The people deducting Tax has to necessarily file quarterly e-TDS/TCS statements in paper form/ soft copies, which are accepted by your company's TIN Facilitation Centers and are uploaded at the TIN central system. All the TIN centers of your company also receive applications for allotment of new TAN (Form 49B) and Request for Changes or Correction in TAN data.

Annual Information Return (AIR)

To keep a watch on high value transactions undertaken by the taxpayer, the Income-tax Law has framed the concept of statement of financial transaction or reportable account (previously called as 'Annual Information Return (AIR). Your company receives statement of financial transaction or reportable account from filers and uploads them to the TIN central system.

2. Aadhaar

AADHAAR is a twelve digit Unique Identification Number, an integral & universal proof of one's identity facilitating Indian residents to prove their credentials. It has become a practical necessity in all domains of life. Although 1140 million people have received Aadhaar till date yet scope of its business remains intact in view of the fact that on average 15 to 20 million population increases in India every year and that is keeping the boom of new enrolments built up. Addition of new states such as Odisha, West Bengal, North Eastern states viz. Seven Pearls with combined untapped population of around 80 million has further substantiated the potential of new enrolments. In addition to it the

potential of Aadhaar diversified activities such as corrections/updates/e-Aadhaar, Aadhaar seeding and Aadhaar PVC Card version has increased by multi folds with addition of the existing 1140 million Aadhaar card holders. To maximize encashment of the potential, your company has devised a new strategy to entail enhanced patronage by conducting camps in corporate offices, large business houses and hospitals etc. Your company has organized more than 1250 camps throughout the country in 2016-17 and this year the target is to organize more than 3000 camps. Your company is also undertaking enrolment of old, sick, infirm and bedridden people covering an extra mile which has yielded enhanced respect and reputation for your company. Your company is also intending to appoint sub AUA this year and grab new business for seeding. Your company has established a strong niche and has become a household name synonymous with UID. It has in fact become a strong brand. Thus UID is an evergreen product your company can continue to service for years and years. Your company at present is operating more than 400 PECs. In FY 2017-18 we have planned to establish 700 exclusive PECs/AKs targeting 25 lac enrolments including 18.50 lac fresh enrolments and 6.5 lac updations i.e., 50% increase over the previous year.

PVC Aadhaar card

PVC or Plastic Aadhaar Card is a printed form of Aadhaar details on a plastic sheet that serves/works/values same as the copy of original Aadhaar Card, which is easy to carry, maintain and also acts as an identity card. The initial Aadhaar numbers were printed on a thin sheet of laminated paper with a Government Logo and the respective Aadhaar number printed on it. With an objective of exploring various ways to increase the durability of the Aadhaar card with additional security features and minimal cost.

PVC Aadhaar Card is strong, durable and can remain intact over a long period of time. The card is machine readable and Bar Coding friendly. It is essentially water proof and the chances of the card getting spoilt are minimal. The card is easy to carry as it can be stored in the wallet or pocket. Datacard SD360 printer is available to provide an instant solution to the printing needs. The card printer delivers outstanding print quality, easy operation and efficiency in a small footprint.

Over 114 Crore Aadhaar have been issued till date of which <1% have been converted into PVC Card form. Thus, the market potential is huge. PVC Card printing at Alankit has grown leaps and bounds with over 10 Lakh PVC Cards printed in FY2016-17 up from 4 Lakh cards printed in FY2015-16, a growth of 150% depicting the pace with which the product is growing. Your company is working vigorously for creating a robust IT infrastructure as per GSTN specification. Your company is also roping in multiple ASPs, who are developing their IT systems to cater to the needs of various business segments such as Small & Medium, Big Corporates, Traders etc.

We are of the view that due to GOI thrust on digital payments, ceiling on cash payments/receipts and cap on cash expenditure to be incurred for claiming under Income Tax, and implementation of GST, all the informal/unorganized business will come under formal structure and due to this the present number of registered dealers which are approximately 8 million at present may increase to many fold in due course, which will create huge business potential for GSPs.

Management is of the view that this business line is going to be game changer for your company and in near future prove to be one of the robust profit centre for your company.

BUSINESS OUTLOOK

We have developed a rich experience in providing e-governance, in line with the Company's ultimate goal. The Company regularly focuses on increasing productivity, cut expenses and profitable lines of business. The Company has to use its resources optimally and work persistently.

Our transformative journey from financial to e-governance and Direct tax to indirect tax compliances has laid down the foundation for long-term sustainable growth of the Company. Our recent development as GST Suvidha Provider (GSP) would prove more profitable sector for the Company.

