OPERATIONS & FINANCIAL PERFORMANCE :

The operational performance of the Company during the year has not been satisfactory. The Company's Sponge Iron Plant located at Jamshedpur was closed down on 1.9.2012 due to non-supply of coal by Central Coalfields Ltd., since March, 2011, exclusively due to their faults and lapses and the Company has taken necessary legal action against them in the Hon'ble High Court at Ranchi and the Writ Petition is under hearing. The availability of iron ore to produce Sponge Iron is extremely limited and their prices are also ruling very high and unaffordable as most of the mines in Orissa and Karnataka continue to be closed. The operations at Company's Sponge Iron Plant at Nalgonda have also suffered due to limited supply of coal by the Coal Company, continuous closure of iron ore mines in Karnataka and extreme shortage of power/electricity. The cost of other expenses including diesel had also gone up whereas due to suppressed demand for long steel products on account of slow down in the house-building sector and lower spending by the Government on infra-structure development; resulted in lower/unremunerative selling prices. During the year under review your Company produced 27081 M.T. of Sponge Iron (previous year 33065 M.T.). The gross turn over of the Company/income from operations stood at Rs.6020.23 lacs (previous year Rs.7083.25 lacs). The net result of the year is a profit of Rs.79.89 lacs (previous year net loss of Rs.364.32 lacs).

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

(For the Financial Year ended 31st March, 2013)

(a) Industry Structure and Developments :

The principal product of the Company is Sponge Iron which is manufactured at its Plants located at Jamshedpur and at District Nalgonda, Andhra Pradesh. Sponge Iron is used alongwith steel scraps by secondary steel producers for making steel billets/ingots which in turn are used by the re-rollers for making long products used in the house building and in the infra-structure development. Increase in the cost of raw materials, overheads, manufacturing expenses and lower capacity utilization due to poor or non-availability of coal and iron ore, the basic raw materials and depressed market conditions have adversely affected the company's profitability. The selling prices of Sponge Iron are market driven and the Company has no control over it. The principal components of cost of Sponge Iron are coal, iron ore and freight and the Company has no control on their rates/prices.

(b) Opportunities and Threats :

i. Opportunities :

The consumption of Sponge Iron is directly linked with the consumption of long steel products namely, TMT Bars, Angles, Channels and Beams. Slow-down of house-building sector and lower spending by the Government on the infra-structure; has resulted in lower demand for the above products. The present trend is not likely to change in the immediate future and hence there are very little opportunities available to your Company in it's traditional field of Sponge Iron.

ii. Threats :

The iron ore and coal are the two major raw materials for the production of Sponge Iron. The availability of Iron ore in the last two years has been severely affected due to closure of iron ore mines in Orissa and Karnataka under the direction of Hon'ble Supreme Court of India and various other Government Agencies and Departments. This status of iron ore is continuing and it is extremely scarce and its prices are ruling extremely high and most unaffordable. The Coal India Ltd. had w.e.f. 1.3.2011 most unjustifiedly and arbitrarily increased the prices of 'B' Grade coal by almost 130% making the operations of the Company's Jamshedpur Sponge Iron Plant unviable. The Company had requested Central Coalfields Ltd./Coal India Ltd. and Ministry of Coal to lower the grade of coal from B/C grade to D/E/F grade. Upon not getting the requisite consent from them, the Company had moved to the Hon'ble High Court at Ranchi, for redressal and to get justice and relief and the Hon'ble High Court had directed the CCL to do the requisite but till date CCL/CIL has done nothing on that account and the entire matter is sub-judice. Under the current circumstances, those Sponge Iron Plants in the country which do not have their own captive iron ore and coal mines will be unable to operate profitably unless the prices of these inputs go down sharply from their current highly elevated levels or unless there is a suitable increase in the market prices of Sponge Iron.

(c) Segment-wise Product-wise performance :

Your Company has only two segments namely Sponge Iron and gas taking into account the nature of the product, uses and production system. However, your Company mainly operates under the "Iron &

ASHIRWAD STEELS & INDUSTRIES LTD.

Steel" Segment and hence segment wise result has not been given.

(d) Outlook :

In view of what has been stated in paragraphs (a) and (b) above your Management perceives that the outlook of the Sponge iron Industry in the current financial year is not expected to be encouraging.

