MANAGEMENT DISCUSSION AND ANALYSIS REPORT

ANNEXURE- 1

1. BUSINESS ENVIRONMENT, INDUSTRY STRUCTURE AND DEVELOPMENTS:

The Indian tourism and hospitality industry has emerged as one of the key drivers of growth among the services sector in India. Tourism in India has significant potential considering the rich cultural and historical heritage, variety in ecology, terrains and places of natural beauty spread across the country. Tourism is also a potentially large employment generator besides being a significant source of foreign exchange for the country.

India's travel and tourism sector ranks 7th in the world in terms of its total contribution to the country's GDP, according to a new report of the World Travel and Tourism Council (WTTC). India is the most digitally-advanced traveler nation in terms of digital tools being used for planning, booking and experiencing a journey, India's rising middle class and increasing disposable incomes has continued to support the growth of domestic and outbound tourism.

2. OPPORTUNITIES, THREATS, RISK AND CONCERNS:

Your Company is in well position to take advantage of the following situations:

- Healthy economy having positive support of Tourism Sector.
- Well framed State and Central Government policies to attract tourists.
- Proximity to Railway station and Bus station.
- Healthy Competition in the city.
- Extending the product portfolio by offering various types of facilities.
- Demand between the national and the inbound tourists can be easily managed due to difference in the period of holidays.

There are many regional, domestic and international factors which reduce tourist traffic and the business of the hotels. Lack of training man power is also a threat for the hotel industry. High tax structure as per GST does not appear to be conducive for the Hotel industry as it may affect the revenues of the Hotels.

Indian Government has realized the country's potential in the tourism industry and takes several steps to make India a global tourism hub. The launch of several branding and marketing initiatives by the Government of India such as 'Incredible India!' and 'Athiti Devo Bhava' has provided a focused impetus to growth.

3. FINANCIAL AND OPERATIONAL PERFORMANCE:

The total revenue of your Company for the year 2017-18 was increased to ₹ 2743.83 Lakh as against ₹ 2338.02 Lakh of the previous year. Net profit after tax of the Company was increased to ₹ 192.72 Lakh of the current year as against ₹ 104.98 Lakh of the previous year.

4. FUTURE PROSPECTS:

The growth in the hospitality sector and its contributions to the GDP will continue to be substantially higher than other sectors of the economy on the back of huge tourism potential in the country. India's travel and tourism industry has huge growth potential. The Government has also been making serious efforts to boost investments in tourism sector. India has been recognized as a destination for spiritual tourism for domestic and international tourists.

However, your company to believe that the long term prospects for the travel and tourism industry in India are more attractive. As mid market faces very little disturbances, your company is at locations where they are targeting the mid-market segment, provide comfort and look as per guests' requirements. Your Directors look forward to the future with confidence.

5. ADEQUACY OF INTERNAL CONTROL SYSTEM:

The Company has proper, strong, independent and adequate internal control systems to ensure that all assets are safeguarded and protected against loss from unauthorized use or disposition and that transaction are authorized, recorded and reported correctly. The internal control systems are supplemented by an extensive programme of internal audits reviewed by management and documented policies, guidelines and procedures. The internal control systems of the Company are designed to ensure that the financial and other records are reliable, for preparing financial statements and other data, and for maintaining accountability of assets.

6. HUMAN RESOURCE DEVELOPMENT:

The manpower employed in your Company for 2017-18 was 195 employees.

Independent Auditor's Report

To,
The Members of
H S INDIA LIMITED

Report on the Financial Statement

We have audited the accompanying Ind-AS financial statements of **H S INDIA LIMITED** ("the Company"), which comprise the Balance Sheet as at **31st March, 2018**, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements:

The Company's Board of Directors is responsible for the matters stated in the Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive Income, cash flows and changes in Equity of the company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015 as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind-AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility:

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Opinion:

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- a) of the state of affairs of the Company as at **31st March, 2018**;
- b) of the **Profit** including other comprehensive income for the year ended on that date;
- c) of the cash flows for the year ended on that date; and
- d) the changes in equity for the year ended on that date.

