Letter to Shareholders

Dear members

On behalf of the SoftSol Board of Directors, I take pleasure in presenting the 26th Annual Report of your Company and happy to welcome you to the 26th Annual General Meeting of your company. Thank you for your presence here today, and for your continued support and goodwill that is critical to the success of our Company.

At SoftSol, we realize the importance of dealing with change. It is not sufficient to recognize and react as change happens; it is important to anticipate and prepare. To do this we need to work both internally and engage with the broader ecosystem. We do this in multiple ways. We invest significantly in reskilling our workforce to take advantage of the newer opportunities that arise out of Digital technologies.

During the year under review, your Company recorded consolidated revenues of Rs. 58.55 crores and achieved net profit of Rs.1.11 crores for the year.

I felt happy in declaring and paying Interim Dividend by the Company during financial year aggregating to Rs. 1.20 paisa per Equity Share of Rs. 10 each fully paid up (12%) aggregating to Rs. 2,01,87,016/- (excluding dividend distribution tax thereof) to equity shareholders of the Company whose names were registered as shareholders of the Company as on the record date 25th November 2015.

We hope to review the Company situation and determine the best course of action to continue to find ways to improve our financial performance and offer liquidity to our shareholders. We will make conscious efforts to focus on IT market in India and also other opportunities available.

Before I conclude, I would also like to thank other stakeholders – our clients, vendors and partners – for their trust and support.

I am confident that our Company will do well in the coming years.

Sincerely Yours

Srinivasa Rao Madala
Chairman

The new password shall comprise of minimum 8 characters with at least one upper case (A- Z), one lower case (a-z), one numeric value (0-9) and a special character (@, #, \$, etc.,). The system will prompt you to change your password and update your contact details like mobile number, email ID etc. on first login. You may also enter a secret question and answer of your choice to retrieve your password in case you forget it. It is strongly recommended that you do not share your password with any other person and that you take utmost care to keep your password confidential.
 - v. You need to login again with the new credentials.
 - vi. On successful login, the system will prompt you to select the “EVENT” i.e., ‘Name of the Company’
 - vii. On the voting page, enter the number of shares (which represents the number of votes) as on the Cut-off Date under “FOR/AGAINST” or alternatively, you may partially enter any number in “FOR” and partially “AGAINST” but the total number in “FOR/AGAINST” taken together shall not exceed your total shareholding as mentioned herein above. You may also choose the option ABSTAIN. If the Member does not indicate either “FOR” or “AGAINST” it will be treated as “ABSTAIN” and the shares held will not be counted under either head.
 - viii. Members holding multiple folios/demat accounts shall choose the voting process separately for each folio/demat accounts.
 - ix. Voting has to be done for each item of the notice separately. In case you do not desire to cast your vote on any specific item, it will be treated as abstained.
 - x. You may then cast your vote by selecting an appropriate option and click on “Submit”.
 - xi. A confirmation box will be displayed. Click “OK” to confirm else “CANCEL” to modify. Once you have voted on the resolution (s), you will not be allowed to modify your vote. During the voting period, Members can login any number of times till they have voted on the Resolution(s).
 - xii. Corporate/Institutional Members (i.e. other than Individuals, HUF, NRI etc.) are also required to send scanned certified true copy (PDF Format) of the Board Resolution/Authority Letter etc., together with attested specimen signature(s) of the duly authorised representative(s), to the Scrutinizer at email vbmraoassociates@gmail.com with a copy marked to evoting@karvy.com. The scanned image of the above mentioned documents should be in the naming format “ Corporate Name_Event No.”
- (B) In case of Members receiving physical copy of Notice [for Members whose email IDs are not registered with the Company/Depository Participants (s)]:
- i. E-Voting Event Number – XXXX (EVEN), User ID and Password is provided in the Attendance Slip.
 - ii. Please follow all steps from Sl. No. (i) to (xii) above to cast your vote by electronic means.
- II. Voting at AGM: The Members, who have not cast their vote through Remote e-voting can exercise their voting rights at the AGM. The Company will make necessary arrangements in this regard at the AGM

Venue. The facility for voting through electronic voting system ('Insta Poll') shall be made available at the Meeting. Members who have already cast their votes by Remote e-voting are eligible to attend the Meeting; however those Members are not entitled to cast their vote again in the Meeting.

A Member can opt for only single mode of voting i.e. through Remote e-voting or voting at the AGM. If a Member casts votes by both modes then voting done through Remote e-voting shall prevail and vote at the AGM shall be treated as invalid.

- a) In case of any query and/or grievance, in respect of voting by electronic means, Members may refer to the Help & Frequently Asked Questions (FAQs) and E-voting user manual available at the download section of <https://evoting.karvy.com> (Karvy Website) or contact Mr. Shastry M. Outlook and Business:

Softsol India Limited is an IT services company that focuses on enabling businesses to achieve their strategic objectives.

