STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013 (THE ACT)

The following Statement sets out all material facts relating to the Special Business mentioned in the Notice:

Item No. 4:

The Members of the Company, at the 33rd Annual General Meeting held on 26th July, 2018 by passing special resolution had approved re-appointment of Shri Ramchandra Chawla, as an Independent Director of the Company after he had attained the age of Seventy Five Years for a further remaining period of his first term before expiry as per Regulation 17(1)(A) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) (Amendment) Regulations, 2018 (effective from April 01, 2019), which provides that no listed Company shall appoint a person or continue the directorship of any person as a non-executive director who has attained the age of seventy five years unless a special resolution is passed to that effect.

Shri Ramchandra Chawla (DIN: 00017992) aged 76 Years was appointed as Independent Director on the Board of the Company pursuant to the provisions of Section 149 of the Companies Act, 2013 read with the Companies (Appointment and Qualification of Directors) Rules, 2014 and the erstwhile Clause 49 of the Listing Agreement with the stock exchanges. He holds office as Independent Director of the Company up to the conclusion of the ensuing Annual General Meeting of the Company (“first term” in line with the explanation to Sections 149(10) and 149(11) of the Act).

Shri Ramchandra Chawla being a renowned architect has rich and varied experience in the industry and is consulted by the Board for valuable guidance and leads for large orders. It would be in the interest of the Company to continue to avail his considerable expertise and thereby continue his directorship for a further period of five years.

Further, the Company has received declaration from Shri Ramchandra Chawla that he meets the criteria of independence as prescribed both under sub-section (6) of Section 149 of the Act and under the Regulation 17(1)(A) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) (Amendment) Regulations, 2018. He has also submitted that he is not disqualified from being appointed as Directors in terms of Section 164 of the Act subject to passing of special resolution by the members of the company and has given his consent to continue to act as the Independent Director of the Company as per the terms set out in the letter of appointment.

The Board, based on the recommendation of the Nomination and Remuneration Committee and performance evaluation of Independent Directors, considers his background, experience and contribution made by him during his tenure, the continued association of Shri Ramchandra Chawla would be beneficial to the Members of the Company, and it is desirable to continue to avail his services as Independent Director. Accordingly, it is proposed to re-appoint Shri Ramchandra Chawla as Independent Director of the Company, not liable to retire by rotation and to hold office for a second term of 5 (five) consecutive years on the Board of the Company.

Details of the Director, whose re-appointment as Independent Director is proposed at Item No. 4, are provided in the “Annexure” to the Notice pursuant to the provisions of (i) the Listing Regulations and (ii) Secretarial Standard on General Meetings (“SS-2”), issued by the Institute of Company Secretaries of India.

Copy of draft letter of appointment of Shri Ramchandra Chawla setting out the terms and conditions of appointment are available for inspection by the Members at the registered office of the Company.

Shri Ramchandra Chawla is interested in the resolutions set out respectively at Item No. 4 of the Notice with regard to his re-appointment.

Save and except Shri Ramchandra Chawla, none of the other Directors / Key Managerial Personnel of the Company / their relatives are, in any way, concerned or interested, financially or otherwise, in these resolutions. This statement may also be regarded as an appropriate disclosure under the Listing Regulations.

The Board commends the Special Resolutions set out at Item No. 4 of the Notice for approval by the members.

Item No. 5:

The Members of the Company, at the 33rd Annual General Meeting held on 26th July, 2018 by passing special resolution had approved re-appointment of Shri Rajkumar Mittal as an Independent Director of the Company after he had attained the age of Seventy Five Years for a further remaining period of his first term before expiry as per Regulation 17(1)(A) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) (Amendment) Regulations, 2018 (effective from April 01, 2019), which provides that no listed Company shall appoint a person or continue the directorship of any person as a non-executive director who has attained the age of seventy five years unless a special resolution is passed to that effect.

34th Annual Report 2018-2019

Shri Rajkumar Mittal (DIN: 00020255) aged 76 Years was appointed as Independent Director on the Board of the Company pursuant to the provisions of Section 149 of the Companies Act, 2013 read with the Companies (Appointment and Qualification of Directors) Rules, 2014 and the erstwhile Clause 49 of the Listing Agreement with the stock exchanges. He holds office as Independent Director of the Company up to the conclusion of the ensuing Annual General Meeting of the Company (“first term” in line with the explanation to Sections 149(10) and 149(11) of the Act).

