#### Auditors Observations:

The Auditor of the Company have made adverse remarks in its audit report for the financial year ended March 31, 2017 are as follows along with the explanation given by the Board.

- I) The Company has defaulted in repayment of loans availed from financial institutions due to which these borrowings have been classified as short term borrowings. The amount payable to financial institutions is Rs. 7260 lakhs.

*Since the play group centers closed during the year, the company was facing acute cash shortage, due to which the company was not able to repay loans from financial institutions. The company is trying to pay outstanding amount to settle the dues with the financial institutions.*

- II) The company has discontinued most of the centers operated by the company and have converted some of them into franchisee, The company has not passed any adjustment entries/ impairment loss for the fixed assets including furniture and fixture, teaching equipment and lease hold improvements for most of the centers discontinued/ closed/ converted into franchisee during the year.

The management has informed us that the recoverable amount of these assets within the meaning of Indian Accounting Standards (IND AS) -36 is more than the carrying value and as such no amount needs to be recognized in the financial statements for impairment loss. We have not been able to validate this assertion in the absence of internal exercise or external valuation report of an independent agency and the uncertainty of resumption of future operation/ results of future operations thereof. We are unable to comment on the carrying value of these assets.

*During the year owing to exceptional year, and the very fact that the management of the company was for the major part of the year being handled by another group, who have chosen to discontinue the centers. The company is trying to convert its centers to franchise centers, no impairment loss for the assets needs to be recognized for the year. The company is confident in earning future income out of the assets lying in closed centers.*

- III) No revenue is received from school management services rendered to K-12 schools from last 2 quarters and the invoices raised in the first 2 quarters have also not been acknowledged by the other party creating dispute over its realization.

In our opinion, since there is no probable certainty of revenue from the cash generating unit, the carrying amount shown under "Business Commercial Rights (BCR) under Intangible assets needs to be impaired and impairment test is required as per Indian Accounting Standard (IND-AS)-36 and impairment loss needs to be recognized.

Management has informed us that the recoverable amount of these Intangible Assets within the meaning of Indian Accounting Standards (IND AS) -36 is more than the carrying value and as such no amount needs to be recognized in the financial statements for impairment loss. We have not been able to validate this assertion in the absence of internal exercise or external valuation report of an independent agency and the uncertainty of resumption of future operation/ results of future operations thereof. We are unable to comment on the carrying value of these assets.

*During the year due to lack of manpower, the company was not able to provide school management services to K12 schools for last two quarters and thus no income was recognized for those quarters. The company has secured contract with all K12 schools and will resume its services shortly. As the contract is in force, impairment of Business Commercial Rights (BCR) was not carried out. We cannot comment on other party's acknowledgement of invoices, as we do not have any control on trusts.*

- IV) In respect to various deposits given to Educational trust amounting to Rs 18889 lacs, the balance lying in the company's books could not be verified in absence of confirmations received from the trust.

Further the management has informed that the carrying amount of these deposits classified as financial assets have not been accounted at fair value as required within the meaning of Indian Accounting Standard (Ind AS)109. In view of the management the carrying amount of these assets is the fair value and no amount needs to be recognized as loss. We have not been able to validate this assertion in the absence of internal exercise or external valuation report of an independent agency. We are neither able to comment on the carrying value of these assets nor we are able to ascertain the impact of not valuing these deposits at fair value in the attached financial results.

*The deposits given to Educational trust amounting to Rs. 18889 lakhs was provided for development of schools. The amount is receivable from trusts and is verified with the trust from time to time. The transactions during the year were found reconciling with the trust accounts. As the deposits are fully recoverable in near term, fair valuation of deposits was not carried out.*

- V) In respect to Receivables amounting to Rs. 2877 lacs due from Educational trust, the deliverables and receipts are outstanding for a long time. Absence of recoveries from these parties since long indicates the existences of material uncertainty that may cast doubt on the recoverability of these receivables. However, in view of management no provision is required as such balances are good and recoverable.

