ANNEXURE TO THE DIRECTORS' REPORT

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

The Company is currently engaged in Manufacturing and Selling of crystal white sugar, trading in Stores items used by Sugar Industry and Construction. Construction mainly includes trading of construction rights.

SUGAR INDUSTRY

Sugar crops in many parts of the world are projected to expand in response to rising demand for sugar and other uses and relatively high market prices. World sugar production is expected to increase by 50 Mt to reach over 209 Mt in 2020-21. The bulk of the additional sugar production will come from the developing countries. India, the second largest global producer and the world's leading consumer, is expected to boost production substantially to 32 Mt of sugar per year, on average, in the coming decade, or some 50% higher than in 2008-10, when production fell sharply. Annual sugar output will continue to be subject to periodic large swings in response to the longstanding production cycle. Some other countries of Asia, such as China and Pakistan, are also expected to continue to experience milder forms of production cycles, which contribute to fluctuations in production and their import volumes. Outside this group, an expansion drive underway in Thailand is expected to continue as investment projects currently in the pipeline come on stream, lifting production to around 8.7 Mt by 2020-21, and maintaining its position as the world's third largest producer.

Global sugar consumption has continued to increase despite the continuing economic difficulties in many developed countries, compounded by the period of high sugar prices and increased volatility. This has slowed sugar use at the start of the Outlook period and slower consumption growth is expected to continue over the longer term as world sugar prices average higher in real terms. Global consumption is projected to grow at 2.2% p.a. to 2020-21, and down from 2.6% p.a. in the previous ten years. The developing countries will continue to experience the strongest growth in sugar consumption, fuelled by rising incomes and populations, although with considerable variation between countries. The sugar deficit regions of Asia and the Far East as well as Africa, will be responsible for most of the expansion in use. In contrast, sugar consumption in many developed countries, with their mature sugar markets, are expected to show little or no growth. Total consumption in these countries is expected to increase from 48Mt to nearly 52 Mt over the projection period. This reflects, among other things, slowing population growth and dietary shifts that are underway as a result of increasing health awareness and concerns with obesity and related health issues.

Sugar is one of the essential items not only in the household sector but also in various industrial formulations in pharmaceutical sector, confectionery, soft drinks, sweets etc. The consumption of sugar in the country is on the increase due to population growth as also due to various development plans of the Government. Still the per capita sugar consumption in India is much lower than the world standard and even from the developing countries. However, the per capita consumption of sugar is on the increase on account of improved standard of living and the changing life style of rural masses which now prefers sugar than any other alternate sweetening material.

The Sugar industry has production cycles related to Cane production. This leads to sharp swings in prices. The crushing period varies from region to region. The crushing begins in October/November and goes on till April/May in all states except in Southern states like Tamil Nadu, Andhra Pradesh etc where it continues till July- August. Indian Sugar industry is highly fragmented with private sector, Co-operatives etc along with the unorganized players. The unorganized players mainly produce Gur and Khandsari which are less refined forms of Sugar.

Our Strategy

We would intensify efforts in improving quantity and quality of Cane availability. We are taking all the steps to improve Cane quantity and quality in Sugar season 2017-18.

CONSTRUCTION

The Company is also engaged in the business of construction and selling of residential houses and trading of construction rights.

The Company has not undertaken any major construction project. Presently, it has very small construction activities which include purchase and sell of construction rights. However, it has plans to expand its construction activities by undertaking large housing projects comprising economy as well as luxurious residential houses.

The Indian construction industry is an integral part of the Indian economy and an important portion of investments into the development of the Indian Economy takes place through the construction industry. The construction industry is expected to grow with further economic development, industrialisation, urbanisation and improvements in the standard of living.

According to Indian Infrastructure, the Indian construction industry accounts for more than 5% of India's GDP and is the second largest employer after agriculture, employing nearly 32 million people. In the course of liberalization of the Indian economy, the Government has placed a priority on infrastructure development and emphasised the involvement of private capital and management in order to respond to the growing demand for new infrastructure projects.

SEGMENTWISE PERFORMANCE

Presently, the Company mainly deals in two segments:

- I. Sugar
- II. Construction

Segment Reporting as per point no.8 to note 29 of the Audited Statements of Account.