He being a Chartered Accountant with years of rich and varied experience in the industry and is consulted by the Board for valuable guidance on multiple issues. [Pursuant to section 204(1) of the companies Act, 2013 and rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Elegant Marbles and Grani Industries Limited

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Elegant Marbles and Grani Industries Limited** (Hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provides me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Elegant Marbles and Grani Industries Limited statutory registers, papers, minute books, forms and returns filed with the ROC and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2019 prima facie complied with the statutory provisions listed hereunder:

I have examined the statutory registers, papers, minutes books, forms and returns filed with the ROC and other records maintained by Elegant Marbles and Grani Industries Limited ("the Company") for the financial year ended on 31st March, 2019 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made there under;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent to Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings - Not Applicable to the Company during the Audit period;
- (v) The following Regulations and Guidelines prescribed under Securities and Exchange Board of India Act, 1992 (SEBI Act):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998;
 - Though the following laws are prescribed in the format of Secretarial Audit Report by the Government, the same were not applicable to the Company for the financial year ended 31st March, 2019:-
 - (d) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
 - (e) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Regulation, 2014;
 - (f) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and
 - (h) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- (vi) Based on the representation given by the Management of the Company, it is observed that there are no such laws which are specifically applicable to the business of the Company. It is confirmed by the Management that the Company has devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems are adequate and operating effectively.

Elegant Marbles and Grani Industries Ltd.

(vii) I have also examined compliance with the applicable clauses of the following:

- (a) The Listing Agreements entered into by company with BSE Limited Read with SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015.
- (b) Secretarial Standards 1 & 2 issued by The Institute of Company Secretaries of India.

During the period under review the Company has prima facie complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

I further report that :

- I. I have not examine the financial statements and accuracy of financial figures for, Goods and Services Tax (GST), Related Party Transactions, Provident Fund, ESIC, etc. as disclosed under financial statements, Ind AS 24 & note on foreign currency transactions during our audit period. I rely on observation & qualification if any made by statutory auditor's of the company in his report.
- II. The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. There were no changes in the composition of the Board of Directors during the period under review.
- III. As per the information provided prima facie adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
- IV. As per the information provided majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.
- V. There are prima facie adequate systems & processes in the Company commensurate with the size & operations of the Company to monitor & ensure compliance with applicable laws, rules, regulations & guidelines.
- VI. The management is responsible for compliances of all business laws. This responsibility includes maintenance of statutory registers/records required by the concerned authorities and internal control of the concerned department and we have relied on that.
- VII. The Company had passed the Special Resolution for the Investment pursuant to the Section 186 of the Companies Act, 2013 but resolution does not specify the total amount upto which Board is authorised to make Investment.

I further report that:

1. Maintenance of Secretarial record is the responsibility of the Management of the Company. Our responsibility is to express an opinion on these Secretarial Records based on our audit.
2. I have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on test basis to ensure that correct facts are reflected in the Secretarial records. I believe that the processes and practices, I followed provide a reasonable basis for my opinion.
3. Where ever required, I have obtained the Management representation about the compliance of Laws, Rules and Regulations and happening of events etc.
4. The compliance of the provisions of Corporate and other applicable Laws, Rules, Regulations, Standards is the responsibility of the Management. My examination was limited to the verification of procedures on test basis.
5. The Secretarial Audit report is neither an assurance as to the future viability of the company nor the efficacy or effectiveness with which the Management has conducted the affairs of the company.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

The Management at Elegant Marbles and Grani Industries Limited is pleased to present the Management Discussion and Analysis Report which provides an insight of the Company's business, Industry structure, developments, outlook, opportunities, concern areas and performance of the Company with respect to the operations and other relevant information. This Report forms part of the compliance report on Corporate Governance.

BUSINESS OF THE COMPANY

Elegant Marbles was born and gradually evolved through a simple thought way back in 1984 – the thought that the country deserves nothing short of the best when it comes to marbles and granites. Glancing at the past trends, makes the Company proud of the fact that it has managed to live up to the promise of providing our clients with high quality products and services that have constantly surpassed their expectations, and helped us create an enviable position over time. Building up on our modest inception, **Elegant Marbles** today has grown tremendously in terms of quality, volume and variety, striving even further for the best. It's state-of-the-art factory is located at Abu Road, Rajasthan, and is equipped to deal with a massive capacity to cater marble and granite processing needs, providing a wide spectrum of multiple colours to choose from.

Elegant Marbles in conformity with its motto of nothing but excellence continues to select a wide and exotic bouquet of marbles and granites in a spectrum of combinations to go well with all combinations and interiors and is capable of effortlessly producing two-and-a-half million sq. ft. of superior quality marbles and granite tiles and slabs, per annum.

INDIAN ECONOMY AND INDUSTRY OVERVIEW

India continues to witness economic reforms in terms of tax regime with introduction of Goods & Service Tax (GST) from 01st July, 2017 and subsequent amendments thereof. This tax regime, being at the implementation stage, is expected to result in improvement in logistics and faster movements of goods on one side and indirect tax reforms on the other side. The consolidation of global economy continued during the financial year 2018-19 and the global economy ended with a lower benchmark with fears of revival of ensuing trade war between the U.S. and China. In spite of global turbulence, the financial year concluded on a reasonable footing having positive impact on the industry in varied ways.

