 2020 and 31 March 2019.

48. Interest in an immaterial associate

The Group has interest in a single associate ("SKIL"), which, in the opinion of the Company's Board of Directors, is immaterial to the Group. The Group's share of loss for the year and other comprehensive income is ₹0.98 (31 March 2019: ₹0.94) and ₹Nil (31 March 2019: ₹Nil) respectively in respect of such associate.

49. Segment reporting

The Chief Operating Decision Maker ("CODM") evaluates the Group's performance and allocates the resources based on an analysis of various performance indicators by reportable segments.

The measurement of each segment's revenue, expenses, assets and liabilities is consistent with the accounting policies that are used in preparation of the Group's consolidated financial statements.

The Group has been organised into different verticals based on its products. Three verticals have been identified as reportable operating segments by the Group, which are as follows:

- Dairy vertical: Under this vertical, the Group manufactures and market a complete range of dairy products including fresh milk, curd, butter milk, lassi, ice cream, paneer, table butter, milk powder, flavoured milk, UHT milk, Indian sweets and dairy whitener.
- Renewable energy vertical: Under this vertical, the Group produces power for captive consumption through its solar and wind power plants.
- Feed vertical: Under this vertical, the Group manufactures wide varieties of cattle and fish feeds.

No operating segments have been aggregated to form the above reportable segments.

Segment performance is evaluated based on revenue and earnings before interest and tax and is measured consistently in line with measurement principles used in the financial statements, except adjustments not made to operating segments on individual basis. The items which are not allocated to individual operating segments are gains or losses on financial instruments, taxes, impairment on financial instruments, finance costs, interest income among others. Refer reconciliation below for further details.

The table below presents segment wise information of revenue, results, assets and liabilities:

Particulars	For the year ended and as at 31 March 2020				For the year ended and as at 31 March 2019			
	Segment revenue	Segment results	Segment assets	Segment liabilities	Segment revenue	Segment results	Segment assets	Segment liabilities
Dairy	267,767.46	9,026.63	65,436.72	45,209.71	247,000.58	14,044.96	59,938.84	43,970.83
Renewable energy	938.72	442.84	6,027.09	2,209.10	1,137.08	659.25	6,359.70	2,837.96
Feed	10,385.42	268.41	5,611.86	2,800.83	7,376.06	111.19	5,365.45	3,158.37
Others	176.87	(850.45)	98.56	13.65	1,593.74	228.82	965.68	30.83
Intersegment revenue	(6,678.04)	-	-	-	(5,632.29)	-	-	-
Unallocated	-	-	21,646.35	2,413.73	-	-	90,822.06	32,027.34
Total	272,590.43	8,887.43	98,820.58	52,647.02	251,475.17	15,044.22	163,451.73	82,025.33

Reconciliation of segment results to profit/(loss) before tax from continuing operations:	For the year ended	
	31 March 2020	31 March 2019
Amount as per segment results	8,887.43	15,044.22
Less:		
Finance costs (refer note 30)	2,263.36	2,148.33
Fair value loss on FVTPL equity securities	51,160.56	13,109.85
