MANAGEMENT DISCUSSIONS & ANALYSIS REPORT

INDUSTRY STRUCTURE & DEVELOPMENT

Indian Economy:

With a GDP at US\$2.25 tr (nominal, 2016), India's economy ranks as the 7th largest in the world. The Indian economy has been growing at an accelerated pace since 2014, supported by favorable government reforms and stringent fiscal regime that reigned in inflation.

The Indian textiles industry is one of the oldest industries in Indian economy and has two broad segments. First, the unorganized sector consists of handloom, handicrafts and sericulture, which are operated on a small scale and through traditional tools and methods. The Economic Survey 2017 describes India's stand in the world as 'haven of stability' and positions it as 'an outpost of opportunity'. In 2016-17, India's GDP growth has been pegged at 7.1% down from 7.9% recorded in the previous financial year – largely owing to policy initiatives like demonetization.

Notwithstanding a marginal delay in the onset of monsoon, 2016-17 has been good for the agricultural sector. The total food grain production is estimated to touch a record of 272 million tonnes, 8% higher than the corresponding figure of 251.6 million tonnes harvested last year.

The Indian Textile Industry contributes approximately 5 per cent to India's gross domestic product (GDP), and 14 per cent to overall Index of Industrial Production (IIP). As per International Monetary Fund (IMF), global growth is expected to strengthen from 2017 aided by the gradual increase in the global weight of fast-growing countries such as China and India.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in

reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by ICAI.
