

All the meticulous planning and detailing that goes into producing a generator is not something people think of – nor should they! We work hard to make sure that people don't have to think about generators – after all that's what we do for a living. In TDPS we make first class generators for the world.

Directors' Report (contd.)

A review of the operations of the subsidiaries is as follows:

Indian Subsidiary

During the year ended March 31, 2016, the Wholly Owned Subsidiary (WOS) DF Power Systems Private Limited continued scaling down of business in keeping with the decision to disengage from BTG/ EPC projects. Required resources and manpower was earmarked for completion of the two ongoing projects in Karnataka and Chhattisgarh. As on date of this report, both projects have been commissioned. All the residual activities in respect of these projects will be completed during the current year. During the year ended March 31, 2016 the WOS incurred loss of Rs. 2,030.06 lakhs on a total revenue of Rs. 2,545.61 lakhs mainly due to fall in revenues consequent on scaling down of business.

US Subsidiary

The operations of this subsidiary have been scaled down completely during the year since the expected market response was belied. The operations of this Company during the year under report have resulted in revenue of Rs. 451.29 lakhs and a loss of Rs. 337.75 lakhs. The loss was mainly due to termination cost incurred for closure of office and infrastructure.

During the current year, the operations will be limited to supporting current customers and any expansion will depend on market revival.

Japan Subsidiary

The operations of this Company during the year under report have resulted in revenue of Rs. 2,871.55 lakhs and a loss of Rs. 20.29 lakhs. The Company's order book as of March 31, 2016 stands at Rs. 966.10 lakhs. The activities of this subsidiary will now be conducted through the Company's Branch office at Japan.

German Subsidiary

TD Power Systems (Europe) GmbH, based in Germany, is a wholly owned subsidiary (WOS) effective January 13, 2016 and the first financial year of the said Company ended on March 31, 2016. The operations during the year under report have resulted in a loss of Rs. 28.32 Lakhs mainly representing employee and establishment costs.

TDPS Europe has commenced activities during the year under report and it is expected that this presence will enhance our market outreach in Europe generally while it also helps in servicing existing customers in responding to their growing requirements for Generators.

Internal Financial Control

The Company has designed and implemented a process driven framework for Internal Financial Controls ("IFC") within the meaning of the explanation to Section 134(5)(e) of the Companies Act, 2013. For the year ended March 31, 2016, the Board is of the opinion that the Company has sound IFC commensurate with the nature and size of its business operations and operating effectively and no material weakness exists. The Company has a process in place to continuously monitor the same and identify gaps, if any, and implement new and/or improved controls wherever the effect of such gaps would have a material effect on the Company's operations.

Directors' Responsibility Statement

Pursuant to clause (c) of sub section (3) of section 134 of the Companies Act, 2013, with respect to the Directors' Responsibility Statement, it is hereby confirmed that

- a. In the preparation of the annual accounts, the applicable accounting standards have been followed along with proper explanation relating to material departures;

Annual Report of Corporate Social Responsibility Activities (CSR) & CSR Policy

[Pursuant to Section 135 of the Companies Act, 2013]

1. Composition of the CSR Committee

In accordance with Section 135 of the Companies Act, 2013 and the Rules pertaining thereto, a committee of the Board known as 'Corporate Social Responsibility Committee (CSR Committee)' has been constituted comprising of the following members:

Name	Category	Description
Mr. Ravi Kanth Mantha	Independent Director	Chairman
Mr. Nitin Bagamane	Independent Director	Member
Mr. Nikhil Kumar	Managing Director	Member

2. A brief outline of the company's CSR policy, including overview of projects or programs proposed to be undertaken and a reference to the web-link to the CSR policy and projects or programme

The CSR Policy is to focus in areas such as Environment (Waste-to-energy processes, greening of the environment), Water (Revival of water bodies, groundwater recharge, storm water management, water supply) Sanitation (access to toilets for all, treatment of wastewater, reuse of treated water) and Solid Waste Management (Reduce, reuse, recycle) with a five year road map. In addition, the company may consider undertaking other permitted CSR activities from time to time including making contributions to the specific funds mandated by the Central/ State Government of India like Prime Minister's Relief Fund etc.