RISKS & MITIGATIONS

Industry risk

The Company's growth is largely dependent on the growth of the sugar industry.

However, India's low per capita sugar consumption compared with a global trend provides enough room for growth in the sector. Further, since sugar is an essential and preferred sweetener, it seldom faces any slackening demand in the country.

Raw material risk

Rising sugarcane prices and non-availability could adversely affect the Company.

However, Company's Sugar Mill is located in the cane-rich areas of Bihar and its focused cane development team encourages farmers to enhance yield and plantation acreage. The proposed sector de-control in terms of introducing the Fair price mechanism for purchase of raw material will adequately help the ailing industry to recover. Moreover, the proposed revenue-sharing formula by the Rangarajan Committee will ensure cane prices are fixed at 75 percent of the sugar price realisation, strengthening the Industry's global competitiveness.

Cyclical risk

Operating in a cyclical business, weak operational efficiency could affect profitability.

The Company's immediate future plans to invest in its ancillary business, co-generated power by using by-product baggage and distillery plant, will impart a robust competitive edge to protect fortunes from cyclical risk. Moreover, its infrastructure, which is suitable for 15000 TCD capacity, will enable the Company to run its assets beyond the sugar season.

Regulatory risks

Unfavorable government policies could derail business plans.

The government constituted the Rangarajan Committee to progressively de-control the sugar sector.

INTERNAL CONTROL SYSTEMS THEIR ADEQUACY

Our Company has a proper and adequate system of internal control to ensure that all assets are safeguarded and protected against loss from unauthorized use or disposition and that the transactions are authorized recorded and reported correctly. The Internal control system is designed to ensure that financial and other records are reliable for preparing financial information and other data and for maintaining accountability of assets. There is an elaborate internal audit system which is done by Independent firm of Internal Auditors. Their reports on the internal controls and their adequacy are regularly discussed with the Management and corrective measures wherever required, are taken and continuously monitored.

The Audit Committee of the Board meets regularly to review the adequacy of internal controls; internal audit finding sand the corrective actions are taken, if necessary. The Management is reasonably satisfied about the adequacy of these internal control systems.

DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

Revenue

The Total Income during the year under review, stood at Rs. 594.73 lacs as against Rs. 76.76 lacs in the previous Financial Year.

Profits

Profit/(Loss) before Interest, Depreciation and Tax stood at (33.54) lacs, showing a marginal increase from previous financial year which stood at (23.69) lacs. Profit/(Loss) after Tax amounting to Rs. (33.54) lacs, compared to (29.27) in the previous financial year.

Earnings per Shares (EPS)

The Company recorded an EPS of Rs. (0.18) per equity shares of Rs. 10/- each during 2017-18.

MATERIAL DEVELOPMENT IN HUMAN RESOURCES/INDUSTRIAL RELATIONS FRONT

A cordial industrial relations environment prevailed in the Company during the year, barring witness of recent agitation by workers to enforce their own demands. There was constant focus on all rounds organizational development. Regular promotions are granted and succession plans are effectively implemented. Our system of compensation is as per the market trends and job requirements. Other benefits to employees are provided for motivation.

CAUTION STATEMENT

The above mentioned statements are only "forward looking statements" based on certain assumptions/expectations. The Company's actual performance could differ materially from those expressed/projected depending upon changes in various factors. The Company does not assume any responsibility to any change(s) in "forward looking statements", on the basis of subsequent development, information or events etc.

To The Members of **Shree Hanuman Sugar & Industries Limited**

Report on Financial Statements

We have audited the accompanying financial statements of **SHREE HANUMAN SUGAR & INDUSTRIES LIMITED** ("the company") which comprise the Balance Sheet as at 31st March, 2018, the Statement of Profit and Loss, including the statement of Other Comprehensive Income, Cash Flow statement and the Statement of Change in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including Other Comprehensive Income, Cash flows and the Statement of Changes in Equity of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards (Ind AS) specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibilities also includes maintenance of adequate accounting records in accordance with the provisions of the other Act for safeguarding of assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and rules made there under. We conducted our audit in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Financial Statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Director, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

