## CHAIRMAN'S SPEECH

Dear Shareholders,

It gives me great pleasure to welcome you to the 08th Annual General Meeting of S.E. POWER LIMITED. The Directors' Report and Audited Accounts for the financial year ended 31st March 2018 are with you. Further, the news of financials of SEPOWER says that the revenue from operations of the Company of the current financial year 2017-2018 is improved by 25.10 % and stood at Rs. 1565.63 in comparison to Rs. 1251.52 in the previous financial year 2016-17. With your permission, I shall take them as read.

With the philosophy to preserve the ecological cycle in harmony with industrialization by way of effective utilization of renewable resources and converting waste into useable materials Your Company is continuously moving towards achieving its goals with a motto of "Green Solution to Improve Business Profitability". As the author of "Guerrilla Marketing Goes Green: Winning Strategies to Improve Your Profits and Your Planet" offers advice to business owners about going green and marketing their green initiatives to both green and non-green customers alike. He writes, "If you understand that profitability is a key objective, going green should MAKE you money and SAVE you money."

By Keeping this green initiative in mind, I am feeling honoured to inform you all that your company has identified a new area of growth in Sync with Mission and Vision of the company. Now, Your company is entering in the field of ESCO business with the name and style of SAVITRA, LED STREET DISPLAY SOLUTIONS. ESCO (Energy Service Company) is a commercial or non-profit business providing a broad range of energy solutions including designs and implementation of energy savings projects, retrofitting, energy conservation, energy infrastructure outsourcing, power generation and energy supply, and risk management. The energy services market is envisaged as a key factor for implementing EE measures and achieving energy savings in buildings. In order to unleash the energy efficiency (EE) potential and achieve the energy savings goals in buildings there is a necessity to adopt new ESCO business models. And this is what S.E. Power Limited is currently working by engaging into this project.

According to World Resource institute, India has an estimated energy savings potential of about 20 GW. Considering the amount of energy savings which can take place vis-a-vis the herculean task of capacity addition in renewable and non-renewable segment the country can save at least Rs.160,000 crore (considering on an average Rs.8 crore/MW to set up a renewable power plant), which on contrary can be deployed gainfully for improving the country's economy, Furthermore, increasing energy efficiency can offer a cheaper and cleaner alternative to meet India's growing energy demands. ESCO Business is the new Opportunities for the business and it is the win-win situation for the Company, this business is the future in the electricity business and it is responsibility of every citizen of country to save the electricity for future generations and minimized the use of electricity by using the electricity saver equipments. Due to increase in the demand of electricity and persisting existence of demand supply gap, there is vast opportunity for ESCOs to grow in India. Although in the recent past, demand supply gap has been brought down with addition of electricity generation capacity, the ever increasing demand can derive immense benefits from ESCOs which can work on Demand side Management by providing Energy Efficiency services resulting in considerable savings. This business has various advantages For the Country and it also provides opportunities for the Company's Business.

However, competition has become stronger with the companies increasing their manufacturing capacities. Your company will strive to be the customers' preferred brand in the market by constantly improving product superiority, widening distribution network and ensuring brand dominance across all segments. We, at S.E. Power Limited, have a deep understanding of the country, its people, its roads, its culture and its market - and this is the critical differentiator which gives us the advantage over our competitors. Coupled with innovative business solutions and multiple modernization initiatives, S.E. Power Limited will be ready for whatever the future may hold.

Finally, I would like to take this opportunity to thank you as the shareholders of the Company for your support & motivation to the Company during the year. I would also like to thank the lenders, customers, suppliers, various national & provincial governments with whom we have been working, further we shall appreciate the employees and workers who have stood by the Company & I look forward to their continuous dedication and support in the future.

With Warm Regards  
Dr. Arun Gopal Agarwal  
Chairman

## MANAGEMENT DISCUSSION & ANALYSIS REPORT

### INDUSTRY STRUCTURE AND DEVELOPMENT

One of the various problems which mankind faces as it enters into the 21st century is the problem of waste disposal management. Since polymeric materials do not decompose easily, disposal of waste polymers is a serious environmental problem. Large amounts of rubbers are used as tyres for aeroplanes, trucks, cars, two-wheelers etc. But after a long run when these tires are not serviceable and discarded, only a few grams or kilograms of rubber (<1%) are abraded out from the tyre. Almost the entire amount of rubber from the worn out tyres is discarded, which again need very long time for natural degradation due to crosslinked structure of rubbers and presence of stabilizers and other additives. This poses two major problems: the wastage of valuable rubber and the disposal of waste tyres leading to environmental pollution. Two major approaches to solve this problem are the recycle and the reuse of used and waste rubber, and the reclaim of rubber raw materials.

