 - i) Telephone : Company will reimburse the expenses in connection with the telephone as per the rules of the company
 - j) Such other allowances, benefits, amenities, and facilities as per the Company's rules and policies.
4. Minimum Remuneration: Notwithstanding anything contained herein, where in any financial year, during the salary of the tenure of the appointee, the

company has no profits or its profits are inadequate, the company may, subject to the requisite approval, pay remuneration by way of salary, perquisites not exceeding the maximum limit laid down in Section II of Part II of Schedule V to the Companies Act, 2013, as may be agreed by the Board of Directors.

The terms and conditions of the said appointment and/or the Agreement are subject to provisions of Section 196, 197 and 198 of the Companies Act, 2013, read with Part II of Schedule V and may be altered, and varied from time to time by the Board of Directors as it may in its discretion deem fit within the maximum amount of remuneration payable in accordance with the applicable rules and regulations.

In Compliance with the provisions of the Companies Act, 2013 the appointment and the terms of remuneration specified above are now being placed before the Members in the Annual General Meeting for their approval. The Board recommends passing of the Ordinary Resolution in the best interest of the company.

Shri Pradeep Nijampurkar does not hold by himself or for any other person on a beneficial basis, any shares in the company.

The Board considers that it would be in the interest of the Company to appoint Shri Pradeep Nijampurkar as the Whole time Director of the Company. Except Shri Pradeep Nijampurkar, no other Director is interested in the proposed resolution.

ITEM NO 08:

The Articles of Association ("AOA") of the Company is presently in force since its incorporation of the Company i.e. 21.06.1989. The existing Articles of Association are in line with the erstwhile Companies Act, 1956, which are thus no longer in full conformity with the Companies Act, 2013 (New Act) is now largely in force and substantive sections of the Act which deal with the general working of Companies stand notified. With the coming into force of the Act several articles of the existing Articles of Association of the Company require alteration/deletions. Given this position it is expedient to wholly replace the existing Articles of Association by a new set of Articles.

It is thus expedient to adopt new set of Articles of Association (primarily based on Table F set out under the Companies Act, 2013), in place of existing Articles of Association of the Company instead of amending the Articles of Association by alteration/incorporation of provisions of the Companies Act, 2013. Hence the

Board Of Directors at its meeting held on 12th August, 2016 decided to adopt new set of Articles in place of existing Articles of Association of the Company and seek shareholder's approval for the same.

In terms of section 5 and 14 of the Companies Act, 2013, the consent of the members by way of special resolution is required for adoption of new Articles of Association of the Company.

Your approval is sought by voting via Postal Ballot/e-voting in terms of the provisions of inter-alia, Section 14 of the Companies Act, 2013 read with the Companies (Incorporation) Rules, 2014.

A copy of the proposed set of new Articles of Association of the Company would be available for inspection for the members at the registered office of the Company during the office hours or any working day.

None of the Directors and Key Managerial Personnel of Company and their relatives are concerned or interested in the said resolution.

ITEM NO 9:

As per the provisions of section 4 of the Companies Act, 2013, read with the Companies (Incorporation) Rules, 2014 the Memorandum of Association of the Company will no longer carry other objects Clause. However, existing Memorandum of Association of the Company carries other objects Clause. In order to comply with Section 4 of the Act, it is proposed to alter Memorandum of Association of the Company by deleting Clause C- OTHER OBJECTS and accordingly Memorandum of Association will no longer carry other objects.

The Act provides that resolution for amending Memorandum has to be done via Postal Ballot only. Hence your approval is sought by voting via Postal Ballot/e-voting in terms of the provisions of Section 13 of the Companies Act, 2013 read with the Companies (Incorporation) Rules, 2014.

A copy of the proposed set of new Memorandum of Association of the Company would be available for inspection for the members at the registered office of the Company during the office hours or any working day.

Directors' Report

(Including Management Discussion and Analysis)

Your Board of Directors are pleased to present 27th Annual report of the Company together with Audited Accounts for the year ended March 31, 2016.

