THE CHAIRMAN'S LETTER TO SHAREHOLDERS

Indian Economy

India is the fourth fastest growing economy in the world at 7.1%. The various initiatives and reforms of the Modi Government have built the platform for a quantum leap ahead. High impact national projects, coming to grips with structural issues, which were holding back the country's progress, innovative approaches in policy making – have collectively contributed in driving India on a high growth trajectory. Going forward the abiding sense is one of immense optimism and confidence in the future with the nation slated to grow at 7.5% to 8%.

If there is one subject that needs greater attention on the government's radar for the ensuing years, it is the revival of investment activity and creation of quality jobs in large measure. The Government is seized of these issues. The Government has taken many steps, including a sharp focus on improving ease of doing business, speeding of green clearances and stepping up public sector outlays for infrastructure.

Company's Performance

It gives me immense pleasure to present to you another record performance on the financial front during the year 2016-17. Our Company has achieved encouraging numbers during 2016-17. I am happy to share that your Company has outpaced with a revenue of ₹ 89 crores resulting in 6.7% growth during the year 2016-17.

Highest ever EBITDA and PAT have shown a remarkable growth of 63.14% and 86% respectively.

Earnings per Share of the Company has almost doubled to ₹ 14.32 amounting to increase of 86.43% compared to the previous year. This performance could not have been achieved without focus, Innovation in product development and marketing and Perseverance in operational efficiency.

The consolidated revenues enhanced to ₹ 99 Crores in 2016-17 compared to ₹ 83 Crores in previous year. Net profit for FY 2016-17 stood at ₹ 7 Crores and Earnings Per Share at ₹ 14.33. Also, the company acquired the entire equity share capital of M/s. Oriental Foundry Private Limited, making it a Wholly owned Subsidiary.

The Board has recommended final dividend @20% (i.e. ₹ 2 per equity share of face value of ₹ 10/- each) for the year 2016-17 subject to approval of members.

Looking Forward

The government has been investing heavily to upgrade railway infrastructure,

the Cumulative FDI Inflows in Railway Related Components from April 2000 to March 2017 stood at USD 798.55 million. Total infrastructure spending is expected to be about 10 per cent of Gross Domestic Product (GDP) during the 12th Five-Year Plan (2012–17), up from 7.6 per cent during the previous plan (2007–12).

In the Budget 2017–18, the total capital and development expenditure of Railways has been pegged at ₹ 1,31,000 crores. This includes ₹ 55,000 crores provided by the Government. The Company has consistently delivered strong financial performance over the last years while transforming its product portfolio. It has been successful in forging deep relationships with its customers i.e Indian Railways deriving majority of the company's revenues.

Going forward, we will continue to focus on cost efficiencies, quality control, market penetration and technology upgradation.

Acknowledgments

All these could not have been achieved without whole-hearted support of loyal partners, outstanding human capital and committed shareholders. I thank all customers, vendors, bankers and employees of the Company for their unstinted support. I take this opportunity to thank everyone who have contributed to deliver the stellar performance in the year 2016-17 and thank them for their belief.

Thank you for your support.

Yours,

Saleh Mithiborwala
Chairman & Chief Financial Officer.

FOR THE FINANCIAL YEAR ENDED MARCH 31, 2017
[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No.9 of the
Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,
 The Members,
ORIENTAL VENEER PRODUCTS LIMITED
 Aghai (Via) Kalyan Railway Station,
 Thane, Maharashtra-421301, India.

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Oriental Veneer Products Limited** (hereinafter called the "Company"). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts / statutory compliances and expressing my opinion thereon.

Based on my verification of books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on 31.03.2017 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March 2017 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;

MANAGEMENT DISCUSSION AND ANALYSIS

INDIAN ECONOMIC OVERVIEW

India has emerged as the fastest growing major economy in the world as per the Central Statistics Organisation (CSO) and International Monetary Fund (IMF). The Government of India has forecasted that the Indian economy will grow by 7.1 % in FY 2016-17. As per the Economic Survey 2016-17, the Indian economy should grow between 6.75% and 7.5% in FY 2017-18.