The CSR committee formulated this CSR policy and the proposed activities under the said policy are as specified by Schedule VII of the Companies Act, 2013. The Board of Directors of the Company, after taking into account the recommendations of the CSR Committee has approved this CSR Policy for the Company. As required under Section 135(4) of the Companies Act, 2013, this policy is uploaded on the Company's website www.tdps.co.in

The CSR Policy believes that tangible and accelerated social benefit will be derived if the Company focuses its CSR activities in one geographical area / location and accordingly the CSR initiatives are being executed mostly in and around villages in Nelamangala taluk, Bangalore Rural District where the Company's operations are situated currently.

In terms of the CSR policy, the CSR committee selected a project relating to integrated water & sanitation management in Tymagondalu Village, Nelamangala Tq, Bangalore Rural District as the first CSR initiative of the Company. Our CSR intervention engaged with key stakeholders of the village to get a buy-in on implementing a sustainable Integrated Water and Sanitation system for the village. A Project Support Unit (PSU) was created to interface with the institutions and citizens on the program. A pilot project for the Solid Waste Management (SWM) program commenced with house to house campaign in two wards. Allocation of land & building has been obtained from the village council for waste treatment, dry waste collection, sorting and storage. Mapping of the entire village has been done to identify roads, drains, major public water bodies, and major landmarks. An ancient tank which had been neglected to a decrepit state, has been revived. This initiative is expected to have duration of 5 years during which objectives such as garbage free village, augmentation of ground and surface water, zero contamination of water, 24/7 water supply, decentralized STP and solid waste management programs in two wards and related training and campaign would be achieved.

3. Average net profit of the Company for last three financial years, as per Section 198 of Companies Act, 2013

The average net profit of the Company for the last three financial years is Rs. 1802.32 lakhs.

4. Prescribed CSR expenditure (two per cent of the amount as in item 3 above)

Prescribed CSR expenditure is Rs. 36.04 lakhs (2% of Rs. 1802.32 lakhs.)

5. Details of CSR spent during the financial year

a. Total amount to be spent for the financial year: Rs. 110.54 lakhs (including for 2014-15)

b. Amount unspent, if any: Rs. 41.65 lakhs

Annexure to the Directors' Report (contd.)

c. Manner in which the amount spent during the financial year

(Rs. in lakhs)

Sl. No.	CSR project or activity identified	Sector in which the project is covered	Projects or programs 1. Local area or other 2. MANAGEMENT DISCUSSION AND ANALYSIS

During Fiscal 2016, the company continued to experience challenging circumstances as the expected kick start of investments & industrial growth did not gain the desired momentum. The capital goods industry is rated as an underperformer due to overcapacity and market slowdown in user industries. As a result, the capital goods sector continued to face stress, with no visible uptick in key manufacturing and infrastructure sectors. Order intake and sales have remained weak reflecting an overhang of slow recovery. The global scenario offered no cause for cheer as it continued to encounter challenges including volatility, Eurozone instability, depression in crude oil and commodity prices, currency depreciation in emerging markets and a lingering slowdown in China.

We continue to be one of the leading manufacturers of AC Generators for a diverse range of prime movers with output capacities ranging from 1 MW to 200 MW for steam and gas and up to 35 MW for hydro and up to 20 MW diesel and gas engines and customized rating for wind turbines, catering to both conventional and renewable fuel based power plants. In order to drive maximum capacity and operational efficiencies, power intensive industries such as steel, aluminum, copper, cement, engineering, sugar, chemicals depend on Captive Power Plants (CPP) in which the Company has a significant market presence.

As in the last two to three years the domestic market for generators continued to be sluggish in Fiscal 2016. Consistent depression in demand over the last three years has led to intense competition and consequently unrelenting pricing pressures.

The manufacturing order inflow was lower by about 19% in Fiscal 2016 at Rs 35,004.33 lakhs as compared to Rs. 43,187.90 lakhs in Fiscal 2015. Domestic market contributed 43% and exports (including deemed exports) contributed 57% of the order inflow during Fiscal 2016. As of March 31, 2016 (Fiscal 2016) 2990 generators with an aggregate output capacity of over 22849 MW have been supplied to over 80 countries.

Steam, Hydro & Gas application generators contributed 49%, 29% & 13% respectively of the revenue for Fiscal 2016. The contribution of Gas generators continued to increase in Fiscal 2016 over Fiscal 2015. A large part of generator sales take place through OEM's, with top 10 customers contributing to 65% of Fiscal 2016 revenues. Our association with leading hydro & gas OEM'S is progressing well reflecting a good potential in these segment.