**Annexure A to the Independent Auditors' Report**

(Referred to in paragraph 10 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

1. In respect of its fixed assets
 - a) We are informed that the Company has maintained proper records showing full particulars, including quantitative details and situation of its major items of fixed assets and summarized records of items of small value, on the basis of available information. However such records could not be produced for our verification due to lock out in the factory.
 - b) As explained to us, all the fixed assets have been physically verified by the management in a phased periodical manner, which in our opinion is reasonable, having regard to the size of the Company and nature of its assets. No material discrepancies were noticed on such physical verification.
 - c) The title deeds of immovable properties are held in the name of the company.
2. In respect of its inventories
 - a) The company did not carry any trade or manufacturing activity during the current reporting period and its Plant were not in operation as informed by the management. As informed to us, the inventories were physically verified during the year by the Management at reasonable intervals and no discrepancies were noticed on such verification, however, we are not in a position to substantiate the same since relevant inventory records could not be produced for our verification.
 - b) In view of the limited information made available to us, we are not in a position to state whether the procedure for physical verification of inventory followed by the Management were reasonable and adequate.
 - c) It is stated by the management that there were no changes in the opening & closing inventory of the Company and the Company has maintained proper records of its inventories and no material discrepancies were noticed on physical verification.
3. In our opinion and according to the information and explanations given to us, the Company has not granted during the year unsecured loans, to companies, firms or other parties covered in the Register maintained under Section 189 of the Companies Act, 2013 and there is no amount outstanding at the end of the year.
4. In our opinion and according to the information and explanations given to us, the provisions of section 185 and 186 of the Companies Act, 2013 in respect of loans, investments, guarantees, and security are applicable on the company and the company has not complied with the provisions of the said sections.

Annexure B to the Independent Auditors' Report on the Financial Statement of the Company

(Referred to in paragraph 11 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Shree Hanuman Sugar & Industries Limited** ("the Company") as of 31st March, 2018 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail,

accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial control system over financial reporting were operating effectively as at 31st March 2018, based on the internal financial control system over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India.

NOTES ON FINANCIAL STATEMENT

NOTE - 28

A Corporate Information

SHREE HANUMAN SUGAR & INDUSTRIES LIMITED ("the Company") is a listed entity incorporated in India having registered office at Chandrakunj, 4th floor, 3. Pretoria Street, Kolkata-700071. The Company is engaged in manufacturing and selling of Sugar.

B Significant Accounting Policies**a) Basis of preparation of financial statements**

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the companies (Indian Accounting Standard) Rules, 2015 as amended by the Companies (Indian Accounting Standards) (Amendment) Rules, 2016, the relevant provisions of the Companies Act, 2013 ("the Act") and guidelines issued by the Securities and Exchange Board of India (SEBI), as applicable.

For the period upto 31st March 2017, the financial statements were prepared under historical cost convention in accordance with the accounting standards specified under section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rule, 2014. These financial statements for the year ended 31st March 2018 has been prepared in accordance with Ind AS for the first time.

The financial statements are prepared on accrual basis under the historical cost convention method.

b) Finance Cost

Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

c) Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

d) Inventories

Items of inventories are measured at lower cost and net realisable value after providing for obsolescence, if any, except in case of by products which are valued at net realisable value. Cost of inventories comprises of cost of purchase, cost of conversion and other costs including manufacturing overheads net of recoverable taxes incurred in bringing them to their respective present location and condition.

Cost of raw materials, chemicals, stores and spares, packing materials, trading and other products are determined on weighted average basis.

e) Tax Expenses

The tax expense for the period comprises current and deferred tax. Tax is recognised in the statement of profit and loss, except to the extent that it relates to items recognised in the comprehensive income or in equity. In which case, the tax is also recognised in other comprehensive income or equity.

f) Revenue Recognition

Revenue from sale of goods is recognised when the significant risk and reward of ownership have been transferred to buyer, recovery of the consideration is probable, the associated cost can be estimated reliably, there is no continuing effective control or managerial involvement with the goods, and the amount of revenue can be measured reliably.

