NOTICE OF ANNUAL GENERAL MEETING

NOTICE is hereby given that the 44th Annual General Meeting of EIMCO ELECON (INDIA) LTD. will be convened on Tuesday, the 31st July, 2018 at 3.00 p.m. at the Registered Office of the Company at Vallabh Vidyanagar 388 120, Gujarat State to transact following business :

ORDINARY BUSINESS

1. To consider and adopt the Audited Financial Statements (Both Standalone and Consolidated) of the Company for the financial year ended on 31st March, 2018 and the Reports of the Board of Directors & Auditors thereon.
2. To declare Dividend on Equity Shares of the Company for the financial year ended on 31st March, 2018.
3. To appoint a Director in place of Shri P. C. Amin (DIN 01056652) who retires by rotation and being eligible, offers himself for re-appointment.
4. To consider and if thought fit, to pass following Resolution as an **Ordinary Resolution**:

“RESOLVED THAT pursuant to Section 139, 142 and other applicable provisions, if any, of the Companies Act, 2013 read with Companies (Audit and Auditors) Rules, 2014 (including any statutory modification(s) or enact thereof, for the time being in force), and pursuant to the appointment of M/s. Thacker Butala Desai, Chartered Accountants, (Registration No. 110864W) made at the 43rd Annual General Meeting of the Company held

on 2nd August, 2017, the Company hereby ratifies the appointment of M/s. Thacker Butala Desai, Chartered Accountants, (Registration No. 110864W), as Statutory Auditors of the Company to hold office from the conclusion of this Annual General Meeting until the conclusion of 45th Annual General Meeting for the financial year 2018-19 on such remuneration as may be decided by the Board of Directors of the Company.”

SPECIAL BUSINESS

5. To consider and if thought fit, to pass following resolution as an **Ordinary Resolution**:

“RESOLVED THAT pursuant to the provisions of Section 148 and other applicable provisions, if any, of the Companies Act, 2013 and the Companies (Audit and Auditors) Rules, 2014 (including any statutory modification(s) or re-enactment(s) thereof, for the time being in force), the remuneration payable for the financial year ending on 31st March, 2019 to M/s. Y. S. Thakar & Co., Cost Accountants (Registration No.000318) appointed by the Board of Directors of the Company to conduct the audit of the cost records of the Company for the financial year ending on 31st March, 2019, amounting to ₹ 40,000/- (Rupees Forty Thousand only) plus Taxes as applicable and re-imbursement of out of pocket expenses incurred by them in connection with the aforesaid audit be and is hereby ratified and confirmed.”

6. To consider and if thought fit, to pass following resolution as an **Ordinary Resolution**:

RESOLVED THAT pursuant to the provisions of Section 188 of the Companies Act, 2013 (‘the Act’) and other applicable provisions, if any, read with Rule 15 of the Companies (Meetings of Board and its Powers) Rules, 2014, as amended from time to time, Regulation 23(4) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Listing

Regulations), and the Company's policy on Related Party Transactions, the approval of the Members be and is hereby accorded to the contract(s)/arrangement(s)/transaction(s) to be entered into by the Company with Emtici Engineering Limited, a related party within the meaning of Section 2(76) of the Act and Regulation 2(1)(zb) of the Listing Regulations, on such terms and conditions as may be mutually agreed between the Company and Emtici Engineering Limited, the Commission payable to Emtici being the material transaction as per the Act and the Listing Regulations may exceed the 10% of consolidated turnover of last audited financial results of the Company, for the period of five years commencing from 1st April, 2018, provided that the said contract(s)/arrangement(s)/transaction(s) so carried out shall be at arm's length basis and in the ordinary course of business of the Company.

RESOLVED FURTHER THAT the Board of Directors be and is hereby authorised to delegate all or any of the powers conferred on it by or under this resolution to the Board of Directors of the Company and to do all acts and take such steps as may be considered necessary or expedient to give effect to the aforesaid resolution".

7. To consider and if thought fit to pass following Resolutions as a Special Resolution:-

"RESOLVED THAT pursuant to the provisions of Sections 197, 198 and other applicable

provisions, if any, of the Companies Act, 2013 and amendments thereof from time to time, the approval of the Members of the Company be and is hereby accorded to make the payment of remuneration to Shri M.G. Rao, the Whole-time Director of the Company in excess of 5% of the Net Profit of the Company computed under Section 198 of the Companies Act, 2013 but within the overall limit of 10% of the Net Profit of the Company as computed under Section 198 of the Companies Act, 2013 for the Financial Year 2017-18.

RESOLVED FURTHER THAT the Board of Directors be and is hereby authorised to delegate all or any of the powers conferred on it by or under this resolution to the Board of Directors of the Company and to do all acts and take such steps as may be considered necessary or expedient to give effect to the aforesaid resolution".

By Order of the Board of Directors,

Registered Office:

Anand-Sojitra Road,
Vallabh Vidyanagar,
Gujarat - 388 120.

Date : 3rd May, 2018

Bharti L. Isarani
Company Secretary

NOTES :

A. The relative Explanatory Statements pursuant to Section 102 of the Companies Act, 2013, in respect of the business under Item Nos. 5 and 6 of the accompanying Notice are annexed hereto.

B. A MEMBER ENTITLED TO ATTEND AND VOTE AT THE MEETING IS ENTITLED TO APPOINT PROXY/PROXIES TO ATTEND AND VOTE INSTEAD OF HIMSELF. THE PROXY NEED NOT BE A MEMBER OF THE COMPANY. THE PROXY/PROXIES FORM/S IN ORDER TO BE EFFECTIVE SHOULD BE DEPOSITED WITH THE COMPANY NOT LESS THAN 48 HOURS BEFORE THE COMMENCEMENT OF THE MEETING.

A person can act as a proxy on behalf of Members not exceeding fifty in number and holding in the aggregate not more than ten per cent of the total share capital of the Company. A member holding more than ten per cent of the total share capital of the Company carrying voting rights may appoint a single person as proxy and such person shall not act as a proxy for any other person or shareholder. The holder of proxy shall prove his identity at the time of attending the Meeting.

C. The Corporate members intending to send their authorised representative(s) to attend the Meeting are requested to send to the Company a certified true copy of the relevant Board Resolution together with the specimen signature(s) of the representative(s) authorised under the said Board Resolution to attend and vote on their behalf at the Meeting.

D. The Register of Members & Share Transfer Books of the Company will be closed from 25th July, 2018 to 31st July, 2018 (both days inclusive).

E. The payment of dividend on equity shares as recommended by the Board of Directors for the financial year ended on 31st March, 2018 when declared at the meeting will be paid:

1. To those members whose names appear

in the Register of Members of the Company on 25th July, 2018.

2. In respect of shares held in electronics form, to those “deemed members” whose names appear on the statements of beneficial ownership furnished by National Securities Depository Limited (NSDL) and Central Depository Services (India) Ltd., (CDSL) at the end of business hours on 24th July, 2018.

F. The dividend on Equity Shares, if declared at the Meeting, will be credited/dispatched on/ after 3rd August, 2018.

G. The members desiring to have any information on accounts are requested to write to the Company Secretary atleast one week in advance of the meeting to enable the Company to keep the information ready.

H. The members are requested to bring with them their copy of Balance Sheet as no arrangement has been made to distribute additional copies as a measure of economy.

I. A route map showing the direction to reach the venue of the Annual General Meeting is provided at the last page of this Report.

J. In compliance with the requirements laid down in Section 124(6) of the Companies Act, 2013 read with the “Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, the Company has transferred all equity shares in respect of which dividends had remained unclaimed by the shareholders for seven consecutive years or more i.e. for Financial Year 2009-10, to the IEPF Suspense Account.

Shareholders may claim from IEPF Authority both unclaimed dividend amount and the shares transferred to IEPF Suspense Account as per the applicable provisions of Companies Act, 2013 and Rules made thereunder. The details of the shareholders whose equity shares/dividend had been transferred to the IEPF Suspense Account are available on the website of the Company i.e. www.eimcoelecon.in.

To know necessary guidelines and procedures for claiming the dividend and shares from IEPF, please login in to <http://www.iepf.gov.in/IEPFA/refund.html>.

- K. The members holding shares in dematerialised form are requested to intimate all changes pertaining to their bank details, National Electronic Clearing Service (NECS), Electronic Clearing Service (ECS), mandates, nominations, power of attorney, change of address, change of name, e-mail address, contact numbers, etc., to their Depository Participant (DP). Changes intimated to the DP will then be automatically reflected in the Company's records which will help the Company and the Company's Registrar and Transfer Agent, M/s. Link Intime India Pvt. Ltd. to provide efficient and better services. Members holding shares in physical form are requested to intimate such changes to M/s. Link Intime India Pvt. Ltd.
- L. The members holding shares in physical form are requested to consider converting their holding to dematerialised form to eliminate all risks associated with physical shares and for

ease in portfolio management. Members can contact the Company or M/s. Link Intime India Pvt. Ltd., for assistance in this regard.

- M. The members holding shares in physical form in identical order of names in more than one folio are requested to send to the Company or M/s. Link Intime India Pvt. Ltd., the details of such folios together with the share certificates for consolidating their holding in one folio. A consolidated share certificate will be returned to such Members after making requisite changes thereon.
- N. In case of joint holders attending the meeting, only such joint holder who is higher in the order of names will be entitled to vote.

By Order of the Board of Directors,

Registered Office:
Anand-Sojitra Road,
Vallabh Vidyanagar,
Gujarat - 388 120.

Date : 3rd May, 2018

Bharti L. Isarani
Company Secretary

The instructions and other information relating to Remote E-Voting are as under:

- (i) The voting period begins on 28th July, 2018 at 09.00 a.m. and ends on 30th July, 2018 at 5.00 p.m. During this period, Shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 24th July, 2018 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) The Shareholders who have already voted prior to the meeting date, would not be entitled to vote at the meeting venue.
- (iii) The Shareholders should log on to the e-voting website www.evotingindia.com.
- (iv) Click on Shareholders.
- (v) Now Enter your User ID
 - a. For CDSL: 16 digits beneficiary ID,
 - b. For NSDL: 8 Character DP ID followed by 8 Digits Client ID,
 - c. Members holding shares in Physical Form should enter Folio Number registered with the Company.
- (vi) Next enter the Image Verification as displayed and Click on Login.
- (vii) If you are holding shares in demat form and had logged on to www.evotingindia.com and voted on an earlier voting of any company, then your existing password is to be used.
- (viii) If you are a first time user follow the steps given below:

	For Members holding shares in Demat Form and Physical Form
PAN Number	Enter your 10 digit alpha-numeric PAN issued by Income Tax Department (Applicable for both demat shareholders as well as physical shareholders) <ul style="list-style-type: none"> Members who have not updated their PAN with the Company/Depository Participant are requested to use the sequence number which is printed on the Address Stickers, affixed on the Annual Report.
Dividend Bank Details OR Date of Birth (DOB)	Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your demat account or in the company records in order to login. <ul style="list-style-type: none"> If both the details are not recorded with the depository or Company, please enter the member ID / Folio number in the Dividend Bank details field as mentioned in instruction (v).

- (ix) After entering these details appropriately, click on "SUBMIT" tab.
- (x) Members holding shares in physical form will then directly reach the Company selection screen. However, members holding shares in demat form will now reach 'Password Creation' menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.
- (xi) For Members holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.
- (xii) Click on the EVSN for the relevant (EIMCO ELECON (INDIA) LTD.) on which you choose to vote.
- (xiii) On the voting page, you will see "RESOLUTION DESCRIPTION" and against the same the option "YES/NO" for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.
- (xiv) Click on the "RESOLUTIONS FILE LINK" if you wish to view the entire Resolution details.
- (xv) After selecting the resolution you have decided to vote on, click on "SUBMIT". A confirmation box will be displayed. If you wish to confirm your vote, click on "OK", else to change your vote, click on "CANCEL" and accordingly modify your vote.
- (xvi) Once you "CONFIRM" your vote on the resolution, you will not be allowed to modify your vote.
- (xvii) You can also take a print of the voting done by you by clicking on "Click here to print" option on the Voting page.

- (xviii) If Demat account holder has forgotten the same login password then Enter the User ID and the image verification code and click on Forgot Password & enter the details as prompted by the system.
- (xix) Shareholders can also use Mobile app – “m-Voting” for e-voting. m-Voting app is available on Apple-IOS, Android & Windows based Mobiles. Shareholders may log into m-voting using their e-voting credentials to vote for the company resolution(s).
- (xx) Note for Non-Individual Shareholders and Custodians
- Non-Individual shareholders (i.e. other than Individuals, HUF, NRI etc.) and Custodian are required to log on to www.evotingindia.com and register themselves as Corporates.
 - A scanned copy of the Registration Form bearing the stamp and sign of the entity should be emailed to helpdesk.evoting@cdslindia.com.
 - After receiving the login details the user would be able to link the account(s) for which they wish to vote on.
 - The list of accounts linked in the login should be mailed to helpdesk.evoting@cdslindia.com and on approval of the accounts, they would be able to cast their vote.
 - A scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, should be uploaded in PDF format in the system for the scrutinizer to verify the same.
- (xxi) In case you have any queries or issues regarding e-voting, you may refer the Frequently Asked Questions (“FAQs”) and e-voting manual available at www.evotingindia.com, under help section or write an email to helpdesk.evoting@cdslindia.com.

COMMENCEMENT OF REMOTE E-VOTING PERIOD:

1. The e-voting period commences on 28th July, 2018 (9.00 a.m.) and ends on 30th July, 2018 (5.00 p.m.). During this period, Shareholders of

the Company holding shares either in physical form or in dematerialized form, may cast their vote electronically. The e-voting module shall be disabled for voting thereafter. Once the vote on a resolution is casted by the Shareholder, the Shareholder shall not be allowed to change it subsequently.

The scrutinizer shall, on conclusion of the e-voting, unblock the votes in the presence of atleast two (2) witnesses not in the employment of the Company and make a Scrutinizer’s Report of the votes cast in favour or against, if any, and forward to the Chairman of the Company.

The Results shall be declared on or after the Annual General Meeting of the Company. The results declared alongwith the Scrutinizer’s Report shall be placed on the Company’s website www.eimcoelecon.in and the website of CDSL within two (2) days of passing of the resolutions at the AGM of the Company and communicated to the Stock Exchanges.

2. The voting rights of Shareholders shall be in proportion to their shares of the paid up Equity Share Capital of the Company.
3. Shri Dinesh Bhimani, Practicing Company Secretary (Membership No. ACS:12192; CP No:6628) has been appointed as the Scrutinizer to scrutinize the e-voting process.
4. Facility for voting through polling paper shall also be made available at the meeting and members attending the meeting who have not already casted their vote by remote e-voting shall be able to exercise their right at the meeting.
5. Members who have casted their vote by remote e-voting prior to the meeting may also attend the meeting but shall not be entitled to cast their vote again.
6. Voting rights be reckoned on the paid up value of shares registered in the name of the member/beneficial owner (in case of electronic shareholding) as on the cut-off date i.e. 24th July, 2018.

EXPLANATORY STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES Act, 2013**Item No.5**

The Board, on the recommendation of the Audit Committee, has approved the appointment and remuneration of the Cost Auditors to conduct the audit of the cost records of the Company for the financial year ending on 31st March, 2019 as per following details:

Sr. No.	Name of Cost Auditor	Industry	Audit Fees
1.	Y. S. Thakar & Co.	Engineering	₹ 40,000/- Plus Govt. Levies/Taxes as applicable and out of pocket expenses at actual.

In accordance with the provisions of Section 148 of the Companies Act, 2013 read with the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the Cost Auditors has to be ratified by the shareholders of the Company.

None of the Director or Key Managerial Personnel and their relatives is interested or concerned in the said Resolution except to the extent of their shareholding in the Company.

Accordingly, consent of the members is sought for passing an Ordinary Resolution for Item No. 5.

Item No.6

Emtici Engineering Ltd. is a related party of the Company under the provisions of the Companies Act, 2013 ('Act') and related regulations of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations').

The Company had executed the Dealership Agreement with the Emtici Engineering Limited ('Emtici'), which expired on 31st March, 2018. The Company desires to renew the Dealership Agreement with Emtici for five years commencing from 1st April, 2018.

Section 188 of the Act and the applicable Rules framed thereunder provide that any Related Party Transaction will require prior approval of Shareholders through ordinary resolution, if the aggregate value of transaction(s) amounts to 10% or more of the annual turnover of the Company as per the last audited financial statements of the Company.

In financial year 2017-18, the turnover of the company was ₹ 142.17 crores. However, the turnover of the Company is subject to change every year in future.

