## MANAGEMENT DISCUSSION AND ANALYSIS

### 1. INDUSTRY STRUCTURE AND DEVELOPMENTS:

#### COAL INDUSTRY

Coal reserves of 301.56 billion tonnes have been estimated by the Geographical Survey of India (01.04.2015). The overall production of Coal for 2014-15 was projected at 630.25 MT. During the period April to December, 2014 the actual production was 426.7 million tonnes compared to 391.08 million tonnes (MT) during the corresponding period of 2013-14, showing a growth of 9.1%.

India is the world's third largest producer of thermal coal, well behind China and the United States. Despite large reserves, production growth has been well below growth in consumption in the past decade (figure 18). In response to the widening gap between India's coal consumption and production, imports of thermal coal have grown from 12 million tonnes in 2004 to 142 million tonnes in 2013.

Coal is a key commodity in ensuring India's energy security because it is the most abundant non-renewable energy source in India. It has the world's fifth largest proved recoverable reserves of coal (60.6 billion tonnes) after the United States (237.3 billion tonnes), Russia (157.0 billion tonnes), China (114.5 billion tonnes) and Australia (76.4 billion tonnes) (WEC 2013).

In order to satisfy the coal demand, the Indian coal industry needs more investment and private players to raise their production level. As per our latest estimations, carried out in recent research report, the overall coal imports are anticipated to cross the 200 Million tonnes-mark this Fiscal Year. De-allocation of coal blocks and stake sales in PSUs were among the major steps taken by the government to boost production and investment in the coal industry. Better infrastructure by road enable fast movement of coal among various locations in the Country, infrastructure section in India is getting better by way of various projects undertaken by the Government.

#### REAL ESTATE INDUSTRY

The Indian real estate sector is one of the most globally recognized sectors. In the country, it is the second largest employer after agriculture and is slated to grow at 30 per cent over the next decade.

According to a study by ICRA, the construction industry ranks third among the 14 major sectors in terms of direct, indirect and induced effects in all sectors of the economy.

Real estate has emerged as the second most active sector, raising US\$ 1.2 billion from private equity (PE) investors in the last year.

The Indian real estate sector has witnessed high growth in recent times with the rise in demand for office as well as residential spaces mostly for the economically weaker sections and low-income groups, through public-private-partnership (PPP), interest subsidy and increased flow of resources to housing sector', Union Minister of Urban Development, Housing and Urban Poverty Alleviation and Parliamentary Affairs, Government of India.

The growing flow of FDI into Indian real estate is encouraging increased transparency. Developers, in order to attract funding, have revamped their accounting and management systems to meet due diligence standards.

### 2. OPPORTUNITIES & THREATS:

The Company's business comprises of two segment viz. Infrastructure and Coal Trading.

Demand of Coal mainly from Power Sector is growing rapidly and increasing government support will boost the coal production in the country. However bottlenecks likes domestic coal transportation and lack of proper road connectivity further increase the challenges. Also availability of railway wagons and mismatch of demand and supply of wagons and coal off-takes affect production capacity and delay in mining activities at captive coal blocks and concern relating to the increasing ash content of run – of – mine coal further impact production.

Real estate and Infrastructure sectors are getting major funding from foreign investor as per relaxation in Foreign Direct Investment (FDI) rules / regulation implemented by India. However current scenario of real estates express that there is excess supply against the demand from end users and domestic output has also been clipped due to hurdles over environmental clearances and land acquisition and other government policies.

### 3. OUTLOOK

#### COAL INDUSTRY

India is the world's third largest coal consumer behind China and the United States; and the share of coal in India's electricity mix has been rising. India's coal consumption was estimated at 790 million tonnes (or 516 million tonnes of coal equivalent (Mtce), around 10 per cent less than the United States (IEA 2014f). Thermal coal accounts for around 85

per cent, or 665 million tonnes, of India's coal consumption. Metallurgical coal (80 million tonnes) and lignite (45 million tonnes) make up the balance.

The power sector accounts for more than 70 per cent of India's coal use and supported a five-fold increase in coal use in electricity generation over the past few decades. As such, the power sector is clearly central to the coal outlook in India. India's steel production has increased by around 25 per cent over the past five years to around 83 million tonnes in 2014. The cement industry, the second largest globally after China, is also a major coal user, accounting for around 5 per cent of total coal use. Other industrial sectors, including brick manufacture, consume small quantities of coal.

The Indian coal market is set to witness great boost in near future because of the rising government initiatives.

The coal demand has been rising constantly in India due to growth & high demand from major coal consuming sectors, including power, cement and steel. We estimate that coal production will grow in anticipation to the demand for thermal coal and coking coal by power and steel sectors, respectively, will gain momentum in near future.

#### **REAL ESTATE INDUSTRY**

The Indian real estate market size is expected to touch US\$ 180 billion by 2020. The housing sector alone contributes 5-6 per cent to the country's gross domestic product (GDP). Also, in the period FY08-20, the market size of this sector is expected to increase at a compound annual growth rate (CAGR) of 11.2 per cent. Retail, hospitality and commercial real estate are also growing significantly, providing the much-needed infrastructure for India's growing needs. If the economy grows at the rate of 10% the housing sector has the capacity to grow at 14% and generate 3.2 million new jobs over a decade. Private equity players are considering big investments, banks are giving loans to builders, and financial institutions are floating real estate funds. Indian property market is immensely promising and most sought after for a wide variety of reasons.

#### **4. INTERNAL CONTROL SYSTEMS:**

The Company has a proper and adequate Internal Control System to ensure that all assets are safeguarded and protected against loss from unauthorized use or disposition, and those transactions are authorized, recorded and reported correctly.