India's gross domestic product (GDP) grew by 7% year-on-year in October-December 2016 quarter, which is the strongest among G-20 countries, as per Organisation for Economic Co-operation and Development (OECD) Economic Survey of India, 2017.

Also, the Prime Minister, Mr Narendra Modi has stated that India has become the world's fastest growing large economy, and is expected to grow five-fold by 2040, owing to a series of policy measures. He also launched the 'Make in India' program to place India on the world map as a manufacturing hub and give global recognition to the Indian economy. India is expected to become the fifth largest manufacturing country in the world by the end of year 2020.

The implementation of the Goods and Services Tax (GST) will make India a common market with a GDP

of US\$ 2 trillion along with a population of 1.2 billion people, which will be a big draw for investors.

Total infrastructure spending is expected to be about 10% of Gross Domestic Product (GDP) during the 12th Five-Year Plan (2012-17), up from 7.6% during the previous plan (2007-12).

1. Industry Structure & Developments

Overview :

The company is a Public Limited Company incorporated and domiciled in India and has its Registered office and corporate office at Mumbai, India. The company has its equity listed on BSE Limited. The Company is a preferred part I vendor to Indian Railways and is registered with RDSO, the sole vendor approving body for the Railways. It has been supplying Seat & Berths, Densified Thermal Bonded Blocks (DTBB), Bio-Retention Tanks, Compreg boards & allied products which are used in railway coaches for over a number of years. The Company having leading market share in these products, is now undertaking expansion of facilities, strategically aligned with the 5-year investment plan of the consumer organization. The current performance of OVPL is exceptionally remarkable and new vistas are likely to open up in future, thereby resulting in

consolidation of market share and earnings growth.

Poised for Growth :

Each of our business has its own unique and secular growth drivers and we enjoy good position within each business.

Areas of business :

The company deals in Seat & Berth, Compreg Board & Articles thereof, Recorn, Coated Upholstery Fabric, Retention Tank, Luggage Rack, Furniture & Parts.

2. Opportunities & Threats

Opportunities / Outlook:

The government has been investing heavily to upgrade railway infrastructure, the Cumulative FDI Inflows in Railway Related Components from April 2000 to March 2017 stood at USD798.55 million. Total infrastructure spending is expected to be about 10% of Gross Domestic Product (GDP) during the 12th Five-Year Plan (2012–17), up from 7.6% during the previous plan (2007–12).

In the Budget 2017–18, the total capital and development expenditure of Railways has been pegged at ₹ 1,31,000 crores. This includes ₹ 55,000 crores provided by the Government.

The Indian Railway sector is now allowing 100% Foreign Direct Investment (FDI) under the automatic route which was

prohibited until recently in the railways sector. Permitting FDI in the railway sector was a much needed step for providing the necessary boost required for the development and modernization of the capital intensive sector.

In addition to the various opportunities opened up in the railway sector in India as discussed above, the Government of India has made railways as one of the sectors covered under the 'Make in India' scheme. It has also taken several other steps and has formulated various other schemes for the railway sector to give the necessary boost for the private sector entities and foreign investors to come forward and participate in the railway sector in India which has until recently been pre-dominantly Government owned and controlled.

The Government of India has already taken the much anticipated step of opening up of the railway sector in India for private participation and foreign investments and has been notifying various schemes to give the necessary boost to the sector which, though serves as the backbone of the transportation needs in India, is always in need for capital and investments.

Threats :

As the Indian railway is the largest buyer of products of the Company, any change in policies of India Railways whether positive or negative, has a direct impact on the Company's business.

3. Segment-Wise Performance

ANNEXURE 'B' TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the accompanying financial statements of **Oriental Veneer Products Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2017, in conjunction with our audit of the financial statements of the Company for the year ended and as on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the 'Guidance Note'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial

controls over financial reporting based on our audit. We conducted our audit in accordance with the Standards on Auditing prescribed under Section 143(10) of the Act and the Guidance Note, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed

to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note.