However, in compliance of Section 188 of the Companies Act, 2013 and Rules made thereunder read with Regulation 23 and other related regulations of Listing Regulations and the Company's policy on Related Party Transactions; the value of the proposed aggregate commission to be paid to Emtici is likely to exceed the said threshold limit for next five financial years commencing from 1st April, 2018.

The Company had received the prior approval of Audit Committee and the consent from Board of Directors of the

Company in their respective meetings held on 6th February, 2018, for renewal of the Agreement and payment of commission to EMTICI, which may increase as per threshold limit as specified under the Act, Rules made thereunder & Listing Regulations.

Pursuant to Rule 15 of Companies (Meetings of Board and its Powers) Rules, 2014, particulars of the transactions with Emtici are as follows :

1. Name of the Related Party:- Emtici Engineering Limited ('Emtici')
2. Name of the Director or KMP who is related:- None of the Director except Shri P. B. Patel to the extent of shareholding therein and Shri P. M. Patel, being the relative of Shri P. B. Patel.
3. Nature of Relationship:- Group Company.
4. Nature, material terms, monetary value and particulars of the contract or arrangement:- Agreement of Dealership for the period of five financial years commencing from 1st April, 2018. Monetary value of proposed aggregate transactions during five financial years commencing from 2018-19 is expected to be varied depending on the turnover of the company from year to year, which may exceed the threshold limit.

Draft copy of the abovesaid Agreement will be available at the office during the office hours for inspection.

Shri P. B. Patel, Executive Director and Shri P. M. Patel, Director are interested in the Resolution. None of the other Directors and any other Key Managerial Personnel of the Company or their respective relatives is concerned or interested, financially or otherwise, in the Resolution.

The Board of Directors recommends passing of the resolution as set out at Item No. 6 of this Notice as an Ordinary Resolution.

Item No. 7

Shri M. G. Rao is associated with the Company from 8th September, 2011 as a Whole-time Director. He was re-appointed as a Whole-time Director for further three years with effect from 8th September, 2016 on the terms and conditions as agreed by and between the Company and Shri M. G. Rao and approved by the Members at their 42nd Annual General Meeting of the Company held on 25th July, 2016.

Shri M. G. Rao was paid the remuneration as per the agreed terms by and between the Company and himself which exceeded 5% of the Net Profit computed under Section 198 of the Companies Act, 2013 ('the Act') for the Financial Year 2017-18 due to shrinkage in profit for said year.

Referring to the Sub-section 1 of Section 197 of the Companies Act, 2013 requires approval of the Members in General Meeting. On the recommendation of the Nomination & Remuneration Committee Meeting held on 3rd May, 2018; the Board approved the payment of remuneration as per agreed terms and conditions which was in excess of 5% of the Net Profit computed under Section 198 of the Act and seeks your approval.

None of the Directors except Shri M.G. Rao, Whole-time Director and any other Key Managerial Personnel of the Company or their respective relatives is concerned or interested, financially or otherwise, in the Resolution.

The Board of Directors recommends passing of the resolution as set out at Item No. 7 of this Notice as a Special Resolution.

Statutory Declarations / Disclosures by Directors:-

All Independent Directors have given declarations that they meet the criteria of independence as laid down under Section 149(6) of the Companies Act, 2013 and as per Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

None of the Director of your Company is disqualified as per the provisions of Section 164(2) of the Companies Act, 2013. Your Directors have made necessary disclosures, as required under various provisions of the Act and SEBI (LODR) Regulations, 2015.

10. DIRECTORS' RESPONSIBILITY STATEMENT

Based on the frame work of internal financial controls and compliance systems established and maintained by the Company, the work performed by the internal, statutory, cost and secretarial auditors and the reviews performed by the Management and the relevant Board Committees, including the Audit Committee, the Board is of the opinion that the Company's internal financial controls were adequate and effective during the year ended on 31st March, 2018. Accordingly, pursuant to Section 134(5) of the Companies Act, 2013, based on the above and the representations received from the Operating Management, the Board of Directors, to the best of their knowledge and ability confirm that :

1. In the preparation of the annual accounts, the applicable accounting standards have been followed and that there were no material departures therefrom;
2. They have, in the selection of the accounting policies, consulted the statutory auditors and have applied their recommendations consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company as at 31st March, 2018 and of the profit of the Company for the year ended on that date;
3. They have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013, for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
4. They have prepared the annual accounts on a going concern basis;
5. They have laid internal financial controls to be followed by the Company and that such internal financial controls are adequate and were operating effectively during the year ended on 31st March, 2018; and
6. Proper systems have been devised to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively during the year ended on 31st March, 2018.

11. KEY MANAGERIAL PERSONNEL

During the year under review, Shri Prayasvin B. Patel, Executive Director of the Company has resigned as a Key Managerial Person of the Company w.e.f. 1st December, 2017. However, he will continue as an Executive Director of the Company.

Apart from above, there is no change in Key Managerial Personnel of the Company.

12.1 AUDIT COMMITTEE

The Board has constituted an Audit Committee pursuant to the provisions of Sections 177(1) of the Companies Act, 2013. The composition of the Audit Committee is as under:

Shri Nalin Shah (Chairman)
Shri Nirmal Bhogilal (Member)
Shri P. M. Patel (Member)
Smt. Manjuladevi Shroff (Member)

The recommendations of the Audit Committee were accepted by the Board of Directors of the Company from time to time.

12.2 BOARD EVALUATION

Pursuant to the provisions of the Companies Act, 2013 and rules made thereunder and Securities Exchange Board of India (Listing Obligations and Disclosures Requirements) Regulations, 2015 and notifications/ circulars of SEBI, the Board has carried out an annual performance evaluation of its own performance, the directors individually as well as the evaluation of the working of its Committees. The manner in which the evaluation has been carried out has been explained in the Corporate Governance Report.

12.3 REMUNERATION POLICY

The Board has, on the recommendation of the Nomination & Remuneration Committee, framed a policy for selection and appointment of Directors, Senior Management Personnel and their remuneration. The Remuneration Policy is attached as **Annexure "A"**.

12.4 MEETINGS

During the year under review, four Board Meetings and four Audit Committee Meetings were convened and held, the details of which are given in the Corporate Governance Report. The intervening

gap between the meetings was within the period prescribed under the Companies Act, 2013.

13. RELATED PARTY TRANSACTIONS

All related party transactions that were entered into during the financial year were on an arm's length basis and were in the ordinary course of the Company's business.

All Related Party Transactions are placed before the Audit Committee and the Board for approval. Prior approval of the Audit Committee is obtained for the transactions which are of a foreseen and repetitive nature and in the ordinary course of the Company's business.

The policy on Related Party Transactions as approved by the Board is uploaded on the Company's website. The weblink of the policy is <https://eimcoelecon.in/wp-content/uploads/2012/11/Related-Party-Policy-EIMCO.pdf>

14. CORPORATE SOCIAL RESPONSIBILITY INITIATIVES

As part of its initiatives under Corporate Social Responsibility (CSR), the Company has undertaken project in the area of Education. This project is in accordance with Schedule VII of the Companies Act, 2013.

The Annual Report on CSR activities is annexed herewith as **Annexure 'B'**.

15. SIGNIFICANT AND MATERIAL ORDERS PASSED BY THE REGULATORS OR COURTS

There is no significant or material order passed by the Regulators/courts which would impact the going concern status of the Company and its future operations.

16. MANAGEMENT'S DISCUSSION AND ANALYSIS

A detailed review of the operations, performance and future outlook of the Company is given in the Management's Discussion and Analysis appearing as **Annexure 'C'** to this Report.

17. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has an internal control system, commensurate with the size, scale and complexity of its operations.

18. VIGIL MECHANISM/WHISTLE BLOWER POLICY

The Company has established Vigil Mechanism system and framed Whistle Blower Policy. Whistle Blower Policy is disclosed on the website of the Company at following web-link- <https://eimcoelecon.in/wp-content/uploads/2012/11/Whistle-Blower-Policy-EIMCO.pdf>

19. CORPORATE GOVERNANCE

Your Company has always striven to incorporate appropriate standards for good Corporate Governance. It has taken adequate steps to ensure that the provisions of Corporate Governance as prescribed under the Companies Act, 2013 and SEBI (LODR) Regulations, 2015 are complied with.

A detailed report on Corporate Governance is appearing as **Annexure 'D'** to this Report along with the Auditors' Certificate on its compliance by the Company.

20. PERSONNEL

Industrial relations in the Company were cordial throughout the year under review. The Board of Directors of the Company wishes to place on record its sincere appreciation for the continued support and good work of all employees.

As required by the provisions of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the names and other particulars of the employees are set out in the **Annexure 'E'** to the Board's Report.

21. CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNING & OUTGO

The particulars required to be disclosed in this report pursuant to the provision of the Companies (Accounts) Rules, 2014 are given in **Annexure 'F'** forming part of this report.

22. STATUTORY AUDITORS

Messrs Thacker Butala Desai, Chartered Accountants, Navsari were appointed for a period of five years at the 43rd Annual General Meeting of the Company subject to ratification of their appointment every year.

The proposal for ratification of their appointment as Statutory Auditors has been placed before the ensuing 44th Annual General Meeting of the Company.

**23. COST AUDITORS**

Pursuant to Section 148 of the Companies Act, 2013 read with the Companies (Cost Records and Audit) Amendment Rules, 2014, the cost audit records maintained by the Company in respect of its activity are required to be audited. Your Directors had, on the recommendation of the Audit Committee, appointed Messrs Y. S. Thakar & Co. to audit the cost accounts of the Company for the financial year ending 31st March, 2019 on a remuneration of ₹ 40,000/- plus taxes as applicable and out of pocket expenses. As required under the Companies Act, 2013, the remuneration payable to the Cost Auditors is required to be placed before the Members in a general meeting for their ratification. Accordingly, a Resolution seeking Members' ratification for the remuneration payable to Messrs Y. S. Thakar & Co., the Cost Auditors is included at Item No. 5 of the Notice convening the Annual General Meeting.

24. SECRETARIAL AUDITORS

Pursuant to the provisions of Section 204 of the Companies Act, 2013 and the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the Company has appointed Messrs D. G. Bhimani & Associates, a firm of Company Secretaries in Practice, to undertake the Secretarial Audit of the Company. The Report of the Secretarial Audit is annexed herewith as **Annexure 'G'**.

25. EXTRACT OF ANNUAL RETURN

The details forming part of the extract of the Annual Return in Form MGT-9 are annexed herewith as **Annexure 'H'**.

26. INSURANCE

The Company takes a very pragmatic approach towards insurance. Adequate insurance cover has been taken for all movable and immovable assets for various types of risks.

27. REPORTING OF FRAUDS

There was no instance of fraud during the year under review, which required the Statutory Auditors to report to the Audit Committee and/or Board under Section 143(12) of the Act and Rules framed thereunder.

28. RISK MANAGEMENT

Although it is not mandatory for the Company, the Board of Directors of your Company has constituted a Risk Management Committee to assist the Board in overseeing and approving the Company's enterprise wide risk management framework. The Company monitors and reports on the principal risks and uncertainties that can impact its ability to achieve its strategic objectives.

29. DISCLOSURE UNDER THE SEXUAL HARASSMENT OF WOMEN AT WORKPLACE (PREVENTION, PROHIBITION AND REDRESSAL) ACT, 2013

The Company has in place an Anti Sexual Harassment Policy in line with the requirement of the Sexual Harassment of Women at the Workplace (Prevention & Redressal) Act, 2013. Internal Complaints Committee (ICC) has been set up to redress complaints received regarding sexual harassment. All employees (permanent, contractual, temporary, trainee) are covered under the policy.

Following is a summary of sexual harassment complaints received and disposed off during the year 2017-18:

No. of complaints received	:	Nil
No. of complaints disposed off	:	N.A.

30. COMPLIANCE OF SECRETARIAL STANDARDS

The Company has complied with the applicable Secretarial Standards as issued by the Institute of Company Secretaries of India.

31. ACKNOWLEDGEMENT

The Board records its thanks to the Company's Bankers, Financial Institutions, Government, Collaborators and other agencies for their support extended to the Company and look forward to their continued support.

For and on behalf of the Board of Directors,

M. G. Rao
Whole-time Director

P. C. Amin
Director

ANNEXURE - “A” TO BOARD’S REPORT - ITEM NO.12.3

NOMINATION, REMUNERATION AND EVALUATION POLICY

Introduction

In accordance with terms of Section 178 of the Companies Act, 2013 and the Listing Agreement entered into by the Company with Stock Exchanges, as amended from time to time, this policy on nomination and remuneration of Directors, Key Managerial Personnel (KMP), Senior Management and other employees of the Company has been formulated by the Nomination and Remuneration Committee of the Company.

Definitions

In this Policy unless the context otherwise requires:

- (1) **“Act”** means Companies Act, 2013 and rules thereunder.
- (2) **“Company”** means “Eimco Elecon(India) Ltd”.
- (3) **“Board of Directors”** or **“Board”**, in relation to the Company, means the collective body of the directors of the Company.
- (4) **“Independent Director”** means a director referred to in Section 149 (6) of the Companies Act, 2013.
- (5) **“Key Managerial Personnel”** (KMP) means
 - i) Chief Executive Officer or the Managing Director or the Manager,
 - ii) Company Secretary,
 - iii) Whole-time Director,
 - iv) Chief Financial Officer and
 - v) Such other officer as may be prescribed.
- (6) **“Committee”** means Nomination and Remuneration Committee of the Company as constituted or reconstituted by the Board in accordance with the provisions of Section 178 of the Companies Act, 2013 and the Listing Agreement
- (7) **“Policy”** means, “Nomination and Remuneration Policy.”
- (8) **“Remuneration”** means any money or its equivalent given or passed to any person for services rendered by him and includes perquisites as defined under the Income-tax Act, 1961.
- (9) **“Senior Management”** means personnel of the Company who are members of its core management team excluding Board of Directors. This would include all members of management one level below the executive directors, including all the functional heads.
- (10) **“Ministry”** means the Ministry of Corporate Affairs.
- (11) **“Regulations”** refers to and comprise of Companies Act, 2013, The Companies (Meeting of Board and its Powers) Rules, 2014, The Companies (Appointment and Qualification of Directors) Rules, 2014, The Companies (Appointment and Remuneration of Managerial personnel) Rules, 2014, The Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, Listing Agreement and such other rules and provisions as applicable to the matters dealt in by this Policy.
- (12) **“Employees’ Stock Option”** means the option given to the directors, officers or employees of a company or of its holding company or subsidiary company or companies, if any, which gives such directors, officers or employees,

the benefit or right to purchase, or to subscribe for, the shares of the company at a future date at a pre-determined price.

Objective

The policy is framed to ensure that a balanced fit is maintained between the level and composition of remuneration paid to the directors, key managerial personnel and senior management which is reasonable and sufficient enough to attract, retain and motivate them.

Membership / Composition

The Nomination and Remuneration Committee shall consist of a minimum 3 non-executive directors, majority of them being independent.

Membership of the Committee shall be disclosed in the Annual Report.

CHAIRMAN

- a) Chairman of the Committee shall be an Independent Director.
- b) Chairperson of the Company may be appointed as a member of the Committee but shall not be a Chairman of the Committee.
- c) In the absence of the Chairman, the members of the Committee present at the meeting shall choose one amongst them to act as Chairman.
- d) Chairman of the Nomination and Remuneration Committee meeting could be present at the Annual General Meeting or may nominate some other member to answer the shareholders' queries.

QUORUM

Minimum two (2) members shall constitute a quorum for the Committee meeting.

COMMITTEE MEMBERS' INTERESTS

- a) A member of the Committee is not entitled to be present when his or her own remuneration is discussed at a meeting or when his or her performance is being evaluated.
- b) The Committee may invite such executives, as it considers appropriate, to be present at the meetings of the Committee.

VOTING

- a) Matters arising for determination at Committee meetings shall be decided by a majority of votes of Members present and voting and any such decision shall for all purposes be deemed a decision of the Committee.
- b) In the case of equality of votes, the Chairman of the meeting will have a casting vote.

TERM

Term of the Committee shall be continued unless terminated by the Board of Directors.