Report on Other Legal and Regulatory Requirements:

1. As required by the Companies (Auditor's Report) Order, 2016 (the "Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143 (3) of the Act, we report that:
 - a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended.
 - e) On the basis of written representations received from the directors as on 31st March, 2018 and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2018, from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B".
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanation given to us:
 - i. The company does not have any pending litigations which would impact its financial position;
 - ii. The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses; and
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Annexure B to the Independent Auditor's Report to the Members of H S India Limited**Report on the Internal Financial Controls under Clause (i) of Sub Section 3 of Section 143 of the Companies Act, 2013 ("the Act") as referred to in paragraph 2(f) of "Report on Other Legal and Regulatory Requirement" section.**

We have audited the internal financial controls over Financial Reporting of H S India Limited ("the Company") as of 31st March, 2018 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial control based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the adequacy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal controls over financial reporting based on our audit.

We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ("the Guidance Note") and the Standards on Auditing, issued by the Institute of Chartered Accountants of India and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those standards and the Guidance note require that we comply with ethical requirements and plan and perform audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exist, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend upon the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that:

- a) Pertain to the maintenance of records that, in reasonable details, accurately and fairly reflect the transactions and dispositions of the assets of the Company.
- b) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditure of the Company are being made only in accordance with authorization of management and directors of the company; and
- c) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to the error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the company has in all material respects, an adequate internal financial controls systems over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2018, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India".

Note 1:- SIGNIFICANT ACCOUNTING POLICIES**A. Corporate Information:**

These financial Statements comprise financial statements of H S India Limited ("the Company") for the year ended 31st March, 2018. The Company was incorporated on 12th September, 1989 under the provisions of Companies Act, 1956. The company is into the business of operating hotels and restaurants. The company is listed on BSE Ltd.

B. Basis of Preparation:

The Financial Statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified under the companies (India Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) (Amendment) Rules, 2016.

For all periods up to and including the year ended 31st March, 2017, the company prepared its financial statements in accordance with accounting standards notified under section 133 of the Companies Act, 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP). These financial statements for the year ended 31st March, 2018 are the first the Company has prepared in accordance with Ind AS. The date of transition to Ind AS is 1st April, 2016.

C. Use of Estimates and Judgements:

The preparation of the financial statements requires that the management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities as at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. The recognition, measurement, classification or disclosure of an item or information in the financial statements is made relying on these estimates.

The estimates and judgements used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Actual results could differ from those estimates. Any revision to accounting estimates is recognised prospectively in current and future periods.

All the assets and liabilities have been classified as current or non-current as per the company's normal operating cycle of twelve months and other criteria set out in Schedule III to the Companies Act, 2013.

D. Property, Plant and Equipment:**Property, Plant and Equipment**

Freehold land is carried at historical cost. All other items of property, plant and equipment are measured at cost less accumulated depreciation and impairment losses, if any. Costs include freight, import duties, non-refundable purchase taxes and other expenses directly attributable to the acquisition of the asset.

Depreciation and Amortisation

Depreciation is provided on straight line method applying the useful lives as prescribed in part C of the schedule II to the Companies Act, 2013.

Gains/Losses on disposals/de-recognition of property, plant and equipment are determined by comparing proceeds with carrying amount and these are recognized in statement of Profit & Loss.

E. Revenue Recognition:

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

Service tax, luxury tax, Sales tax/ value added tax (VAT), Goods and Service Tax (GST) and other applicable taxes on behalf of the Company is not received by the Company on its own account. Rather, it is tax collected on behalf of the government. Accordingly, it is excluded from revenue.

The specific recognition criteria described below must also be met before revenue is recognised.

Rendering of services

Revenue from rendering of hospitality services is recognised when the related services are rendered.

Rooms, food, beverages, banquet and other services

Income from guest accommodation is recognized on a day to day basis after the guest checks into the Hotels and are stated net of allowances. Sale of food and beverages are recognized at the point of serving these items to the guests. Revenue from other services is recognized as and when services are rendered. The company collects service tax, value added tax (VAT), luxury tax and GST on behalf of guests, and therefore, these are not economic benefits flowing to the company, hence, these are excluded from revenue.

