MANAGEMENT DISCUSSION AND ANALYSIS REPORT

INDUSTRY STRUCTURE AND DEVELOPMENTS:

India is the world's largest sourcing destination for the information technology (IT) industry, accounting for approximately 67 per cent of the US\$ 124-130 billion market. The industry employs about 10 million workforces. More importantly, the industry has led the economic transformation of the country and altered the perception of India in the global economy. India's cost competitiveness in providing IT services, which is approximately 3-4 times cheaper than the US, continues to be the mainstay of its Unique Selling Proposition (USP) in the global sourcing market. However, India is also gaining prominence in terms of intellectual capital with several global IT firms setting up their innovation centres in India.

The IT industry has also created significant demand in the Indian education sector, especially for engineering and computer science. The Indian IT and ITeS industry is divided into four major segments – IT services, Business Process Management (BPM), software products and engineering services, and hardware.

Road Ahead

India is the topmost offshoring destination for IT companies across the world. Having proven its capabilities in delivering both on-shore and off-shore services to global clients, emerging technologies now offer an entire new gamut of opportunities for top IT firms in India. Social, Mobility, Analytics and Cloud (SMAC) are collectively expected to offer a US\$ 1 trillion opportunity. Cloud represents the largest opportunity under SMAC, increasing at a CAGR of approximately 30 per cent to around US\$ 650-700 billion by 2020. The social media is the second most lucrative segment for IT firms, offering a US\$ 250 billion market opportunity by 2020. The Indian e-commerce segment is US\$ 12 billion in size and is witnessing strong growth and thereby offers another attractive avenue for IT companies to develop products and services to cater to the high growth consumer segment.

INDIAN INDUSTRY SCENARIO:

India, the fourth largest base for new businesses in the world and home to over 3,100 tech start-ups, is set to increase its base to 11,500 tech start-ups by 2020, as per a report by NASSCOM.

The Indian IT sector is expected to grow at a rate of 12-14 per cent for Financial Year 2016 in constant currency terms. The sector is also expected triple its current annual revenue to reach US\$ 350 billion by Financial Year 2025, as per National Association of Software and Services Companies (NASSCOM).

India's internet economy is expected to touch Rs 10 trillion (US\$ 146.72 billion) by 2018, accounting for 5 per cent of the country's GDP, according to a report by the Boston Consulting Group (BCG) and Internet and Mobile Association of India (IAMAI). India's internet user base reached over 350 million by June 2015, the third largest in the world, while the number of social media users grew to 143 million by April 2015 and smartphones grew to 160 million. Future growth in the IT sector will

be fueled by growing demand of global corporations for new services such as digital technology, mobile applications and cloud computing, said officials at Nasscom.

Faced with increased competition and pressure on prices for routine services, the companies are now looking to move up the value chain and boost growth by tapping high-margin businesses including artificial intelligence and automation.

The outsourcing sector, which makes as much as three-quarters of its sales from the United States and Europe, employs roughly 3.5 million people, the bulk of them in India, and accounts for 9.5 percent of the country's gross domestic product, the lobby group said.

OPPORTUNITIES, THREATS, RISKS AND CONCERNS:

Some of the major initiatives taken by the government to promote IT and ITeS sector in India are as follows:

- The Indian government is expected to increase its spending on information technology (IT) products and services by 5.2 per cent to US\$ 6.88 billion in FY 2015-16.
- The Government of India has launched the Digital India program to provide several government services to the people using IT and to integrate the government departments and the people of India. The adoption of key technologies across sectors spurred by the 'Digital India Initiative' could help boost India's Gross Domestic Product (GDP) by US\$ 550 billion to US\$ 1 trillion by 2025, as per research firm McKinsey.
- India and the US have agreed to jointly explore opportunities for collaboration on implementing India's ambitious Rs 1.13 trillion (US\$ 16.58 billion) 'Digital India Initiative'. The two sides also agreed to hold the US-India Information and Communication Technology (ICT) Working Group in India later this year.
- The Government of Telangana has begun construction of a technology incubator in Hyderabad-dubbed T-Hub-to reposition the city as a technology destination. The state government is initially investing Rs 35 crore (US\$ 5.14 million) to set up a 60,000 sq ft space, labelled the largest start-up incubator in the county, at the campus of International Institute of Information Technology-Hyderabad (IIIT-H). Once completed, the project is proposed to be the world's biggest start-up incubator housing 1,000 start-ups.

Technology Industry Outlook - 2016

Technology is not only fueling major business transformation across industries, it's also changing how technology enterprises sell their products and services, operate, and plan for future growth, says Paul Sallomi, Global Technology, Media & Telecommunications Industry leader and US and Global Technology Sector leader.