“GO GREEN” -- PROTECTING THE ENVIRONMENT

Alankit Limited being a technology driven organization, we are significantly less polluting and minimal greenhouse gases emitter in comparison to the manufacturing, plating companies and foundries using gas, coal, acids, reacting agents and chemicals in abundance. Our aim is to follow the green technology and make our world eco friendly simultaneously contributing our humble best to the global economy. We are making consistent efforts in our continued Endeavor to adopt the most innovative methods reducing the scope of carbon emission and wastage to the maximum extent.

By providing most of the services under one roof at one location such as TIN, PAN, AADHAAR, NPS, Banking etc. usually termed as **Alankit Common Service Centers** located throughout the length and breadth of the country have drastically curtailed the need for travel to different locations for the customers to avail these services thus saving enormous emission of greenhouse gases produced on travelling by any mechanized mode of transport. All Alankit regional offices across the country are equipped with Video Conferencing facility. Important business interactions, meetings and training programs are conducted through video conference thus saving thousands of miles of travel annually and keep our Eco system Green.

Similarly through digitalization, usage of paper and printing has been reduced to a large extent. We are still working to reduce the paper and prints usage further so that carbon emission on printing and slicing of trees can be drastically reduced. Switching over to use of LED lights, using five star rated electrical equipments, silent generators, keeping the offices clean reducing the collection of trash and rubbish, putting up of sun and shade plant pots in and outside the office premises are some of the measures, we have adopted to ensure people can breathe fresh and non-polluted air and enjoy happy and healthy life on this beautiful planet as a bit of our contribution to the society.

The **Ecological Balance** and **Eco GreenSystem** are as important at Alankit as the business is to any commercial organization. **Go Green** is not merely a slogan but an integral part of **Alankit culture** and **Healthy Business** strategy.

Regular annual meets are conducted to foster relationship with them at every level in the organization and encourage them to express their views and share their ideas to bring about improvements in the organization towards the achievement of the common goal described in our vision.

RISK MANAGEMENT

Your Company Alankit Limited has a well laid down Risk Management System. Risk identification is the process of determining risks that could potentially prevent the program, enterprise, or investment from achieving its objectives. It includes documenting and communicating the concern.

Fundamental Steps of Risk Management

The objective of risk identification is the early and continuous identification of events that, if they occur, will have negative impacts on the project's ability to achieve performance or capability outcome goals. They may come from within the project or from external sources.

There are multiple types of risk assessments, including program risk assessments, risk assessments to support an investment decision, analysis of alternatives and assessments of operational or cost uncertainty. Risk identification needs to match the type of assessment required to support risk-informed decision making. For an acquisition program, the first step is to identify the program goals and objectives, thus fostering a common understanding across the team of what is needed for program success. This gives context and bounds the scope by which risks are identified and assessed.

Identifying Risks in the Systems Engineering Program

There are multiple sources of risk. For risk identification, the project team should review the program scope, cost estimates, schedule (to include evaluation of the critical path), technical maturity, key performance parameters, performance challenges, stakeholder expectations vs. current plan, external and internal dependencies, implementation challenges, integration, interoperability, supportability, supply-chain vulnerabilities, ability to handle threats, cost deviations, test event expectations, safety, security, and more. In addition, historical data from similar projects, stakeholder interviews, and risk lists provide valuable insight into areas for consideration of risk.

Risk identification is an iterative process. As the program progresses, more information will be gained about the program (e.g., specific design), and the risk statement will be adjusted to reflect the current understanding. New risks will be identified as the project progresses through the life cycle.

Monitoring also determines whether:

1. The PRMT is performing, periodic risk review and updating.
2. Risk management policies and procedures are being followed.
3. The remaining contingency reserves forecast and schedule are adequate.

And it may involve recommending:

1. Alternative risk responses.
2. Implementing a contingency plan.
3. Taking corrective actions.
4. Changing the project objectives.

The review tasks of the PRMT include the following:

1. Identify, analyze, and plan response actions for newly arising risks and add them to the risk register.
2. Review the execution of risk response actions and evaluate their effectiveness.
3. Re-assess existing risks, verify that the assumptions are still valid and modify the previous assessments as necessary.
4. Assign additional risk response actions to the Risk Owner.
5. Retire risks whose ability to impact the project has elapsed or whose residual Impact on the project is deemed to have reached an acceptable level.

