Explanatory statement

ITEM NO: 4 Ratification of Cost Auditors Remuneration for FY : 2017-18

The Board of Directors, on recommendation of the Audit committee, at their meeting held on 29th August, 2017 has approved the appointment and remuneration of the M/s. Sagar & Associates, Cost Accountants in practice, as Cost Auditors of the company to conduct the audit of the cost records of the Company for the financial year ending 31st March, 2018 on a remuneration of Rs. 75000/- (Rupees Seventy five Thousand Only).

In accordance with the provisions of Section 148 of the Act read with the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the Cost Auditors has to be ratified by the shareholders of the Company.

Accordingly, consent of the members is sought for passing an Ordinary Resolution as set out at Item No. 4 of the Notice for ratification of the remuneration payable to the Cost Auditors for the financial year ending 31st March, 2018.

None of the other Directors / Key Managerial Personnel of the Company / their relatives is, in any way interested, financially or otherwise, in this resolution.

ITEM NO : 5 Adoption of MOA as per Companies Act, 2013.

As per the provisions of section 4 of the Companies Act, 2013, read with the Companies (Incorporation) Rules, 2014 the Memorandum of Association of the Company will no longer carry other objects Clause. However, the existing Memorandum of Association of the Company carries other objects Clause.

In order to comply with section 4 of the Act, it is proposed to alter Memorandum of Association of the Company by deleting Clause III(C) – OTHER OBJECTS and accordingly Memorandum of Association will no longer carry other objects.

A copy of the proposed set of new Memorandum of Association of the Company would be available for inspection for the members at the Registered Office of the Company during the office hours on any working day between 11.00 a.m. to 6.00 p.m.

None of the Directors, Key Managerial Personnel of Company and their relatives are concerned or interested in the said resolution.

ITEM NO: 6 To Approve the increase in borrowing limits and conversion of the same into equity capital.

The Board of Directors of the Company at their meeting held on 29.08.2017 authorized the Board to borrow monies in excess of the paid capital and free reserves up to an amount not exceeding Rs.120 crores.

It is proposed to take the approval of the members of the Company to borrow monies in the form of either secured or unsecured loans with the option to convert the said loans into equity share capital of the Company with the consent of the Lenders collectively or independently.

As per the provisions of Section 62(3) and other applicable provisions if any, of the Companies Act, 2013 and rules made there under, acceptance of secured/ unsecured loans and convert into Equity Share Capital at a later date requires the approval of the shareholders of the Company by means of Special Resolution duly passed in the General Meeting of the Company. Your directors feel that this proposal is at the best interest of the company.

None of the Directors of the Company/KMPs or relatives of Directors are interested in this resolution.

All the documents referred to in the accompanying Notice and Statement Annexed thereto would be available for inspection without any fee by the members at the Registered Office of the Company during 10:00 A.M. to 1:00 P.M on any working day (excluding Sunday) up to the date of the meeting.

Management Discussion and Analysis

a) Industry structure and developments

According to reports Global Agrochemical Market was estimated at USD 214.2 billion in 2015 and was expected to grow at CGAR of 3.2% to USD 250.5 billion by 2020. The Crop Protection Chemical Market was estimated at USD 52 billion in 2015 and expected to grow at CGAR of 6.2% to USD 82 billion by 2020.

There is high growth potential for the agrochemical market in the untapped, emerging markets of India and China. Currently, India's consumption of pesticide stands at 0.6 kilograms per hectare, which is among the lowest compared with 5-7 kilograms per hectare in the UK and nearly 13 kilograms per hectare in China. With increasing awareness among farmers, further penetration will lead to a rise in the consumption pattern.

b) Opportunities and Threats

India imports close to USD 925 million, or about Rs 5,900 crore, worth of technical pesticides, intermediaries, and finished products a year, of which around 55% comes from China. Pesticides import from China has also been increasing at CAGR of 6% since 2007. Under the Make in India scheme, the Govt. of India is taking initiatives to support the domestic manufacturing companies by restricting the import of Agrochemical active ingredients and its formulations. Imports from China are expected to reduce by 80% due to the regulatory changes proposed to boost local production of pesticides. A large portion of imports will shift from formulated products to raw materials. BCIL is actively pursuing registration of many products for domestic market which would result in increase in product base and revenues in domestic market.