*The company is receiving amounts due from two educational trust out of four education trusts*

- VI) The carrying value of lease deposits with landlords amounting to Rs 1473 lacs is related to closed/ discontinued centers and administrative office. We are of the opinion that the recoverable amount is much lower than the carrying value of these lease deposits and impairment test needs to be carried out.

*The company is trying to convert the centers to franchise centers and thus the lease deposits are being taken over by franchises by settling liabilities of the respective center. Lease deposits are thus fully recoverable and no impairment for the same was required to be carried out.*

- VII) The Loans & Advances and Receivables which have been classified as Financial Assets in compliance to Ind AS, have been recognized at their carrying amount and not at fair value. In view of the management the carrying amount of these assets is the fair value and no amount needs to be recognized as loss. We have not been able to validate this assertion in the absence of internal exercise or external valuation report of an independent agency. We are unable to comment on the carrying value of these assets as the same is not in conformity to Ind AS.

*In view of lack of man power, fair valuation of financial assets could not be carried out and same is taken at carrying cost by the company.*

- VIII) The policies, procedures and overall internal controls needs to be strengthen in order to provide proper evidences regarding recoverability of receivables, valuations of financial assets including deposits, write off of fixed assets including impairments and accounting for direct & indirect taxes including other statutory compliances and timely and proper recording of capital and revenue transactions. We are unable to ascertain its impact, if any on the statement in respect of the above matters.

*The internal controls are well in place and the company will continue to strengthen its internal controls as per the requirement and scale of business.*

- IX) The company has neither carried out the fair valuations of assets classified as financial assets and financial liabilities including ESOP'S, nor it has carried out the impairment testing for intangible assets (Goodwill & Brands) wherever required and stated above in compliance to Indian Accounting Standards issued under Companies (Indian Accounting standards) Rules 2015. Therefore, the possible impact of the same on the profit & loss and retained earnings, if any, cannot be ascertained.

*The company has transferred fund to meet its ESOP's requirements to Tree House Employee Welfare Trust. The ESOP is being managed by the trust and the company does not exercise any control. As and when the ESOP's are being exercised by the employee, the amount is transferred back to the company. Goodwill and Brands are owned by the company, and the company is able to convert its centers to franchise centers on the basis of goodwill it has created in the past. Due to lack of manpower intrinsic value of ESOP could not be carried out. The company is of the view that no impairment loss towards ESOP, Goodwill and Brands is required to be recognized by the company.*

- X) Confirmation letters have been sent by the company to Sundry Creditors and parties to whom Loans and Advances have been granted for confirming the balances lying in their ledger accounts in books of the company. In view of confirmations having been received from only few of the parties, the balances under these heads have been shown as per books of accounts and are subject to reconciliation and adjustment, if any.

*The confirmations have all being sent to creditors and other parties. As no information/objections was received from them, the same is considered to be confirmed by the company.*

- XI) Some landlords, creditors as well as statutory authorities have initiated legal proceedings against the company, which may result in compensation, interest and penalties. The possible impact of the same on financial results cannot be ascertained, pending such outcome.

*As the matter is subjudice, we are unable to comment on the same.*

## INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF

### TREE HOUSE EDUCATION & ACCESSORIES LIMITED

#### Report on the Standalone Ind As Financial Statements

We have audited the accompanying standalone Ind AS financial statements of **TREE HOUSE EDUCATION & ACCESSORIES LIMITED** ("the Company"), which comprise the Balance Sheet as at **March 31, 2017**, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

#### Management's Responsibility for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act 2013 ("the Act") with respect to preparation of these standalone Ind AS financial statements to give a true and fair view of the financial position, financial performance (including other comprehensive income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting standards specified in the Companies (Indian Accounting Standards) Rules, 2015 (as amended) under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind As financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### Auditors' Responsibility

Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit.

We have taken into account the provision of the Act and the Rules made thereunder including the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India. Those Standards and pronouncements require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS financial statements that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our adverse audit opinion on the standalone Ind AS financial statements.

#### Basis of Adverse Report

1. We draw your attention to Note No 2A, in notes on account to the Standalone Ind AS Financial Statements, with regard to Fixed Assets. The company has discontinued most of the centres operated by the company and have converted some of them into franchisee. The company has not passed any adjustment entries / impairment loss for most of the centres discontinued/ closed/ converted into franchisee during the year.