APPLICABILITY

This Policy is applicable to:

- 1. Directors viz. Executive, Non-executive and Independent
- 2. Key Managerial Personnel
- 3. Senior Management Personnel
- 4. Other Employees of the Company

Role / Duties

The Nomination and Remuneration Committee is responsible for:

- Reviewing the structure, size and composition (including the skills, knowledge and experience) of the Board at least annually and making recommendations on any proposed changes to the Board to complement the Company's corporate strategy, with the objective to diversify the Board;
- Identifying individuals suitably qualified to be appointed as the KMPs or in the senior management of the Company;
- Recommending to the Board on the selection of individuals nominated for directorship;
- Making recommendations to the Board on the remuneration payable to the Directors/ KMPs/Senior Officials so appointed/reappointed;
- Assessing the independence of independent directors;
- Such other key issues/matters as may be referred by the Board or as may be necessary in view of the Listing Agreement and provision of the Companies Act 2013 and Rules thereunder.
- To make recommendations to the Board concerning any matters relating to the continuation in office of any Director at any time including the suspension or termination of service of an Executive Director as an employee of the Company subject to the provision of the law and their service contract;
- Ensure that level and composition of remuneration is reasonable and sufficient, relationship of remuneration to performance is clear and meets appropriate performance benchmarks;
- To devise a policy on Board diversity;
- To develop a succession plan for the Board and to regularly review the plan;

EVALUATION

The Committee shall carry out evaluation of performance of every Director, KMP and Senior Management Personnel at regular interval (yearly).

The following criteria may assist in determining how effective the performances of the Directors/KMPs/Senior officials have been:

- Leadership & stewardship abilities
- Contributing to clearly define corporate objectives & plans
- Communication of expectations & concerns clearly with subordinates
- Obtain adequate, relevant & timely information from external sources.
- Review & approval achievement of strategic and operational plans, objectives, budgets
- Regular monitoring of corporate results against projections
- Identify, monitor & mitigate significant corporate risks
- Assess policies, structures & procedures
- Direct, monitor & evaluate KMPs, senior officials
- Review management's succession plan
- Effective meetings
- Assuring appropriate board size, composition, independence, structure
- Clearly defining roles & monitoring activities of committees
- Review of corporation's ethical conduct

Evaluation on the aforesaid parameters will be conducted by the Independent Directors for each of the Executive/Non-Independent Directors in a separate meeting of the Independent Directors.

The Executive Director/Non-Independent Directors along with the Independent Directors will evaluate/assess each of the Independent Directors on the aforesaid parameters. Only the Independent Director being evaluated will not participate in the said evaluation discussion.

APPOINTMENT OF DIRECTORS/KMPS/SENIOR OFFICIALS

- Enhancing the competencies of the Board and attracting as well as retaining talented employees for role of KMP/a level below KMP are the basis for the Nomination and Remuneration Committee to select a candidate for appointment to the Board. When recommending a candidate for appointment, the Nomination and Remuneration Committee has regard to:
 - assessing the appointee against a range of criteria which includes but not be limited to qualifications, skills, regional and industry experience, background and other qualities required to operate successfully in the position, with due regard for the benefits from diversifying the Board;
 - the extent to which the appointee is likely to contribute to the overall effectiveness of the Board, work constructively with the existing directors and enhance the efficiencies of the Company;
 - the skills and experience that the appointee brings to the role of KMP/Senior Official and how an appointee will enhance the skill sets and experience of the Board as a whole;
 - the nature of existing positions held by the appointee including directorships or other relationships and the impact they may have on the appointee's ability to exercise independent judgment;
- Personal specifications for Directors
 1. Qualification
 - Degree holder in relevant disciplines (e.g. management, accountancy, legal); or
 - Recognised specialist
 2. Experience
 - Experience of management in a diverse organisation
 - Experience in accounting and finance, administration, corporate and strategic planning or fund management
 - Demonstrable ability to work effectively with a Board of Directors
 3. Skills
 - Excellent interpersonal, communication and representational skills
 - Demonstrable leadership skills
 - Extensive team building and management skills
 - Strong influencing and negotiating skills
 - Having continuous professional development to refresh knowledge and skills
 4. Abilities and Attributes
 - Commitment to high standards of ethics, personal integrity and probity
 - Commitment to the promotion of equal opportunities, community cohesion and health and safety in the workplace
 5. Political inclinations and opinions.
 6. Other Specifications are as under:
 - Degree holder in relevant disciplines;
 - Experience of management in a diverse organization;
 - Excellent interpersonal, communication and representational skills;

- Demonstrable leadership skills;
- Commitment to high standards of ethics, personal integrity and probity;
- Commitment to the promotion of equal opportunities, community cohesion and health and safety in the workplace;
- Having continuous professional development to refresh knowledge and skills.

REMUNERATION OF DIRECTORS, KEY MANAGERIAL PERSONNEL AND SENIOR MANAGEMENT

The guiding principle is that the level and composition of remuneration shall be reasonable and sufficient to attract, retain and motivate Directors, Key Management Personnel and other senior officials. The Directors, Key Management Personnel and other senior official's salary shall be based and determined on the individual person's responsibilities and performance and in accordance with the limits as prescribed statutorily, if any.

The Nominations & Remuneration Committee determines individual remuneration packages for Directors, KMPs and Senior Officials of the Company taking into account factors it deems relevant, including but not limited to market, business performance and practices in comparable companies, having due regard to financial and commercial health of the Company as well as prevailing laws and government/other guidelines. The Committee consults with the Chairman of the Board as it deems appropriate. Remuneration of the Chairman is recommended by the Committee to the Board of the Company.

(i) Remuneration:

a) Base Compensation (fixed salaries)

Must be competitive and reflective of the individual's role, responsibility and experience in relation to performance of day-to-day activities, usually reviewed on an annual basis; (includes salary, allowances and other statutory/non-statutory benefits which are normal part of remuneration package in line with market practices).

b) Variable Salary :

The RNC may in its discretion structure any portion of remuneration to link rewards to corporate and individual performance, fulfilment of specified improvement targets or the attainment of certain financial or other objectives set by the Board. The amount payable is determined by the Committee, based on performance against pre-determined financial and non-financial metrics.

(ii) Statutory Requirements:

- Section 197(5) provides for remuneration by way of a fee to a director for attending meetings of the Board of Directors and Committee meetings or for any other purpose as may be decided by the Board.
- Section 197(1) of the Companies Act, 2013 provides for the total managerial remuneration payable by the Company to its directors, including managing director and Whole-time director, and its manager in respect of any financial year shall not exceed eleven percent of the net profits of the Company computed in the manner laid down in Section 198 in the manner as prescribed under the Act.
- The Company with the approval of the Shareholders and Central Government may authorise the payment of remuneration exceeding eleven percent of the net profits of the company, subject to the provisions of Schedule V.
- The Company may with the approval of the shareholders authorise the payment of remuneration upto five percent of the net profits of the Company to its anyone Managing Director/Whole-time Director/Manager and ten percent in case of more than one such official.
- The Company may pay remuneration to its directors, other than Managing Director and Whole-time Director upto one percent of the net profits of the Company, if there is a managing director or Whole-time director or manager and three percent of the net profits in any other case.
- The net profits for the purpose of the above remuneration shall be computed in the manner referred to in Section 198 of the Companies Act, 2013.

- The Independent Directors shall not be entitled to any stock option and may receive remuneration by way of fee for attending meetings of the Board or Committee thereof or for any other purpose as may be decided by the Board and profit related commission as may be approved by the members. The sitting fee to the Independent Directors shall not be less than the sitting fee payable to other directors.
- The remuneration payable to the Directors shall be as per the Company's policy and shall be valued as per the Income Tax Rules.
- The remuneration payable to the Key Managerial Personnel and the Senior Management shall be as may be decided by the Board having regard to their experience, leadership abilities, initiative taking abilities and knowledge base.

REMOVAL

The Committee may recommend, to the Board removal of a Director, KMP or Senior Management Personnel due to following reasons:

- Any disqualification
- Misconduct
- Breach of Contract or trust
- Conflict in interest

Such recommendation to the Board shall be with reasons recorded in writing.

OTHER GENERAL MATTERS

The Committee shall ensure that –

1. The policy is in accordance with the Companies Act, 2013 and rules made thereunder (including any statutory modification(s) or re-enactment thereof for the time being in force);
2. The composition of the Board is in accordance with the Companies Act, 2013, and the rules made thereunder, and Listing Agreement as amended from time to time;
3. The Board of the Company may consciously consist of directors from expertise field as may be considered fit by the Committee which is essential and beneficial for the growth of the Company;
4. The level and composition of remuneration is reasonable and sufficient to attract, retain and motivate directors of the quality required to run the company successfully;
5. Relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and
6. Remuneration to directors, KMPs and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals;
7. The policy is disclosed in the Board's Report.

ANNEXURE - 'B' TO BOARD'S REPORT - ITEM NO.14**ANNUAL REPORT ON CORPORATE SOCIAL RESPONSIBILITY (CSR) ACTIVITIES**

Management's Discussion and Analysis

ANNEXURE - "C" TO BOARD'S REPORT - ITEM NO. 16

INDUSTRY STRUCTURE AND DEVELOPMENT

COAL INDUSTRY

In India, coal accounts for the majority of primary commercial supply in India's energy sector. Coal will continue to be a dominant commercial fuel for two decades from now and beyond, despite our nuclear energy programme, development of natural gas supplies, increased hydropower generation, and emphasis on renewable energy. The consistent import of coal in huge quantity (Nearly 20% of our consumption) including the coal for the thermal power plant indicates the big demand supply gap for the right grade of coal in India and justifies the CIL's target. Even if we may not need the 1 billion MT of coal to be produced by 2019-20 as targeted by the Govt., the coal demand and production is going to increase steadily in mid and long term also. Coal has been recognized as the most important source of energy for electricity generation and industries such as steel, cement, fertilizers and chemicals are major sectors of coal consumption. In order to satisfy the coal demand, the Indian coal industry needs more investment and private players to raise its production level.

Coal production of CIL grew by 2.4% only in this (2017-18) financial year. However India is still the net importer of coal of both the varieties i.e. coking and non-coking coal. CIL and SCCL are keeping their ambitious targets intact and doing expansion also, but the mining projects take long time to start production due to regulatory issues. Government is now planning to auction the coal block for the commercial mining (non-captive use) purpose also. This will create a private sector competition for CIL, which may have different impact on CIL in short term and long term like opening of the Telecom, Power and Aviation sectors.

FUTURE SCENARIO

The Indian coal industry aspires to reach the 1.5 billion tonne (BT) mark by the Financial Year 2020. Presently, India imports large percentage of Coal in order to satisfy its total coal demand of about 25%. The government expects that by 2017-19, it will not have to import coal, except to feed power plants located along the coast. There are two goals of the Government of India, one is to ensure to meet the country's power generation needs and another is to lower the country's reliance on coal imports by boosting the coal production quickly. According to the government, the Coal imports have shrunk by around 9%, which is a positive trend in Coal Industry this year. India has planned to almost double its production to one billion tonnes by 2020 to meet its growing requirements.

As stated above, India is importing coal from developed economies like Russia, Australia and even USA, which indicates that demand and price both are conducive to increase in production. The demand of coal is steadily growing for both steel and power segment. Due to scarcity of alternate fuel like gas in our country the steel sector is going to be dependent on coal for long run. The nonconventional energy like solar, wind and nuclear are not able to satiate even the incremental demand of power, therefore all studies predict increase in coal demand in immediate future.

OPPORTUNITIES & THREATS

India is expected to become the fifth largest manufacturing country in the world by the end of 2020. The Government of India has set an ambitious target of increasing the contribution of manufacturing

output to 25% of Gross Domestic Product (GDP) by 2025, from 16% currently. This growth in the manufacturing sector will also lead to the growth of the mining sector as the outputs of the mining sector act as inputs for the manufacturing sector. As the manufacturing sector expands, it is expected that even the mining sector will expand because of the domino effect. Over 80% of the mining in India is done in coal which has never been opened to commercial mining. In India, the end-use sectors of coal mainly include electricity, iron and steel and cement. Demand from the unorganised small scale sector comprising primarily of the brick and ceramic industry is also relatively large. Lower grade coal, higher delivery costs and logistical challenges will limit India's ability to extract coal efficiently in large quantities. According to sector experts, the primary constraint is non-availability and load time for railway rakes. If the railway's logistical abilities are not in place, it is highly improbable for coal to move from mines to destined locations.

CONSTRUCTION EQUIPMENT INDUSTRY

The Indian economy will remain the fastest growing economy in the world in 2018, according to International Monetary Fund. Infrastructure plays a major role in growth & development of any nation. It helps augment gross domestic product (GDP) which in turn plays role in improving quality of life. The virtuous cycle of growth in infrastructure through various projects & GDP leads to higher spending including in Infrastructure equipment. Recently, a great emphasis is laid on raising Infrastructure expeditiously through award of projects. Since, good infrastructure acts as a catalyst in industrial & overall growth of the nation, the sector has always been on priority agenda of the current government at all the times. With the Government's constant impetus on infrastructure spending, the construction equipment industry has shown growth trend from the continuous falling trend of earlier years. The Government has instilled a positive outlook in the country by reviving stalled infrastructure projects, announcing new projects and is also allocating huge investments in infrastructure industry. Increasing number of public private partnerships and government initiatives such as smart city development projects would also aid the construction equipment market in India during the forecast period.

There has been macro-economic stability on economic front through fiscal consolidation, check on inflation & reduction in CAD to GDP ratio. There has been good reforms wrt Bankruptcy Law, Bank Recapitalisation and the Goods and Service Tax (GST). Also Disinvestment numbers have improved upon in last couple of years. The financial reforms inform of JAM trinity of Jan Dhan, Aadhar and Mobile has witnessed rising adoption. This has helped higher allocation to sectors like Railways & Roads & Rural Development. Further, the major growth drivers for construction equipment industry will be, focus on timely execution of projects through improved governance & easy availability of finance. Awareness & emphasis on qualitative approach will lead to focus on high quality & technology driven equipment. Growing urbanization & Increasing affordability is expected to further spur up the demand for construction equipment in near future. Based on the recent projections, the ICE (Indian Construction Equipment)

market is expected to grow by around 7 to 10 percent over the next few years.

There had been temporary challenges due to the impact of Demonetization and GST implementation to Construction Equipment Industry which has been over whelmed by the focus of the Government in allocation of Funds to Infrastructure Projects & on Implementation of projects at ground level.

FUTURE SCENARIO

Based on the Planning Commission estimates total infrastructure spending be about 10% of GDP during 12th Five Year Plan (2012-17), various global manufacturers have put their stake by investing in the Indian construction equipment industry over last few years. With the enhanced budgetary expenditure on infrastructure for 2018-19 in recent budget & the PRAGATI initiative from PM to fast track the allocated projects it is envisaged that the recent upward trend of construction equipment will continue this year. Increased spending on Highways & Railways, Aviation, Water revitalization will create an opportunity for construction equipment companies. A number of domestic players, who have expanded their capabilities or diversified their product portfolios, through collaboration & tie-up arrangements, have also started taking aggressive approach under the new economic scenario.

The Government of India has made infrastructure creation a major pillar for sustainable growth. The initiatives of present Government in promoting domestic players through 'make in India' & 'start up India' initiatives had started showing inflow of funds in Infra Industry very recently. Further, priority in allocation of funds to Government's recent initiatives, like Bharat Mala - Road Network across Border & Coastal Areas, UDAN – Development of Airports, Swachh Bharat Abhiyan - Solid Waste Disposal, Nirmal Ganga Sehbhagyta - Clean Ganga, Smart Cities & Interlinking of rivers has started showing growth results for primary construction equipment (earth-moving) which will further continue for secondary equipment (material handling) on the mid and long term basis.

OPPORTUNITIES & THREATS

With improved off-take of various infrastructure projects, the improved version of AL-120, a mid-sized Compact Wheel Loader with 2.3T pay load capacity, with superior features, will carve its product placement among similar equipment presently in vogue and used by construction companies. A higher capacity Loader AL-520, with pay load of 3.5T has also been introduced in the market place against heavy competition from national & global players, considering the higher demand from this segment. Continuous focus on improvement in current distribution network has helped spread this product in certain pockets of the nation, which will be further improved upon in the days to come.

Skid Steer Loader, a highly versatile machine having a growth potential & primarily use in Industry material handling as well as Infra projects, has also been launched and the same will be seen joining the league of earlier introduced products. Additional product lines in Construction Equipment Segment, as proposed by reputed market survey agency, will also help your company realize its growth objectives in years to follow.

50% of the demand for construction activities in India comes from the Infrastructure sector, while the rest comes from Industrial activities, residential and commercial development etc. Infrastructure plays a major role in growth & development of any nation. Since, good infrastructure acts as a catalyst in industrial & overall growth of the nation, the sector has always been on priority agenda of the current Government at all the times. With the

Government's constant impetus on infrastructure, the construction equipment industry has started showing signs of growth from the continuous falling trend of last three to four years. The Government has instilled a positive outlook in the country by reviving stalled infrastructure projects, announcing new projects and is also allocating huge investments in infrastructure industry.