The investors' confidence in this volatile environment was reflected by being bullish and taking an advantage of the correction phase of capital markets during the year under review. And thus, the business growth though subdued is likely to experience good flows in the ensuing times. Infrastructure, high end architectures coupled with real estate development is a must for maintaining such sustained growth and hence is on the highest priority of the Government making it to be the focal point for our economy. Increasing per Capita income resulting due to all round economic high per capita spending affects the sale and off take of our products and we hopefully foresee a bright future in the coming times. The Industry strike witnessed during the year for reduction of GST Tax rates had a positive end with finally a reduction in GST rates from 28% to 18% which will go a long way in boosting demand.

ECONOMIC OVERVIEW (2018-19)

As we write this Mr Narendra Modi's party has received a mandate to rule for further term of 5 years with a thumping majority and a very weak opposition. We believe this will lead to the government taking very bold and positive steps which shall accelerate the economic growth to higher levels and shall improve ease of doing business. The Indian Economy has turned around dramatically with the real GDP growth rate of 7%, making India one of the fastest growing large economies in the world. This is witnessed with the World Bank commentaries recognising India as one of the global player. The growth in the next financial year is expected to boom between 7 to 7.5% with predictions for a double digit rate seeming feasible due to a stable and proactive government at the centre for another 5 years.

The policies of the Narendra Modi Government to transform India through “MAKE IN INDIA” and “SKILL INDIA” initiatives will further yield results with the country transformation of emerging as the business hotspot and Foreign Investment destination.

INDUSTRY STRUCTURE AND DEVELOPMENT

Real Estate sector and consumer spending shall continue to demonstrate exuberance and witness a complete turnaround with signs of revival in industrial activity and rapid growth in global economic performance.

Real estate in India also indicates signs of firming during this time with the return of liquidity in the real estate sector and firm prices in the recent months, cash flows of realty players improved resulting in renewed construction of stalled projects and a few new launches as well. We can quite confidently assert that we will witness an exciting new era of development. We are fully prepared, equipped and updated to take advantage of the buoyant real estate demand which will generate a huge demand for the Company's multiple products.

Emerging out of the volatile economic situations with only minor bruises, the industry is poised to enter a growth phase and is on the threshold of a major transformation. In terms of demand, Marble and Granite Industry is comfortably placed and should see heightened demands in the days to come due to increase in infra and construction activities.

The Company has provided for the liability of Rs. 47,29,163/- on account of gratuity in its books of accounts on the basis of the report.

SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE

The Company manufactures and deals only in one segment i.e. Marbles and Granites and allied products. The information on performance of the same has been provided accordingly.

OPPORTUNITIES AND THREATS

We are witnessing diverse opportunities in Marble & Granite industry due to huge investments in Infrastructure, modern day architecture, interior designing, construction reforms and real estate activities. The constant growth of the Industry is pushing up the demand for marbles and granites sizeably both in domestic and international markets.

Further, The World is indeed becoming a Global city. Your company believes that niche opportunities exist in the Global arena which we are targeting to exploit resulting in positive growth. The company has accordingly built a business model tapping these opportunities and is also aligning its strategies to utilise opportunities in the domestic market. Your company deals in special range of Granite & Marbles having exquisite textures, designs and colours for which the overseas and domestic markets, both are very demanding. Presently, it is one of the few companies which offer all natural stone products under one roof to the buyers. The demand for top quality natural stone products is also increasing in the domestic market and the company has setup Retail outlets at prime location of the country's financial capital – Mumbai so as to cater to the local demand for quality products. However, the number of natural stone exporters from India as well as local dealers dealing in imported and other natural stones catering to domestic market are increasing, thus reducing the margins and making the business competitive. The availability of manufactured stone products as an alternative to natural stones is also likely to affect the performance of the company.

The increase in discretionary spending has created a large market and demand for designer residences and the growth in construction sector has escalated the demand for marbles and granites both in domestic and international markets.

Your Company has the necessary expertise and flexibility to quickly adapt to the changing market condition and capture the growth in sales leading to growth for the Company.

FUTURE OUTLOOK

India's economy is well placed to grow at a robust pace over the next five years owing to strong domestic consumption and increase in government spending on infrastructure. The implementation analysis and review of Goods & Service Tax (GST) mechanism will further simplify the supply chain and improve the operating environment and will act as an additional driver of consolidation at all levels market.

The Company is observant and is aware of the ground realities of the business dynamics and is confident of a larger market share in all the spheres emerging as a business leader in its segment. The overall business outlook for the Company is promising with signs and indicators of improvement in the economic environment. Sincere and hard efforts towards optimisation and operational efficiencies are being put to our best.

Elegant Marbles and Grani Industries Ltd.

The Company is also exploring the possibilities to expand and shall make investments when attractive and viable opportunities arise.

INDEPENDENT AUDITORS' REPORT

To the Members

Elegant Marbles And Grani Industries Limited,
Abu Road.