Where do you see opportunities for growth in 2016?

Technology is the backbone of the digital economy. The rate of change and the level of disruption driven by modern technology are exponential. Advancements in computer processing power, data storage, and chip design; the ubiquity of bandwidth; enterprise mobility; and many other

developments that have unfolded in recent years are enabling myriad opportunities that were once impossible, both technologically and economically.

Now, we have reached a tipping point where cognitive computing, big data analytics, cloud computing, and the rapidly growing Internet of Things (IoT) are transforming businesses around the globe-including those outside the technology sector. We're also seeing promising advancements in materials, software, fabrication techniques and machine design that are likely to lead to an expansion in enterprise applications for additive manufacturing (3D printing).

Meanwhile, in the technology industry itself, enterprises are making plans for the next economy rising from today's disruptive and unprecedented change.

We are seeing technology businesses beginning to think more strategically about adapting their business models and operations, and creating new revenue opportunities. Companies across the entire IT services landscape are changing how they deliver their offerings, shifting toward more flexible consumption business models that allow customers the flexibility to consume and pay for products and services based on need and usage.

Technology companies considering this path-which can create real value for businesses and customers-need to think strategically about how flexible consumption can drive future growth. Before evolving their business models, technology companies also must be prepared to manage near-term transition costs, which could be significant, and ensure that there is alignment and integration of key decisions.

OUTLOOK OF THE COMPANY:

Your Company's strength to invest in domains and technology capabilities ahead of the demand curve; to de-risk client engagements; and to differentiate through flexible business models and value added services. The Company focuses on bringing about business impact to its clients by maximizing returns on their investments in IT and Business Process Outsourcing.

Your Company's strength lies in its innate ability to understand the requirements of its clients and to continuously build the competencies and capabilities to provide integrated IT and BPO solutions unique to client specific needs and industry demands and adoption of social media, mobile, analytics and cloud (SMAC) technologies. The Company is building deep customer relationships. The Company's process capabilities and range of services provide a compelling value proposition for both existing and new customers.

We are continuously exploring opportunities to extend our competencies to tap adjacent markets and expand our customer base and offerings. In line with this strategy, we have identified market adjacencies like consumer/automotive electronics, where we see good fit and opportunity for Cat Technologies Limited. We plan to acquire new customers in these adjacencies so that revenue from these accounts should increase for the future.

INTERNAL CONTROL SYSTEMS AND ADEQUACY:

The Company has adequate internal control systems, procedures; checks designed to provide reasonable assurance on achievement of the objectives relating to efficiency and effectiveness of

operations, reliability of financial reporting and compliance with applicable laws, regulations and generally accepted accounting principles.

The Company has an internal audit function, which is empowered to examine the adequacy and compliance with policies, plans and statutory requirements. The management duly considers and takes appropriate action on the recommendations made by the statutory auditors, internal auditors and independent Audit Committee of the Board of Directors. The observations of the Auditors are reviewed at periodical intervals by the top management and the Audit Committee.

DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

Global Operations

INDEPENDENT AUDITOR'S REPORT

To the Members of
CAT Technologies Limited

Report on the Financial Statements

We have audited the accompanying financial statements of CAT Technologies Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2016, the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial control that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under. We conducted our audit in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances but not for the purpose

of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2016, its loss, and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's report) Order, 2016 ("the Order") issued by the Central Government of India in terms of subsection (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - (b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The Balance Sheet, Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
 - (e) On the basis of written representations received from the directors as on March 31, 2016, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2016, from being appointed as a director in terms of section 164 (2) of the Act;
 - (f) With respect to the adequacy of the Internal Financial Control over financial reporting of the Company and the operating effectiveness of the such control refer our separate report in Annexure - B.

- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigations which would impact its financial position.

Annexure B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub - section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of CAT Technologies Limited ("the Company") as of March 31, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the guidance note on Audit of internal financial controls over financial reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note"). These responsibilities include design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of accounting records, and timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the standards on Auditing prescribed under section 143(10) of the Companies Act, 2013 and the Guidance Note, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Notes require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial

statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company.
2. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company and
3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the company's assets that could have a material effect on the financial statements

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the company has, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the guidance note.

Notes to the Financial Statements

1. General Information

CAT Technologies Limited (the “Company” or “CAT”) is engaged in the business of Software Development, IT Consulting Services, Medical Transcription and other Information Technology Services. Company is having its Registered Office at 1st Floor, Champa Mansion, Nampally Station Road, Hyderabad – 500 001.

2. Summary of Significant Accounting Policies

Basis for preparation of Financial Statements

These Financial Statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention on accrual basis. These Financial Statements have been prepared to comply in all material aspects with the accounting standards notified under Section 133 read with rule 7 of Companies (Accounts) Rules, 2014, as amended from time to time] and the other relevant provisions of the Companies Act, 2013.