Inputs to Risk Monitoring and Control

1. Risk management plan.
2. Risk Register Contains outputs of the other processes:
Identified risks & owners, risk responses, triggers and warning signs
3. Approved Change Request.
Approved changes include modifications such as to scope, schedule, method of work or contract terms. This may often require new risk analysis to consider impact on existing plan and identifying new risks and corresponding responses.
4. Work Performance Information.
Project status and performance reports are necessary for risk monitoring and control of risks.

Risk audits.

Audit Process includes:

- 1) Examine and document the effectiveness of the risk response planning in controlling risk and the effectiveness of the risk owner.
- 2) Tools and Techniques for Risk Monitoring & Control.
- 3) Variance and Trend Analysis Used for monitoring overall project cost & Schedule performance against a baseline plan. Significant deviations indicate that updated risk identification and analysis should be performed. Technical performance measurement.
- 4) Reserve Analysis As execution progresses: Some risk events may happen with positive or negative impact on cost or schedule contingency reserves. Reserve analysis compares available reserves with amount of risk remaining at the time and determines whether reserves are sufficient
- 5) Status meetings: Risk management can be addressed regularly by including the subject in project meetings.

INTERNAL CONTROLS

Internal controls encompass the plan of organization and all of the coordinate methods adopted within a business to safeguard its assets, check the accuracy and reliability of its accounting data, promote operational efficiency and encourage adherence to prescribed managerial policies. This definition recognizes that a system of internal control extends beyond those matters which relate directly to the functions of the accounting and financial departments.

Simply put, internal controls are anything we do to help us achieve our objectives. They are the policies, procedures, practices and organizational structures implemented in order to:

- ▶ Protect the Company's assets (including the Company's reputation);

- ▶ Ensure records are accurate;
- ▶ Promote operational efficiency; and
- ▶ Encourage adherence to policies and procedures.

If controls are strong enough, we can be sure that errors and irregularities will always be detected. Internal controls provide reasonable, but not absolute, assurance that the organization's objectives will be achieved.

Last but not least, your company is implementing all modern appliances to regulate all kinds of current threats to assure proper IT infrastructure in place.

STANDALONE INDEPENDENT AUDITORS' REPORT

To,
The members of
ALANKIT LIMITED

Report on the Standalone Ind AS Financial Statements

We have audited the accompanying standalone Ind AS financial statements of **ALANKIT LIMITED** ("the company"), which comprise the Balance Sheet as at 31st March 2017, the Statement of Profit and Loss (including other comprehensive income), the Statement of Cash Flows and the Statement of Change in Equity for the year then ended and a summary of significant accounting policies and other explanatory information (hereinafter referred to as 'standalone Ind AS financial statements')

Management's Responsibility for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribes under Section 133 of the Act, read with relevant rules issued thereunder.

This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Annexure 2 to the Auditor's Report

Report on the Internal Financial Controls under Clause (i) of subsection 3 of Section 143 of the Companies act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of Alankit Limited ("the Company") as of March 31, 2017 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by The Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree

of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance note on Audit of Internal Financial Controls Over Financial Reporting by The Institute of Chartered Accountants of India.

ACCOMPANYING NOTES TO THE FINANCIAL STATEMENTS

Notes Forming part of the Financial Statements

1. CORPORATE INFORMATION

Alankit Ltd. ('the Company') is primarily engaged in e-Governance services and e-Governance products trading and ancillary services related to e-Governance business.

The Company is a public limited company incorporated and domiciled in India and has its registered office in New Delhi, India & previously known as "Euro Finmart Limited". The Company has its primary listings on the Bombay Stock Exchange Limited and National Stock Exchange of India Limited.

2. SIGNIFICANT ACCOUNTING POLICIES

i. Statement of Compliance

In accordance with the notification issued by the Ministry of Corporate Affairs, the Company has adopted Indian Accounting Standards (referred to as "Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 with effect from April 1, 2016. Previous periods have been restated to Ind AS. In accordance with Ind AS 101 First time adoption of Indian Accounting Standards, the company has presented a reconciliation from the presentation of Financial Statements under Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 ("Previous GAAP") to Ind AS of shareholders' equity as at March 31, 2016 & April 1, 2015 & of the Comprehensive net Income for the year ended March 31, 2016.

These financial statements have been prepared in accordance with Ind AS as notified under the Companies (Indian Accounting Standards) Rules 2015 read with Sec 133 of Companies Act, 2013.

ii. Basis of Preparation of Financial Statements

These financial statements have been prepared on the historical cost basis, except for certain financial instruments which are measured at fair values at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange of goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

iii. Use of Estimates and Judgments

The preparation of these financial statements in conformity with Ind AS and the recognition of measurement principles of Ind AS requires the management of the Company to make estimates and assumptions that affect the reported balances of assets & liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income & expense for the periods presented.