Rising sale of spurious pesticides and spiked bio-pesticides pose a major threat to the industry. Going forward, the industry needs increased scope of regulations to include all types of pesticides including biopesticides and increased inspection to contain the growth of spurious products.

c) Financial performance vis-a-vis operational performance

The sales revenue of the company increased from Rs.150 crores to Rs.200 crores. The company has obtained registration for one of its key products Azoxystrobin into the US resulting in, increased market for the product. Azoxystrobin and Chlorpyrifos will be the key products for the company in FY: 2017-18 which is expected to contribute to more than 50% of the company's revenues.

d) Outlook

The domestic market is expected to do well on account of good monsoon. The domestic revenues are expected to increase in comparison to the export revenues.

e) Risks and Concerns

Most of the Indian companies are dependent on supply of agrochemical intermediates from China. The availability and pricing of these intermediates have significant bearing on the profitability. By backward integration of the manufacturing process to the base chemicals, the dependency on specific intermediates can be greatly reduced.

f) Internal Control System and their adequacy

The company has proper and adequate systems of internal controls which ensure that all the assets are safeguarded and that all transactions are authorized recorded and reported correctly. The company maintains adequate and effective control system and suitable monitoring procedures with regard to the purchase of raw materials, stores, plant & machinery, equipment and other assets as well as sale of goods. The finance and commercial functions have been structured to provide adequate support and controls for the business of the company.

g) Industrial Relations and Human Resource Development

The company has cordial and harmonious industrial relations. Opportunities for individual growth, creativity and dedicated participation is organizational development are being provided.

INDEPENDENT AUDITOR'S REPORT

To the Members of

Bhagiradha Chemicals & Industries Limited

Report on the Financial Statement

We have audited the accompanying financial statements of **Bhagiradha Chemicals & Industries Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2017, and the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility For the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified Under Section 133 of Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has a place an adequate financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31-03-2017 and its profit and its cash flows for the year ended on that date.

Report on Internal Financial Controls Over Financial Reporting

Annexure “B” to the Independent Auditor’s Report of even date on the Financial Statements of Bhagiradha Chemicals & Industries Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Bhagiradha Chemicals & Industries Limited (“the Company”) as of March 31, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that

receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTE – 23

Disclosure of Accounting Policies and Notes on Accounts Forming part of Financial Statements

Notes annexed to and forming part of the Balance Sheet as at March 31st, 2017 and the Statement of Profit & Loss for the year ended on that date:

NOTE ON OPERATIONS:

Bhagiradha Chemicals & Industries Limited was incorporated on 07th July, 1993 in Hyderabad, has got the manufacturing facility at Ongole District, Andhra Pradesh and is engaged in manufacturing of Pesticides.

I. SIGNIFICANT ACCOUNTING POLICIES**a) Basis of Accounting**

The company follows the mercantile system of accounting and recognizes income and expenditure on accrual basis unless otherwise stated. The financial statements are prepared under the historical cost convention and comply with applicable Accounting Standards issued by the Institute of Chartered Accountants of India and the relevant provisions of the Companies Act, 2013.

b) Revenue Recognition

- i) Revenues from the sale of goods are recognized upon passage of title to the customers which generally coincides with their delivery.
- ii) Export incentives are recognized when the right to receive credit as per the terms of incentives is established in respect of the exports made.

c) Use of Estimates

The preparation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known / materialized.

d) Fixed Assets

Fixed Assets are stated at cost of acquisition including any attributable cost for bringing the asset to its working condition for its intended use less MODVAT/CENVAT Credit availed and accumulated depreciation.

e) Impairment of Assets

Management periodically assesses using external and internal sources whether there is an indication that an asset may be impaired. Impairment occurs where the carrying value exceeds the recoverable amount. The impairment loss which is the excess of carrying amount over the higher of the assets net selling price or present value of future cash flows expected to arise from the continuing use of the assets and its eventual disposal is charged to the Profit & Loss Account in the respective years.

f) Depreciation

Depreciation on fixed assets has been provided on straight line method on the basis of useful life's as prescribed in Schedule II to the Companies Act 2013 on pro rata basis.

