CHAIRMAN'S LETTER

Dear Shareholders,

Warm greetings to you all!

The business environment continued to be challenging this year as well. While the overcapacity in the domestic market had its impact, sluggish local demand in Sri Lanka and in the global Nail Polish market added to the challenge. The relevant international market of Cosmetics & Perfumery faced an unprecedented recessionary trend, with the number of new product launches dropping significantly. Amidst these challenges, our Company continues to move forward on its vision of global leadership in specialty glass packaging (flacconage).

The Company's consolidated total operating income for the year grew by 9.1% to ₹ 17,931 million. The operating profit before interest depreciation and tax (EBITDA) grew by 3.1% to ₹ 2,845 million. The EBITDA to total operating income was 15.9% as compared to 16.8% last year. The net profit for the year was ₹ 558.5 million

Indian operations continue to focus on Cosmetics and Perfumery (C&P) sector with around 60% sales coming from C&P, with an emphasis on premium brands in the west. We have successfully executed multiple projects for marquee global brands from India this year.

Sri Lankan operations impacted due to sluggish local demand and escalating costs, reported an EBITDA of 18.3%. The land at Rathmalana was sold during the year. This led to growth in PAT by 56% over FY13.

USA continues to focus on Specialty Food and Beverages (SF&B) segment, as it builds its own product catalog. It continues to cater to the C&P segment and Amber bottle demand in the US, by sourcing most of the products from India.

Due to capex of ₹ 1,222.5 million in FY14 debt has gone up from ₹ 13,129.7 million to ₹ 14,024.4 million and the Debt to equity ratio was at 3.1 as against 3.0 in FY13

Cosmetics & Perfumery Division:

Cosmetics & Perfumery business grew by 10% from ₹ 8,232 million to ₹ 9,093 million. We continued servicing most of the leading international C&P companies. A focused effort to internally build our design and manufacturing capability was initiated this year, with the development of bottles with challenging shapes and design. This will help in showcasing our skill and capability to demand more premium projects from our customers.

Pharmaceutical Division:

We continued to focus on high value added products in the pharmaceutical glass packaging market, in the process rationalizing products and markets in favour of exports with a view to increase profitability. The Type I Glass business continues to be gaining traction with supplies from India. We have recently repaired our Type I furnace at Kosamba and have invested in the modernization of the plant and equipment, to further enhance and meet the global standards.

Specialty Food and Beverages Division :

We focus on manufacturing high value SF&B bottles from our operations in USA and Sri Lanka. This segment revenue remained flat at ₹ 3,759 million as compared to ₹ 3,789 million in FY13. This was mainly due to discontinuation of a major brand in USA. We have made inroads in the Australian premium market with supplies began from our Sri Lankan operations and will build this business over the years.

One Piramal Values and Purpose

Last year we initiated the process for building the 'Piramal Way' that brings together its people and stakeholders. We articulated our values as 'Knowledge, Action, Care'. We defined the One Piramal purpose as 'Doing Well and Doing Good – Making a positive difference, serving people and living our values'

During this year, we defined our Purpose statement for Piramal Glass, which is as follows:

Enhance the value of the product by providing specialty glass packaging to fulfill peoples' aspirations

We will

- be a reliable partner for specialty glass packaging
- adopt cutting-edge business processes
- have engaged employees in top 5 percentile globally
- be a global leader in terms of market share by 2020

I am particularly pleased with the enthusiastic participation and efforts put in by all our teams in the Value cascading activities conducted across all the Piramal Glass locations. I am confident that our culture driven by our organization Values and a spirit of continuous improvement by adopting good practices will guide us and motivate us to achieve our goals. The initiative of measuring Employee Engagement with the help of the world renowned Tower Watson continued this year as well. It is a matter of great satisfaction that the Company as a whole reported overall engagement score at 96% favorable (with 95% response to survey). Piramal Glass has consistently maintained score at world class level for 6th year in a row. We believe that the empowerment of our employees is one of our key factors of success and helps realise our vision of global leadership.

I sincerely thank all our stakeholders, our customers, employees, suppliers, bankers and shareholders for their confidence and support.

Warm regards,

Ajay G. Piramal
Chairman

In Sri Lanka the strategy has been to migrate to more and more premium customers. In USA, focus is on winning new customers and new brands in the specialty liquor segment.

Since the US acquisition, we have gradually been able to increase our sales in this segment through acquisition of new customers and retaining old ones. 23. SIGNIFICANT ACCOUNTING POLICIES & GENERAL NOTES

PART – A SIGNIFICANT ACCOUNTING POLICIES

1 ACCOUNTING ASSUMPTION

The financial statements are drawn up in accordance with the historical cost convention on accrual basis and comply with the accounting standards referred to in Sec 211 (3C) of the Companies Act, 1956.

2 FIXED ASSETS

All fixed assets are stated at cost of acquisition less accumulated depreciation and impairment loss, if any. Cost comprises the purchase price, material cost and any attributable/incidental cost incurred by the Company for bringing the asset to its working condition for its intended use. In the case of fixed assets acquired for new projects / expansions, finance cost on borrowing and other related expenses up to the date of commercial production incurred towards acquiring fixed assets are capitalized.

3. IMPAIRMENT

- A. The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash-generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the Profit & Loss account.
- B. A previously recognized impairment loss is increased or reversed depending on changes in circumstances. However, the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation if there was no impairment.

4. DEPRECIATION

Depreciation on all fixed assets except moulds is provided on straight-line method at the rate specified in Schedule XIV of the Companies Act, 1956. Depreciation on additions / deletions is provided on pro-rata basis to the months of additions / deletions.