OUTLOOK FOR THE COMPANY

Coal Ministry has admitted to coal shortage even after making tall claims of rise in production, they said, adding it has now directed Coal India to supply fuel out of turn to PSUs to keep them running and prevent losses, all this at the cost of the private sector. Bottlenecks in coal supply to power plants turned out to be a big issue this year.

India's coal imports was decreased from 18.59 million tonnes in April' 17 to 15 million tonnes in July' 17. However, the trend of declining coal imports got reversed during the period July'17 to November' 17 and the Coal imports increased to 18.39 million tonnes in the month of November' 17, when the coal stock in 19 power plants reached critical levels during the month of October' 17. With the all-round revival of coal companies and introduction of state-of-the-art technologies products for mining sector, your Company is expected to do better in the coming years.

RISKS AND CONCERNS

The main risk and concern of the company remains that it will continue to depend more on Government clients for some more time.

INTERNAL CONTROL SYSTEM

The Company's internal control systems are adequate, considering size and nature of operation of the Company, to meet regulatory / statutory requirements.

DEVELOPMENTS ON HUMAN RESOURCE/ INDUSTRIAL RELATIONS FRONT

The Company attaches utmost priority to human resource development with focus on regular upgradation of the knowledge and skills of all employees and equipping them with the necessary expertise to meet the challenges of change and growth successfully. The company continuously monitors its manpower requirement to ensure that it has adequate human skills commensurate with its needs. Industrial relations of the company continue to be cordial. As on 31st March, 2018 there were 152 permanent employees on role of the Company.

DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE AND OUTLOOK.

Sales & Other income for the year ended 31st March, 2018 were ₹ 151.76 Crores as compared to ₹ 198.88 Crores on 31st March, 2017. The net profit stood at ₹ 16.44 Crores (previous year ₹ 25.09 Crores).

CAUTIONARY STATEMENT

Statements in this report on describing the Company's objectives, expectations or predictions may be forward looking statements within the meaning of applicable security laws or regulations. These statements are based on certain assumptions and expectations of future events. Actual results could however differ materially from those expressed or implied.

Shri Nalin Shah	1,00,000	1,07,500	2,50,000	4,57,500
Shri Nirmal Bhogilal	75,000	75,000	2,50,000	4,00,000
Smt. Manjuladevi Shroff	50,000	55,000	2,50,000	3,55,000
Ms. Reena Bhagwati	50,000	Nil	2,50,000	3,00,000

STAKEHOLDERS' RELATIONSHIP COMMITTEE

The Company has constituted the Stakeholders' Relationship Committee in compliance with Section 178 of the Companies Act, 2013 and Regulation 20 of SEBI (LODR) Regulations, 2015.

The Stakeholders' Relationship Committee of the Company consists of following Members:

Name of Members	Designation	Category
Shri P. C. Amin	Chairman	NED(P)
Shri P. M. Patel	Member	NED(P)
Shri N.D. Shelat	Member	CFO

Meetings and attendance during the year:

Members	Attendance at Committee Meeting held on			
	18 th May, 2017	2 nd August, 2017	7 th November, 2017	6 th February, 2018
Shri P.C. Amin	Yes	Yes	Yes	Yes
Shri P. M. Patel	Yes	Yes	Yes	Yes
Shri N. D. Shelat	Yes	Yes	Yes	Yes

The Company Secretary acts as a Secretary of the Committee.

CORPORATE SOCIAL RESPONSIBILITY (CSR) COMMITTEE

The CSR Committee has been constituted as per Section 135 of the Companies Act, 2013 and rules made thereunder. The composition of the Corporate Social Responsibility Committee is as under:

Name of Members	Designation	Category
Shri P. M. Patel	Chairman	NED(P)
Shri P. C. Amin	Member	NED(P)
Smt. Manjuladevi Shroff	Member	NED(I)

Meetings and attendance during the year:

Members	Attendance at Committee Meeting held on
	18 th May, 2017
Shri P. M. Patel	Yes
Shri P. C. Amin	Yes
Smt. Manjuladevi Shroff	No

The Company Secretary acts as a Secretary of the Committee.

RISK MANAGEMENT COMMITTEE

Pursuant to Regulation 21 of SEBI (LODR), 2015; the constitution of Risk Management Committee is applicable only to the top 100 listed entities, determined on the basis of market capitalization, as at the end of the immediate previous financial year. Hence, this provision is not applicable to the Company.

However, Business Risk Evaluation and Management is an ongoing process within the Company. As a prudent step, following is the constitution of the Risk Committee:

Name of the Members	Designation	Category
Shri P. M. Patel	Chairman	NED (P)
Shri P. C. Amin	Member	NED (P)
Shri M. G. Rao	Member	Whole-time Director
Shri N. D. Shelat	Member	CFO

The Company Secretary acts as a Secretary of the Meeting.

During the year under review, no meeting of the Risk Management was held.

INDEPENDENT DIRECTORS' MEETING

During the year under review, the Independent Directors met on 6th February, 2018, inter alia, to discuss: Evaluation of the performance of Non-Independent Directors and the Board of Directors as a whole.

Evaluation of the performance of the Chairman of the Company, taking into account the views of the Executive and Non-Executive Directors.

Evaluation of the quality, content and timeliness of flow of information between the Management and the Board that is necessary for the Board to effectively and reasonably perform its duties.

PERFORMANCE EVALUATION

Pursuant to the provisions of the Companies Act, 2013 and SEBI (LODR) Regulations, 2015, the Board has carried out the annual performance evaluation of its own performance, the Directors individually as well as the evaluation of the working of Committees. A structured questionnaire was prepared after taking into consideration inputs received from the Directors, covering various aspects of the Board's functioning such as adequacy of the composition of the Board and its Committees, Board culture, execution and performance of specific duties, obligations and governance.

A separate exercise was carried out to evaluate the performance of individual Directors, including the Chairman of the Board, who were evaluated on parameters such as level of engagement and contribution, independence of judgement, safeguarding the interest of the Company and its minority shareholders, etc. The performance evaluation of the Independent Directors was carried out by the entire Board. The performance evaluation of the Chairman and the Non-Independent Directors was carried out by the Independent Directors. The Directors expressed their satisfaction with the evaluation process.

FAMILIARISATION PROGRAMME FOR INDEPENDENT DIRECTORS

On appointment, the concerned Director is issued a Letter of Appointment setting out in detail, the terms of appointment, duties, responsibilities and expected time commitments. During the first Board Meeting attended, each newly appointed Independent Director is taken through a formal induction program, including the presentation from the Whole-time Director on the Company's manufacturing, marketing, finance and other important aspects. The Company Secretary briefs the Director about their legal and regulatory responsibilities as a Director. The Familiarization Programme for Independent Directors includes a detailed presentation by Business and Functional Heads, visit to the manufacturing site, etc. Weblink for the Policy for the Familiarisation Programme for Independent Directors - https://eimcoelecon.in/wp-content/uploads/2012/11/Familiarization_Programme.pdf

RELATED PARTY TRANSACTIONS

All transactions entered into with Related Parties as defined under the Companies Act, 2013 and Regulation 23 of the SEBI (LODR) Regulations, 2015 during the financial year were in the ordinary course of business and on an arm's length pricing basis. There were no materially significant transactions with related parties during the financial year which were in conflict with the interests of the Company.

The Board has approved a policy for related party transactions which has been uploaded on the Company's website at following link- <https://eimcoelecon.in/wp-content/uploads/2012/11/Related-Party-Policy-EIMCO.pdf>.

DISCLOSURES

Strictures and Penalties

During last three years, there was neither non-compliance made by the Company nor any penalty or strictures imposed on the Company by any stock exchange(s) or the SEBI or any other statutory authority, on any matter related to capital markets.

Compliance with Accounting Standards

In the preparation of the financial statements, the Company has followed the Indian Accounting Standards as notified by the Ministry of Corporate Affairs. The significant accounting policies which are consistently applied have been set out in the Notes to the Financial Statements.

Internal Controls

The Company has a formal system of internal control testing which examines both the design effectiveness and operational effectiveness to ensure reliability of financial and operational information and all statutory/regulatory compliances. The Company's business processes are on Oracle-ERP and has a strong monitoring and reporting process resulting in financial discipline and accountability.

CODE OF CONDUCT

i) For prevention of Insider Trading

The Company has a comprehensive code of conduct for its management, staff and directors for prevention of insider trading. The code lays down guidelines and procedures to be followed and disclosures to be made while dealing with the shares of the Company and cautioning them on the consequences of non-compliance. The Company Secretary has been appointed as a Compliance Officer and is responsible for adherence to "Code for Prevention of Insider Trading".

ii) For Board of Directors (including Independent Directors) and Senior Management.

The Board of Directors of the Company has laid down a "Code of Conduct" for all Board Members including Independent Directors and Members of Senior Management of the Company. The code of conduct is posted on the website of the Company <http://www.eimcoelecon.in>. The Board Members (including Independent Directors) and Senior Management Personnel have affirmed compliance with the "Code of Conduct" for the year ended on 31st March, 2018.

Declaration regarding affirmation of Code of Conduct

In terms of the requirement of the Schedule V of SEBI (LODR) Regulations, 2015, this is to confirm that all the members of the Board and Senior Management Personnel have affirmed Compliance with the code of Conduct for the year ended on 31st March, 2018.

VIGIL MECHANISM/WHISTLE BLOWER POLICY

The Company has a Whistle Blower Policy. The Company takes cognizance of complaints made and suggestions given, if any, by the employees and others. No employee of the Company has been denied access to the Audit Committee.

The Weblink for the Whistle Blower is <https://eimcoelecon.in/wp-content/uploads/2012/11/Whistle-Blower-Policy-EIMCO.pdf>

**AUDITORS' CERTIFICATE ON COMPLIANCE WITH MANDATORY REQUIREMENTS OF CORPORATE GOVERNANCE TO THE MEMBERS OF EIMCO ELECON (INDIA) LIMITED**

To
The Members,
Eimco Elecon (India) Limited,
Vallabh Vidyanagar – 388120.

We have examined the compliance of the conditions of Corporate Governance by Eimco Elecon (India) Limited for the year ended on 31st March, 2018 as stipulated in Chapter IV of Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('the Regulations').

The compliance of the conditions of Corporate Governance is the responsibility of the Management. Our examination was limited to the procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of the Corporate Governance. It is neither an audit nor an expression of an opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanation given to us, the Company has complied with the conditions of the Corporate Governance as stipulated in Chapter IV of the Regulations.

We state that in respect of investor grievance received during the year ended on 31st March, 2018, no investor grievance is pending against the Company as per records maintained by the Company and presented to the Stakeholders Relationship Committee of the Company.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or the effectiveness with which the management has conducted the affairs of the Company.

**ANNEXURE – ‘F’ TO BOARD’S REPORT - ITEM NO. 21**

Particulars required to be disclosed in the report of Board of Directors pursuant to Section 134(3) (m) of the Companies Act, 2013 read with Rule 8 of the Companies (Accounts) Rules, 2014-

[A] Conservation of energy :

Energy conservation and efficiency measures were taken into various areas in the plant as under.

1. All water coolers provided with control with timer.
2. Works office AC provided with control with timer.
3. VFD panel replaced in GL8, GL9 & GL 10 cranes.
4. Kept vigil/watch to ensure switching off electrical fittings in lunch time to avoid idle usage of AC, computer and light.
5. Separate 42 CFM Air Compressor installed in the workshop for Night shift when air consumption is low.
6. Manual AC plant on /off control in R & D office.
7. Wash rooms in all offices and the workshop provided with light control with mason sensor.
8. 11 KW hoist motor installed for Crane in the workshop.

[B] Technology absorption :

Form B (rule 2)

Research & Development (R & D)

The Company has a Government recognized R & D Department which is manned with well qualified personnel and equipped with Computer Aided Design System.

1. **Benefit derived as a result of the above R & D:**
R&D efforts have helped to bring out improvements in processes, product design and operating efficiencies. Indigenous development & supply of the underground mining machinery saved the country a sizable amount of foreign exchange, besides availability of machines at shorter notice.
2. **Future plan of action:**
Continuous measures are being taken to achieve indigenisation of existing machines and efforts are put to introduce new models suitable to Indian mining conditions.
3. **Expenditure:**

Capital	-	Nil
Recurring	-	₹ 312.26 Lakhs
Total R & D expenditure	-	₹ 312.26 Lakhs

Percentage of total turnover - 2.06 %

Technology absorption, adaptation & innovation:

1. Efforts, in brief, made towards technology absorption, adaptation & innovation:
The technologies so far imported by the Company have been absorbed and adapted/ innovated to make them suitable to the Indian mining conditions by the active involvement of the R & D Department.
2. Benefits derived as a result of above efforts:
Absorption, adaptation & innovation of imported technology have lead to less dependence on imports of these products. This has saved a considerable amount of foreign exchange and cost of production.
3. Technology imported:
The company had signed Two Collaboration Agreements in 2006 and 2008 which had been fully absorbed: Technology for the Front End Loader and 520G Wheel Loader is absorbed

[C] Foreign exchange earning & outgo:

1. During the year, the Company has exported goods worth ₹ 172.96 Lakhs and continues to make efforts to push up exports.
2. Foreign Exchange used & earned:

<u>Used</u>	<u>Earned</u>
₹ 1862.02 Lakhs	₹ 172.96 Lakhs

ANNEXURE - 'G' TO THE BOARD'S REPORT - ITEM NO. 24

Form No. MR - 3

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2018

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Eimco Elecon (India) Limited
Vallabh Vidyanagar.

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **EIMCO ELECON (INDIA) LIMITED** (hereinafter called the company). Secretarial Audit was conducted in accordance with the Guidance Notes issued by the Institute of Company Secretaries of India and in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the company's books, papers, minutes, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, We hereby report that in our opinion, the company has, during the audit period covering the financial year ended on 31st March, 2018 complied with the statutory provisions listed hereunder and also that the Company has proper Board- processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and the other records maintained by **EIMCO ELECON (INDIA) LIMITED** for the financial year ended on 31st March, 2018 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;

INDEPENDENT AUDITORS' REPORT

To
The Members of **Eimco Elecon (India) Limited**,

Report on the Standalone Ind AS Financial Statements

We have audited the accompanying Standalone Ind AS financial statements of **Eimco Elecon (India) Limited** ('the Company'), which comprise the Balance Sheet as at **31st March, 2018**; the Statement of Profit and Loss (including other comprehensive income), the Cash Flows Statement and the Statement of Changes in Equity for the year then ended and a summary of the Significant Accounting Policies and other Explanatory Information (herein after referred to as "Standalone Ind AS financial statements").

Management's Responsibility for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with relevant rules issued thereunder.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these Standalone Ind AS financial statements based on our audit. We have taken into account the provisions of the Act, the

accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of Standalone Ind AS Financial Statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Standalone Ind AS financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the Standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Standalone Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- (i) in the case of the Balance Sheet, of the state of affairs of the Company as at 31st March, 2018;
- (ii) in the case of the Statement of Profit and Loss (comprising of Other Comprehensive Income), of the Profit for the year ended on that date; and
- (iii) in the case of the Cash Flow Statement, of the cash flows for the year ended on that date and
- (iv) the changes in equity for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. The Balance Sheet, the Statement of Profit and Loss, the Cash Flow Statement and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - d. In our opinion, the aforesaid Standalone Ind AS financial statements comply with the Accounting Standards (Ind AS) specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015 as amended;
 - e. On the basis of written representations received from the directors as on 31st March, 2018 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2018 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
 - g. With respect to other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The Company has disclosed the impact of pending litigations on its financial position in its Ind AS financial statements- Refer Note 29 to the Standalone Ind AS financial statements;
 - (ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - (iii) There has been no delay in transferring amounts, required to be transferred, to the Investors Education and Protection Fund by the Company.