Interest Income

Interest income is recognized on a time proportionate basis taking into account the amounts invested and the rate of interest.

F. Inventories:

Inventories of food and beverages, liquor / wine & other operating supplies are valued at the lower of cost and net realisable value.

G. Financial Instruments:

Financial Assets and liabilities are recognised when the Company becomes party to the contractual provisions of the instrument. Financial Assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit and loss) are added to or deducted from the fair value measured on initial recognition of financial assets or financial liability.

Financial assets, other than equity instruments, are subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis of both:

- (a) the entity's business model for managing the financial assets; and
- (b) the contractual cash flow characteristics of the financial asset.

(a) Measured at amortised cost:

A financial asset is measured at amortised cost, if it is held within a business model whose objective is to hold the assets in order to collect contractual cash flows and the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal outstanding.

(b) Measured at fair value through other comprehensive income (FVOCI):

A financial asset is measured at FVOCI, if it is held within a business model whose objective is achieved by both contractual cash flows and selling such financial asset and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal outstanding.

(c) Measured at fair value through profit or loss (FVTPL):

A financial asset which is not classified in any of the above categories are measured at FVTPL.

Equity Instruments

All equity instruments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in "Other Comprehensive Income". If sufficient more recent information is not available to measure the fair value of the equity instrument or where the cost represents the best estimate of fair value, in such cases, such equity instruments has been measured at cost.

Impairment

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

Expected credit losses are measured through a loss allowance at an amount equal to:

- The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument).

For trade receivables Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

For other assets, the Company uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk, full lifetime ECL is used.

Financial Liabilities**Initial Recognition and measurement**

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

Subsequent measurement

All financial liabilities are recognized at fair value except when the effect of applying it is immaterial and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

De-recognition of Financial Instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

H. Fair Value Measurement :

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

- Level 1: Quoted (unadjusted) prices in active markets for identical assets or liabilities.
- Level 2: Other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.
- Level 3: Techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

I. Employee Benefits :

The Company has following post-employment plans:

- (a) Defined benefit plans such as gratuity ;
- (b) Defined contribution plans such as Provident fund & Superannuation fund; and
- (c) Other Employee Benefits

a) Defined-benefit plan:

For defined benefit plans, the cost of providing benefits is determined using the Projected Unit Credit Method, with actuarial valuations being carried out at each balance sheet date. Actuarial gains and losses are recognised in full in the other comprehensive income for the period in which they occur. Past service cost both vested and unvested is recognised as an expense at the earlier of (a) when the plan amendment or curtailment occurs; and (b) when the entity recognises related restructuring cost or termination benefits.

The retirement benefit obligations recognised in the Balance Sheet represents the present value of the defined benefit obligations reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to the present value of available refunds and reductions in future contributions to the scheme.

b) Defined-contribution plan:

Contributions to defined contribution plans are recognised as expense when employees have rendered services entitling them to such benefits.

c) Other employee benefits:

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as a liability at the present value of the obligation as at the Balance sheet date.

J. Taxes on Income :

Income tax comprises current and deferred tax. Income tax expense is recognized in the statement of profit and loss except to the extent it relates to items directly recognized in equity or in other comprehensive income.

Current tax is based on taxable profit for the year. Taxable profit is different from accounting profit due to temporary differences between accounting and tax treatments, and due to items that are never taxable or tax deductible. Tax provisions are included in current liabilities. Interest and penalties on tax liabilities are provided for in the tax charge. The Company offsets, the current tax assets and liabilities (on a year on year basis) where it has a legally enforceable right and where it intends to settle such assets and liabilities on a net basis or to realise the assets and liabilities on net basis.

Deferred income tax is recognized using the balance sheet approach. Deferred income tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in financial statements. Deferred income tax asset are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized. Deferred tax assets are not recognised where it is more likely than not that the assets will not be realised in the future.

The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized. Deferred income tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Minimum Alternative Tax ('MAT') credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income-tax during the specified period. The Company reviews the same at each balance sheet date and writes down

the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal income-tax during the specified period.

