Observations.

- a) *As per Regulation 17(1)(a) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Board of Directors shall have atleast one women director, however it is observed that there was a delay of five days in appointment of women directorr&BSE Limited vide its letter dated 31.01.2019had levied the fine of Rs. 25000/- which was paid by the company on April 5,2019.*

Reply: On selection of the suitable candidate by Nomination & Remuneration Committee , the Board appointed the Women Director in its Board Meeting held on 14th November, 2018 and in the process there was delayed of 5 days. The company has paid the penalty as imposed by BSE Limited.

- b) *As per regulation 17(8) & 33(2) (a) of SEBI (LODR), the Company is required to obtain certificate from CEO and CFO of the company, however it is observed that the said certificate has been obtained from Mr. Atul Mittal who is Managing Director and Chief Financial Officer of the Company.*

Reply : Mr. Atul Mittal is holding the position of Chairman & Managing Director and CFO of the company as the company has appointed Mr. Atul Mittal as Chairman & Managing Director therefore company is not required to appoint Chief Executive Officer as prescribed under section 203 of the Companies Act, 2013 hence the said certificate was obtained from the Mr. Atul Mittal in the capacity of Managing Director and CFO of the Company.

- c) ***s per Regulation 33(3) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, the listed entity is required to submit its quarterly Financial Result within 45 days from end of each quarter, however it is observed that financial statements for the quarter ended June 30,2018 is lately filed on August 28,2018.The BSE Limited vide its letter dated August 31, 2018 levied the penalty of Rs.82,600/- for not submitting the Financial Statements as per LODR, later the company has paid the penalty of Rs.82,600/- on September 25,2018.***

Reply : The company convened the Board meeting to consider the Unaudited Financial Results for the Quarter ended 30th June 2018 well in time i.e. 14th August 2018., however due to some unavoidable circumstances the same meeting was deferred and rescheduled to be held on 28th August 2018, therefore there was delay in the submission of financial statements for the quarter ended June 30, 2018 . The Company has paid the penalty as imposed by the BSE Limited.

- d) ***As per Regulation 46 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entity shall disseminate the information as provided under this regulation on its Website, however it is observed that separate audited financial statements of M/s SSA International Limited and Arlin Foods Limited, subsidiaries Companies for the Financial Year ended March 31, 2018 have not been uploaded on the Company website.***

Reply : The company uploaded the Consolidated Financial statements for the year ended 31st March, 2018. Your management shall take necessary steps to strictly comply the provision and assure to *upload in the future..*

- e) ***As per Regulation 19(1)(a) of SEBI (Listing Obligation and Disclosure Requirements)Regulations, 2015, the Nomination and Remuneration Committee shall comprise of at least three non-executive Directors,however it is observed that due to the resignation of Mrs. Shubhra Bhambri as Independent Director, the composition of Nomination & Remuneration committee was not as per SEBI (LODR)2015 from April 11,2018 till June 04,2018 and further due to the resignation of Mrs. Malini Mehra, as Independent Director, the composition of Nomination & Remuneration committee was not as per SEBI (LODR)2015from August 10,2018 till November 13,2018.***

Reply : *After the resignation of Women Directors during the period, your Board has appointed the women Director to comply the law, however in the intervening period when there was no women director due to resignation, the composition of Nomination and Remuneration Committee was affected. On appointment of independent women Director the Nomination and Remuneration Committee was reconstituted as per the Provisions of the SEBI (Listing Obligation and Disclosure Requirements)Regulations, 2015.*

- f) ***In terms of Section 134 of the Act, the financial statements of the company was required to be signed by the chairperson of the Company where he is authorized by the Board or two directors out of which one shall be Managing Director, if any & CEO, the Company Secretary and Chief Financial Officer of the Company, wherever they are appointed whereas it has been signed by Mr. Atul Mittal in the capacity of Managing Director as well Chief Financial Officer along with one more director & Company Secretary of the Company. As per Regulation 78 of Table F in schedule I to the Companies Act, 2013 a person can't sign in two capacities. Therefore the financial statements were not signed in terms of the provision of law.***

Reply : *The Financial Statements were signed by Mr. Atul Mittal in the capacity of Managing Director and CFO , also he was the Chairperson of the company. Your management shall take necessary steps to strictly comply the provision of the Companies Act with respect to signing of Financial Statements.*

- g) ***As per clause 1.3.4 of Secretarial Standards on meeting of the Board of Directors, the Notice of board meeting shall inform the Directors about the option available to them to participate through Electronic Mode and provide them all the necessary information, however it is observed that no such option was given in the notices sent to Directors convening Board Meetings.***

Product and Services

The Company is engaged in the business of manufacturing and selling of Ready Made Garments. In the Month of March, 2019 the company shifted to the new premises to setup the manufacturing facilities. As regards the commencement of manufacturing activities at the new premises the company is not having any major sales orders currently and the management is in process of procuring new sales orders. As soon some major sales orders are obtained the manufacturing activities will commence.

Industry Structure and Development

The Indian Textile Industry especially Garment Sector is export oriented and is one of the leading textile industry in the world, having an overwhelming presence in the Indian Economy. The international trade in clothing and textile plays a vital role through its contribution to industrial output, employment generation and export earnings for the country. The Industry is targeting towards modernization and expansions being encouraged by the prevailing textile strategies and policies.

The Indian clothing and textile industry has attracted huge investments and is moving towards economic growth. Restructuring its system and operations to match the international levels of technology, quality and standards. As a result, the capacity has expanded to meet the future requirements as the demands are growing but with slow speed . The business environment is very challenging.

Opportunities and Threats.

The modern technology, improvements in infrastructure and regulations, all are playing significant role among the different sectors of the Industry.

The textile and clothing industry is also facing increase in input prices as well as increase in conversion cost. The inflationary pressure both within the country and globally have bearing on the outlook of the textile and clothing industry.

