 - c. For Members holding shares in Physical Form should enter Folio Number registered with the Company.
- (v) Next enter the Image Verification as displayed and Click on Login.
- (vi) If you are holding shares in demat form and had logged on to www.evotingindia.com and voted on an earlier voting of any company, then your existing password is to be used.
- (vii) If you are a first time user follow the steps given below:

For Members holding shares in Demat Form and Physical Form	
PAN	<p>Enter your 10 digit alpha-numeric PAN issued by Income Tax Department (Applicable for both demat shareholders as well as physical shareholders).</p> <ul style="list-style-type: none"> • Members who have not updated their PAN with the Company/Depository Participant are requested to use the sequence number which is printed on the Attendance Slip indicated in the PAN field. • In case the sequence number is less than 8 digits enter the applicable number of 0's before the number after the first two characters of the name in CAPITAL letters. Eg. If your name is Ramesh Kumar with sequence number 1 then enter RA00000001 in the PAN field.
Dividend Bank Details OR Date of Birth (DOB)	<p>Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your demat account or in the Company records in order to login.</p> <ul style="list-style-type: none"> • If both the details are not recorded with the depository or Company, please enter the member id / folio number in the Dividend Bank details field as mentioned in instruction (iv).

- (viii) After entering these details appropriately, click on "SUBMIT" tab.
- (ix) Members holding shares in physical form will then directly reach the Company selection screen. However, members holding shares in demat form will now reach 'Password Creation' menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for remote e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.
- (x) For Members holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.
- (xi) Click on the EVSN for the relevant 'SAWACA BUSINESS MACHINES LIMITED' for which you choose to vote.
- (xii) On the voting page, you will see "RESOLUTION DESCRIPTION" and against the same the option "YES/NO" for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.
- (xiii) Click on the "RESOLUTIONS FILE LINK" if you wish to view the entire Resolution details.
- (xiv) After selecting the resolution you have decided to vote on, click on "SUBMIT". A confirmation box will be displayed. If you wish to confirm your vote, click on "OK", else to change your vote, click on "CANCEL" and accordingly modify your vote.
- (xv) Once you "CONFIRM" your vote on the resolution, you will not be allowed to modify your vote.
- (xvi) You can also take a print of the votes cast by clicking on "Click here to print" option on the Voting page.
- (xvii) If a demat account holder has forgotten the login password then Enter the User ID and the image verification code and click on Forgot Password & enter the details as prompted by the system.
- (xviii) Shareholders can also cast their vote using CDSL's mobile app m-Voting available for android based mobiles. The m-Voting app can be downloaded from Google Play Store. Please follow the instructions as prompted by the mobile app while voting on your mobile.
- (xix) Note for Non – Individual Shareholders and Custodians:
- Non-Individual shareholders (i.e. other than Individuals, HUF, NRI etc.) and Custodian are required to log on to www.evotingindia.com and register themselves as Corporates.
 - A scanned copy of the Registration Form bearing the stamp and sign of the entity should be emailed to helpdesk.evoting@cdslindia.com.
 - After receiving the login details a Compliance User should be created using the admin login and password. The Compliance User would be able to link the account(s) for which they wish to vote on.
 - The list of accounts linked in the login should be mailed to helpdesk.evoting@cdslindia.com and on approval of the accounts they would be able to cast their vote.
 - A scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, should be uploaded in PDF format in the system for the scrutinizer to verify the same.
- (xx) In case you have any queries or issues regarding e-voting, you may refer the Frequently Asked Questions ("FAQs") and e-voting manual available at www.evotingindia.com, under help section or write an email to helpdesk.evoting@cdslindia.com.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Your Directors have pleasure in presenting the management discussion and analysis report for the year ended on March 31, 2019.

1. INDUSTRY STRUCTURE, DEVELOPMENT:

During the period under the review, the Company had been operating in the Business of Trading. The main products for Trading include Various Perfumery Chemicals.

