In the operational performance front the company has achieved increased tonnage of production during the current financial year when compared to the earlier financial year.

III. Opportunities and Threats.

Due to the expanding economy, industries where company's products are used will also look up giving growth opportunities for the company.

However dumping of raw materials, making the end product prices volatile is a threat to be managed.

IV. Segment-wise or product-wise performance.

The company is operating in single segment and product viz., manufacture of pipes.

V. Outlook

Outlook of the industry continues to be good. With the economy looking up with all round growth we hope the company's products will also have better growth.

VI. Risks & Concerns

The main risk to which the company is exposed to is the fluctuation in the Raw material prices and the competition from the various competitors. During the course of year the company has broad based its operations. This, we believe will strengthen the company to weather any unforeseen volatility in its operations.

VII. Internal Control Systems

The Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control. INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF CRIMSON METAL ENGINEERING COMPANY LIMITED REPORT ON THE FINANCIAL STATEMENTS

We have audited the accompanying financial statements of Crimson Metal Engineering Company Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2016, the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Financial Statements that give the true and fair view of the financial position, financial performance and cash flows of the Company with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities, selection and application of the appropriate accounting policies, making judgements and estimates that are reasonable and prudent, and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statement.

OPINION

CRIMSON METAL ENGINEERING COMPANY LIMITED
(Formerly known as SRI SAARBATI STEEL TUBES LIMITED)

SIGNIFICANT ACCOUNTING POLICIES

1. a) **CRIMSON METAL ENGINEERING COMPANY LIMITED** is a Public Limited company. The company incorporated under companies' act 1956 vides RC number L27105TN1985PLCO11566 issued by Register of companies (ROC) Tamilnadu. Its share is listed on stock exchanges in India. The Company is engaged in the manufacturing and selling of Black Pipe (ERW Pipe & G I Pipe) The factory is situated in Pipdic Industrial Estate, Sedarapet Puducherry – 605111.
- b) The financial statements have been prepared in accordance with generally accepted accounting in India (Indian GAAP). The company has prepared these financial statements to comply in all material respects with the Accounting Standards as notified by Companies (Accounting Standards) Rules, 2006, (as amended) and the relevant provisions of the Companies Act, 2013. The financial Statements have been prepared under the historical cost convention on an accrual basis except in case of Land (freehold and leasehold).

1.1 Summary of significant accounting policies

a. Basis of Accounting

The financial statements of the company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act")/ Companies Act, 1956 ("the 1956 Act"), as applicable. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year except for change in the accounting policy for depreciation.

All assets and liabilities have been classified as current or non current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. The Company's activities in its business segments have operating cycles which do not exceed 12 months. As a result, current assets comprise elements that are expected to be realized within 12 months after the reporting date and current liabilities comprise elements that are due for settlement within 12 months after the reporting date.

b. Use of estimates.

The preparation of financial statements in conformity with Indian GAAP requires the management to make estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based upon the management's best knowledge of current events and actions, actual results could differ from these estimates. Uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

c. Tangible fixed assets.

Tangible fixed assets, acquired by the company are reported at acquisition cost, net of accumulated depreciation and accumulated impairment losses, if any. The acquisition cost includes the purchase price (excluding refundable taxes) and expenses directly attributable to the asset to the location and condition for its intended use. Examples of directly attributable expenses included in the acquisition cost are delivery and handling cost, installation, legal services and consultancy services.

Where the construction or development of any such assets requiring a substantial period of time set up for its intended use, is funded by borrowings, the corresponding borrowing costs are capitalized up to the date when the assets is ready for its intended use.

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation on tangible fixed assets has been provided on the straight like method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of the following categories of assets, where the life of the assets has been assessed as under based on technical advice, taking in to account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support etc.,

d. Borrowing costs

Borrowing cost includes interest. Borrowing costs directly attribute to the acquisition, construction or

CRIMSON METAL ENGINEERING COMPANY LIMITED
(Formerly known as SRI SAARBATI STEEL TUBES LIMITED)

production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

e. Inventories

Raw materials, components, store and spares are valued at lower of cost and net realizable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost of raw materials, components and stores and spares is determined on a weighted average basis.

Work in progress and finished goods are valued at lower of cost and net realizable value. Cost includes direct materials and labour and a proportion of manufacturing overheads based on normal operating capacity.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the site.

f. Revenue Recognition

Revenue from sale of products is recognized when practically all significant risks and rewards of ownership of the goods have been passed to the buyer, usually on delivery of the goods. The Company collects central sales taxes and value added taxes (VAT) on behalf of the government and, therefore, these are not economic benefits following to the Company. Hence, they are excluded from revenue. Excise duty deducted from revenue (gross) is the amount that is included in the revenue (gross) and not the entire amount of liability arising during the year. This usually occurs upon dispatch and collection of the receivable is reasonably certain.

Interest income is recognized on a time proportion basis, taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head 'other income' in the statement of Profit and Loss.

g. Employee Benefits

Liability for employee benefits, both short and long term, which are due as per the terms of employment, are recorded in accordance with Accounting Standard -15 (Revised) "Employee Benefits" notified by the Companies (Accounting Standards) Rules, 2006.

- a. In respect of Gratuity, the Company offers a non contributory defined benefit plan to its employees. Year end accrued liabilities of gratuity payable to employees are provided for Rs 2,14,037/- based on the liability as estimated by the management. This policy is not in accordance with the Revised Accounting Standard AS-15 "Employees Benefits".
- b. Contribution to Provident Fund and other recognized fund is charged to profit and loss account.
- c. Provision for Leave Encashment is not made as per Revised Accounting Standard AS-15 "Employees Benefits".

h. Income Taxes

Current Tax

Current tax is determined in accordance with the provisions of Income Tax Act, 1961.

Deferred Tax

Deferred Tax resulting from "timing difference" between taxable and accounting income is accounted for using the tax rates and laws that are enacted or substantively enacted as on the balance sheet date. Deferred Tax Liability is created and carried forward only to the extent that there is a virtual certainty that the assets will be realized in future.

i. Segment reporting

The accounting policies adopted for segment reporting are in line with the accounting policies of the Company. The company primarily operates in single business segment which is Steel Tube (Skelp, Black pipe and GI pipe), and accordingly there are no primary segments to be reported as per Accounting Standard 17 "Segment Reporting".

j. Earning per share

Basic earnings per equity share is computed by dividing the net profit or loss for the period attributable to the equity shareholders by the weighted average number of equity shares outstanding during the reporting period .

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity share holders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

CRIMSON METAL ENGINEERING COMPANY LIMITED
(Formerly known as SRI SAARBATI STEEL TUBES LIMITED)

k. Foreign currency transactions

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency on the date of the transaction.

Conversion

Foreign currency monetary items are reported using the closing rate. Non monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

Exchange Difference

Exchange differences arising on the settlement of monetary items or on reporting company's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise.

l. Custom & Excise Duty

Excise Duty on finished goods lying at the factory is accounted at point of sale or dispatch. Custom Duty on imported material lying in bonded warehouse is accounted for at the time of bonding materials.

m. Provisions

A provision is recognized when the Company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

n. Contingent Liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the final statement.

o. Cash and cash equivalents

Cash and cash equivalents for the purpose of cash flow statement comprises cash at bank and in hand and short-term investments with an original maturity of three months or less.