ECONOMIC ENVIRONMENT

The advance estimate of real GDP growth released in February 2016 by the Central Statistical Organisation of the Government of India suggests a pick-up from 7.2% in the previous year to 7.6% for 2015-16 (henceforth FY2016). While still short of the 8% growth that India needs to achieve, on a steady state basis, this will be a creditable achievement given the muted global economic scenario. Indeed, there have been early signs of an up-tick in both consumer demand and the beginnings of much needed growth in investments. As of now, these are more in the nature of 'green shoots'. However, if the monsoons are as good as the preliminary meteorological forecast suggests — coming as it will after two consecutive years of drought across many parts of India — then the country ought to expect higher GDP growth in 2016-17.

INDUSTRY SCENERIO

India's economy showed gradual recovery in 2015-16. Fiscal deficit and inflation were under control. Public investment was up. Interest rates were reduced. But rural demand and private investment remained weak. The fall in global prices of oil and commodities benefited the economy and the automobile sector. However, the slowdown in the global economy led to weak export demand.

The automotive industry in general is cyclical and economic slowdowns in the recent past have affected the manufacturing sector including the automotive

and related industries in India. Persistence of negative economic trends or further deterioration in key economic factors such as growth rate, interest rates and inflation as well as reduced availability of financing for vehicles at competitive rates could materially and adversely affect the Company automotive sales in India and results of operations key for this year.

PERFORMANCE REVIEW

The Company achieved total turnover of Rs. 18455.48 lacs against Rs.15930.49 lacs in the previous year which is more than 15.85% . The Net Profit after tax was also increased to Rs.183.55 lacs against Rs 122.68 in the previous year. This achieved by expanding the customer base and also increasing its presence of export market.

TECHNOLOGY UPGRADATION

In order to maintain its leadership position, your Company is continuously focused on upgrading its product and manufacturing technology as well as acquire new and advanced technology to meet the emerging expectations of the customers. The R&D staff is actively involved in the development of new, cutting-edge products together with developments in new materials as well as advanced manufacturing techniques. The in-house R&D plays a major role in providing the interface between the company priorities and the adoption of the collaborators technology.

OUTLOOK

The Indian automotive industry is affected materially by the general economic conditions in India and around the world. Muted industrial growth in India during FY 2015-16 along with continuing higher inflation and interest rates continue to pose risks to overall growth in this market. The automotive industry in general is cyclical and economic slowdowns in the recent past have affected the manufacturing sector including the automotive and related industries in India. Persistence of negative economic trends or further deterioration in key economic factors such as growth rate, interest rates and inflation as well as reduced availability of financing for vehicles at competitive rates could materially and adversely affect the Company automotive sales in India and results of operations key for this year.

Your company has advantage of having strong brand value, large network, widely spread product range, strong partners and collaborators relationship. It is fully prepared to meet the challenge of competition leveraging its competitive strengths of network quality, technology, product range and brand value.

RISK AND AREA OF CONCERN:

Your company is exposed to various business risks. These risks are driven through external factors like economic environment, competition, regulations etc. Cost & Quality are critical success factors in current business environment. Risk of losing market share/ ability to maintain high share or losing business share with key accounts are rooted on these factors.

The Company has laid down a well defined risk management mechanism covering the risk mapping and trend analysis, risk exposure, potential impact and risk mitigation process. A detailed exercise is being carried out to identify, evaluate, manage and monitor and non-business risks. The Audit Committee and Board periodically review the risks and suggest steps to be taken to manage/mitigate the same through a properly defined framework.

During the year, a risk analysis and assessment was conducted and no major risks were noticed, which may threaten the existence of the Company.

OPPORTUNITIES AND THREATS

Your Company has growth opportunities in industrial and automotive division's specially commercial vehicle divisions. Your Company has strategies in place to tap the potential. However the new entrants and aggressive expansion plan of existing competitors are biggest challenge. The competitive price, network strategy, technology & product quality are critical to our success. Your company has advantage of having strong brand value, large network, widely spread product range, strong partners and collaborators relationship. It is fully prepared to meet the challenge of competition leveraging its competitive strengths of network quality, technology, product range and brand value. With increasing awareness and education of the Indian customer, a range of non-vehicular products and services like spares, after sales, annual maintenance contracts etc are also gaining popularity in demand. India has emerged as a major hub for global manufacturing with its advantage of lower input costs, availability of local supplier base and high domestic demand.

