MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Industry structure and developments

The Indian economy has weathered many challenges successfully in recent times. Markets are optimistic, as a result of various policy measures announced or taken by the Government. The key policy changes include liberalization of foreign direct investment and a large array of investment facilitation measures. However, some large-ticket changes such as modified labour laws, simplified land acquisition rules and nationwide Goods and Services Tax are still not in place.

Due to the sluggish global growth, especially in China, commodity prices have remained low, inflation has moderated and low crude prices have supported the Government's current account deficit commitment.

A relatively stable rupee and rising foreign exchange reserves, are key indicators of an improved and stable macro-economic environment. The slowing global economy is not all positive for India, exports have suffered and domestic growth will be critical in FY 2016 -17.

In FY 2015-16, the Government focused on its theme "Transform India". The Budget for FY 2016-17 preferred fiscal prudence and stability over growth. The priorities of the Government were to provide additional resources for the vulnerable sections of society, to rural areas and for creating social and physical infrastructure.

The Government encouraged private and public spending, but private investment is not likely to recover in FY 2016-17 as there is significant unutilized capacity and private sector Balance Sheets are stretched. By maintaining fiscal deficit at 3.5%, the Government has precluded the possibility of any direct fiscal stimulus.

The positive effect of the Government's fiscal discipline is that it has created conditions for the Reserve Bank of India ("RBI") to cut rates, thereby indirectly benefiting the economy by bringing down the cost of borrowing for both the Government and the private sector. The RBI started cutting rates in FY 2015-16, the transmission of which is likely to happen in FY 2016-17.

The banking system in India saw a major shift with the RBI ending forbearance in April 2015 and, through the Asset Quality Review process, ensuring that banks were taking proactive steps to clean up their Balance Sheets by March 2017. In all adversity, there is opportunity and as a result of the stressed bank Balance Sheets, the NBFC sector has a significant opportunity to grow. NBFCs do not have the NPA problem of the magnitude of that of the banks and are already operating under strict regulatory supervision. The NBFC sector is likely to report higher NPAs in the initial period as it moves to the 90+ recognition norm, but the sector as a whole will emerge stronger after the implementation of these initiatives. Additionally, SARFAESI cover and a new bankruptcy code would make collections through the judicial system much simpler. A normal monsoon and further rate cuts by RBI are expected to facilitate rural and urban consumption.

The year ahead will be challenging on many fronts, credit quality and shifts in operating model, to name a couple. Accepted norms and rules of doing business are likely to be rewritten with digital innovation, increased use of technology in financial services and payment and small banks coming on stream. Each individually, and all of them collectively, have the ability to change the face of the financial services sector. The NBFC sector appears to be best placed to take advantage and succeed in this changing environment.

Opportunities and Threats

NBFC sector in India is large with significant growth potential and has consistently created value for its shareholders. The NBFC sector has a 13% credit share, gaining 3% market share from banks over the last 10 years. The growth in the sector appears sustainable as India has a low GDP to credit penetration. Further, many structural factors are supportive of NBFC growth namely weak banks, RBI initiatives on policy alignment and latent credit demand in certain segments not catered to by banks. The sector has been delivering approximately 1.5% to 2% better ROEs as compared to select banks over the last 10 years. In order for the sector to sustain its advantages, companies in the sector need to grow in a prudent manner while focusing on financial innovation, analytics and adequate risk management systems and procedures.

The Reserve Bank of India constantly issues new regulations and / or modifies existing regulations endeavoring to balance the multiple objectives of financial stability, consumer and depositor protection and regulatory arbitrage concerns. The RBI, however, implements major changes in a structured manner providing companies operating in the sector adequate time to adapt and adjust.

The Company is amongst the few NBFCs that offers a full range of Retail and Corporate products and services. A balance in the mix of the portfolio and leveraging the cross-sell potential enables the Company to emerge as a preferred partner for all financial needs of the customer. We believe our digital assets across social, mobile and web providing reach, operating efficiency and improved customer experience will be an opportunity for us to capitalize on in the coming years.

Asset quality deterioration may not only wipe the profits out of the Company but eat into its net worth. The Company, therefore, needs to ensure that it maintains minimal delinquency levels. It will be critical to retain talent at the right cost for effectively building a high performance organization with an engaged and young workforce.

Adequate funding, at the right cost and tenure will be critical to achieve business growth. Newer regulatory updates pose a constant challenge for smooth operations of the Company. The Company needs to be equipped to quickly adapt to the constant changes in regulations and competitive landscape.

SAINIK FINANCE & INDUSTRIES LIMITED

With new entities like the payment banks, small banks, new universal banks entering the market place, the Company needs to maintain its competitive edge through constant adaptation and creating strategies to protect its niche.

Outlook

The markets will continue to grow and mature leading to differentiation of products and services. Each financial intermediary will have to find its niche in order to add value to consumers. The Company is cautiously optimistic in its outlook for the year 2016-17.

Fixed Deposits

The Company is a non-deposit accepting company -NBFC. The Company has not accepted any fixed deposit during the period under review.