Moulds with predetermined useful life, are depreciated on the actual usage of the mould impression used for production during the reporting period. Depreciation on mould provided in the books is not less than depreciation if provided at the rates specified in the schedule XIV of the Companies Act, 1956.

5 INVESTMENTS

Investments are classified as long-term investments and are stated at cost. Diminution in value, if any, which is of a temporary nature, is not provided.

6 VALUATION OF INVENTORIES

Raw materials, Stores & spares, and Packing Materials are valued at weighted average cost. Work in progress and finished goods are valued at lower of cost or net realizable value. Cost of working in progress and finished goods is determined by taking materials, labour cost and other appropriate allocable overheads. Excise Duty on goods manufactured by the company and are remaining in inventory is included as part of valuation of finished goods.

7 REVENUE RECOGNITION

Sales are recognized, on invoicing and actual dispatch to customers and are recorded inclusive of Excise Duty and Sales Tax. Technical Services and Other Fees, Interest incomes are accounted on accrual basis. Insurance Claims are accounted on receipt basis. Dividend income is recognized when the right to receive dividend is established.

8 EXCISE DUTY

The Excise Duty in respect of Closing Inventory of Finished Goods is included as part of the Inventory. The amount of CENVAT Credit, in respect of Material consumed for Sales is deducted from Cost of Material Consumed.

9 FOREIGN CURRENCY TRANSACTION

The transactions in foreign currency are accounted at exchange rate prevailing on the date of transaction. Monetary items denominated in foreign currency outstanding at the year-end are translated at the year-end exchange rate and the unrealized exchange gain or loss is recognized in the profit and loss account.

Exchange difference (Realized / Unrealized) as on reporting date, arising on long term Foreign Currency Monetary Items so far as they relate to acquisition of depreciable asset, are added to or deducted from the cost of the asset. (This change in the accounting policy has been made during the financial year 2011-12 in exercise of the option given by the Government of India, Ministry of Corporate Affairs vide a Notification dated December 29, 2011, amending the Companies (Accounting Standards) Rules, 2006.) Prior to FY 2011-12 such exchange difference was charged to Profit and Loss account.

10 RETIREMENT BENEFITS

The Company's contributions in respect of Provident Fund are charged against revenue every year. Present Liability for future payment of Gratuity and unavailed leave benefits to the employees at the end of the year is provided on the basis of actuarial valuation and is charged to revenue.

Management is responsible for the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Company in accordance with accounting principles generally accepted in India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and presentation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

We did not audit the financial statements of the Subsidiaries; viz., Piramal Glass Ceylon Plc, Sri Lanka, Piramal Glass International Inc., USA, Piramal Glass USA Inc., Piramal Glass Flat River LLC, and Piramal Glass Williamstown LLC., Piramal Glass (UK) Ltd and Piramal Glass Europe SARL; whose financial statements reflect the Group share of total assets of ₹ 7,231.55 millions as at March 31, 2014 and Group share of total revenues of ₹ 8,292.62 millions for the period ended on that date as considered in the consolidated financial statements.

These financial statements and other information of the subsidiaries have been audited up to 31st March 2014, by other auditors, whose reports have been furnished to us and our opinion, insofar as it relates to the amounts included in respect of the Subsidiaries, is based solely on the report of the other auditors.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the consolidated financial statements give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) in the case of the Consolidated Balance Sheet, of the state of affairs of the Company as at March 31, 2014;
- (b) in the case of the Consolidated Profit and Loss Account, of the 'profit' for the year ended on that date; and

Dear Shareholder(s),

Electronic Payment of Dividend

As per directives from Securities and Exchange Board of India (SEBI), payment of dividend to shareholders holding shares in dematerialized form is being remitted electronically to their respective bank accounts as registered by them with their Depository Participants (DP), thereby ensuring direct credit of the dividend amount to the Bank Account. This service has also been extended to shareholders holding shares in physical form who choose to avail of the same.

The Company uses the National Electronic Clearing Service (NECS) of the Reserve Bank of India for the purpose of such electronic payment of dividend. NECS, which is a new platform for electronic payments, operates on the new and unique bank account number allotted by banks post implementation of the Core Banking Solutions (CBS). Pursuant to implementation of CBS, your bank account number may have undergone a change, which is required to be communicated by you to your Depository Participant (in case of shareholders holding shares in dematerialized form) or to the Company's Share Transfer Agent (in case of shareholders holding shares in physical form, in which case, the communication may be made in the format printed overleaf).

Accordingly, if your bank account number has undergone a change pursuant to implementation of CBS, then:

a) For shareholders holding shares in Dematerialized Form

Please inform details of your new bank account number to your Depository Participant (DP) and ensure that the same is duly updated in their records;

b) For shareholders holding shares in Physical Form

If you have already opted from the Company the NECS Mandate Facility (i.e. direct credit of dividend amount to your designated bank account) or the Bank Mandate Facility (i.e. where the details of your designated bank account are printed on the dividend warrant) please inform details of your new bank account number, if not already done so to the Company's Share Transfer Agent in the format mentioned overleaf.

If you have not yet opted for the NECS Mandate Facility, we urge you to avail of the NECS Mandate Facility as this not only protects a shareholder against fraudulent interception and encashment of dividend warrants but also eliminates dependence on the postal system, loss/damage of dividend warrants in transit and correspondence relating to revalidation/issue of duplicate dividend warrants.

Kindly ensure that the above instructions are under your signature (which should be as per specimen registered with the DP / Company) and are communicated before commencement of the book closure date, to facilitate receipt of dividend.

Please note that if your new bank account number is not informed as aforesaid, payment of your dividend to your old bank account number may be rejected, in which case the same will be paid by demand draft / warrant.

Assuring of our best services at all times.

Yours faithfully,

For **Piramal Glass Limited**