All Assets and Liabilities have been classified as current or non-current as the case may be, as per the Company’s normal operative cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Since the Company is in the business of Medical Transcription, Training, Software Development and consulting services, the Company has determined its operative cycle as 12 months for the purpose of current – noncurrent classification of Assets and Liabilities.

Preparation of the financial statements, in conformity with generally accepted principles, requires the use of estimates and assumptions that affect the reported amount of assets and liabilities as at the Balance Sheet date, reported amounts of revenues and expenses during the year and disclosure of contingent liabilities as at that date. The estimates and the assumptions used in these financial statements are purely based upon the management’s evaluation of relevant facts and circumstances as of the date of the financial statements.

2.1. Tangible Assets

Tangible Assets are stated at acquisition cost, net of accumulated depreciation along with accumulated impairment losses. Cost comprises of the purchase price and other attributable direct & indirect expenses like inward freight, expenses, taxes and duties etc., and cost of borrowings till the date of capitalization.

Subsequent expenditures related to an item of fixed asset are added to its book value only if they increase the future benefits from the existing asset beyond items previously assessed standard of performance.

Gains or Losses arising from the retirement or disposal of fixed assets which are carried at cost are recognized in the statement of Profit and Loss Account.

Depreciation for the year has been provided on Straight-Line Method as per the rates prescribed under Schedule II of the Companies Act, 2013 and the same is consistent with the method followed by the Company in the previous years.

2.2. Intangible Assets

Intangible Assets are stated at acquisition cost, net of accumulated amortization and accumulated impairment losses, if any. Intangible assets are amortised on straight line basis over their estimated life on the decision of the management. The amortization period and the amortization method are reviewed by the management at each financial year end. If the expected period of usage is significantly different from the previous estimates, the amortization period is changed accordingly based on the management decision.

Gains or losses arising from the retirement or disposal of an intangible asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized as income or expense as the case may be, in the Statement of Profit and Loss.

2.3. Borrowing Costs

General and specific borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, that necessarily take a substantial period of time to get ready for their intended use of operation or sale, are added to the cost of the respective assets. All other borrowing costs are recognized as financial costs in Statement of Profit and Loss for the period in which they are incurred.

2.4. Impairment of Assets

Assessment is done at each Balance Sheet date as to whether there is any indication that an asset (tangible and intangible) may be impaired. Assets, which are impaired by disuse or obsolescence, are segregated from the concerned asset category and shown as deletions in the Fixed Assets (schedule) and appropriate provision, is made for the difference between the net carrying cost, and the net realizable value in respect of the dismissed or deleted assets.

2.5. Investments

Investments that are readily realisable and are intended to be held for not more than one year, from the date of such investments, are classified as current investments. All other investments are classified as long term investments. Current investments are carried at cost or fair value, whichever is lower. Long-term investments are carried at cost. However, suitable provision for diminution in value is made to recognize the decline, other than temporary, in the value of the relevant investments, individually.

2.6. Sundry Debtors and Advances

Sundry Debtors and Advances are considered at the realizable value. Specific debts and advances identified as irrecoverable and doubtful are written off or provided for respectively and the same are suitably considered in the Statement of Profit & Loss for the year.

2.7. Cash and Cash Equivalents

In the Financial Statements, cash and cash equivalents include cash in hand, cash at banks and fixed deposits with banks.

2.8. Foreign Currency Translation

Transactions effected during the year in foreign currency are recorded at the exchange rate prevailing at the time of respective transactions. Assets and Liabilities related to foreign currency transactions remaining unsettled at the year-end are translated at contract rates, which are covered by foreign exchange contracts and at applicable year-end rate in other cases. Realized gains/losses, particularly in respect of Commercial Debts realized by way of foreign exchange transactions other than those relating to fixed assets, are considered appropriately in the Statement of Profit & Loss. Gain/Loss on transaction of long-term liabilities incurred to acquire fixed assets is treated as an adjustment to the carrying cost of the respective fixed assets.

2.9. Revenue Recognition

Revenue from software development on fixed-price and fixed –time frame contract, where there is no uncertainty as to measurement or collectability , revenue consideration is recognized as per the percentage of completion method.

2.10. Employee Benefits

Gratuity & Leave Encashment: Liability in respect of gratuity and leave encashment benefit on retirement is accounted for as and when paid. Hence no provision has been made.

2.11. Current and Deferred Tax

- 2.12.1 Current Tax: Tax expense for the period, comprising of current tax and deferred tax, are included in the determination of the net profit or loss for the year. Provision for Current tax is made for the amount expected to be paid in respect of the taxable income for the year in accordance with the taxation laws.
- 2.12.2 Deferred Tax: Deferred Tax is recognized on timing differences; being the difference between taxable income and accounting income that originate in one period and is capable of reversal in subsequent periods, subject to consideration of prudence.

