REPORT ON CORPORATE GOVERNANCE

Company's Philosophy on Code of Governance

Vision Corporate Governance principles are based on the principles of transparency, responsibility, accountability, knowledge and commitment to values. The Company adheres to good corporate practices and is constantly striving to better them and adopt emerging best practices.

The Company firmly believes that these aspects as well as compliances of applicable legislations and timely disclosures enhance the image of the Company and the long term value of all Shareholders and Stakeholders. Broadly, however, good corporate governance practices should aim at striking a balance between interests of various stakeholders on the one hand and the duties and responsibilities of the Board and senior management in overseeing the affairs of the Company on the other.

Board of Directors

The Company has a very balanced and diverse Board of Directors ("Board"), which primarily takes care of the business needs and stakeholders' interest. The Company has a judicious mix of Executive and Non- Executive Directors. As on March 31, 2017, the Board presently consists of a Managing Director and a Whole-time Director out of which one is Women Director.

Apart from reimbursement of expenses incurred in the discharge of their duties and the remuneration for Independent Directors as entitled under the Companies Act, 2013, none of these Directors has any other material pecuniary relationships or transactions with the Company, its Promoters, its Directors, its Senior Management, which in their judgment would affect their independence.

All the Independent Directors of the Company furnish declarations annually that they satisfy the conditions of their being independent. All such declarations are placed before the Board. Further, pursuant to Section 164(2) of Companies Act, 2013, all the Directors have provided declarations annually in Form DIR-8 that they have not been disqualified to act as Director. No Director is related to any other Director on the Board in terms of the definition of 'relative' given under the Companies Act, 2013.

None of the Directors held Directorships in more than 10 public limited companies. All Directors are also in compliance of the limit on Independent Directorships of listed companies as prescribed in Regulation 25(1) of the Listing Regulations. Further, none of the Directors on the Board is a Member of more than 10 Committees and / or Chairman of more than 5 Committees (Committees being Audit Committee and Stakeholders Relationship Committee, as per Regulation 26(1) of the Listing Regulations) across all the Companies in which he / she is a Director. The necessary disclosures regarding committee positions have been made by all the Directors.

Composition of Board and other related matters

The Board of Directors presently consists of a Managing Director and a Whole-time Director out of which one is Women Director. Details are as given hereunder. The Board has received confirmation from the Non-Executive and Independent Directors that they qualify to be considered as independent as per the definition of 'Independent Director' and Section 149(6) of the Companies Act, 2013 (hereinafter called "the Act"). None of the Directors of the Company is related to each other.

Necessary disclosures regarding committee positions in other public companies as on March 31, 2017 have been made by the Directors.

MANAGEMENT DISCUSSIONS AND ANALYSIS REPORTS

This MD&A provides analysis of the operating performance of the Company's two business segments, as well as a discussion of cash flows, the impact of risks and outlook for the business, Additional information about the Company.

This discussion and analysis is the responsibility of management. The Board of Directors carries out its responsibilities for review of this disclosure principally through its Audit Committee, comprised exclusively of independent Directors. The Audit Committee has reviewed and approved this disclosure and it has also been approved by the Board of Directors.

The management of the Company is presenting herein the overview, opportunities and threats, initiatives by the Company and overall strategy of the Company and its outlook for the future. This outlook is based on management's own assessment and it may vary due to future economic and other future developments in the country.

Segment-wise Performance

The Company operates in One reportable segments i.e. Movies and entertainment. The Business Segments has been identified as separate segment in accordance with Accounting Standard 17 'Segment Reporting'.

Risk Management

Any slowdown in economic growth in India could cause the business of the Company to suffer. While the Indian economy has shown sustained growth over the last several years, the growth in industrial production has been variable. Any slowdown in the Indian economy and particularly in the demand for housing and infrastructure, could adversely affect the Company's business. Similarly, any sustained volatility in global commodity prices, including a significant increase in the prices of oil and petroleum products, could once again spark off a new inflationary cycle, thereby curtailing the purchasing power of financial products by consumers. RCL manages these risks by maintaining a conservative financial profile and following prudent business and risk management practices.