The tech industry is being reshaped in numerous ways. Disruption is evident in software and services delivery, business models, the vast amount of money being poured into startups of all stripes, the cloud, big data,

entrepreneurialism, and constant innovation. Against that backdrop, companies can no longer rely on one-note value strategies. Analysts indicate which immediate path holds the most chance for short-term success, but over time, both improving margins and finding new revenue streams are critical for success.

The Company is taking planned steps to diversify its revenue sources by changing its strategic growth plan to move to a hybrid outsourcing model with a focus on products and platforms in addition to services offerings. This strategy enables the Company to capitalize on the opportunities as the world transitions to digital commerce. This transition is prone to challenges as well as opportunities which bring potential volatility with it. Fortunately, the Company with its 20+ years of experience has demonstrated success in navigating volatility and achieving managed transition to strengthen its long-term foundation. The Company is committed to use this opportunity to diversify its business and expand its reach to geographies beyond North America.

The Company's approach to focus on strategic accounts, continue to differentiate its service offerings within its focus area, attracting & retaining top talent, focus towards enhancing operational efficiency and scale-up towards building a delivery capability & excellence has established the Company as a preferred partner for its clients within its focused verticals. The client's response towards its solution offering was encouraging. The Company shall continue to propel further in its area of strength through alliances, developing customer center of excellence and by readying its clients to be prepared for digital age. The Company believes that its efforts in becoming a reliable partner to its clients will make it a leader in digital solution provider in the years to come.

The Company will enhance its cutting-edge proposition to address new customers, strengthening its emphasis on marketing to small and medium-sized firms.

Management's Discussion and Analysis

Overview

The financial statements have been prepared in compliance with the requirements of the Companies Act, 1956, guidelines issued by the Securities and Exchange Board of India (SEBI) and the Generally Accepted Accounting Principles (GAAP) in India. Our Management accepts responsibility for the integrity and objectivity of these financial statements, as well as for the various estimates and judgments used therein. The estimates and judgments relating to the financial statements have been made on a prudent and reasonable basis, so that the financial statements reflect in a true and fair manner the form and substance of transactions, and reasonably present our state of affairs, profits and cash flows for the year.

A. Industry structure and developments

Changing economic and business conditions and rapid technological innovation are creating an increasingly competitive market environment that is driving corporations to transform their operations. Consumers of products and services are increasingly demanding accelerated delivery times and lower prices. Companies are focusing on their core competencies and are using outsourced technology service providers to adequately address these needs. The role of technology has evolved from supporting corporations to transforming them. There is an increasing need for highly skilled technology professionals in the markets in which we operate. At the same time, corporations are reluctant to expand their internal IT departments and increase costs. Corporations are increasingly turning to offshore service providers for higher quality, cost competitive technology solutions. As a result, offshore service providers have become critical to the operations of many enterprises and they continue to grow in recognition and sophistication. In view of this, the addressable market for offshore technology services has expanded.

India IT Industry

IT industry trade body Nasscom projected a 10-12 percent growth for the Indian software services industry for the fiscal year 2017, lagging the 12-14 percent growth forecast it had made for the current fiscal (FY16).

Nasscom pointed out that for FY16, the industry's export revenue grew by 12.3 percent to reach \$108 billion, touching the lower end of its earlier revenue projection. During the same period, domestic revenue grew by 10 percent.

According to Nasscom, the Indian IT-BPO industry is expected to reach \$143 billion in revenue (which includes exports and domestic business) by March 31. The latest revenue figures show that the sector has doubled its revenue over the last six years and crossed the \$100 billion milestone in export revenues. In addition, ecommerce contributed \$17 billion in revenue, boosting digital consumption.

The software services export revenue is expected to grow by 10-12 percent in FY17, touching revenue of \$119-121 billion, Nasscom said in a statement, adding that the IT-BPO industry added 2 lakh employees during the current fiscal, touching a total employee base of 3.7 million.

The IT services segment in India has fast evolved from being an application development and management to now a full service provider. The IT outsourcing market prospects in India are very strong and are driven by increased spends in Infrastructure Service Outsourcing (ISO), Software Testing, Custom Application Development and Management (CADM) and SPA / web service segments. With increased digitalization the CADM segment is fast growing driven by mobility, social, cloud and analytics.

Further the nature of technology outsourcing is changing. Historically enterprise either outsourced their technology requirement entirely or on a standalone, project-project basis. In an environment of rapid technological change, globalization and regulatory changes, the complete outsourcing model is often perceived to limit a company's operational flexibility and not fully deliver potential cost savings and efficiency benefits. Similarly, project-by-project out sourcing is also perceived to result in increased operational risk and coordination costs and is failing to leverage technology service provider's full range of capabilities. To address these issues, companies are looking at outsourcing approaches that require their technology service providers to develop specialized systems, processes and solutions along with cost-effective delivery capabilities.

