The revised Schedule VI has a significant impact on the presentation and disclosure made in the financial statements. The company has also reclassified the previous year figures in accordance with the requirements applicable in the current year.

ii. Fixed Assets

Fixed Assets are stated at cost, less accumulated depreciation and impairment loss if any. All costs which are incidental to the acquisition/installation of the fixed assets are capitalized.

- a. **Intangible Assets:** Intangible assets are stated at cost of acquisition less accumulated amortization and accumulated impairment, if any. - b. **Depreciation:** Depreciation on fixed assets is provided on straight line method at the rates and in the manner as specified in Schedule XIV of the Companies Act, 1956.

iii. Impairment of Assets

The company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the company estimates the recoverable amount of the asset. If such recoverable amount of the asset is less than the carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the Statement of Profit and Loss. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciable historical cost.

vii. Taxation

Provision for current tax is made on the basis of tax payable in respect of taxable income for the period in accordance with the provisions of the Income Tax Act, 1961. The deferred tax is calculated for timing difference between the book profit and tax profit for the year which is accounted for using the tax rates and tax laws that have been enacted or substantively enacted as at the Balance Sheet date. Deferred Tax Asset arising from the timing difference is recognized to the extent that there is virtual certainty that the asset will be realized in future.

viii. Provisions, Contingent Liabilities and Contingent Assets
