MANAGEMENT DISCUSSION AND ANALYSIS

1. INDUSTRY STRUCTURE AND DEVELOPMENTS:

COAL INDUSTRY

India is endowed with large quantum of coal resources (308 BT), of which around 90% comprises non-coking coal. It is the third largest coal producer in the world after China and the US. The total coal production in India was around 626 MT in FY 2016, which has increased to 724 MT in FY 2017. India imported a total of 212 MT of coal in FY 2015, 193 MT in FY 2016 and 160 MT in FY 2017 which is equivalent to around 22% of the domestic coal consumption in the country based on tonnage. In FY 2017, total coal imports by India fell by 33 MT, though still constituting nearly 24% of the total coal consumption in the year based on tonnage.

In order to satisfy the coal demand, the Indian coal industry needs more investment and private players to raise their production level. Government has taken initiatives by making Statutory Acts, with an object to ensure continuity in coal mining operations and production of coal and to promote optimum utilization of coal resources consistent with the requirement of industry. Better infrastructure by road enable fast movement of coal among various locations in the Country, infrastructure section in India is getting better by way of various projects undertaken by the Government.

REAL ESTATE INDUSTRY

The world sees India as a land of opportunity for business and investment. The Indian real estate sector has been a major beneficiary of the strong economic growth witnessed in India since the year 2000. The growth in sector, supported by series of reforms has not only resulted in significant residential and commercial real estate, but also complemented the development of physical and social infrastructure of the country.

While the whole economy was going through the policy reform, real estate sector remained in headlines due to many policy level changes. Real Estate (Regulation and Development) Act 2016 (RERA), Benami Transaction Prohibition (Amendment) Act 2016, amendments in Real Estate Investment Trusts (REITs) regulations, Goods and Services Tax (GST) and Demonetisation, were the ones that were considered to have the potential to change the way real estate sector work. Besides these, a couple of announcements seemed to be made in the passing but is extremely crucial to this sector. These were the intent to digitise land records, change in arbitration norms for construction industry and setting up of a government committee to look into the strategic sale of government assets that include land and manufacturing units. All these changes are perceived to be the game changers for the industry in coming years.

2. OPPORTUNITIES & THREATS/ RISK CONCERN

The Company's business comprises of two segment viz. Infrastructure and Coal Trading.

Demand of Coal comes from core industry segments like Power, Steel, Cement and many industries where heating is a process requirement. Given policy initiatives, Indirect tax reforms (namely introduction of GST) the entire gamut of manufacturing activities are expected to get a boost. While increasing government support will boost the coal production in the country, bottlenecks, likes domestic coal transportation and lack of proper road connectivity, availability of railway wagons and siding, mismatch of demand and supply of wagons and coal offtakes, delay in mining activities at captive coal blocks and concern relating to the increasing ash content of coal from some locations will impact and limit indigenous coal production increase. Thus there remains an attractive opportunity for import and trading of imported coal

The challenges in real estate sector are of demand-supply mismatch and high unsold inventory across the country. However due to the new regulation it will get smooth in coming years and actual users will increase in place of investors.

3. OUTLOOK

COAL INDUSTRY

India is the third largest coal producer in the world after China and the US. The total coal production in India was around 626 MT in FY 2016, which has increased to 724 MT in FY 2017. The total coal demand in the country is expected to be around 1.5 BT. Supported by government reforms and strong growth in outputs from Coal India, Indian coal production will rise to 1.01 billion ton in 2020. Despite the challenges, then, the future of coal in India appears positive. "We expect coal to retain its primacy in India over the coming years and energy poverty remains a key concern."

The Indian coal market is set to witness great boost in near future because of the rising government initiatives.

The power sector accounts for more than 70 per cent of India's coal use and supported a five-fold increase in coal use in electricity generation over the past few decades. As such, the power sector is clearly central to the coal outlook in India.

The coal demand has been rising constantly in India due to growth & high demand from major coal consuming sectors, including power. We estimate that coal production will grow in anticipation to the demand for thermal coal and coking coal by power and steel sectors, respectively, will gain momentum in near future.