B. Opportunities and threats of Global IT services and Products

These are challenging times for the Indian IT Industry given the current global financial crisis. All companies are under threat given the uncertainties in the market today. India is no longer decoupled from the global economy and all sectors, whether it is IT or BPO which are directly linked to the fortunes of global business or retail, manufacturing and real estate which depend on the prosperity of the citizens to succeed will need to prepare themselves for a period of uncertainty and start building strategies and new capabilities for success in the future.

Every crisis creates new opportunities and there are new possibilities emerging in every segment. Service firms have the opportunity to build wider and deeper relationships with their clients, challenging the assumptions on what work can be done in near shore and offshore locations and identifying new areas to partner to meet the customer's need to preserve profits in difficult times.

Companies in the knowledge services business will need to be watchful and avoid excessive cost or capacity build up at a time when demand will be weak at least for the next few quarters. Product and IP creating firms can identify niche areas that emerge through the periods of instability and education and training firms can address the task of re-skilling both the existing workforce and job seekers to make them more suitable for the new challenges.

The main risks causing concern to the IT Industry and your Company as well are ability to attract and retain talent, withdrawal of Tax benefits, Currency Exchange risks, etc.

Our revenues and expenses are difficult to predict and can vary significantly from period to period, which could cause our share Price to decline. We may not be able to sustain our previous profit margins or levels of profitability. The economic environment, pricing pressure and decreased employee utilization rates could negatively impact our revenues and operating results.

Your Company has a Risk Assessment and minimization process, which is monitored on a periodic basis. Various risks that are closely monitored are Business risks i.e. Client concentration risk, geographical risk, competition risk and financial risk mainly in the area of foreign currency fluctuations.

We have a well-defined business contingency plan and disaster recovery plan to address these unforeseen events and minimize the impact on services delivered from our development centre

With solid management practices driven by a stable leadership team, a well diversified service portfolio aligned to market needs, a wide geographic presence, increased levels of productivity through efficiency frameworks and a proven track record through its Innovation, the Company is confident of increased success in the years to come.

C. Outlook

We have made very good progress in deepening the relationship with existing customers. As we are entering in to the domestic business, we expect to achieve higher growth rates in income and profits during the coming year.

With the economic uncertainties, we are exploring the domestic market as well as Asia Pacific region for driving the growth and mitigating risk in the developed world. This growth is largely driven by increased acceptance of IT within the country as a major growth enabler and a competitive tool for Indian corporations to compete in an increasingly globalized environment.

The Company has a positive outlook for the coming year and endeavors to achieve a steady business performance in the coming year. This is however, subject to risks and uncertainties given below.

D. Risks and Concerns:

It is difficult to pen-down the risks and uncertainties with certainty. They are not limited to risks and uncertainties regarding fluctuating earnings, interest rates, exchange rates, the Company's ability to manage growth intense competition in IT services including those factors which may affect our cost advantage, wage increase, earnings and exchange rate fluctuations, intense IT competition, Government policies, ability to attract and retain skilled professionals, time- cost over-runs on fixed price contracts, client concentration, ability to manage the international marketing and sales operations as well as the local operations, alterations of the government fiscal incentives, political instability, legal frame work and above all general economic conditions affecting the industry.

E. Internal Control Systems and their adequacies

The Company has professional and an adequate internal control system and procedure commensurate with the size of organization and nature of business. This provides adequate safeguards and effective monitoring of the transactions. All areas of the Company's operations are covered by such internal control systems.

The company strictly adheres to the internal control systems proven to be effective over the years. The internal audit team carries out extensive audit on all operations at regular intervals. The company implements the policies and procedures so as to safeguard the assets and interests of the company.

The internal control systems are implemented with a view to achieve good ethical culture within the organization. The internal control systems would ensure that any vulnerability in the achievement of company's objectives caused by risk factors whether internal or external, existing or emerging, is detected and reported in a timely manner and is meted out with appropriate corrective action. Strong internal controls minimize the risk of frauds by introducing effective checks and balances into the financial system.

The company has quarterly internal audit, an independent appraisal function, to evaluate the effectiveness of the company's internal control system. The findings of internal audit are periodically placed before the Audit committee and the Board of Directors of the company.

F. Financial Performance of the company

Your company had recorded consolidated revenues of Rs.5.86 crores and achieved net profit of Rs. 1.11 crores in the current year. We expect to achieve significant growth in revenue and net income in the coming year.

G. Human Resources

Human resource development is paramount in every organization. The management continues to lay emphasis on identifying and developing talent on organization with a view to retain them and impart further training to

those capable of handling additional responsibilities. This works to increase employee satisfaction within the organization, by providing employees with fresh challenges. Developing people and harnessing their ideas are of high priority for the Company.