Opportunities in Financial Industry

Opportunities-

- Low retail penetration of financial services/ products in India
- Tremendous brand strength and extensive distribution reach
- Opportunity to cross sell services
- Increasing per-capita GDP
- Changing demographic profile of the country in favour of the young

Internal Control Systems And Their Adequacy

We maintain adequate internal control systems commensurate with the nature of business, size and complexity of its operations. We have well-established processes, guidelines and procedures to augment the internal controls. This, coupled with adequate internal information systems ensures proper information flow for the decision-making process. The internal control system is designed to ensure maintenance of proper accounting controls, monitoring of operations, protection and

conservation of assets and compliances with applicable laws and regulations. These controls ensure that financial and other records are reliable for preparing financial statements and other information.

We also address any issues identified by regulatory inspection teams very diligently and report the same to the Board of Directors and the regulators.

Human Resources

During the year under review, HR continued to undertake initiatives towards development, enhancement and retention of workforce. Your Company strongly believes that employees are central to the Company's transformation agenda and that it is important to build capabilities of employees to handle both current and future needs. During the year, the Company worked extensively on identifying the needs of employees across all categories and level. The Company has built a young and vibrant team of qualified and competent professionals to meet the emerging business challenges and market competition.

Cautionary Statement

Statements in the Management Discussion and Analysis, describing the Company's objective, projections and estimates, are forward looking statements and progressive within the meaning of applicable security laws and regulations. Actual results may vary from those expressed or implied, depending upon economic conditions, Government Policies and other incidental/related factors.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF ANERI FINCAP LIMITED (FORMERLY KNOWN AS FARRY INDUSTRIES LIMITED)

Report on the Standalone Financial Statements

Report on the Standalone Financial Statements We have audited the accompanying standalone financial statements of **ANERI FINCAP LIMITED (FORMERLY KNOWN AS FARRY INDUSTRIES LIMITED)** ('the Company'), which comprise the balance sheet as at 31st March 2017, the statement of profit and loss and the cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these Standalone Financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating

the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2017, and its profit/loss and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books
- (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account and with the accounts of the branches
- (e) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (f) On the basis of the written representations received from the Directors as on 31st March, 2015, taken on record by the Board of Directors, none of the Directors is disqualified as on 31st March, 2017 from being appointed as a Director in terms of Section 164 (2) of the Act.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Notes forming part of Financial Statements

Basis of Preparation

The financial statements of the Company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP). The Company has prepared these financial statements to comply in all material respects with the accounting standards notified under the Companies (Accounting Standards) Rules, 2006 (as amended) and the relevant provisions of the companies Act 1956. The Financial statements have been prepared on an accrual basis. The accounting policies adopted in the preparation of financial statements are considered with those of previous year, except for the change in accounting policy explained below.

Summary of significant accounting policies

a. Use of estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

b. Tangible fixed assets

Fixed assets, except land and buildings are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price borrowing costs if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

Subsequent expenditure related to an item of fixed asset is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. Other expense on existing fixed assets including day-to-day repair and maintenance expenditure and cost of replacing parts are charged to the statement of profit and loss for the period.

c. Depreciation on tangible fixed assets

Deprecation on fixed assets is calculated on a WDV method using the rates specified under the Schedule XIV to the Companies Act, 1956 arrived on the basis of the useful lives estimated by the management.

d. Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses if any. Internally generated intangible assets, excluding capitalized development costs, are not capitalized and expenditure is reflected in the statement of profit and loss in the year in which the expenditure is incurred.

Intangible assets are amortized on a straight line basis over the estimated useful economic life. All other intangible assets are assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortization period and the amortization method are reviewed at least at each financial year end. If the expected useful life of the asset is significantly different from previous estimates, the amortization period is changed

accordingly. If there has been a significant change in the expected pattern of economic benefits from the asset, the amortization method is changed to reflect the changed pattern. Such changes are accounted for in accordance with AS 5 Net Profit or Loss for the Period, Prior Period Items and Changes in Accounting Policies. Gains or losses arising from derecognizing of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

e. Borrowing Cost

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a Substantial period of time to get ready for its Intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

f. Impairment of tangible and Intangible assets

Management periodically assesses using, external and internal sources, whether there is an indication that an asset may be impaired. An impairment loss is recognized wherever the carrying value of an asset exceeds its recoverable amount. The recoverable amount is higher of the asset's net selling price and value in use i.e. the present value of future cash flows expected to arise from the continuing use of the asset and its eventual disposal. An impairment loss for an asset is reversed if there has been a change in the estimates used to determine the recoverable amount since the last impairment loss was recognized.

g. Investments

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long term investments. Current investments are carried at lower of cost and fair value determined on an individual investment basis. Long term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

h. Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized.