Estimates and underlying assumptions are reviewed on the ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and future periods are affected.

Critical Accounting Estimates:

a) Impairment of Goodwill:

The Company estimate the value in use of the cash generating unit (CGU) based on the future cashflows after considering current economic conditions and trends, estimated future operating results and growth rate and anticipated future economic and regulatory conditions. The estimated cashflows are developed using internal forecasts.

b) Useful lives of property, plant and equipment

The Company reviews the useful life of property, plant and equipment at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

c) Valuation of deferred tax assets:

The Company reviews the carrying amount of deferred tax assets at the end of each reporting period. The policy for the same has been explained under note 2(ix).

iv. Revenue Recognition

- a. The company derives revenue primarily from providing e-Governance services and from sale of e-Governance products on accrual basis except otherwise stated herein below.
- b. Revenue from sale of goods/ products are recognized in accordance with Ind AS 18 viz, when the seller has transferred goods to the buyer, the property in the goods for a price and/or significant risk & rewards of

ownership have been transferred to the buyer, and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sales of good and regarding its collection.

- c. Revenue from services is recognized on rendering of services to the customers based on contractual arrangements.
- d. Revenue from Aadhaar generation service is recognized at the time when enrollment process completed and significant certainty regarding amount of consideration and its collection has been ensured i.e. after reconciliation of Aadhaar generation data as per company records with the data provided by UIDAI.
- e. Revenue from Storage of few e-governance physical documents is recognized when reasonable and significant certainty exists regarding the amount of the consideration and its collection.
- f. Dividend Income is recognized when the right to receive dividend is established by the reporting date.
- g. Interest Income is recognized using the effective interest method.
- h. The Company presents revenue net of value-added taxes and service tax in its Statement of Profit & Loss.

v. Property plant and equipment

Property plant and equipment are stated at cost, less accumulate depreciation (other than freehold land) and impairment loss, if any.

Depreciation is provided for property, plant & equipment so as to expense the cost over their estimated useful lives based on a technical evaluation. The estimated useful lives and residual value are reviewed at the end of each reporting period, with the effects of any change in estimate accounted for on a prospective basis.

The estimated useful lives are as mentioned below:-

Type of asset	Rate of Depreciation	Useful life (Year)
Buildings Factory	9.50%	30
Office Building	9.50%	60
Plant & Machinery	18.10%	15
Office Equipment	45.07%	5
Furniture and Fixture	25.89%	10
Computers	63.16%	3
Vehicle	31.23%	8

vi. Intangible assets

Intangible assets are stated at cost less accumulated amortization and impairment. Intangible assets are amortized over their respective individual estimated useful lives (mentioned Below) on Straight Line Method basis, commencing from the date the asset is available to the company, further amortization is done on a pro rata basis i.e. form the date on which the intangible asset is acquired. Amortization methods and useful lives are reviewed periodically including at each financial year end.

vii. Impairment of Assets

The carrying amount of assets are reviewed at each balance sheet date, if there is any indication of impairment based on internal/external factors, an impairment loss is recognized wherever the carrying amount of assets exceeds its recoverable amount.

viii. Inventories

Inventories are valued at lower of Cost or Net realizable value as per the requirements of Ind AS- 2 "Valuation of Inventory"

ix. Income Taxes

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year Income tax expense is recognized in net profit in the Statement of Profit and Loss except to the extent that it relates to items recognized directly in equity, in which case, it is recognized in other comprehensive income.

Current income tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date.

Advance Taxes and provisions for current income taxes are presented in the Balance Sheet after off-setting advance tax paid and income tax provision arising in the same jurisdiction and where the relevant tax paying units intends to settle the asset and liability on a net basis.

Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and the carrying amounts in the financial statements. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized. Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognised as income or expense in the period that includes the enactment or the substantive enactment date. A deferred income tax asset is recognised to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized. The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognised amounts and where it intends to settle on a net basis or to realize the asset and settle the liability simultaneously.