In the current financial year 2018 -19 the entire production was done on job work basis. The Management is planning to procure orders with good margins to start the operations at new premises.

Internal control system and their Adequacy

The Company's Quality Control Department strictly follows the Quality Control Rules defined by the Company and inspects each and every piece of Readymade Garments before it is dispatched for Exports/ domestic sales. The Operational and Financial performances are also monitored through Internal Audit Systems which always keeps an eye so as to ensure that the operational performance is always kept commensurate with the Financial Performance and maintaining the effectiveness and efficiency of the system.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF

SAMTEX FASHIONS LIMITED

Report on Audit of the Financial Statements

Opinion

We have audited the accompanying standalone financial statements of SAMTEX FASHIONS LIMITED, which comprise the Balance Sheet as at 31st March 2019, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view (subject to the matters of emphasis mentioned below) in conformity with the Ind AS and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2019, and its profit/loss, total comprehensive income/ loss, its cash flows and the changes in equity for the year ended on that date.

Basis Of Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

1. The company has ceased its business operations at NSEZ plant during the FY 2017-18 and shifted its premises at NSEZ. However the company has shifted its manufacturing activities to a new leased premises outside NSEZ to D-100 , Phase-II, Hosiery Complex, Noida Gautam Budhh Nagar UP- 201305 and The Company had carried on manufacturing activities on job work basis during the year and upto since 21st March 2019 and thereafter the company had vacated the existing manufacturing premises at D-100 , Phase-II, Hosiery Complex, Noida Gautam Budhh Nagar UP- 201305 and shifted to Plot no 163, Udyog Vihar, Greater Noida, UP- 201308 and no manufacturing activity is being carried on presently.
2. The company had already given a corporate guarantee for an amount of Rs 807.46 crores against secured loans taken by its wholly owned subsidiary, namely M/s SSA International Limited, which has been classified as nonperforming assets by the banks. The company has also received the notice u/s 13(2) of the SARFAESI Act 2002 from consortium of banks for revocation of its corporate guarantee. The company has also received a notice from IDBI Bank Ltd as to why the company along with its subsidiary SSA International Ltd (Main Borrower) and others should not be declared as willful defaulters.
3. Balance of unsecured loans, sundry creditors, debtors and advances are subject to confirmation and consequential effect if any on the financial statements remains uncertain. The trade receivables of the company could not be verified as the confirmation of balances have not been provided and made available to us. Trade receivables amounting to Rs 693.31 which are long overdue and not provided for. We are unable to form an opinion on the uncertainty regarding the collection of these long outstanding and other receivables.
4. We have not been provided with sufficient, appropriate audit evidence relating to physical verification of fixed assets and inventory related reconciliation with the books of account. Pending completion of such verification/ reconciliation, we are unable to comment on the possible impact, if any, arising out of the said matters.
5. The company is not regular in payments of undisputed statutory dues towards PF, TDS during the year.

6. We have observed that Internal Audit of the company has been undertaken by a firm of Independent Chartered Accountants, however, no such report has been provided to us.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with governance for the financial statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls- that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of financial statement

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has internal financial controls with reference to Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

ANNEXURE A TO THE INDEPENDENT AUDITORS' REPORT

The Annexure referred to in our Independent Auditors' Report to the members of the Company on the standalone financial statements for the year ended 31 March 2019, we report that:

- (i)
 - a) The Company has not updated its records showing full particulars, including quantitative details and situation of fixed assets.
 - b) As explained to us, the fixed assets have been physically verified by the management during the year. As informed to us there is regular program which has been carried out during the year. However, we are unable to comment on any difference in physical verification and books as we have not been provided with sufficient appropriate audit evidence relating to physical verification of fixed assets and fixed assets register is pending to be updated.
 - c) According to the information and explanations given to us and on the basis of our examination of the records of the company, the company does not own any immovable property.
- (ii) According to the information and explanations given to us the inventory has been physically verified during the year by the management, but stock records were under updation. Accordingly they were not produced before us for verification and we have relied upon the information provided to us by the management.

Further as explained to us discrepancies noticed on physical verification were not significant and have been properly dealt within the books of accounts.

- (iii) As explained to us, the Company has not granted loans to bodies corporate covered in the register maintained under section 189 of the Companies Act, 2013. Accordingly, paragraph 3(iii)(b) &(c) of the Order is not applicable to the Company in respect of repayment of the principal amount. However the company has advanced loan to wholly owned subsidiary M/s Arlin Foods Ltd and the outstanding balance of the said loan as on 31.03.2019 is Rs 16.79 lacs. The said loan is unsecured and free of interest and schedule of repayment of the principal has not been stipulated.
- (iv) In our opinion and according to the information and explanations given to us, the company has complied with the provisions of section 185 & 186 of the act in respect of investments, guarantees & securities provided by it.
- (v) In our opinion & according to the information and explanations given to us, the company has not accepted any deposits from the public within the meaning of provisions of Sections 73 to 76 of the Act or any other relevant provisions of the Act & the rules framed thereunder.
- (vi) We have broadly reviewed the books of account maintained by the Company pursuant to the rules made by the Central Government for the maintenance of cost records under section 148(1) of the Companies Act, 2013, related to the manufacture of Company's products and generation of electrical energy and are of the opinion that prima facie, the specified accounts and records have been made and maintained. We have not, however, made a detailed examination of the same with a view to determine whether they are accurate or complete.
- (vii) a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted/ accrued in the books of account in respect of undisputed statutory dues including provident fund, income tax, sales tax, wealth tax, service tax, duty of customs, value added tax, cess and other material statutory dues have not been regularly deposited during the year by the Company with the appropriate authorities. As explained to us, the Company did not have any dues on account of employees' state insurance and duty of excise.