The Company, in consultation with its Statutory Auditors, periodically reviews and ensures the adequacy of Internal Control Procedures for the orderly conduct of business and also includes a review to ensure overall adherence to Management Policies and applicable Laws & Regulations. The Company's internal audit team carries out extensive audits throughout the year, across all functional areas.

#### **5. HUMAN RESOURCES DEVELOPMENTS:**

Our Philosophy is "Human Resource" is the most important factor for achieving efficiency, productivity and quality. Human Relationship Management assumes great importance in the Company and human resources are the great asset.

## INDEPENDENT AUDITOR'S REPORT

To,  
The Members of,  
**Hemang Resources Limited**  
(Formally Known as Bhatia Industries and Infrastructure Limited)

### Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of **HEMANG RESOURCES LIMITED** ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March, 2015, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

### Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on internal control on financial statements.

An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March, 2015, and its profit and its cash flows for the year ended on that date.

#### NOTE - 1

#### SIGNIFICANT ACCOUNTING POLICIES

##### 1.1 Basis of Preparation of Financial Statements:

The Financial Statements are prepared under the historical cost convention on ongoing concern basis in accordance with the Generally Accepted Accounting Principles in India to comply with the Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 and the applicable provision of the Companies Act, 1956 and Companies Act 2013. The Company has followed the mercantile system of accounting and recognized income and expenditure on accrual basis. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

##### 1.2 Use of estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognized in the periods in which the results are known / materialize.

##### 1.3 Revenue Recognition:

###### a. Coal Trading:

Sale of coal has been recorded and recognized on the basis of dispatches made to customers, which is considered as transfer of ownership and represents amount billed for goods sold excluding Sales Tax/ VAT.

- b. Revenue from High Seas Sales are accounted for on the basis of date of agreement entered with the customers during the year.
- c. Further, Other Income received through cargo handling charges is the amount recovered in excess of the amount paid by the company for the services in Proportion of the quantity dispatched.
- d. Dividend income is accounted when the right to receive it is established.

##### 1.4 Fixed Assets & Capital work-in-progress:

- a. Fixed Assets are stated at cost less accumulated depreciation except otherwise stated. Costs of Fixed assets are arrived at after including therein attributable expenses for bringing the respective assets to working condition.
- b. The company does not have any Capital Work-in-Progress.

##### 1.5 Depreciation:

Depreciation on Fixed Assets is provided using Straight Line Method. The Fixed Assets are depreciated over the useful life prescribed in Schedule II of the Companies Act, 2013. Depreciable amount is calculated after considering 5% of original cost as residual value. No Depreciation has been charged on Land held as Investment Property.

- 2.8 Considering the Market scenario, In previous year Board of directors of the company has proposed for increase in the period of redemption of 2% Cumulative Preference Shares from 7 year to 14 year. Pursuant to Section 106 of the Companies Act, 1956, all (100%) preference shareholders have consented in writing vide their letter dated 15/02/2014 for increase in the redemption period from 7 years to 14 years.
- 2.9 Company has created Capital Redemption Reserve out of the retained earnings of ₹ 457.09 Lacs (Previous year ₹ 399.95 Lacs) for the redemption of the 2% Cumulative Redeemable Preference Share. The allocation is in proportion of the Preference Share Capital to the redemption period.
- 2.10 During the year the company has booked an amount of ₹ 844.72 Lacs in Selling & Distribution Expenses, which includes an amount of ₹ 610.77 Lacs against rate and quality deduction which was made by customers in earlier years, but the same was disputed by the company and not accepted. However looking to the long term association and future business relation with customer, the Company has accepted those deductions and charged to profit & Loss Account.
- 2.11 The Company had allotted the Sand Mines contract for Maheshwar Group by State Mining Corporation Ltd., Bhopal for the period of 01.02.2004 to 31.01.2005. As per terms of the Contract, Company has deposited ₹ 72.15 Lacs as Earnest

Money. The company continued mining of sand till October 10, 2004. The Company had received the notice from Collector, Khargone on October 11, 2004 to stop the mining work from October 13, 2004. Due to said notice, the Company had suffered and not fulfilled the conditions of said contracts. The State Mining Corporation had forfeited the amount of Earnest money deposited by the Company. The Company had no choice except to file the case in Arbitration Tribunal. The case had filed with Arbitration Tribunal but Tribunal had issued the award in favor of State Mining Corporation Ltd., Bhopal. The Company has filed an appeal with Session Court, Bhopal for setting aside the impugned order so passed by Arbitration Tribunal, which has also rejected on August 08, 2007. The Company has filed a writ petition with Hon'ble High Court of Jabalpur on September 25, 2008 against the order of Session Court, Bhopal. The writ petition filed by the Company has been admitted and is pending for hearing.

The Management is of the opinion that no provision is required for such amount shown as Deposit with MPSMCL in the Balance Sheet. As soon as the case will be listed and argued finally, order will be in favor of the Company.

- 2.12 The Company is in process of obtaining information from its suppliers/vendors and service providers and Company has written confirmation letters to parties for disclosure as required under Micro, Small and Medium Enterprises Development Act, 2006. As per information to the extent available with the Company, there are no Micro, Small and Medium Enterprises to whom the Company owes dues, which are outstanding for more than 45 days as at 31 March, 2015.
- 2.13 During the earlier years, the Company has made sales of ₹ 7,483.87 Lacs against 'C' Form, for which 'C' Forms amounting to ₹ 7181.84 Lacs has been received from the customers. Based on the past experience, the management is confident to receive balance 'C' Forms from the customers till the finalization of assessment and therefore it has not been treated as Contingent Liability.