In addition to the above, the Company also has the advantage of a strong in-house design and development facility and professionals. The Company is focusing on increasing its global presence, as an effective hedge against domestic downturn as well as a growth opportunity.

The automotive industry, and the demand for automobiles, is influenced by general economic conditions, including among other things, rates of economic growth, availability of credit, disposable income of consumers, interest rates, environmental and tax policies, safety regulations, freight rates and fuel and commodity prices. Negative trends in any of these factors impacting the regions where the Company operates could materially and adversely affect our business, results of operations and financial condition. The Indian automotive industry is affected materially by the general economic conditions in India and around the world. The progress of the economy also depends on the political situation around the world.

The automotive industry in general is cyclical and economic slowdowns in the recent past have affected the manufacturing sector including the automotive and related industries in India.

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members,
Akar Tools Limited,

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Akar Tools Limited. (hereinafter called the company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Akar Tools Limited's books, papers, minute books, forms and returns filed and other records maintained by the company and also the

information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, We hereby report that in our opinion, the company has, during the audit period covering the financial year ended on 31st March, 2016 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books,

forms and returns filed and other records maintained by Akar Tools Limited ("the Company") for the financial year ended on 31st March, 2016 according to the provisions of:

1. The Companies Act, 2013 (the Act) and the rules made thereunder;

Independent Auditor's Report

TO THE MEMBERS OF **AKAR TOOLS LTD.**

Report on the Standalone Financial Statements

1. We have audited the accompanying financial statements of Akar Tools Limited, ("the Company"), which comprise the Balance Sheet as at 31st March 2016, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements, that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act; safeguarding the assets of the Company; preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

3. Our responsibility is to express an opinion on these standalone financial statements based on our Audit.

4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the

Rules made thereunder.

5. We conducted our audit in accordance with the Standards of Auditing specified under section 143(10) of the Act and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India. Those Standards and pronouncements require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial controls relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.
7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2016, and its profit and its cash flows for the year ended on that date.

ANNEXURE 1 referred to in paragraph 1 under heading “Report on other legal and regulatory requirements” of our report of even date

Re: AKAR TOOLS LIMITED (“the Company”)

Based on the audit procedures performed for the purpose of reporting a true and fair view on the financial statements of the Company and taking into consideration the information and explanations given to us and the books of account and other records examined by us in the normal course of audit, we report that:

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
 - (b) The Company has a regular program of physical verification of its fixed assets under which fixed assets are verified in a phased manner during the year, which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
 - (c) Based on our audit procedure performed for the purpose of reporting the true and fair view of the financial statements and according to information and explanations given by the management, the title deeds of immovable properties are held in the name of the company except in case of merged unit’s lease hold land costing Rs. 0.32 lacs which is yet not transferred in the name of the company in the records of M.I.D.C. for which the Company is in the process of getting it registered in its name.
- (ii) The management has conducted physical verification of inventory at reasonable intervals during the year, Inventories lying with third parties have been confirmed by them as at March 31, 2016 and no material discrepancies were noticed on such physical verification.
 - (iii) The Company has not granted any loan, secured or unsecured to companies, firms, Limited Liability Partnerships (LLPs) or other parties covered in the register maintained under Section 189 of the Act. Accordingly, the provisions of clauses 3(ii)(a) and 3(iii)(b) and 3(iii)(c) of the Order are not applicable.
- (iv) In our opinion and according to the information and explanations given to us, the provisions of sections 185 and 186 of the Act in respect of loans and advances given, investments made and guarantees, and securities given to parties covered under the respective sections have been complied with by the company.
 - (v) The Company has not accepted any deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). accordingly, the provisions of clause 3(v) of the Order are not applicable.
 - (vi) We have broadly reviewed the books of account maintained by the Company pursuant to the Rules made by the Central Government for the maintenance of cost records under sub-section (1) of Section 148 of the Act in respect of company’s products and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
 - (vii) (a) The Company is regular in depositing undisputed statutory dues including provident fund, employees’ state insurance, income tax, sales tax, wealth tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues, as applicable, with the appropriate authorities except Rs. 6.42 Lacs which is outstanding as on 31st March 2016 on account of dividend Distribution Tax. Except as above, there were no arrears of undisputed outstanding statutory dues as at the year-end for a period of more than six months from the date they become payable.