According to the information and explanations given to us, undisputed amounts payable in respect of provident fund, income tax, sales tax, wealth tax, service tax, duty of customs, value added tax, cess and other material statutory dues were in arrears as at 31 March 2019 for a period of more than six months from the date they became payable as detailed below

Sr. No	Name of Statute	Nature of the Dues	Amount	Period	Due Date	Date of payment

ANNEXURE - B TO THE AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Samtex Fashions Limited ("the Company") as of 31 March 2019 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's

judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility

of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and according to information and explanations given to us, the company does not have an adequate internal financial control system commensurate with the size of company and nature of its business.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2019

COMPANY OVERVIEW

Samtex Fashions Limited ("the Company" hereinafter) was incorporated on 26.04.1993 having its registered address at Property No D-100, Phase II, Hosiery Complex, Gautam Budh Nagar, Noida, Uttar Pradesh. The company is engaged primarily in the business of manufacture of ready-made garments and also in trading activity of food grains.

2. BASIS OF PREPARATION OF FINANCIAL STATEMENTS

a) Basis of preparation and compliance with Ind AS

- i) These financial statements, for the year ended 31 March 2019, are the Company's first financial statements prepared in accordance with Ind AS. For periods up to and including the year ended 31 March 2017, the Company has prepared its financial statements in accordance with statutory reporting requirement in India immediately before adopting Ind AS ('previous GAAP').

Accordingly, the Company has prepared financial statements which comply with Ind-AS applicable for periods ending on or after 31 March 2019, together with the comparative period data as at and for the year ended 31 March 2018, as described in the summary of significant accounting policies.

The Company's financial statements are reported in Indian Rupees, which is also the Company's functional currency, and all values are rounded to the nearest Lac (INR 00,000), except when otherwise indicated.

These financial statements were approved for issue by the Board of Directors on May30, 2019.

b) Basis of measurement

The financial statements have been prepared on a historical cost convention and on an accrual basis, except for the following material items that have been measured at fair value as required by relevant Ind AS:

- i) Certain financial assets and financial liabilities measured at fair values (as required by the relevant Ind AS)
- ii) Defined benefit and other long term employee benefits have been measured at actuarial valuation as required by relevant Ind As.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions, regardless of whether that price is directly observable or estimated using another valuation technique. In determining the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

Functional and Presentation Currency

The financial statements are presented in Indian Rupees, which is the functional currency of the Company and the currency of the primary economic environment in which the Company operates.

Classification of Assets and Liabilities into Current/Non-Current

For the purpose of Balance Sheet, an asset is classified as current if:

- i) It is expected to be realized, or is intended to be sold or consumed, in the normal operating cycle; or
- ii) It is held primarily for the purpose of trading; or
- iii) It is expected to realize the asset within twelve months after the reporting period; or
- iv) The asset is a cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

Similarly, a liability is classified as current if:

- i) It is expected to be settled in the normal operating cycle; or
- ii) It is held primarily for the purpose of trading; or
- iii) It is due to be settled within twelve months after the reporting period; or
- iv) The Company does not have an unconditional right to defer the settlement of the liability for at least twelve months after the reporting period. Terms of a liability that could result in its settlement by the issue of equity instruments at the option of the counterparty does not affect this classification.

All other liabilities are classified as non-current.

c) Property, Plant and Equipment (PPE)

The initial cost of PPE comprises its purchase price, including import duties and non-refundable purchase taxes, and any directly attributable costs of bringing an asset to working condition and location for its intended use, including relevant borrowing costs and any expected costs of decommissioning. Expenditure incurred after the PPE have been put into operation, such as repairs and maintenance, are charged to the Statement of Profit and Loss in the period in which the costs are incurred.

Subsequent expenditures related to an item of fixed asset are added to its book value only if they increase the future benefits from the existing asset beyond its previously assessed standard of performance. Items of Property, plant and equipment that have been retired from active use and are held for disposal are stated at the lower of their net book value and net realizable value and are shown separately in the financial statements. Any expected loss is recognized immediately in the Statement of Profit and Loss. Losses arising from the retirement of, and gains or losses arising from disposal of Property, plant and equipment which are carried at cost are recognized in the Statement of Profit and Loss.

IndAS 101 permits a first time adopter to elect to continue with the carrying value of all of its property, plant and equipment as recognised in the financial statements as at the date of transition of IndAS, measured as per previous GAAP and use that as its deemed cost as at the date of transition after making necessary adjustments for decommission liabilities, if any. This exemption can also be used for intangible assets covered by IndAS 28 Intangible asset. The Company has elected to measure all of its property, plant and equipment's and intangible assets at their previous GAAP carrying value.

d) Depreciation:

Depreciation is the systematic allocation of the depreciable amount of PPE over its useful life and is provided on a written down basis over the useful lives as prescribed in Schedule II to the Act or as per technical assessment. Depreciable amount for PPE is the cost of PPE less its estimated residual value. The useful life of PPE is the period over which PPE is expected to be available for use by the Company, or the number of production or similar units expected to be obtained from the asset by the Company. Depreciation on additions is provided on a pro-rata basis from the month of installation or acquisition and in case of Projects from the date of commencement of commercial production. Depreciation on deductions/disposals is provided on a pro-rata basis up to the month of deduction/disposal.

S. No	Asset Classification	Useful Life
1	Factory Building	30 Years
2	Furniture & Fixture	10 Years
3	Office Equipment	5 Years
4	Vehicles	3 Years
5	Mobile	3 Years
6	Electrical Fittings	10 Years
7	Plant	15 Years

e) Impairment of Tangible and Intangible Assets

At the end of each reporting period, the Company reviews the carrying amounts of non-financial assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the

extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified. Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash generating unit) is reduced to its recoverable amount. An impairment loss is recognized immediately in Statement of Profit and Loss, unless the relevant asset is carried at a revalued amount, in which case the impairment loss is treated as a revaluation decrease.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but to the extent that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognized immediately in the Statement of Profit and Loss, unless the relevant asset is carried at a revalued amount, in which case the reversal of the impairment loss is treated as a revaluation increase.

f) Inventories:

Inventories are valued as follows:

Raw materials, stores & accessories are valued at lower of cost and net realizable value (NRV). However, these items are considered to be realizable at cost, if the finished products, in which they will be used, are expected to be sold at or above cost. Cost is determined on FIFO basis. The cost of inventory comprises its purchase price, including non-refundable purchase taxes, and any directly attributable costs related to the inventories.