Our focus is to develop individual and team competencies and capabilities for driving operational excellence and building a high performance organization. Hence our Talent Management program is focused on Talent Acquisition, Development and Retention.

We encourage our employees undergo certification programs each year to develop the skills relevant for their roles. We have also adopted a performance-linked compensation program that links compensation to individual performance, as well as meeting organisational goals.

We have initiated various measures from time to time to maintain a competitive, healthy and harmonious work environment at all levels.

Cautionary Statement:

Statements in this management discussion and analysis describing the Company's objectives, projections, estimates and expectations may constitute "forward looking statements" within the meaning of applicable laws and regulations. Actual results may differ materially from those either expressed or implied.

Independent Auditor's Report

TO THE MEMBERS OF
SOFTSOL INDIA LIMITED

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of SOFTSOL INDIA LIMITED ("the Company"), which comprise the Balance Sheet as at 31st March, 2016, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2016, and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of Sub-section (11) of Section-143 of the Act, we give in the Annexure – A a statement on the matters specified in paragraph 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) On the basis of the written representations received from the directors as on 31st March, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2016 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Company has no any pending litigations which would impact its financial position.
 - ii) The Company has no long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

**Annexure - B to Independent Auditors' Report dated 30.05.2016
issued to the Members of SOFTSOL INDIA LIMITED**

**Report on the Internal Financial Controls over Financial Reporting in terms of
Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act").**

We have audited the Internal Financial Controls over financial reporting of SOFTSOL INDIA LIMITED ("the Company") as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

1. Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining Internal Financial Controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

2. Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

3. Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (iii) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

4. Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

5. Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of Internal Financial Control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

21. SIGNIFICANT ACCOUNTING POLICIES AND OTHER NOTES TO THE FINANCIAL STATEMENTS**22.1 Significant Accounting Policies – (AS-1):****A. Basis of Preparation of Financial Statements :**

Financial statements have been prepared and presented under historical cost convention in accordance with the accounting principles generally accepted in India (GAAP). GAAP comprises the mandatory accounting standards as specified U/s 133 of the Companies Act, 2013 read with rule 7 of the Companies (Accounts) rules 2014 and other applicable provisions of the Act. All incomes and expenditures, having a material bearing on the financial statements, are recognized on an accrual basis.

B. Use of Estimates:

The preparation of financial statements in conformity with the GAAP requires that the management make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities as at the date of the financial statements, and the reported amounts of incomes and expenses during the reporting year. Such estimates include, estimate of useful life of fixed assets, provision for doubtful debts etc. Actual results could differ from those estimates. Changes in estimates are reflected in financial statements in the year in which changes are made and, if material, their effects are disclosed in the financial statements.

C. Revenue recognition:

- i) Revenue from software services is recognised under proportionate completion method for the services rendered and delivered as per the contracts entered.
- ii) Revenue from sale of products is recognised when significant risks and rewards in respect of ownership of products are transferred to customers. Revenue from products is stated exclusive of sales tax.
- iii) Interest income on deposits with banks is recognized on time proportion basis taking into account the amount outstanding and the rate applicable and interest on IT refund is recognized on receipt basis.
- iv) Rental income is recognised on accrual basis.
- v) Insurance Claims are recognised as and when they are settled / admitted.

D. Fixed Assets:

- i) Fixed assets are carried at cost of construction or acquisition less accumulated depreciation. Cost includes non-refundable taxes, duties, freight, borrowing costs and other incidental expenses related to the acquisition and installation of the respective assets.

Assets under installation or under construction as at the Balance sheet date are shown as Capital work-in-progress. Advances paid towards acquisition of assets are included under Capital Advances.

Fixed assets which are found to be not usable or retired from active use or when no further benefits are expected from their use are removed from the books of account and the difference if any, between the cost of such assets and the accumulated depreciation thereon is charged to Statement of Profit & Loss.

- ii) Computer software is classified as an “Intangible Asset”.

E. Depreciation:

- i) Depreciation on Tangible assets is provided under Written down value method over the useful lives of assets estimated by the management. Depreciation on additions/deletions during a period is charged on prorata basis from the date of addition or deletion, as the case may be.
- ii) The Management estimated the useful life of fixed assets as follows.

Buildings	60 Years
Plant and Machinery	10 Years
Office Equipment	5 Years
Computers	3 Years
Furniture and Fixtures	10 Years
Vehicles - Motor cars	8 Years

- iii) Intangible assets are amortized over their estimated useful life of asset.
- iv) Leasehold land is amortised equally over the lease period. The lease rentals are charged to revenue.