The performance of company is positive during the entire FY 2018-19. The year gone by saw high inflation, rising cost of imported fuel, moderating economy and a volatile political environment, which contributed to the challenging market environment. The GDP of Indian Economy has shown estimated growth of around 7.1% during the year 2018-19.

2. OPPORTUNITIES & THREATS:

The Government is committed to encourage the healthy growth of Capital Market for development of the Economy. While the government seems committed to reforms to address the challenges, political compromises and high populist spending in an election year will mean that tough decisions are more likely to be deferred. However, steps by RBI to stabilize the exchange rate by reducing liquidity support to the banking system will create a challenging environment for investments.

3. SEGMENT-WISE PERFORMANCE:

The Company's main business activity is trading of Perfumery Chemicals.

4. OUTLOOK:

The Company continues to explore the possibilities of expansion and will make the necessary investments when attractive opportunities arise.

5. RISK & CONCERNS:

The Company is exposed to specific risks that are particular to its business, including interest rate volatility, economic cycle, market risk and credit risk. The management continuously assesses the risks and monitors the business and risk management policies to minimize the risk.

6. INTERNAL CONTROL SYSTEMS & THEIR ADEQUACY:

The Company's operating and business control procedures ensure efficient use of resources and comply with the procedures and regulatory requirements. There are adequate internal controls to safeguard the assets and protect them against losses from unauthorized use or disposition and the transactions are authorized, recorded and reported correctly.

The Audit Committee periodically reviews the internal controls systems and reports their observations to the Board of Directors.

The Directors have appointed Mr. Shridhar Shah of M/s. ShridharShah &Co, Chartered Accountants as the Internal Auditors of the Company for the FY 18-19 on 27/12/2018.

7. DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE:

During the year, the Company has recorded a turnover of Rs.246.17Lacs as compared to Rs.279.81 Lacs in the previous year. The Company has made net profit of Rs.19.97 Lacs as compared to Rs.14.78 Lacs of the previous year after providing depreciation, tax, etc. for the year ended 31st March, 2019.

8. HUMAN RESOURCE DEVELOPMENT:

The Company believes that the human resources are vital in giving the Company a Competitive edge in the current business environment. The Company's philosophy is to provide congenial work environment, performance oriented work culture, knowledge acquisition / dissemination, creativity and responsibility. As in the past, the Company has enjoyed cordial relations with the employees at all levels.

The Company continues to run an in-house training programme held at regular intervals and aimed at updating their knowledge about issues.

9. CAUTIONERY STATEMENT:

Statements in this report on Management Discussion and Analysis describing the Company's objectives, projections, estimates, expectations or predictions may be "forward-looking statements" within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied.

INDEPENDENT AUDITORS' REPORT

**TO,
THE MEMBERS OF SAWACA BUSINESS MACHINES LIMITED**

Report on the Audit of the Standalone Financial Statements**Opinion**

We have audited the accompanying standalone Ind AS financial statements of SAWACA BUSINESS MACHINES LIMITED ("the Company"), which comprise the Balance Sheet as at 31st March 2019, the Statement of Profit and Loss, the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and summary of the significant accounting policies and other explanatory information (herein after referred to as "standalone Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the matters specified in Emphasis of matter the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting standards prescribed under section 133 of the Act, read with companies Rules 2015, as amended (IND AS) and other accounting principles generally accepted in India of the state of affairs of the Company as at 31st March 2019, its profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis of Opinion

We have conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibility under those Standards are further described in Auditor's Responsibility for the Audit of the standalone financial statements section of our report. We are independent of the company in accordance of with code of ethics issued by ICAI together with the independence requirement that are relevant to our audit of standalone financial statement under the provisions of the Act and the rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statement.

Key Audit Matters

S.N.	Key Audit Matters	How Our Audit addressed the Key Audit Matter
1	Revenue Recognition	The company has trading income and interest income. We have verified the basis of recognition of sale transaction and for interest income the basis of interest calculation has been verified with consistency.
2	Recoverability of the balance of debtors.	The validation of the transaction and party confirmations have been verified. In some cases confirmations not available.