Finished goods, stock-in-trade are valued at lower of cost and NRV. Cost of Finished goods and WIP includes cost of raw materials, direct labour, other direct costs and related production overheads upto the relevant stage of completion. Cost of inventories is computed on FIFO basis.

g) Borrowing Costs:

General and specific borrowing costs that are attributable to the acquisition, construction or production of a qualifying asset are capitalized as part of the cost of such asset till such time the asset is ready for its intended use and borrowing costs are being incurred. A qualifying asset is an asset that necessarily takes a substantial period of time to get ready for its intended use. All other borrowing costs are recognized as an expense in the period in which they are incurred.

Borrowing cost includes interest expense, amortization of discounts, hedge related cost incurred in connection with foreign currency borrowings, ancillary costs incurred in connection with borrowing of funds and exchange difference arising from foreign currency borrowings to the extent they are regarded as an adjustment to the Interest cost.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

h) Provisions, Contingent Liabilities and Contingent Assets:

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources, that can be reliably estimated, will be required to settle such an obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows to net present value using an appropriate pre-tax discount rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability. Unwinding of the discount is recognised in the Statement of Profit and Loss as a finance cost. Provisions are reviewed at each reporting date and are adjusted to reflect the current best estimate.

A present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is disclosed as a contingent liability. Contingent liabilities are also disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company.

Contingent assets are not recognized in financial statements since this may result in the recognition of income that may never be realized. However, when the realization of income is virtually certain, then the related asset is not a contingent asset and is recognized.

i) Revenue Recognition:

Revenue is measured at the fair value of the consideration received or receivable, net of discounts, volume rebates, outgoing sales taxes and other indirect taxes excluding excise duty/GST.

Revenue from sales is recognised when all significant risks and rewards of ownership of the commodity sold are transferred to the customer which generally coincides with delivery. Revenues from sale of byproducts are included in revenue.

Export benefits are accounted on recognition of export sales.

j) Employee benefits:

Defined benefit plan

For defined benefit plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Re-measurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the Balance Sheet with a charge or credit recognised in Other Comprehensive Income (OCI) in the period in which they occur. Re-measurement recognised in OCI is reflected immediately in retained earnings and will not be reclassified to Statement of Profit and Loss. Past service cost is recognised in the Statement of Profit and Loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorised as follows:

- Service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- Net interest expense or income; and
- Remeasurement

The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. The defined benefit obligation recognised in the Balance Sheet represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans.

Contribution towards provident fund for certain employees is made to the regulatory authorities, where the Company has no further obligations. Such benefits are classified as Defined Contribution Scheme as the Company does not carry any further obligations, apart from the contributions made on a monthly basis.

Liabilities for wages, salaries and bonus (as per the payment of bonus Act, 1965) including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees and workmen render the related service are recognized in respect of employee's services up to the end of the reporting period and are measured at the amount expected to be paid when the liabilities are settled.

The Accumulated compensated absences, which are expected to be availed or encashed within 12 months from the end of the year are treated as short term employee benefits. The obligation towards the same is measured at the expected cost of accumulating compensated absences as the additional amount expected to be paid as a result of the unused entitlement as at the year end.

Accumulated compensated absences, which are expected to be availed or encashed beyond 12 months from the end of the year are treated as other longterm employee benefits. The company's liability is actuarially determined. Actuarial losses/gains are recognized in the Statement of Profit and Loss in the year in which they arise.

k) Income Tax:

Income Tax expenses comprise current tax and deferred tax charge or credit. Current Tax is measured on the basis of estimated taxable income for the current accounting period in accordance with the applicable tax rates and the provisions of the Income-tax Act, 1961 and other applicable tax laws. Deferred tax is provided, on all temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes. Deferred tax assets and liabilities are measured at the tax rates that are expected to be applied to the temporary differences when they reverse, based on the laws that have been enacted or substantively enacted at the reporting date. Tax relating to items recognized directly in equity or OCI is recognized in equity or OCI and not in the Statement Profit and Loss. Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority. A deferred tax asset is recognized to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilized. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable. Deferred tax asset if any is created on the temporary difference attributable to Property and Equipments and expense allowable on actual payment basis and in case of accumulated losses and unabsorbed depreciation deferred tax asset is only created to the extent of deferred tax liability, considering the certainty of future profits.

l) Earnings Per Share:

The basic Earnings Per Share ("EPS") is computed by dividing the net profit / (loss) after tax for the year attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, net profit/(loss) after tax for the year attributable to the equity shareholders and the weighted average number of equity shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

m) Foreign Currency Transactions:

In the financial statements of the Company, transactions in currencies other than the functional currency are translated into the functional currency at the exchange rates ruling at the date of the transaction. Monetary assets and liabilities denominated in other currencies are translated into the functional currency at exchange rates prevailing on the reporting date. Non-monetary assets and liabilities denominated in other currencies and measured at historical cost or fair value are translated at the exchange rates prevailing on the dates on which such values were determined. All exchange differences are included in the statement of profit and loss except any exchange differences on monetary items designated as an effective hedging instrument of the currency risk of designated forecasted sales or purchases, which are recognized in the other comprehensive income. The Company has applied paragraph 46A of AS 11 under Indian GAAP. Ind AS 101 gives an option, which has been exercised by the Company, whereby a first time adopter can continue its Indian GAAP policy for accounting for exchange differences arising from translation of long-term foreign currency monetary items recognized in the Indian GAAP financial statements for the period ending immediately before the beginning of the first Ind AS financial reporting period.

n) Segment reporting

The Company has two reportable segments based on geographic locations India & New York. Segments have been identified as reportable segments by the Company's chief operating decision maker ("CODM"). Segment profit amounts are evaluated regularly by the Board, which has been identified as the CODM, in deciding how to allocate resources and in assessing performance. Segment Revenue, Results, Assets and Liabilities include the respective amounts identifiable to each of the segments and amount allocated on a reasonable basis. Unallocated expenditure consists of common expenditure incurred for all the segments and expenses incurred at corporate level. The assets and liabilities that cannot be allocated between the segments are shown as unallocated corporate assets

and liabilities respectively.

