#### NNEXURE AS TO THE DIRECTORS REPORT

#### MANAGEMENT DISCUSSION AND ANALYSIS

#### I, COMPANY PROFILE

The company was incorporated way back in 1985 for imparting TF & TF enabled services in the country then the use of Computer in the Country was just a new concept with extreme potentiality. The company was formed as a Priva of Ltd. company

to obtain the exclusive National Franchisce rights of Computer Point. From a very small private company it has developed into a substantially large educational institution chain in the country, particularly in the under – developed Eastern part of the Country. Indian Economy has recorded a rapid growth over the last couple of years and with it a large number of companies have expanded their operations ever beyond the national barrier. Such rapid growth of Indian Economy was possible mainly due, to rapid growth of service sector, specially due to exceptional performance of Information Technology (IT and IT enabled services) and this Industry is expected to maintain its mooth rate @ 25% over the next few years. I wough in a very smaller way as compared to the overall Indian perspective. 'BUS' is also a partner in performance in this sector by way of developing and supply of Software kits as per the requirements of its customers and supply of Hardware peripherals is a capacity as 'order suppliers'. The company expects a substantial growth of its wing in coming year's along with the future growth of the Indian market. With its post experiences in the area of Software application support, there are good chances for the company to nature they customers.

#### 2. MARKET SCENARIO & INDUSTRY PROSPECT

The state government in the Eastern part of the Country has since incorporated computer Education as part of the syllabas in the schools from primary level. Whereas education at the university level have been accepted all over the country. To early out country's Education policy to its fullest success, the institutions like BLS have an important role to play.

#### 3. RISK AND CONCERNS

Unregulated entry of small time operators having no or little technology base may famish the goodwill of the Indian IT industry in the international market. The attention of the central government has already been drawn to such possible threats and the government has already taken necessary regulatory steps to maintain overseas markets and international acceptance of Indian supremacy in IT sector.

#### 4. THREATS

Some of the threats the company could encounter are:

- Growing Competition from a number of large market players;
- ii) Timely availability of skilled personnel which has fallen short of the Industry requirements.
- iii) Timely availability of adequate Working Capital, absence of which may affect adversely the effort to generate new business.
- iv) Continued pressure on billing rates due to abstantial increase in salary level in the Industry
- v) Political Instability and policies of the Concernment.
- Restrictions imposed by foreign countries on their Imports of IT services especially from India.
- vii) Unpredictable global recession with particular impact on IT Service Sector & BPO busines:

#### 5. PERFORMANCE AT A GLANCE:

The steady progress of Company's business will be both lighted from the relevant details for the last 10 years which are given as under: -

were operating effectively for ensuring the orderly and efficient conduct of its business, including afficrence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting bases on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over I material reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standardne Ind AS

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our an intopinion on the Company's internal financial controls system over thancial reporting

Meaning of Internal Financial Controls over Financial Reporting

A company's interval financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of farancial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit prepoution of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unanthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal tinancial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2010, based on the internal control stated in the over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chart red Accountants of