Further, the use of rubber in so many applications results in a growing volume of rubber waste. With the increase in demand, the manufacturing and use of rubber and the rubber products has increased tremendously both in the developed and developing countries. About 242 million tyres are discarded every year in the United States alone. Less than 7 percent are recycled. 11 percent are incinerated for their fuel value and another 5 percent are exported. The remaining 78 percent are either landfilled, or are illegally dumped. According to a recent report of the Environmental Protection Agency (EPA), this has resulted in a national stockpile of over 4 billion waste tyres. But with the decreasing scope of available sites and due to the corresponding cost explosion this process of waste rubber disposal is no longer feasible.

In recent years, recycling has gained attention worldwide due to growing focus on sustainability and realisation that natural resources are limited. Now Companies are articulating a vision of using more and more portion of recycled material in their products. The rubber industry is not an exception to this. This envisages tremendous growth pockets of the industry in the years to come as India is far from attaining any saturation level, so far as consumption of rubber products is concerned. End of life tyres are an important source of recycled rubber worldwide and its status has changed from waste to resource. The reclaim rubber industry has been developed around this reality and made India the world's second largest producer of reclaim rubber.

Waste tyres are often found morosely disposed of in vast landfills, not only eating up fertile, cultivable land space but also ruining serene landscapes. These tyres are now being put to good use by recyclers who have found the ultimate salvation for such products, using the innovative reclamation process.

Although reclamation has been around for decades, the technology has only recently come to light after developments have contributed to better product characteristics and lower processing costs as compared to natural or synthetic rubber. Furthermore, rising costs of these rubbers have also driven manufacturers to seek alternative sources of rubber in an increasingly competitive world.

The shift in trend towards eco-friendly & sustainable materials has also contributed to the demand for reclaimed rubber products in major end-use industries such as automotive, aerospace, consumer goods, footwear, and others.

Expansion of these industries in developing economies has also provided a stimulus for market growth in countries across Asia Pacific. The ban on landfills and other favorable regulatory framework provided by governments in order to support and encourage recycling has also driven product demand in developed nations.

Thus, reclamation offers an ideal solution for these end-of-life tyres, providing a new outlet for innovative applications in several regions across the globe.

Further the power generation sector is always a promising sector in India. Worldwide demand for energy is increasing with the increase in world population. One of the renewable source to produce power is wind energy which has become a cost effective source. In India, there is a huge potential to generate electricity by various non - conventional resources. India has huge geographical area with quite intense wind velocities in many regions thus making wind power installation a viable proposition.

Energy efficiency has multi-dimensional rewards for India's economy. Making energy efficiency the first fuel will aid energy security, avoid power generation and carbon emissions, surge private sector investments and help India lead on global energy commitments such as the Nationally Determined Contributions (NDCs) and Sustainable Development Goals.

Bureau of Energy Efficiency has been steering and championing energy efficiency in India. BEE has launched various energy efficiency programmes in the country. The market has been given thrust in the form of training and certification of energy professionals, and empanelment of companies.

However, the energy efficiency market cannot achieve its true potential without an active inclusion of Energy Service Companies (ESCOs) in its landscape. The ESCO Market Assessment Report by AEEE highlights the transformative role ESCOs can play in growing the energy efficiency market in India. The report offers in-depth analysis through direct outreach efforts to ESCOs, Equipment manufacturers, End users and Financial institutions, that can benefit private and public players, including policy makers.

ESCO enters into a performance contract with a client, guaranteeing a certain amount of energy saving which will pay back for the project cost and ESCO service. ESCO is expected to play crucial role in delivering improved energy efficiency and contributing to potentially substantial energy savings in all sectors including Industrial, Commercial, Agricultural, Residential, etc. This would result in reduction of Greenhouse gas emission, promote clean energy and foster economic growth by reducing the power demand supply gaps. The ESCO market, in India is, however, still at a very nascent stage.

#### OPPORTUNITIES AND THREATS

Amidst the gloomy landscape of high volatility in the international economic environment, Indian economy stands as a place of stability and opportunity. The country's macro-economy is stable. The worldwide economic crisis is leading to surpluses, falling prices and import/export restrictions imposed by countries to protect their own industries. But with an optimistic view towards Indian economy, it stands as a place of stability and opportunity.