The accounting policies of the reportable segments are the same as the Company's accounting policies described in Note 3. Segment profit (Earnings before interest, depreciation and amortization, and tax) amounts are evaluated regularly by the Board that has been identified as its CODM in deciding how to allocate resources and in assessing performance. The Company's financing (including finance costs and finance income) and income taxes are reviewed on an overall basis and are not allocated to operating segments. Transfer prices between operating segments are on an arm's length basis in a manner similar to transactions with third parties.

o) Financial Instruments:

Financial assets and financial liabilities are recognized when a Company becomes a party to the contractual provisions of the instruments Initial Recognition. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss and ancillary costs related to borrowings) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in Statement of Profit and Loss.

Classification and Subsequent Measurement: Financial Assets

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income

- the entity's business model for managing the financial assets and
- the contractual cash flow characteristics of the financial asset.

Amortised Cost:

A financial asset shall be classified and measured at amortised cost if both of the following conditions are met

- the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal

Fair Value through OCI:

A financial asset shall be classified and measured at fair value through OCI if both of the following conditions are met:

- the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal

Fair Value through Profit or Loss:

A financial asset shall be classified and measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through OCI. All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Classification and Subsequent Measurement: Financial liabilities

Financial liabilities are classified as either financial liabilities at FVTPL or 'other financial liabilities'.

Financial Liabilities at FVTPL:

Financial liabilities are classified as at FVTPL when the financial liability is held for trading or are designated upon initial recognition as FVTPL: Gains or Losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

Other Financial Liabilities:

Other financial liabilities (including borrowings and trade and other payables) are subsequently measured at amortised cost using the effective interest method.

Impairment of financial assets:

Financial assets, other than those at FVTPL, are assessed for indicators of impairment at the end of each reporting period. The Company recognises a loss allowance for expected credit losses on financial asset. In case of trade receivables, the Company follows the simplified approach permitted by Ind AS 109 – Financial Instruments for recognition of impairment loss allowance. The application of simplified approach does not require the Company to track changes in credit risk. The Company calculates the expected credit losses on trade receivables using a provision matrix on the basis of its historical credit loss experience.

Derecognition of financial assets:

The Company derecognizes a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognize the financial asset and also recognizes a collateralized borrowing for the proceeds received. On de recognition of a financial asset, other than investments classified as FVOCI, in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognized in other comprehensive income and accumulated in equity is recognized in profit or loss if such gain or loss would have otherwise been recognized in profit or loss on disposal of that financial asset.

p) Financial Instruments

Classification as debt or equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a Company are recognised at the proceeds received.

q) Cash and cash equivalents:

Cash and cash equivalents in the Balance Sheet comprise cash at bank, Cheques and Cash in hand and short-term deposits with banks that are readily convertible into cash which are subject to insignificant risk of changes in value and are held for the purpose of meeting short-term cash commitments.

r) Use of Estimates and Judgments

The preparation of the financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses and disclosures of contingent assets and liabilities at the date of these financial statements and the reported amounts of revenues and expenses for the years presented. Actual results may differ from these estimates under different assumptions and conditions. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised and future periods affected.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF

SAMTEX FASHIONS LIMITED

Report on Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of SAMTEX FASHIONS LIMITED, which comprise the Balance Sheet as at 31st March 2019, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view (subject to the matters of emphasis mentioned below) in conformity with the Ind AS and other accounting principles generally accepted in India, of the state of affairs of the group as at 31st March, 2019, and its profit/loss, total comprehensive income/ loss, its cash flows and the changes in equity for the year ended on that date.

Basis Of Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Material Uncertainty to Going Concern:

1. The Group has made losses during the current year and the preceding year. As a result of the losses, the liquidity position of the group has been substantially affected, the net worth of group has fully eroded and group's current liabilities exceeded its current assets as at the balance sheet date, adversely affecting the operations of the group, indicating the existence of uncertainty about the ability of the group to continue as a going concern. The wholly owned subsidiary M/s SSA International Ltd has defaulted in repayment obligations towards banking institutions.

These conditions indicate the existence of a material uncertainty that may cast significant doubt on the group's ability to continue as going concern and therefore the group may be unable to realize its assets and discharge its liabilities in the normal course of business. As a result of ongoing matters, we are unable to determine as to whether any adjustment that would have been necessary and required to be made in respect of trade receivable, trade payables, borrowings, current liabilities, loans and advances and contingent liabilities as at 31st March, 2019 and in respect of the corresponding possible impact of such items and associated elements on the statement for the year ended on that date, should the group be unable to continue as a going concern. The ultimate outcome of these matters is at present not ascertainable. Accordingly, we are unable to comment on the consequential impact, if any, on the accompanying consolidated financial statements. However, the financial statements of the group have been prepared on a going concern basis.

Emphasis of Matter

1. The subsidiary company M/s SSA International had not made provision of Interest on Cash credit/Term loan charged by banks/financial institutions during the current year and earlier years on various loans taken from Bank / Financial Institutions in the Financial Statements. Had the company made such Interest provision in the Statement of Profit and loss, the loss for the year and the accumulated would have been higher. The non-recognition of interest expenses are in contravention of requirements of Ind AS on borrowing costs.
2. Confirmation of balances are not available for majority of the trade receivables, loans and advances given, trade payables, claims received from the employees, bank balances, FDR's and bank loans as at March 31, 2019. That is why the transactions made by the banks in the accounts of the company could not be

reconciled with the books of the accounts of the company.