Report on the Financial Statements

1. **Opinion**

We have audited the standalone financial statements of ELEGANT MARBLES AND GRANI INDUSTRIES LTD. ("the Company"), which comprise the balance sheet as at 31st March, 2019, the statement of Profit and Loss, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, including Indian Accounting Standards (Ind AS) specified in Section 133 of the Act, of the state of affairs of the Company as at March 31, 2019, its profit, cash flows and the changes in equity for the year ended on that date.

2. **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

3. **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Non-receipt of audited statement of account in case of investment through PMS/Fund Managers

a. The Company has invested in shares, securities, debentures, units of mutual funds etc. through Fund Managers & Portfolio Management Service (PMS) providers. These Fund Managers/PMS entities provide statement showing investments made by them on behalf of the company, gains/losses earned/incurred on sale of such investments, expenses incurred by them including their fees for managing the portfolio and the balance of investments remaining with them at the end of the year. The Company accounts for these transactions in its books of accounts on receipt of such statements. However, in all these cases of investment through PMS/fund managers, the audited statements for the financial year is usually not received before the finalisation of audit and all the income, expenditure, gains/losses, investments are accounted for on the basis of unaudited statements provided by these PMS/fund managers to the Company. On the basis of its past experience, the management of the Company is of the opinion that generally no material difference in the income, expenditure, gains/losses, investment etc. is detected after the audited statements are provided by these PMS/fund managers.

Investment in debentures

b. The Company has invested in debentures of various private/public limited companies through various funds managers/PMS and accounts for interest accrued and/or received on such investment in debentures from these companies/funds from time to time. However, in the case of investment in debentures of 20.50% Green Farm Tech Pvt. Ltd. amounting to Rs. 75,00,000/-, 17.25% Shanders Properties Pvt. Ltd. amounting to Rs.48,83,135/-, 18% Darvesh Properties Pvt. Ltd amounting to Rs. 40,68,656/-,20% Samruddhi Realty Ltd. amounting to Rs. 1,00,00,000/-, 18% Fortuna Buildcon (India) Pvt. Ltd. amounting to Rs. 49,00,000/- and 18% BCIL Red Earth Developers India Pvt. Ltd. amounting to Rs. 75,00,000/-, the interest and principle sums, wherever due, are not being received on due dates. These companies/funds managers/PMS have informed the Company about the financial and/or liquidity crunch faced by these companies and advised it not to account for such interest in its books of accounts on accrual. No tax at source has also been deducted/paid by these companies. However, these companies/fund managers/PMS have communicated to the Company that these debentures are fully secured by underlying immovable properties with their market values adequately covering the principle as well as interest accrued thereon and that they are hopeful that the investments made by the Company are fully secured and ergo, no loss shall arise from such investments. Accordingly, the management of the company, having regard to the nature, market value and amount of securities underlying these debentures, has taken a conscious decision not to provide, fully or partly, for any losses that may entail in future on such investment in debentures in its books of accounts.

Our procedures included, but were not limited to the following:

(i) **Non-receipt of audited statement of account in case of investment through PMS/Fund Managers**

- (a) Obtained an understanding of management's process of recording of investments, profit/loss on sale of such investments, expenses etc. and evaluated it on the basis of earlier year's audited & unaudited statements furnished by the PMS entities to check about the difference in the results that occur.
- (b) Assessed the appropriateness of the methodology and corrective actions taken in subsequent years.

34th Annual Report 2018-2019

- (c) Assessed the reasonableness & correct recording of the transactions by the PMS entities based on historical data available with the Company.
- (ii) Investment in debentures
 - (a) Obtained an understanding of management's process & methodology of investing in debentures, evaluated the methodology adopted for assessing the realisability of the debentures & interest thereon and security available against such investment in debentures. We also tested effectiveness of such evaluation process adopted by the management to determine recoverable value of the security available.
 - (b) Assessed the appropriateness of the methodology and valuation model used by the management to estimate the recoverable value of security underlying these investments.
 - (c) Assessed the reasonableness of the assumptions made by the management regarding the value of underlying security and realisability of the same to cover the investment made by the Company.

4. **Management's Responsibility for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, (changes in equity) and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

5. **Auditors' Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- a. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - b. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - c. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
 - d. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - e. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
 - 7. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Elegant Marbles and Grani Industries Ltd.

8. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are, therefore, the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matters or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest of such communication.
9. **Other Matters**
None
10. **Report on Other Legal and Regulatory Requirements**
As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
11. Further to our comments in Annexure A, as required by Section 143(3) of the Act, we report that:
- We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

Elegant Marbles and Grani Industries Ltd.

