2. FINANCIAL PERFORMANCE

The Financial performance of the Company for the Financial Year 2015-16 is indicated below :

Particulars	2015-16 (₹)	2014-15 (₹)
Gross Income	0	2,91,61,640

Net Profit / (Loss)	(3,52,22,621)	(54,73,231)

During the year, the company incurred cash loss of ₹ 77,67,075 (previous year cash profit of ₹ 2,19,82,315). After providing for depreciation amounting to ₹ 2,74,55,546 (previous year ₹ 2,74,55,546), the total loss for the year stood at ₹ 3,52,22,621 (previous year loss of ₹ 54,73,231).

Future Outlook :

Your company's proposed plan for diversification into solar power generation did not materialize due to continuous decline in the prices of solar power which made the project uncertain and un-remunerative. The size of Projects have gone up steeply involving large funds. It is also noted that gestation period to realize profits is substantial and may not be suitable to the Company as of now. After prolonged and vigorous efforts through a bidding process, we could find a buyer for the old LPG machinery at Kakinada which is not being utilized at all for more than 20 year and the machinery is badly rusted & in a scrapped condition.

(Formerly SHRI SHAKTI LPG LTD.)

We are also in a serious dialogue with a buyer for our land at Kakinada & we expect the deal to be finalized soon.

With the funds so mobilized, we would be better equipped to take up the diversification proposals. For a quick turn around your company is exploring possibility of taking over a running company preferably in the field of hospitality and tourism which is experiencing good growth. In this direction Company will seek approval of shareholders for amending Objective Clause in Memorandum of Association of the Company and also Change in the Name to reflect wider activities the Company may pursue.

As you are aware, your company is already debt free and thus in a better position to achieve its objectives once the above is accomplished.

It has always been the endeavor of your Directors to turn around the company & start business operations once again. Your Directors are putting in all out efforts and are leaving no stone unturned to achieve the same.

MANAGEMENT DISCUSSION AND ANALYSIS

Shri Matre Power And Infrastructure Limited (SMPIL) formerly known as Shri Shakti LPG Ltd (SSLPG) was engaged in business of LPG marketing.

INDUSTRY STRUCTURE AND DEVELOPMENTS

LPG marketing was the monopoly of the Government Oil Companies who had piled up a huge waitlist. The Government of India in 1993 permitted the private sector participation with a commitment that the subsidy enjoyed by the Government Oil Companies would be removed in a phased manner in the next few years. It had also committed that the commercial and industrial LPG markets in India would be reserved exclusively for the private sector, till the subsidy withdrawal in the domestic sector is completed. None of the promises were implemented as a result of which the private sector companies were unable to run the LPG business on a profitable basis due to the total absence of the level playing field.

After a long suffering due to Government policies explained above and enormous amount of toil that has gone in to developing LPG business as a largest Private Sector player, Company had to abandon that activity.

The Company is now in the process of identifying suitable diversification activities including solar energy, hospitality and tourism industry.

OPPORTUNITIES AND THREATS

Your company has succeeded in implementing the strategy for its turn around which was as follows :

- a) One time Settlement (OTS) with term loan, working capital lenders and for unsecured loans wherein the entire accumulated interest along with considerable part of the principle amount is waived.
- b) Met OTS commitments and has become DEBT FREE.
- c) All efforts are being made for realization of amounts on unused assets which will be the seed capital for future Diversified businesses.

OUTLOOK

An area of diversification of Shri Matre Power & Infrastructure Limited (SMPIL) is Solar Energy and accordingly participating in various tenders for Solar Power Generation including the AP Government. In the AP Tender, SMPIL' s bid was the best at the location Amangal about 75 kms from Hyderabad. However, due to the bifurcation of the State in the meantime, the tender was cancelled.

(Formerly SHRI SHAKTI LPG LTD.)

The scenario of Solar Energy has drastically changed involving large out lay projects.

The Board decided that Hospitality and Tourism industry is one area with considerable potential particularly in the States of AP and Telangana. The Board accordingly decided that Company should explore possibility of acquiring /merging any other Company which is in Hospitality/Tourism business so that operations can be commenced within a short time. Keeping this in view it is proposed to broad base the Objective Clause in Memorandum of Association of Company and also change the name suitably to reflect new objectives.

Your Directors are optimistic that your Company would succeed in the above and commence operations in diversified activities during the year 2016-17.