3. The holding company has ceased its business operations at NSEZ plant during the FY 2017-18 and shifted its premises at NSEZ. However the company has shifted its manufacturing activities to a new leased premises outside NSEZ to D-100 , Phase-II, Hosiery Complex, Noida Gautam Budhh Nagar UP- 201305 and The Company had carried on manufacturing activities on job work basis during the year and upto since 21st March 2019 and thereafter the company had vacated the existing manufacturing premises at D-100 , Phase-II, Hosiery Complex, Noida Gautam Budhh Nagar UP- 201305 and shifted to Plot no 163, Udyog Vihar, Greater Noida, UP- 201308 and no manufacturing activity is being carried on presently.
4. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Other Matters

We did not audit the financial statements of one step down foreign subsidiaries (M/s Lina Globla INC, wholly owned subsidiary of M/s SSA International), whose financial statements / consolidated financial statements are considered in the consolidated Ind AS financial statements. These financial statements have been reviewed/ prepared by other auditors as per the requirement of the local laws of that country and whose reports have been furnished to us by the Management and our opinion on the consolidated Ind AS financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, in so far as it relates to the aforesaid subsidiaries, is based solely on the report of the other auditors.

Information Other than the Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's

Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with governance for the financial statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the group in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the group and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls- that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the group or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors of the holding company are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of financial statement

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has internal financial controls with reference to Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions

are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit and on the consideration of the reports of the branch auditors and other auditors on the separate financial statements/ financial information of the branches and joint operations, referred to in the Other Matters paragraph above we report, to the extent applicable that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated Ind AS financial statements.
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated Ind AS financial statements have been kept so far as it appears from our examination of those books.
 - c) The consolidated Balance Sheet, the consolidated Statement of Profit and Loss, the consolidated Statement of Changes in Equity and the consolidated Statement of Cash Flow dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the consolidated Ind AS financial statements.
 - d) In our opinion, the aforesaid consolidated Ind AS financial statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors of the holding Company, as on 31 March 2019 and taken on record by the Board of Directors of respective companies, none of the directors of the Group companies incorporated in India is disqualified from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the group and the operating effectiveness of such controls, refer to our separate Report in "Annexure B": Our report expresses a qualified / adverse opinion on the operating effectiveness of the group's internal financial controls over financial reporting.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

- i. The group has disclosed the impact of pending litigations on its financial position in its consolidated Ind AS financial statements refer note no. 24(B).
- ii. The group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

ANNEXURE - B TO THE AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31st March, 2019, we have audited the internal financial controls over financial reporting of Samtex Fashions Limited ("the Holding Company"), and that of its subsidiary company (the Holding Company and its subsidiary constitute "the Group").

Management's Responsibility for Internal Financial Controls

The Holding Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to groups's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the holding company's and its subsidiaries internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the group's internal financial controls system over financial reporting

Meaning of Internal Financial Controls over Financial Reporting

A group's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A group's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the groups'; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the group are being made only in accordance with authorizations of management and directors of the holding company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the group's assets that could have a material effect on the financial statements

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and according to information and explanations given to us, the Holding Company and its Subsidiary Companies, which are companies incorporated in India, does not have an adequate internal financial control system commensurate with the size of group and nature of its business.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2019

1. BASIS OF PREPARATION OF FINANCIAL STATEMENTS

a) Basis of preparation and compliance with Ind AS

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act. The accounting policies are applied consistently to all the periods presented in the financial statements.

These financial statements were approved for issue by the Board of Directors on 27 August, 2019.

The Company's financial statements are reported in Indian Rupees, which is also the Company's functional currency, and all values are rounded to the nearest Lac (INR 00,000), except when otherwise indicated.

These financial statements were approved for issue by the Board of Directors on May30, 2019.

b) Basis of measurement

The financial statements have been prepared on a historical cost convention and on an accrual basis, except for the following material items that have been measured at fair value as required by relevant Ind AS:

- i) Certain financial assets and financial liabilities measured at fair values (as required by the relevant Ind AS)
- ii) Defined benefit and other long term employee benefits have been measured at actuarial valuation as required by relevant Ind As.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions, regardless of whether that price is directly observable or estimated using another valuation technique. In determining the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

Functional and Presentation Currency

The financial statements are presented in Indian Rupees, which is the functional currency of the Company and the currency of the primary economic environment in which the Company operates.

Classification of Assets and Liabilities into Current/Non-Current

For the purpose of Balance Sheet, an asset is classified as current if:

- i) It is expected to be realized, or is intended to be sold or consumed, in the normal operating cycle; or
- ii) It is held primarily for the purpose of trading; or
- iii) It is expected to realize the asset within twelve months after the reporting period; or
- iv) The asset is a cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

Similarly, a liability is classified as current if:

- i) It is expected to be settled in the normal operating cycle; or
- ii) It is held primarily for the purpose of trading; or
- iii) It is due to be settled within twelve months after the reporting period; or
- iv) The Company does not have an unconditional right to defer the settlement of the liability for at least twelve months after the reporting period. Terms of a liability that could result in its settlement by the issue of equity instruments at the option of the counterparty does not affect this classification.

All other liabilities are classified as non-current.

c) Property, Plant and Equipment (PPE)

The initial cost of PPE comprises its purchase price, including import duties and non-refundable purchase taxes, and any directly attributable costs of bringing an asset to working condition and location for its intended use, including relevant borrowing costs and any expected costs of decommissioning. Expenditure incurred after the PPE have been put into operation, such as repairs and maintenance, are charged to the Statement of Profit and Loss in the period in which the costs are incurred.