The management has informed us that the recoverable amount of these assets within the meaning of Indian Accounting Standards (IND AS) –36 is more than the carrying value and as such no amount needs to be recognized in the Standalone Ind AS Financial Statements for impairment loss. We have not been able to validate this assertion in the absence of internal exercise or external valuation report of an independent agency and the

uncertainty of resumption of future operation/ results of future operations thereof. We are unable to comment on the carrying value of these assets.

2. We draw attention to Note 4B, in notes on account to the Standalone Ind AS Financial Statements in respect to non-impairment of "Business Commercial Rights" – Management has informed us that the recoverable amount of these intangible Assets within the meaning of Indian Accounting Standards (IND AS) -36 is more than the carrying value and as such no amount needs to be recognized in the Standalone Ind AS Financial Statements for impairment loss. We have not been able to validate this assertion in the absence of internal exercise or external valuation report of an independent agency and the uncertainty of resumption of future operation/ results of future operations thereof. We are unable to comment on the carrying value of these assets.

3. We draw attention to Note 7, in notes on account to the Standalone Ind AS Financial Statements in respect to various deposits given to Educational trust amounting to Rs. 18889 lacs, the balance lying in the company's books could not be verified in absence of confirmations received from the trust.

Further the management has informed that the carrying amount of these deposits classified as financial assets have not been accounted at fair value as required within the meaning of Indian Accounting Standard (Ind AS) 109. In view of the management the carrying amount of these assets is the fair value and no amount needs to be recognized as loss. We have not been able to validate this assertion in the absence of internal exercise or external valuation report of an independent agency. We are neither able to comment on the carrying value of these assets nor we are able to ascertain the impact of not valuing these deposits at fair value in the attached financial results.

4. We draw attention to Note 6, 7, 10, 14, 22, 23 & 36, in notes on account to the Standalone Ind AS Financial Statements, where in the company has not carried out the fair valuations of assets classified as financial assets and financial liabilities including ESOP's, as required and stated in compliance to Indian Accounting Standards issued under Companies (Indian Accounting Standards) Rules 2015. Therefore, the possible impact of the same on the profit & loss and retained earnings, if any, cannot be ascertained.

5. We draw attention to Note 10, in notes on account to the Standalone Ind AS Financial Statements in respect to Trade Receivables amounting to Rs. 2877 lacs due from Educational trust, the deliverables and receipts are outstanding for a long time. Absence of recoveries from these parties since long indicates the existence of material uncertainty that may cast doubt on the recoverability of these receivables. However, in view of management no provision is required as such balances are good and recoverable.

6. We draw attention to Note 14, in notes on account to the Standalone Ind AS Financial Statements in respect to the carrying value of lease deposits with landlords amounting to Rs. 1473 lacs related to closed/ discontinued centres and administrative office. We are of the opinion that the recoverable amount is much lower than the carrying value of these lease deposits and impairment test needs to be carried out.

### OPINION

In our opinion and to the best of our information and according to the explanations given to us, except for the effect of matters described in the basis of Adverse Opinion paragraph above, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the state of affairs of the Company as at March 31, 2017, and its loss (including other comprehensive income), its cash flows and the changes in Equity for the year ended on that date.

### Other Matters

1. The company has defaulted in repayment of loans availed from financial institutions due to which these borrowings have been classified as short term borrowings. The amount payable to financial institutions is Rs. 7260 lacs.

2. No revenue is received from school management services rendered to K-12 schools from last 2 quarters and the invoices raised in the first 2 quarters have also not been acknowledged by the other party creating dispute over its realization.

In our opinion, since there is no probable certainty of revenue from the cash generating unit, the carrying amount shown under "Business Commercial Rights (BCR) under Intangible assets needs to be impaired and impairment test is required as per Indian Accounting Standard (IND-AS)-36 and impairment loss needs to be recognized.