Emphasis of Matter:

We would like to draw attention to the fact that, balance confirmation from the parties from whom amounts are due for more than one year were not available and in absence of the same we are not in position to comment on the deviation in the balances or execution of the transactions. The absence of the said balance confirmation would also affect the expected credit loss of the debtors and accordingly the same may affect the amount of the carrying amount of debtors and the profit.

Other Information

The company's management and board of directors are responsible for the other information. The other information comprises Board's Report on corporate governance and Business Responsibility report but does not include the consolidated financial statements, standalone financial statement and our auditor's report thereon.

Our opinion on the financial statement does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit procedures or otherwise appear to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report on that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134 (5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the state of affairs, Profit (including other comprehensive income), changes in equity and cashflows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safe guarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of directors is also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decision of users taken on the basis of these standalone financial statements.

As a part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risk of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedure responsive to those risk, and obtain evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud for one resulting from error, as fraud may involve collusion, forgery, intentional, omission, misrepresentation, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedure that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial control system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss, Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act.
 - (e) We have not received any written representation from the directors as on 31st March 2019 and therefore we are not in position to confirm whether any of the directors is disqualified as on 31st March 2019 from being appointed as a director in terms of Section 164(2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. There is no pending litigation on the company therefore the same is not required to be disclosed.
 - ii. the Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;

Annexure B to the Auditor's Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of SAWACA BUSINESS MACHINES LIMITED ("the Company") as of March 31, 2019 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes Forming Part of the Financial Statements**NOTE - 1A: CORPORATE INFORMATION**

The standalone financial statements comprise of financial statements of Sawaca Business Limited for the year ended March 31, 2019. The Company is a public company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. The Company's shares are listed on BSE, a recognised stock exchange, in India. The registered office of the company is located at 45, Chinubhai tower, Opp. Handloom House, Ahram Road, Ahmedabad - 380009. The company is engaged in the business of sale of various chemical products and scarp material.

The standalone financial statements were authorised for issue in accordance with a resolution of the board of directors on May 22, 2018.

NOTE - 1B : BASIS OF PREPARATION

The standalone financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015.

For all periods up to and including the year ended March 31, 2018, the Company prepared its financial statements in accordance with the accounting standards notified under the section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP).

The standalone financial statements have been prepared on a historical cost basis, on the accrual basis of accounting except for certain financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments).

The standalone financial statements are presented in Indian Rupees and all values are rounded to the nearest Rupees, except where otherwise indicated. Any discrepancies in any table between totals and sums of the amounts listed are due to rounding off.

NOTE - 1C : SIGNIFICANT ACCOUNTING POLICIES AND KEY ACCOUNTING ESTIMATES**(A) Significant accounting policies****1 Current / non-current classification**

The Company presents assets and liabilities in the balance sheet based on current and non-current classification. An asset is treated as current when it is:

- a) expected to be realised or intended to be sold or consumed in normal operating cycle;
- b) held primarily for the purpose of trading;
- c) expected to be realised within twelve months after the reporting period; or
- d) cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is treated as current when it is:

- a) expected to be settled in normal operating cycle;
- b) held primarily for the purpose of trading;
- c) due to be settled within twelve months after the reporting period; or
- d) there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets/materials for processing and their realisation in cash and cash equivalents. As the Company's normal operating cycle is not clearly identifiable, it is assumed to be twelve months.

2 Foreign currencies

Company has not made any foreign transaction during the year.

3 Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- a) In the principal market for the asset or liability, or
- b) In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- a) Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities;
 - b) Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable;
- and
- c) Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

4 Property, plant and equipment

Property, plant and equipment are carried at cost less accumulated depreciation and impairment losses, if any. Depreciation in current year is not charged due to very minor amount. The cost of Property, plant and equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities).

8 Inventories

Inventories are valued at lower of cost and net realisable value. Cost is determined on a First in First out (FIFO). Cost includes cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Obsolete, slow moving and defective inventories are identified and provided for.

Net Realizable value is the estimated selling price in the ordinary course of business, less estimated cost of completion and estimated costs necessary to make sale.