During Fiscal 2016, we added 7 new customers in steam, diesel and hydro segments. Evaluation of traction generators delivered against pre-qualification orders is underway and we are hopeful that the generators will meet all the required parameters. As a part of increasing our enlistment as preferred vendor, we have undergone audits by overseas OEMS from Japan, Korea and Norway for supply of diesel, gas, traction, and hydro generators. During Fiscal 2016 we delivered two 2 pole generators and stators. A 28 MW hydro generator was manufactured during Fiscal 2016. This was the largest hydro machine built by us. The largest 55 MW generator based on our technology was manufactured during Fiscal 2016 for the UK market. Generators of 10MW capacity for gas engine application were manufactured for installation in Germany.

On standalone basis, net sales from manufacturing business increased by Rs. 316.80 Lakhs or 0.89%, to Rs. 35,925.91 Lakhs in Fiscal 2016 from Rs. 35,609.12 Lakhs in Fiscal 2015, contributing 75.74% of total revenues for Fiscal 2016. Sluggish demand in the domestic market has constrained growth in revenues. However the company's ability to diversify its product portfolio and its penetration into exports markets have compensated the unprecedented fall in domestic market. Our overseas markets will continue to drive our exports both in the medium and long-term. In addition to USA and Japan, we have set up sales office in Europe, in order to strengthen our presence in key markets.

We also undertake overseas Turbine Generator island (TG Island) projects for steam turbine power plants with output capacity up to 55 MW using a Japanese turbine combined with our generator through our Japan branch. Net sales from our Project Business increased by Rs. 4,741.71 Lakhs, or 97.42%, to Rs. 9,609.10 Lakhs in Fiscal 2016 from Rs. 4,867.40 Lakhs in Fiscal 2015 as large part of our sale was routed through our Branch office, instead of subsidiary at Japan. This contributed 20.26% and 11.54% of our Total Income in Fiscal 2016 and 2015, respectively.

The pending orders as of March 31, 2016 is Rs. 36,386.42 lakhs comprising of both manufacturing (Rs. 29,466.54 lakhs) and project business (Rs. 6919.88 lakhs).

The performance of the EPC business and overseas subsidiaries is as stated in the Director's Report.

On a standalone basis Profit before tax and extraordinary items decreased by Rs. 607.70 Lakhs or 26.42%, to Loss of Rs. 1,692.66 Lakhs in Fiscal 2016 from Rs. 2,300.36 Lakhs in Fiscal 2015. Profit after tax decreased by Rs. 198.41 Lakhs, or 11.70%, to Rs. 1,497.88 Lakhs in Fiscal 2016 from Rs. 1,696.29 Lakhs in Fiscal 2015.

Management Discussion and Analysis (contd.)

On a consolidated basis, Net sales decreased by Rs. 9,069.07 Lakhs, or 15.18%, to Rs. 50,675.12 Lakhs in Fiscal 2016 from Rs. 59,744.19 Lakhs in Fiscal 2015, due to decrease in sales volume of EPC Business. Profit before tax and extraordinary items decreased by Rs. 1,287.28 Lakhs or 216.08%, resulting in a Loss of Rs. 691.55 Lakhs in Fiscal 2016 from profit of Rs. 595.74 Lakhs in Fiscal 2015. Operating Loss increased by Rs. 835.70 Lakhs, resulting in a Rs. 918.54 Lakhs in Fiscal 2016 from Rs. 82.84 Lakhs in Fiscal 2015.

Outlook

The market conditions continue to be uncertain. While there has been an improvement in enquiries there has been no perceptible momentum in order conversions for supply of generators in the domestic market. The market can best be described as a “push market rather than a pull market” which can result in deferment of deliveries and an extended working capital cycle. However, we are hopeful of sustaining our market share in steam generators (up to 55MW), in diesel generators and hydro generators and are well placed to capitalize on any upswing in domestic demand as well as overseas markets. Exports will continue to be our focus area in Fiscal 2017 given the tepid domestic market scenario.

Steam, Hydro & Gas Engine generators are expected to drive revenues for Fiscal 2017. Aggressive pricing from smaller European manufacturers continues to be a challenge in the export market for hydro segment.

The Company continues to pursue component business from the large generator segment. While we hope that the domestic market recovers for steam generators, we continue to focus on building our existing portfolio of generators for other applications. Due to uncertainty and further fall in domestic market, we are uncertain about growth and expect to remain flat. However some export orders inflows may provide last minute silver lining.