Annexure 'B' to the Independent Auditor's Report

Referred to in paragraph 11(f) of the Independent Auditors' Report of even date to the Members of Elegant Marbles And Grani Industries Ltd. on the Standalone financial statements for the year ended March 31, 2019.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

1. We have audited the internal financial controls over financial reporting of ELEGANT MARBLES & GRANI INDUSTRIES LTD. ("the Company") as of March 31, 2019 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls Over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India".

NOTES ANNEXED TO AND FORMING PART OF FINANCIAL STATEMENTS AS AT 31ST MARCH, 2019

Company overview

1.0 Elegant Marbles And Grani Industries Limited is a company incorporated in India and is listed on the Bombay Stock Exchange Ltd. The company is engaged in manufacture & trading of marble, granites & other stones tiles & slabs. The details regarding registered office, corporate office & principal place of business is disclosed in the introductory page of this Annual Report.

NOTE '1': SIGNIFICANT ACCOUNTING POLICES

1.1. Basis of preparation and presentation

- The financial statements have been prepared in accordance with Indian Accounting Standards ('Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 (the 'Act') read with of the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other relevant provisions of the Act.
- The Financial statements have been prepared on the historical cost basis except certain financial assets & liabilities which are measured at fair value:
- All the assets and liabilities have been classified as current or non-current as per the company's normal operating cycle of twelve months and other criteria set out in Schedule III of the Companies Act, 2013.
- All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

1.2. Use of Estimates & Judgements

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions, that affect the application of accounting policies and the reported amounts of assets, liabilities, income,

Elegant Marbles and Grani Industries Ltd.

NOTES ANNEXED TO AND FORMING PART OF FINANCIAL STATEMENTS AS AT 31ST MARCH, 2019

expenses etc. at the date of these financial statements and the reported amounts of revenues and expenses for the years presented. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed at each balance sheet date. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected.

1.3. **Property, Plant and Equipment**

- (i) Property, plant and equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment loss, if any. Such cost includes purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for its intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets.
- (ii) Capital work-in-progress includes expenditure during construction period incurred on projects under implementation treated as pre-operative expenses pending allocation to the assets. These expenses are apportioned to the respective fixed assets on their completion/ commencement of commercial production.
- (iii) Depreciation on property, plant and equipment is provided based on useful life of the assets prescribed in Schedule II to the Companies Act, 2013 on straight line method.
- (iv) When an assets is scrapped or otherwise disposed off, the cost and related depreciation are removed from the books of account and resultant profit or loss, if any, is reflected in statement of Profit and Loss.
- (v) The Residual Value, useful lives and methods of depreciation of property, plant and equipment are reviewed at the end of each financial year and adjusted prospectively, if appropriate.

Intangible Assets

Intangible assets are stated at cost less accumulated amortization and impairment. Intangible assets are amortized over their respective individual estimated useful lives on a straight-line basis, from the date that they are available for use. The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence, demand, competition and other economic factors and the level of maintenance expenditures required to obtain the expected future cash flows from the asset. Amortization methods and useful lives are reviewed periodically including at each financial year end.

1.4. **Impairment of Non-financial Assets**

The Company assesses at each reporting date whether there is any objective evidence that a non-financial asset or a group of non-financial assets are impaired. If any such indications exists, the Company estimates the amount of impairment loss which may be caused to the company. For the purpose of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets is considered as a cash generating unit. If any such indication exists, an estimate of the recoverable amount of the individual asset/cash generating unit is made.

An impairment loss is calculated as the difference between an asset's carrying amount and recoverable amount. Losses are recognised in profit or loss and reflected in an allowance account. When the Company considers that there are no realistic prospects of recovery of the asset, the relevant amounts are written off. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, then the previously recognised impairment loss is reversed through profit or loss.

1.5. **Investment property**

Property that is held for long-term rental yields or for capital appreciation or both, and that is not used by the Company, is classified as investment property. Investment property is measured at its cost, including related transaction costs and, wherever applicable, borrowing costs less depreciation and impairment, if any.

1.6. **Cash & cash equivalents**

Cash and Cash equivalents include cash and Cheque in hand, bank balances and demand deposits with banks that are readily convertible to known amounts of cash & which are subject to an insignificant risk of changes in value where original maturity is three months or less.

1.7. **Inventory**

Inventories of Finished Goods and Stock-in-trade are stated 'at the lower of cost or net realisable value'. Raw Materials, Work-in-Progress and Goods-in-transit are stated 'at cost'. Cost comprise all cost of purchase, cost of conversion and other costs

NOTES ANNEXED TO AND FORMING PART OF FINANCIAL STATEMENTS AS AT 31ST MARCH, 2019

incurred in bringing the inventories to their present location and condition. Cost formulae used are 'First-in-First-out'. Due allowance is estimated and made for defective and obsolete items, wherever necessary.

Having regard to the nature & value of items of Stores & consumables, the same are treated as consumed in the year of their purchase.