NOTES TO THE STANDALONE FINANCIAL STATEMENTSfor the year ended 31st March, 2017**Note 1 - Corporate information**

Oriental Veneer Products Ltd. company incorporated under the provisions of the Companies Act, 2013 [Earlier Companies Act, 1956] on 8th March 1991 as a Private Limited Company in the name of "ORIENTAL VENEER PRODUCTS PRIVATE LIMITED". The name of Company subsequently changed from "ORIENTAL VENEER PRODUCTS PRIVATE LIMITED" to "ORIENTAL VENEER PRODUCTS LIMITED" as on 3rd July 1995 and it became as public Ltd. company, Limited by Shares.

The company is engaged in the manufacturing, buying and selling of all type Recron, Seat & Berth, Compreg Boards and also engaged in trading of timber woods and all its products. The Company caters to both domestic and international markets.

Note 2 - Significant accounting policies**a. Basis of preparation of financial statements**

These standalone financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on the accrual basis except for certain fixed assets which are carried at revalued amount and other financial instruments which are measured at fair values. GAAP comprises mandatory accounting standards as prescribed under Section 133 of the Companies Act, 2013 ('Act') read with Rule 7 of the Companies (Accounts) Rules, 2016, the provisions of the Act (to the extent notified). Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or are vision to an existing accounting standard requires a change in the accounting policy hitherto in use.

b. Use of estimates

The preparation of standalone financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

c. Tangible fixed assets

Fixed assets are stated at cost, net of accumulated depreciation and accumulated impairment losses. The cost comprises purchase price, borrowing costs if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

d. Depreciation on tangible fixed assets

Depreciation on the fixed assets has been provided for on Written down value method at the rates prescribed and in the manner specified in Schedule II to the Companies Act, 2013. Depreciation on additions is provided on Pro-rata basis for the period for which the Assets are put to use.

e. Impairment of fixed assets

At the end of each year, the Company determines whether a provision should be

made for impairment loss on fixed assets by considering the indication that an impairment loss may have occurred in accordance with Accounting Standard 28 on "Impairment of Assets" issued by the ICAI. Where the recoverable amount of any fixed assets is lower than its carrying amount, a provision for impairment loss on fixed assets is made for the difference.

f. Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any. Internally generated intangible assets, excluding capitalized development costs, are not capitalized and expenditure is reflected in the statement of profit and loss in the year in which the expenditure is incurred.

The amortization period and the amortization method are reviewed at least at each financial year end. If the expected useful life of the asset is significantly different from previous estimates, the amortization period is changed accordingly.

Particular	Rate of Depreciation
Computer Software	20%

The Company has decided to amortize computer software within period of 5 year from its purchase. Additions made to software are amortized on pro-rata basis.

g. Leases

Company in its capacity as lessee

Finance leases, which effectively transfer to the company substantially all the risks and benefits incidental to ownership of the leased item, are capitalized at the inception of the lease term at the lower of

the fair value of the leased property and present value of minimum lease payments. Lease payments are apportioned between the finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognized as finance costs in the statement of profit and loss. Lease management fees, legal charges and other initial direct costs of lease are capitalized.

h. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction of qualifying asset that necessarily takes a substantial period of time to get ready for its intended use are capitalized as part of the cost of the respective asset. All other borrowing costs are charged to Profit and Loss accounts.

i. Investments

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

j. Inventories

Raw materials, components, stores and spares are valued at lower of cost and net realizable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost of raw

materials, components and stores and spares is determined on First-in First-Out basis.