The projects business (TG Island) will now be conducted through the company's Branch at Japan instead of the wholly owned subsidiary. This business is being realigned to meet business requirements and during this Fiscal 2017 revenues from this segment will continue to be flat.

The Company continues to remain debt free & maintains a healthy cash position.

Risk Management and Mitigation

The Company's business relates to manufacture and sale of generators falling under capital goods sector and is dependent on country's economic growth, investment climate and business confidence as well as the sectors where in the Company's products are used.

The focus on exports and ongoing association with leading global leaders has enabled the Company to reduce dependence on the domestic market and accordingly, percentage exports (including deemed exports) in turnover during the year stands at 56% of manufacturing revenues.

Some of the major risks being faced by the Company are described herein below

1. Economic slowdown and market concentration

A conducive investment climate and interest rate regime, global economic and market conditions drive growth and performance of the industrial sector which forms the Company's customer base. An economic slowdown directly impacts the demand for capital goods, including the products of the Company.

Further, over dependence on any market/s may adversely affect the performance of the Company, if the concerned market gets sluggish due to factors stated above. As stated earlier, in the last 3 years, due to the slow-down in the economic activities, the domestic market has declined/remained stagnant which had considerable effect on the demand of the Company's products.

In order to reduce the over dependence on the domestic market, the Company focused on marketing its products in the global market and developed certain strategic partnerships and technology agreements. On the back of such initiatives, the contribution of exports to the total turnover has significantly grown. The Company is directing significant resources for extending its footprints in the global market to lessen the risk of over dependence on certain countries/regions. We have consistently grown our export base, by adding new OEM's within existing verticals, increase market share in existing verticals through better pricing, customization etc. and diversifying into/introducing new product verticals.

2. Technology and Product concentration

Steam turbine generators continue to be a major contributor of our standalone net sales year on year. Advanced technology relating to steam turbine generators or the development of steam turbine generators that prove superior in quality or effectiveness to our generator could affect our dominant market position in this segment.

Management Discussion and Analysis (contd.)

The diverse product verticals catering to steam turbine generators, horizontal hydro generators, vertical hydro generators, diesel engine generators, wind turbine generators, gas engine generators, gas turbine generators, high voltage motors and generators for Geo Thermal and Solar thermal applications enables market presence across the spectrum of generator market in India and overseas and has reduced dependence on any particular industry or market segment. Even though Steam generators accounted for a significant portion of the revenues, the contribution of hydro, gas and other applications are consistently growing de-risking the products mix.

3. Technology Risk

Response to and adoption of advanced technology and emerging power generation industry standards and practices on a cost-effective and timely basis is critical to sustaining and growing market reach of the Company.

The Company operates in the engineered-to-order capital goods industry where product efficiency, critical product features and overall life cycle costs play an important role.

The company design generators on the basis of customer requirements/specifications. The Company's team is engaged continuously in design and development of generators meeting customer requirements from time to time. It is an ongoing activity of the design group to develop generators for special applications.

Technology absorption continues and orders are being received for large generators. As a part of the technology agreements, the Company receives updation of technology and processes continuously from licensors.

4. Competition Risk

Many large corporations in Europe, America and in South East are competitors to the Company. These large corporations have access to advanced technologies, greater global reach, larger financial resources and may benefit from greater economies of scale and operating efficiencies. Competitors may be able to sell their products at prices lower than the Company's, which may have an adverse effect on the Company's market share and results of operations. This may compel the Company to quote aggressively and impact its margins.

With a view to mitigate this risk, the Company provides value proposition to customer with products which meet the benchmark efficiencies at a competitive price and shorter delivery time, without compromising on margins. The Company continues to upgrade its engineered to order platform and design capabilities by incorporating latest technologies in its products and improvements in the design of generators enabling it to offer more efficient machines. Reduction in production, distribution costs and improvement in operating efficiencies are continuously pursued enabling it to offer competitive prices. The Company prioritizes its supply chain in sourcing good quality raw materials and other inputs at competitive prices with high reliability in meeting delivery timelines.

5. Risk arising from transnational sale of products

In view of export of product to several countries in various continents, there is a risk of various types of claims from customers towards under performance of product and third party claims if the laws of that country are not fully conformed to.

The Company has strict quality control procedures which ensure that all the products supplied to the customers must meet the contractual parameters. It is ensured that the contracts with customers clearly specify the obligations of the Company. In addition, the Company takes appropriate contractually insurance policies to cover all such risks.