‘ANNEXURE – A’ TO THE INDEPENDENT AUDITORS’ REPORT

Referred to in paragraph 1 under the heading ‘Report on Other Legal & Regulatory Requirement’ of our report of even date to the Standalone Ind AS financial statements of the **Eimco Elecon (India) Limited** for the year ended **31st March, 2018**:

- (i) (a) The Company has maintained proper records showing full particulars including quantitative details and situation of property, plant and equipment and investment properties.
- (b) Majority of the assets have been physically verified by the management in a phased manner at reasonable intervals. According to the information and explanation given to us, no material discrepancies were noticed on such verification. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and its assets.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of the immovable properties held are in the name of the Company, except in respect of one immovable property, which the Company is in process of registering the title deed in its name (carrying value: INR 755.29 Lakhs included in Land and INR 244.71 Lakhs included in Buildings).
- (ii) According to the information and explanations given to us, physical verification of inventory has been conducted at reasonable intervals by the management and no material discrepancies were noticed on physical verification during the year.
- (iii) According to information and explanations given to us, the company has not granted loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Companies Act 2013. Hence, clauses (iii) (a), (b) & (c) of paragraph 3 of the Order are not applicable to the Company.
- (iv) According to information and explanations given to us, the Company has complied with the provisions of Sections 185 & 186 of Companies Act, 2013 in respect of loans, investments and guarantees.
- (v) In our opinion and according to the information and explanations given to us, the Company has not accepted any deposit and hence the provisions of Section 73 to 76 or any other relevant provisions of the Companies Act and the Companies (Acceptance

of Deposits) Rules, 2014 with regard to the deposits accepted are not applicable to the Company. Therefore, the provisions of Clause (v) of paragraph 3 of the Order are not applicable to the Company. According to the information and explanations given to us, no order has been passed by the Company Law Board or the National Company Law Tribunal or the Reserve Bank of India or any Court or any other Tribunal.

- (vi) We have broadly reviewed the books of account maintained by the company pursuant to the Rules made by the Central Government for the maintenance of cost records under Section 148(1) of the Companies Act, 2013 and are of the opinion that prima facie the prescribed accounts and records have been made and maintained.
- (vii) In respect of Statutory dues:
 - (a) According to the records of the Company, the Company is regular in depositing with appropriate authorities undisputed statutory dues including Provident Fund, Employees’ State Insurance, Income Tax, Goods & Service Tax, Sales Tax, Service Tax, Duty of Customs, Duty of Excise, Value Added Tax, Cess and any other statutory dues applicable to it. According to the information and explanations given to us, no undisputed amounts payable in respect of the aforesaid statutory dues were outstanding as at **31st March, 2018** for a period of more than six months from the date they became payable.
 - (b) The disputed statutory dues aggregating to ₹1,402.43 Lakhs that have not been deposited on account of disputed statutory matters pending before appropriate authorities are as under:

Sr. No.	Name of the Statute	Nature of the Dues	Amount (₹ In Lakhs)	Period to which the amount Relates	Forum where dispute is pending
1.	Central Excise Act, 1944	Excise Duty & Service Tax	1,292.10	Various years from 2006-07 to 2013-14	Appellate Authority
2.	VAT	VAT	110.33	Various years from 2008-09 to 2013-14	Appellate Authority

- (viii) In our opinion, and to the best of our information and according to the explanations provided by the management, the Company has not defaulted in repayment of loans and borrowings to the banks and financial institutions. The Company has not issued any debentures during the year under audit.

- (ix) In our opinion, and to the best of our information and according to the explanations provided by the management, the Company has not raised any monies by way of Initial Public Offer or Further Public Offer during the year. In our opinion, and to the best of our information and according to the explanations provided by the management, the term loans taken by the Company have been applied for the purpose for which they are raised.
- (x) Based on the audit procedures performed and representation obtained from management we report that, no case of fraud by the Company or on the Company by its officers and employee has been noticed or reported for the year under audit.
- (xi) The Company has provided managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V of the Companies Act, 2013.
- (xii) In our opinion, and to the best of our information and according to the explanations provided by the management, the company is not a nidhi company. Hence, in our opinion, the requirements of clause (xii) of Paragraph 3 of the Order do not apply to the Company.
- (xiii) The Company has complied with Sections 177 and 188 of Companies Act, 2013, in respect of transactions with the related parties and relevant

details have been disclosed in the Ind AS financial statements as required by the applicable accounting standards (Ind AS).

- (xiv) The Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review. Hence, the provisions of Clause (xiv) of paragraph 3 of the Order is not applicable to the Company.
- (xv) The Company has not entered into any non-cash transactions with directors or persons connected with them. Therefore, the provisions of Clause (xv) of paragraph 3 of the Order is not applicable to the Company.
- (xvi) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.

‘ANNEXURE - B’ TO THE INDEPENDENT AUDITORS’ REPORT OF EVEN DATE ON THE STANDALONE IND AS FINANCIAL STATEMENTS OF EIMCO ELECON (INDIA) LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”).

We have audited the internal financial controls over financial reporting of **Eimco Elecon (India) Limited** (“the Company”) as of **31st March, 2018** in conjunction with our audit of the Standalone Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial

controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included in obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the Standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use or disposition of the company’s assets that could have a material effect on the Standalone Ind AS financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at **31st March, 2018**, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2018**1. CORPORATE INFORMATION**

Eimco Elecon (India) Limited is a public company domiciled in India and is incorporated in 1974 under the provisions of the Companies Act applicable in India. Its shares are listed on two recognised stock exchanges in India. The registered office of the company is located at Vallabh Vidyanagar, Gujarat. The Company is principally engaged in the business of Manufacturing of Equipment for Mining and Construction sectors.

The financial statements were authorised for issue in accordance with a resolution of the Board of Directors on 3rd May, 2018.

2. SIGNIFICANT ACCOUNTING POLICIES**2.1 BASIS OF PREPARATION**

The standalone financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of the Companies Act, 2013, (the 'Act') and other relevant provisions of the Act.

The standalone financial statements have been prepared on a historical cost basis except for the following items:

- Certain financial assets and liabilities - measured at fair value (refer accounting policy regarding financial instruments),
- Net defined benefit (asset) / liability - measured at fair value of plan assets less present value of defined benefit obligations.

The standalone financial statements are presented in INR and all values are rounded to the nearest Lakh (INR 00,000), except when otherwise indicated.

2.2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**a. Current Versus Non-current Classification**

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in the normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in the normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Operating Cycle

Operating cycle of the Company is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. As the Company's normal operating cycle is not clearly identifiable, it is assumed to be twelve months.

b. Foreign Currencies

The Company's financial statements are presented in INR, which is also the company's functional currency.

Transactions and balances

Transactions in foreign currencies are initially recorded by the company's functional currency spot rates at the date the transaction first qualifies for recognition.

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date. Differences arising on settlement of such transaction and on translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rate are recognised in profit or loss. They are deferred in equity if they relate to qualifying cash flow hedges.

NOTES TO STANDALONE FINANCIAL STATEMENTS (Contd...)

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or profit or loss are also recognised in OCI or profit or loss, respectively).

c. Fair Value Measurement

The Company measures financial instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability

Or

- In the absence of a principal market, in the most advantageous market for the asset or liability.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period. Management determines the policies and procedures for both recurring fair value measurement and non recurring fair value measurement.

External values are involved for valuation of significant assets, such as properties and involvement of external valuers is decided upon the Management. Selection criteria include market knowledge, reputation, independence and whether professional standards are maintained. The Management decides, after discussions with the Company's external valuers, which valuation techniques and inputs to use for each case.

At each reporting date, Management analyses the movements in the values of assets and liabilities which are required to be remeasured or re-assessed as per the Company's accounting policies. For this analysis, Management verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

This note summarizes accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

- Significant accounting judgments, estimates and assumptions (note no. 2.3)
- Quantitative disclosures of fair value measurement hierarchy (note no. 26)
- Investment properties (note no. 2.2(g) and note no. 4)

NOTES TO STANDALONE FINANCIAL STATEMENTS (Contd...)

- Financial instruments (note no. 2.2(o))

d. Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the Government.

The specific recognition criteria described below must also be met before revenue is recognized.

Sale of goods

Sales are stated net of rebate and trade discount and exclude Central Sales Tax, State Value Added Tax, and Goods and Service Tax. With regard to sale of product, income is reported when significant risks and rewards connected with the ownership have been transferred to the buyers. This usually occurs upon dispatch, after the price has been determined. The Company provides normal warranty provisions for general repairs for 12-18 months on all its products sold, in line with the industry practice. A liability is recognised at the time the product is sold – see Note 15 for more information. The Company does not provide any extended warranties or maintenance contracts to its customers.

Interest income

For all debt instruments measured either at amortized cost, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability. Interest income is included in other income in the statement of profit and loss.

Rental Income

Rental income arising from operating leases on investment properties is accounted for on a straight-line basis over the lease terms except the case where incremental lease reflects inflationary effect and rental income is accounted in such case by actual rent for the period.

Dividend Income

Income from dividend on investments is accrued in the year in which it is declared, whereby right to receive is established.

e. Taxes**Current Income Tax**

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities.

Current income tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognized in co-relation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred Tax

Deferred tax is recognised using the balance sheet approach. Deferred tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred income tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred tax assets are recognised to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised.

f. Property, Plant and Equipment

Property, plant and equipment is stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Such cost includes the cost of replacing part of the plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of Property, plant and

NOTES TO STANDALONE FINANCIAL STATEMENTS (Contd...)

equipment are required to be replaced at intervals, the Company recognises such parts as individual assets with specific useful lives and depreciates them accordingly. All other repair and maintenance costs are recognised in profit or loss as incurred. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

Capital work-in-progress comprises cost of Property, Plant and Equipment that are not yet installed and ready for their intended use at the balance sheet date.

Derecognition

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the Statement of Profit and Loss when the asset is derecognised.

Depreciation

Depreciation is calculated on a written down value basis over the estimated useful lives of the assets as prescribed under Part C of Schedule II of the Companies Act, 2013 except for the assets mentioned below for which useful lives estimated by the management. The Identified component of fixed assets are depreciated over their useful lives and the remaining components are depreciated over the life of the principal assets. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

Plant and Machinery & Road has been depreciated on straight line basis over the useful lives as prescribed in Schedule II of the Companies Act, 2013.

Depreciation methods, useful lives and residual values are reviewed at each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

g. Investment Properties

Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any.

The cost includes the cost of replacing parts and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of the property are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. All other repair and maintenance costs are recognised in profit or loss as incurred.

Depreciation on Investment property is provided on the written down value basis over useful lives of the assets as prescribed under Part C of Schedule II to the Companies Act, 2013.

Though the Company measures investment property using cost based measurement, the fair value of investment property is disclosed in the notes. Fair values are determined based on an annual evaluation performed by an accredited external independent valuer applying a valuation model recommended by the International Valuation Standards Committee.

An investment property is derecognised on disposal or on permanently withdrawal from use or when no future economic benefits are expected from its disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the Statement of Profit and Loss when the asset is derecognised.

h. Intangible Assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, Intangible assets are carried at cost less accumulated amortisation and accumulated impairment losses, if any.

Amortisation

Intangible assets are amortized on straight line basis over their individual respective useful life. The management estimates the useful life of assets as under:

Assets	Year
Technical Knowhow	7 years
Software	7 years

i. Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes

NOTES TO STANDALONE FINANCIAL STATEMENTS (Contd...)

a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

j. Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfillment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

Company as a Lessee

A lease is classified at the inception date as a finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the company is classified as a finance lease.

Finance leases are capitalised at the commencement of the lease at the inception date fair value of the leased property or, if lower, at the present value of the minimum lease payments. Lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised in finance costs in the statement of profit and loss, unless they are directly attributable to qualifying assets, in which case they are capitalized in accordance with the Company's general policy on the borrowing costs. Contingent rentals are recognised as expenses in the periods in which they are incurred.

A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Company will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.

An operating lease is a lease other than a finance lease. Operating lease payments are recognised as an operating expense in the Statement of Profit and Loss on a straight-line basis over the lease term except the case where incremental lease reflects inflationary effect and lease expense is accounted in such case by actual rent for the period.

Company as a lessor

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating lease is recognised on a straight-line basis over the term of the relevant lease except the case where incremental lease reflects inflationary effect and lease expense is accounted in such case by actual rent for the period. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

Leases are classified as finance leases when substantially all of the risks and rewards of ownership transferred from the Company to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the Company's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease.

k. Inventories

Raw Material and stores, work in progress, traded and finished goods are stated at lower of cost and net realizable value. Cost of raw material and traded goods comprises cost of purchases, cost of work in progress and finished goods comprises direct materials, appropriate share of labour and manufacturing overheads and valued at the lower of cost and net realizable value. Cost of inventories also includes all other cost incurred in bringing the inventories to their present location and condition. Cost of purchase inventory is determined after deducting rebate and discounts.

Net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated cost necessary to make the sale.

l. Impairment of Non-Financial Assets

The Management periodically assesses using, external and internal sources, whether there is an indication that an asset may be impaired. An impairment loss is recognized wherever the carrying value of an asset exceeds its recoverable amount. The recoverable amount is higher of the asset's net selling price or value in use, which means the present value of future cash flows expected to arise from the continuing use of the asset and its eventual disposal. An impairment loss for an asset is reversed if, and only if, the reversal can be related objectively to an event occurring after the impairment loss was recognized. The carrying amount of an asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

NOTES TO STANDALONE FINANCIAL STATEMENTS (Contd...)

m. Provisions

General

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Warranty provisions

Product warranty expenses are estimated by the management on the basis of technical evaluation and past experience. Provision is made for estimated liability in respect of warranty cost in the period of recognition of revenue.

n. Employee benefits

a) Short Term Employee Benefits

Short term employee benefits are recognised as an expense at the undiscounted amount expected to be paid over the period of services rendered by the employee to the company.

b) Post-Employment Benefits

(i) Defined contribution plan

These are plans in which the company pays pre-defined amounts to separate funds and does not have any legal or informal obligation to pay additional sums. These comprises of contribution to Employee Provident Fund and Superannuation Fund. The Company payments to the defined contribution plans are reported as expenses during the period in which the employee performs the services that the payment covers.

(ii) Defined benefit plan

Expenses for defined gratuity payment plans are calculated as at the balance sheet date by independent actuaries in the manner that distributes expenses over the employees working life. These commitments are valued at the present value of the expected future payments, with consideration for calculated future salary increases, using a discounted rate corresponding to the interest rate estimated by the actuary having regard to the interest rate on government bonds with a remaining term i.e. almost equivalent to the average balance working period of the employees.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognized immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

Past service costs are recognised in profit or loss on the earlier of;

- The date of the plan amendment or curtailment, and
- The date that the Company recognises related restructuring costs;
- Net interest is calculated by applying the discount rate to the net defined benefit liability or asset. The Company recognises the following changes in the net defined benefit obligation as an expense in the Statement of profit and loss;
- Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements; and
- Net interest expense or income.

Other long term employment benefits:

The employee's long term compensated absences are Company's defined benefit plans. The present value of the obligation is determined based on the actuarial valuation using the Projected Unit Credit Method as at the date of the Balance Sheet. In case of funded plans, the fair value of plan asset is reduced from the gross obligation, to recognise the obligation on the net basis.

NOTES TO STANDALONE FINANCIAL STATEMENTS (Contd...)

o. **Financial Instruments**

Financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial Assets**Initial recognition and measurement**

All financial assets, except investment in Associates and Tax Free Bonds, are recognised initially at fair value, through profit & loss account. In the case of financial assets not recorded at fair value through profit or loss, are recognised at transaction costs that are attributable to the acquisition of the financial assets.

Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent Measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- (a) Financial assets at amortised cost
- (b) Financial assets at fair value through other comprehensive income (FVTOCI)
- (c) Financial assets at fair value through profit or loss (FVTPL)
- (d) Equity instruments measured at fair value through other comprehensive income (FVTOCI)

Financial assets at amortised cost

A financial assets is measured at the amortised cost if:

- a) the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows, and
- b) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss.

Financial assets at fair value through other comprehensive income

A financial asset is measured at fair value through other comprehensive income if:

- (a) the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets, and
- (b) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

Financial assets included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI).

Financial assets at fair value through profit or loss

FVTPL is a residual category for financial assets. Any financial asset, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

In addition, the Company may elect to designate a financial asset, which otherwise meets amortized cost or fair value through other comprehensive income criteria, as at fair value through profit or loss. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch'). The Company has other investments at FVTPL.

After initial measurement, such financial assets are subsequently measured at fair value with all changes recognised in Statement of profit and loss.

Equity investments

All equity investments in scope of Ind-AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election

NOTES TO STANDALONE FINANCIAL STATEMENTS (Contd...)

on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

Derecognition of financial assets

A financial asset is derecognised when:

- (a) the contractual rights to the cash flows from the financial asset expire, or
- (b) The Company has transferred its contractual rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

Loans and Borrowings

After initial recognition, interest-bearing borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss. This category generally applies to borrowings.