REAL ESTATE INDUSTRY

The Indian real estate market size is expected to touch US\$ 180 billion by 2020. Although it's hard to forecast the real estate market that is highly sentiment driven in India, several factors will drive the future trend. Recent demonetisation that became the front-page news and a most debatable topic of the year is one of the major factors that may drive the short-

term trends. While everybody agreed that the measure would help the economy in the long term, the short-term consequences were harsh for the residential real estate sector as the overall transaction volume came to a halt. The commercial market which is so far un-impacted by the demonetisation drive may also see an impact in the form of shortage of supply and increase in rents. Transaction volume in the residential sector will remain constrained, but the current oversupply in the market will be mitigated in the coming quarters, as very limited new projects are being launched. Yet, things are looking up in the coming year, with end users may start looking the market again. Having said that, I am a firm believer of the positive impact of all these reforms and believe that these are just small hurdles and the overall property markets should come on the edge of recovery shortly.

4. INTERNAL CONTROL SYSTEMS:

The Company has a proper and adequate Internal Control System to ensure that all assets are safeguarded and protected against loss from unauthorized use or disposition, and those transactions are authorized, recorded and reported correctly.

The Company, in consultation with its Statutory Auditors, periodically reviews and ensures the adequacy of Internal Control Procedures for the orderly conduct of business and also includes a review to ensure overall adherence to Management Policies and applicable Laws & Regulations. The Company's internal audit team carries out extensive audits throughout the year, across all functional areas.

5. HUMAN RESOURCES DEVELOPMENTS:

Our Philosophy is "Human Resource" is the most important factor for achieving efficiency, productivity and quality. Human Relationship Management assumes great importance in the Company and human resources are the great asset.

During the year under review, the Company continued its emphasis on Human Resource Development as one of the critical area of its operation. Realizing that, the human capital being the Company's greatest asset, the up gradation of skills, personality and attitude of its employees is always looked after. Measures are also being implemented for enhancing the motivation and commitment of the work force and building up a unique positive work culture. Employer – Employee relation throughout the year were cordial.

The Company organizes periodical trainings to encourage and develop vital human resource. All the efforts are aimed to ensure develop and nurture the entrepreneurial attitude and skill among the employees. The Company places on record its appreciation for the valuable contributions made by employees at all levels.

6. FINANCIAL PERFORMANCE:

The Financial Statements for the year ended March 31, 2017 have been prepared in compliance with the requirement of Companies Act 2013 and Generally Accepted Accounting Principles (GAAP) in India.

During Financial Year 2016-17, the Company recorded total income of ₹ 25436.58 Lacs, of which income from operations is ₹ 24959.70 Lacs and other income of ₹ 476.88 Lacs.

For the year FY 2016-17, Earning before interest, Depreciation, tax and Amortization was ₹ 833.38 Lacs.

For the FY 2016-17, Depreciation was ₹ 0.89 Lacs and interest and financial charges were ₹ 1027.01 Lacs and Profit before tax (PBT) was ₹ (147.02) Lacs.

Profit after tax (PAT) was ₹ (98.80) Lacs and Earning Per Share (EPS) of ₹ (0.75).

Out of the PAT of ₹ (98.80) Lacs, ₹ 57.14 Lacs has been apportioned to Capital Redemption Reserve.

Factor affecting the reduction in turnover are entire market downfall, reduction in imported coal price, increase in demands of domestic coal. Profit of the company was reduced due to increase in finance cost and loss on foreign exchange transaction.

7. SEGMENT WISE PERFORMANCE:

Company's business comprises two segment viz. Coal Trading Division and Infrastructure division. During the Financial Year 2016-17, there is no turnover from Infrastructure division and entire income from operation of ₹ 24959.70 Lacs is from Coal Trading division.

As on March 31, 2017, Coal Trading Division is having Segment Assets of ₹ 14444.89 Lacs and Segment liabilities of ₹ 11345.41 Lacs and Infrastructure division is having Segment Assets of ₹ 1043.61 Lacs and Segment Liabilities of ₹ Nil.