Deferred tax assets include Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. Accordingly, MAT recognized as deferred asset in the Balance Sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with the asset will be realized.

x. Provision, Contingent Liabilities and Contingent Assets

Provision is recognized when the company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provision (excluding retirement benefits and compensated absences) are not discounted to its present value and are determined based on best estimates. Contingent liabilities are not recognized in the financial statements. Contingent assets neither recognized nor disclosed in financial statements.

xi. Employee Benefits

i. Short Term employee benefits

Short term employee benefits settled within twelve months of receiving employee services such as salary/wages/bonus and ex gratia are recognized as an expense at the undiscounted amount in the Statement of Profit and Loss of the year in which the related service is rendered by employees.

ii. Post-employment benefits

a. Provident and family pension fund

The eligible employees of the Company are entitled to receive post-employment benefits in respect of provident and family fund in which both the employee and the Company make monthly contributions at a specified percentage of the covered employee's salary. Both employee's and Company's contributions are made to Regional Provident Fund Commissioner (RPFC) and the employer's contributions are charged to the Statement of profit and loss as incurred.

b. Gratuity

The Company has an obligation towards gratuity, a defined retirement plan, covering eligible employees. The plan provides a lump sum payment to vested employees at retirement, death, and incapacitation or on termination of employment of an amount based on the respective employees' salary and the tenure of employment with the Company. Liabilities with regard to the Gratuity Plan are determined by actuarial valuation, performed by an independent actuary, at each balance sheet date using the projected unit credit method. Actuarial gains and losses for the gratuity liability are recognized full in the period in which they occur through other comprehensive income.

xii. Earning per Equity Share

Basic earnings per equity share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculation of Diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted number of equity shares outstanding during the period are adjusted for the effects of all potentially dilutive equity shares.

xiii. Foreign Currency Transactions

The functional currency of the company is Indian rupee.

Income and expenses in foreign currencies are recorded at exchange rates prevailing on the date of transaction. Foreign

currency denominated monetary assets and liabilities are translated at the exchanges rate prevailing on the balance sheet date and exchange gains and losses arising on settlement and restatement are recognised in the statement of profit and loss.

Non-monetary assets and liabilities that are measured in terms of historical cost in foreign currencies are not retranslated.

xiv. Dividend

The final dividend on shares is recorded as a liability on the date of approval by the shareholders and interim dividend are recorded as a liability on the date of declaration by the company's board of directors.

xv. Cash flow statement

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non cash nature, any deferrals or accruals of past or future operating cash receipt or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the company are segregated.

xvi. Financial instruments

a. Initial recognition

Financial assets and liabilities are recognized when the company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial asset and financial liabilities (other than financial asset and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

b. Subsequent measurement

Financial Assets carried at amortised cost

Financial asset are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets to collect contractual cash flows and the contractual terms of the financial assets give rise on specified dates to cash flow that are solely payments of principal amount outstanding.

Financial Assets at fair value through other comprehensive income

Financial assets are subsequently measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Further, the company has made an irrevocable selection based on business model, for its investments which are classified as equity instruments, subsequent changes in the fair value of equity investments are recognized in other comprehensive income.

Financial Assets at fair value through profit & Loss

Financial assets are measured at fair value through profit & loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial asset and liabilities at fair value through profit & loss are immediately recognized in profit & loss.

Financial Liabilities

Financial liabilities are measured at amortized cost using the effective interest method.

Investment in Subsidiaries

Investments in subsidiaries are measured at cost shown separately in the financial statements.

Notes forming part of the Standalone Financial Statements

3) EXPLANATION OF TRANSITION TO IND AS

The transition as at April 1, 2015 to Ind AS was carried out from previous GAAP. The exemption and exceptions applied by the Company in accordance with Ind AS 101- First-time adoption of Indian Accounting Standards, the reconciliations of equity and total comprehensive income in accordance with previous GAAP to Ind AS are explained below.

The Company has applied the following exemptions :

Investment in subsidiaries, joint ventures and associates

The company has elected to adopt the carrying value under Previous GAAP as on the date of transition i.e. April 1, 2015 in its separate financial statements.

Notes to reconciliation between previous GAAP and Ind AS

(a) Dividend (including dividend tax)

Under Ind AS, dividend to holders of equity instruments is recognised as a liability in the period in which the obligation to pay is established. Under Previous GAAP, dividend payable is recorded as a liability in the period to which it relates. This has resulted in an increase in equity by ₹ 8,603 and ₹8,577 as at March 31 2016 & April 1 2015 respectively.

(b) Interest income on remeasurement of financial assets & liability

Under Ind AS Financial liabilities & assets are measured at amortized cost using the effective interest.

(c) Employee benefit

Under previous GAAP, actuarial gains and losses were recognised in the statement of profit and loss. Under Ind AS, the actuarial gains and losses form part of re-measurement of net defined benefit liability/asset which is recognised in other comprehensive income in the respective years. This difference has resulted in increase in the net profit ₹ 94 and tax of ₹ 33.