F. Foreign Currency Transactions:

- i) Initial Recognition: Transactions in foreign currencies are initially recorded at the exchange rates prevailing on the date of the transaction.
- ii) Conversion: Foreign currency monetary items are reported at the closing exchange rates on Balance Sheet date.
- iii) Exchange Differences:
 - a) Exchange differences, arising on reporting of long-term foreign currency monetary items at rates different from those at which they were initially recorded during the period, or reported in previous financial statements, in so far as they relate to the acquisition of depreciable capital assets, are added to or deducted from the cost of assets and are depreciated over the balance life of the assets.
 - b) Exchange differences arising on the settlement of monetary items not covered above, or on reporting such monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or expense in the year in which they arise.

G. Investments:

Investments intended to be held for more than one year are treated as long term and others as short-term. Short-term investments are carried at the lower of cost or quoted / fair value, computed category wise and long term investments are stated at cost. Provision for diminution in the value of long-term investments is made only if such a decline is other than temporary.

H. Retirement benefits:

- i) Defined Contribution Plan: Company's contribution paid/payable during the year to Provident Fund and Employees State Insurance Corporation are recognized in the Statement of Profit and Loss.
- ii) Defined Benefit Plan: At each reporting date, company's liability towards gratuity and leave encashment is determined by independent actuarial valuation using the projected unit credit method which considers each period of service as giving rise to an additional unit of benefit entitlement and measures each unit separately to build up the final obligation which is measured at the present value of estimated future cash flows using a discount rate. Actuarial gain/ losses are recognized in the Statement of Profit and Loss as income or expense.

I. Earnings per share:

- i) Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders by weighted average number of equity shares outstanding during the year.
- ii) Diluted earnings per share is calculated by dividing the net profit or loss for the financial year attributable to equity shareholders by the weighted average number of equity shares outstanding including equity shares which would have been issued on the conversion of all dilutive potential equity shares unless they are considered anti-dilutive in nature.

J. Taxes on Income:

Tax expense, comprising of current and deferred tax have been determined and charged to statement of Profit & Loss.

i) Current Tax:

Provision is made for income tax liability estimated to arise on profit for the year at the current rate of tax in accordance with the Income tax Act, 1961.

ii) Deferred Tax:

In accordance with the Accounting Standard – 22 (AS 22) “Accounting for Taxes on income, the company recognizes the deferred tax liability in the accounts, Deferred tax resulting from timing difference between book and tax profits is accounted for at the current rate of tax. Deferred tax asset is recognized only when there is virtual certainty, supported by convincing evidence, that such assets will be realised.

iii) Minimum Alternate Tax (MAT) Credit:

MAT credit is recognised as an asset only when and to the extent there is convincing evidence that the company will pay normal tax within the specified period and the MAT credit available can be utilised. Such asset is reviewed at each Balance Sheet date and the carrying amount is written down if considered not recoverable within the specified period.

K. Impairment of Assets:

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generation unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the Statement of profit and loss account. If at the balance sheet date there is an indication that if previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost.

L. Business / Geographical Segments:

The Company is engaged in the business of Software development and service. Since the inherent nature of development of software and services all types are integrated and govern by the same set of risks and returns and operating in the same economic environment, these are treated as a single Business and Geographical Segment. The said treatment is in accordance with the Accounting Standard – 17, Segment Reporting.

M. Provisions and Contingent Liabilities:

- i) A provision is recognised when the Company has a present obligation as a result of past event it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

- ii) Contingent liabilities are disclosed when there is a probable obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, and such liability that may arise is termed as a contingent liability.

N. Prior Period Expense/Income:

The company follows the practise of making adjustments through “Expenses/Income under/ over provided “in previous years in respect of material transactions pertaining to in that period prior to the current accounting year.

O. General:

Accounting policies not specifically referred to above are in consistent with the generally accepted accounting principles followed in India.

Notes to Financial Statements (March 31st, 2016)

Note - 1 - Nature of Business

SoftSol Resources, Inc. dba SoftSol Inc. (the “Company”) was incorporated in the state of California on January 11, 1993. The company is a provider of E- commerce, network technology, internet infrastructure and other special technology areas. Its IT services include application development, system integration, IT consulting and staffing, IT project management, domestic and offshore outsourcing. The Company has diverse client-based ranging from large customers to small high-tech start up companies. The Company’s vision is to create a global enterprise by taking a leading role in the revolution in Information Technology to provide highly competent and innovative software solutions.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The Company uses the accrual method of accounting for both financial and income tax reporting.

Use of Estimates

The preparation of financial statements and related disclosures in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and revenues and expenses during the period reported. Actual results could differ from those estimates. Estimates are used in accounting for, among other things, allowances for uncollectible receivables, depreciation, employee benefits, taxes, restructuring reserves and contingencies. Estimates and assumptions are reviewed periodically and the effects of revisions are reflected in the Financial Statements in the period they are determined to be necessary.

Cash

Cash consist of cash in Bank. Occasionally, the Company has cash deposited in a financial institutions in excess of federally insured limits.