Subsequent expenditures related to an item of fixed asset are added to its book value only if they increase the future benefits from the existing asset beyond its previously assessed standard of performance. Items of Property, plant and equipment that have been retired from active use and are held for disposal are stated at the lower of their net book value and net realizable value and are shown separately in the financial statements. Any expected loss is recognized immediately in the Statement of Profit and Loss. Losses arising from the retirement of, and gains or losses arising from disposal of Property, plant and equipment which are carried at cost are recognized in the Statement of Profit and Loss.

IndAS 101 permits a first time adopter to elect to continue with the carrying value of all of its property, plant and equipment as recognised in the financial statements as at the date of transition of IndAS, measured as per previous GAAP and use that as its deemed cost as at the date of transition after making necessary adjustments for decommission liabilities, if any. This exemption can also be used for intangible assets covered by IndAS 28 Intangible asset. The Company has elected to measure all of its property, plant and equipment's and intangible assets at their previous GAAP carrying value.

d) Depreciation:

Depreciation is the systematic allocation of the depreciable amount of PPE over its useful life and is provided on a written down basis over the useful lives as prescribed in Schedule II to the Act or as per technical assessment. Depreciable amount for PPE is the cost of PPE less its estimated residual value. The useful life of PPE is the period over which PPE is expected to be available for use by the Company, or the number of production or similar units expected to be obtained from the asset by the Company. Depreciation on additions is provided on a pro-rata basis from the month of installation or acquisition and in case of Projects from the date of commencement of commercial production. Depreciation on deductions/disposals is provided on a pro-rata basis up to the month of deduction/disposal.

S No	Asset Classification	Useful Life
1	Factory Building	30 Years
2	Furniture & Fixture	10 Years
3	Office Equipment	5 Years
4	Vehicles	3 Years
5	Mobile	3 Years
6	Electrical Fittings	10 Years
7	Plant	15 Years

e) Impairment of Tangible and Intangible Assets

At the end of each reporting period, the Company reviews the carrying amounts of non-financial assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified. Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks

specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash generating unit) is reduced to its recoverable amount. An impairment loss is recognized immediately in Statement of Profit and Loss, unless the relevant asset is carried at a revalued amount, in which case the impairment loss is treated as a revaluation decrease.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but to the extent that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognized immediately in the Statement of Profit and Loss, unless the relevant asset is carried at a revalued amount, in which case the reversal of the impairment loss is treated as a revaluation increase.

f) Inventories:

Inventories are valued as follows:

Raw materials, stores & accessories are valued at lower of cost and net realizable value (NRV). However, these items are considered to be realizable at cost, if the finished products, in which they will be used, are expected to be sold at or above cost. Cost is determined on FIFO basis. The cost of inventory comprises its purchase price, including non-refundable purchase taxes, and any directly attributable costs related to the inventories.

Finished goods, stock-in-trade are valued at lower of cost and NRV. Cost of Finished goods and WIP includes cost of raw materials, direct labour, other direct costs and related production overheads upto the relevant stage of completion. Cost of inventories is computed on FIFO basis.

g) Borrowing Costs:

General and specific borrowing costs that are attributable to the acquisition, construction or production of a qualifying asset are capitalized as part of the cost of such asset till such time the asset is ready for its intended use and borrowing costs are being incurred. A qualifying asset is an asset that necessarily takes a substantial period of time to get ready for its intended use. All other borrowing costs are recognized as an expense in the period in which they are incurred.

Borrowing cost includes interest expense, amortization of discounts, hedge related cost incurred in connection with foreign currency borrowings, ancillary costs incurred in connection with borrowing of funds and exchange difference arising from foreign currency borrowings to the extent they are regarded as an adjustment to the Interest cost.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

h) Provisions, Contingent Liabilities and Contingent Assets:

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources, that can be reliably estimated, will be required to settle such an obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows to net present value using an appropriate pre-tax discount rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability. Unwinding of the discount is recognised in the Statement of Profit and Loss as a finance cost. Provisions are reviewed at each reporting date and are adjusted to reflect the current best estimate.

A present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is disclosed as a contingent liability. Contingent liabilities are also disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company.

Contingent assets are not recognized in financial statements since this may result in the recognition of income that may never be realized. However, when the realization of income is virtually certain, then the related asset is not a contingent asset and is recognized.

i) **Revenue Recognition:**

Revenue is measured at the fair value of the consideration received or receivable, net of discounts, volume rebates, outgoing sales taxes and other indirect taxes excluding excise duty/GST.

Revenue from sales is recognised when all significant risks and rewards of ownership of the commodity sold are transferred to the customer which generally coincides with delivery. Revenues from sale of byproducts are included in revenue.

Export benefits are accounted on recognition of export sales.

j) **Employee benefits:**

Defined benefit plan

For defined benefit plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Re-measurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the Balance Sheet with a charge or credit recognised in Other Comprehensive Income (OCI) in the period in which they occur. Re-measurement recognised in OCI is reflected immediately in retained earnings and will not be reclassified to Statement of Profit and Loss. Past service cost is recognised in the Statement of Profit and Loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorised as follows:

- Service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- Net interest expense or income; and
- Remeasurement

The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. The defined benefit obligation recognised in the Balance Sheet represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans.

Contribution towards provident fund for certain employees is made to the regulatory authorities, where the Company has no further obligations. Such benefits are classified as Defined Contribution Scheme as the Company does not carry any further obligations, apart from the contributions made on a monthly basis.

Liabilities for wages, salaries and bonus (as per the payment of bonus Act, 1965) including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees and workmen render the related service are recognized in respect of employee's services up to the end of the reporting period and are measured at the amount expected to be paid when the liabilities are settled.

The Accumulated compensated absences, which are expected to be availed or encashed within 12 months from the end of the year are treated as short term employee benefits. The obligation towards the same is measured at the expected cost of accumulating compensated absences as the additional amount expected to be paid as a result of the unused entitlement as at the year end.