Report on the Consolidated Ind AS Financial Statements

We have audited the accompanying consolidated Ind AS financial statements of **ALANKIT LIMITED** ('the Holding Company') and its subsidiaries companies (collectively referred to as 'the Group'), comprising the Consolidated Balance Sheet as at 31st March 2017, the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Statement of Change in Equity and the Consolidated Statement of Cash Flows for the year then ended and a summary of significant accounting policies and other explanatory information (hereinafter referred to as 'Consolidated Ind AS financial statements')

Management's Responsibility for the Consolidated Ind AS Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated Ind AS financial statements in terms of the requirements of the Companies Act, 2013 ("the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated statement of changes in equity and consolidated statement cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribes under Section 133 of the Act, read with relevant rules issued thereunder.

The respective Board of Directors of the Company and its subsidiary companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Ind AS financial statements by the Board of Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated Ind AS financial statements based on our audit. In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Consolidated Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated Ind AS financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the consolidated financial position of the Group as at 31st March 2017 and its consolidated financial performance including other comprehensive income, its consolidated cash flows and the consolidated changes in equity for the year ended on that date.

Annexure 1 to the Auditor's Report

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Subsection 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of **Alankit Limited** ("the Company") and its subsidiary companies incorporated in India as at March 31, 2017 in conjunction with our audit of the consolidated Ind AS financial statements of the Company for the year ended and as at March 31, 2017

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiary companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company and its subsidiary companies incorporated in India considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by The Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Holding Company and its subsidiaries companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiary companies in India is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting of the Holding Company and its subsidiaries companies incorporated in India.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial

reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiary companies, which are incorporated in India have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance note on Audit of Internal Financial Controls Over Financial Reporting by The Institute of Chartered Accountants of India.

ACCOMPANYING NOTES TO THE FINANCIAL STATEMENTS

Notes forming part of the Consolidated Financial Statements

1. CORPORATE INFORMATION

The consolidated financial statements comprise financial statements of Alankit Limited (the company) and its subsidiaries (collectively, the Group) for the year ended 31 March 2017. The Company is primarily engaged in e-Governance services and e-Governance products trading and ancillary services related to e-Governance business.

The Company is a public limited company incorporated and domiciled in India and has its registered office in New Delhi India & previously known as "Euro Finmart Limited". The Company has its primary listings on the Bombay Stock Exchange Limited and National Stock Exchange of India Limited.

2. SIGNIFICANT ACCOUNTING POLICIES

i. Statement of Compliance

In accordance with the notification issued by the Ministry of Corporate Affairs, the Company has adopted Indian Accounting Standards (referred to as "Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 with effect from April 1, 2016. Previous periods have been restated to Ind AS. In accordance with Ind AS 101 First time adoption of Indian Accounting Standards, the company has presented a reconciliation from the presentation of Financial Statements under Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 ("Previous GAAP") to Ind AS of shareholders' equity as at March 31, 2016 & April 1, 2015 & of the Comprehensive net Income for the year ended March 31, 2016.

These financial statements have been prepared in accordance with Ind AS as notified under the Companies (Indian Accounting Standards) Rules 2015 read with Sec 133 of Companies Act, 2013.

ii. Basis of Preparation of Financial Statements

These financial statements have been prepared on the historical cost basis, except for certain financial instruments which are measured at fair values at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange of goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

iii. Basis of Consolidation

The Company consolidates all entries which are controlled by it, The company establishes control when: it has the power over the entity, is exposed, or has rights, to variable returns from its involvement with the entity and has the ability to affect the entity's returns by using its power over the entity. Entities controlled by the company are consolidated from the date control commences until the date control ceases.

All inter company transactions, balances and income and expenses are eliminated in full consideration. Changes in the Company's interests in subsidiaries that do not result in a loss of control are accounted for an equity transactions. The carrying amount of the company's interests and non controlling interests are adjusted to reflects the changes in their relative interests in the subsidiaries. Any differences between the amount by which the non controlling interests are adjusted and fair value of the consideration paid or received is recognised directly in equity and attributed to the owners of the company.

iv. Use of Estimates and Judgments

The preparation of these financial statements in conformity with Ind AS and the recognition of measurement principles of Ind AS requires the management of the Company to make estimates and assumptions that affect the reported balances of assets & liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income & expense for the periods presented.

Estimates and underlying assumptions are reviewed on the ongoing basis. Revisions to accounting estimates

are recognized in the period in which the estimates are revised and future periods are affected.