Accounts Receivable

The company uses the Aging of the Accounts Receivable method for valuation of allowance for bad debts. Accordingly, accounts receivable represents the net realizable value.

Property and Equipment

Property and Equipment are stated at cost. Depreciation is provided principally on a straight-line method over the estimated useful lives of the assets. Estimated useful lives are as follows:

Furniture & Fixtures	7 years
Office Equipment	5 years
Automobile	5 years

The cost of significant additions and replacement of components is capitalized and depreciated while expenditures for maintenance and repairs are charged to expense as incurred. When assets are sold or otherwise disposed of, the cost and related depreciation are removed from the books and the resulting gain or loss is reflected in the determination of net income or loss. Depreciation expense for the year ended March 31, 2016 was \$ 4,349.

Long-Lived Assets

The Company accounts for the impairment and disposition of long-lived assets in accordance with FASB ASC No. 360, "Accounting for the Impairment or Disposal of Long-Lived Assets". ASC No. 360 requires that long-lived assets be reviewed for impairment whenever events or circumstances indicate that the carrying amount of an asset may not be recoverable.

Intangible Assets

Intangible assets consist of the cost to acquire the domain name "SoftSol.com" registered to a third party. It is being amortized on a straight-line basis over the estimated useful lives of 15 years. Amortization expense for the year March 31, 2016 was \$ 2,000.

Revenue Recognition

The Company derives revenues from consulting projects which are billed by actual time and expenses incurred. Revenues are recognized on the accrual basis as services are rendered.

For Fixed price projects, the Company recognizes revenue and cost of contracts on the percentage-of-completion method, measured by the percentage of cost incurred to date to estimated total cost for each contract. Management considers total cost to be the best available measure of progress on the contracts.

The asset, costs and estimated earnings in excess of billings on uncompleted contracts, represents revenues recognized in excess of amounts billed. The liability, billings in excess of cost and estimated earnings on uncompleted contracts, represents billings in excess of revenues recognized.

There were no fixed price projects during the year ended March 31, 2016.

Deferred Revenue

Advance payment received for services to be provided under contract agreements are deferred until the requisite service is provided and accepted, at which time revenue is considered earned and recognized. There is no deferred revenue as of March 31, 2016.

Income Taxes

The Company accounts for income taxes in accordance with FASB ASC No. 740 "Accounting for Income Taxes", which requires an asset and liability approach to financial accounting and reporting of income taxes. Deferred income tax assets and liabilities are computed annually for differences between the financial statement and tax basis of assets and liabilities that will result in taxable or deductible amounts in future based on the enacted tax laws and rates applicable to the periods in which the differences are expected to affect taxable income. Valuation allowance is established when necessary to reduce deferred tax assets to the amount expected to be realized.

Financial Accounting Standards Boards issued FIN 48 now known as ASC No. 740-10 "Accounting for Uncertainty in Income Taxes" recognizes the tax benefits from uncertain tax positions only if it is more likely than not that the tax position will be sustained on examination by the taxing authorities, based on the technical merits of the position. The tax benefits recognized in the financial statements from such positions are measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement.

The Company's income tax filings are subject to audit by various taxing authorities. The Company's open audit periods are 2012-2014. In evaluating the Company's tax provisions and accruals, future taxable income, and the reversal of temporary differences, interpretations and tax planning strategies are considered. The Company believes their estimates are appropriate based on current facts and circumstances

ANNEXURE 'A' TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph (f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of Softsol India Limited ('the Company') and its subsidiary company as at March 31, 2016 in conjunction with our audit of the consolidated financial statements of the Company for the year ended and as on that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Company and its subsidiary company, are responsible for establishing and maintaining internal financial controls based on the respective internal control over financial reporting criteria established by the Company and its subsidiary company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the 'Guidance Note'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Standards on Auditing prescribed under Section 143(10) of the Act and the Guidance Note, to the extent applicable to an audit of internal financial controls over financial reporting. Those Standards and the Guidance Note require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiary company, in terms of their reports referred to in the Other Matter paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the explanations given to us, the Company and its subsidiary company, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company and its subsidiary company considering the essential components of internal control stated in the Guidance Note.

Other Matter

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to subsidiary company, is based on the corresponding reports of the auditors of such subsidiary company.

22. SIGNIFICANT ACCOUNTING POLICIES AND OTHER NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

22.1. Consolidated Financial Statements have been prepared to meet the requirements of Clause 32 of the Listing Agreement with the Stock Exchange.

i) Basis of Consolidation:

The Consolidation of accounts is done in accordance with the requirements of Accounting Standard (AS 21) "Consolidation of financial Statements" notified under Sec.133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. Financial statements of subsidiary was prepared for the year ended 31st March 2016 and the same have been adopted for consolidation.

ii) Companies included in Consolidation:

The Consolidated Financial Statements include the financial statements of SoftSol India Limited as at 31.03.2016 and SoftSol Resources Inc. USA, A wholly owned subsidiary, incorporated in United State of America as at 31.03.2016.

iii) Principles of Consolidation:

The Consolidated Financial statements have been prepared based on a line by line consolidation of Statement of profit and loss and balance sheet. All inter-company balances and transactions have been eliminated on consolidation.