Management has informed us that the recoverable amount of these Intangible Assets within the meaning of Indian Accounting Standards (IND AS) -36 is more than the carrying value and as such no amount needs to be recognized in the financial statements for impairment loss. We have not been able to validate this assertion in the

absence of internal exercise or external valuation report of an independent agency and the uncertainty of resumption of future operation/ results of future operations thereof. We are unable to comment on the carrying value of these assets.

3. The policies, procedures and overall internal controls needs to be strengthen in order to provide proper evidences regarding recoverability of receivables, valuations of financial assets including deposits, write off of fixed assets including impairments and accounting for direct & indirect taxes including other statutory compliances and timely and proper recording of capital and revenue transactions. We are unable to ascertain its impact, if any on the statement in respect of the above matters.
4. The company has neither carried out the fair valuations of assets classified as financial assets and financial liabilities including ESOP'S, nor it has carried out the impairment testing for intangible assets (Goodwill & Brands) wherever required and stated above in compliance to Indian Accounting Standards issued under Companies (Indian Accounting standards) Rules 2015. Therefore, the possible impact of the same on the profit & loss and retained earnings, if any, cannot be ascertained.
5. Confirmation letters have been sent by the company to Sundry Creditors and parties to whom Loans and Advances have been granted for confirming the balances lying in their ledger accounts in books of the company. In view of confirmations having been received from only few of the parties, the balances under these heads have been shown as per books of accounts and are subject to reconciliation and adjustment, if any.
6. Some landlords, creditors as well as statutory authorities have initiated legal proceedings against the company, which may result in compensation, interest and penalties. The possible impact of the same on financial results cannot be ascertained, pending such outcome.

We have audited the internal financial controls over financial reporting of "TREE HOUSE EDUCATION & ACCESSORIES LIMITED" ("the Company") as of March 31, 2017 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

#### **MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **AUDITORS' RESPONSIBILITY**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Notes") and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

Because of the matter described in Disclaimer of opinion paragraph below, we were not able to obtain sufficient and appropriate audit evidence to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### **MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the company's assets that could have a material effect on the financial statements.

#### **INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projection of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Disclaimer of Opinion

According to information and explanation given to us, and based on our audit the Company's internal financial control over financial reporting was not operative or was inappropriate in the current financial year to cover the essential components of Internal controls stated in Guidance Note on Audit of Internal Financial controls over Financial Reporting issued by ICAI. Also the Internal Audit carried out by an independent firm did not cover the areas required to be covered as per the Guidance Note on Audit of Internal Financial controls over Financial Reporting.

Because of these reasons, we are unable to obtain sufficient appropriate audit evidence to provide a basis for our opinion whether the company has adequate internal financial controls over financial reporting and whether such internal financial were operating effectively as at March 31, 2017.

We have considered the disclaimer report above in determining the nature, timing and extent of audit tests applied in our audit of standalone financial statements of the company, and the disclaimer does not affect our opinion on the standalone financial statements of the company.

Other assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or group of assets (cash-generating units). Non-financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

Provisions are not recognized for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Contingent Liabilities are disclosed in respect of possible obligations that arise from past events but their existence will be confirmed by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or where any present obligation cannot be measured in terms of future outflow of resources or where a reliable estimate of the obligation cannot be made.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the Balance Sheet date.

Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. Deferred tax assets are recognised on carry forward of unabsorbed depreciation and tax losses only if there is virtual certainty supported by convincing evidence that such deferred tax assets can be realised against future taxable profits.

## Amendments to Ind AS 7, 'Statement of cash flows' on disclosure initiative:

The amendment to Ind AS 7 introduce an additional disclosure that will enable users of financial statements to evaluate changes in liabilities arising from financing activities. This includes changes arising from cash flows (e.g. drawdowns and repayments of borrowings) and non-cash changes (i.e. changes in fair values), Changes resulting from acquisitions and disposals and effect of foreign exchange differences. Changes in financial assets must be included in this disclosure if the cash flows were, or will be, included in cash flows from financing activities. This could be the case, for example, for assets that hedge liabilities arising from financing liabilities. The Company is currently assessing the potential impact of this amendment. These amendments are mandatory for the reporting period beginning on or after April 1, 2017.

are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The aforesaid deposits have been classified as 'Security Deposits under the Head Other Non Current Financial Assets of Note No.7.