- (b) The dues outstanding in respect of income-tax, sales-tax, wealth tax, service tax, duty of customs, duty of excise, value added tax and cess on account of any dispute, the amount involved and the forum where disputes are as follows :-

Statute	Nature of Dues	Amount (Rs. in lakhs)	Amount paid under Protest (Rs in Lakhs)	Period to which the amount relates	Forum where dispute is pending

Annexure 2 to the Independent Auditor's Report of even date on the Standalone Financial Statements of Akar Tools Limited

Report on the Internal Financial Controls under Clause(i) of Sub Section 3 of Section 143 of the Companies Act, 2013 ("the Act")

TO THE MEMBERS OF **AKAR TOOLS LTD.**

We have audited the internal financial controls over financial reporting of Akar Tools Limited ("the Company") as of March, 31st 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of internal Financial Controls over Financial Reporting issued by the institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal

financial controls and, both issued by the institute of Chartered Accountants of India. Those standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies

and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may

become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31,2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of internal Financial controls over Financial Reporting issued by the institute of Chartered Accountants of India.

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short-term investments in fixed deposits with an original maturity of three months or less.

2.5 Depreciation and amortisation

Depreciation for the year, has been provided for as per notification of Schedule II to the Companies Act,2013 with effect from 1st April,2014 considering the carrying value of assets, net of residual value for their respective remaining useful life.

2.6 Revenue Recognition

Sale of Goods

Sales are recognised, net of return and trade discounts, on transfer of significant risks and rewards of ownership to the buyer which generally coincides with the delivery of goods to customers. Sales exclude excise duty, sales tax and value added tax.

2.7 Other Income

Interest income is accounted on accrual basis. Dividend income is accounted for when the right to receive is established.

Notes to financial statements for the year ended 31st March 2016

2.8 Tangible Fixed Assets

Fixed Assets are stated at cost net of cenvat credit less accumulated depreciation, cost of acquisition is inclusive of freight, duties, levies and all incidental expenditure attributable to bringing the asset to its working condition for its intended use. Borrowing costs relating to acquisition of fixed assets which takes substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to be put to use.

Capital Work In progress

Projects under which assets are not ready for their intended use and other capital work-in progress are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

2.9 Foreign currency transactions and translations

Initial recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Conversion

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction; and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

Exchange differences

Exchange differences arising on the settlement of monetary items or on restatement of the Company's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise.

Accounting of forward contracts

The company also uses foreign exchange forward contracts to hedge its exposure to movements in foreign exchange rates. The premium or discount arising at the inception of such forward exchange contracts is amortised as expense or income over the life of the contract. Exchange differences on such a contract are recognised in the statement of profit and loss in the reporting period in which the exchange rates change. Any profit or loss arising on cancellation or renewal of such a forward exchange contract is recognized as income or as expense in the period in which same is cancelled or rolled over.

2.10 Export benefits/incentives

Revenue in respect of duty draw back and other benefits under various incentive schemes on account of exports are recognized when these benefits are established and accordingly are considered on accrual basis as operating revenue.

2.11 Investments

Investments that are readily realizable and intended to be held for not more than one year are classified as current investments; all other investments are classified as long term investments. Long term investments are carried at cost less provision (if any) for decline in value which is other than temporary in nature. Current investments are carried at lower of cost and fair market value.

Notes to financial statements for the year ended 31st March 2016

2.12 Employees benefits

The Company's Contribution to provident fund is considered as defined contribution and is charged as an expense as they fall due based on the amount on contribution required to be made.

Provision for Retirement Benefits- Liabilities in respect of Retirement Benefits to employees are accounted for on actual payment basis.

No provision is being made for Liabilities on actuarial valuation as required by Accounting Standard AS15.