Critical Accounting Estimates:

a) Impairment of Goodwill:

The Company estimate the value in use of the cash generating unit (CGU) based on the future cash flows after considering current economic conditions and trends, estimated future operating results and growth rate and anticipated future economic and regulatory conditions. The estimated cash flows are developed using internal forecasts.

b) Useful lives of property, plant and equipment

The Company reviews the useful life of property, plant and equipment at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

c) Valuation of deferred tax assets:

The Company reviews the carrying amount of deferred tax assets at the end of each reporting period. The policy for the same has been explained under note 2(ix).

v. Revenue Recognition

a. The company derives revenue primarily from providing e-Governance services and from sale of e-Governance products on accrual basis except otherwise stated herein below.

b. Revenue from sale of goods/ products are recognized in accordance with Ind AS 18 viz, when the seller has transferred goods to the buyer, the property in the goods for a price and/or significant risk& rewards of ownership have been transferred to the buyer, and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sales of good and regarding its collection.

c. Revenue from services is recognized on rendering of services to the customers based on contractual arrangements.

d. Revenue from Aadhaar generation service is recognized at the time when enrollment process completed and significant certainty regarding amount of consideration and its collection has been ensured i.e after reconciliation of aadhaar generation data as per company records with the data provided by UIDAI.

e. Revenue from Storage of few e-governance physical documents is recognized when reasonable and significant certainty exists regarding the amount of the consideration and its collection.

f. Dividend Income is recognized when the right to receive dividend is established by the reporting date.

g. Interest Income is recognized using the effective interest method.

h. The Company presents revenue net of value-added taxes and service tax in its Statement of Profit & Loss.

vi. Property plant and equipment

Property plant and equipment are stated at cost, less accumulate depreciation (other than freehold land) and impairment loss, if any.

Depreciation is provided for property, plant & equipment so as to expense the cost over their estimated useful lives based on a technical evaluation. The estimated useful lives and residual value are reviewed at the end of each reporting period, with the effects of any change in estimate accounted for on a prospective basis.

The estimated useful lives are as mentioned below:-

Type of asset	Rate of Depreciation	Useful life (Year)
Buildings Factory	9.50%	30
Office Building	9.50%	60
Plant & Machinery	18.10%	15
Office Equipment	45.07%	5
Furniture and Fixture	25.89%	10
Computers	63.16%	3
Vehicle	31.23%	8

vii. Intangible assets

Intangible assets are stated at cost less accumulated amortization and impairment. Intangible assets are amortized over their respective individual estimated useful lives (mentioned Below) on Straight Line Method basis, commencing from the date the asset is available to the company, further amortization is done on a pro rata basis i.e. from the date on which the intangible asset is acquired. Amortization methods and useful lives are reviewed periodically including at each financial year end.

viii. Impairment of Assets

The carrying amount of assets are reviewed at each balance sheet date, if there is any indication of impairment based on internal/external factors, an impairment loss is recognized wherever the carrying amount of assets exceeds its recoverable amount.

ix. Inventories

Inventories are valued at lower of Cost or Net realizable value as per the requirements of Ind AS- 2 "Valuation of Inventory"

x. Income Taxes

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Income tax expense is recognized in net profit in the Statement of Profit and Loss except to the extent that it relates to items recognized directly in equity, in which case, it is recognized in other comprehensive income.

Current income tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date.

Advance Taxes and provisions for current income taxes are presented in the Balance Sheet after off-setting advance tax paid and income tax provision arising in the same jurisdiction and where the relevant tax paying units intends to settle the asset and liability on a net basis.

Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and the carrying amounts in the financial statements. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that is no longer probable that the related tax benefit will be realized. Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognised as income or expense in the period that includes the enactment or the substantive enactment date. A deferred income tax asset is recognised to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized. The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognised amounts and where it intends to settle on a net basis or to realize the asset and settle the liability simultaneously.