8. CAUTIONARY STATEMENT:

Certain statements in the Management Discussion and Analysis describing the Company's objectives, projections, estimates, expectations or predictions may be forward-looking statements within the meaning of applicable securities laws and regulations which have been prepared in compliance with the requirements of the Companies Act, 2013, the Accounting Standards issued by the Institute of Chartered Accountants of India, the Listing Agreements, SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015 and all other applicable rules and regulations. The actual performance may vary depending on the market fluctuations, changes in Government policies, rules and regulations change in economic conditions nationally as well as internationally.

INDEPENDENT AUDITOR'S REPORT

To,
The Members of,
Hemang Resources Limited
(Formally Known as Bhatia Industries and Infrastructure Limited)

Report on the Standalone Financial Statements

We have audited the accompanying (Standalone) financial statements of **HEMANG RESOURCES LIMITED** (“the Company”) which comprise the Balance Sheet as at March 31, 2017, the Statement of Profit and Loss, Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the (Standalone) Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (“the Act”) with respect to the preparation of these (Standalone) financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these Standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid (Standalone) financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2017, and its Profit/Loss and its Cash Flow for the year ended on that date.

Report on Other Legal and Regulatory Requirements

**“Annexure B” to the Independent Auditor’s Report dated 30th May 2017 Issued to the
member of Hemang Resources limited**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013
 (“the Act”)**

We have audited the internal financial controls over financial reporting of Hemang Resources Limited (“the Company”) as of March 31, 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting Issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating as at March 31, 2017, based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”.

- j. An Execution Petition No. 240/2011 filed by Vitol against Asian Natural Resources India Ltd. (ANRIL) is pending before the Bombay High Court. During pendency of the said execution petition 54300 MT of coal was imported by Sharp Corp in the vessel named MV Vishva Ekta which was discharged at Tuticorin Port. Hemang Resources Ltd. (HRL) entered into two HSS agreement with Sharp Corp for purchase of 34300 MT coal. At the instance of Vitol, Bombay High Court vide Judges order no. 215/2014 issued precept to Tuticorin Court for attachment of entire quantity of 54300 MT coal. Tuticorin Court vide order dated 22.12.2014 passed in EA No. 159/2014 attached the coal. Later on the Tuticorin court vide order dated 10.12.2015 released 20000 MT coal owned by Sharp Corp and the remaining quantity of 34300 MT coal remained attached.

On attachment of coal of HRL, HRL approached Bombay High Court for releasing the coal on the ground that, they are not party to the Execution Petition hence the coal owned by them cant not be attached. However the court dismissed their

application against which they went in appeal. The Bombay High Court vide order dated 06.09.2016 passed in Appeal No. 794/2015 held that, “on account of various factors such as common directorships, interlocking shareholding HRL is not only part of ANRIL/BIL group, but are alter-egos” hence the attachment of coal was upheld.

That out of 34300 MT 17300 MT coal was auctioned to Global Coal Ventures Pvt. Ltd. in compliance to the order dated 16.11.2016 passed by Tuticorin Court and the balance coal of 17000 MT was also auctioned by the Court Receiver appointed by the Bombay High Court to Global Coal Ventures Pvt. Ltd. for a sum of ₹ 3,14,50,000/- which was deposited with the Court Receiver.

HRL had filed an application under Order 21 Rule 58 of Civil Procedure Code before Tuticorin Court claiming his title over the 34300 MT and also filed an application for transferring the said amount ₹ 3,14,50,000/- to Tuticorin Court. But both the said applications were returned back to HRL holding that the applications are not maintainable. Against this order the management is in the process of filing petition before the Madurai High Court. The Management is hopeful of favorable orders from the higher courts and hence no provision has been made.

- 2.15** The balances of Sundry Debtors, other deposits and advances are subject to confirmation from respective parties. Letter seeking confirmations have been sent by the Company but some parties are still to confirm the balances. In view of confirmation not having been received from all customers, the balances under these heads have been shown as per the books of accounts and are subject to reconciliation, if any. However, in the opinion of the management, the respective assets have been shown in the Balance Sheet are according to their realizable value. The adjustment, if any on reconciliation which in the opinion of the management would not be material, would be made once the accounts are fully reconciled.

Sundry Debtors amounting to ₹ 2118.72 Lakhs are outstanding more than 180 days. The management is of the opinion that whole amount will be recovered from parties so that the company has not created any provision on such debtor.