\*\* The management, based on the review of future business plan with its one of the trust Vidya Bharti Sansthan for providing the curriculum supports rights has made changes in the Service Agreement for providing the services from exclusive to non-exclusive rights, and therefore has estimated the value in use / recoverable value of its business commercial rights of that trust to be lower than the carrying value and consequently recognised an impairment loss amounting to Rs. 18,413,836/- (previous year Rs.18,413,836/-).

## Tree House Education & Accessories Limited

### Notes on Standalone Financial Statements for the year ended 31st March, 2017

#### Note 44 :- - FIRST-TIME ADOPTION OF Ind AS (Contd..)

The following explains the material adjustments made while transition from previous accounting standards to INDAS:

#### A. Proposed dividend

Under the previous GAAP, dividends proposed by the board of directors after the balance sheet date but before the approval of the financial statements were considered as adjusting events and accordingly, provision for proposed dividend was recognised as a liability. Under IndAS, such dividends are recognised when the same is approved by the shareholders in the general meeting. Accordingly, the liability for proposed dividend of Rs. 846.21 Lakhs as at 1st April, 2015 included under provisions has been reversed with corresponding adjustment to retained earnings. Consequently, the total equity has been increased by an equivalent amount.

#### B. Amortisation of Goodwill

Under the previous GAAP, goodwill acquired by the company was amortised @10% amortisation rate on a straight line method basis.

Under Ind AS 38, goodwill arising on business combinations can not be amortised and is only to be tested for impairment. Accordingly the amortisation amount of Rs. 39.04 lakhs for financial year 31st March 2015, and 31st March 2016 is reversed with corresponding adjustment to retained earnings.

#### C. Rent Equalization

Under the previous GAAP, straight lining of lease payments under long term operating lease contracts is mandatory. However, under Ind AS, straight lining of lease payments are not required if the escalation in lease payments are made only to compensate the lessor for expected inflationary cost. Accordingly, the company assesses that the escalations in the lease payments over the period of lease is only to compensate the expected inflation and hence the impact of straight lining is reversed with corresponding impact in the retained earnings.

#### D. Retained earnings

Retained earnings as at April 1, 2015 has been adjusted consequent to the above Ind AS transition adjustments.

#### E. Re-measurements of post employment benefit obligation

Under Ind AS, re-measurements i.e. actuarial gains and losses and the return on plan assets, excluding amounts included in the net interest expense on the net defined benefit liability are recognised in other comprehensive income instead of profit and loss. Under the previous GAAP, these re-measurements were forming part of the profit and loss for the year. As a result of this change, the profit for the year ended March 31, 2016 increased by Rs. 21.51 lakhs. There is no impact on the total equity as at 31st March, 2016.

#### F. Other comprehensive income

Under Ind AS, all items of income and expense recognised in a period should be included in profit or loss for the period, unless a standard requires or permits otherwise. Items of income and expense that are not recognised in profit or loss but are shown in the statement of profit and loss as 'other comprehensive income' includes re-measurements of defined benefit plans. The concept of other comprehensive income did not exist under previous GAAP.

#### G. Deferred Tax

Deferred Tax on aforesaid IND AS adjustments.

Our responsibility is to express an opinion on these consolidated Ind AS financial statements based on our audit. While conducting the audit, we have taken into account the provision of the Act and the Rules made there under including the accounting standards and matters which are required to be included in the audit report.

We conducted our audit of the consolidated Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India. Those Standards and pronouncements require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the consolidated Ind AS financial statements that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Venturer Company's Directors, as well as evaluating the overall presentation of the consolidated Ind AS financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their

reports referred to in sub-paragraph 1 of the Other Matters paragraph below is sufficient and appropriate to provide a basis for our adverse opinion on the consolidated Ind AS financial statements.

