## MANAGEMENT DISCUSSION & ANALYSIS REPORT

Annexure-I

### Global Nutraceutical : Industry Structure & Developments:

Nutraceuticals are used in the prevention of potential disease and the healing of already existing diseases. According to Transparency Research, the nutraceuticals product industry is classified broadly according to functional beverages, functional food, and dietary supplements. Market growth is fuelled by dietary supplement segment expansion. The protein and peptides sector of the dietary supplement market is expected to record strong growth in the coming years. The non-herbal market segment of the dietary supplement sector is also forecast to record strong growth in the coming years. The non-herbal market segment of the dietary supplement sector is also forecast to record strong growth between 2012 and 2017. In the functional food market sector, the omega fatty acid fortified food market segment is predicted to record moderate growth.

### Key Market Segments:

Nutrients represent the market segment with the highest sales within the nutraceutical ingredients market. According to Frost & Sullivan, Indian nutraceutical market is projected to grow to US \$4 billion in 2018 at a compound annual growth rate (CAGR) of 17 percent. The United States, Europe and Japan account for 93 percent of the total global nutraceutical market, and overall, the market has attained maturity in all the three regions. India, China and other Southeast Asian countries are considered key growth regions with their current low per capita spending on nutraceutical products.

As a matter of fact, according to the Indian statistical data, obesity rates in India have increased by 20 percent, and 40 percent of deaths in this country is associated with cardiovascular diseases (CVDs). Moreover, with 67 million diabetic patients and 30 million in a pre-diabetic condition, India is projected to be the capital of diabetes by 2030. All of these factors portray the penetration potential of nutraceutical products in India. Increasing food security concerns by Indian consumers have also led to the development of more fortified foods in the Indian market.

### Regional Markets

Transparency Research forecasts the Asia Pacific and Indian nutraceutical market will hold just over 30% and almost 40% respectively of the global market in 2017. Dietary supplements represent the market predicted to record the highest rate of growth over the five-year period.

**Quinoa or quinoa** (*Chenopodium quinoa* Willd), is native to the Andes Mountains of Bolivia, Chile, and Peru. This crop (pronounced **KEEN-WAH**), has been called "41 vegetable caviar" or Inca rice, and has been eaten continuously for 5,000 years by people who live on the mountain plateaus and in the valleys of Peru, Bolivia, Ecuador and Chile. Quinoa means "mother grain" in the Inca language. This crop was a staple food of the Inca people and remains an important food crop for their descendants, the Quechua and Aymara peoples who live in rural regions.

The present from the heavens has always been a base of the Andean diet, but only recently did the crop begin its international journey. In 1993, NASA researchers recommended it as part of a potential space-colony diet. Over the following decade, the food gained wider appeal, going from hippie hype to Costco convenient practically overnight. "Quinoa was in the eye of the storm," says Bolivian-born Sergio Núñez del Arco, founder of Andean Naturals, the U.S.'s largest quinoa importer, explaining that the product fit almost every recent health craze: whole grain, gluten-free, fair trade, organic.

### Uses:

Quinoa is a highly nutritious food. The nutritional quality of this crop has been compared to that of dried whole milk by the Food and Agriculture Organization (FAO) of the United Nations. The protein quality and quantity in quinoa seed is often superior to those of more common cereal grains. Quinoa is higher in lysine than wheat, and the amino acid content of quinoa seed is considered well-balanced for human and animal nutrition.

Quinoa is made into flour for baked goods, breakfast cereals, beer, soups, pastas, desserts and even livestock feed. The seeds can be boiled, added to soups or even fermented. The cooked seeds have a nutlike flavor and remain separate, fluffy and chewy. Quinoa breads and flours are popular products for their gluten-free, high-protein qualities. Quinoa seeds and flour can be found in the health food section of many grocery stores, on menus at gourmet restaurants, and marketed directly to consumers over the Internet.

Our company is determined to make quinoa products due to the current market and its good growth potential.

### Opportunities:

- As the world faces the challenge of increasing the production of quality food to feed a growing population in a changing climate, quinoa offers an alternative food source for those countries suffering from food insecurity.
- Today, quinoa has found a place in the gourmet kitchen and a role in the pharmaceutical and other industries. Cultivation of quinoa now extends beyond the Andean region and - besides Bolivia, Peru, Ecuador, Chile, Colombia and Argentina - it is also produced in the United States, Canada, France, the United Kingdom, Sweden, Denmark, Italy, Kenya and India.
- Promote cultivation of medicinal plants.

- Implement good agricultural practice, good pre and post harvesting practices and good storage practices
- Promote single point sourcing of raw materials
- Promote sustainable harvesting of minor forest produces

**Threats:**

- Shortage of raw materials
- Escalation in raw materials price
- Lowering of standards in the products
- Lowering of standards in the products

**Our Strategy:**

- ▼ **Maximise the potential of its position as a prominent player in Nutraceutical sciences.**
- ▼ **Encourage and support the development of Quinoa cultivation using its network to create a long-term sustainable supply.**
- ▼ **Expand the Group's Operations in other jurisdictions outside India;**
- ▼ **Continue the Group's development of Quinoa R&D in order to improve their economic yield potential for farmers.**
- ▼ **In addition to improving the Quinoa yield , the company will look to enhance its current production capacity through geographical expansion.**
- ▼ **Improving processing technologies.**

**CAUTIONARY STATEMENT**

requiring compliance thereof by the Company during the financial year and the Secretarial Standards issued by The Institute of Company Secretaries of India were not applicable during the year.

Further based on my verification of the Company's books, papers, minute books, forms and returns filed and other records

maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the course and conduct of Secretarial Audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on March 31, 2017 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner as required under the various provisions of Companies Act, 2013, SEBI Act, 1992 and all other laws and applicable provisions there under.

We further report that, based on the information provided by the Company, its officers and authorized representatives during the conduct of the audit, and also on the review of quarterly compliance reports by respective department heads taken on record by the Board of Directors of the Company, in my opinion, adequate systems and processes and control mechanism exist in the Company to monitor and ensure compliance with applicable general laws.

We further report, that the compliance by the Company of applicable financial laws, like direct and indirect tax laws, has not been reviewed in this Audit since the same have been subject to review by statutory financial audit and other designated professionals.

We further report that, the Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance to all Directors, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

As per the minutes of the meetings duly recorded and signed by the Chairman, the decisions of the Board were unanimous and no dissenting views have been recorded.

We further report that, there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

## INDEPENDENT AUDITORS' REPORT

To the Members of  
**NUTRICIRCLE LIMITED**

### Report on the Financial Statements

We have audited the accompanying financial statements of **NUTRICIRCLE LIMITED ("the Company")** which comprise the Balance Sheet as at March 31, 2018, the Statement of Profit and Loss, Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

### Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements

### Emphasis on matters: NIL

### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2018, and its Loss and its Cash Flow for the year ended on that date.

**“Annexure B” to the Independent Auditor’s Report of even date on the  
Financial Statements of NUTRICIRCLE LIMITED.**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of NUTRICIRCLE LIMITED (“the Company”) as of March 31, 2018 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

**Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors’ Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of

Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