Finished goods are valued at lower of cost and net realizable value. Cost includes direct materials and labour and a proportion of manufacturing overheads based on normal operating capacity. Cost of finished goods includes excise duty and is determined on First-in First-Out basis.

k. Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

Sale of goods

Revenue from sale of goods is recognized when all the significant risks and rewards of ownership of the goods have been passed to the buyer, usually on delivery of the goods. Sales Tax and VAT is included in the amount of turnover (gross). Excise duty deducted from revenue (gross) is the amount that is included in the revenue (gross) and not the entire amount of liability arising during the year. Gross Turnover Includes Sale of Services i.e. Labour Charges.

Income from services

Revenue in respect of contracts for services is recognized on completion of services.

Interest

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the statement of profit and loss.

Dividends

Dividend income is recognized when the company's right to receive dividend is established by the reporting date.

l. Foreign currency translation

Initial Recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Exchange Differences

Exchange differences arising on the settlement of monetary items, or on reporting such monetary items of company at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise.

m. Retirement and other employee benefits

Retirement benefit in the form of provident fund is a defined contribution scheme. The contributions to the provident fund are charged to the statement of profit and loss for the year when the contributions are due. The company has no obligation, other than the contribution payable to the provident fund.

The company operates one defined benefit plan for its employees, viz., gratuity. The costs of providing benefits under these plans are determined on the basis of actuarial valuation at each year-end. Actuarial valuation is carried out for plan using the projected unit credit method. Actuarial gains and losses for defined benefit plan are recognized in full

in the period in which they occur in the statement of profit and loss.

n. Income taxes

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-Tax Act, 1961. Deferred income taxes reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to the taxes on income levied by same governing taxation laws. Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

The carrying amount of deferred tax assets are reviewed at each balance sheet date. The company writes-down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain that sufficient future taxable income will be available.

Minimum alternate tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. The company recognizes MAT credit available as an asset only to the extent that there is

convincing evidence that the company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the company recognizes MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the statement of profit and loss and shown as "MAT Credit Entitlement".

o. Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period.

p. Contingent Liabilities and Contingent Assets

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent Liabilities are not recognized but are disclosed in the notes. Contingent Assets are neither recognized nor disclosed in the financial statements.

INDEPENDENT AUDITOR'S REPORT

To,
The Members of Oriental Veneer Products Limited

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of **Oriental Veneer Products Limited** ('the Company') and its subsidiary companies (the Company and its subsidiary companies together referred as 'the Group'), which comprise the Consolidated Balance Sheet as at March 31, 2017, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information ('the consolidated financial statements').

Management's Responsibility for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 ('the Act') that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act as applicable. The respective Board of Directors of the Company and its subsidiary companies are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of

adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of these consolidated financial statements by the Board of Directors of the Company.

Auditors' Responsibility

Our responsibility is to express an opinion on these Consolidated financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control

relevant to the group's preparation of the Consolidated financial statements, that give true and fair view, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the group has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the group's Management and Board of Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the group as at 31st March 2017, and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we further report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. In our opinion, proper books of account as required by law relating to preparation of the consolidated

financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.

- c. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- d. In our opinion, the aforesaid Consolidated financial statements comply with applicable Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e. On the basis of the written representations received from the Directors of the Company as on March 31, 2017, taken on record by the Board of Directors of the Company and the reports of the auditors of its subsidiary companies incorporated in India, none of the Directors of the Company and its subsidiaries, incorporated in India is disqualified as on March 31, 2017 from being appointed as a Director in terms of Section 164 (2) of the Act.
- f. With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our report in "Annexure A", which is based on the Auditors' Reports of the Company and its subsidiary companies incorporated in India. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal financial controls over financial reporting of the Company

and its subsidiary companies incorporated in India.

g. In our opinion and to the best of our information and according to the explanation given to us, we report as under with respect to other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014:

- (i) The group does not have any pending litigations which would impact its financial position as referred in Note 39