Sale of goods

Revenue from sale of goods is recognized when all the significant risks and rewards of ownership of the goods have been passed to the buyer, usually on delivery of the goods. The Company collects sales taxes and value added taxes (VAT) on behalf of the government and, therefore these are not economic benefits flowing to the Company. Hence, they excluded from revenue. Excise duty deducted from revenue (gross) is the amount that is included in the revenue (gross) and not the entire amount of liability arising during the year.

Income from services

Revenues from maintenance contracts are recognized pro-rata over the period of the contract as and when services are rendered. The Company collects service tax on behalf of

the government and, therefore it is not an economic benefit flowing to the Company. Hence it is excluded from revenue.

Interest

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" In the statement of profit and loss.

Dividends

Dividend income is recognized when the Company's right to receive dividend is established by the reporting date.

i. Taxes on Income

Tax expense comprises current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India and tax laws prevailing in the respective tax jurisdictions where the Company operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred Income taxes reflect the impact of timing differences between taxable income and accounting Income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date. Deferred income tax relating to items recognized directly in equity is recognized in equity and not in the statement of profit and loss.

Deferred tax liabilities are recognized for taxable timing differences. Deferred tax assets are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the Company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

At each reporting date, the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax asset to the extent that it has become reasonably certain or virtually certain as the case may be that sufficient future taxable income will be available against which such deferred tax assets can be realized.

The carrying amount of deferred tax assets are reviewed at each reporting date. The Company writes-down the carrying amount of deferred tax asset to the extent that it is no longer reasonably certain or virtually certain as the case may be that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain as the case may be that sufficient future taxable income will be available.

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set-off current tax assets against current tax liabilities and the deferred tax assets and deferred taxes relate to the same taxable entity and *the* same taxation authority.

Minimum alternate tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. The Company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the

specified period. i.e the period for which MAT credit is allowed to be carried forward. In the year in which the Company recognizes MAT credit as an asset in accordance with the *Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax* under the *Income-tax Act, 1961*, the said asset is created by way of credit to the statement of profit and loss and shown as "MAT Credit Entitlement." The Company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period

j. Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders after deducting preference dividends and attributable taxes by the weighted average number of equity shares outstanding during the period. Partly paid equity shares are treated as a fraction of equity share to the extent that they are entitled to participate in dividends relative to a fully paid equity share during the reporting period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue bonus element in a rights issue, share split, and reverse share split consolidation of shares that have changed the number of equity shares outstanding without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

k. Provisions

A provision is recognized when the Company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Where the Company expects some or all of a provision to be reimbursed, for example under an insurance contract, the reimbursement is recognized as a separate asset but only when the reimbursement is virtually certain. The expense relating to any provision is presented in the statement of profit and loss net of any reimbursement.

l. Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

m. Cash and cash equivalents

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.

n. Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non cash nature and any deferrals or accruals of past or future

cash receipts or payments. The cash flows from operating, financing and investing activities of the Company are segregated.

o. Lease Accounting

- a) The onetime expense incurred and management fees earned, at the time of execution of Lease / Hire Purchase Agreements are charged to revenue, in the year of execution itself, as they are deemed to accrue then itself.
- b) Hire Purchase Assets are sold at cost and interest is charged to Hire Purchase Debtors as per the terms of the Hire Purchase Agreement.
- c) The Hire Purchase Debtors are accounted for at cost only and the outstanding balances therein, reflect the cost of the Hire Purchase Sales, yet to be recovered.
- d) The Company writes off lease assets under finance lease, over the lease period, by providing for Lease Equalization as per Guidance Note of the ICAI, in respect of accounting for leases.