FDI has been liberalized across the board and vigorous efforts have been undertaken to ease the cost of doing business. Major public investment has been undertaken to strengthen the country's infrastructure. Production of passenger vehicles, commercial vehicles, three wheelers and two wheelers grew at 14.41 per cent year-on-year between April-February 2017-18 to 26,402,671 vehicles and Wind power accounts nearly 8.6% of India's total installed power generation capacity and generated 3,44,002 Kwh (MU) in the fiscal year 2017- 18. India has set an ambitious target to generate 60,000 MW of electricity from wind power capacity by 2022 . Growth of automobile/ tyre sector and electricity sector will automatically translate into the growth of reclaimed rubber industry and installation of windmills.

Various initiatives of government for economic reform of the country and growth of automobile industry in country provides opportunities to reclaimed rubber industry to grow. The development of reclaim rubber industry largely depends upon the export of reclaim produce therefore the economic conditions of importing country and currency movement plays a crucial role. Good growth of our Company largely depends on export of company's product and position of company's product in the domestic as well as international market among the products of other reclaim rubber manufacturer in the industry. However, the rubber price in the domestic and international market have been moving abruptly throughout the year.

And because of which, on one hand there is a paradigm shift of quality users for using higher proportion of consistent and high quality reclaim rubber and at the same time, on the other hand, the price differential between virgin polymer and reclaim rubber has reduced significantly thus making it less attractive to use reclaim rubber. Main reason for fall in rubber prices were moderate economic growth in China, slow recovery in the US and Europe, enhanced stock in Thailand, increase in world stock of natural rubber and significantly low oil prices. This fall down of natural and synthetic rubber prices suppressed the use of reclaimed rubber by rubber products manufacturers.

According to World Resource Institute, India has an estimated energy savings potential of about 20 GW. Considering the amount of energy savings which can take place vis-à-vis the herculean task of capacity addition in renewable and non-renewable segment the country can save at least Rs.160,000 crore (considering on an average Rs.8 crore/MW to set up a renewable power plant), which on contrary can be deployed gainfully for improving the country's economy. Furthermore, increasing energy efficiency can offer a cheaper and cleaner alternative to meet India's growing energy demands.

As per the analysis made by CARE, Industrial segment consumes maximum amount of power produced at about 43% followed by domestic and commercial segment contributing to about 32%. On a conservative basis even if the energy efficient solutions are applied only on Domestic and commercial segments, the expected savings would be enormous. Following analysis focuses on minimum amount of savings which can take place in domestic and commercial segments by using the energy savings products.

In Domestic and commercial segments prime usage comprise lighting and fans which contribute about 60- 90% of their power consumption levels followed by refrigerators, ACs, electric water heaters and television.

Even on most conservative basis considering 30% of savings upon implementing energy-efficient products only on domestic and commercial segment can benefit the country an aggregate savings of approximately 42 BU. According to Ministry of MSME, there are 36 million MSME units operating in India with majority of them energy intensive where energy forms a major part of production cost. By implementing the energy savings products and solutions at mass level can bring about seamless transformation in improving operational efficiency.

Energy efficiency can offer vast and low-cost energy resources for the Indian economy. Significant and persistent barriers need to be addressed at multiple levels to stimulate demand for energy efficiency and to manage its delivery across many sectors. The ESCO industry in India has so far not been able to succeed in developing a vibrant market for energy saving performance contract projects. Amidst the not so optimistic energy services market situation in India, the increased growth in ESCO revenues, though not significant, successful introduction of deemed savings concept by Energy efficiency service Limited (EESL) and launch of new financial products such as Partial Risk Guarantee Fund (PRGF) by Bureau of Energy Efficiency (BEE) and Partial Risk Sharing Facility (PRSF) by Small Industrial Development Bank of India

SIDBI have addressed financials barrier faced by ESCOs and are fostering the market. It can be concluded that this is an opportune time for revisiting the barriers to the development of ESCO market in India and identify the tipping points in improving the persisting demand supply power gap situation.

## SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE

The Company is engaged in two segments viz. generation of energy through non-conventional sources and production of reclaimed rubber. During FY 2017-18, non-conventional energy division has 7.93% and reclaimed rubber division has 92.07% share in total revenue of the Company as under:

Segment Revenue:	Amount in Lakhs	
	31-Mar-18	31-Mar-17
Non-Conventional Energy Division	32.91	181.63
Reclaimed Rubber Division	349.78	767.38
Total	382.69	949.01

The Company has succeeded in supplying on regular basis reclaimed rubber products of unparalleled quality parameters in bulk quantities to many customers in various product segments thus surpassing the objectives set during the preceding year. This has been possible due to the systems and processes encompassing raw materials management, various production processes, quality assurance, sales and marketing, maintenance management, human resources management and development, environment, health and safety, etc.