K. Provisions and Contingencies :

A provision is recognised if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation.

Provisions for onerous contracts are recognized when the expected benefits to be derived by the Company from a contract are lower than the unavoidable costs of meeting the future obligations under the contract.

A disclosure for contingent liabilities is made where there is a possible obligation or a present obligation that may probably not require an outflow of resources or an obligation for which the future outcome cannot be ascertained with reasonable certainty. When there is a possible or a present obligation where the likelihood of outflow of resources is remote, no provision or disclosure is made.

L. Cash and Cash Equivalents :

Cash and Cash equivalents include cash and Cheque in hand, bank balances, demand deposits with banks and other short-term highly liquid investments that are readily convertible to known amounts of cash & which are subject to an insignificant risk of changes in value where original maturity is three months or less.

M. Cash Flow Statement :

Cash flows are reported using the indirect method where by the profit before tax is adjusted for the effect of the transactions of a non-cash nature, any deferrals or accruals of past and future operating cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the company are segregated.

N. Borrowing Cost :

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of qualifying assets are capitalized-as a part of cost of that assets, during the period till all the activities necessary to prepare the qualifying assets for its intended use or sale are complete during the period of time that is required to complete and prepare the assets for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. Other borrowing costs are recognized as an expense in the period in which they are incurred.

O. Earnings Per Share :

Basic EPS is arrived at based on net profit after tax available to equity shareholders to the weighted average number of equity shares outstanding during the year. The company did not have any potentially dilutive securities in any of the years' represented.

P. Exceptional Items :

When an item of income or expense within profit or loss from ordinary activity is of such size, nature or incidence that their disclosure is relevant to explain the performance of the Company for the year, the nature and amount of such items is disclosed as exceptional items.

Note `32'- First Time Adoption of Ind-As

These financial statements, for the year ended 31st March, 2018, are the first the Company has prepared in accordance with Ind AS. For periods up to and including the year ended 31st March 2017, the Company prepared its financial statements in accordance with accounting standards notified under section 133 of the Companies Act, 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 ("Indian GAAP" or "previous GAAP").

Accordingly, the Company has prepared financial statements which comply with Ind AS applicable for periods ending on 31st March, 2018, together with the comparative period data as at and for the year ended 31st March, 2017, as described in the summary of significant accounting policies. In preparing these financial statements, the Company's opening balance sheet was prepared as at 1st April, 2016, the Company's date of transition to Ind AS. This note explains exemptions availed by the Company in restating its Previous GAAP financial statements, including the balance sheet as at 1st April, 2016 and the financial statements as at and for the year ended 31st March, 2017.

A. Exemptions applied:

Ind AS 101 allows first-time adopters certain exemptions from the retrospective application of certain requirements under Ind AS. The Company has applied the following exemptions.

a) Property, plant and equipment and intangible assets

Since there is no change in the Company's functional currency on the date of transition to Ind ASs, it has elected to continue with the carrying value for all of its property, plant and equipment and intangible assets as recognised in the financial statements as at the date of transition to Ind ASs, measured as per the previous GAAP and use that as its deemed cost as at the date of transition.

b) Estimates

The estimates as at 1st April, 2016 and at 31st March, 2017 are consistent with those made for the same dates in accordance with previous GAAP (after adjustments to reflect any differences in accounting policies) apart from the following items where application of Indian GAAP did not require estimation:

- Impairment of financial assets based on expected credit loss model.

The estimates used by the Company to present these amounts in accordance with Ind AS reflect conditions as at 1st April, 2016, the date of transition to Ind AS and as of 31st March, 2017.

B. Transition to Ind AS - Reconciliations

The following reconciliations provide a quantification of the effect of significant differences arising from the transition from previous GAAP to Ind AS in accordance with Ind AS 101:

- I. Reconciliation of Balance sheet year as at 1st April, 2016 and 31st March, 2017
- II. Reconciliation of Statement of Profit and Loss for the year ended 31st March, 2017
- III. Reconciliation of Equity as at 1st April, 2016 and 31st March, 2017

The presentation requirements under Previous GAAP differ from Ind AS and hence Previous GAAP information has been regrouped for ease of reconciliation with Ind AS. The Regrouped previous GAAP information is derived from the Financial Statements of the Company prepared in accordance with Previous GAAP.