ANNEXURE 'A' TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 1 under the heading "Report on other legal and regulatory requirements" of our report of even date.)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of **Oriental Veneer Products Limited** ('the Company') and its subsidiary companies incorporated in India as at March 31, 2017 in conjunction with our audit of the consolidated financial statements of the Company for the year ended and as on that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Company and its subsidiary companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the respective internal control over financial reporting criteria established by the Company and its subsidiary companies incorporated in India considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the 'Guidance Note'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Standards on Auditing prescribed under Section 143(10) of the Act and the Guidance Note, to the extent applicable to an audit of internal financial controls over financial reporting. Those Standards and the Guidance Note require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiary companies incorporated in India, in terms of their reports referred to in the Other Matter paragraph below, is sufficient and appropriate to provide a basis for our audit

opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management

**For Anil Bansal & Associates

override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the explanations given to us, the Company and its subsidiary companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company and its subsidiary companies incorporated in India considering the essential components of internal control stated in the Guidance Note.

Other Matter

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to 1 subsidiary companies, incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTSfor the year ended 31st March, 2017**Note 1 - Corporate information**

Oriental Veneer Products Limited ("the Company") & its Subsidiary (collectively referred to as "the Group") are engaged in the manufacturing, buying and selling of all type Recron, Seat & Berth, Compreg Boards and also engaged in trading of timber woods, ferrous & non ferrous metals, casting tools, slabs, rods, section flates & other ferrous & non ferrous products. The Group caters to both domestic and international markets. As at 31st March, 2017, Oriental Veneer Products Limited (Holding) Company holds 100% Equity Share Capital of 'M/s Oriental Foundry Private Limited' (subsidiary).

Note 2 - Significant accounting policies**A. Basis of preparation of consolidated financial statements**

These Consolidated financial statements have been prepared to comply with the Generally Accepted Accounting Principles in India (Indian GAAP), including the Accounting Standards notified under the relevant Provisions of the Companies Act, 2013.

B. Principles of Consolidation

The Consolidated Financial Statements consist of Oriental Veneer Products Limited ("the company") and its Subsidiary Company (collectively referred to as "the Group"). The consolidated financial statements have been prepared on the following basis:

- a) The financial statements of the company and its subsidiary company are combined on a line-by-line basis by adding together the book values of like items of assets, Liabilities, income and expenses, after fully eliminating intra-group transactions in accordance with Accounting Standard (AS 21 - "Consolidated Financial Statements").
- b) The excess of the cost to the parent of its investments in a subsidiary over the parent's portion of equity at the date, on which investment in the subsidiary is made, is recognised as 'Goodwill (on consolidation)'. When the cost to the parent of its investment in a subsidiary is less than the parent's portion of equity of the subsidiary at the date on which investment in a subsidiary is made, the difference is treated as 'Capital Reserve (on consolidation)' in the consolidated financial statements.
- c) Minority Interest in the net assets of consolidated subsidiary is identified and presented in the Consolidated Balance Sheet separately from liabilities and equity of the Company's shareholders.
- d) Minority Interest in the net assets of consolidated subsidiary is identified and presented in the Consolidated Balance Sheet separately from liabilities and equity of the Company's shareholders.

Minority interest in the net assets of consolidated subsidiaries consists of:

- i The amount of equity attributable to minority at the date on which investment in a subsidiary is made; and
 - ii The minority share of movements in equity since the date the parent subsidiary relationship came into existence
- e) Minority's share of net profit for the year of consolidated subsidiaries is identified and adjusted against the Profit after Tax of the Group.
- f) As far as possible, the consolidated financial statements are preparing using uniform accounting policies for like transactions and other events in similar circumstances and are presented in the same manner as company's separate statements.

C. Investments other than in subsidiaries and associates have been accounted as per Accounting Standard (AS) 13 on "Accounting for Investments".

C. Tangible fixed assets

Fixed assets are stated at cost, net of accumulated depreciation and accumulated impairment losses. The cost comprises purchase price, borrowing costs if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

D. Depreciation on tangible fixed assets

Depreciation on the fixed assets has been provided for on straight line method at the

rates prescribed and the management estimates the useful lives as per Schedule II to the Companies Act, 2013. Depreciation on additions is provided on Pro-rata basis for the period for which the Assets are put to use.