Financial guarantee contracts

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

p. Hedge Accounting

For the purpose of hedge accounting, hedges are classified as:

- ▶ Fair value hedges when hedging the exposure to changes in the fair value of a recognised asset or liability or an unrecognised firm commitment,
- ▶ Cash flow hedges when hedging the exposure to variability in cash flows that is either attributable to a particular risk associated with a recognised asset or liability or a highly probable forecast transaction or the foreign currency risk in an unrecognised firm commitment.

NOTES TO STANDALONE FINANCIAL STATEMENTS (Contd...)

At the inception of a hedge relationship, the Company formally designates and documents the hedge relationship to which the Company wishes to apply hedge accounting and the risk management objective and strategy for undertaking the hedge. The documentation includes the group's risk management objective and strategy for undertaking hedge, the hedging/ economic relationship, the hedged item or transaction, the nature of the risk being hedged, hedge ratio and how the entity will assess the effectiveness of changes in the hedging instrument's fair value in offsetting the exposure to changes in the hedged item's fair value or cash flows attributable to the hedged risk. Such hedges are expected to be highly effective in achieving offsetting changes in fair value or cash flows and are assessed on an ongoing basis to determine that they actually have been highly effective throughout the financial reporting periods for which they were designated.

Hedges that meet the strict criteria for hedge accounting are accounted for, as described below:

(i) Fair Value Hedges

The change in the fair value of a hedging instrument is recognised in the statement of profit and loss. The change in the fair value of the hedged item attributable to the risk hedged is recorded as part of the carrying value of the hedged item and is also recognised in the statement of profit and loss.

(ii) Cash Flow Hedges

The effective portion of the gain or loss on the hedging instrument is recognised in OCI in the cash flow hedge reserve, while any ineffective portion is recognised immediately in the statement of profit and loss.

Amounts recognised as OCI are transferred to profit or loss when the hedged transaction affects profit or loss, such as when the hedged financial income or financial expense is recognised or when a forecast sale occurs. When the hedged item is the cost of a non-financial asset or non-financial liability, the amounts recognised as OCI are transferred to the initial carrying amount of the non-financial asset or liability.

If the hedging instrument expires or is sold, terminated or exercised without replacement or rollover (as part of the hedging strategy), or if its designation as a hedge is revoked, or when the hedge no longer meets the criteria for hedge accounting, any cumulative gain or loss previously recognised in OCI remains separately in equity until the forecast transaction occurs or the foreign currency firm commitment is met.

q. Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

r. Dividend Distribution

The Company recognizes a liability to make cash or non-cash distributions to equity holders of the parent when the distribution is authorized and the distribution is no longer at the discretion of the Company. As per the corporate laws in India, a distribution is authorized when it is approved by the shareholders. A corresponding amount is recognized directly in equity.

Non-cash distributions are measured at the fair value of the assets to be distributed with fair value re-measurement recognised directly in equity.

Upon distribution of non-cash assets, any difference between the carrying amount of the liability and the carrying amount of the assets distributed is recognised in the statement of profit and loss.

s. Earnings Per Share

Basic EPS is calculated by dividing the profit / loss for the year attributable to ordinary equity holders of the parent by the weighted average number of ordinary shares outstanding during the year.

Diluted EPS is calculated by dividing the profit / loss attributable to ordinary equity holders of the parent by the weighted average number of ordinary shares outstanding during the year plus the weighted average number of ordinary shares that would be issued on conversion of all the dilutive potential ordinary shares into ordinary shares.

2.3 Significant accounting judgments, estimates and assumptions

The preparation of the Company's financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

NOTES TO STANDALONE FINANCIAL STATEMENTS (Contd...)

Judgments

In the process of applying the Company's accounting policies, management has made the following judgments, which have the most significant effect on the amounts recognized in the financial statements:

Finance lease commitments – Company as lessee

The Company has entered into leases whereby it has taken land on lease. The Company has determined, based on an evaluation of the terms and conditions of the arrangements, such as the lease term constituting a major part of the economic life of the property and the fair value of the asset, that it retains all the significant risks and rewards of ownership of these properties and accounts for the contracts as finance leases.

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

Defined benefit plans (gratuity benefits)

The cost of the defined benefit plan and the present value of the obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, attrition rate and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

The parameter most subject to change is the discount rate. In determining the appropriate discount rate for plans operated in India, the management considers the interest rates of government bonds in currencies consistent with the currencies of the post-employment benefit obligation.

The underlying bonds are further reviewed for quality. Those having excessive credit spreads are excluded from the analysis of bonds on which the discount rate is based, on the basis that they do not represent high quality corporate bonds.

The mortality rate is based on publicly available mortality tables for the specific countries. Those mortality tables tend to change only at interval in response to demographic changes. Future salary increases and gratuity increases are based on expected future inflation rates for the respective countries.

Further details about gratuity obligations are given in Note 31.

Taxes

Deferred tax assets are recognised for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

Allowance for uncollectible trade receivables

Trade receivables do not carry any interest and are stated at their nominal value as reduced by appropriate allowances for estimated irrecoverable amounts. Estimated irrecoverable amounts are based on the ageing of the receivable balance and historical experience. Additionally, a large number of minor receivables is grouped into homogeneous groups and assessed for impairment collectively. Individual trade receivables are written off when management deems them not to be collectible.

Warranty Provision

The company generally offers 12-18 months warranties for the products sold. Management estimates the related provision for future warranty claims based on historical warranty claim information as well as recent trends that might suggest that past cost information may differ from future claims. The assumptions made in relation to the current period are consistent with those in the prior periods. Factors that could impact the estimated claim information include the success of the company's productivity and quality initiatives.

Intangible Assets

Refer Note 2.2 (h) for the estimated useful life of Intangible assets. The carrying value of Intangible assets has been disclosed in Note 5.

NOTES TO STANDALONE FINANCIAL STATEMENTS (Contd...)

Property, Plant and Equipment

Refer Note 2.2 (f) for the estimated useful life of Property, plant and equipment. The carrying value of Property, plant and equipment has been disclosed in Note 3.

2.4 Ind AS 115 Revenue from Contract with Customers:

On 28th March 2018, Ministry of Corporate Affairs has notified the Ind As115, Revenue from Contract with Customers. The core principle of the new standard is that an entity should recognize revenue to depict the transfer of promised goods or service to customers in an amount that reflects the consideration which the entity expects to be entitled in exchange for those goods or service. Further the new standard requires enhanced disclosures about the nature, amount timing and certainty of revenue and cash flow arising from the entity's contract with customers.

The standard permits two possible method of transition

1. Retrospective: Under this approach the standard will be applied retrospectively to each prior reporting period represented in accordance with Ind AS 8 –Accounting Policy, Changes in Accounting Estimates and Errors.
2. Retrospectively with cumulative effect of initially applying the standard recognized at the date of initial application (cumulative catch up approach). The effective date for adoption of Ind AS 115 is financial period beginning on or after 1st April 2018.

The company will adopted the standard on 1st April, 2018 by using the cumulative catch-up transition method and accordingly comparative for the year ending on 31st March, 2018 will not be retrospectively adjusted. The effect on adoption of Ind AS 115 is expected to be insignificant. Based on the preliminary assessment, the company does not expect any significant impacts on transition to Ind AS 115. This assessment is based on currently available information and may be subject to changes arising from further reasonable and supportable information when the standard will be adopted. The quantitative impacts would be finalized based on a detailed assessment which has been initiated to identify the key impacts along with evaluation of appropriate transition options to be considered.

10.2 : Rights, preferences and restrictions attached to Equity Shares:

The Company has only one class of Equity Shares having at par value of ₹ 10/- per share.

Each shareholder is eligible for one vote per share. The Company declares and pays dividend in Indian rupees. The dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting.

In the event of liquidation of the Company, the holders of equity shares will be entitled to receive the remaining assets of the Company, after distribution of all preferential amounts. However, no such preferential amount exists currently. The distribution will be in proportion to the number of equity shares held by the shareholders.

In respect of t profit on sale of assets	(20.93)	-
In respect of tax rate difference on profit on sale of investment	(15.90)	(249.66)
At the effective income tax rate of 15.39% (March 31, 2017 : 15.78%)	299.20	470.09

B) Deferred tax

(₹ in Lakh)

Particulars (For the Year Ended)	Balance Sheet		Statement of Profit and Loss	
	31-March-2018	31-March-2017	31-March-2018	31-March-2017
Depreciation difference	838.04	880.48	(42.45)	(68.82)
Disallowances u/s 43 B of Income Tax Act	(129.76)	(127.92)	(1.84)	(17.27)
Provision for Doubtful debts & advances	(36.12)	(22.71)	(13.41)	(22.71)
On Unrealised gain on fairvaluation of investment at FVTPL	180.97	190.10	(9.13)	(66.73)
Deferred tax expense/(income) accounted through other comprehensive income	1.13	(7.60)	8.73	(7.60)
Deferred tax expense/(Income)	-	-	(58.10)	(183.13)
Net deferred tax assets/(liabilities)	854.26	912.35	-	-

NOTES TO STANDALONE FINANCIAL STATEMENTS (Contd...)

Particulars (For the Year Ended)	Balance Sheet		Statement of Profit and Loss	
	31-March-2018	31-March-2017	31-March-2018	31-March-2017
Reflected in the balance sheet as follows				
Deferred tax assets	(165.88)	(150.63)	-	-
Deferred tax liabilities	1,020.14	1,062.98	-	-
Deferred tax liabilities (net)	854.26	912.35	-	-

The Company offsets tax assets and liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities related to income taxes levied by the same tax authority.

During the year ended 31-March-2018 and 31-March-2017, the Company has paid dividend to its shareholders. This has resulted in payment of dividend distribution tax (DDT) to the taxation authorities. The Company believes that dividend distribution tax represents additional payment to taxation authority on behalf of the shareholders. Hence dividend distribution tax paid is charged to equity.

Note 25 : Fair value disclosures for financial assets and financial liabilities

Set out below is a comparison, by class, of the carrying amounts and fair value of the Company's financial instruments, other than those with carrying amounts that are reasonable approximations of fair values:

(₹ in Lakh)

Particulars as at	Carrying Amount		Fair Value	
	31-March-2018	31-March-2017	31-March-2018	31-March-2017
Financial assets				
Investments measured at fair value through profit or loss	13,614.39	13,686.98	13,614.39	13,686.98
Investments measured at amortised cost	584.79	584.79	619.39	624.97
Total	14,199.18	14,271.77	14,233.78	14,311.95

The management assessed that the fair values of cash and cash equivalents, other bank balance, trade receivables, other current financial assets, trade payables and other current financial liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. The following methods and assumptions were used to estimate the fair values.

The discount for lack of marketability represents the amounts that the Company has determined that market participants would take into account when pricing the investments.

NOTES TO STANDALONE FINANCIAL STATEMENTS (Contd...)

Note 26 : Fair value hierarchy

The following table provides the fair value measurement hierarchy of the Company's assets and liabilities

Quantitative disclosures of fair value measurement hierarchy for financial assets as at 31-March-2018, 31-March-2017.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS (Contd...)

Note 27 : Financial instruments risk management objectives and policies

The Company's principal financial liabilities comprise trade & other payables. The main purpose of these financial liabilities is to finance the Company's operations and to support its operations. The Company's principal financial assets include Investments, trade and other receivables and cash & short-term deposits that derive directly from its operations.

The Company's activities expose it to market risk, credit risk and liquidity risk. In order to minimise any adverse effects on the financial performance of the Company, derivative financial instruments, such as foreign exchange forward contracts are entered to hedge certain foreign currency exposures. Derivatives are used exclusively for hedging purposes and not as trading / speculative instruments.

For risk management, management identifies, evaluates and hedges financial risks in close co-operation with the Company's operating units. The management provides written principles for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, interest rate risk, credit risk, use of derivative financial instruments and non-derivative financial instruments and investment of excess liquidity.

(a) Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include borrowings, deposits, Investments, trade and other receivables, trade and other payables.

Within the various methodologies to analyse and manage risk, the Company has implemented a system based on "sensitivity analysis" on symmetric basis. This tool enables the risk managers to identify the risk position of the Company. Sensitivity analysis provides an approximate quantification of the exposure in the event that certain specified parameters were to be met under a specific set of assumptions. The risk estimates provided here assume:

The potential economic impact, due to these assumptions, is based on the occurrence of adverse / inverse market conditions and reflects estimated changes resulting from the sensitivity analysis. Actual results that are included in the Statement of Profit and Loss may differ materially from these estimates due to actual developments in the global financial markets.

The analyses exclude the impact of movements in market variables on the carrying values of gratuity and other post-retirement obligations and provisions.

The following assumption has been made in calculating the sensitivity analyses:

- The sensitivity of the relevant Statement of Profit or Loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at 31-March-2018 and 31-March-2017 including the effect of hedge accounting.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company does not have any borrowings with floating interest rate. Hence the Company does not have any interest rate risk at the present.

Foreign Currency Risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company transacts business in local currency and in foreign currency, primarily in EUR/USD. The Company has foreign currency trade payables and receivables etc. and is, therefore, exposed to foreign exchange risk. However, exposure to foreign currency is not material and hence, foreign currency risk is assessed by the Company is low.

Equity price risk

The Company's investment consists of investments in publicly traded companies held for purposes other than trading. Such investments held in connection with non-consolidated investments represent a low exposure risk for the Company and are not hedged.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS (Contd...)

(b) Credit Risk

Credit risk is the risk that a counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks, and other financial instruments.

Trade Receivables

Customer credit risk is managed by each business unit subject to the Company's established policy, procedures and control relating to customer credit risk management. Trade receivables are non-interest bearing and are generally on 30 days to 90 days credit term. Credit limits are established for all customers based on internal rating criteria. Outstanding customer receivables are regularly monitored. The Company has no concentration of credit risk as the customer base is widely distributed both economically and geographically.

An impairment analysis is performed at each reporting date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. The calculation is based on actual incurred historical data. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets disclosed in Note 6. The Company does not hold collateral as security. The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and industries and operate in largely independent markets.

(₹ in Lakh)

The ageing analysis of trade receivables as of the reporting date is as follow:

Trade receivables as at	Neither past due nor impaired (including unbilled)	Past due but not impaired				Total
		Less than 90 days	90 to 180 days	180 to 365 days	Above 365 days	
31-March-2018	4,376.23	1231.90	154.12	48.50	202.12	6012.87
31-March-2017	3419.85	947.96	212.63	178.18	131.04	4889.66

The requirement of impairment is analysed as each reporting date.

Financial instruments and cash deposits

Credit risk from balances with banks and financial institutions is managed by the Company's treasury department in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties who meet the minimum threshold requirements under the counterparty risk assessment process. The Company monitors the ratings, credit spreads and financial strength of its counterparties. Based on its on-going assessment of counterparty risk, the Company adjusts its exposure to various counterparties. The Company's maximum exposure to credit risk for the components of the Balance Sheet as on 31-March-2018 and 31-March-2017 is the carrying amount as disclosed in Note 25.

(c) Liquidity Risk

Liquidity risk is the risk that the Company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses. The Company's objective is to at all times maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company closely monitors its liquidity position and deploys a robust cash management system. It maintains adequate sources of financing, including bilateral loans, debt and overdraft from domestic banks at an optimised cost. It also enjoys strong access to domestic capital markets across equity.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS (Contd...)

(₹ in Lakh)

The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments:

Particulars	On Demand	Less than 1 month	1 month to 3 months	3 months to 1 year	1 year to 5 years	more than 5 years
Year ended 31-March-2018						
Trade payables	-	1,203.71	1,238.20	-	-	-
Other financial liabilities	52.59	-	-	-	-	-
Payable for capital goods	-	-	20.56	-	-	-
Term Loan from Bank	-	3.02	9.24	25.92	23.60	-

Other financial liabilities	-	-	-	-	-	-
Payable for capital goods	51.22	-	245.74	-	-	-
	51.22	48.49	1,581.74	-	-	-

Note 28 : Capital Management

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to ensure that it maintains an efficient capital structure and healthy capital ratios in order to support its business and maximise shareholder value.

The Company manages its capital structure and makes adjustments to it in light of changes in economic conditions or its business requirements. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Company includes within net debt, interest bearing loans and borrowings less cash and short-term deposits (including other bank balance).

(₹ in Lakh)

Particulars	Year ended 31-March-2018	Year ended 31-March-2017
Trade and other payables (Note 12 & 14)	3,226.05	1,984.16
Less: cash and cash equivalent \ (including other bank balance) (Note6)	(418.01)	(242.79)

INDEPENDENT AUDITORS' REPORT

To,
The Members of **Eimco Elecon (India) Limited**

Report on the Consolidated Ind AS Financial Statements

We have audited the accompanying Consolidated Ind AS financial statements of **Eimco Elecon (India) Limited** (hereinafter referred to as 'the Holding Company') and its associate (the Holding Company and its associate together referred to as "the Group") comprising of the Consolidated Balance Sheet as at **31st March, 2018**; the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Statement of Cash Flows and the Consolidated Statement of Changes in Equity for the year then ended and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as the "Consolidated Ind AS financial statements").