2.13 Borrowing Costs

Borrowing costs that are directly attributable to the acquisition, construction or production of qualifying asset are capitalized as part of the cost of that asset. Other borrowing costs are recognized as an expense in the period in which they are incurred. Capitalization of borrowing costs ceases when substantially all the activities necessary to prepare the qualifying assets for its intended use are complete.

2.14 Segment Reporting

The company is engaged in manufacturing of automotive components such as hand tools and commercial automotive forgings; and leaf springs business which, as per Accounting Standard 17 (AS-17) Segment Reporting issued by the Institute of Chartered Accountants of India, are considered as the reportable business segments of the company.

2.15 Leases

Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor are recognised as operating lease. Lease rentals under operating leases are recognised in the Statement of Profit and Loss on a Straight-Line Basis.

2.16 Earnings per share

Basis earnings per share is computed by dividing the profit/(loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit/(loss) after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits/reverse share splits and bonus shares, as appropriate.

2.17 Taxes on Income

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961. Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company. Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantially enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets in

Notes to financial statements for the year ended 31st March 2016

respect of unabsorbed depreciation and carry forward of losses are recognised only if there is virtual certainty that there will be sufficient future taxable income available to realise such assets. Deferred tax assets are recognised for timing differences of other items only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each Balance Sheet date for their realisability.

Current and deferred tax relating to items directly recognised in equity are recognised in equity and not in the Statement of Profit and Loss.

2.18 Research and development expenses

Revenue expenditure pertaining to research is charged to the Statement of Profit and Loss. Development costs of products are also charged to the Statement of Profit and Loss unless a product's technological feasibility has been established, in which case such expenditure is capitalised. The amount capitalised comprises expenditure that can be directly attributed or allocated on a reasonable and consistent basis to creating, producing and making the asset ready for its intended use. Fixed assets utilised for research and development are capitalised and depreciated in accordance with the policies stated for Tangible Fixed Assets and Intangible Assets.

2.19 Impairment of assets

The carrying values of assets / cash generating units at each Balance Sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, except in case of revalued assets.

2.20 Provisions and contingencies

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (including retirement benefits) are not discounted to their present value and are determined based on the actual settlement of the obligation at the Balance Sheet date. Contingent liabilities are disclosed in the Notes.

2.21 Hedge accounting

The Company uses foreign currency forward contracts to hedge its risks associated with foreign currency fluctuations relating to highly probable forecast transactions. The Company designates such forward contracts in a cash flow hedging relationship by applying the hedge accounting principles set out in "Accounting Standard 30 Financial Instruments: Recognition and Measurement". These forward contracts are stated at fair value at each reporting date. Changes in the fair value of these forward contracts that are designated and effective as hedges of future cash flows are recognised directly in "Hedging reserve account" under Reserves and surplus, net of applicable deferred income taxes and the ineffective portion is recognised immediately in the Statement of Profit and Loss. Amounts accumulated in the "Hedging reserve account" are reclassified to the Statement of Profit and Loss in the same periods during which the forecasted transaction affects profit and loss. Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated, or exercised, or no longer qualifies for hedge accounting. For forecasted transactions, any cumulative gain or loss on the hedging instrument recognised in "Hedging reserve account" is retained until the forecasted transaction occurs. If the forecasted transaction is no longer expected to occur, the net cumulative gain or loss recognised in "Hedging reserve account" is immediately

Notes to financial statements for the year ended 31st March 2016

transferred to the Statement of Profit and Loss.

2.22 Derivative contracts

The Company enters into derivative contracts in the nature of foreign currency swaps, currency options, forward contracts with an intention to hedge its existing assets and liabilities, firm commitments and highly probable transactions. Derivative contracts which are closely linked to the existing assets and liabilities are accounted as per the policy stated for Foreign Currency Transactions and Translations. Derivative contracts designated as a hedging instrument for highly probable forecast transactions are accounted as per the policy stated for Hedge Accounting. All other derivative contracts are marked-to-market and losses are recognised in the Statement of Profit and Loss. Gains arising on the same are not recognised, until realised, on grounds of prudence.

2.23 Insurance claims

Insurance claims are accounted for on the basis of claims admitted / expected to be admitted and to the extent that there is no uncertainty in receiving the claims.