Deferred tax assets include Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. Accordingly, MAT recognized as deferred asset in the Balance Sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with the asset will be realized.

xi. Provision, Contingent Liabilities and Contingent Assets

Provision is recognized when the company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provision (excluding retirement benefits and compensated absences) are not discounted to its present value and are determined based on best estimates. Contingent liabilities are not recognized in the financial statements. Contingent assets neither recognized nor disclosed in financial statements.

xii. Employee Benefits

i. Short Term employee benefits

Short term employee benefits settled within twelve months of receiving employee services such as salary/wages/bonus and exgratia are recognized as an expense at the undiscounted amount in the Statement of Profit and Loss of the year in which the related service is rendered by employees.

ii. Post-employment benefits

a. Provident and family pension fund

The eligible employees of the Company are entitled to receive post-employment benefits in respect of provident and family fund in which both the employee and the Company make monthly contributions at a specified percentage of the covered employee's salary. Both employee's and Company's contributions are made to Regional Provident Fund Commissioner (RPFC) and the employer's contributions are charged to the Statement of profit and loss as incurred.

b. Gratuity

The Company has an obligation towards gratuity, a defined retirement plan, covering eligible employees. The plan provides a lump sum payment to vested employees at retirement, death, and incapacitation or on termination of employment of an amount based on the respective employees' salary and the tenure of employment with the Company. Liabilities with regard to the Gratuity Plan are determined by actuarial valuation, performed by an independent actuary, at each balance sheet date using the projected unit credit method. Actuarial gains and losses for the gratuity liability are recognized full in the period in which they occur through other comprehensive income.

xiii. Earning per Equity Share

Basic earnings per equity share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculation of Diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted number of equity shares outstanding during the period are adjusted for the effects of all potentially dilutive equity shares.

xiv. Foreign Currency Transactions

The functional currency of the company is Indian rupee.

Income and expenses in foreign currencies are recorded at exchange rates prevailing on the date of transaction. Foreign currency denominated monetary assets and liabilities are translated at the exchange rate prevailing on the balance sheet date and exchange gains and losses arising on settlement and restatement are recognised in the statement of profit and loss.

Non-monetary assets and liabilities that are measured in terms of historical cost in foreign currencies are not retranslated.

xv. Dividend

The final dividend on shares is recorded as a liability on the date of approval by the shareholders and interim dividend are recorded as a liability on the date of declaration by the company's board of directors.

xvi. Cash flow statement

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non cash nature, any deferrals or accruals of past or future operating cash receipt or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the company are segregated.

xvii. Financial instruments

a. Initial recognition

Financial assets and liabilities are recognized when the company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial asset and financial liabilities (other than financial asset and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

b. Subsequent measurement

Financial Assets carried at amortised cost

Financial asset are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets to collect contractual cash flows and the contractual terms of the financial assets give rise on specified dates to cash flow that are solely payments of principal amount outstanding.

Financial Assets at fair value through other comprehensive income

Financial assets are subsequently measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Further, the company has made an irrevocable selection based on business model, for its investments which are classified as equity instruments, subsequent changes in the fair value of equity investments are recognized in other comprehensive income.

Financial Assets at fair value through profit & Loss

Financial assets are measured at fair value through profit & loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial asset and liabilities at fair value through profit & loss are immediately recognized in profit & loss.

Financial Liabilities

Financial liabilities are measured at amortized cost using the effective interest method.

Investment in Subsidiaries

Investments in subsidiaries are measured at cost shown separately in the financial statements.

3) EXPLANATION OF TRANSITION TO IND AS

The transition as at April 1, 2015 to Ind AS was carried out from previous GAAP. The exemption and exceptions applied by the Company in accordance with Ind AS 101- First-time adoption of Indian Accounting Standards, the reconciliations of equity and total comprehensive income in accordance with previous GAAP to Ind AS are explained below.

The Company has applied the following exemptions :

Investment in subsidiaries, joint ventures and associates

The company has elected to adopt the carrying value under Previous GAAP as on the date of transition i.e. April 1, 2015 in its separate financial statements.

(iii) Reconciliation of Statement of Cash Flow

There are no material adjustment to the statement of cash flow as reported under the previous GAAP.

Notes to reconciliation between previous GAAP and Ind AS

(a) Dividend (including dividend tax)

Under Ind AS, dividend to holders of equity instruments is recognised as a liability in the period in which the obligation to pay is established. Under Previous GAAP, dividend payable is recorded as a liability in the period to which it relates. This has resulted in an increase in equity by ₹ 8,603 and ₹ 8,577 as at March 31 2016 & April 1 2015 respectively.

(b) Interest income on remeasurement of financial assets & liability

Under Ind AS Financial liabilities & assets are measured at amortized cost using the effective interest.

(c) Employee benefit

Under previous GAAP, actuarial gains and losses were recognised in the statement of profit and loss. Under Ind AS, the actuarial gains and losses form part of re-measurement of net defined benefit liability/asset which is recognised in other comprehensive income in the respective years. This difference has resulted in increase in the net profit ₹ 94 and tax of ₹ 33.