Manufacturing facilities, Design & Development

We have 3 manufacturing units, all located at Bangalore equipped with advanced automation/machines which help in delivering quality products at competitive prices. One of the facilities is a dedicated large generator manufacturing unit with state of the art machines and equipment. All the manufacturing units are ISO 9001:2008 compliant.

The Company's R&D facility which is approved by the Department of Scientific Industrial Research, GOI focuses on adoption of new technology and development of superior designs enhancing performance, quality and reducing costs. The Company's team is engaged continuously in design and development of generators meeting customer requirements from time to time. Projects to develop generators for Special application and for design modification and enhancement are ongoing. Our generators are approved by reputed and leading engineering consultants.

Internal Control Systems and their adequacy

The Company has established adequate internal control system, commensurate with the nature of its business and size of its operations in order to ensure quality and reliability of underlying processes focused towards achieving operational efficiency,

Management Discussion and Analysis (contd.)

reliability of financial data and safeguarding of assets. Internal controls are evaluated by the external Internal Auditors and supported by Management reviews. All audit observations and follow up actions thereon are initiated for resolution by the finance function and reported to the Audit Committee. Attention is also drawn to the statement on Internal financial control in the Directors report.

Environment, Health and Safety

As a leading Generator Manufacturer the Company conducts all its operations in a manner that is protective of the environment, health and safety of employees, customers, suppliers and the community in large and is a zero discharge facility.

In fulfilling this commitment, we maintain and continually improve all our process and complying with legal and other requirements, in order to

- Ensure safety and Health of our employees, associated stakeholders and focus on how to make the world a better place to live.
- Comply with all applicable legal Safety and Health performance of individuals at different levels while considering their career advancement in the organization.
- Enhance Safety, Health & Environment (SHE) awareness amongst employees and associated stakeholders through effective communication and training.
- Ensure SHE responsibility amongst all the employees in their practices, promote and value their involvement in achieving the goals of this policy.
- Fix responsibility of SHE policy and procedures on the contractors, Sub-Contractors, Transporters and all other agencies operating with the Company.
- Integrate Health & Safety in all decision-making processes of the company including those dealings with purchase of plant equipment, machinery & materials as well as selection and placement of personnel.
- Adopt all the relevant techniques & methods such as risk assessment and safety audits at appropriate intervals of time to assess the status on Quality, Environment and Health & Safety and take relevant remedial measures to overcome problems encountered.

The Company's environmental, occupational health and safety management systems fulfill ISO 14001-2004 and OSHAS 18001-2007 requirements.

Human Resources

Continuous skill development and enhancement is important for the Company with its focus on export markets. The Company recognizes that its workforce is critical to the Company's success and therefore, is committed to training, skilling and up skilling it/s work force on an ongoing basis which ensures that its work force is able to adopt evolving technologies, processes and techniques. The Company's leadership engages affirmatively in employee development and engagement activities such as involvement in the 'Corporate Responsibility' initiatives, active participation of work force in safety initiatives, quality improvement programs, language skills, leadership development programs, training programs and training under license agreements, on an ongoing basis. During the year, about 47 man days per employee was dedicated for training. Employee relations continue to remain peaceful and cordial.

The Company believes in equal opportunity in recruitment and in the course of the employment among employees regardless of color, race, gender, social origin, caste or religion. Efforts are continuously made to create an inclusive working environment for women and to integrate them in organizational functions.

The Company firmly believes that every woman employee of the Company has a right to work in an environment free from sexual harassment, intimidation or offensive behaviour and in which issues of harassment will be resolved without fear of reprisal. In this direction a Policy on prevention/prohibition of sexual harassment of woman at Company's workplace ("Policy") is in place to take effective measures to avoid and to eliminate and if necessary to impose punishment for any sexual harassment in the Company's work place integrated with the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

The Company continues to reinforce the Code of Business Conduct across functions/workforce. In order to enhance communications and to create a congenial environment, the organizational leadership and the shop-floor employees of the company have invested significant amount of time and effort.

As on March 31, 2016, the total strength of employees stood at 1018.

STANDALONE FINANCIAL STATEMENTS

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF TD POWER SYSTEMS LIMITED

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of TD Power Systems Limited ("the Company") which comprise the Balance Sheet as at March 31, 2016, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended and a summary of significant accounting policies and other explanatory information, in which are incorporated the Returns for the year ended on that date audited by the branch auditors of the Company's branch at Japan.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2016, and its profit and its cash flows for the year ended on that date.