## 2. The composition of the CSR Committee

### Basis of Adverse Report

1. We draw your attention to Note No 2A, in notes on account to the consolidated Ind AS Financial Statements, with regard to Fixed Assets. The Venturer Company has discontinued most of the centres operated by the Venturer company and have converted some of them into franchisee. The Venturer Company has not passed any adjustment entries / impairment loss for most of the centres discontinued/ closed/ converted into franchisee during the year.

The management has informed us that the recoverable amount of these assets within the meaning of Indian Accounting Standards (IND AS) -36 is more than the carrying value and as such no amount needs to be recognized in the consolidated Ind AS Financial Statements for impairment loss. We have not been able to validate this assertion in the absence of internal exercise or external valuation report of an independent agency and the uncertainty of resumption of future operation/ results of future operations thereof. We are unable to comment on the carrying value of these assets.

2. We draw attention to Note 4B, in notes on account to the consolidated Ind AS Financial Statements in respect to non-impairment of "Business Commercial Rights" – Management has informed us that the recoverable amount of these intangible Assets within the meaning of Indian Accounting Standards (IND AS) -36 is more than the carrying value and as such no amount needs to be recognized in the consolidated Ind AS Financial Statements for impairment loss. We have not been able to validate this assertion in the absence of internal exercise or external valuation report of an independent agency and the uncertainty of resumption of future operation/ results of future operations thereof. We are unable to comment on the carrying value of these assets.
3. We draw attention to Note 7, in notes on account to the consolidated Ind AS Financial Statements in respect to various deposits given to Educational trust amounting to Rs. 18889 lacs, the balance lying in the Venturer Company's books could not be verified in absence of confirmations received from the trust.

Further the management has informed that the carrying amount of these deposits classified as financial assets have not been accounted at fair value as required within the meaning of Indian Accounting Standard (Ind AS) 109. In view of the management the carrying amount of these assets is the fair value and no amount needs to be recognized as loss. We have not been able to validate this assertion in the absence of internal exercise or external valuation report of an independent agency. We are neither able to comment on the carrying value of these assets nor we are able to ascertain the impact of not valuing these deposits at fair value in the attached financial results.

4. We draw attention to Note 6, 7, 10, 14, 22, 23 & 36, in notes on account to the consolidated Ind AS Financial Statements, where in the Venturer Company has not carried out the fair valuations of assets classified as financial assets and financial liabilities including ESOP's, as required and stated in compliance to Indian Accounting Standards issued under Companies (Indian Accounting Standards) Rules 2015. Therefore, the possible impact of the same on the profit & loss and retained earnings, if any, cannot be ascertained.
5. We draw attention to Note 10, in notes on account to the consolidated Ind AS Financial Statements in respect to Trade Receivables amounting to Rs. 2877 lacs due from Educational trust, the deliverables and receipts are outstanding for a long time. Absence of recoveries from these parties since long indicates the existence of material uncertainty that may cast doubt on the recoverability of these receivables. However, in view of management no provision is required as such balances are good and recoverable.
6. We draw attention to Note 14, in notes on account to the consolidated Ind AS Financial Statements in respect to the carrying value of lease deposits with landlords amounting to Rs. 1473 lacs related to closed/ discontinued centres and administrative office. We are of the opinion that the recoverable amount is much

lower than the carrying value of these lease deposits and impairment test needs to be carried out.

### OPINION

In our opinion and to the best of our information and according to the explanations given to us, except for the effect of matters described in the basis of Adverse Opinion paragraph above, the aforesaid consolidated Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the consolidated state of affairs of the Venturer Company and its jointly controlled entities which are companies incorporated in India as at March 31, 2017, and their consolidated loss (including other comprehensive income), their consolidated cash flows and the consolidated changes in Equity for the year ended on that date.