Internal Control Systems and their adequacy

The Company's internal control system is designed to ensure operational efficiency, protection and conservation of resources, accuracy and promptness in financial reporting and compliance with laws and regulations. The internal control system is supported by an internal audit process for reviewing the design, adequacy and efficacy of the Company's internal controls, including its systems and processes and compliance with regulations and procedures. Internal Audit Reports are discussed with the Management and are reviewed by the Audit Committee of the Board which also reviews the adequacy and effectiveness of the internal controls in the Company. The Company's internal control system is commensurate with the size, nature and operations of the Company.

Risk Management

The Company recognizes the importance of risk management and has accordingly invested in appropriate processes, people and a management structure. The Board of Directors of the Company reviews the asset quality at frequent intervals. The asset quality of the company continues to remain healthy. The nature of business the company is engaged in exposes it to a slew of complex and variable risks. The rapid and continuous changes in the business environment have ensured that the organization becomes increasingly risk focused to achieve its strategic objectives. SFIL's policies ensure timely identification, management and mitigation of relevant risks, such as credit risk, liquidity risk, interest rate risk, operational risk, reputational and regulatory risks, which help the company move forward with vigour.

INDEPENDENT AUDITOR'S REPORT

To the Members of Sainik Finance & Industries Limited

Report on Financial Statements

We have audited the accompanying financial statements of Sainik Finance & Industries Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2016, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2016, and its profit/loss and its cash flows for the year ended on that date.

ANNEXURE 'A'

The Annexure referred to in paragraph 1 of Our Report on "Other Legal and Regulatory Requirements".

We report that:

- i. a. The company has maintained proper records showing full particulars, including quantitative details and situation of its fixed assets.
- b. The company has a program for the physical verification of fixed assets at periodic intervals. In our opinion, the period of verification is reasonable having regard to the size of the company and the nature of its assets. No significant discrepancies were noticed on such verification.
- c. The title deeds of immovable properties are held in the name of the company.
- ii. The management has conducted physically verification in respect of finished goods at reasonable intervals. No material discrepancies have been noticed on physical verification of inventories as compared to book records.
- iii. The company has granted secured and unsecured loan to three parties covered in the register maintained under section 189 of the Companies Act, 2013 wherein the balance receivable as at the year-end is Rs.13,13,75,879/-. The maximum amount outstanding during the year was Rs.13,40,53,747/-.
 - a. The terms and conditions of the grant of such loans are not prejudicial to the interest of company.
 - b. The terms of arrangement do not stipulate any repayment schedule and the loans are repayable on demand with interest.
 - c. Since the term of arrangement do not stipulate any repayment schedule and the loans are repayable on demand, no question of overdue amounts will arise in respect of the loans granted to the parties listed in the register maintained under section 189 of the Act.
- iv. The company has not provided any loans, investments, guarantees, and security, provisions of section 185 and 186 of the Companies Act, 2013.
- v. The company has not accepted any deposits from the public covered under sections 73 to 76 of the Companies Act, 2013.
- vi. As per information & explanation given by the management, maintenance of cost records has not been specified by the Central Government under sub-section (1) of section 148 of the Companies Act, 2013.
- vii. a. According to the records of the company, undisputed statutory dues including Provident Fund, Investor Education and Protection Fund, Employees' State Insurance, Income-tax, Sales-tax, Service Tax, Custom Duty, Excise Duty, value added tax, cess and any other statutory dues to the extent applicable, have generally been regularly deposited with the appropriate authorities. According to the information and explanations given to us there were no outstanding statutory dues as on 31st of March, 2016 for a period of more than six months from the date they became payable.
- b. According to the information and explanations given to us, there is no amount payable in respect of income tax, service tax, sales tax, customs duty, excise duty, value added tax and cess whichever applicable, which have not been deposited on account of any disputes.
- viii. As the company has not taken any loan from financial institution, bank, Government or debenture holders. So question of repayment of loan does not arise.
- ix. Based on our audit procedures and according to the information given by the management, the company has not raised any money by way of initial public offer or further public offer (including debt instruments) or taken any term loan during the year.

SAINIK FINANCE & INDUSTRIES LIMITED

- x. According to the information and explanations given to us, we report that no fraud by the company or any fraud on the Company by its officers or employees has been noticed or reported during the year.
- xi. According to the information and explanations given to us, we report that no managerial remuneration has been paid to any directors of the company during the year. Hence no approvals mandated by the provisions of section 197 read with Schedule V to the Companies Act was required.
- xii. The company is not a Nidhi Company. Therefore clause xii) of the order is not applicable to the company.
- xiii. According to the information and explanations given to us, all transactions with the related parties are in compliance with sections 177 and 188 of Companies Act, 2013 where applicable and the details have been disclosed in the Financial Statements etc. as required by the applicable accounting standards.
- xiv. The company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review.
- xv. The company has not entered into non-cash transactions with directors or persons connected with him.
- xvi. The company is registered under section 45-IA of the Reserve Bank of India Act, 1934 and all the provisions as per RBI guidelines have been duly complied with.
 - a) The company is engaged in the business of non-banking financial institution and has obtained a Certificate of Registration (CoR) from the Bank.
 - b) The company is holding CoR and is entitled to hold such CoR in terms of its assets/income pattern as on March 31 of the applicable year.
 - c) Based on the criteria set forth by the Bank in Company Circular No. DNBS.PD. CC No. 85 / 03.02.089 / 2006-07 dated December 6, 2006 for classification of NBFCs. The company is deemed to be classified as Loan Company (LC) by Circular No. DNBS.PD.CC No.128/03.02.059/2008-09 dated September 15, 2008. ANNEXURE 'B'