1.8. **Financial Instruments**

(i) **Financial Assets**

Initial Recognition and Measurement

Financial assets are recognised when the company becomes party to the contractual provisions of the instruments. Financial assets, other than trade receivables, are initially recognised at fair value plus transaction costs for all financial assets not carried at fair value through statement of profit or loss. Financial assets carried at fair value through statement of profit or loss are initially recognised at fair value and transaction costs are expensed in the statement of Profit and Loss.

Subsequent measurement

Financial assets, other than equity instruments, are subsequently measured at amortised cost or fair value through other comprehensive income (OCI) or fair value through profit or loss on the basis of:

- the entity's business model for managing the financial assets; and
- the contractual cash flow characteristics of the financial asset.

Financial assets carried at amortised cost (AC)

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss (FVTPL)

Investment in financial asset other than equity instrument, not measured at either amortised cost or FVTOCI is measured at FVTPL. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognised in the Statement of Profit and Loss.

Equity Instruments:

All investment in equity instrument classified under financial assets are subsequently measured at fair value. Equity instruments which are held for trading are measured at FVTPL.

For all other equity instruments, on initial recognition, irrevocably elect to measure the same either at FVOCI or FVTPL. The Company makes such election on an instrument-by-instrument basis.

Impairment of financial assets

In accordance with Ind AS 109, the company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL)

Expected credit losses are measured through a loss allowance at an amount equal to:

- The 12 month expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instruments).

(ii) **Financial liabilities**

Initial recognition and measurement

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Elegant Marbles and Grani Industries Ltd.

NOTES ANNEXED TO AND FORMING PART OF FINANCIAL STATEMENTS AS AT 31ST MARCH, 2019

Financial liabilities are initially recognised at fair value net of transaction costs for all financial liabilities not carried at fair value through profit or loss.

The Company's financial liabilities includes trade and other payables, loans and borrowings including bank overdrafts and derivative instruments.

Subsequent measurement

Financial liabilities measured at amortised cost are subsequently measured using Effective Interest Rate (EIR) method. Financial liabilities carried at fair value through profit or loss (FVTPL) are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

Loans & Borrowings

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortised cost using EIR method. Gains and losses are recognized in profit & loss when the liabilities are derecognized as well as through EIR amortization process.

Financial Guarantee Contracts

Financial guarantee contracts issued by the Company are those contracts that requires a payment to be made or to reimburse the holder for a loss it incurs because the specified debtors fails to make payment when due in accordance with the term of a debt instrument. Financial guarantee contracts are recognized initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee.

Subsequently the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of IndAS 109 and the amount recognized less cumulative adjustments.

(iii) **Derivative financial instruments and Hedge Accounting**

The Company can use various derivative financial instruments such as interest rate swaps, currency swaps, forwards & options and commodity contracts to mitigate the risk of changes in interest rates, exchange rates and commodity prices. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are also subsequently measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

Any gains or losses arising from changes in the fair value of derivatives are taken directly to Statement of Profit and Loss, except for the effective portion of cash flow hedges which is recognised in Other Comprehensive Income and later to Statement of Profit and Loss when the hedged item affects profit or loss or treated as basis adjustment if a hedged forecast transaction subsequently results in the recognition of a non-financial assets or non-financial liability

For the purpose of hedge accounting, hedges are classified as:

Cashflow hedge

The Company designates derivative contracts or non derivative financial assets / liabilities as hedging instruments to mitigate the risk of movement in interest rates and foreign exchange rates for foreign exchange exposure on highly probable future cash flows attributable to a recognised asset or liability or forecast cash transactions. When a derivative is designated as a cash flow hedging instrument, the effective portion of changes in the fair value of the derivative is recognized in the cash flow hedging reserve being part of other comprehensive income. Any ineffective portion of changes in the fair value of the derivative is recognized immediately in the Statement of Profit and Loss. If the hedging relationship no longer meets the criteria for hedge accounting, then hedge accounting is discontinued prospectively. If the hedging instrument expires or is sold, terminated or exercised, the cumulative gain or loss on the hedging instrument recognized in cash flow hedging reserve till the period the hedge was effective remains in cash flow hedging reserve until the underlying transaction occurs. The cumulative gain or loss previously recognized in the cash flow hedging reserve is transferred to the Statement of Profit and Loss upon the occurrence of the underlying transaction. If the forecasted transaction is no longer expected to occur, then the amount accumulated in cash flow hedging reserve is reclassified in the Statement of Profit and Loss.

Fair value hedge

The Company designates derivative contracts or non derivative financial assets / liabilities as hedging instruments to mitigate the risk of change in fair value of hedged item due to movement in interest rates, foreign exchange rates and commodity prices.