### Other Matters

1. We did not audit the financial statements of 2 Joint Ventures Included in the consolidated financial results, whose financial statements reflect total assets 2155 lacs as at March 2017, total revenues of Rs. 5 lacs total net loss after tax of 37.29 lacs and total comprehensive Income of Rs NIL for the year ended on that date as considered in the consolidated financial results. These financial statements have been audited by other auditors whose reports have been furnished to us by the management and our opinion of the consolidated financial results in so far as it relates to the amounts and disclosures included in respect of these joint venture is solely based on the reports of the other auditors.
2. The Venture Company has defaulted in repayment of loans availed from financial institutions due to which these borrowings have been classified as short term borrowings. The amount payable to financial institutions is Rs. 7260 lacs.
3. No revenue is received from school management services rendered to K-12 schools from last 2 quarters and the invoices raised in the first 2 quarters have also not been acknowledged by the other party creating dispute over its realization.

In our opinion, since there is no probable certainty of revenue from the cash generating unit, the carrying amount shown under "Business Commercial Rights (BCR) under Intangible assets needs to be impaired and impairment test is required as per Indian Accounting Standard (IND-AS)-36 and impairment loss needs to be recognized.

Management has informed us that the recoverable amount of these Intangible Assets within the meaning of Indian Accounting Standards (IND AS) -36 is more than the carrying value and as such no amount needs to be recognized in the financial statements for impairment loss. We have not been able to validate this assertion in the absence of internal exercise or external valuation report of an independent agency and the uncertainty of resumption of future operation/ results of future operations thereof. We are unable to comment on the carrying value of these assets.

4. The policies, procedures and overall internal controls needs to be strengthen in order to provide proper evidences regarding recoverability of receivables, valuations of financial assets including deposits, write off of fixed assets including impairments and accounting for direct & indirect taxes including other statutory compliances and timely and proper recording of capital and revenue transactions. We are unable to ascertain its impact, if any on the statement in respect of the above matters.
5. The Venture Company has neither carried out the fair valuations of assets classified as financial assets and financial liabilities including ESOP'S, nor it has carried out the impairment testing for intangible assets (Goodwill & Brands) wherever required and stated above in compliance to Indian Accounting Standards issued under Companies (Indian Accounting standards) Rules 2015. Therefore, the possible impact of the same on the profit & loss and retained earnings, if any, cannot be ascertained.
6. Confirmation letters have been sent by the company to Sundry Creditors and parties to whom Loans and Advances have been granted for confirming the balances lying in their ledger accounts in books of the

company. In view of confirmations having been received from only few of the parties, the balances under these heads have been shown as per books of accounts and are subject to reconciliation and adjustment, if any.

7. Some landlords, creditors as well as statutory authorities have initiated legal proceedings against the Venture Company, which may result in compensation, interest and penalties. The possible impact of the same on financial results cannot be ascertained, pending such outcome.

## Annexure "A" to the Independent Auditors' Report

### REPORT ON THE INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING UNDER CLAUSE (i) OF SUB SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 ("THE ACT")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2017 we have audited internal financial controls over financial reporting of Tree House Education & Accessories Limited (hereinafter referred to as "the Venturer Company") and its jointly controlled entities which are companies incorporated in India, as of that date.

#### MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The respective Board of Directors of the Venturer Company its jointly controlled entities all incorporated in India are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Notes") issued by the Institute of Chartered Accountants of India and the Standards on Auditing deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit and evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

Because of the matter described in Disclaimer of opinion paragraph below, we were not able to obtain sufficient and appropriate audit evidence to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures

of the company are being made only in accordance with authorizations of management and directors of the company; and

- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the company's assets that could have a material effect on the financial statements.

### **INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projection of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Disclaimer of Opinion**

According to information and explanation given to us by the Venturer Company and its jointly controlled entities which are companies incorporated in India and based on the consideration of reports of other auditors, as referred to in the Other Matters paragraph, the company's internal financial control over financial reporting was not operative or was inappropriate in the current financial year to cover the essential components of Internal controls stated in Guidance Note on Audit of Internal Financial controls over Financial Reporting issued by ICAI.

Also the Internal Audit carried out by an independent firm did not covered the areas required to be covered as per the Guidance Note on Audit of Internal Financial controls over Financial Reporting.

Because of these reasons, we are unable to obtain sufficient appropriate audit evidence to provide a basis for our opinion whether the company has adequate internal financial controls over financial reporting and whether such internal financial were operating effectively as at March 31, 2017.