Management's Responsibility for the Consolidated Ind AS Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these Consolidated Ind AS financial statements in terms of requirements of the Companies Act, 2013 (herein after referred to as "the Act") that give a true and fair view of the Consolidated financial position, Consolidated financial performance including other comprehensive income, Consolidated cash flows and Consolidated changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with relevant rules issued thereunder.

This respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error which have been used for the purpose

of preparation of the Consolidated Ind AS financial statements by the Directors of the Holding Company, as aforesaid.

Auditors' Responsibility

Our responsibility is to express an opinion on these Consolidated Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of Consolidated Ind AS Financial Statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Consolidated Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Consolidated Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the Consolidated Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the Consolidated Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the Consolidated state of affairs of the Group, as at **31st March**,

2018 and their Consolidated profit, their Consolidated total comprehensive income, their Consolidated cash flows and Consolidated statement of changes in equity for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, we report, to the extent applicable, that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid Consolidated Ind AS financial statements;
 - b. In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Ind AS financial statements have been kept so far as it appears from our examination of those books;
 - c. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, the Consolidated Statement of Cash Flows and the Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the Consolidated Ind AS financial statements;
 - d. In our opinion, the aforesaid Consolidated Ind AS financial statements comply with the Accounting Standards (Ind AS) specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015 as amended;
 - e. On the basis of written representations received from the directors of the Holding Company as on **31st March, 2018** taken on record by the Board of Directors of the Holding Company and its Associate, none of the Directors of the Group Companies incorporated in India, is disqualified

as on **31st March, 2018** from being appointed as a director in terms of Section 164(2) of the Act.

- f. With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate Report in "**Annexure A**".
- g. With respect to other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The Consolidated Ind AS financial statements disclosed the impact of pending litigations on the Consolidated Ind AS financial position of the Group - Refer Note 29 of the Consolidated Ind AS financial statements;
 - (ii) The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - (iii) There has been no delay in transferring amounts, required to be transferred, to the Investors Education and Protection Fund by the Holding Company and its associate incorporated in India.

‘ANNEXURE A’ TO THE INDEPENDENT AUDITORS’ REPORT OF EVEN DATE ON THE CONSOLIDATED IND AS FINANCIAL STATEMENTS OF EIMCO ELECON (INDIA) LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the Consolidated Ind AS financial statements of the Company as of and for the year ended, **31st March, 2018**, We have audited the internal financial controls over financial reporting of **Eimco Elecon (India) Limited** (hereinafter referred to as “the Holding Company”) and its associate company which are companies incorporated in India, as of that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company, its associate company, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal

financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included in obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the Consolidated Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Consolidated Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Consolidated Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance

with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Consolidated Ind AS financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company. Its associate company, which are companies incorporated in India have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at **31st March, 2018**, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31-MARCH-2018****1. CORPORATE INFORMATION**

The consolidated financial statement comprises financial statement of Eimco Elecon (India) Ltd. and its associate Eimco Elecon Electricals Ltd. Eimco Elecon (India) Ltd. is a public company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. Its shares are listed on two recognised stock exchanges in India. The registered office of the company is located at Vallabh Vidyanagar, Gujarat.

The financial statements were authorised for issue in accordance with a resolution of the Board of Directors on 03rd May, 2018.

2. SIGNIFICANT ACCOUNTING POLICIES**2.1 Basis of preparation**

The Consolidated financial statements of the Group have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of the Companies Act, 2013, (the 'Act') and other relevant provisions of the Act.

The consolidated financial statements have been prepared on a historical cost basis except for the following items:

- Certain financial assets and liabilities - measured at fair value (refer accounting policy regarding financial instruments),
- Net defined benefit (asset) / liability - measured at fair value of plan assets less present value of defined benefit obligations.

The consolidated financial statements are presented in INR and all values are rounded to the nearest Lakh (INR 00,000), except when otherwise indicated.

2.2 Basis of Consolidation

The consolidated financial statements comprise the financial statements of the Company and its associate as at 31st March 2018. Control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Specifically, the Group controls an investee if and only if the Group has:

- ▶ Power over the investee (i.e. existing rights that give it the current ability to direct the relevant activities of the investee).
- ▶ Exposure, or rights, to variable returns from its involvement with the investee, and
- ▶ Generally, there is a presumption that a majority of voting rights result in control. To support this presumption and when the Group has less than a majority of the voting or similar rights of an investee, the Group considers all relevant facts and circumstances in assessing whether it has power over an investee, including:
 - ▶ The contractual arrangement with the other vote holders of the investee
 - ▶ Rights arising from other contractual arrangements
 - ▶ The Group's voting rights and potential voting rights
 - ▶ The size of the group's holding of voting rights relative to the size and dispersion of the holdings of the other voting rights holders.

The Group re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control. Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that group member's financial statements in preparing the consolidated financial statements to ensure conformity with the group's accounting policies.

The financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the parent company, i.e., year ended on 31 March.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Contd...)

a. Investment in Associate

An associate is an entity over which the Group has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee, but is not having control or joint control over those policies.

The considerations made in determining whether significant influence are similar to those necessary to determine control over the subsidiaries.

The Group's investments in its associate are accounted for using the equity method. Under the equity method, the investment in an associate is initially recognised at cost. The carrying amount of the investment is adjusted to recognise changes in the Group's share of net assets of the associate since the acquisition date. Goodwill relating to the associate is included in the carrying amount of the investment and is not tested for impairment individually.

The statement of profit and loss reflects the Group's share of the results of operations of the associate. Any change in OCI of those investees is presented as part of the Group's OCI. In addition, when there has been a change recognised directly in the equity of the associate, the Group recognises its share of any changes, when applicable, in the statement of changes in equity. Unrealised gains and losses resulting from transactions between the Group and the associate are eliminated to the extent of the interest in the associate.

If an entity's share of losses of an associate equals or exceeds its interest in the associate (which includes any long term interest that, in substance, form part of the Group's net investment in the associate), the entity discontinues recognising its share of further losses. Additional losses are recognised only to the extent that the Group has incurred legal or constructive obligations or made payments on behalf of the associate. If the associate subsequently reports profits, the entity resumes recognising its share of those profits only after its share of the profits equals the share of losses not recognised.

The aggregate of the Group's share of profit or loss of an associate is shown on the face of the statement of profit and loss.

The financial statements of the associate are prepared for the same reporting period as the Group. When necessary, adjustments are made to bring the accounting policies in line with those of the Group.

After application of the equity method, the Group determines whether it is necessary to recognise an impairment loss on its investment in its associate. At each reporting date, the Group determines whether there is objective evidence that the investment in the associate is impaired. If there is such evidence, the Group calculates the amount of impairment as the difference between the recoverable amount of the associate and its carrying value, and then recognises the loss as 'Share of profit of an associate' in the statement of profit or loss.

Upon loss of significant influence over the associate, the Group measures and recognises any retained investment at its fair value. Any difference between the carrying amount of the associate upon loss of significant influence and the fair value of the retained investment and proceeds from disposal is recognised in profit or loss.

2.3 Summary of Significant Accounting Policies**a. Current versus non-current classification**

The group presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in the normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Contd...)

A liability is current when:

- It is expected to be settled in the normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The group classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Operating Cycle

Operating cycle of the group is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. As the group's normal operating cycle is not clearly identifiable, it is assumed to be twelve months.

b. Foreign currencies

The group's financial statements are presented in INR, which is also the group's functional currency.

Transactions and balances

Transactions in foreign currencies are initially recorded by the group's functional currency spot rates at the date the transaction first qualifies for recognition.

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date. Differences arising on settlement of such transaction and on translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rate are recognised in profit or loss. They are deferred in equity if they relate to qualifying cash flow hedges.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or profit or loss are also recognised in OCI or profit or loss, respectively).

c. Fair value measurement

The group measures financial instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability
- Or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Contd...)

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period. Management determines the policies and procedures for both recurring fair value measurement and non recurring fair value measurement.

External values are involved for valuation of significant assets, such as properties and Involvement of external valuers is decided upon the Management. Selection criteria include market knowledge, reputation, independence and whether professional standards are maintained. The Management decides, after discussions with the group's external valuers, which valuation techniques and inputs to use for each case.

At each reporting date, Management analyses the movements in the values of assets and liabilities which are required to be remeasured or re-assessed as per the group's accounting policies. For this analysis, Management verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.

For the purpose of fair value disclosures, the group has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

This note summarizes accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

- Significant accounting judgements, estimates and assumptions (Note No. 2.3)
- Quantitative disclosures of fair value measurement hierarchy (Note No. 26)
- Investment properties (Note No. 2.3 (g) & Note No.4)
- Financial instrument (Note No. 2.3 (o))

d. Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the group and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the Government.

The specific recognition criteria described below must also be met before revenue is recognized.

Sale of goods

Sales are stated net of rebate and trade discount and exclude Central Sales Tax, State Value Added Tax and Goods and Service Tax. With regard to sale of product, income is reported when significant risks and rewards connected with the ownership have been transferred to the buyers. This usually occurs upon dispatch, after the price has been determined. The group provides normal warranty provisions for general repairs for 12-18 months on all its products sold, in line with the industry practice. A liability is recognised at the time the product is sold – see Note 15 for more information. The group does not provide any extended warranties or maintenance contracts to its customers.

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Contd...)****Interest income**

For all debt instruments measured either at amortized cost, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability. Interest income is included in other income in the statement of profit and loss.

Rental income

Rental income arising from operating leases on investment properties is accounted for on a straight-line basis over the lease terms except the case where incremental lease reflects inflationary effect and rental income is accounted in such case by actual rent for the period.

Dividend income

Income from dividend on investments is accrued in the year in which it is declared, whereby right to receive is established.

e. Taxes**Current income tax**

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities.

Current income tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is recognised using the balance sheet approach. Deferred tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred income tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred tax asset are recognised to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised.

f. Property, plant and equipment

Property, plant and equipment is stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Such cost includes the cost of replacing part of the plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of Property, plant and equipment are required to be replaced at intervals, the group recognises such parts as individual assets with specific useful lives and depreciates them accordingly. All other repair and maintenance costs are recognised in profit or loss as incurred. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

Capital work-in-progress comprises cost of Property, Plant and Equipment that are not yet installed and ready for their intended use at the balance sheet date.

Derecognition

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the Statement of Profit and Loss when the asset is derecognised.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Contd...)

Depreciation

Depreciation is calculated on a written down value basis over the estimated useful lives of the assets as prescribed under Part C of Schedule II of the Companies Act, 2013 except for the assets mentioned below for which useful lives estimated by the management. The Identified component of fixed assets are depreciated over their useful lives and the remaining components are depreciated over the life of the principal assets. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used

Plant and Machinery & Road has been depreciated on straight line basis over the useful lives as prescribed in Schedule II of the Companies Act, 2013.

Depreciation methods, useful lives and residual values are reviewed at each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

g. Investment properties

Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any.

The cost includes the cost of replacing parts and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of the property are required to be replaced at intervals, the group depreciates them separately based on their specific useful lives. All other repair and maintenance costs are recognised in profit or loss as incurred.

Depreciation on Investment property is provided on the written down value basis over useful lives of the assets as prescribed under Part C of Schedule II to the Companies Act 2013

Though the group measures investment property using cost based measurement, the fair value of investment property is disclosed in the notes. Fair values are determined based on an annual evaluation performed by an accredited external independent valuer applying a valuation model recommended by the International Valuation Standards Committee.

An investment property is derecognised on disposal or on permanently withdrawal from use or when no future economic benefits are expected from its disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the Statement of Profit and Loss when the asset is derecognised.

h. Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortisation and accumulated impairment losses, if any.

Amortisation

Intangible assets are amortized on straight line basis over their individual respective useful life. The management estimates the useful life of assets as under :

Assets	Year
Technical Knowhow	7 years
Software	7 years

i. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Contd...)****j. Leases**

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfillment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

Company as a Lessee

A lease is classified at the inception date as a finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the group is classified as a finance lease.

Finance leases are capitalised at the commencement of the lease at the inception date fair value of the leased property or, if lower, at the present value of the minimum lease payments. Lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised in finance costs in the statement of profit and loss, unless they are directly attributable to qualifying assets, in which case they are capitalized in accordance with the group's general policy on the borrowing costs. Contingent rentals are recognised as expenses in the periods in which they are incurred.

A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the group will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.

An operating lease is a lease other than a finance lease. Operating lease payments are recognised as an operating expense in the Statement of Profit and Loss on a straight-line basis over the lease term except the case where incremental lease reflects inflationary effect and lease expense is accounted in such case by actual rent for the period

Company as a lessor

Leases in which the group does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating lease is recognised on a straight-line basis over the term of the relevant lease except the case where incremental lease reflects inflationary effect and lease expense is accounted in such case by actual rent for the period. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the group to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the group's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease.

k. Inventories

Raw Material and stores, work in progress, traded and finished goods are stated at lower of cost and net realizable value. Cost of raw material and traded goods comprises cost of purchases, cost of work in progress and finished goods comprises direct materials, appropriate share of labour and manufacturing overheads and valued at the lower of cost and net realizable value. Cost of inventories also includes all other cost incurred in bringing the inventories to their present location and condition. Cost of purchase inventory is determined after deducting rebate and discounts.

Net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated cost necessary to make the sale.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Contd...)

l. Impairment of non-financial assets

The Management periodically assesses using, external and internal sources, whether there is an indication that an asset may be impaired. An impairment loss is recognized wherever the carrying value of an asset exceeds its recoverable amount. The recoverable amount is higher of the asset's net selling price or value in use, which means the present value of future cash flows expected to arise from the continuing use of the asset and its eventual disposal. An impairment loss for an asset is reversed if, and only if, the reversal can be related objectively to an event occurring after the impairment loss was recognized. The carrying amount of an asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

m. Provisions**General**

Provisions are recognised when the group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the group expects some or all of a provision to be reimbursed, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Warranty provisions

Product warranty expenses are estimated by the management on the basis of technical evaluation and past experience. Provision is made for estimated liability in respect of warranty cost in the period of recognition of revenue.

n. Employee benefits**a) Short Term Employee Benefits**

Short term employee benefits are recognised as an expense at the undiscounted amount expected to be paid over the period of services rendered by the employee to the group.

b) Post-Employment Benefits**(i) Defined contribution plan**

These are plan in which the group pays pre-defined amounts to separate funds and does not have any legal or informal obligation to pay additional sums. These comprises of contribution to Employee Provident Fund and Superannuation Fund. The group payments to the defined contribution plans are reported as expenses during the period in which the employee performs the services that the payment covers.

(ii) Defined benefit plan

Expenses for defined gratuity payment plans are calculated as at the balance sheet date by independent actuaries in the manner that distributes expenses over the employees working life. These commitments are valued at the present value of the expected future payments, with consideration for calculated future salary increases, using a discounted rate corresponding to the interest rate estimated by the actuary having regard to the interest rate on government bonds with a remaining term i.e. almost equivalent to the average balance working period of the employees.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Contd...)

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognized immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

Past service costs are recognised in profit or loss on the earlier of:

- The date of the plan amendment or curtailment, and
- The date that the group recognises related restructuring costs

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset. The group recognises the following changes in the net defined benefit obligation as an expense in the Statement of profit and loss:

- Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements; and
- Net interest expense or income

Other long term employment benefits:

The employee's long term compensated absences are Company's defined benefit plans. The present value of the obligation is determined based on the actuarial valuation using the Projected Unit Credit Method as at the date of the Balance sheet. In case of funded plans, the fair value of plan asset is reduced from the gross obligation, to recognise the obligation on the net basis.

o. Financial Instruments

Financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial Assets

Initial recognition and measurement

All financial assets, except investment in Associates and Tax Free Bonds, are recognised initially at fair value, through profit & loss account. In the case of financial assets not recorded at fair value through profit or loss, are recognised at transaction costs that are attributable to the acquisition of the financial assets.

Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the group commits to purchase or sell the asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- (a) Financial assets at amortised cost
- (b) Financial assets at fair value through other comprehensive income (FVTOCI)
- (c) Financial assets at fair value through profit or loss (FVTPL)
- (d) Equity instruments measured at fair value through other comprehensive income (FVTOCI)

Financial assets at amortised cost

A financial asset is measured at the amortised cost if:

- a) the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows, and
- b) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Contd...)