The excess / deficit of cost to the parent company of its investment in the subsidiaries over its portion of equity at the respective dates on which investment in such entities were made is recognized in the financial statements as goodwill / capital reserve. The parent company's portion of equity in such entities is determined on the basis of the book values of assets and liabilities as per the financial statements of such entities as on the date of investment and if not available, the financial statements for the immediately preceding period adjusted for the effects of significant transactions, up to the date of investment.

The consolidated financial statements are presented, to the extent possible, in the same format as that adopted by the parent company for its separate financial statements.

The consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances.

22.2 Significant Accounting Policies – (AS-1):**A. Basis of Preparation of Financial Statements :**

Financial statements have been prepared and presented under historical cost convention in accordance with the accounting principles generally accepted in India (GAAP). GAAP comprises the mandatory accounting standards as specified U/s 133 of the Companies Act, 2013 read with rule 7 of the Companies (Accounts) rules 2014 and other applicable provisions of the Act. All incomes and expenditures, having a material bearing on the financial statements, are recognized on an accrual basis.

B. Use of Estimates:

The preparation of financial statements in conformity with the GAAP requires that the management make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities as at the date of the financial statements, and the reported amounts of incomes and expenses during the reporting year. Such estimates include, estimate of useful life of fixed assets, provision for doubtful debts etc. Actual results could differ from those estimates. Changes in estimates are reflected in financial statements in the year in which changes are made and, if material, their effects are disclosed in the financial statements.

C. Revenue recognition:

- i) Revenue from software services is recognised under proportionate completion method for the services rendered and delivered as per the contracts entered.
- ii) Revenue from sale of products is recognised when significant risks and rewards in respect of ownership of products are transferred to customers. Revenue from products is stated exclusive of sales tax.
- iii) Interest income on deposits with banks is recognized on time proportion basis taking into account the amount outstanding and the rate applicable and interest on IT refund is recognized on receipt basis.
- iv) Rental income is recognised on accrual basis.
- v) Insurance Claims are recognised as and when they are settled / admitted.

D. Fixed Assets:

- i) Fixed assets are carried at cost of construction or acquisition less accumulated depreciation. Cost includes non-refundable taxes, duties, freight, borrowing costs and other incidental expenses related to the acquisition and installation of the respective assets. Assets under installation or under construction as at the Balance sheet date are shown as Capital work-in-progress. Advances paid towards acquisition of assets are included under Capital Advances. Fixed assets which are found to be not usable or retired from active use or when no further benefits are expected from their use are removed from the books of account and the difference if any, between the cost of such assets and the accumulated depreciation thereon is charged to Statement of Profit & Loss.
- ii) Computer software is classified as an “Intangible Asset”.

E. Depreciation:

- i) Depreciation on Tangible assets is provided under Written down value method over the useful lives of assets estimated by the management. Depreciation on additions/deletions during a period is charged on prorata basis from the date of addition or deletion, as the case may be.
- ii) The Management estimated the useful life of fixed assets as follows.

Buildings	60 Years
Plant and Machinery	10 Years
Office Equipment	5 Years
Computers	3 Years
Furniture and Fixtures	10 Years
Vehicles - Motor cars	8 Years

- iii) Intangible assets are amortized over their estimated useful life of asset.
- iv) Leasehold land is amortised equally over the lease period. The lease rentals are charged to revenue.

F. Foreign Currency Transactions:

- i) Initial Recognition: Transactions in foreign currencies are initially recorded at the exchange rates prevailing on the date of the transaction.
- ii) Conversion: Foreign currency monetary items are reported at the closing exchange rates on Balance Sheet date.
- iii) Exchange Differences:
 - a) Exchange differences, arising on reporting of long-term foreign currency monetary items at rates different from those at which they were initially recorded during the period, or reported in previous financial statements, in so far as they relate to the acquisition of depreciable capital assets, are added to or deducted from the cost of assets and are depreciated over the balance life of the assets.

- b) Exchange differences arising on the settlement of monetary items not covered above, or on reporting such monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or expense in the year in which they arise.

Foreign operations

In accordance with AS – 11 (Revised 2003) “The Effect of Changes in Foreign Exchange rates”, the financial statements of non-integral foreign operations are translated into Indian rupees as follows:

All assets and liabilities, both monetary and non-monetary, are translated using the closing rate;

Income and expense items are translated at average rate.