(IV) Footnotes to the reconciliation of Equity and Reconciliation of Profit and Loss:**a. Defined Benefit Liabilities:**

Both under Indian GAAP and Ind AS, the Company recognized costs related to its post-employment defined benefit plan on an actuarial basis. Under Indian GAAP, the entire cost, including actuarial gains and losses, are charged to profit or loss. Under Ind AS, Remeasurements are recognized immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI. Thus, the employee benefit cost is reduced by ₹ 68,775 and Remeasurement gains/ losses on defined benefit plans has been recognized in the OCI net of tax.

b. Deferred Tax:

Indian GAAP requires deferred tax accounting using the income statement approach, which focuses on differences between taxable profits and accounting profits for the period. Ind AS 12 requires entities to account for deferred taxes using the balance sheet approach, which focuses on temporary differences between the carrying amount of an asset or liability in the balance sheet and its tax base. The application of Ind AS 12 approach would have resulted in recognition of deferred tax on new temporary differences which was not required under Indian GAAP. Further, deferred tax has been recognized on Ind AS transition adjustments.

Note '34'- Financial Risk Management Objectives and Policies

The Company's principal financial liabilities comprise loans and borrowings, security deposits taken, employee related payables, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include investments, security deposits given, employee advances, trade and other receivables, cash and short-term deposits that derive directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's Board of Directors reviews and sets out policies for managing these risk and monitors suitable actions taken by management to potential adverse effects of such risks on company's operational and financial performance.

A. Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in interest rates and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, payables and loans and borrowings.

a. Interest Rate Risk:

Interest rate risk is the risk that the fair value of future cash flows of the financial instruments will fluctuate because of changes in market interest rates. The Company's exposure to the risk changes in the market interest rates relates primarily to the Company's long-term debt obligation.

The borrowings in terms of fixed and floating rate are as follows: (Amount in ₹)

Particulars	As at 31 st March, 2018	As at 31 st March, 2017
Floating Rate of Borrowings	14,70,00,000	18,90,00,000
Fixed Rate of Borrowings	8,44,136	4,64,813

B. Credit risk

Credit risk arises from the possibility that the counter party may not be able to settle their obligation as agreed. Customer credit risk is managed by each business unit subject to Company's established policy, procedure and control relating to customer risk management. Further, the Company periodically assesses financial reliability of customers and other counter parties, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of financial assets. Individual risk limits are set and periodically reviewed on the basis of such information.

Financial assets are written off when there is no reasonable expectations of recovery, such debtor failing to engage in a repayment plan with the Company. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivables due. Where recoveries are made, these are recognised as income in the statement of profit and loss.

Ageing of Accounts Receivables: (Amount in ₹)

Particulars	As at 31 st March, 2018	As at 31 st March, 2017
More than 180 days	2,77,517	5,79,975
Up to 180 days	85,32,663	1,37,75,251

C. Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure as far as possible that it will

have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed condition, without incurring unacceptable losses or risking damage to the Company's reputation.

The Management monitors rolling forecasts of the Company's liquidity position on the basis of expected cash flows. The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of surplus funds, bank loans and inter-corporate loans.

The table below summarizes the maturity profile of the Company's financial liabilities based on contractual undiscounted payments.

Note `35'- Segment Information

Information regarding primary segment reporting as per Ind-AS 108.

The company is engaged in only one segment of Hotel Business. Accordingly, the segment revenue, segment results, segment assets and segment liabilities are reflected by the financial statement themselves as at and for the financial year ended 31st March, 2018.

Note `36'- Gratuity and other post employment benefit plans:

A. Defined benefit Plans- General Description

The Company operates gratuity plan wherein every employee is entitled to a benefit equivalent to 15 days salary (includes dearness allowance) last drawn for each completed year of service. The same is payable on termination of service, or retirement, or death, whichever is earlier. The benefit vests after five years of continuous service. Gratuity benefits are valued in accordance with the Payment of Gratuity Act, 1972.