E. Impairment of fixed assets

At the end of each year, the Group determines whether a provision should be made for impairment loss on fixed assets by considering the indication that an impairment loss may have occurred in accordance with Accounting Standard 28 on "Impairment of Assets" issued by the ICAI. Where the recoverable amount of any fixed assets is lower than its carrying amount, a provision for impairment loss on fixed assets is made for the difference.

F. Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any. Internally generated intangible assets, excluding capitalized development costs, are not capitalized and expenditure is reflected in the statement of profit and loss in the year in which the expenditure is incurred.

The Management estimates the useful lives for the fixed assets as per Schedule II to the Companies Act, 2013.

G. Leases

Group in its capacity as lessee

Finance leases, which effectively transfer to the Group substantially all the risks and

benefits incidental to ownership of the leased item, are capitalized at the inception of the lease term at the lower of the fair value of the leased property and present value of minimum lease payments. Lease payments are apportioned between the finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognized as finance costs in the statement of profit and loss. Lease management fees, legal charges and other initial direct costs of lease are capitalized.

H. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction of qualifying asset that necessarily takes a substantial period of time to get ready for its intended use are capitalized as part of the cost of the respective asset. All other borrowing costs are charged to Profit and Loss accounts.

I. Investments

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

Current investments are carried in the consolidated financial statements at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

J. Inventories

Raw materials, components, stores and spares are valued at lower of cost and net realizable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost of raw materials, components and stores and spares is determined on First-in First-Out basis.

Finished goods are valued at lower of cost and net realizable value. Cost includes direct materials and labour and a proportion of manufacturing overheads based on normal operating capacity. Cost of finished goods includes excise duty and is determined on First-in First-Out basis.

K. Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Group and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

Sale of goods

Revenue from sale of goods is recognized when all the significant risks and rewards of ownership of the goods have been passed to the buyer, usually on delivery of the goods. Sales Tax and VAT is included in the amount of turnover (gross). Excise duty deducted from revenue (gross) is the amount that is included in the revenue (gross) and not the entire amount of liability arising during the year. Gross Turnover Includes Sale of Services i.e. Labour Charges.

Income from services

Revenue in respect of contracts for services is recognized on completion of services.

Interest

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the statement of profit and loss.

Dividends

Dividend income is recognized when the Group's right to receive dividend is established by the reporting date.

L. Foreign currency translation**Initial Recognition**

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Exchange Differences

Exchange differences arising on the settlement of monetary items, or on reporting such monetary items of company at rates different from those at which they were initially recorded during the year are recognized as income or as expenses in the year in which they arise.

M. Retirement and other employee benefits

Retirement benefit in the form of provident fund is a defined contribution scheme. The contributions to the provident fund are

charged to the statement of profit and loss for the year when the contributions are due. The Group has no obligation, other than the contribution payable to the provident fund.

The Group operates one defined benefit plan for its employees, viz., gratuity. The costs of providing benefits under these plans are determined on the basis of actuarial valuation at each year-end. Actuarial valuation is carried out for plan using the projected unit credit method. Actuarial gains and losses for defined benefit plan are recognized in full in the period in which they occur in the statement of profit and loss.

N. Income taxes

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-Tax Act, 1961. Deferred income taxes reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to the taxes on income levied by same governing taxation laws. Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be

available against which such deferred tax assets can be realized.

The carrying amount of deferred tax assets are reviewed at each balance sheet date. The Group writes-down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain that sufficient future taxable income will be available.

Minimum alternate tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. The Group recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the company recognizes MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of

Minimum Alternative Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the statement of profit and loss and shown as "MAT Credit Entitlement".

O. Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period.

P. Contingent Liabilities and Contingent Assets

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent Liabilities are not recognized but are disclosed in the notes. Contingent Assets are neither recognized nor disclosed in the consolidated financial statement.