Revenue from rendering of service is recognised when the performance of agreed contractual task has been completed.

Revenue from sale of goods is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the

government.

Revenue from operations includes sale of goods, services, service tax, excise duty, GST and adjusted for discounts (net), and gain/loss on corresponding hedge contracts.

Interest income from financial assets is recognised using the effective interest rate method.

Dividend is recognised when the Company's right to receive the payment has been established.

g) Financial Instrument**Financial Assets****A. Initial recognition and measurement**

All financial assets and liabilities are initially recognised at fair value. Transaction cost that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

B. Subsequent measurement**i. Financial asset carried at amortised cost**

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payment of principal and interest on the principal outstanding.

ii. Financial asset at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cashflows and selling financial assets and the contractual terms of the financial assets give rise on a specified date to cash flows that are solely payment of principal and interest on the principal amount outstanding.

iii. Financial asset at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above category are measured at FVTPL.

C. Investment in Subsidiaries, Associates and Joint Ventures

The Company has accounted for its investments in subsidiaries at cost.

D. Other Equity Investments

All other equity investments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the company has elected to present the value changes in "Other Comprehensive Income".

Financial Liabilities**A. Initial recognition and measurement**

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

B. Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payable maturing within one year from the balance sheet date, the carrying amount approximate fair value due to the short maturity of these instruments.

Derivative financial instrument and Hedge Accounting

Derivate financial instrument are initially recognised at fair value on the date on which derivative contract is entered into and are also subsequently measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the value is negative.

Any gain or losses arising from changes in the fair value of derivatives are taken directly to the Statement of Profit and Loss, except for the effective portion of cash flow hedge which is recognised in Other Comprehensive Income and later to Statement of Profit and Loss when the hedged items affects profit or loss or treated as basis adjustments if a hedged forecast transactions subsequently results in the recognition of non-financial assets or non financial liability.

Derecognition of financial instrument

The Company derecognizes a financial asset when the contractual right to cash flows from the financial assets expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or part of a financial liability) is derecognized from the company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

h) First Time Adoption of IND AS

The company has adopted Ind AS with effect from 1st April 2017 with comparatives being restated. Accordingly the impact of transition has been provided in the opening reserves as at 1st April 2016. The figures for the previous period have been restated, regrouped and reclassified wherever required to comply with the requirement of Ind AS and Schedule III.

i) Significant Accounting Estimates

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affects the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosures and the disclosures of contingent liabilities. These includes recognition and measurement of financial instruments, estimates of useful lives and residual value of Property, Plant and equipment and intangible assets, valuation of Inventories, measurements of employee benefits, actuarial assumptions, provisions etc.

Uncertainty about these assumptions and estimates could result in outcomes that requires a material adjustment to the carrying amount of assets or liabilities affected in future periods. The Company continually evaluates these estimates and assumptions based on the most recently available information. Revisions to accounting estimates are recognized prospectively in the Statement of Profit and Loss in the period in which the estimate are revised and in any future periods affected.

j) Cash flow statement

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing flows. The cash flows from operating, investing and financing activities of the Company are segregated.

k) Dues to micro and small scale business enterprises

There are no Micro and Small Enterprises, to whom the Group owes dues, which are outstanding for more than 45 days as at 31st March, 2018. This information as required to be disclosed under the micro, Small and Medium Enterprises Development Act, 2006 has been determined to the extent such parties have been identified on the basis of information available with the Group.

l) Cash and Cash Equivalents

Cash and cash equivalents include cash in hand, demand deposits with banks, other short-term highly liquid investments with original maturities of three months or less.

m) Provisions, contingent liabilities and contingent assets

Provision is recognised in respect of obligations where, based on the evidence available, their existence at the Balance Sheet date is considered probable.

A provision is recognized, if, as a result of a past event, the Company has a present legal obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by the best estimate of the outflow of economic benefits required to settle the obligation at the balance sheet date.

Provisions, contingent liabilities and contingent assets are reviewed at each balance sheet date. Re-imbursement expected in respect of expenditure to settle a provision is recognised only when it is virtually certain that the reimbursement will be received.

A Contingent Asset / Liability are not recognized in the Accounts.