Other Matter

We did not audit the financial statements of Japan branch included in the standalone financial statements of the Company whose financial statements reflect total assets of Rs. 536,716,932/- as at 31st March, 2016 and total revenues of Rs. 398,417,427/- for the year ended on that date, as considered in the standalone financial statements. The financial statements of the branch has been audited by the branch auditors whose report has been furnished to us, and our opinion in so far as it relates to the amounts and disclosures included in respect of the branch, is based solely on the report of such branch auditors

Independent Auditors' Report (contd.)

Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of Sub-Section(11) of Section 143 of the Act, we give in the Annexure A a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by the Section 143(3) of the Act, we report that:

Annexure B referred to in Paragraph 2 (g) under the heading “Report on other legal and regulatory requirements” of our report to the members of TD Power Systems Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of TD Power Systems Limited (“the Company”) as of March 31, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

- a. 80,100 Equity Shares of USD 10- each - TD Power Systems (USA) Inc.
- b. 2000 Equity Share of JPY 10,000 each - TD Power Systems Japan Limited
- c. 175,000 * Equity Share of Euro 1 each - TD Power Systems Europe GmbH
(* erstwhile Platin 1255 GmbH acquired by the company in January 2016)

1.1 Basis of Preparation of Financial Statements

The financial statements of the Company have been prepared under historical cost convention method, in accordance with the Generally Accepted Accounting Principles (GAAP) applicable in India and the provisions of the Companies Act, 2013. The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosures of contingent liabilities as at the date of the financial statements, and the reported amounts of revenue and expenses during the reported period.

1.2 Fixed Assets

Fixed assets are stated at cost of acquisition excluding vatable duties, inclusive of freight, taxes and incidental expenses relating to the acquisition and finance cost on borrowings utilized for acquisition of qualifying assets less depreciation/impairment. Assets manufactured internally are captilalised at Factory Cost.

1.3 Inventories

Inventories are valued at cost or net realizable value, which ever is lower. Raw materials and bought out items are valued on first in first out basis as per Accounting Standard - 2 and includes material cost, carriage inward, insurance and purchase related expenses. Cost in respect of work in progress and finished goods are based on works cost.

1.4 Depreciation

Depreciation on tangible assets is provided with reference to the estimated useful life of the fixed assets less its residual value as prescribed under Schedule II of The Companies Act 2013, or actual useful life of the asset, whichever is lower. Fixed assets costing below Rs. 5,000/- are depreciated fully. Depreciation is charged for complete quarter on addition / deletion.

1.5 Revenue Recognition

Sale of manufactured goods is recognized on shipment to customers, and exclusive of excise duty and sales tax. Sale of goods in case of project business is recognised on shipment to customers. Erection and commissioning income is recognised as and when the services are performed/completed. Interest income is recognised based on time proportion basis. Dividend income is recognised when the right to receive the dividend is established.

1.6 Foreign currency transactions

- a. Foreign currency transactions are translated into Indian rupees at the exchange rate prevailing on the date of the transaction.
- b. Monetary foreign currency assets and liabilities outstanding at the end of the year are restated at the exchange rates prevailing on the reporting date. All exchange differences are accounted for in the Statement of Profit and Loss.
- c. Non monetary items denominated in foreign currency, are valued at the exchange rate prevailing on the date of transaction
- d. In respect of overseas branches, which are integral foreign operations, financial statements are translated as if the transactions are those of the Company itself.

1.7 Taxes on Income

Provision for tax is made in terms of Accounting Standard 22 for both current and deferred tax. Provision for current income tax if arises is made at the current tax rates based on assessable income. Deferred tax is recognised on timing difference between the accounting income and the taxable income for the year and quantified using the tax rates and laws enacted or substantively enacted as on the Balance sheet date. Deferred tax assets are recognized and carried forward to the extent that there is a reasonable/virtual certainty that sufficient future taxable income will be available against which such deferred tax asset can be realized.

Summary of Accounting Policies and Other Explanatory Information (contd.)

Minimum Alternate Tax (MAT) under the provisions of Income Tax Act, 1961, is recognised as current tax in the statement of Profit & Loss. The credit available under the Act in respect of MAT paid is recognised as an asset only when and to the extent there is convincing evidence that the company will pay normal Income Tax during the period for which MAT Credit can be carried forward for set-off against the normal tax liability. MAT Credit recognised as an asset is reviewed at each Balance Sheet date and written down to the extent the aforesaid convincing evidence no longer exists.