Having established itself as a supplier for crumb rubber for various applications during FY 14-15, the Company earned the status of preferred vendor for reclaim rubber to brands of repute in different product segments during FY 2017-18.

## OUTLOOK

Six years after the world economy emerged from its broadest and deepest postwar recession, a return to robust and synchronized global expansion remains elusive. In advanced economies, the modest recovery that started in 2014 is projected to strengthen further. Despite various negative factors, it is expected that better years to come in terms of demand of reclaim rubber. Low natural and synthetic rubber price is the main hurdle for growth of reclaim rubber industry. However, growth of automobile /tyre industry expected to have a positive impact on the reclaim rubber industry.

Pursuant to company's philosophy, Company is focusing on consistent quality, physical properties of reclaim rubber to facilitate its higher loading in compound. The Company continues to supply REACH compliant products by way of revalidation of its certificate and Company's quality management system is in compliance with ISO 9000:2008 standards.

However, India needs to substantially bridge the gap between the demand and supply of electricity for sustained economic growth and on top of that supply of electricity from renewable sources is the need of the Economy. Therefore to explore the need of renewal power sector, the Company has established a project for deriving energy from renewable source.

Further, to improve the quality of Company's product, various step have also been taken by the Company through R&D in consultation with experts and academic institutions. Company is using upgraded technologies to produce better quality product.

Further to preserve the ecological cycle in harmony with industrialization by way of effective utilization of renewable resources and converting waste into useable materials the Company is continuously moving towards achieving its goals with a motto of "Green Solution to Improve Business Profitability". By keeping this green initiative in mind the Your company is entering in the field of ESCO ((Energy Service Company) business with the name and style of SAVITRA, LED STREET DISPLAY SOLUTIONS.

The Company has gradually and steadily marched ahead to be an approved and preferred vendor for leading players in automotive tyres, conveyor belts and transmission belts industries and continues to associate itself with several manufactures in other segments. Discussions with dealers in high selling areas are underway and in advanced stages to cater to mid-size but quality driven customers. Further, Company is continuously evaluating the available opportunities for its growth through continual market mapping initiatives. The opportunities in the industry would help the Company to amplify its business and revenue.

## RISK MANAGEMENT/RISK AND CONCERN

Risks are those events with the potential to have a significant negative impact on the Company and Risk Management is a set of activities to mitigate the impact of certain risks and to ensure the best possible outcome after the event and/or achieve the most predictable consequences.

Risk management is the identification, assessment, and prioritization of risks followed by coordinated and economical application of resources to minimize, monitor, and control the probability and/or impact of unfortunate events or to maximize the realization of opportunities.

For effective risk management, the management of the Company have strategic focus, proactive approach, forward thinking and a system of setting of priorities to use available resources.

The following key risks are identified for the Company's business:

#### Low Price of Competitive Products

Fall in natural rubber, relatively low oil price and hence low synthetic rubber price are the key factors behind low usage of reclaimed rubber by rubber product manufacturers. To mitigate this risk, Company is continuously taking steps for reduction of cost of its products by higher capacity utilization, increasing volume and economies of scale.

#### Financial Risk

The Company is subject to financial risks, on account of credit facility availed or given by the Company. The Company has availed credit facility from Bank for its business purpose, which have fixed financial charges and on the other side Company provides credit facility to its customers that facility have the risks of delay payment or default in payment. These kind of risks are mitigated by putting controls in place to liquidity management and advance payment and/or Bank guarantee and continues follow-up.

#### Environment and Safety Risk

The Company's reclaimed rubber manufacturing plant is subject to environmental and safety risks. Besides adhering to the applicable laws for environmental protection, company has taken various step to mitigate this risk that includes company's environment management system certification in compliance with ISO 14001:2004. Company is targeting for OHSAS certification for occupational health & safety management. The Management of the Company checks the safety measures at regular intervals to ensure the safety of the people, assets, environment and products.