9 Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is any indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal or its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks

specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators. The Company bases its impairment calculation on detailed budgets and forecast calculations.

The Company has not impaired any asset, so there is no loss due to impairment.

10 Revenue recognition

Revenue is recognised to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government. The Company has concluded that it is the principal in all of its revenue arrangements since it is the primary obligor in all the revenue arrangements as it has pricing latitude and is also exposed to inventory and credit risks.

However, Goods and Service Tax (GST) is not received by the Company on its own account. Rather, it is tax collected on value added to the commodity by the seller on behalf of the government. Accordingly, it is excluded from revenue.

The specific recognition criteria described below must also be met before revenue is recognised.

Sale of products

Revenue from the sale of products is recognised when the significant risks and rewards of ownership of the products have passed to the buyer, usually on delivery of the products. Revenue from the sale of products is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates.

Interest income

For all financial assets measured either at amortised cost or at fair value through other comprehensive income, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortised cost of a financial liability. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses.

12 Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

13 Taxes on Income

Tax on Income comprises current tax. It is recognised in statement of profit and loss except to the extent that it relates to a business combination, or items recognised directly in equity or in other comprehensive income.

Current tax

Tax on income for the current period is determined on the basis on estimated taxable income and tax credits computed in accordance with the provisions of the relevant tax laws and based on the expected outcome of assessments / appeals. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is recognized for the future tax consequences of deductible temporary differences between the carrying values of assets and liabilities and their respective tax bases at the reporting date, using the tax rates and laws that are enacted or substantively enacted as on reporting date. Deferred tax liability are generally recorded for all temporary timing differences. There is No deferred tax in current year.

The Company recognizes tax credits in the nature of MAT credit as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the specified period, i.e., the period for which tax credit is allowed to be carried forward. In the year in which the Company recognizes tax credits as an asset, the said asset is created by way of tax credit to the Statement of profit and loss. The Company reviews such tax credit asset at each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period. Deferred tax includes MAT tax credit.

14 Employee benefits

Short Term Employee Benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

Post- Employment Benefits

Defined Contribution Plans

The Company recognizes contribution payable to the provident fund scheme as an expense, when an employee renders the related services.

The gratuity liability is paid in terms of insurance premium and the company does not have any liability once the contribution in terms of premium is paid.

15 Earnings Per Share

The basic earnings per share is computed by dividing the net profit attributable to equity shareholders for the period by the weighted average number of equity shares outstanding during the period. The number of shares used in computing diluted earnings per share comprises the weighted average shares considered for deriving basic earnings per share, and also the weighted average number of equity shares which could be issued on the conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless they have been issued at a later date. In computing dilutive earnings per share, only potential equity shares that are dilutive and that would, if issued, either reduce future earnings per share or increase loss per share, are included.

16 Dividend Distribution

The Company recognises a liability to make cash distributions to equity holders of the parent when the distribution is authorised and the distribution is no longer at the discretion of the Company. As per the corporate laws in India, a distribution is authorised when it is approved by the shareholders. A corresponding amount is recognised directly in equity.

17 Provisions & contingent liabilities

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liability arises when the Company has:

- a) a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity; or
- b) a present obligation that arises from past events but is not recognised because:
 - (i) it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or

- (ii) the amount of the obligation cannot be measured with sufficient reliability.

Contingent liabilities are not recorded in the financial statement but, rather, are disclosed in the note to the financial statements.

(B) Key accounting estimates

1 Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value are measured using valuation techniques. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions relating to these factors could affect the reported fair value of financial instruments. See Note 31 for further disclosures.

2 Impairment of non-financial assets

Impairment exists when the carrying value of an asset or cash generating unit exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. The fair value less costs of disposal calculation is based on available data from binding sales transactions, conducted at arm's length, for similar assets or observable market prices less incremental costs for disposing of the asset. The value in use calculation is based on a discounted cashflow (DCF) model. The cash flows are derived from the budget and do not include restructuring activities that the Company is not yet committed to or significant future investments that will enhance the asset's performance of the CGU being tested. The recoverable amount is sensitive to the discount rate used for the DCF model as well as the expected future cash-inflows and the growth rate used for extrapolation purposes. There is no losses due to impairment of asset.

