MANAGEMENT DISCUSSION AND ANALYSIS REPORT**INDUSTRY STRUCTURE AND DEVELOPMENT:**

In FY 2010-2011, we had commenced the process for diversification but our efforts were not successful due to several factors and the project was not able to commence as initially planned. Further, trading in the securities of our company was suspended by the Bombay Stock Exchange with effect from Thursday March 31, 2016 due to a surveillance measure. Bombay Stock Exchange vide Notice No. 20170223-24 dated 23rd February 2017 **revoked the suspension in trading of equity shares** of the Company with effect from Wednesday, March 01, 2017. As a result, we were unable to renew the contracts. Thus we are now evaluating all options towards new business lines.

OUTLOOK:

We have been putting in significant efforts towards establishing the new business lines. However the outlook will totally depend on market circumstances and selected sector for business. Identifying business opportunities is a non-trivial task, and depends on a number of factors. Hence information is being collected from a number of sources. Also expert opinion is being sought in order to cover various sector specific attributes such as level of competition, economic activities etc.

OPPORTUNITIES AND THREATS:

Economic growth of around 7½% makes India the fastest-growing G20 economy. The acceleration of structural reforms, the move towards a rule-based policy framework and low commodity prices have provided a strong growth impetus. Recent deregulation measures and efforts to improve the ease of doing business have boosted foreign investment. In line with this impetus, key opportunities and threats are being identified for the sectors / business lines being evaluated.

RISKS AND CONCERN:

While setting up and conducting business operations, the Company is exposed to a variety of risks that are inherent to the sectors will operate in. However, we have an intense risk management framework encompassing risk organization structure, procedures and the risk management policies to effectively identify and tackle risks. Some of the risks that we are possibly exposed to include:

- Increasing employee benefits costs
- Broad economic uncertainties
- Tech and data/cyber risks
- Complying with laws
- Attracting and retaining talent

Hence, the Global and Indian economy will have a very great impact on the future growth considering that the organization is undergoing a major transformation.

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY:

Our Company has evolved a system of strong internal controls to ensure that the assets are safeguarded and transactions are authorized, recorded and correctly reported. The internal control system is supplemented by management reviews and independent periodical reviews by the external chartered accountancy firms, which evaluate the functioning and quality of internal controls and provides assurance of its adequacy and

effectiveness. The Company has an audit committee, which oversees the internal control systems and procedures of the Company's financial operating processes and the disclosure of its financial information to ensure that the financial statement is correct, sufficient and credible. Audit Committee reviews such audit findings and the adequacy of internal control systems. The Statutory Auditors of the Company also interact with the Audit Committee to share their findings and the status of corrective actions under implementation.

DISCUSSION AND FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE:

During the year, total income of the Company shrunk to Rs. 213.89 Lacs from against Rs. 908.21 Lacs in the previous year. During the Financial Year, the Company was operating under one segment only (Human Resources).

CAUTIONARY STATEMENT:

The statements in the Management Discussion and Analysis Report describing the Company's objectives, activities, projections, estimates, expectations or predictions may be "**forward looking statements**" within the meaning of applicable securities laws and regulations. ‘Annexure B’ to Independent Auditor’s Report

(Referred to in paragraph 10 (f) under ‘Report on the Standalone Financial Statement Other Legal and Regulatory Requirements’ section of our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

We have audited the internal financial controls over financial reporting of M/s **INANNA FASHION AND TRENDS LIMITED (Formally known as M/s. FRONTLINE BUSINESS SOLUTIONS LIMITED)** (‘the Company’) as of March 31, 2017, in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

1. The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

2. Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
3. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining and understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
4. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

5. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and disposition of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

6. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

7. In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