#### Risk due to Technology upgradation

Rapid upgradation in technology is also a matter of concern. On one side, new technology would increase productivity and hence profitability, on the other side this change has obsolete the existing technology in which Company has made huge investments. However to stay in market Company has to adopt new technologies. Sometime this process of migrating to the new technology is cumbersome and time consuming. This would also mean the business would loose on the critical time factor. To mitigate this risk factor, technology upgradation is the defined objective of company's risk management strategy.

#### Risks from Frauds and Errors

Risks related to frauds and errors are controlled and mitigated though internal audits and various checks on every level of transactions.

#### Risks Associated with Policies of Government

Change in Government policies may affect the Company's various financial and other decisions.

#### INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has implemented a comprehensive system of internal controls which is commensurate to the size and nature of business and complexity of operations. The Company strives to maintain a dynamic system of internal control and procedures including implementation of ERP based MIS in all processes including control over financial reporting which is designed to ensure reliable record-keeping, transparent financial reporting and disclosure and protection of physical as well as intellectual property. Audits are led by professional internal auditors and supported by experienced personnel drawn from across the organization. They provide reports on various activities covering observations and pertinent comments on adequacy of internal controls and their recommendations. The management judiciously reviews and takes appropriate action on the recommendations made by the statutory auditors, internal auditors and the independent Audit Committee of the Board of Directors.

The Company has adequately designed communication network to support its business activities. Its manufacturing facilities endorse the highest health, safety, security and environmental standards and at the same time maintains operational efficiency.

#### FINANCIAL PERFORMANCE VIZ - A - VIZ OPERATIONAL PERFORMANCE

The details of the financial performance of the Company are appearing in the Balance Sheet, Profit & Loss Statements and other financial statements forming part of this Annual Report. For Financial highlights please refer heading 'FINANCIAL STATEMENTS of Board's Report.

#### HUMAN RESOURCE DEVELOPMENT AND INDUSTRIAL RELATIONS

Our Company has 61 employees as on 31st March, 2018 as same as on 31st March, 2017. Company has laid and evolved training calendar for all levels of employees including the gross root kind based on the assessment of their training needs by undertaking competence matrix and skill matrix analysis. There is very strong and regular performance review and feedback system for all levels of HR. The Company is also committed to create an open and transparent organization that is focused on fostering an environment that enables its human asset to deliver superior performance.

## S. E. Power Limited

The HR policy acts as an effective lever for driving the Company's strategic initiatives and helps in integrating and aligning all people practices to Company's business priorities.

## SECRETARIAL AUDIT REPORT

Form No. MR-3

For The Financial Year Ended 31st March, 2018

[Pursuant to Section 204(1) of the Companies Act, 2013 and rules made thereunder]

To,  
The Members,  
S. E. Power Limited,  
Survey No. 54/B, Pratapnagar Jarod-Savli Road,  
Samlaya, Vadodara- 391520 (Gujarat)

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by M/s. S. E. Power Limited [CIN: L40106GJ2010PLC091880] (hereinafter called the Company). The Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and produced to me and also the information provided by the Company, its officers and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2018 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2018 according to the provisions of:

**INDEPENDENT AUDITOR'S REPORT  
AND FINANCIAL STATEMENTS  
(STANDALONE & CONSOLIDATED)**

## INDEPENDENT AUDITOR'S REPORT

TO  
THE MEMBERS OF  
M/S S. E. POWER LIMITED  
VADODARA

### REPORT ON THE STANDALONE IND AS FINANCIAL STATEMENTS

We have audited the accompanying Standalone Ind AS financial statements of M/s S. E. Power Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2018, the Statement of Profit and Loss, including the Statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

### MANAGEMENT'S RESPONSIBILITY FOR THE STANDALONE IND AS FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act., read with Rule 7 of the Companies (Accounts) Rules, 2014 and the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial control that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on these Ind AS financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

### OPINION

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

1. In the case of the Balance Sheet, of the "State of Affairs" of the Company as at 31<sup>st</sup> March 2018;

2. In the case of the Statement of Profit and Loss, including Other Comprehensive Income of the "Loss and Income" for the year ended on that date; and
3. In the case of the Cash Flow Statement, of the "Cash Flows" for the year ended on that date;

#### REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-Section (11) of Section 143 of the Companies Act, 2013, we give in Annexure 'A' a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by section 143(3) of the Act, we report that:
  - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - c. The audit of all the branch offices of the Company has been conducted by us, hence section 143(8) is not applicable;
  - d. The Balance Sheet, the Statement of Profit and Loss including other Comprehensive Income and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
  - e. In our opinion, the aforesaid standalone Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
  - f. On the basis of written representations received from the directors as on 31<sup>st</sup> March, 2018 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March, 2018, from being appointed as a director in terms of Section 164(2) of the Act;
  - g. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B"; and
  - h. With respect to the other matters included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
    - i) The Company does not have any pending litigations which would impact its financial position.
    - ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
    - iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

