MANAGEMENT DISCUSSION AND ANALYSIS REPORT

[Pursuant to Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, a Management Discussion And Analysis Report is given below:]

ECONOMY:

Indian economy grew at a healthy rate of 7.1% during FY 2016-17 despite demonetisation. The pace of growth, however, did slow down as compared to the growth of past three years. Lower growth rate attributable to the decline in investment on account of stressed balance sheets in the corporate sector and moderate growth in industrial sector. Amongst other factors, India's future outlook will be majorly impacted by introduction of Goods & Services Tax (GST) and demonetisation. GST is expected to create a common Indian market, improve tax compliance, boost investment & growth and improve governance. Demonetisation has had short-term costs in form of slow growth but holds potential for eventually leading to higher GDP growth, better tax compliance and greater tax revenues.

INDUSTRY HIGHLIGHTS:

In view of convenience and escalating purchasing power accompanied with continuous & constant ample advertising & marketing, the demand of soaps & detergents has increased substantially.

There is a good scope of penetrating rural markets besides urban markets at a national level. In the long run, its growth will not be affected by adverse factors like recession or inflation.

OPERATIONS:

The turnover of the Company was down to Rs. 1367.66 Lakhs compared to Rs. 1565.70 Lakhs during the previous year. The same resulted in increase in Net loss to Rs. 60.28 Lakhs compared to Net loss of Rs. 58.64 Lakhs during the previous year.

OPPORTUNITIES:

- (A) Due to awareness of an average citizen, with reference to CLEAN INDIA, demand of detergent may increase having multiplying effect.
- (B) There is a potentiality for an International market along with timely availability of the products at an affordable economic price.
- (C) The ultimate users may be approached via e-commerce & reputed retail chain of the Bazaars like Star Bazaar, D Mart, Big Bazaar etc.
- (D) Public at large has been more alert about health & hygiene.

THREATS:

- (A) To create Company's Brand loyalty is a costly affair by means of a very aggressive marketing in all Medias like TV Advertisements, slide shows, hoardings etc.
- (B) An average customer is too price sensitive & may leave Company's brand for a marginally costly product compared to a competitor just because of heavy dose of marketing cost.

“Annexure B” to Independent Auditors' Report

[Referred to in paragraph number 2 (f) under the “Report on other legal and regulatory requirements” of the Independent Auditors' Report of even date to the members of Hipolin Limited on the financial statements for the year ended 31st March, 2017]

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the Internal Financial Controls over Financial Reporting of Hipolin Limited (“the Company”) as of 31st March, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's Internal Financial Controls over Financial Reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing as specified under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

ANNUAL REPORT 2016-2017

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- 1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- 2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and Directors of the company; and
- 3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