(e) Risks & Concerns :

Risk is inherent in every business activity and Sponge Iron Industry is no exception. The steel industry displays strong commodity characteristics and is subject to cyclical price movements in business cycles. The Company is exposed to risks from overall market fluctuations, changes in government policy, laws of the land, taxation, man made disaster, political risks and increase in cost of inputs like Iron ore, coal, power, diesel, freight, etc. which affect the financial performance of the Company.

(f) Internal Control System and its Adequacy :

The Company has proper and adequate system of internal controls commensurate with its size and nature of operations to provide reasonable assurance that all assets are safeguarded, transactions are authorised, recorded and reported properly and applicable statutes are duly complied with. The Company has constituted an Audit Committee to monitor the adequacy and efficacy of internal control system.

The adequacy of these compliances and their effectiveness is subject to statutory audit and the same has been adequately reported by the Auditors in their report as required under the relevant provisions of the Companies Act, 1956. The Company also has an Internal Audit System being carried out by an Independent Firm of Chartered Accountants.

(g) Discussions on financial performance with reference to operational performance:

During the year; the income from operations/turnover stood at Rs.60.20 crores as compared to Rs.70.83 crores in the previous year. The operating profit before interest, depreciation and taxation stands at Rs.82.18 lacs compared to loss of Rs.375.71 lacs in the previous year. The Company has earned a post-tax net profit of Rs.79.88 lacs as compared to a net loss of Rs.364.32 lacs in the previous year. Your Directors are, however, continuing their efforts for better performance of your Company.

(h) Material Developments in HRD and Industrial Relations Front :

Your Directors recognize the value of people as one of our most valuable assets and believe that your Company's employees are central to its sustainable success. Developing, motivating, rewarding and retaining talented employees at all levels is a priority and a key responsibility of your Company's management. It is this policy of ours that has enabled us to retain talented employees and maintain harmonious relations with them.

i) Cautionary Statements :

Statements in this management discussion and analysis report describing the Company's objectives, projections, estimates and expectations may be termed as forward looking statements within the meaning of applicable laws and regulations. Actual results may differ materially from those either expressed or implied. The readers of this report are, therefore, advised to read the same with this caution.

32. On the basis of a writ petition filed by the Company against State Government's order withdrawing remission of Sales Tax pursuant to imposition of VAT in the State; the Hon'ble High Court of Jharkhand at Ranchi has allowed the benefit of deferment of tax for VAT and although the Hon'ble High Court order is not specific about deferment of CST, the Company assumes that deferment order is applicable to both VAT and CST in respect of its sales from its Sponge Iron plant at Jamshedpur. unviable and uneconomical for the production of Sponge Iron at Company's Sponge Iron Plant located at Jamshedpur. Accordingly, the Company had made several requests and representations, verbally and in writing to them with a request to supply Grade 'C' coal or lower grade of coal whose price increase was only 30% but Central Coalfields Ltd. most arbitrarily and illegally refused such valid requests of the company. Being highly aggrieved by this most illegal, unjustified, arbitrary and discriminatory act ; the Company had taken legal action against Central Coalfields Ltd. in the Hon'ble High Court at Ranchi and that matter is under hearing and adjudication. As the Company suffered heavy losses for non-supply of coal by Central Coalfields Ltd., despite having provided them with Bank Guarantees of Rs.46,00,000/- and Coal advance amount of Rs.1,14,30,107/-; it got entitled for compensation from Central Coalfields Ltd. as per Clause Nos. 4.5 to 4.8 of FSA dated 29.04.2008 entered with them and it accordingly raised on CCL then a Compensation Bill of Rs. 99,45,450/- for accounting year 2011-12 and Rs. 99,45,450/- for accounting year 2012-13 along with an Interest amount of Rs. 6,86,644/- receivable on the said compensation amount and an Interest Bill of Rs. 45,33,763/- on Company's purchase advance amount of Rs. 1,14,30,107/- lying with them. Upon refusal by Central Coalfields Ltd. to pay the aforesaid compensation and interest amounts; the Company has filed a suit against Central Coalfields Ltd. at Hon'ble High Court at Ranchi for winding up of the former and the said suit is pending for hearing and adjudication. Since the matter is subjudice; the Company will account for the aforesaid compensation and interest amount being legitimately receivable from Central Coalfields Ltd. on actual receipt basis after the final verdict is announced by the Hon'ble High Court at Ranchi and/or higher courts.