Report on Internal Financial Controls Over Financial Reporting

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting SAINIK FINANCE & INDUSTRIES LIMITED ("the Company") as of March 31, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

SAINIK FINANCE & INDUSTRIES LIMITED

2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

The business operation with respect to manufacturing of Portland Cement were discontinued in July, 2012 and the Plant machinery and equipment thereof were dismantled for sale etc. However the business operation with respect of Pre-stressed Poles continued till 2013 and thereafter the company decided the dispose off the factory building etc in entirety.

2. **Significant Accounting Policies**

A. **Basis of Accounting**

These financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on the accrual basis. The financial statements are prepared in accordance with the accounting standards notified by the Central Government, in terms of section 133 of the Companies Act, 2013 read with Rule 7 and guidelines issued by the Securities and Exchange Board of India (SEBI) and the guidelines issued by the Reserve Bank of India ('RBI') as applicable to a Non Banking Finance Company ('NBFC'). The accounting policies have been consistently applied by the Company and are consistent with those used in the previous year.

B. **Use of Estimates**

The preparation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of the financial statement and the reported amount of revenues and expenses during the reporting periods. Difference between the actual results and estimates are recognized in the period in which the results are known materialized.

C. **Revenue Recognition**

- i) The Company follows the practice of accounting for Income on accrual basis except dividend. In respect of loans and advances, interest is accrued on standard advances and on others are accounted on the basis of certainty of collection, and/or receipt basis.
- ii) Sales represent invoiced value of goods sold net of excise duty.
- iii) Lease Rentals are accounted for on accrual basis and full months rental is considered as income irrespective of the date on which the lease rentals fall due during the month. Further the company accounts for income arising out of leasing activities on the method recommended by the Institute of Chartered Accountants of India. For assets leased up to 31st March 2001, the lease income is recognised at an Internal Rate of Return (IRR) on the principal amount outstanding at the due date of the lease rental. An annual lease equalisation charge is computed by deducting from lease rentals the income derived at IRR, which is then compared with depreciation provided. The difference is adjusted through lease equalisation in lease adjustment account. No assets have been leased after 1-4-2001 and therefore the mandatory provisions under Accounting standard (A 8-9) in respect of leased assets after 1-4-2001 do not apply.
- iv) Hire Purchase Finance Charges/ Hypothecation charges/Loan Syndication Charges have been accounted for on instalment due basis based on Internal Rate of Return.

D. **Inventories**

- i) Raw Material, Packing Materials, Stores and spares, Finished goods, Semi-finished goods & Stocks in process are valued at cost or market price whichever is lower in accordance with valuation principles laid out in AS-2 issued by The Institute of Chartered Accountants of India.
- ii) Stock on Hire/ Hypothecation/ Loan Syndication Principal represents disbursed value of assets less capital repayments matured including un-matured finance/hypothecation/loan syndication charges

SAINIK FINANCE & INDUSTRIES LIMITED

NOTES ON FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2016

thereon as per IRR. The un-matured finance/hypothecation/loan syndication charges are reduced from stock on hire/hypothecation/loan syndication to reflect the net principal outstanding.

- iii) The securities acquired with the intention of short term holding and trading positions are considered as inventories and disclosed as current assets. The securities held as inventories under current assets are valued at lower of cost or market value as at 31st March, 2016 is considered as market value.

E. Fixed Assets & Depreciation

- i) Leased assets of the Company are valued at historical cost less depreciation and lease adjustment account
- ii) Other Fixed Assets are capitalized at cost inclusive of legal and/ or installation and incidental expenses, less accumulated depreciation.
- iii) The Company provides depreciation on straight line basis on the basis of useful lives of assets as specified in Schedule II to the Companies Act, 2013.
- iv) Depreciation on assets sold / purchased during the year is proportionately charged.

Impairment of Assets -

Impairment losses, if any, are recognized in accordance with the Accounting Standard. Where there is an indication that an asset is impaired, the recoverable amount, if any, is estimated and the impairment loss is recognized to the extent carrying amount exceeds recoverable amount and the same is charged to the Statement of Profit & Loss.

F. Earning per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

G. Taxes on Income

- i) Current Tax: Provision for current tax is made on the estimated taxable income at the rate applicable to the relevant assessment year.
- ii) Minimum Alternative Tax : In the event the income tax liability as per normal provisions of the Income Tax Act, 1961 is lower than the tax payable as per section 115J (Minimum Alternative Tax), tax is provided as per Section 115J.