NOTES ANNEXED TO AND FORMING PART OF FINANCIAL STATEMENTS AS AT 31ST MARCH, 2019

Changes in the fair value of hedging instruments and hedged items that are designated and qualify as fair value hedges are recorded in the Statement of Profit and Loss. If the hedging relationship no longer meets the criteria for hedge accounting, the adjustment to the carrying amount of a hedged item for which the effective interest method is used is amortised to Statement of Profit and Loss over the period of maturity

(iv) **Derecognition of financial instruments**

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

1.9. **Leases**

Finance lease

Assets taken on lease by the Company in its capacity as lessee, where the company has substantially all the risks and rewards of ownership are classified as finance lease. Such leases are capitalized at the inception of the lease at lower of the fair value or the present value of the minimum lease payments and a liability is recognized for an equivalent amount. Each lease rental paid is allocated between the liability and the interest cost so as to obtain a constant periodic rate of interest on the outstanding liability for each year.

Operating lease

Company as a lessee

Leases where significant portion of risk and reward of ownership are retained by the lessor are classified as operating leases. Operating lease payments are recognized as an expense in the Statement of Profit and Loss on a straight line basis over the lease period unless the payments are structured to increase in line with expected general inflation to compensate for the company's expected inflationary cost increases.

Company as a lessor

Leases in which the Company does not transfer substantially all the risks and benefits of ownership of the asset are classified as operating leases. Assets subject to operating leases are included in the property, plant and equipment. Lease income on an operating lease is recognized in the Statement of Profit and Loss on a straight line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. Costs, including depreciation, are recognized as an expense in the Statement of Profit and Loss.

1.10. **Fair Value Measurement:**

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability
- The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

Elegant Marbles and Grani Industries Ltd.

NOTES ANNEXED TO AND FORMING PART OF FINANCIAL STATEMENTS AS AT 31ST MARCH, 2019

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

- Level 1: Quoted (unadjusted) prices in active markets for identical assets or liabilities.
- Level 2: Other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.
- Level 3: Techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

1.11. **Borrowing Cost**

Borrowing costs include interest expenses as per effective interest rate and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

1.12. **Provisions and Contingent liabilities and contingent assets**

Provisions represent liabilities for which the amount or timing is uncertain. Provisions are recognized when the Company has a present obligation (legal or constructive), as a result of past events, and it is probable that an outflow of resources, that can be reliably estimated, will be required to settle such an obligation.

If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows to net present value using an appropriate pre-tax discount rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability. Unwinding of the discount is recognized in profit or loss as a finance cost. Provisions are reviewed at each reporting date and are adjusted to reflect the current best estimate.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

Contingent assets are not recognised but disclosed in the financial statements when an inflow of economic benefits is probable.

1.13. **Revenue Recognition**

Revenue is recognized to the extent that it is probable that the economic benefit will flow to the Company and the revenue can be measured reliably.

Sale of goods:

Revenue from sale of goods is recognised when the significant risks and rewards of ownership of the goods have been transferred to the buyer either at the time of dispatch or delivery or when the risk of loss transfers. Export sales are generally recognized based on the shipped on board date as per bill of lading, which is when substantial risks and rewards of ownership are passed to the customers.

34th Annual Report 2018-2019

NOTES ANNEXED TO AND FORMING PART OF FINANCIAL STATEMENTS AS AT 31ST MARCH, 2019

Revenue from sale of goods is net of taxes and recovery of charges collected from customers like transport, packing etc. are not treated as part of sales. Sales returns are recognised when appropriate. Revenue is measured at the fair value of consideration received or receivable and is net of price discounts, allowance for volume rebates and similar items.

Claims/Refunds not ascertainable with reasonable certainty are accounted for on final settlement and are recognized as revenue on certainty of receipt on prudent basis.

Rendering of services:

Revenue from sale of services are recognized when the services are rendered.

Other Income

Dividend income on investments is recognised when the right to receive the dividend is established.

Interest income is recognized on a time proportionate basis taking into account the amounts invested and the rate of interest on prudent basis.

1.14. **EMPLOYEE BENEFITS**

Short term employee benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

Post-employment benefits

Define contribution Plans

A defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions to a separate entity. The Company makes specified monthly contributions towards Provident Fund, Superannuation Fund and Pension Scheme. The Company's contribution is recognised as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

Defined benefit Plans

The Company pays gratuity to the employees whoever has completed five years of service with the Company at the time of resignation/superannuation. The gratuity is paid @ 15 days salary for every completed year of service as per the Payment of Gratuity Act, 1972.

Re-measurments of defined benefit plans in respect of post-employment are charge to Other Comprehensive Income.

Empolyee Separation Costs

Compensation to employees who opt for retirement under the voluntary retirement scheme, if any, of the Company is payable in the year of exercise of option by the employee. The Company recognises the employee separation cost when the scheme is announced and the Company is demonstrably committed to it.

1.15. **Foreign exchange transactions and translation**

The financial statements are presented in Indian rupee (INR), which is Company's functional and presentation currency.