We have considered the disclaimer report above in determining the nature, timing and extent of audit tests applied in our audit of standalone financial statements of the company, and the disclaimer does not affect our opinion on the consolidated financial statements of the company.

### **OTHER MATTERS**

Our aforesaid reports under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as relates to financial statements of 2 jointly controlled entities which are incorporated in India is based on the corresponding reports of the auditors of such companies incorporated in India. Our opinion is not qualified in respect to this matter.

An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or group of assets (cash-generating units). The discount rate used to determine the present value is a pre tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Contingent Liabilities are disclosed in respect of possible obligations that arise from past events but their existence will be confirmed by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or where any present obligation cannot be measured in terms of future outflow of resources or where a reliable estimate of the obligation cannot be made.

## Amendments to Ind AS 7, 'Statement of cash flows' on disclosure initiative:

The amendment to Ind AS 7 introduce an additional disclosure that will enable users of financial statements to evaluate changes in liabilities arising from financing activities. This includes changes arising from cash flows (e.g. drawdowns and repayments of borrowings) and non-cash changes (i.e. changes in fair values), Changes resulting from acquisitions and disposals and effect of foreign exchange differences. Changes in financial assets must be included in this disclosure if the cash flows were, or will be, included in cash flows from financing activities. These amendments are mandatory for the reporting period beginning on or after April 1, 2017.

are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. ### Tree House Education & Accessories Limited Notes on Consolidated Financial Statements for the year ended 31st March, 2017

#### Note 44: FIRST-TIME ADOPTION OF Ind AS (Continued...)

The following explains the material adjustments made while transition from previous accounting standards to IND AS:

##### A. Proposed dividend

Under the previous GAAP, dividends proposed by the board of directors after the balance sheet date but before the approval of the financial statements were considered as adjusting events and accordingly, provision for proposed dividend was recognised as a liability. Under IndAS, such dividends are recognised when the same is approved by the shareholders in the general meeting. Accordingly, the liability for proposed dividend of Rs. 846.21 Lakhs as at 1st April, 2015 included under provisions has been reversed with corresponding adjustment to retained earnings. Consequently, the total equity has been increased by an equivalent amount.

##### B. Amortisation of Goodwill

Under the previous GAAP, goodwill acquired by the company was amortised @10% amortisation rate on a straight line method basis.

Under IndAS38, goodwill arising on business combinations can not be amortised and is only to be tested for impairment. Accordingly the amortisation amount of Rs. 39.04 lakhs for financial year 31st March 2015, and 31st March 2016 is reversed with corresponding adjustment to retained earnings.

##### C. Rent Equalization

Under the previous GAAP, straight lining of lease payments under long term operating lease contracts is mandatory. However, under Ind AS, straight lining of lease payments are not required if the escalation in lease payments are made only to compensate the lessor for expected inflationary cost. Accordingly, the company assesses that the escalations in the lease payments over the period of lease is only to compensation the expected inflation and hence the impact of straight lining is reversed with corresponding impact in the retained earnings.

##### D. Retained earnings

Retained earnings as at April 1, 2015 has been adjusted consequent to the above Ind AS transition adjustments.

##### E. Re-measurements of post employment benefit obligation

Under Ind AS, re-measurements i.e. actuarial gains and losses and the return on plan assets, excluding amounts included in the net interest expense on the net defined benefit liability are recognised in other comprehensive income instead of profit and loss. Under the previous GAAP, these remeasurements were forming part of the profit and loss for the year. As a result of this change, the profit for the year ended March 31, 2016 increased by Rs. 21.51 lakhs. There is no impact on the total equity as at 31st March, 2016.

##### F. Other comprehensive income

Under Ind AS, all items of income and expense recognised in a period should be included in profit or loss for the period, unless a standard requires or permits otherwise. Items of income and expense that are not recognised in profit or loss but are shown in the statement of profit and loss as 'other comprehensive income' includes remeasurements of defined benefit plans. The concept of other comprehensive income did not exist under previous GAAP.

##### G. Deferred Tax

Deferred Tax on aforesaid INDAS adjustments.