1.8 Borrowing Cost

Interest and other borrowing cost on borrowings relating to qualifying assets are capitalized up to the date such assets are ready for use. Other interest and borrowing cost are charged to Statement of Profit & Loss.

1.9 Contingent Liabilities

Financial effects of contingent liabilities are disclosed based on information available up to the date on which financial statements are approved. However, where a reasonable estimate of financial effect cannot be made, suitable disclosures are made with regard to this fact and the existence and nature of the contingent liability.

1.10 Employees Benefits

Long Term Employee Benefits

a. Defined Contribution Plans

The Company has contributed to provident fund, which is defined contribution plan. The contribution paid/payable under the scheme is recognised during the year in which an employee renders the related service.

b. Defined Benefit Plans

Employees gratuity and leave encashment are defined benefit plans. The present value of the obligations under such plan is determined based on actuarial valuation using the Projected Unit Credit Method which considers each year of service as giving rise to an additional unit of benefit entitlement and measures each unit separately to build up the final obligation. Actuarial gain and losses are recognised immediately in the Statement of Profit & Loss as income or expense. Obligation is measured at present value of estimated future cash flows using a discounted rate that is determined by reference to market yields available on government bonds at the Balance Sheet date with the term that matches to the liabilities.

1.11 Impairment of Assets

At each balance sheet date, the management reviews the carrying amount of its assets to determine whether there is any indication that those assets are impaired. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of impairment loss. Reversal of impairment loss, if any, is recognised immediately in the Statement of profit and loss.

1.12 Accounting for Lease

i. Operating Lease

Lease of assets under which all the risks and rewards of ownership are effectively retained by the lessor are classified as operating leases. Lease payments under operating leases are recognized as an expense on a straight-line basis over the lease term.

ii. Finance Lease and Hire purchase transactions

Lease rentals are charged to Statement of Profit and Loss over the period of Lease. Depreciation is provided on the primary period of the lease.

1.13 Amortisation of Technical Know-how Fee / Licence Fee.

Technical Know-how Fees will be amortised over a period of 60 months.

1.14 Investment

Non-current investments are stated at cost. Provision for diminution if any, in the value of investments is made, to recognise a decline, other than temporary. Current investments are valued at lower of cost or market value.

1.15 Research & Development

Expenditure on Research & Development activity undertaken is charged to the Statement of Profit & Loss as and when incurred during the year, to their natural head of accounts. The expenditure incurred includes cost of materials, salaries & wages and other revenue expenditure.

Capital Expenditure is categorised and disclosed separately as Research & Development, Fixed Asset and depreciation is charged as prescribed under Companies Act, 2013 discussed in para 1.4 above.

CONSOLIDATED FINANCIAL STATEMENTS

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF TD POWER SYSTEMS LIMITED

Report on the Consolidated Financial Statements:

We have audited the accompanying consolidated financial statements of TD Power Systems Limited (hereinafter referred to as “the Holding Company”) and its India subsidiary DF Power Systems Private Limited. We have reviewed the financial statements of TD Power Systems (USA) Inc, TD Power Systems Japan Ltd, TD Power Systems Europe GmbH (“foreign subsidiaries”) for the limited purpose of verifying the compliance with Schedule III required for consolidation (the Holding Company and its subsidiaries together referred to as “the Group”) comprising of the Consolidated Balance Sheet as at March 31, 2016, the Consolidated Statement of Profit and Loss and the Consolidated Cash Flow Statement for the year then ended and a summary of significant accounting policies and other explanatory information (hereinafter referred to as “the consolidated financial statements”).

Management’s Responsibility for the Consolidated Financial Statements

The Holding Company’s Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (herein after referred to as “the Act”) that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the accounting standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor’s Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit.

While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company’s preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company’s Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in sub paragraph (a) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the consolidated state of affairs of the Group as at March 31, 2016, and their consolidated loss and their consolidated cash flows for the year ended on that date.

Annexure A referred to in Paragraph 2 (g) under the heading “Report on other legal and regulatory requirements” of our report to the members of TD Power Systems Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of TD Power Systems Limited (“the Holding Company”) and DF Power Systems Private Limited (“Indian Subsidiary”) as of March 31, 2016 in conjunction with our audit of the consolidated financial statements of the Holding Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its Indian Subsidiary are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its Indian subsidiary have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.