Accumulated compensated absences, which are expected to be availed or encashed beyond 12 months from the end of the year are treated as other longterm employee benefits. The company's liability is actuarially determined. Actuarial losses/gains are recognized in the Statement of Profit and Loss in the year in which they arise.

k) **Income Tax:**

Income Tax expenses comprise current tax and deferred tax charge or credit. Current Tax is measured on the basis of estimated taxable income for the current accounting period in accordance with the applicable tax rates and the provisions of the Income-tax Act, 1961 and other applicable tax laws.

Deferred tax is provided, on all temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes. Deferred tax assets and liabilities are measured at the tax rates that are expected to be applied to the temporary differences when they reverse, based on the laws that have been enacted or substantively enacted at the reporting date. Tax relating to items recognized directly in equity or OCI is recognized in equity or OCI and not in the Statement Profit and Loss. Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority. A deferred tax asset is recognized to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilized. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable. Deferred tax asset if any is created on the temporary difference attributable to Property and Equipments and expense allowable on actual payment basis and in case of accumulated losses and unabsorbed depreciation deferred tax asset is only created to the extent of deferred tax liability, considering the certainty of future profits.

l) Earnings Per Share:

The basic Earnings Per Share ("EPS") is computed by dividing the net profit / (loss) after tax for the year attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, net profit/(loss) after tax for the year attributable to the equity shareholders and the weighted average number of equity shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

m) Foreign Currency Transactions:

In the financial statements of the Company, transactions in currencies other than the functional currency are translated into the functional currency at the exchange rates ruling at the date of the transaction. Monetary assets and liabilities denominated in other currencies are translated into the functional currency at exchange rates prevailing on the reporting date. Non-monetary assets and liabilities denominated in other currencies and measured at historical cost or fair value are translated at the exchange rates prevailing on the dates on which such values were determined. All exchange differences are included in the statement of profit and loss except any exchange differences on monetary items designated as an effective hedging instrument of the currency risk of designated forecasted sales or purchases, which are recognized in the other comprehensive income. The Company has applied paragraph 46A of AS 11 under Indian GAAP. Ind AS 101 gives an option, which has been exercised by the Company, whereby a first time adopter can continue its Indian GAAP policy for accounting for exchange differences arising from translation of long-term foreign currency monetary items recognized in the Indian GAAP financial statements for the period ending immediately before the beginning of the first Ind AS financial reporting period.

n) Segment reporting

The Company has two reportable segments based on geographic locations India & New York. Segments have been identified as reportable segments by the Company's chief operating decision maker ("CODM"). Segment profit amounts are evaluated regularly by the Board, which has been identified as the CODM, in deciding how to allocate resources and in assessing performance. Segment Revenue, Results, Assets and Liabilities include the respective amounts identifiable to each of the segments and amount allocated on a reasonable basis. Unallocated expenditure consists of common expenditure incurred for all the segments and expenses incurred at corporate level. The assets and liabilities that cannot be allocated between the segments are shown as unallocated corporate assets and liabilities respectively.

The accounting policies of the reportable segments are the same as the Company's accounting policies described in Note 3. Segment profit (Earnings before interest, depreciation and amortization, and tax) amounts are evaluated regularly by the Board that has been identified as its CODM in deciding how to allocate resources and in assessing performance. The Company's financing (including finance costs and finance income) and income taxes are reviewed on an overall basis and are not allocated to operating segments. Transfer prices between operating segments are on an arm's length basis in a manner similar to transactions with third parties.

o) Financial Instruments:

Financial assets and financial liabilities are recognized when a Company becomes a party to the contractual provisions of the instruments Initial Recognition. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss and ancillary costs related to borrowings) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in Statement of Profit and Loss.

Classification and Subsequent Measurement: Financial Assets

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income

- the entity's business model for managing the financial assets and
- the contractual cash flow characteristics of the financial asset.

Amortised Cost:

A financial asset shall be classified and measured at amortised cost if both of the following conditions are met

- the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal

Fair Value through OCI:

A financial asset shall be classified and measured at fair value through OCI if both of the following conditions are met:

- the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal

Fair Value through Profit or Loss:

A financial asset shall be classified and measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through OCI. All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Classification and Subsequent Measurement: Financial liabilities

Financial liabilities are classified as either financial liabilities at FVTPL or 'other financial liabilities'.

Financial Liabilities at FVTPL:

Financial liabilities are classified as at FVTPL when the financial liability is held for trading or are designated upon initial recognition as FVTPL: Gains or Losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

Other Financial Liabilities:

Other financial liabilities (including borrowings and trade and other payables) are subsequently measured at amortised cost using the effective interest method.

Impairment of financial assets:

Financial assets, other than those at FVTPL, are assessed for indicators of impairment at the end of each reporting period. The Company recognises a loss allowance for expected credit losses on financial asset. In case of trade receivables, the Company follows the simplified approach permitted

by Ind AS 109 – Financial Instruments for recognition of impairment loss allowance. The application of simplified approach does not require the Company to track changes in credit risk. The Company calculates the expected credit losses on trade receivables using a provision matrix on the basis of its historical credit loss experience.

Derecognition of financial assets:

The Company derecognizes a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognize the financial asset and also recognizes a collateralized borrowing for the proceeds received. On de recognition of a financial asset, other than investments classified as FVOCI, in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognized in other comprehensive income and accumulated in equity is recognized in profit or loss if such gain or loss would have otherwise been recognized in profit or loss on disposal of that financial asset.

p) Financial Instruments

Classification as debt or equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a Company are recognized at the proceeds received.

q) Cash and cash equivalents:

Cash and cash equivalents in the Balance Sheet comprise cash at bank, Cheques and Cash in hand and short-term deposits with banks that are readily convertible into cash which are subject to insignificant risk of changes in value and are held for the purpose of meeting short-term cash commitments.

r) Use of Estimates and Judgments

The preparation of the financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses and disclosures of contingent assets and liabilities at the date of these financial statements and the reported amounts of revenues and expenses for the years presented. Actual results may differ from these estimates under different assumptions and conditions. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised and future periods affected.