## **ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT OF**

**M/S S. E. POWER LIMITED**  
(Referred to in our Report of even date for F. Y. 2017-18)

**REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER CLAUSE (I) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013**

We have audited the internal financial controls over financial reporting of M/s S. E. Power Limited as of 31st March 2018 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

### **MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **AUDITOR'S RESPONSIBILITY**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be

detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### OPINION

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## ACCOUNTING POLICIES FORMING INTEGRAL PART OF THE IND AS FINANCIAL STATEMENTS

### A. BASIS OF PREPARATION OF IND AS FINANCIAL STATEMENTS

For all periods up to and including the year ended March 31, 2017, the Company prepared its financial statements in accordance with Generally Accepted Accounting Principles (GAAP) in India and complied with the accounting standards (Previous GAAP) as notified under Section 133 of the Companies Act, 2013 read together with Rule 7 of the Companies (Accounts) Rules, 2014, as amended, to the extent applicable, and the presentation requirements of the Companies Act, 2013.

In accordance with the notification dated February 16, 2015, issued by the Ministry of Corporate Affairs, the Company has adopted Indian Accounting Standards (Ind AS) notified under Section 133 read with Rule 4A of Companies (Indian Accounting Standards) Rules, 2015, as amended, and the relevant provisions of the Companies Act, 2013 (collectively, "Ind ASs") with effect from April 1, 2017 and the Company is required to prepare its financial statements in accordance with Ind ASs for the year ended March 31, 2018. These financial statements as and for the year ended March 31, 2018 (the "Ind AS Financial Statements") are the first financial statements, the Company has prepared in accordance with Ind AS. The Company had prepared a separate set of financial statements for the year ended March 31, 2017 and March 31, 2016 in accordance with the Accounting Standards referred to in section 133 of the Companies Act, 2013 (the "Audited Previous GAAP Financial Statements"), which were approved by the Board of Directors.

The Company has followed the provisions of Ind AS 101-"First Time adoption of Indian Accounting Standards" (Ind AS 101), in preparing its opening Ind AS Balance Sheet as of the date of transition, i.e. April 1, 2016. In accordance with Ind AS 101, the Company has presented reconciliations of Shareholders' equity under Previous GAAP and Ind ASs as at March 31, 2017, and April 1, 2016 and of the Profit/ (Loss) after Tax as per Previous GAAP and Total Comprehensive Income under Ind AS for the year ended March 31, 2017.

### B. STOCK IN TRADE

Inventories are stated at the lower of cost or net realizable value after providing for obsolescence, if any. Cost of Inventories comprises of cost of purchase, cost of conversion and other cost incurred in bringing them to their respective present location and condition.

### C. CASH FLOW STATEMENT

As required by Ind AS-7 "Cash Flow Statement" issued by "The Institute of Chartered Accountants of India" the Cash Flow for the period is reported using indirect method. The Cash and Cash Equivalent of the Company comprises of Cash in hand and Current account with Scheduled Banks.

### D. DEPRECIATION

Depreciation for current financial year has been provided on straight-line method in the manner and as per the useful lives of the Assets specified in Schedule II to the Companies Act, 2013 and on pro rata basis from the date of installation till the date the assets are sold or disposed off.

### E. REVENUE RECOGNITION

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured:

- a) Sales are recognized on generation of sale bill or clearance of goods from factory whichever is earlier and are recorded exclusive of excise duty, service tax and sales tax.
- b) Export benefits are recognized on accrual basis.
- c) Scrap, salvaged/waste materials and sweepings are recognized on actual realization basis.

### F. PROPERTY, PLANT AND EQUIPMENTS

All assets held with the intention of being used for the purpose of producing goods or providing services and not for sale in the normal course of business are recognized as Property, Plants and Equipments and are stated at cost less accumulated depreciation after considering lease adjustment account. All costs including finance cost attributable to Property, Plants and Equipments till assets are ready for intended use are capitalized.

