**EXPLANATORY STATEMENT PURSUANT TO SECTION 102 (1) OF  
THE COMPANIES ACT, 2013 (“the Act”)**

As required under Section 102 of the Companies Act, 2013, set out all material facts relating to the business under Item Nos. 4, 5 and 6 of the accompanying Notice dated 03<sup>rd</sup> September, 2018.

**ITEM NO. 4**

Presently the Company’s Registered Office is situated in the State of Punjab. Further, the Company has seen more potential in the Gujarat. Moreover majority of the directors are also based at Gujarat. Therefore, it is very difficult to co-ordinate the matters from the State of Punjab to the State of Gujarat discharge the statutory obligations related to the registered office.

And since the state of Gujarat is a very advance state in the industrialization of business and has a potential market, therefore if the registered office of the Company is shifted to Gujarat, it shall help to carry on the business activities more economically and efficiently and also help to enlarge the area of its business operations.

The Board considered that in terms of the provisions of section 13(4) of the Companies Act, 2013, the registered office of the Company may be shifted from one state to another by way of approval of the members with special resolution and confirmation of the Company Law Board/Central Government.

None of Director and KMPL is interested in above resolution.

**ITEM NO. 5**

**To appoint Mr. Karan Bairwa as Managing Director of the Company**

In terms of Section 161(1) of the Act, Mr. Karan Bairwa holds office only up to the date of the forthcoming AGM but is eligible for appointment as a Director. A notice under Section 160(1) of the Act has been received from a Member signifying its intention to propose Mr. Karan Bairwa’s appointment as a Director. The Board also appointed Mr. Karan as the Managing Director of the Company for the period of Three Years, subject to approval of the Members.

The principal terms and conditions of Mr. Karan’s appointment as Managing Director are as follows:

1. Tenure: 3 Years (Subject to approval of members in the ensuing Annual General Meeting)
2. Nature of duties:
  - a) The Executive Director shall devote his whole time and attention to the business of the Company and carry out such duties, as may be entrusted to him by the Board from time to time and separately communicated to him and exercise such powers as may be assigned to him, subject to superintendence, control and directions of the Board in connection with and in the best interests of the business of the Company and the business of any one or more of its associated companies and/or subsidiaries, including performing duties as assigned by the Board from time to time by serving on the boards 6 of such associated companies and/or subsidiaries or any other executive body or any committee of such a Company.
  - b) The Executive Director shall not exceed the powers so delegated by the Board pursuant to clause 2(a) above.

c) The Executive Director undertakes to employ the best of the skill and ability to make his utmost endeavors to promote the interests and welfare of the Company and to conform to and comply with the directions and regulations of the Company and all such orders and directions as may be given to him from time to time by the Board.

4. The Executive Director, so long as he functions as such, undertakes not to become interested or otherwise concerned, directly or through his spouse and/or children, in any selling agency of the Company.

5. The terms and conditions of the appointment of the Executive Director may be altered and varied from time to time by the Board as it may, in its discretion deem fit, irrespective of the limits stipulated under Schedule V to the Act or any amendments made hereafter in this regard, in such manner as may be agreed to between the Board and the Executive Director, subject to such approvals as may be required.

6. In the event the Executive Director is not in a position to discharge his official duties due to any physical or mental incapacity, the Board shall be entitled to terminate his contract on such terms as the Board may consider appropriate in the circumstances.

7. If and when the Agreement expires or is terminated for any reason whatsoever, Mr. Karan Bairwa will cease to be the Executive Director, and also cease to be a Director. If at any time, the Executive Director ceases to be Director of the Company for any reason whatsoever, he shall cease to be the Executive Director, and this Agreement shall forthwith terminate. If at any time, the Executive Director ceases to be in the employment of the Company for any reason whatsoever, he shall cease to be a Director and Executive Director of the Company.

## **MANAGEMENT DISCUSSION AND ANALYSIS REPORT**

### **INDUSTRY STRUCTURE AND DEVELOPMENTS:**

Textile Industry contributes nearly 14% of the total Industrial Production of the country and also contributes 3% to the GDP of the country. The country earns about 27% of its foreign exchange through textile export. Considering the slow global economic recovery so far, there is a need to improve competitiveness of the sector in the global market.

Within textile, 'Home Textile' market is estimated at over 10,000 crores. Of this, the organized sector accounts for under 10%. The Home Textile category is expected to grow at 8% p.a. and the share of organized sector is expected to improve.

The emergence of strong modern trade and rapidly growing large format stores is expected to help up gradation of the market and also aid growth of organized sector players.