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss.

Financial assets at fair value through other comprehensive income

A financial asset is measured at fair value through other comprehensive income if:

- (a) the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets, and
- (b) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

Financial assets included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI).

Financial assets at fair value through profit or loss

FVTPL is a residual category for financial assets. Any financial asset, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

In addition, the group may elect to designate a financial asset, which otherwise meets amortized cost or fair value through other comprehensive income criteria, as at fair value through profit or loss. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch'). The group has other investments at FVTPL.

After initial measurement, such financial assets are subsequently measured at fair value with all changes recognised in Statement of profit and loss.

Equity investments

All equity investments in scope of Ind-AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the group may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The group makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the group decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the group may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

Derecognition of financial assets

A financial asset is derecognised when:

- (a) the contractual rights to the cash flows from the financial asset expire,
or
- (b) The group has transferred its contractual rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement and either (a) the group has transferred substantially all the risks and rewards of the asset, or (b) the group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the group has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Contd...)

asset, nor transferred control of the asset, the group continues to recognise the transferred asset to the extent of the group's continuing involvement. In that case, the group also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the group has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the group could be required to repay.

Loans and Borrowings

After initial recognition, interest-bearing borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss. This category generally applies to borrowings.

Financial guarantee contracts

Financial guarantee contracts issued by the group are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

p. Hedge accounting

For the purpose of hedge accounting, hedges are classified as:

- ▶ Fair value hedges when hedging the exposure to changes in the fair value of a recognised asset or liability or an unrecognised firm commitment
- ▶ Cash flow hedges when hedging the exposure to variability in cash flows that is either attributable to a particular risk associated with a recognised asset or liability or a highly probable forecast transaction or the foreign currency risk in an unrecognised firm commitment.

At the inception of a hedge relationship, the group formally designates and documents the hedge relationship to which the group wishes to apply hedge accounting and the risk management objective and strategy for undertaking the hedge. The documentation includes the group's risk management objective and strategy for undertaking hedge, the hedging/ economic relationship, the hedged item or transaction, the nature of the risk being hedged, hedge ratio and how the entity will assess the effectiveness of changes in the hedging instrument's fair value in offsetting the exposure to changes in the hedged item's fair value or cash flows attributable to the hedged risk. Such hedges are expected to be highly effective in achieving offsetting changes in fair value or cash flows and are assessed on an ongoing basis to determine that they actually have been highly effective throughout the financial reporting periods for which they were designated.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Contd...)

Hedges that meet the strict criteria for hedge accounting are accounted for, as described below:

(i) Fair value hedges

The change in the fair value of a hedging instrument is recognised in the statement of profit and loss. The change in the fair value of the hedged item attributable to the risk hedged is recorded as part of the carrying value of the hedged item and is also recognised in the statement of profit and loss.

(ii) Cash flow hedges

The effective portion of the gain or loss on the hedging instrument is recognised in OCI in the cash flow hedge reserve, while any ineffective portion is recognised immediately in the statement of profit and loss.

Amounts recognised as OCI are transferred to profit or loss when the hedged transaction affects profit or loss, such as when the hedged financial income or financial expense is recognised or when a forecast sale occurs. When the hedged item is the cost of a non-financial asset or non-financial liability, the amounts recognised as OCI are transferred to the initial carrying amount of the non-financial asset or liability.

If the hedging instrument expires or is sold, terminated or exercised without replacement or rollover (as part of the hedging strategy), or if its designation as a hedge is revoked, or when the hedge no longer meets the criteria for hedge accounting, any cumulative gain or loss previously recognised in OCI remains separately in equity until the forecast transaction occurs or the foreign currency firm commitment is met.

q. Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the group's cash management.

r. Dividend distribution

The group recognizes a liability to make cash or non-cash distributions to equity holders of the parent when the distribution is authorized and the distribution is no longer at the discretion of the group. As per the corporate laws in India, a distribution is authorized when it is approved by the shareholders. A corresponding amount is recognized directly in equity.

Non-cash distributions are measured at the fair value of the assets to be distributed with fair value re-measurement recognised directly in equity.

Upon distribution of non-cash assets, any difference between the carrying amount of the liability and the carrying amount of the assets distributed is recognised in the statement of profit and loss.

s. Earnings Per Share

Basic EPS is calculated by dividing the profit / loss for the year attributable to ordinary equity holders of the parent by the weighted average number of ordinary shares outstanding during the year.

Diluted EPS is calculated by dividing the profit / loss attributable to ordinary equity holders of the parent by the weighted average number of ordinary shares outstanding during the year plus the weighted average number of ordinary shares that would be issued on conversion of all the dilutive potential ordinary shares into ordinary shares.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Contd...)

2.4. Significant accounting judgments, estimates and assumptions

The preparation of the group's consolidated financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Judgments

In the process of applying the group's accounting policies, management has made the following judgments, which have the most significant effect on the amounts recognized in the financial statements:

Finance lease commitments – Company as lessee

The group has entered into leases whereby it has taken land on lease. The group has determined, based on an evaluation of the terms and conditions of the arrangements, such as the lease term constituting a major part of the economic life of the property and the fair value of the asset, that it retains all the significant risks and rewards of ownership of these properties and accounts for the contracts as finance leases.

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The group based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the group. Such changes are reflected in the assumptions when they occur.

Defined benefit plans (gratuity benefits)

The cost of the defined benefit plan and the present value of the obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, attrition rate and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

The parameter most subject to change is the discount rate. In determining the appropriate discount rate for plans operated in India, the management considers the interest rates of government bonds in currencies consistent with the currencies of the post-employment benefit obligation.

The underlying bonds are further reviewed for quality. Those having excessive credit spreads are excluded from the analysis of bonds on which the discount rate is based, on the basis that they do not represent high quality corporate bonds.

The mortality rate is based on publicly available mortality tables for the specific countries. Those mortality tables tend to change only at interval in response to demographic changes. Future salary increases and gratuity increases are based on expected future inflation rates for the respective countries.

Further details about gratuity obligations are given in Note 31.

Taxes

Deferred tax assets are recognised for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

Allowance for uncollectible trade receivables

Trade receivables do not carry any interest and are stated at their nominal value as reduced by appropriate allowances for estimated irrecoverable amounts. Estimated irrecoverable amounts are based on the ageing of the receivable

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Contd...)

balance and historical experience. Additionally, a large number of minor receivables is grouped into homogeneous groups and assessed for impairment collectively. Individual trade receivables are written off when management deems them not to be collectible.

Warranty Provision

The group generally offers 12-18 months warranties for the product sold. Management estimates the related provision for future warranty claims based on historical warranty claim information as well as recent trends that might suggest that past cost information may differ from future claims. The assumptions made in relation to the current period are consistent with those in the prior periods. Factors that could impact the estimated claim information include the success of the group's productivity and quality initiatives.

Intangible assets

Refer Note 2.2 (h) for the estimated useful life of Intangible assets. The carrying value of Intangible assets has been disclosed in Note 5.

Property, plant and equipment

Refer Note 2.2 (f) for the estimated useful life of Property, plant and equipment. The carrying value of Property, plant and equipment has been disclosed in Note 3.

2.5 Ind AS 115 Revenue from Contract with Customers:

On 28 March 2018, Ministry of Corporate Affairs has notified the Ind As115, Revenue from Contract with Customers. The core principle of the new standard is that an entity should recognize revenue to depict the transfer of promised goods or service to customers in an amount that reflects the consideration which the entity expects to be entitled in exchange for those goods or service. Further the new standard requires enhanced disclosures about the nature, amount timing and certainty of revenue and cash flow arising from the entity's contract with customers.

The standard permits two possible method of transitions :

1. Retrospective: Under this approach the standard will be applied retrospectively to each prior reporting period represented in accordance with Ind AS 8 –Accounting Policy, Changes in Accounting Estimates and Errors.
2. Retrospectively with cumulative effect of initially applying the standard recognized at the date of initial application (cumulative catch up approach). The effective date for adoption of Ind AS 115 is financial period beginning on or after 01st April 2018.

The company will adopt the standard on 01st April, 2018 by using the cumulative catch-up transition method and accordingly comparative for the year ending on 31st March, 2018 will not be retrospectively adjusted. The effect on adoption of Ind AS 115 is expected to be insignificant. Based on the preliminary assessment, the company does not expect any significant impacts on transition to Ind AS 115. This assessment is based on currently available information and may be subject to changes arising from further reasonable and supportable information when the standard will be adopted. The quantitative impacts would be finalized based on a detailed assessment which has been initiated to identify the key impacts along with evaluation of appropriate transition options to be considered.

In respect of standard deduction on rent income	(4.57)	(4.46)
In respect of t profit on sale of assets	(20.93)	-
In respect of tax rate difference on profit on sale of investment	(15.90)	(249.66)
At the effective income tax rate of 15.39% (31-March-2017 : 15.78%)	299.20	470.09

B) Deferred tax

(₹ in Lakh)

Particulars (For the Year Ended)	Balance Sheet		Statement of Profit and Loss	
	31-March-2018	31-March-2017	31-March-2018	31-March-2017
Depreciation difference	838.04	880.48	(42.45)	(68.82)
Disallowances u/s 43 B of Income Tax Act	(129.76)	(127.92)	(1.84)	(17.27)
Provision for Doubtful debts & advances	(36.12)	(22.71)	(13.41)	(22.71)
On Unrealised gain on fairvaluation of investment	180.97	190.10	(9.13)	(66.73)
Deferred tax expense/(income) accounted through other comprehensive income	1.13	(7.60)	8.73	(7.60)
Deferred tax expense/(income)	-	-	(58.10)	(183.13)
Net deferred tax assets/(liabilities)	854.26	912.35	-	-
Reflected in the balance sheet as follows				
Deferred tax assets	(165.88)	(150.63)	-	-
Deferred tax liabilities	1,020.14	1,062.98	-	-
Deferred tax liabilities (net)	854.26	912.35	-	-

The Company offsets tax assets and liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities related to income taxes levied by the same tax authority.

During the year ended 31-March-2018 and 31-March-2017, the Company has paid dividend to its shareholders. This has resulted in payment of dividend distribution tax (DDT) to the taxation authorities. The Company believes that dividend distribution tax represents additional payment to taxation authority on behalf of the shareholders. Hence dividend distribution tax paid is charged to equity.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Contd...)**Note 25 : Fair value disclosures for financial assets and financial liabilities**

Set out below is a comparison, by class, of the carrying amounts and fair value of the Company's financial instruments, other than those with carrying amounts that are reasonable approximations of fair values:

(₹ in Lakh)

Particulars as at	Carrying Amount		Fair Value	
	31-March-2018	31-March-2017	31-March-2018	31-March-2017
Financial assets				
Investments measured at fair value through profit or loss	13,614.39	13,686.98	13,614.39	13,686.98
Investments measured at amortised cost	584.79	584.79	619.39	624.97
Total	14,199.18	14,271.77	14,233.78	14,311.95

The management assessed that the fair values of cash and cash equivalents, other bank balance, trade receivables, other current financial assets, trade payables and other current financial liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. The following methods and assumptions were used to estimate the fair values.

The discount for lack of marketability represents the amounts that the Company has determined that market participants would take into account when pricing the investments.

Note 26 : Fair value hierarchy

The following table provides the fair value measurement hierarchy of the Company's assets and liabilities

Quantitative disclosures fair value measurement hierarchy for financial assets as at 31-March-2018 and 31-March-2017

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Contd...)**Note 27 : Financial instruments risk management objectives and policies**

The Group's principal financial liabilities comprise trade & other payables. The main purpose of these financial liabilities is to finance the Group's operations and to support its operations. The Group's principal financial assets include Investments, trade and other receivables and cash & short-term deposits that derive directly from its operations.

The Group's activities expose it to market risk, credit risk and liquidity risk. In order to minimise any adverse effects on the financial performance of the Company, derivative financial instruments, such as foreign exchange forward contracts are entered to hedge certain foreign currency exposures. Derivatives are used exclusively for hedging purposes and not as trading / speculative instruments.

For risk management, management identifies, evaluates and hedges financial risks in close co-operation with the Company's operating units. The management provides written principles for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, interest rate risk, credit risk, use of derivative financial instruments and non-derivative financial instruments and investment of excess liquidity.

(a) Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include borrowings, deposits, Investments, trade and other receivables, trade and other payables.

Within the various methodologies to analyse and manage risk, the Company has implemented a system based on "sensitivity analysis" on symmetric basis. This tool enables the risk managers to identify the risk position of the Company. Sensitivity analysis provides an approximate quantification of the exposure in the event that certain specified parameters were to be met under a specific set of assumptions.

The potential economic impact, due to these assumptions, is based on the occurrence of adverse / inverse market conditions and reflects estimated changes resulting from the sensitivity analysis. Actual results that are included in the Statement of Profit and Loss may differ materially from these estimates due to actual developments in the global financial markets.

The analyses exclude the impact of movements in market variables on the carrying values of gratuity and other post-retirement obligations and provisions.

The following assumption has been made in calculating the sensitivity analyses:

- The sensitivity of the relevant Statement of Profit or Loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at 31-March-2018, and 31-March 2017, including the effect of hedge accounting.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company does not have any borrowings with floating interest rate. Hence, the Company does not have any interest rate risk at present.

Foreign Currency Risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company transacts business in local currency and in foreign currency, primarily in USD/EUR. The Company has foreign currency trade payables and receivables etc. and is, therefore, exposed to foreign exchange risk. However, exposure to foreign currency is not material and hence, foreign currency risk is assessed by the Company is low.

Equity price risk

The Group's investment consists of investments in publicly traded companies held for purposes other than trading. Such investments held in connection with non-consolidated investments represent a low exposure risk for the Company and are not hedged.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Contd...)

(b) Credit Risk

Credit risk is the risk that a counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks, and other financial instruments.

Trade Receivables

Customer credit risk is managed by each business unit subject to the Company's established policy, procedures and control relating to customer credit risk management. Trade receivables are non-interest bearing and are generally on 30 days to 90 days credit term. Credit limits are established for all customers based on internal rating criteria. Outstanding customer receivables are regularly monitored. The Company has no concentration of credit risk as the customer base is widely distributed both economically and geographically.

An impairment analysis is performed at each reporting date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. The calculation is based on actual incurred historical data. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets disclosed in Note 6. The Company does not hold collateral as security. The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and industries and operate in largely independent markets.

The ageing analysis of trade receivables as of the reporting date is as follow: (₹ in Lakh)

Trade receivables as at	Neither past due nor impaired (including unbilled)	Past due but not impaired				Total
		Less than 90 days	90 to 180 days	180 to 365 days	Above 365 days	
31-March-2018	4,376.23	1231.90	154.12	48.50	202.12	6012.87
31-March-2017	3419.85	947.96	212.63	178.18	131.04	4889.66

The requirement of impairment is analysed as each reporting date.

Financial instruments and cash deposits

Credit risk from balances with banks and financial institutions is managed by the Company's treasury department in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties who meet the minimum threshold requirements under the counterparty risk assessment process. The Company monitors the ratings, credit spreads and financial strength of its counterparties. Based on its on-going assessment of counterparty risk, the Company adjusts its exposure to various counterparties. The Company's maximum exposure to credit risk for the components of the Balance Sheet as on 31-March-2018 and 31-March-2017 is the carrying amount as disclosed in Note 25.

(c) Liquidity Risk

Liquidity risk is the risk that the Company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses. The Company's objective is to at all times maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company closely monitors its liquidity position and deploys a robust cash management system. It maintains adequate sources of financing, including bilateral loans, debt and overdraft from domestic banks at an optimised cost. It also enjoys strong access to domestic capital markets across equity.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Contd...)

The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments:

(₹ in Lakh)

Particulars	On Demand	Less than 1 month	1 month to 3 months	3 months to 1 year	1 year to 5 years	more than 5 years
Year ended 31-March-2018						
Trade payables	-	1,203.71	1,238.20	-	-	-

Other financial liabilities	-	-	-	-	-	-
Payable for capital goods	51.22	-	245.74	-	-	-
	51.22	48.49	1,581.74	-	-	-

Note 28 : Capital Management

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to ensure that it maintains an efficient capital structure and healthy capital ratios in order to support its business and maximise shareholder value.

The Company manages its capital structure and makes adjustments to it in light of changes in economic conditions or its business requirements. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Company includes within net debt, interest bearing loans and borrowings less cash and short-term deposits (including other bank balance).

(₹ in Lakh)

Particulars (as at)	31-March-2018	31-March-2017
Trade and other payables (Note 12 & 14)	3,226.05	1,984.16