### G. INVESTMENTS

Investments are recognized as recommended in Ind AS. Accordingly following policies have been adopted in respect of Investments made:

- i) Investments that are readily realizable and are intended not to be held for more than one year from the date of acquisition are classified as current investments. All other investments are classified as Long term investments.
- ii) The Company values its Investments based on the Indian Accounting Standard issued by the Institute of Chartered Accountants of India:
  - a) Investment held as long-term investments are valued at cost. Provision for diminution in value is made only if there is a permanent decline in their net realizable value.
  - b) Current investments are valued at lower of cost or net realizable value.

### H. EMPLOYEE RETIREMENT BENEFITS, IF ANY

Contributions to Provident Fund made during the year, are charged to Statement of Profit and Loss for the period. The Company has taken Workmen Compensation Policy to meet the requirement in case of any accident or death of the worker. This contribution to the said plan is charged to Profit & Loss account. The company has no further obligation beyond its contribution to plan.

### I. BORROWING COSTS, IF ANY

- i) Borrowing costs, which are directly attributable to the acquisition /construction of property, Plants and Equipments, till the time such assets are ready for intended use, are capitalized as a part of the cost of assets.
- ii) All borrowing costs other than mentioned above are expensed in the period they are incurred. In case unamortized identified borrowing cost is outstanding at the year end, it is classified under loans and advances as unamortized cost of borrowings.
- iii) In case any loan is prepaid/ cancelled then the unamortized borrowing cost, if any, is fully expensed off on the date of prepayment/cancellation.

### J. RELATED PARTIES

Parties are considered to be related if at any time during the reporting period one party has the ability to control the other party or exercise significant influence over the other party in making financial and/or operating decisions. As required by Ind AS-24 "Related Party Disclosure" only following related party relationships are covered:

- (a) Enterprises that directly, or indirectly through one or more intermediaries, control, or are controlled by, or are under common control with, the reporting enterprise (this includes holding Companies, subsidiaries and fellow subsidiaries);
- (b) Associates and joint ventures of the reporting enterprise and the investing party or venture in respect of which the reporting enterprise is an associate or a joint venture;
- (c) Individuals owning, directly or indirectly, an interest in the voting power of the reporting enterprise that gives them control or significant influence over the enterprise, and relatives of any such individual;
- (d) Key management personnel (KMP) and relatives of such personnel; and
- (e) Enterprises over which any person described in (c) or (d) is able to exercise significant influence.

### K. LEASE ASSETS, IF ANY

Assets taken on lease are accounted for in accordance with Ind AS-17 "Accounting for Lease" issued by "The Institute of Chartered Accountants of India".

### L. EARNING PER SHARE

The Earning per Share (Basic as well as Diluted) is calculated based on the net profit or loss for the period attributable to equity shareholders i.e. the net profit or loss for the period after deducting Proposed Preference Dividend and any attributable tax thereto.

For the purpose of calculating (Basic and Diluted EPS), the number of equity shares taken are the weighted average number of equity shares outstanding during the period.

### M. SEGMENT REPORTING

The Segment report of the Company has been prepared in accordance with the Ind As -108 "Segment Reporting" issued by The Institute of Chartered Accountants of India.

**N. INTANGIBLE ASSETS, IF ANY**

Intangible assets are recognized only when four of below mentioned criteria are fulfilled:

- a) Asset is identifiable.
- b) Control of the enterprise over that asset.
- c) It is probable that future economic benefits attributable to the asset will flow to the enterprise.
- d) Cost of the asset can be measured reliably.

If any of the above four criteria is not fulfilled the expenditure incurred to acquire the asset is recognized as an expense, in the year in which it is incurred.

Intangible assets are initially measured at cost, after initial recognition the intangible asset is carried at its carrying value i.e. cost less any accumulated amortization and accumulated impairment losses.

**O. IMPAIRMENT OF ASSETS, IF ANY**

An asset is treated as impaired, when carrying cost of asset exceeds its recoverable amount.

At each Balance Sheet Date, it is seen that whether there is any indication that an asset may be impaired, if any such indication exist, the recoverable amount of the asset is estimated in order to determine the extent of impairment loss; if any. Such impairment loss is charged to the profit and loss account in the year in which an asset is identified as impaired.

When an impairment loss is subsequently reversed, the carrying amount of the asset is increased to its revised estimate of its recoverable amount. However this increased amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for that asset in prior period. A reversal of an impairment loss is recognized as income immediately in the Profit & Loss Account.

**P. PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS**

Provisions involving substantial degree of estimation in measurement are recognized when there is present obligation as a result of past events and it is probable that there will be out flow of resources. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date and are not discounted to its present value. Contingent liabilities are not recognized but are disclosed in the notes on accounts. Contingent assets are neither recognized nor disclosed in the financial statements and will be recognize only when its realization is virtually certain.