### **OPPORTUNITIES AND THREATS:**

#### **Opportunities**

- ✓ Abundant availability of Raw Materials.
- ✓ India has significantly lower raw material costs, wastage costs and labor costs when compared to other countries.
- ✓ Greater Investment and Foreign Direct Investment opportunities are available.
- ✓ Increased Disposable Income and Purchasing Power of Indian Customer opens New Market Development.
- ✓ Strong presence of related and supporting industries.
- ✓ Textile machinery Indian textile machinery manufacturers are able to produce at competitive prices sophisticated machines of higher speed and production capability.
- ✓ The textile industry also gets significant support from the well developed IT capabilities of Indian firms.

#### **Threats**

- × Fragmented structure with the dominance of the small scale sector High power costs.
- × Rising interest rates and transaction costs.
- × Unfriendly labor laws.
- × Logistical disadvantages in terms of shipping costs and time pose serious threats to its growth Foreign investments are not coming in as the overall factors influencing the industry are not investment friendly.
- × Geographical Disadvantages.
- × International labor and Environmental Laws.

### **SEGMENT WISE PERFORMANCE:**

The Company has identified its activities as single segment. Hence, the Company's performance is to be viewed as a single segment company operating in textile industry.

### **RECENT TREND AND FUTURE OUTLOOK:**

The textile industry is undergoing a major reorientation towards non-clothing applications of textiles, known as technical textiles, which are growing roughly at twice rate of textiles for clothing applications and now account for more than half of total textile production. Technical

textiles have many applications including bed sheets; filtration and abrasive materials; furniture and healthcare upholstery; thermal protection and blood-absorbing materials; seatbelts; adhesive tape, and multiple other specialized products and applications.

While the year 2017-18 was not a rewarding period from business perspective, few positives could be derived out of the operation such as efforts toward energy conservation, maintaining a reasonably healthy capacity utilisation compared to the industry average, an improved gross realisation and stable top line compared to previous year. With our sustained efforts in these fronts coupled with anticipated improved demand and higher capacity utilization, we expect the business to improve and become profitable. This will further be aided by your Company's focus on specialty fibers, innovative product mix and long term measures for cost reduction by converting fuel from RLNG to coal.

#### **RISKS AND CONCERNS:**

High inflation could adversely impact the domestic demand, especially since the 'Home Category' is considered as 'non-essential' in the family's consumption basket. Aggressive competition by new players, who wish to enter the category pose a risk of the Company losing its market share. The conversion cost could sharply escalate with severe energy price rise as well as increased labor cost due to hike in minimum wages.

The Company will focus on contemporary designs, better value proposition in the product basket through continuous innovation and on cost management to mitigate the risks. We will also strive to widen the customer base in the exports business to address the challenges in the market.

#### **INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:**

The Company maintains adequate internal control systems, which provide among other things reasonable assurance of recording the transactions of its operations in all material respects and of providing protection against significant misuse or loss of Company's assets.

The Internal Auditors have introduced several objective tools to assess strengths of our internal controls as also, identify areas where it need to be further strengthened. The scope and authority of the Internal Audit are well defined in the internal audit charter, approved by the Audit Committee. Internal audit plays a key role in providing an assurance to the Board of Directors of adequate internal control system. The audit committee at its meetings reviewed the reports of the internal auditors as well as the Risk Management process of the Company.

#### **FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE:**

The financial performance of the Company for the year 2017-18 is described in the Directors' Report under the head 'Financial Performance of the Company'.

#### **MATERIAL DEVELOPMENTS IN HUMAN RESOURCES AND INDUSTRIAL RELATIONS FRONT:**

Your Company has undertaken certain employees' development initiatives which have very positive impact on the morale and team spirit of the employees. The Company has continued to give special attention to Human Resources/Industrial Relations development. Industrial relations remained cordial throughout the year and there was no incidence of strike, lock-out etc. Functional training and employee engagement was given adequate weightage during the year to enhance employee productivity and morale. Re-training on occupational, health, safety and environment were carried out in both the manufacturing facilities to improve awareness.

**CAUTIONARY STATEMENT:**

Statement in this Management Discussion and Analysis Report, describing the Company's objectives, estimates and expectations may constitute 'Forward Looking Statements' within the meaning of applicable laws or regulations. Actual results might differ materially from those either expressed or implied.

### **Managements' Responsibility for the Financial Statements:**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (“the Act”) with respect to the preparation of these Ind As financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the India Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with relevant rules issued thereunder.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these Ind AS Financial Statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation and fair presentation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements.