In respect of Intangible assets depreciation is calculated for Technical knowhow @ 5.28% and Computer Software @ 33.33%.

g) Inventories

Inventories are valued at lower of cost and net realizable value. Cost is computed on weighted average method. Cost includes purchase cost net of CENVAT credit availed and attributable expenses.

Finished goods are valued at cost or net realizable value whichever is lower. Goods in transit are valued at cost which represents the cost incurred upto the stage at which the goods are in transit.

h) Foreign Currency Transactions

Foreign currency transactions are accounted at the exchange rates prevailing on the date of the transaction.

Gains and losses resulting from realizations on account of exports and imports in foreign currency remaining unrealized/ unpaid/unsettled at the year-end are recognized in the Profit & Loss Account.

Difference between the forward exchange contract rate and the exchange rate as at the reporting date, date of settlement/cancellation and renewal are recognized as income/expense and are accounted for in the Profit & Loss Account.

i) Employee Benefits

i) Short term employee benefits

Employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits and are recognized in the period in which the employee renders the related service.

ii) Post employment benefits (defined benefit plans)

The employee gratuity scheme is a defined benefit plan. The present value of the obligation under such defined benefit plan is determined at each Balance Sheet date based on an actuarial valuation carried out by LIC using the projected unit credit method. Actuarial gains and losses and past service costs are recognized immediately in the Profit and Loss Account.

iii) Post employment benefits (defined contribution plans)

Contributions to the provident fund which is a defined contribution scheme, are recognized as an expense in the profit and loss account in the period in which the contribution is due.

The estimates of future salary increases, considered in actuarial valuations take account of inflation, seniority, promotion and other relevant factors such as supply and demand factor in the employment market.

Investment details of the plan assets

In the absence of detailed information regarding plan assets which are funded with life Insurance corporation of India, the composition of each major category of plan assets, the percentage or amount of each category to the fair value of plan assets is not disclosed.

iv) Long term employee benefits

Long term employee benefits comprise of compensated absences. These are measured based on an actuarial valuation carried out by LIC using the projected unit method at each Balance Sheet date unless they are insignificant. Actuarial gains and losses and past service costs are recognized immediately in the Profit and Loss account.

As per Standing orders approved by Joint Commissioner of Labour, Guntur employee is entitled Paid leaves for 15 days for a year and unutilized balance is restricted to 120 days. The value of such leave balance eligible for carry forward, is determined by actuarial valuation and charged to revenue in the period determined. The scheme is fully funded by way of subscription to the "Leave Encashment Scheme" of Life Insurance Corporation of India.

j) Research and Development

Research and Development costs (other than cost of fixed assets acquired) are charged as an expense in the year in which they are incurred and are reflected under the appropriate head of account.

k) Borrowing Costs

Borrowing costs attributable to acquisition and construction of qualifying assets are capitalized as a part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. Interest on funds utilized is recognized as revenue expense in the year in which they are incurred. All other borrowing costs are charged to the revenue account based on their use.

l) Taxation

Income tax expense comprises of current tax and deferred tax. Deferred tax is accounted for the timing differences between the book and tax profits for the year using the current tax rates.

A provision is made for the current tax based on tax liability computed in accordance with relevant tax rates and tax laws.

m) Provisions & Contingencies

Provisions are recognized when there is a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation in respect of which the reliable estimate can be made. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

n) Earnings per Share (EPS)

The earnings considered in ascertaining the EPS comprises of the net profit after tax. The number of shares used in computing EPS is total number of fully paid shares comprised in the paid up share capital of the company.

o) Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit or (loss) before extraordinary items and tax is adjusted for the effects of transactions of non cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.