2.12.3 Minimum Alternative Tax: MAT credit is recognized as an asset only to the extent that there is possible evidence that the company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer possible evidence to the effect that the Company will pay normal income tax during the specified year.

2.12. Provisions and Contingent Liabilities

2.12.1. Provisions: Provisions are recognized when there is a present obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date and are not discounted to its present value.

2.12.2. Contingent Liabilities: Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is termed as a contingent liability.

2.13. Leases

Leases in which a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operative leases. The company's significant leasing arrangements are in respect of operating leases of office premises. The leasing arrangements are for a period ranging between one year to three years generally and are either renewable or cancelable by mutual consent and on agreed terms. Payments made under operating leases are charged in the Statement of Profit and Loss Account.

2.14. Segment Reporting

The accounting policies adopted for segment reporting are in conformity with the accounting policies adopted for the Company. Revenue and expenses have been identified to segments on the basis of their relationship to the operating activities of the segment.

2.15. Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's earnings per share are the net profit for the period after applicable taxes for the period. The weighted average value of equity shares considered for EPS is Rs.10/- per equity share.

Report on the Consolidated Financial Statements

We have audited the attached consolidated Balance Sheet of M/S CAT TECHNOLOGIES LIMITED (the "Holding Company") and its subsidiaries, hereinafter referred to as the "Group", comprising of the consolidated Balance Sheet as at 31st March 2016 and Statement of Profit & Loss and also the Cash Flow Statement of the Company for the year ended on that date annexed thereto. These consolidated financial statements are the responsibility of the Company's Management. Our responsibility is to express an opinion on these financial statements based on our audit.

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group including its Associates and Jointly controlled entities in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies included in the Group and of its associates and jointly controlled entities are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on whether the Holding Company has an adequate internal financial controls system over financial reporting in place and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in sub-paragraph (a) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, as at 31st March, 2016, and their consolidated profit/loss and their consolidated cash flows for the year ended on that date.

Notes to the Consolidated Financial Statements

1. Principles of Consolidation:

The consolidated financial statements relate to CAT Technologies Limited ('the Company') and its subsidiary companies. The consolidated financial statements have been prepared on the following basis:

- (i) The financial statements of the Company and its subsidiary companies are combine on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after fully eliminating intra-group balances and intra-group transactions in accordance with Accounting Standard (AS) 21- "Consolidated Financial Statements"
- (ii) In case of foreign subsidiaries, being non-integral foreign operations, revenue items are consolidated at the average rate prevailing during the year. All assets and liabilities are converted at rates prevailing at the end of the year. Any exchange difference arising on consolidation is recognized in the exchange fluctuation reserve.
- (iii) The difference between the cost of investment in the subsidiaries, over the net assets at the time of acquisition of shares in the subsidiaries is recognized in the financial statements as Goodwill or Capital Reserve as the case may be.
- (iv) As far as possible, the consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented in the same manner as the Company's separate financial statements.
- (v) Investments other than in subsidiaries and associates have been accounted as per Accounting Standard (AS) 13 on "Accounting for Investments"

2. Consolidated Contingent Liabilities

There are no consolidated contingent liabilities.

3. Capital and other commitments

There are no capital and other commitments as on the date of Balance Sheet.

4. Exceptional and Extraordinary items

There are no exceptional and extraordinary items.

5. Other Disclosures

a. Goodwill

During the previous year's goodwill was considered under Miscellaneous expenditure not written off, where as in the current year as per the revised schedule III goodwill is grouped under intangible assets. As per the decision of the Management, Goodwill is not being written off.

b. Segment Reporting

The Company's exclusive business is Medical Transcription, Training Software Development and Consulting Services as such this is the only reportable segment as per Accounting Standard - 17 on Segment Reporting issued by the Institute of Chartered Accountants of India. As the Company consider whole of India as a-single geographical segment, the disclosures related to secondary segments are not relevant for the Company.

c. Taxation

Current tax is reckoned based on the current year's income and tax payable in accordance with the prevailing tax laws.

In accordance with Accounting Standard 22 on Accounting for Taxes on Income, the Company has computed Deferred Tax Asset amounting to Rs.3,45,943/- on account of timing difference in relation to depreciation as per books vis-à-vis Tax Laws.

d. Previous Year Figures

The previous year figures have also been reclassified/re-grouped to confirm the current year's classification. The adoption of Revised Schedule III for previous year figures does not impact recognition and measurement principles followed for preparation of financial statements except for accounting disclosure.