**“Annexure B” to the Independent Auditor’s Report of even date on the Financial Statements of KANSAL FIBRES LTD.**

**Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of **KANSAL FIBRES LTD.** (“the Company”) as of March 31, 2018 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

**Management’s Responsibility for Internal Financial Controls**

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors’ Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by ICAI on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

## **Meaning of Internal Financial Controls Over Financial Reporting**

*Kansal Fibres Limited  
(Annual Report 2017-18)*

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

## **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## **Opinion**

In our opinion,, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**NOTE: 1.1 –SIGNIFICANT ACCOUNTING POLICIES**

This note provides a list of the significant accounting policies adopted in the preparation of these standalone financial statements. These Policies have been consistently applied to all the years presented, unless otherwise stated.

**(i) Basis Of Preparation**

**(a) Compliance with Ind AS**

The Standalone financial statements for the period ended 31<sup>st</sup> March, 2018 comply in all material aspects with Indian Accounting Standards (Ind AS) notified under section 133 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

**(ii) Revenue recognition**

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are inclusive of excise duty and net of returns, trade allowances, rebates, value added taxes, goods and service tax and amounts collected on behalf of third parties.

The Company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and specific criteria have been met for each of the company's activities. The company bases its estimates on historical results, taking into consideration the type of customer, the type of transactions and the specifics of each arrangement.

The Company recognises revenue when significant risk and rewards pertaining to ownership of goods get transferred from Seller to buyer.

**(iii) Income Tax**

The income tax expenses or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

Deferred income tax is provided in full, using the liability method, on temporary difference arising between the tax bases of assets and liabilities and their carrying amounts in the standalone financial statements. However, deferred tax liabilities are not recognised if they arise from the initial recognition of goodwill. Deferred income tax is determined using the tax rates that have been enacted or substantially enacted by the

end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred Tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax liabilities are not recognised for temporary differences between the carrying amount and tax bases of investment in subsidiaries, associates and interest in joint arrangements where the company is able to control the timing of reversal of the temporary differences and it is probable that the differences will not reverse in the foreseeable future.

Deferred Tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relates to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

**(iv) Cash and Cash Equivalents**

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investment with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts.

**(v) Trade Receivables**

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method.

**(vi) Investment and other Financial Assets**

**(a) Classification**

The Group classifies its financial assets in the measurement categories:

- Those to be measured subsequently at fair value, and
- Those measured at amortised cost.

The Classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will be recorded in profit or loss. For investment in equity instruments, this will depend on whether group

has made an irrecoverable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

**(b) Measurement**

The Company subsequently measures all equity investments at fair value. Where the company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognised in profit or loss as other income when the company's right to receive payments is established.

**(vii) Offsetting Financial Instruments**

Financial assets and liabilities are offset and the net amount is reported in balance sheet where there is legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the assets and settle the liability simultaneously.

**(viii) Borrowings**

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities recognised as transaction costs of the loan to the extent that is probable that some or all of the facility will be drawn down.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to other party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss as other gain/(loss).

Borrowings are classified as current liabilities unless the group has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of material provision of a long term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of financial statements for issue, not to demand payment as a consequences of breach.

**(ix) Borrowing Cost**

General and specific borrowings costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Investment income earned on temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowings cost eligible for capitalisation.

Other borrowings costs are expensed in the period in which they are incurred.

**(xi) Provisions**

Provisions for legal claims, service warranties, volume discounts and returns are recognised when the company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Where there are number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

The measurement of provision for restructuring includes only direct expenditure arising from the restructuring, which are both necessarily entailed by the restructuring and not associated with the ongoing activities of the company.

**(xii) Employee Benefits**

**(a) Short-term Obligations**

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of Employees services up to the end of reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

**(b) Other Long-term Employee benefit Obligations**

The liabilities for earned leave and sick leave are not expected to be settled wholly within 12 months after the end of the reporting period in which the employees render the related service. The obligations are presented as current liabilities in the balance sheet if the entity does not have unconditional right to defer settlement for at least 12 months after thereporting period, regardless of when the actual settlement is expected to occur.

**(c) Post-employment obligations**

The company operates the following post-employment schemes:

- defined benefit plans such as gratuity,
- defined contribution plan such as provident fund.

The company pays provident fund contributions to publicly administrated provident funds as per local regulations. The company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expenses where they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payment is available.

**(xiii) Contributed Equity**

Equity shares are classified as equity.

**(a) Earnings per Share**

Basic earnings per share is calculated by dividing:

- the profit attributable to the owners group
- by the weighted average number of equity shares outstanding during the year

**(b) Rounding off amounts**

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.