The resulting net exchange difference is credited or debited to a foreign currency translation reserve.

G. Investments:

Investments intended to be held for more than one year are treated as long term and others as short-term. Short-term investments are carried at the lower of cost or quoted / fair value, computed category wise and long term investments are stated at cost. Provision for diminution in the value of long-term investments is made only if such a decline is other than temporary.

H. Retirement benefits:

- i) Defined Contribution Plan: Company’s contribution paid/payable during the year to Provident Fund and Employees State Insurance Corporation are recognized in the Statement of Profit and Loss.
- ii) Defined Benefit Plan: At each reporting date, company’s liability towards gratuity and leave encashment is determined by independent actuarial valuation using the projected unit credit method which considers each period of service as giving rise to an additional unit of benefit entitlement and measures each unit separately to build up the final obligation which is measured at the present value of estimated future cash flows using a discount rate. Actuarial gain/ losses are recognized in the Statement of Profit and Loss as income or expense.

I. Earnings per share:

- i) Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders by weighted average number of equity shares outstanding during the year.
- ii) Diluted earnings per share is calculated by dividing the net profit or loss for the financial year attributable to equity shareholders by the weighted average number of equity shares outstanding including equity shares which would have been issued on the conversion of all dilutive potential equity shares unless they are considered anti-dilutive in nature.

J. Taxes on Income:

Tax expense, comprising of current and deferred tax have been determined and charged to statement of Profit & Loss.

i) Current Tax:

Provision is made for income tax liability estimated to arise on profit for the year at the current rate of tax in accordance with the Income tax Act, 1961.

ii) Deferred Tax:

In accordance with the Accounting Standard – 22 (AS 22) “Accounting for Taxes on income, the company recognizes the deferred tax liability in the accounts, Deferred tax resulting from timing difference between book and tax profits is accounted for at the current rate of tax. Deferred tax asset is recognized only when there is virtual certainty, supported by convincing evidence, that such assets will be realised.

iii) Minimum Alternate Tax (MAT) Credit:

MAT credit is recognised as an asset only when and to the extent there is convincing evidence that the company will pay normal tax within the specified period and the MAT credit available can be utilised. Such asset is reviewed at each Balance Sheet date and the carrying amount is written down if considered not recoverable within the specified period.

K. Impairment of Assets:

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generation unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the Statement of profit and loss account. If at the balance sheet date there is an indication that if previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost.

L. Business / Geographical Segments:

The Company is engaged in the business of Software development and service. Since the inherent nature of development of software and services all types are integrated and govern by the same set of risks and returns and operating in the same economic environment, these are treated as a single Business and Geographical Segment. The said treatment is in accordance with the Accounting Standard – 17, Segment Reporting.

M. Provisions and Contingent Liabilities:

- i) A provision is recognised when the Company has a present obligation as a result of past event it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.
- ii) Contingent liabilities are disclosed when there is a probable obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, and such liability that may arise is termed as a contingent liability.

N. Prior Period Expense/Income:

The company follows the practise of making adjustments through “Expenses/Income under/ over provided “in previous years in respect of material transactions pertaining to in that period prior to the current accounting year.

22.10 Other explanatory information:

22.10.1 During the financial year 2005-06, the Govt. of A.P. allotted a land of one acre to the company, bearing Plot No.6, in Sy.No.408/1, I.T. Industries Layout, Madhurawada Village, Visakhapatnam District on outright sale basis under its ICT policy 2005-10 at a consideration of Rs.10.00 lakhs per acre vide MOU dt.13.06.2005 and Agreement for sale of land dt.23.02.2006. Accordingly, the company has paid the consideration and took possession of the same and started developing the same for its IT facility. Subsequently, on getting the permission from the Govt. of India for developing, operating and maintaining IT / ITES SEZ in the said land, the Govt. of A.P. converted the above sale of land into lease and fixed a one time lease payment of Rs.10.00 lakhs per acre and further fixed an annual lease rental of Rs.1,000/- per acre vide lease deed dated 05.02.2009. As per the above, the GOAP adjusted the amount of Rs.10.00 lakhs paid by the company towards sale consideration for the one time lease premium.

As per the lease deed, the land will be converted from leasehold to freehold after a period of 10 years from the execution of the above lease deed, subject to provisions of the SEZ Act, 2005 / SEZ Rules, 2006.

As the period of 10 years from the execution of the lease deed is not yet completed, the company is continuing to pay the annual lease rental of Rs.1,000/- and showing the said land as a leasehold land in the fixed asset schedule.

22.10.2. In the opinion of the board, the assets other than fixed assets and non-current investments, have a value on realization in the ordinary course of business of atleast equal to the amount at which they are stated in the balance sheet.

22.10.3. Previous year's figures have been regrouped wherever necessary to conform to the layout adopted in the current year.