3 Taxes

Deferred tax assets are recognised for unused tax credits to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

The Company has Rs.NIL as at March 31, 2018 (Rs.NIL as at March 31, 2017 and Rs.NIL as at April 1, 2016) of tax credits carried forward. These credits can be utilised over the period of 15 years. The Company has taxable temporary difference and tax planning opportunities available that could support the recognition of these credits as deferred tax assets. On this basis, the Company has determined that it can recognise deferred tax assets on the tax credits carried forward. Refer to Note 19 for further details.

4 Property, Plant and Equipment

The carrying values of Property, plant and equipment have been disclosed in Note 1.

5 Intangible assets

There is no intangible asset in the company.

6 Allowance for doubtful trade receivables

Trade receivables do not carry any interest and are stated at their nominal value as reduced by appropriate allowances for estimated irrecoverable amounts.

Estimated irrecoverable amounts are derived based on a provision matrix which takes into account various factors such as customer specific risks, geographical region, product type, currency fluctuation risk, repatriation policy of the country, country specific economic risks, customer rating, and type of customer, etc. The allowances for doubtful trade receivables were NIL as at March 31, 2018 (as at March 31, 2017 : Rs. NIL and April 1, 2016 : Rs.NIL).

Individual trade receivables are written off when the management deems them not to be collectable.

includes current maturities of long term debt

The fair value of financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties in an orderly market transaction, other than in a forced or liquidation sale.

B) Financial risk management

The company has a risk management committee which has the responsibility to identify the risk and suggest the management the mitigation plan for the identified risks in accordance with the risk management policy of the Company. The risk management policies are established to ensure timely identification and evaluation of risks, setting acceptable risk thresholds, identifying and mapping controls against these risks, monitor the risks and their limits, improve risk awareness and transparency.

These risks include market risk (including currency risk, interest rate risk and other price risk), credit risk and liquidity risk. The Company seeks to minimise the effects of these risks by using derivative financial instruments, credit limit to exposures, etc., to hedge risk exposures.

(1) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise three types of risk: foreign currency risk, interest rate risk, investment risk.

(i) Foreign currency risk management

The Company operates internationally and is exposed to foreign exchange risk arising from foreign

currency transactions primarily with respect to USD, GBP and EURO. Foreign currency risk arises from future commercial transactions and recognised assets and liabilities denominated in a currency that is not the Company's functional currency. The Company evaluates exchange rate exposure arising from foreign currency transactions and follows established risk management policies, including the use of derivatives like foreign exchange forward contracts to hedge exposure to foreign currency risk.

The Company doesn't have any foreign transaction during this reporting period. Do this foreign currency risk will not affect.

(ii) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company is not exposed to interest rate risk because no funds are borrowed at both fixed and floating interest rates. The Company has no exposure to interest rate risk, arising principally on changes in base lending rate and LIBOR rates.

The following table provides a break-up of the Company's fixed and floating rate borrowings :-

(Amt in Rs.)

Floating rate borrowings	--	--	--	--
Total borrowings	--	--	--	--

* adjusted with unamortised processing fee

(iii) Liquidity risk management

Liquidity risk is the risk that the company will not be able to meet its financial obligation as they become due. The company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due.

Maturity profile of financial liabilities:

The table below provides details regarding the remaining contractual maturities of financial liabilities at the reporting date.

(iv) Credit risk management

Credit risk refers to the risk that a customer will default on its contractual obligations resulting in financial loss to the Company. Customer credit risk is managed centrally by the Company and subject to established policy, procedures and control relating to customer credit risk management.

The company also assesses the creditworthiness of the customers internally to whom goods are sold on credit terms in the normal course of business. The credit limit of each customer is defined in accordance with this assessment.

The impairment analysis is performed on client to client basis for the debtors that are past due at the end of each reporting date. The company has not considered an allowance for doubtful debts in case of trade receivables.