Transactions in foreign currencies are recognised at the prevailing exchange rates on the transaction dates. Realised gains and losses on settlement of foreign currency transactions are recognised in the Statement of Profit and Loss.

Exchange differences arising on settlement or translation of monetary items are recognised in Statement of Profit and Loss except to the extent of exchange differences which are regarded as an adjustment to interest costs on foreign currency borrowings that are directly attributable to the acquisition or construction of qualifying assets, are capitalized as cost of assets.

Monetary foreign currency assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognised in the Statement of Profit and Loss.

1.16. **TAXES ON INCOME**

Elegant Marbles and Grani Industries Ltd.

Income tax comprises current and deferred tax. Income tax expense is recognized in the statement of profit and loss except to the extent it relates to items directly recognized in equity or in other comprehensive income.

- Current Tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance sheet date.

- Deferred Tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.

1.17. **Government Grants**

Government grants are recognised when there is reasonable assurance that the grant will be received and all attached conditions will be complied with.

Government grants related to revenue are recognised on a systematic basis in the statement of profit and loss over the periods necessary to match them with the related costs which they are intended to compensate. Such grants are deducted in reporting the related expense. When the grant relates to an asset, it is recognized as income over the expected useful life of the asset.

In case a non-monetary asset is given free of cost, it is recognised at a fair value. When loans or similar assistance are provided by government or related institutions, with an interest rate below the current applicable market rate, the effect of this favourable interest is recognized as government grant. The loan or assistance is initially recognized and measured at fair value and the government grant is measured as the difference between the initial carrying value of the loan and the proceeds received.

1.18. **Earning Per Share**

The basic earning per share (EPS) is computed by dividing the net profit after tax available to equity share holding for the year by the weighted average number of equity shares outstanding during the current year.

The diluted EPS is calculated on the same basis as basic EPS, after adjusting for the effects of potential dilutive equity shares unless impact is anti-dilutive.

1.19 **Recent Indian Accounting Standards (Ind AS)**

On 30th March 2019, the Ministry of Corporate Affairs (MCA) has notified Ind AS 116 Leases, under Companies (Indian Accounting Standards) Amendment Rules, 2019 which is applicable with effect from 1st April, 2019.

Ind AS 116 will replace the existing leases standard, Ind AS 17 Leases. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases for both lessees and lessors. It introduces a single, on-balance sheet lessee accounting model for lessees. A lessee recognises right-of-use asset representing its right to use the underlying asset and a lease liability representing its obligation to make lease payments. The standard also contains enhanced disclosure requirements for lessees. Ind AS 116 substantially carries forward the lessor accounting requirements in Ind AS 17.

The Company will adopt Ind AS 116, effective annual reporting period beginning April 1, 2019. The Company will apply the standard to its leases, retrospectively, with the cumulative effect of initially applying the standard, recognised on the date of initial application (April 1, 2019). Accordingly, the Company will not restate comparative information, instead, the cumulative effect of initially applying this Standard will be recognised as an adjustment to the opening balance of retained earnings as on April 1, 2019. On that date, the Company will recognise a lease liability measured at the present value of the remaining lease payments. The right-to-use asset is recognised at its carrying amount as if the standard had been applied since the commencement date, but discounted using the lessee's incremental borrowing rate as at April 1, 2019. In accordance with the standard, the Company will elect not to apply the requirements of Ind AS 116 to short-term leases and leases for which the underlying asset is of low value.

On transition, the Company will be using the practical expedient provided the standard and therefore, will not reassess whether a

34th Annual Report 2018-2019

contract, is or contains a lease, at the date of initial application.

The Company is in the process of finalising changes to systems and processes to meet the accounting and reporting requirements of the standard.

With effect from April 1, 2019, the Company will recognise new assets and liabilities for its operating leases of premises and other assets. The nature of expenses related to those leases will change from lease rent in previous periods to (a) amortization change for the right-to-use asset, and (b) interest accrued on lease liability.

Previously, the Company recognised operating lease expense on a straight-line basis over the term of the lease, and recognised assets and liabilities only to the extent that there was a timing difference between actual lease payments and the expense recognised.

As a lessor, sublease shall be classified as an operating lease if the head lease is classified as a short term lease. In all other cases, the sublease shall be classified as a finance lease.

Level 2: Inputs other than the quoted prices included within Level 1 that are observable for the assets or liability, either directly or indirectly.

Liquidity Risk

Liquidity risk is the risk that suitable sources of funding for the company's business activities may not be available. Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due, so that the company is not forced to obtain funds at higher rates. The Company monitors rolling forecasts of the Company's cash flow position and ensure that the Company is able to meet its financial obligation at all times including contingencies.

Credit Risk

Credit risk is the risk that a customer or counterparty to a financial instrument will fail to perform or pay amounts due causing financial loss to the company. It arises from cash and cash equivalents, financial instruments and principally from credit exposures to customers relating to outstanding receivables. The Company deals with highly rated counter parties.