**Q. USE OF ESTIMATES AND JUDGEMENTS**

The preparation of financial statements requires the management to make estimates and assumptions considered in the reported amount of assets and liabilities (including contingent liabilities) as on the date of the financial statements and the reported income and expenses during the reporting period. Management believes that the estimates used in the preparation of the financial statements are prudent and reasonable. Actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

**R. FOREIGN CURRENCY TRANSACTIONS**

As prescribed in Ind AS – 21 - "The effect of changes in foreign exchange rates", Transactions in foreign currency are recorded at the rates of exchange prevalent on the date of transaction. Exchange differences, if any arising from foreign currency transactions are dealt in the statement of profit and loss at year end rates.

## INDEPENDENT AUDITORS' REPORT ON CONSOLIDATED FINANCIAL STATEMENTS

TO,  
THE MEMBERS OF  
M/S S. E. POWER LIMITED  
VADODARA

### REPORT ON THE CONSOLIDATED IND AS FINANCIAL STATEMENTS

We have audited the accompanying Consolidated Ind AS Financial Statements of M/s S. E. Power Limited (hereinafter referred to as "the Holding Company") and its wholly owned subsidiary M/s Shubham Electrochem Limited (the Holding Company and its subsidiary together referred to as "the Group") which comprise of the Consolidated Balance Sheet as at 31st March 2018, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, Statement of Change in Equity and Consolidated Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

### MANAGEMENT'S RESPONSIBILITY FOR THE CONSOLIDATED IND AS FINANCIAL STATEMENTS

The Holding Company's Board of Directors is responsible for the preparation of these consolidated Ind AS Ind AS Financial Statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Ind AS Financial Statements by the Directors of the Holding Company, as aforesaid.

### AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on these consolidated Ind AS Financial Statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Companies Act, 2013. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated Ind AS Ind AS Financial Statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated Ind AS Financial Statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

## OPINION

We believe that our audit provides a reasonable basis for our opinion:

1. We report that the Consolidated Ind AS Financial Statements have been prepared by the company's management in accordance with requirements of Accounting Standard 21 issued by the ICAI, "Consolidated Financial Statements".
2. In our opinion and to the best of our information and according to the explanations given to us, the consolidated Ind AS Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:
  - a. In the case of the Consolidated Balance Sheet, of the State of Affairs of the Company as at 31st March 2018;
  - b. In the case of the Consolidated Statement of Profit and Loss, including Other Comprehensive Income of the Loss and Other Income for the year ended on that date; and
  - c. In the case of the Consolidated Cash Flow Statement, of the Cash Flows for the year ended on that date.

### Report on Other Legal and Regulatory Requirements:

1. As required by section 143(3) of the Act, we report that:
  - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements;
  - b. In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated Ind AS Financial Statements have been kept so far as it appears from our examination of those books;
  - c. The audit of all the branch offices of the Company has been conducted by us, hence section 143(8) is not applicable;
  - d. The Consolidated Balance Sheet, Consolidated Statement of Profit and Loss and Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements;
  - e. In our opinion, the aforesaid Consolidated Ind AS Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
  - f. On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2018 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary company incorporated in India, none of the directors of the Group companies, is disqualified as on 31st March, 2018 from being appointed as a director in terms of Section 164 (2) of the Act;
  - g. With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate report in "Annexure A"; and
  - h. With respect to the other matters included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules 2014, in our opinion and to the best of our information and according to the explanations given to us:
    - i) There were no pending litigations which would impact the consolidated financial position of the Group.
    - ii) The Group did not have any material foreseeable losses on long-term contracts including derivative contracts.

(Referred to in our Report of even date for F. Y. 2017-18)

**REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER CLAUSE (i) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013**

In conjunction with our audit of the Consolidated Ind AS Financial Statements of the Company as of and for the year ended March 31, 2018, we have audited the internal financial controls over financial reporting of M/s S. E. Power Limited (hereinafter referred to as "the Holding Company") and its wholly owned subsidiary M/s Shubham Electrochem Limited which are companies incorporated in India, as of that date.

### **MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS**

The respective Board of Directors of the of the Holding company, its subsidiary company, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **AUDITOR'S RESPONSIBILITY**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

**INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**OPINION**

In our opinion, the Holding Company, its subsidiary company, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
